Me: It does look that way doesn't it.

Lincoln: It sure does.

We walked on to our next destination.

---

100,000,000 Years Hence - The Shallow Seas.

---

We were walking on top of the waters of a beautiful crystal clear sea.

Lori: This sea is literally so beautiful.

Me: It is Lori. These oceans are much shallow in some areas on the planet. This is where the city of Moscow, Russia used to be.

I formed a holographic map of Earth and it showed that because of the drifting of the continents the oceans were shallower in places and warmer. It showed our location and we were in the Shallow Seas of Moscow.

Me: See?

Laney felt the water and it was as warm as the water in a bathtub.

Laney: Whoa! The oceans here are nice and the water is warm.

Me: The water temperature here is 89 degrees fahrenheit and it's perfect to swim in.

Lisa: The water temperature is rather pleasant in this location.

Lana: It sure is.

Lola: I would swim here.

Lincoln: Same here.

Me: Me too.

Suddenly we saw a huge sailboat-like jellyfish float by us.

Lori: Whoa! Look at the size of that boat!

Me: That's not a boat Lori. That is a future jellyfish called an Ocean Phantom. It's a descendant of the Portuguese Man-O-War Jellyfish.

Lana: That whole thing is a jellyfish!? Cool!

Lisa: What a magnificent specimen!

Lola: It sure is. Those sails it has are amazing.

Me: Those sails it has help in having it being pushed around by the wind. It's what marine biologists call a Siphonophore. It's actually a bunch of individual smaller jellyfish working together to form into one giant creature.

Lisa: That's correct. This is a result of symbiotic relations in obtaining food and nutrients to maintain the colony.

Laney: That's amazing.

Me: It is.

Lori: That is amazing.

Lincoln: Jellyfish are amazing creatures.

Aylene: Isn't there jellyfish that have sails like that?

Me: There is Aylene. A prominent example is a jellyfish called the Velella. It has a small sail on it that helps it move around in the wind. There are many kinds of Jellyfish and they've been on the planet for over 700,000,000 years.

Lisa: That's correct.

Eddy: I would not want to eat them with peanut butter.

Me: No that would taste horrible. But let me show you something cool for the creature underwater.

We go down underwater and saw the creatures underside and it had amazing bell creatures attached to tethers. There were also strange pod creatures under it too.

Nico: What are those bell creatures?

Me: Those bells are part of the Ocean Phantom and they are how the entirety of the creature gets its food. (Sees something) Watch.

The Ocean Phantom lowered the bells down and we saw that they had eyes around the mouth and we saw them snatch some strange fish creatures out of some red plants.

Lola: Did you guys see that!?

Lori: It literally ate those fish creatures out of those plants!

Laney: That was scary but interesting.

Ed: Cool.

Lana: That was cool!

Lori: But aren't jellyfish poisonous?

Me: Yes they are. All Jellyfish are venomous to some degree. But the most poisonous one of them all is the Box Jellyfish or Sea Wasp.

Lisa: That's correct 2nd Elder Brother. *Chironex Fleckeri;* Street name: Box Jellyfish or Sea Wasp is the most lethal jellyfish in the world and they have a powerful venom that has no antidote and is capable of killing 60 people.

Lana: That is powerful!

Lori: It is. I had no idea that such a jellyfish even existed.

Me: Well they're very small Lori. They grow up to be about the size of your pinky fingernail and their tentacles can extend up to 10 feet long.

Laney: That's a really small Jellyfish. Big things do come in small packages. Where are they usually found?

Me: Usually in the oceans off the coasts of the Philippines and Australia.

Lori: Thank goodness we didn't see them on our global trip.

Me: Yeah thank goodness. This is what they look like.

I show a holographic photo of the sea wasp. It was a small blue jellyfish with long tentacles.

Lisa: Very fascinating specimen.

Laney: And that jellyfish is the most venomous jellyfish on the planet? That is scary.

Lana: But that was cool how the Ocean Phantom did that.

Me: It is. That's how it gets its food. Those little fish creatures are called Reef Gliders. They are descended from Sea Slugs.

Nico: Those little things are sea slugs!? That's literally amazing.

Me: Evolution works in mysterious ways.

Lisa: Fascinating specimens.

Lola: They look just like fish.

Me: They do don't they?

Laney: They sure do and they're eating that red plant.

Me: That red plant is a red algae plant.

Lisa: Very interesting specimen.

Lori: They look like red kelp.

Me: That's a good way to describe it Lori. But Kelp is a type of Brown Algae. Red algae is much smaller than kelp.

I form a holographic orb and show them what they look like. The first image shows the California Kelp Forests off the coast of San Francisco.

Me: This is the California Kelp Forests off the coast of San Francisco.

Lola: Wow! Look at all the fish and animals there.

Me: Yes. They have a wide range of different types of fish, sea urchins, seals, shellfish, sea slugs, and more.

I change it to Red Algae.

Me: This is Red Algae.

Lori: It looks like a soft bushy plant.

Me: That's right. They are usually found in tide pools along the coastlines of the world.

Laney: And they will become that in 100,000,000 years? That's amazing.

Me: Well again Laney, we don't know.

Lana: But isn't there a type of algae that turns the water red like blood?

Me: Yes. There is Lana. It's a microscopic form of algae called

Dinoflagellates. They are a microscopic form of algae that creates an algal bloom phenomenon called Red Tide. It's where they multiply like mad and turn the water red like blood. This is what they look like.

In the holographic orb I show a Dinoflagellate and what it looks like under high magnification through a microscope.

Me: Dinoflagellates are really small microorganisms.

Laney: Can we see them through a magnifying glass?

Lisa: Negative Laney. Dinoflagellates are only 15 to 40 Microns in size and you would need an extremely powerful microscope to look at them up close.

Me: That's right. It would take 20,000 to 25,000 times magnification to look at them. But this is the coolest part about Red Tides. It really shows a powerful trait at night.

I change the orb and it shows a split image. One side was a video of a man surfing on water with red tide and it was flickering with neon blue light like lightning and one man was walking on the beach and his shoes where were glowing with neon blue light every time he stepped on the sand.

Lori: Look at that! The water and sand are literally glowing!

Eddy: That is amazing!

Ed: Cool!

Lana: That is so cool!

Lola: How is it doing that!?

Me: That's the neat part about Dinoflagellates. They are photosynthetic creatures that have bioluminescent properties and whenever something disturbs them like an ocean wave, someone surfing or you're walking on the beach with them on it they emit this bright neon blue light that makes it look like they are fire or lightning on the sand or the water. Hence why they're called Fire Algae.

Laney: That is really amazing.

Nico: I had no idea that Dinoflagellates can do that.

Me: I saw it on a weather documentary at one time on The Weather Channel. It was one of the freakiest things I've ever seen.

Laney: That's so cool!

Lisa: That is a very amazing scientific trait.

Me: Yep.

Aylene: I had no idea that Dinoflagellates could do that.

Me: Yep.

We continued walking around the sea floor and saw the Ocean Phantom and swimming up behind it was a giant Reef Glider.

Me: See that big creature? That's an Adult Reef Glider. They can grow up to 12 feet long and they attack Ocean Phantoms. Watch.

It swam fast and grabbed a bell tentacle.

Lori: Wow.

Me: They can be really persistent and the Ocean Phantom also has a secret weapon. Watch the pods up there.

We saw that it had its own private army of sea spiders.

Lincoln: Whoa! Are those sea spiders!?

Me: They are. Those are called Spindletroopers. They are descendants of Sea Spiders.

Lisa: Very fascinating specimens.

Me: Yeah. They can only be called out when the Ocean Phantom is under attack from a big creature like an adult Reef Glider.

We saw the Spindletroopers attack the Reef Glider by slashing the creatures head with their claws and the creature let go and went away. The Spindletroopers left the Reef Glider and went back into the pods.

Lori: That was literally amazing and scary at the same time.

Me: It was. Leni would not like seeing that.

Lincoln: No she wouldn't.

On the surface we came up and we saw a huge storm coming.

Lori: What's happening?

Me: With the warm water, the sea storms are stronger than the ones we know in our time.

Lana: This is gonna be intense.

We saw the Ocean Phantom and it was caught in the storm and it was getting torn apart by the strong winds. But this was beneficial for it. It not only regenerates itself but also it reproduces itself after being torn apart.

100,000,000 Years Hence - The Great Plateau

---

We were over in a huge mountainous area. It was really cold and the air was really thin. We were wearing our fur parkas and we were trekking through the mountainous terrain numb with bitter cold.

Lori: This place is literally really cold!

Eddy: Man am I cold!

Me: I know. This is The Great Plateau and this is where Australia is now.

I show my holographic globe and it revealed that Australia moved north and it closed off the Bering Strait and it now bridges northwestern North America with Eastern Asia at Russia. The result caused the landscape to form a huge mountain range that created massive mountains.

Me: These mountains are 33,000 feet high and they make the Himalayas look like small hills in comparison.

Lincoln: This is really amazing!

Lana: I'll say.

Ed: These mountains are so cool!

Lola: These mountains are incredible.

Nico: They sure are. If you climbed one you would be on top of the world.

Aylene: Yeah. What's the temperature here?

I pulled out a thermometer and it said that the temperature was -30 degrees Fahrenheit.

Me: It's -30 Degrees. It's as cold as the Himalayas over in Nepal in our time.

Nico: That is bone chilling.

Lincoln: It sure is.

Lisa: Geological upheaval created a magnificent mountain range.

Me: It sure did. A really cold one.

Lana sees something in the air above the mountains. It was a magnificent blue bird with 4 wings and a beautiful and majestic appearance.

Lana: Wow! Look at that bird!

We saw it.

Me: That's my favorite bird here. It's the Great Blue Windrunner and it's a descendant of the Crane.

Lori: That is a really beautiful bird.

Laney: It sure is.

Lisa: What a magnificent specimen.

Aylene: It sure is. I've never seen a bird like that before.

I use my holographic powers and show what it looks like in full detail.

Me: The Great Blue Windrunner is a beautiful bird. The coolest part is that it has 6 wings.

Laney: 6 wings? We only saw 4.

Me: Yes but it has a pair of mini-wings on its head called Canards. These birds are amazing creatures. Their leg wings can be used for extra maneuverability and it makes them very agile. Also their feathers provide a very powerful trait. They reflect the Suns ultraviolet radiation at this altitude. They act like a powerful shield against it.

Lori: That is amazing.

Lola: A bird like that is incredible.

Me: It sure is.

We go further into the mountains and saw a huge spider web wall.

Lana: Wow! What a giant spider web!

Lola: Ew! This is so creepy.

Me: I know but look at this.

We saw amazing spiders that have silver reflective patches on them.

Me: These spiders are called Silver Spiders and they are descended from Black Widow Spiders.

Lisa: What amazing specimens.

Lincoln: This is really something. I'm glad Leni isn't seeing this or she would freak out.

Laney: Knowing her she would.

Nico: I agree.

Eddy: Double D would like to study this.

Lincoln: I know he would.

May: Same here. But these spiders are amazing.

Me: They sure are. They are only half an inch wide. But the queen spider is as big as a football and not the kind that Lynn plays with.

Lisa: Fascinating. The Silver Spiders have their own caste system.

Me: That's right. These spiders are the gatherers. They're not getting bugs. They're getting seeds.

Lana: Seeds? What do they need seeds for?

Me: I'll show you.

We go into a grove of trees and the wind was blowing the seeds off of some trees and they had cotton sails on them.

Me: These trees are where the seeds are coming from.

Laney: These trees are amazing.

Me: They are. They're Grass Trees. They are descended from Bamboo.

Lori: Bamboo is amazing. But this is literally amazing.

Nico: It sure is. So the wind blows the seeds into the Silver Spider webs for something.

Me: That's right. Let me show you.

We go back and go into a cave. It was a pocket that was being used as a storehouse for the Grass Tree Seeds.

Lana: This is amazing. They're gathering all the Grass tree seeds and putting them in here.

Me: That's right and the seeds are for the last of the mammals on the planet.

Lola: Last of the mammals?

Me: Yep.

I point to a cave and out of the cave came a small little mouse-like creature.

Me: That's the last of the mammals. A Poggle - a descendent of a hamster and the last of the mammals on the planet. All the mammals that we know from our time are extinct in this timeline. The Poggle is the only known mammal left.

Lana: Look at that cute little guy.

Lola: It's so adorable.

Laney: It sure is.

Lori: And it's the last mammal on the planet? That is literally so sad.

Lisa: It's a magnificent specimen. But it saddens me that all the mammals except for this one are gonna be gone.

Me: I know.

Lana: I have a cave in my greenhouse at home.

Me: Perfect. It'll love it Lana.

Laney: I didn't know that Lana.

Lana: It's more than just a jungle in my greenhouse Lanes.

Lana found 4 Poggles and beamed them into her cave in her greenhouse at home and a bunch of the Grass Tree Seeds were put into it for them. She also beamed a grass tree into the greenhouse too. Her greenhouse has a bunch of awesome different habitats in it for every environment.

Me: Good thinking Lana.

Lana: Thanks J.D.

We go back outside and went back in time to our next destination.

In Leni's Room, Leni was making leotards for the Wereshark Girls, Jen, Kenai and Nita. Jen was wearing a purple and white Leotard.

Leni: You guys are gonna totes love these leotards.

Jen: Thanks Leni. They will be perfect for when we transform and not tear up.

Leni: I know.

Leni was working hard.

## 5,000,000 Years Hence - The North American Desert

We were in a parched and bleak desert that went on for miles. But it was really cold. Not as cold as the Great Plateau but right up there.

Lincoln: This desert is really cold!

Lana: Where is this place?

Me: This is the North American Desert and we went back in time to 5,000,000 years in the future.

I show a holographic map of Earth and the world in 5,000,000 years hence was very different. The polar ice caps extended all the way down to western central Europe and southern South America, southeastern Africa was starting to drift away as the Great Rift Valley was now replaced with a huge river, the Amazon Rainforest was replaced by grasslands, America's heartland was now a huge desert and the Mediterranean Sea was now a dry salt flat.

Laney: Wow! What happened to the Earth?

Me: The Earth is now in the grip of another ice age and the climate is now very different. This whole desert is an ice age desert. This is where the city of Chicago, Illinois once stood.

Lisa: Very fascinating. The climate change turned all of the heartland of the continental United States into a parched, barren desert that stretches on for miles.

Lori: That is literally a strange transformation.

Me: It sure is. Lets take a break for lunch.

Nico: Good idea.

---

We did so and we had lots of great food. Nico and May brought their Pokemon out. They had all kinds of food for them.

May: You know Nico, James on Team Rocket had a Weezing once.

Nico: Really?

May: Yep. I don't know what happened but Jessie and James departed with their previous pokemon Arbok and Weezing.

Nico: That's sad for them.

Me: I didn't know that May.

May: Yeah.

Lincoln: This is a really amazing trip so far. We've been to several places in this future world.

Lisa: Indeed. It's all unlike anything we've ever seen before in our time.

Lana: I'll say.

Lola: This is an amazing trip and the landscapes are amazing. Along with the animals.

Laney: These animals are all amazing. It's hard to imagine that evolution can have so many possibilities for the animal kingdom.

Lori: It's literally amazing.

Me: It sure is.

---

After our lunch we continued on and as we trekked across the desert we saw some sand flying out of a hole in the ground.

Lana: What is that?

Me: I know what this is.

Lana: Let me see.

Lana looked down into the hole and she heard singing and she saw strange mole-like creatures.

Lana: Cool! What are these creatures down here?

Me: These creatures are called Spinks and believe it or not guys they're descended from Quails.

Lori: Those little things are literally birds!? That's too unusual.

Me: I know.

Lisa got a closer look and she saw the Spinks.

Lisa: Fascinating specimens. They have given up the power of flight and are now like moles.

Me: That's right and they now live in a huge colony like the social insects and have their own caste system.

Lori: That's amazing.

Lana: It sure is. It's hard to imagine that these were once birds.

Me: They still are birds but they have a different style of living in the animal kingdom.

Then a creature with bony spines on its back and her young baby came.

Me: Oh wow. It's a Desert Rattleback.

Lana: That's a cute little guy.

Me: She is. Believe it or not guys they come from South America and they are descendants of the Agouti.

Lori: An Agouti? What's that?

I show a holographic orb and it showed an Agouti.

Me: This is what an Agouti looks like in our time. They are rodents that live in the Amazon and they eat nuts, fruit, seeds, insects, fungi and leaves.

Laney: So they're omnivorous.

Me: Exactly.

Lisa looks at the Rattleback.

Lisa: What a fascinating specimen. They are magnificent creatures. I'm surmising that those scales on its back are for defense.

Me: That's right Lisa. Those scales aren't just for show. They are used for defense and for warding off enemies.

Lola: What are those scales made of?

Me: They are matted hair that's fused together like Rhinoceros horns.

Lana: That is really cool!

Me: It sure is.

Nico: What do Rattlebacks eat?

Me: They usually eat these.

I go to a root and pull it out of the ground and give it to the Rattleback.

Me: They eat plants called Desert Turnips and they provide their food and water for them.

The Rattleback left, but in doing so it attracted another presence. We saw giant bats flying over us and we were both shocked and scared of them at the same time.

Lana: Are those bats!?

Lola: Those bats are huge!

Aylene: That is a scary sight!

Me: Those aren't just any bats guys. Those are future predatory bats called Deathgleaners. They are descended from the Bulldog Bat.

Laney: But I thought bats only come out at night. Never in the day.

Me: Normally bats are nocturnal yes. But these bats have adapted to coming out in the daytime. They have a 3 foot wingspan and they are carnivorous bats that eat Spinks and Rattlebacks.

Lincoln: Lucy would love bats like those.

Lucy then popped out of nowhere.

Lucy: (Out of nowhere) I sure would.

We jump in fright as a pipe organ plays.

Me: Lucy how did you get here?

Lucy: You guys were talking about me and I saw the bats.

Laney: You love bats and Vampires, Lucy. Would Fangs like having a Deathgleaner for a friend?

Lucy: I don't think so Laney. They're too big for Fangs to be friends with.

Lola: I believe it. But those bats are amazing.

Lana: Those bats are cool!

Lisa: They are magnificent specimens.

Lucy: What really surprises me is that these bats can hunt in the daytime.

Me: That was my first reaction too. What do join us on our adventure Lucy?

Lucy: Sure. I want to learn more about these places you're going to.

A Deathgleaner landed by Lucy and got up to her. Lucy knew what it was saying as if she understood the ways of the bat as she is a vampire.

Lucy: It's all right. I understand.

Me: Wow. Lucy is amazing when it comes to bats. Brittney, Haiku and Shannon would agree too.

Nico: It's amazing.

May: It's scary and cool at the same time.

We then proceeded on to our next location.

---

5,000,000 Years Hence - The Mediterranean Basin

We were walking on what looked like a huge white sand desert in between Europe and Africa.

Lola: Man is it so hot!

Lori: What kind of desert is this?

Lana licked the sand and she retched.

Lana: Blegh! It's salt!

Me: Believe it or not guys this is a salt flat basin. This whole basin is over 6,500 feet below sea level and this may shock you guys, but these salt flats are what was once the sparkling clear blue waters of the Mediterranean Sea.

Everyone gasped in shock.

Lincoln: This whole desert is the Mediterranean Sea!?

Lola: But how did it become this?

I form a hologram of Earth and it showed The Mediterranean Sea.

Me: In 5,000,000 years we believe that the Earth will be in the grip of another Ice Age and Africa will push up against Europe and it will close off the Strait of Gibraltar. The Mediterranean Sea will be completely cut off from the Atlantic Ocean and it will become a closed landlocked sea. This will result in the Mediterranean drying out and with no water flowing into the sea to fill it back up it simply vanished and the holiday islands of Greece, Cyprus, Malta, Sicily and Crete will stand as small mountains here. The only water here left in the Mediterranean will be small lakes of hyper saline water and it'll be the only water left here.

Laney: That's rough. It's like Death Valley here.

Me: It is.

Lucy: Wicked. This is depressing that the Mediterranean would vanish like that.

Lisa: It is very likely. There are a few lakes that have high sea salt contents that are disappearing in our time.

Me: That's right and the most prominent examples are the Aral Sea in Central Asia, the Dead Sea in the Middle East and the Great Salt Lake in Utah.

We walk around the salt flats and it was a breathtaking sight. We came across a little lake.

Lana: There's still water here in the lake.

Me: Yes but it's lethal. It's loaded with too much salt.

Lisa took a sample and discovered that it's 100 times more saltier than ocean water.

Lisa: This water is very dangerous. It's 100 times more saltier than ocean water and is not meant for human or animal consumption.

Me: That's right Lisa.

We continued walking and saw a strange lizard with a frill and it was running fast across the salt flats without getting burned on the hot surface.

Lana: Look at that cool lizard!

Lola: That's an interesting one.

Lucy: It sure is.

Me: That lizard is called a Cryptile. It's a descendent of the Frilled Lizard in Australia.

Lincoln: That's an interesting lizard.

Lisa: Very fascinating specimen.

Nico: So that's a descendent of the frilled lizard? Amazing.

May: It sure is.

Lori: I've never been fond of lizards except for Lana's but that one is literally interesting.

Laney: It sure is Lori.

Lucy: What do they eat?

Me: They eat bugs. Let me show you.

We go to a hyper saline lake and saw a huge bunch of brine flies.

Me: These are brine flies. They are what Cryptiles eat.

Lisa: These are fascinating specimens. They are usually found in vast numbers at the sight of Lake Mono in California.

Me: That's right. These are what they eat. In fact here comes one now.

We saw a Cryptile running through the flies and using its frill as a net and it was licking them off with its long tongue.

Lori: That is literally clever.

Lisa: Very fascinating. It's using its frill as a fishing net and using its tongue to consume the brine flies.

Laney: That's very interesting.

Nico: It sure is.

We later went to the mountains of the basin and they were the holiday islands. We were walking on a broken cracked pavement called Karst.

Lucy: It's a shame that these were once the holiday islands of the Mediterranean.

Me: I know.

Laney: This rock is strange.

Me: This is limestone pavement called Karst.

We walked on the islands and saw it full of cracks and narrow crevices.

Me: It's full of crevices called Grykes.

Lori: Grykes? That sounds strange.

Me: It is.

We saw a Cryptile come out of a gryke and we then saw a strange furry creature come out and it had two dagger fangs and went after the Cryptile and it missed it.

Lincoln: What is that creature?

Me: That is a predatory creature called a Gryken. They are descended from Pine Martens, squirrel-like creatures that live in the forests of Europe in our time.

I show on a holographic orb what they look like.

Me: This is what they look like.

Laney: Ohh! They are really cute.

Me: They are cute. The differences with a Pine Marten and a Gryken is that Grykens no longer live in trees and they live in the narrow grykes here in the Mediterranean Basin. They don't need their long tails which are used primarily for balance and their paws are now adapted for clinging onto the walls of the grykes. Their bodies are now longer and are about 8 inches tall and this allows them to squeeze through the narrow grykes.

Lisa: What a very fascinating specimen.

Lincoln: It sure is. I didn't know that these creatures could become this.

Me: Well this is a hypothetical creature. We don't know what's gonna happen.

Laney: Do Grykens only eat Cryptiles?

Me: Not just Cryptiles but also those creatures.

I point to something and we saw a family of future pigs.

Lola: Are those pigs?

Me: Those are Scrofas and they are descended from the Wild Boar.

Laney: Oh they are so cute.

Lori: They sure are.

Lisa: Very fascinating specimens.

Me: Scrofas are much different than their ancestors.

Lucy: What's different about them?

Me: They had to adapt to living on bare limestone rock. They walk on their tiptoes and they have a strange stiff-legged gait.

Lincoln: That's really strange for pigs.

Me: It is but there are creatures in our time that have this kind of characteristic.

I show on a holographic orb an antelope creature.

Me: This is a creature called the Klipspringer. They are antelopes that live in Africa and they walk on their tiptoes to get on rocks.

Lincoln: It sure is a cute little fella.

Lana: It sure is. I didn't know there was a creature like that.

Lori: I don't think we saw a creature like this when we were in Africa.

Me: No I don't think we did.

Nico: That's an interesting creature.

May: It sure is.

Lola: What do Scrofas eat?

Me: They're omnivorous. Like their ancestors they eat roots, fungi, insects, worms and sometimes eggs.

Lana: That's an interesting diet. The plants here are in the Grykes.

Me: Yes and sticking a snout down into one is dangerous because of the Gryken.

Aylene: That's tricky. But these creatures are incredible.

Me: Yeah.

We then saw the Gryken attack and a Scrofa got away. But out came a big adult male of the family and the Gryken ran away and went back into the Gryke and the male pig squealed in rage.

Lori: That one is a mean one.

Me: Yes. The big adult males are really aggressive and they will do anything to protect their family from any kind of threat.

Lana: That is cool!

Me: It sure is.

We then proceeded to our next destination.

---

5,000,000 Years Hence - The Amazon Grasslands.

---

We were trekking through a very thick grassland and it was blistering hot and dry. The grass was six feet tall and it was an amazing spectacle.

Aylene: This grass is really tall!

Me: (Grunt) This grass is also on a very strange location.

Lana: Where is it at J.D.?

Me: Believe it or not Lana this grassland was once the lush Amazon Rainforest of Brazil.

Everyone gasped.

Lincoln: This whole grassland was once the Amazon!?

Lori: How did it literally go from a huge rainforest to a really tall and scorching hot grassland?

Me: The Ice Age Climate had some part to it.

In a clearing I form a holographic orb and it showed the Earth.

Me: Here's the Amazon Rainforest as it is in our time. In 5,000,000 years the forests will be replaced by grasslands and the Amazon River will still be here. Ice Age Climates are very dry and as a result the Amazon Rainforest died out and was replaced by vast grasslands. Only parts of the Amazon River have any forest at all. But because the climate changed really fast, the forest died out very quickly. It only took a few thousand years for it to happen. A mere blink of an eye in the timescale of evolutionary terms.

Lincoln: That is really strange.

Lola: It sure is. We were at the Amazon Rainforest in our time and it was a beautiful place.

Lisa: Indeed. It was a lush tropical environment teeming with all kinds of life.

Laney: It sure was. This is a major change for the Earth.

Me: It is but we don't know if this will happen or not.

Nico: That's true.

May: Are there any animals left here?

Me: There are. But because the forests died out that fast, most of the animals that we've seen couldn't survive the change because they were far too dependent on the ecological structure of the forest. Let me show you.

We go to a nearby clearing and in the trees were awesome monkeys.

Laney: Are these monkeys?

Me: These creatures are Babookaris. They are descended from the Uakari monkey.

Aylene: What are Uakari Monkeys?

Me: They are those monkeys with the red faces and they live in the Amazon.

Aylene: Oh those monkeys.

Lana: These monkeys are amazing.

Lola: They sure are.

Lori: These monkeys are literally descended from Uakari Monkeys? Amazing.

Lisa: Very interesting specimens.

Me: Yep. And they have a similar lifestyle to several of the primates we know in our time. They can use tools like Chimpanzees. Chimpanzees use sticks and poke them into termite nests to eat the insects. Very genius method. Babookaris form tightly woven baskets out of sticks and twigs that trap fish in them from the rivers that are still here.

We saw the Babookaris take a spherical basket made of sticks and twigs out of the water and a member of the troop was showing a youngster how it's done.

Lincoln: That's really amazing.

Laney: I've always been very fascinated by the behaviors of monkeys and apes.

Lisa: Affirmative elder sister. The ways of primates have always been a very fascinating feat for all Homo Sapiens.

Lola: This is an interesting deal.

Aylene: It sure is.

Ed: Cool.

Eddy: Double D would love learning about all of this.

Lincoln: He sure would.

Me: Monkeys and apes have been a very important part of our evolutionary chain for millennia.

We hear a screech and we went to check it out and we saw in the tall grass a group of giant birds with headcrest feathers.

Lola: Look at the size of those birds!

Laney: These birds are huge!

Lori: These are literally the tallest birds I've ever seen!

Me: These are not just any birds guys. These birds are called Carakillers and they are a descendent of the South American falcon, the Caracara.

We are walking by one up close and personal.

Lisa: What a magnificent specimen.

Aylene: It's a big bird. How tall do they get?

Me: They are 8 feet 2 inches tall.

Lori: That is literally a tall bird.

Laney: What are those feathers on their heads?

Me: Those feathers on their heads are what they use to communicate with each other.

Lincoln: That is so cool!

Nico: It is. These birds look like future velociraptors.

Me: That's exactly right Nico. This is the coolest part of the Carakiller. On their arms they have this really cool sickle shape claw that is reminiscent to the dinosaurs. A prominent part the creature has at the end of its arm. Another creature that had a claw similar to this was the Deinonychus from 115 million years ago in our time.

Lana: That is so cool!

Lola: It sure is.

May: How did the Caracara become like this?

Me: Well over the course of millions of years in terms of evolution, it lost the power of flight completely and it grew taller and faster. Flight is an expensive feature for any bird in the animal kingdom. So over the course of time it exchanged flight for speed. They can run at over 45 miles per hour. Caracaras spent most of their time on the ground and like their ancestor they still do spend their time on the ground.

Laney: That's amazing.

May: It sure is. I can't believe that a little bird like the Caracara would become a tall giant like the Carakiller.

Lola: Me neither.

Nico: It's an amazing creature.

We then hear a strange rattle sound and we go to the source of it. We saw another type of Rattleback.

Lola: Is that a Rattleback?

Me: It is. But this is a Grassland Rattleback. It's much different than the Desert Rattleback we saw in North America. All creatures have to be diversified in terms of the Animal Kingdom.

Lisa: That's correct. Every creature in the animal kingdom has to be diversified whenever it comes to certain species.

Lori: That's interesting.

Me: They are really territorial and whenever two of them meet they shake their tough scales around. The loudest of them wins and the loser retires gracefully.

Laney: That's amazing. What are these spines on their sides?

Me: That's a clever method they have. Whenever they are attacked by a predatory creature, they dig themselves into the ground with them and they stay there really well. Muscles at the base of the spines lock them in place. Making it almost impossible for anything to remove it from its spot.

Nico: Boy that's tough. Only an explosion from underneath it would do it.

Me: Exactly.

We go back to the clearing and we hear the roar of thunder in the distance.

Lincoln: Was that thunder?

Me: It was. Look out there.

We saw a nasty thunderstorm building out in the distance. Lightning was striking powerfully.

Me: Believe it or not guys, although the world is in an ice age, the Tropical Summer is still warm and brings powerful thunderstorms. Sometimes they bring rain to the area. But oftentimes at the end of the Summer here the grass is tinder dry.

Lori: What happens by then?

Me: They don't just bring rain sometimes.

Thunder roared wildly and lightning flashed and struck throughout the storm and then we saw something horrific happen. We saw lightning strike the grass and in less than 30 minutes, the grass was set on fire.

Me: They bring Fire!

Laney: Whoa!

Lincoln: So grasslands burn?

Me: That's right. One of the most terrifying features of a Grassland habitat is that it burns. A number of events in our time can cause it. But mostly here it's caused by Lightning Strikes. Like I said when I showed my Fire Powers, Fire is not only destructive but it's really good news for other creatures. Storks in our time are drawn to the edge of the fire to feed on insects or small mammals that were flushed into the open by the flames. Fire also fertilizes the ground with ash and the cycle of vegetation begins anew.

Lori: That's amazing and horrible at the same time.

Eddy: This is amazing.

Ed: It sure is.

Laney: This fire is really scary.

Me: It is.

We stood and watched as a huge billowing wall of smoke was going into the sky and we saw the flames spread across the land at a fast pace. In less then 4 hours, we saw the flames torch 2,000 acres.

Lincoln: These fires spread very fast here.

Me: Oh yeah.

We then went to our next destination.

## 5,000,000 Years Hence - The Northern European Ice

---

We were trekking through an extremely cold landscape and it stretched on for miles and miles. It was bone chilling cold and the wind was strong. And visibility was almost zero in some places. We were wearing our warmest fur parkas.

Nico: Man is this place cold!

May: It's REALLY cold!

Lisa: Affirmative. It's sub-zero freezing cold.

Me: That's because we're in the Northern Polar Ice Cap. This is where the city of Paris, France once stood.

Laney: No! This is where Paris was!? How awful!

Me: I know.

Lana: I didn't ask this earlier but what happened to us humans?

Me: Well we were forced to leave the planet in the next few thousand years and find another planet to call home. But again we don't know.

Lola: How did Paris become this?

I form a hologram of Earth and it showed where we were. We were on the Northern Polar Ice Cap that stretched all the way down to central Europe.

Me: These ice sheets are over 6,561 feet thick and because the planet is in the grip of an Ice Age it caused them to expand and grow and reached far down to central Europe.

Nico: That's amazing!

May: It sure is. What's the temperature here?

I pull out a thermometer and it showed that it was -70 degrees.

Me: It's -70 degrees Fahrenheit here.

Lincoln: That is really cold.

Lana: It sure is. Even the weather home is not this cold.

Nico: No kidding.

We trekked on and saw a huge herd of giant rodent-like creatures.

Aylene: What!? What are those creatures?

Me: Those are creatures called Shagrats.

Lola: Those are strange creatures.

Me: Believe it or not they are descended from Marmots.

Laney: Those are Marmots!?

Lisa: What amazing specimens.

May: They sure are. How did they get so big?

Me: Marmots in our time live in Europe and they are usually small rodents that are about 6 inches tall and they can weigh at 18 pounds.

Lincoln: That's interesting.

Me: It is. Evolution made them grow up to three feet tall and they have a powerful triple-thick fur coat that keeps them warm from the bone-chilling cold.

Lori: That is amazing. It's literally incredible.

Lisa: Indeed.

Lola: What do they usually eat?

Me: They're herbivorous and they eat only plants. They now travel in herds like deer and elk.

Ed: Cool.

Eddy: Double D would like these creatures.

Me: I'm sure he would.

We continued on through the snow and we came across a white saber-toothed bear-like creature.

Lana: Wow! What is this creature?

Me: This creature is called a Snowstalker.

Lola: It has huge fangs!

Lucy: Wicked.

Laney: It sure does. What is it descended from?

Me: The Snowstalker is descended from the Wolverine.

Lana: This guy is cool!

Lisa: What an amazing specimen.

Me: It sure is. They have white fur that helps them blend in with the snow so they can sneak up on their prey and attack. But instead of finishing it off it wounds the creature and lets it die from its wounds.

Lucy: Wicked.

Nico: That's a clever method.

May: It sure is.

Lincoln: But why does it have saber teeth?

Me: It's how the terms of evolution give it more power.

Laney: It's a scary creature of the future.

Ed: Cool.

We then made our way to the coast of ice and saw a rather interesting sight. We saw huge bird-like whale creatures.

Laney: Oh wow! Are these creatures birds or whales?

Me: A mixture of both actually. These are creatures called Gannetwhales. They are descended from the Gannet Bird.

Lana: These creatures were once birds!? Amazing!

Lisa: Indeed. *Morus bassanus* has evolved to take the place of the Great Whales.

Me: That's right. Gannetwhales gave up the power of flight to live in the water. When the whales all went extinct, they filled in that void by taking their place.

Nico: That's amazing. It's hard to imagine that they would become like this in hypothetical terms.

Me: That's right. They usually come up here on shore to hatch and raise their young. Like penguins in our time they hatch their eggs on land and wait by the water.

Lana: That is cool!

Lucy: It is. I didn't know that they would do stuff like this.

Me: They also have ways to take on their enemies. Like Snowstalkers.

We see a Snowstalker come up to the group of Gannetwhales.

Lola: What is the Snowstalker after?

Me: It wants the egg. But the Gannetwhales will do whatever it takes to protect them. Those powerful bill beaks can kill it.

Lisa: These would pack a huge amount of centrifugal force to it.

Me: That's right. But for a stubborn Snowstalker it has another weapon.

We saw a Gannetwhale vomit up a nasty and disgusting foul-smelling mixture of partly digested fish and squid.

All: EW!

Lori: Oh that is literally disgusting!

Lola: Oh that is gross!

Lana: Cool!

Me: I wish I hadn't seen that but it's part of the Gannetwhales defense. It does that because Snowstalkers have sensitive noses and it drives them away.

Lisa: Fascinating.

Lucy: Wicked.

Laney: That was cool though.

Lincoln: It sure was.

We then went to our next destination.

## Over 100,000,000 Years Hence - MASS EXTINCTION

We were traveling forward in time and we saw a horrific cataclysmic event take place. We were in a force field bubble that's protecting us.

Lori: What's happening?

Me: This is a nasty cataclysmic event that is on par with when the dinosaurs were wiped out 65,000,000 years ago in our time.

Lincoln: Something is happening all over the world.

Lisa: Indeed. I see volcanoes erupting everywhere and the poisonous gases from the ash and clouds are killing everything.

Me: That's right. Every millions of years the planet endures a terrible cataclysmic event on this kind of scale. It's called a Mass Extinction.

Laney: This is horrible.

Lana: It sure is. What usually causes them?

Me: There are two primary factors that cause Mass Extinctions. One factor is Global Volcanism. This is where volcanoes all over the planet erupt and send millions of tons of ash and carbon dioxide into the atmosphere and poison everything and flood everything with lava. Everything around the world begins to die. Plants, fish, ocean life, forests, everything. 95% of all life on the planet dies.

Lucy: Wicked.

Laney: This is horrible.

Lana: What's the second cause?

Me: Asteroid impacts. That's what destroyed the Dinosaurs 65,000,000 years ago in our time. An asteroid 6 and a half miles wide slammed into the Yucatan Peninsula in Mexico and it completely wiped out all of the dinosaurs.

Lori: That is literally horrible.

Lincoln: Why are all the volcanoes erupting here?

Me: That's because of a mass extinction that's gonna happen later in the future. We haven't seen global volcanism of this kind of scale since the Great Permian Extinction back 255,000,000 years ago which gave rise to the age of the dinosaurs.

Lisa: That's correct 2nd Elder Brother. It also joined all the continents together into one massive single supercontinent called Pangaea.

Me: That's right Lisa. We don't know what caused the Great Permian Extinction, but I have a very strong suspicion that continental drift may have been a contributing factor.

Lincoln: That could be the case.

Laney: This is all amazing and horrible at the same time. And this Mass Extinction may cause the continents to form together into another Pangaea.

Me: That's a very strong possibility Laney. But we will never know because we won't be here on Earth to see it.

Lana: That's sad and awful.

Me: It is.

Lincoln: So what time are we going to next?

Me: It's gonna be a really interesting time. You'll see when we get there.

We continued going through time.

## 200,000,000 Years Hence - The Central Desert.

We were in a massive desert. It was scorching hot and extremely dry.

Lincoln: This desert is huge!

Me: Yes. This desert is where the city of New York City once stood.

Lola: This desert was once the most busiest city in North America!?

Lana: This is a strange desert!

Lisa: Indeed.

Me: Let me show you where it's at now.

I form a holographic orb of the Earth and it was now completely unrecognizable. The continents were all now completely joined together in a massive hypothetical supercontinent called Novopangaea or Pangaea II. We were in the heart of the supercontinent and it was a desert that spanned for thousands of miles. The continent was also surrounded by a massive single ocean.

Lori: Wow! Look at the planet.

Lucy: Gasp! It's completely unrecognizable.

Lincoln: The world is completely different than what we saw and know.

Me: It is. This world is set 200,000,000 years into the future.

Laney: This is incredible!

Lola: It sure is. This is all completely different than what we know.

Lana: It's really hot here.

May: It sure is.

Nico: It's like a combination of the Sahara Desert and Death Valley.

Me: It does feel that way doesn't it?

Lori: It literally feels that way.

Me: Well again this is all hypothetical.

Lisa: Indeed.

Laney: This is all amazing though.

We walk around the desert and saw huge massive concrete-hard mounds that were hundreds of feet high.

Laney: What are these giant rock mounds?

Me: These aren't rock mounds Laney. These are giant concrete colony structures for future insects.

We saw strange insects come out of the mounds and scamper onto the desert floor.

Me: These are the insects. They are called Terabytes. They are the future descendants of Termites.

Lana: These guys are termites? Cool!

Lisa: Very fascinating specimens. They have much more efficient methods on how to live in a colony.

Me: They sure do.

Laney: This is interesting. Are these the soldiers of the colony?

Me: No these are the workers. They work for the colony.

I form a holographic orb and it shows the inside of the Terabyte Mound and Colony and each member of the Caste System.

Lola: Wow! The colony of the Terabytes is much bigger than the termites we know. It goes deep underground!

Lisa: Indeed. Apparently the Terabytes have a very sophisticated caste system.

Me: That's right. They have a new breed of Terabytes called Rock Borers. They combine chemicals and use sulfuric acid to drill through the limestone rock underneath the colony. Some are Water Carriers and their purpose is to drink until they're bloated with water.

Laney: What's the water for?

Me: It's to nurture the plants that they collect for the colony and they have windows in the top of the colony to bring in sunlight.

Lincoln: That is so cool! But how are they gonna bring them to the plants if they're full of water?

Me: There's a caste that only carries them to the plants.

Lori: That is literally amazing.

Nico: It sure is.

May: No kidding.

Aylene: But where do they get the plants from?

Me: I'll show you.

We go to one of the desert pools and we saw long worms with plant appendages growing on their segments.

Lana: Are those snakes?

Me: No those are not snakes. Those are a worm called the Garden Worm. They are descended from the Convoluta Worm, a type of microscopic flatworm that are like living plants.

Laney: That is amazing!

Lori: Those things are literally worms? That is strange.

Lucy: That is amazing.

May: It sure is.

Nico: Where are they usually found?

Me: Convoluta Worms are usually found along beaches, tide pools, freshwater lakes and swamps and they feed off of the sunlight to grow.

Laney: That's unusual.

Lisa: Very fascinating specimens. But you are right 2nd elder brother. *Symsagittifera roscoffensis ;* street name: The Mint Sauce Worm is a chlorophyll worm that is bonded with plants to photosynthesize and feed off of sugar from it.

Lincoln: That's really interesting.

Lucy: How do the Terabytes get the plants from the Garden Worms.

We see a bunch of Terabytes go after the Garden Worms.

Me: You're about to see now.

We saw the Garden Worms trying to make a getaway and the Terabytes unveiled a rather interesting weapon. They fired a sticky glue and it snared the Garden Worm.

Lori: What is that stuff?

Me: It's a very strong glue that holds the Garden Worm while the Terabytes go after the Algae it has.

Lincoln: But look its getting away.

Me: That is a clever part about the Garden Worm. Its segments have a powerful chemical that dissolves the glue and it allows it to get away. There are insects in our time that have a similar feature. The Scorpionfly, whenever it gets caught in spiderwebs has a chemical substance that melts the glue from the web and this enables it to get away.

Lisa: That's correct. *Chorista australis;* Street name the Australian Scorpionfly has this kind of method.

Lincoln: That's amazing.

Me: It is.

We saw the Garden Worm go into a pool.

Lori: Where's the worm going?

Me: We're gonna find out now.

We go into the pool and it was really dark. Lucy loved it.

Lincoln: It's really dark down here.

Me: It is. But it's much cooler than it is in the hot desert.

Laney: That's true.

We then saw glowing green patches on the pool cave walls.

Lana: What are those green patches?

Me: Believe it or not Lana those patches are actually Bacteria.

Lincoln: Bacteria?

Nico: That's interesting.

Me: Yes. Bacteria have been on Earth for 3.6 billion years and they are one of the longest surviving organisms in the world.

Laney: That's incredible.

Lisa: Indeed.

Lucy: Wicked. But why are they glowing like that?

Me: They have a phosphorescent glow on them that gives them a bioluminescent property that lights up the cave.

Lana: That is cool!

Nico: It sure is.

Aylene: I'm glad we can't touch them.

Me: Yeah.

We then saw long worms swim by the bacteria.

Me: These worms are called Gloomworms and they eat the bacteria.

Lisa: Very fascinating specimens.

Me: They are. They survived the Mass Extinction by hiding in the caves.

Laney: That's clever.

Suddenly we saw a huge worm about three feet long swoop in out of nowhere and grab a Gloomworm in its extended mouth.

Lincoln: Whoa!

Lucy: Wicked.

Lola: What is that thing!?

Me: That big worm is called the Slickribbon and it's a descendent of a marine worm called a Polychaete.

Lisa: What an amazing specimen.

Me: It sure is. Polychaetes have been on the planet for over 500,000,000 years and they are one of natures most powerful survivors. They have survived everything nature has to throw at them.

Laney: That's amazing.

Nico: They must be really powerful to have to survive everything like that.

May: No kidding.

Lincoln: Where do they usually live?

Me: They live primarily right around oceanic hydrothermal vents in the darkness of the bottom of the ocean. Down at depths of around 13,000 to 15,000 feet.

Lisa: That's correct. The heat from the mineral rich hydrothermal vents nourishes these organisms and provides them with food and lots of shelter.

Aylene: That's amazing.

Me: It is.

Lola: I had no idea creatures like this exist in our time.

Me: Yeah. There are lots of things on Earth we don't know about yet.

Ed: That's cool!

Eddy: It sure is.

We then continue on to our next location.

## 200,000,000 Years Hence - The Global Ocean

We were swimming underwater and we saw that the ocean went on for miles and miles.

Lana: Wow! This ocean looks like it goes on forever.

Lola: It sure does.

Aylene: This is amazing.

Me: That's because in 200,000,000 years we believe that the continents will all be one massive supercontinent and it will be surrounded my a massive single ocean. This ocean will cover 75% of the planet and it will span for miles.

Lori: This is literally amazing.

Ed: It sure is.

Eddy: I never thought that the ocean would be this amazing here in the future.

Nico, Ed and Eddy had breathing helmets on.

Laney: This is incredible.

We saw a huge school of strange fish swim by us. They were unlike any kind of fish ever seen before.

Nico: Are those fish?

Me: No those are not fish. Those are Silverswimmers. They are descended from microscopic organisms called plankton.

Lori: These creatures are literally plankton!?

Lisa: Fascinating specimens. They appear to have taken the place of fish here in the ocean.

Me: That's right. The fish all died out in the Mass Extinction and the Silverswimmers filled in the place of fish. There are numerous kinds of Silverswimmers. Look.

I form a holographic orb and it showed that numerous kinds of Silverswimmers have taken the place of fish. There were some that were predatory, carnivorous, herbivorous, and even some that were scavengers.

Lori: Boy there's so many of them.

Laney: Amazing. I didn't know they would be this abundant.

Lisa: The Silverswimmers are also diversified into many species of the creature. They are all very fascinating specimens.

Me: They sure are.

Lucy: It's kind of unusual seeing creatures like this here in this time.

Me: It is. But let me show you something cool on the surface.

We go up to the surface and saw a bunch of flying creatures. They were actually flying fish which was a weird feature.

Lori: Are these creatures Flying Fish!?

Me: Yes they are Lori. These are called Ocean Flish. They are the descendent of Flying Fish.

Lincoln: Flying Fish?

Me: Yeah. This is what they look like.

I form a holographic orb and it shows what Flying Fish look like.

Me: Flying Fish don't fly. They glide and they can go a long ways above the surface of the water.

Lana: That is cool!

Lisa: These Flish are magnificent specimens. They appear to have taken the place of sea birds.

Me: That's right Lisa. When the sea birds died out the fish took their place and have now adapted to living on both land and the sea. They live on land to nest and feed off of the Silverswimmers in the ocean.

Lucy: Wicked.

Laney: That's amazing.

Lola: It sure is. How did their fins become wings?

Me: Their fins became powerful wings. They are much different than bats or birds that we know of in our time. Birds have a different skeletal structure in their wings.

I form another holographic orb and it showed the skeletal structure of bats, birds and the Ocean Flish.

Me: These are the skeletal structures of Birds, Bats and the Ocean Flish. The Birds have two fingers fused together and they used the bones for the upper arm the Humerus and the bones of the lower arm, the Ulna and Radius for flight. That's where they get most of their strength from in terms of flight. In birds, most of the hand has disappeared. It's just two fingers fused together as I said. In bats however its all five fingers. The fingers are spread and the skin covers them. The pectoral fin, which is the forearm fin of the fish has become wings in the Flish and they developed this powerful joint and arm structure that allow it to change shape in flight and their fins became more powerful and stronger which gave them a more powerful aerodynamic force.

Lori: That is literally amazing.

Lisa: It certainly is.

Lincoln: But how do the Flish eat?

Me: That is an amazing part of the creature.

I form another holographic orb and it showed that the Flish had a second extendable mouth inside its beak.

Lucy: Wicked.

Lola: That is weird!

Me: I know. But that's what it was designed to do. There are creatures in the fish world that have a mouth like that. A prominent example is the John Dory Fish. It has an extendable mouth that sucks in its prey.

Lisa: That's correct.

Ed: Cool.

Me: But not even Flish are safe from predators guys. Watch.

We saw a Flish swoop down and a huge tentacle erupted out of the water and grabbed it out of midair.

Lori: Did you guys literally see that!?

Laney: I sure did!

Lana: I sure did!

Lucy: Wicked.

Ed: Cool!

Eddy: That was amazing!

Lincoln: It sure was. What was that?

Me: Lets go see.

We go down and saw a huge creature. It was the largest squid we've ever seen.

Me: That enormous creature is called a Rainbow Squid and it's descended from Squids.

Lana: That is cool!

Me: It sure is.

Lola: How big do they get?

Me: They can get up to 120 feet long and they are an amazing creature. They have the ability to blend in with the blue of the waters surface. They have a very sophisticated technique that enables them to do this.

Laney: What is that technique?

Me: It's a powerful trait they all have. They have cells on them called Chromatophores. These are pigment-baring cells that all octopuses and squids use to create camouflage or attract mates. They are commanded by several nerves by their brain. All octopuses and squids have a very large and extremely complex brain, making them one of the most intelligent creatures in the ocean. The Rainbow Squid has one of the most sophisticated nervous systems in the world of the future.

I form a holographic orb and it shows the Rainbow Squids Nervous System.

Me: It's centralized Nervous System will probably become extremely powerful. It'll be so powerful that they'll use Chromatophores to make video displays. Vivid patterns of light and color all over their bodies. They can use this to fool their prey to come in close. That's how it was able to grab a Flish out of Midair like that. It used its chromatophores to become a school of Silverswimmers.

Lincoln: That is so cool!

Laney: That's amazing!

Lori: This squid is literally an amazing creature.

Lucy: It sure is.

Me: But it puts on a magnificent display when it comes to mating. Watch.

We saw the squid use its Chromatophores to put on a magnificent display. It became what looked like a magnificent glittering rainbow diamond in the water. It was sparkling with all seven colors of the rainbow on its skin and it attracted a female squid.

Lisa: What a magnificent display of love.

Me: It is. But these squids are also vulnerable.

We saw a huge pack of strange sharks in the water and they had cool patches on their tails that were glowing like signals.

Lana: Whoa! Are those sharks?

Me: They sure are. But those are descendants of sharks. They are called Sharkopaths. They are much fiercer than the sharks we know in our time.

Laney: So Sharks did survive?

Me: They did. Sharks are one of natures most powerful survivors. They've been on the planet for more than 480,000,000 years and they survived everything that nature has to throw at them. They survived the extinction of the Dinosaurs and even everything that we know in prehistoric times.

Aylene: (Shaking in fear) I would not like these creatures.

Me: Who wouldn't? The scariest part is that they now hunt in packs just like wolves. They communicate through bioluminescent patches on their sides near their tails. They also have a stronger sense of detecting electrical impulses from their prey.

Lana: That is so cool!

Lisa: They are magnificent specimens.

Lucy: Wicked.

Lola: I don't like sharks. They scare me.

Nico: This is cool seeing sharks here.

May: It sure is.

Ed: Cool!

Eddy: I didn't know that sharks were that fierce and strong.

Me: Yeah. That's what makes them one of the fiercest survivors in the world.

We got out of the ocean and headed to our next destination.

## 200,000,000 Years Hence - The Rainshadow Desert

As we were walking to our next destination we saw a massive storm of incredible power.

Lori: Look at that storm! It literally looks mean.

Me: That is a more powerful storm called a Hypercane. It's a much stronger hurricane that is more powerful than a hurricane that we know in our time.

Eddy: Whoa!

Lincoln: That's a terrifying storm.

Lana: How strong do they get?

Me: They can have winds of up to 250 Miles Per Hour and the wave height can get to 100 feet high.

Lisa: I'm not surprised. Because the ocean covers 75% of the entire planet, there's no resistance that limits the wave height of the oceans because of the wind.

Me: That's right. It's a deadly trait that a world with one ocean has. But a Hypercane also can throw Ocean Flish over the mountains as it rages and it sends them into the desert.

We then go over into the desert and saw a bunch of Flish dying in the scorching heat.

Lana: Oh man! Hang on little ones!

Lana formed a ball of salt water and put a Flish in it and it was back to normal. It was eternally grateful to her.

But the rest of the Flish weren't so lucky.

Me: That was a good thing you did Lana. But also the desert has another creature that feeds on the Flish carcasses.

We saw a big bug fly by us and it was a strange one.

Me: See that bug right there? That bug is called a Bumblebeetle. It's descended from a beetle.

Lisa: Very fascinating specimen.

Laney: It sure is. Is it here in the desert to eat the Flish?

Me: No. The adults don't eat. They're here to lay their larvae into the Flish so they can continue the cycle of life. Let me show you all.

We go over to a Flish carcass that it landed on and saw the Bumblebeetle's abdomen drop down and it opened and revealed its larvae cargo.

Me: Those little creatures it has inside it are its larvae. They're called Grimworms.

Lola: Ew! Those are weird bugs.

Lisa: Very fascinating specimens. And we can see their teeth.

Me: Yes. They have 2 sets of teeth. They have slicing and grinding jaws. They grow in size every 2 days.

Nico: Very unusual.

May: I've never seen insects like those before.

Ed: Cool.

Eddy: That is cool.

Me: It is cool. Once they've had their fill of the meat they metamorphose into the chrysalis phase and in a few days they become Bumblebeetles to begin the cycle of life again.

Aylene: But don't Bumblebeetles need to eat?

Me: No that's the funny thing. They don't eat as they have enough fat to survive for 24 hours. They only live for 1 whole day and they have to find a Flish carcass to deliver their cargo of Grimworms.

Lucy: That's an unusual cycle for the creature.

Me: It sure is.

We saw a strange shelled creature hop right by us.

Lincoln: Hey is that a snail?

Me: It is. But that is a Desert Hopper and it is descended from Snails.

Lana: Those creatures are Snails? Cool!

Lisa: Fascinating specimen.

Lola: Ew! But wait. Don't snails usually leave a slime trail?

Me: They normally do yes. But for the Desert Hopper they gave that up because it wastes water. So hopping is a much better and much faster mode of transportation for them.

Laney: That is really strange. I never heard of a snail that can hop.

Me: Well believe it or not there are snails in our time that hop. But they live in the ocean.

Lisa: That's correct and a prominent example is Tylomelania. A type of Rabbit Snail that lives in freshwater lakes.

Lana: That is cool.

We saw the snail eating a cactus.

Lola: How is it eating that cactus?

Me: They have a special tongue called a Radula. It's a grazing tongue that eats plants. That's what makes snails such notorious pests in gardens. They eat things like lettuce and all kinds of soft vegetables. This is what the surface of a radula looks like.

I form a holographic orb and it showed an image of the surface of a Snails Radula. It was a tongue covered with rows upon rows of really sharp hooks.

Me: They use this to scrap plants and feed.

Lana: That is cool.

Laney: It's a strange thing for them. Are there any snails that kill people?

Me: Yes and the most prominent example is a Cone Snail.

I change the orb to a Cone Snail and it showed the Needle Harpoon on the tip of its shell.

Me: They have a deadly poison in a needle-sharp harpoon at the end of its shell. It's a neurotoxic poison called a Conotoxin and it's powerful enough to kill people.

Lisa: That's correct. Conotoxins of Conus gastropods have a delay effect that usually take minutes to days to appear and they can cause muscle paralysis, double vision, respiratory failure and even death.

Lucy: Wicked.

Me: That's right Lisa. That's what makes snails such incredible creatures and they have been on the planet for over 500,000,000 years. Making them one of natures most powerful survivors.

Lori: That is literally amazing. I also remember that the people in France eat snails.

Laney: That's right Lori. They eat escargot. It's a very popular French delicacy.

Lola: Ew! I would never eat snails.

Me: Me neither.

We continue walking and saw a strange plant on the ground.

Lola: What kind of plant is this? (Sniffs) EW! It smells horrible!

Lana: Let me smell. (Sniffs) Ohohoho! It smells like fish.

Me: That's a cool plant called the Deathbottle and it's a type of carnivorous plant.

Laney: This is a carnivorous plant?

Lucy: Wicked.

Lisa: Very fascinating specimen.

Lori: It's unlike any kind of carnivorous plant we know.

Lincoln: I've never seen one like this one.

Nico: Me neither.

Me: Well there are several different types of Carnivorous plants around the world that we know.

I form a holographic orb and it showed many different types of Carnivorous Plants.

Me: These are all the carnivorous plants from around the world in our time. They usually grow in swamp areas and live on poor soil. They eat insects.

Laney: That is so unusual.

Me: It is. This is one of my favorites.

I zoom into an image of a Pitcher Plant.

Me: The Pitcher Plant is a type of carnivorous plant. It has a very unusual method of getting insects for nutrition. It's vase is filled with water and digestive juice. The walls of the vase are lined with juice that make it slippery and it draws in ants and flies into it.

Lana: That is cool!

Lisa: Very amazing specimen.

Me: Here's another of my favorites.

I change the orb to a Sundew Plant.

Me: This is a Sundew Plant. It has a strange method. Those hairs that it has have a strange glue on the ends and when flies come onto it they trap it and the plant wraps around the insect where digestive juices will dissolve it for nutrients.

Lori: That is literally amazing.

Lincoln: That is so cool!

Lola: It's gross but unusual and cool.

Me: It is. That's what makes Carnivorous Plants one of the most fascinating types of plants in the world. The Deathbottle has two types of plants to it. This plant that smells bad is its seed spreader.

Lucy: How does it spread its seeds?

Me: It has a clever method. It disguises itself as a rotten Flish and waits for a Bumblebeetle to come along.

We saw a Bumblebeetle arrive and it went inside a small hole of the plant.

Me: The Bumblebeetle will go inside the seed chamber and get coated with the Deathbottles seeds as it tries to find a way out. There's a special point that they have to find inside it and when it reaches that particular point, the plant will catapult the Bumblebeetle out of it. Watch.

We saw the plant flip up and shot the Bumblebeetle out of it like a rock from a catapult.

Lana: Whoa!

Lincoln: That was so cool!

Laney: That was amazing!

Lola: I've never seen a plant do that before.

Lisa: That is a very ingenious and fascinating method.

Me: That's right. There are plants that know how to use insects to spread its seeds. Remember seeing the Rafflesia flower over in Borneo?

Lincoln: I do.

Laney: We all do actually.

Lori: EW! That flower smelled really bad!

Me: Well that's how it attracts insects. It's the same method with the Deathbottle Plant. It looks and smells like a rotten Flish to attract the Bumblebeetle.

Lana: That's a genius method.

Me: It sure is. But also the Deathbottle has another method on how to get its food.

We saw a Desert Hopper go along and it fell into a pitfall trap. We go over and saw the creature in a pit lined with poisonous spines.

Me: This is how the Deathbottle gets its food. It creates a strange membrane that it uses to blend in with the desert sand and when a

Desert Hopper comes around it falls in and it drives its poisonous spines into it and dissolves it with digestive juices.

Lana: That is scary.

Lisa: Very fascinating and ingenious method.

Me: It is.

Lucy: Wicked.

Ed: Cool.

Eddy: That is a strange plant.

Me: It is.

We later proceeded on to our next and final location.

## 200,000,000 Years Hence - The Northern Forest

We were in the middle of a huge forest and it was a huge forest loaded with gigantic trees that were really tall and covered with moss and it was really wet, humid, and moist.

Lori: Wow! This is literally the most amazing rainforest I've ever seen.

Me: This is more like a Temperate Rainforest, Lori. This is also where the city of London, England used to be.

Laney: This whole forest was once London?

Lincoln: Luna would not like this forest.

Lana: No she wouldn't.

Lola: It's really wet and humid here. But how high up are the trees.

Me: They are as tall as the Giant Redwood Trees in California and the average rainfall here is over 400 inches per year.

Lori: That is literally a lot of rain.

Lincoln: It sure is.

Nico: How did the trees get so tall like this?

Me: After the Mass Extinction, the entire planet was rich in Carbon Dioxide and the plants take that carbon dioxide and convert it into oxygen. In 200,000,000 years this forest will become a big one and we have not seen forests like this since the Triassic Period over 237,000,000 years ago in our time.

Eddy: This is amazing.

Lisa: Indeed. It's amazing at how a forest of this magnitude can thrive after such a cataclysmic event.

May: It sure is.

Lana: What kind of trees are these?

Me: These trees are actually Lichen Trees. These are trees that are descended from moss and small grasses that grow on trees.

Lola: This is amazing.

Lisa: Very fascinating specimens.

Nico: It sure is.

We then saw lots of bird size creatures fly by us.

Me: Those creatures there are called Forest Flish.

Lori: There are different types of Flish too?

Me: That's right Lori. All creatures have to be diversified like I said. But these Flish are different. They look like butterflies at first glance.

Lincoln: They sure do.

Lucy: It's not my thing but this is really fascinating.

Me: Their wings here can flap at 30 times per second and it makes them move around like a hummingbird.

Lana: That's really amazing.

Lisa: They are really fascinating specimens.

Me: They sure are. And they hang upside down like bats do in our time. But not even they are safe from the food chain. Let me show you.

We walk around and saw an orange nasty slime creature and it draped itself down and caught a Forest Flish in it.

Lola: EW! GROSS! What is that!?

Me: This creature is called the Slithersucker and its a shapeshifting slime mold.

Nico: This thing is a slime mold? Weird.

Lori: That is literally disgusting.

Lisa: Fascinating specimen.

Me: It may seem disgusting but Slime Molds are one of natures, uh, unpleasantly gross creatures. They are a collection of single cell organisms that work together. Slime molds are often mistaken for fungi and they are very weird and gross. They come in many kinds of species and it's strange a thing.

Lana: Cool.

Lucy: What does it do to the Forest Flish?

Me: It crawls out and drapes itself down and like a spiderweb it catches it and secretes a digestive juice that dissolves it.

Lisa: That is a magnificent specimen.

Me: It is.

Suddenly we heard what sounded like growling and out of the forest we saw a huge squid that was about 15 feet tall and it was walking on 8 legs.

Lori: Wow! Look at the size of that Squid!

Me: That is a giant called the Megasquid.

Laney: That thing is huge!

Lisa: What a magnificent specimen.

Me: It sure is. It's the giant of the forest. It's all muscle.

Lana: How does it move around?

Me: Well because its all muscle and it has 8 legs, it has to move two of them at a time on each side. It supports its huge girth with a network of circular and vertical muscles in its legs.

Lori: How many pounds do they weigh?

Me: They weigh 16,000 pounds.

Lana: That is really heavy!

Lola: It sure is.

Laney: Walking around with 8 legs like that must be a big problem.

Me: It is. They are omnivorous and they eat plants and meat.

Lori: That's interesting.

Lincoln: That is amazing though.

We heard the Megasquid make that growl sound through a vocal sack on its head.

Nico: What is that low growl it makes?

Me: That's how it communicates. It talks through that vocal sack on its head. Like frogs, they communicate through a vocal sack. That's how they make that croaking sound. A Megasquid can make sort of a low growl.

Lori: That is literally amazing.

We heard a hooting sound in the trees and saw squids moving in the treetops like gymnasts.

Lori: Are those squids too?

Me: Yes they are. But those are squids that took the place of monkeys. Those are called Squibbons. Squibbons are very acrobatic and above all extremely smart and intelligent.

Lana: That is so cool!

Lola: I didn't know that they were that smart.

Lisa: Indeed. They are amazing specimens.

Me: Yes. They are really smart creatures and move in a similar fashion to the Gibbons in our time. Gibbons have long arms that they use to swing through the trees.

Lucy: That's amazing. This is all stuff I'm not familiar with but its all amazing.

Laney: It sure is.

* * *

After we came out of the simulator we rested on the couch. And we were exhausted.

Me: Whoo! What an adventure.

Lincoln: You said it J.D. I'm exhausted.

Lori: Me too. But this was literally an awesome learning experience for all of us.

Laney: It sure was. We learned so much about the future even though it was all hypothetical.

Lisa: Indeed elder sister. This was all truly a magnificent educational experience we can share with all our friends.

Aylene: Indeed. This was all an adventure worth remembering.

Me: It sure was.

After we rested we wrote school reports on what we learned in the future and we got A+ on all of them.

FLASHBACK ENDS

---

When I was done everone was amazed!

Nico: I remember that.

May: Me too. That was so awesome.

Nico: Thanks for coming with me, Lightning.

Lightning: No problem Nico. And it's gonna be awesome going with you on such a fun adventure.

Me: It sure is awesome having you with us.

Nico: So, Lightning. Do you think you and Lynn will ever get married?

Lightning: Oh I know we will Nico. It's gonna be an awesome wedding from the thunderstorm. SHABLAM!

Nico: Yeah!

They high five.

Me: Yeah!

Camie: Wow! These mountains are incredible. How high up to they go?

Me: They are 33,000 feet high.

Camie: Wow! Taller than the Himalayas.

Nicole: It's amazing that there is a treasure here though.

Twilight Sparkle: Its really incredible that there is one here.

Lizzie Strong: But it's really amazing that I get to see the home of the animal I was slammed with.

Lola: Lightning, since Lynn and I are both in the Trinity of Violence, if you ever go back to your old ways and break her heart, I'm frying your ass!

Lightning: (GULPS) Don't worry Lola. I gave my word that I would never hurt your sister.

Me: Lightning is a man that keeps his word too.

Lola: Oh. That's good.

Qin: But this is really cool that you guys have been to this place before.

Maria: We all were amazed ourselves Qin.

Nico: I thought that was a really amazing and awesome educational trip.

Lisa Loud: Indeed and I'm glad it was really entertaining.

Lizzie Strong: That sure is awesome and cool.

But then a Great Blue Windrunner landed right on Lizzie's shoulder.

Lizzie Strong: Wow hey there friend.

The Windrunner talked to her.

Lizzie Strong: It sure is awesome being in your home area.

The Windrunner agreed.

Nico: Wow Lizzie that's cool that you can talk to Windrunners.

Lizzie Strong: I guess because I was slammed with one I developed the ability to talk to the creatures I'm part of.

Nico: That is awesome.

Fluttershy: Oh just like I have the ability to do so.

Eli: That is really cool though.

Nico: Eli, when we learned about what Davy Jones did to you the first time, some of us wanted to tell you before you learned the truth.

Eli: I know Nico. But I actually wanted to find out for myself. I had suspicions but I wanted to learn for myself.

Nico: That's okay. But your new Xelnaga form was really awesome.

Me: It sure was bro. You really made sure Davy Jones got what he deserved.

Sunset Shimmer: Yeah you sure did.

Lola: Kangor wanted to tell you the truth before Jones did since scum like him and Xehanort have a tendency to lie. And it's good to hear the truth from your friends.

Eli: I know. But I knew that Jones wasn't lying.

Nico: He is a human lie detector after all.

Me: Yep.

We then came across a huge spiderweb.

Me: Wow I remember these spiderwebs.

We then saw Silverspiders.

Nico: Ooh Silverspiders.

Eli: Wow and I see why they are called that.

Camie: Because of the silver patches on them.

Me: Yeah. And Spiders have been on the planet for over 479 million years.

Nico: Yep.

Me: That is awesome though.

Nico: Good thing Leni isn't afraid of spiders anymore.

Me: I know. Back then she was terrified of them.

Tsuyu: She had Arachnophobia.

Laney: That's right.

Ochaco: Wow.

Nicole: Pretty amazing that all this happened here didn't it.

Fu: It sure is awesome.

Nicole: But I think it's so cool that the treasure we're after is here in 100,000,000 years hence.

Me: Boy that is awesome.

Qin: It sure is.

Vroon: It's around here somewhere.

Nicole: According to the map and our new devices for our bracelets the treasure should be 500 meters up ahead.

We followed Nicole and we saw a beautiful and amazing sword sticking in a rock. It was a blue blade sword that looked very similar to the Divine Sword Phoenix Blade but instead of a phoenix it had a Great Blue Windrunner on the hilt and pommel. It was a beautiful sword called The Sword Of The Windrunners.

Nico: Wow!

Nicole: The Sword of the Windrunners. That is a magnificent sword.

Nico: And it's not in a temple this time.

Lola: Yeah.

Daring Do. It's amazing seeing it here.

Nico: Who wants to pull it out?

Eli: I think I know.

Lizzie's Windrunner Friend chirped to her.

Lizzie Strong: I will gladly do so.

Lizzie went over to the sword and then she pulled it out! The blade glowed and then she had the symbol of the Great Blue Windrunner appear right in the middle of her forehead and she had the Kanji for "Lizzie Strong - Great Blue Windrunner Shaman" appear on her back.

リジーストロング-グレートブルーウィンドランナーシャーマン

She was forever changed and her true power was unlocked when she got the sword.

Nico: Whoa! Lizzie you look awesome!

Eli: Yeah. How do you feel?

Lizzie Strong: To quote Optimus Primal, "Prime."

Nico: You earned it!

Me: She sure did.

Lizzie Strong: Thanks Nico.

But then we heard Eerie Moaning and that can only mean one thing!

Me: Another Ranger here!?

Nicole: Whoa.

Then a figure came out and it was ANOTHER DENZIRED! It was a scary version of the Red Denziman Ranger from 1981! It had a skull helmet and a torn up neck scarf.

Me: Another DenziRed!

Eli: Oh man!

Me: If Ippei Akagi saw this he would be really pissed off.

Nico: Yes he sure would.

Vroon: Thank you for waiting patiently!

Another DenziRed: (In a girls voice) (British Accent) You're welcome.

Me: (Gasp) That voice!

She reverted back and it was a girl I haven't seen in a long time. It was my ex-girlfriend Catherine Windsor Tudor XXXIV!

Me: Catherine Windsor Tudor XXXIV!

Nico: Whoa! XXXIV!? That's a long family line.

Me: It sure is.

Catherine Windsor Tudor XXXIV: It is. And it's good to see you again J.D.

Me: You too Catherine. You're looking awesome even as Another DenziRed.

Nico: How do you know her?

Me: Catherine is the descendant of Catherine Tudor I. She was the forgotten daughter Catherine of Aragon. Like the black sheep of the family. But Catherine's family was known as one of the greatest warrior families in the world. Her family grew over the centuries and Catherine became very well respected and known throughout all of

England over the years. Now Catherine Winslow Tudor XXXIV here is the recent generation. She went to school with me back in 3rd grade and we became great friends. She also has the power to see into the future as well as have amazing and incredible aurora powers. I gave her the moniker Catherine of The Aurora.

Nico: Wow!

Me: Yep. But just as we were about to start high school she disappeared.

Nico: Swartz got her.

Catherine Windsor Tudor XXXIV: That is correct.

Me: She's also my ex-girlfriend.

Nico: Wait. Ex-Girlfriend?

Me: Yeah we went on a couple of dates but something caused her to go off the deep end.

Catherine Windsor Tudor XXXIV: Yes and it was this.

She pulled out a mind control chip!

Me: (GASP) That's a mind control chip! How did you get that on you?

Catherine Windsor Tudor XXXIV: My evil grandfather planted it on me. He didn't want me dating a "Lowly Worthless Peasant" so he arranged for me to be married to someone rich and famous. I tried to fight him but he overpowered me and put this on the back of my neck.

Nico: That's not right!

Eli: That's nuts!

Me: What happened to your so-called grandfather?

Catherine Windsor Tudor XXXIV: He was committed to a mental hospital for the rest of his life.

Me: Good riddance.

Zocks: What did Swartz promise you?

Catherine Windsor Tudor XXXIV: My own castle and kingdom as well as me being the queen. But I knew he was lying and I did not want to be queen.

Me: That's good you decided not to become queen. Especially after what your ancestor did over 500 years ago.

Catherine Windsor Tudor XXXIV: Most agreeable.

Me: I'm sorry this all happened to you. What your grandfather did was unforgivable. I had no idea this was happening to you because of him. I hope it's not too late for us to get back together.

Catherine Windsor Tudor XXXIV: It's never too late J.D. But I want to see how far you've come. Come at me.

She turned back into Another DenziRed!

Me: Ask and you shall receive! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!)

I turned into Wolf Moon 🌙!

Nico: Kaito told me about what the Denziman team can do. (gets out Brass Knuckles Ridewatch) So, I'll use this!

He got Brass Knuckles brass knuckle arms.

Nico: YEAH!

Me: How about this one? (Activate's Chuck's Ridewatch)

I vomited out fish and they hit Another DenziRed all over and smashed her down.

Me: (SPITS) BLECH! That tastes really awful! Now I see what Jim had to go through to face Chuck in New Junk City.

Kaito: (gets out Hurricanger gear) Good thing I warned Nico about the Denziman's powers.

Zocks: (gets out Gaoranger gear) Especially since you used them against me before.

Me: And I remember that the Denzi Punch really packs a wallop.

Kaito: Yeah it does.

Kaito got the Ninja Storm Sword and Zocks got the Wild Force Saber.

Lizzie Strong: Lets see what my new sword can do.

She flared up a blue aura and flew into the air and went at Another DenziRed and slashed her all over and then flew into the air some more.

Lizzie Strong: Lets see how you like this.

Lizzie used the power of the Windrunner Animal Crystal imbued with the powers of Evil Princess What's-Her-Name and fired waves of energy and they hit Another DenziRed and blasted her all over the place.

Nico: Whoa! Awesome!

Lizzie Strong: That was awesome!

Nico: Don't get cocky now.

Me: I've always wanted to try this one.

I activated the Ridewatch of the Tiki Tak Tribe.

Me: Sorry about this Catherine.

I used my hypnotic glare and played the Nyanga Dance on my panflute.

She then went into a hypnotic trance and then she used the powerful Denzi Punch on herself!

KRASMASH!

She was sent flying and crashes into the ground. Then she got up.

Nico: Wow that was cool!

Me: Yep. I think Zecora would be proud.

Suddenly, Lizzie Strong's sky blue eyes turned neon sky blue, and she was surrounded by a sky blue energy aura with winds, chemicals, and Great Blue Windrunners, and as she approached Another DenziRed, she left sky blue energy, winds, chemicals, and Great Blue Windrunners with every step. Suddenly, Lizzie Strong was surrounded by a massive vortex of sky blue energy with winds and chemicals surrounding the vortex, there's the Great Blue Windrunner flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Lizzie Strong emerged, but she was changed forever.

Lizzie Strong grew to 6'11" in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing sky blue hair with flower in her hair, she has neon sky blue eyes and a sky blue energy aura with winds, chemicals, and Great Blue Windrunners surrounding her, she has a Great Blue Windrunner emblazoned on her forehead, she has on Great Blue Windrunner earrings with sky blue gems for eyes and holding the Wind and Eternity Kanjis in its claws, she also has a Great Blue Windrunner with sky blue gems for eyes and the Wind and Eternity Kanjis in its hands for the second pendant, along with the gold dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with sky blue crystal links from her merged Crystal Necklace of the Buddha and sky blue gems on the gold flames with sky blue bird-shaped Element of Harmony. Suddenly, Lizzie Strong felt a sharp pain on her back and legs, and then, her massive sky blue angel wings on her back and legs grew much bigger for her new body, and the large sky blue feathers have white tips on the feathers. Lizzie Strong has on a Ring of The Phoenix with sky blue gem and heart shaped gem embedded in it on her right ring finger and Blue Lantern Ring on her left ring finger.

Suddenly, Lizzie Strong's Windrunner sword and the swords she'd gotten in the treasure battles have begun merging together, and they were suddenly surrounded by a kaleidoscope of sky blue energy, winds, chemicals, and Great Blue Windrunners, and when it emerged, it was transformed into Great Blue Windrunner's Chemical Hurricane Broadsword of Windrunner Justice, it's a brand-new large broadsword with a Great Blue Windrunner etched on the 7'0" massive, wide, double-edged sky blue blade, Great Blue Windrunner's sky blue wings for the crossguard, large blue gem embedded in the rainguard, longer black handle, and large sky blue gem surrounded by wings for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with sky blue gems on her wrists, new large gold Belt of Elemental Bravery with gold Great Blue Windrunner head with sky blue gems for eyes and a large sky blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. 質、そして偉大な青いウィンドランナーのマスター

Lizzie Strong has transformed into SUPER ANGEL ETERNITY INFINITY HURRICANE GREAT BLUE WINDRUNNER CRANE ANGEL OF GRACEFUL HURRICANE JUSTICE AND DIVINE WIND LOVE!

We were amazed by Lizzie Strong's Super Angel Eternity Infinity transformation, and when Nico saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding.

Nico: She's using a Legend Item!

She got a Denzi Stick imbued with the powers of Evil Pharaoh Man!

Me: She has Denzi Sticks imbued with the powers of the Core and Non-core members of the M.O.E.!

She formed a powerful ball of fire!

Me: All right then.

EVIL PHARAOH MAN AND TRIFIRE! BEST MATCH!

I fired a massive blast of fire and Another DenziRed fired a ball of fire and the blasts collided and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Got to love those Fullbottles.

She then charged up the Denzi Fist!

Me: Uh oh! BRACE YOURSELVES!

Another DenziRed and Nico charged at each other with our fists… and punched each other!

KRABBBBOOOOOOOOOOOOOOMMMMMM!

There was a shockwave from the powerful punch which knocked them both to the ground.

Me: WHOA! WHAT POWER!

Nico: Wow! That really DOES pack a wallop!

Me and Maria helped Nico up.

Maria: You okay, Nico?

Nico: I'll be all right. Man that was powerful.

Me: No kidding there.

But then we smelled a really strange smokey smell in the air.

Me: (Sniffs) You guys smell that? Is there a fire burning?

Qin: No but I think it's from THAT!

We saw a Conflagration Ooze!

Sheila (D&D): Whoa man!

Nicole: A Conflagration Ooze!

Me: WHEW! That is intense fire and heat coming from it.

Conflagration Ooze: (In a girls voice) (Gurgling Voice) (Chinese Accent) But it does get the job down.

Nico: Gianna Dahuo? Wow!

She reverted back and was a girl with orange hair and orange and yellow sports clothes.

Gianna Dahuo: Awesome to see you again Nico.

Nico: You too Gianna.

Gianna threw a glob of molten fire and it hit Another DenziRed and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I grabbed the Ridewatch and purified it and I went over to Catherine and picked her up.

Catherine Windsor Tudor XXXIV: (Groans) Wow what a headache.

Me: It's all right Catherine. You're back to normal.

Catherine Windsor Tudor XXXIV: Wow you are really strong J.D.

Me: Learned so many things on our travels and adventures.

Catherine then hugged me and I hugged her back.

We picked up the Denzi Sticks.

Gianna Dahuo: But that was amazing though.

Lightning: What's your favourite memory of Nico?

Me: Wait a sec. I had a feeling you looked familiar. You're the awesome and famous gold medal Olympic athlete that won a lot of gold medals in both the summer and winter olympics!

Gianna Dahuo: That's right. I specialize in basketball and ice hockey. Won 24 gold medals.

We were amazed.

Camie: Wow that is cool!

Lightning: Sha-blam! Yeah it is!

Nico: Yep. And it was so awesome.

Gianna Dahuo: But my favorite memory is when me and Nico were battling gangsters in Italy and we brought them to justice.

Nico: That was awesome and fun.

Me: Awesome.

Nico and Gianna hugged.

Nico: I really missed you.

Gianna Dahuo: I missed you too Nico.

Nico: This was a great rescue though.

Catherine Windsor Tudor XXXIV: It was. Sorry I hit you Nico.

Nico: It's all right.

Aylene C.: But that was awesome.

Nico: But you should feel honoured that you managed to knock me to the ground.

Catherine Windsor Tudor XXXIV: I do feel that.

Me: That Denzi Punch was awesome.

Eli: No kidding there. That was awesome.

Qin: Yeah it was.

Me: Lets head home.

We went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, and Roach are heading to Sylvania in the world of Warhammer, and not only is Lincoln going to rescue the four girls here, but we're also going to destroy Mannfred von Carnstein, the magically gifted and ruthlessly cunning vampire of the Carstein family.

Lincoln: Oh man, we're here in Sylvania in the world of Warhammer, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy Mannfred von Carnstein, the magically gifted and ruthlessly cunning vampire of the Carstein family.

Nico: That's right, Linc, and when I played Warhammer and battled against Mannfred, he was really ruthless and cunning.

Me: And he's gifted in the dark arts of necromancy and other vampiric dark arts.

Lincoln: But, he's going to be in for a nasty surprise. See, when Adriana's blood healed me and gave me the powers of cosmic umbrakinesis and the strengths and powers of the vampires, I also learned about the dark arts that powerful vampires are able to use.

Eli: That's right, some of the most powerful vampires are capable of using the dark arts

Lincoln: That's right, and I have a plan for this one: from playing Warhammer, Mannfred's sure to have his army of undead vampires patrolling Eastern Sylvania and their main headquarters, Castle Drakenhof, and Mannfred must've used his dark magic to keep intruders from even trying to get into the castle. So, we're going to get rid of Mannfred's army of vampires and undo the dark magic he'd used to protect his castle.

Nico: Great idea, Linc.

Lincoln: Thanks, Nico, and thanks for joining us, Roach.

Roach: You're welcome, Lincoln, and this place sure is spooky.

Lincoln: A perfect place for the von Carstein family, but today shall be the end of the von Carstein family. Alright, gang, let's get to work.

We unholstered our weapons, and we travelled throughout all of Sylvania, and we were slaying all of the vampires that were in Mannfred's service, and Lincoln also went on a wild feeding frenzy feeding on the blood of the vampires and absorbing them all into his body and sending their souls straight to The Black Gates, and then, we arrived at Castle Drakenhof and he used a spell to undo and cleanse the dark magic of Mannfred von Carstein.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Mannfred von Carstein, and he's going to kill them.

Lincoln: Guys, we need to get over there and fast, I found the four girls, but they've been cornered by Mannfred von Carstein, and he's going to kill them.

?: That undead, bloodthirsty, powerhungry vampire, let's get him!

Suddenly, we saw the Duel Monster, Water Dragon Cluster, appear before us.

Nico: Whoa, that's the Duel Monster, Water Dragon Cluster, awesome!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Elena Brogan, but we'll have to talk later, we've got an evil vampire to destroy.

We then rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at Mannfred von Carstein, and it allowed the four girls to get away. When Mannfred von Carstein saw us, he was enraged.

Mannfred von Carstein: Team Loud Phoenix Storm, how did…?!

Lincoln: That's a question you'll be taking to your grave, because your undead life ends here and now along with the entire von Carstein family, Mannfred von Carstein.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Roach, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Mannfred von Carstein, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln put Mannfred von Carstein in a brutal bear hug so he couldn't escape, and then, Lincoln sunk his fangs into Mannfred von Carstein's neck and he not only began drinking the vampire's blood, he also began absorbing Mannfred von Carstein into his body and assimilating all of his powers and abilities, and as soon as Lincoln was done feeding on Mannfred von Carstein's blood and absorbing the vampire into his body and assimilating his powers and abilities, an energy card appeared in Lincoln's large left hand with Mannfred von Carstein's soul imprisoned inside, and as the kanji then appeared on his forehead, Mannfred von Carstein was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lincoln: And now, at long last, the von Carstein family has finally been brought to an end. (To Elena Brogan) And it's so good to see you again, Elena Brogan.

Elena Brogan reverted back to normal, and she's a beautiful girl with long flowing dark blue hair, blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the Water Kanji tattooed on her forehead, she has massive beautiful dark blue angel wings, and she reigned in the power of Water Dragon Cluster, and she's dressed in an open dark blue blouse, sleeveless dark blue midriff top, long dark blue skirt with black lace designs, dark blue sneakers, and long sleeveless dark blue trenchcoat with water and dragons on the coattails, and Water Dragon Cluster on the back, and holstered on her back a large Water Dragon Cluster-themed greatsword with Water Dragon Cluster etched on the 7'0" massive, wide, double-edged dark blue blade, Water Dragon Cluster's wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and a large blue gem surrounded by angel wings for the pommel.

Elena Brogan: You too, Lincoln, it's been a long time.

Lincoln went up to Elena Brogan and they hugged, and Elena Brogan's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were only fourteen, and as you can see, I really grew a lot since then.

Elena Brogan: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-

year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Elena Brogan, she's my Guardian Angel from New Jersey, she's a powerful girl who was born with immense cosmic powers over water, and she's an amazing swimmer.

Me: That's really awesome.

Lincoln: Plus, she's a talented athlete who's beaten Lynn in every sport ever, and she's more than once defended me from Lynn whenever she acts like a sore loser and tries to brutally hurt me.

Elena Brogan: That's right, and I got quite a story on how I defended Lincoln from that brutal sore loser.

Nico: This should be good.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Elena Brogan's neck with dark blue pink gems on the gold thunderbolt links and dark blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Elena Brogan: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Elena.

Elena Brogan had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Elena Brogan's waist and Elena Brogan wrapped her arms around Lincoln's thick muscular neck, and he leaned down to

Elena Brogan's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Dorie Goodwyn, Reanne Griffith, Mirabelle Haywood, and Ellie Craft from Magical DoReMi.

Lincoln: Oh wow, it's Dorie Goodwyn, Reanne Griffith, Mirabelle Haywood, and Ellie Craft from Magical DoReMi.

Nico: Awesome.

Lincoln: Are you girls okay?

Dorie Goodwyn: Yes, we're okay thanks to you.

Then, when Dorie Goodwyn and the other three girls saw who it was that saved them from Mannfred von Carstein, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Dorie Goodwyn: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Dorie Goodwyn: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Dorie Goodwyn, Reanne Griffith, Mirabelle Haywood, and Ellie Craft with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Mannfred von Cartstein.

But, when Lincoln showed what we did to that vampire's undead army and what Lincoln did to the main vampire himself along with his men, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Elena Brogan have a lot of catching up to do, now that she's back in town.

* * *

After destroying Mannfred von Carstein and his vampire armies in the world of Warhammer, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Elena Brogan saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elena Brogan: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elena Brogan: That's incredible.

Nico: It sure is. So, Elena, how did you defend Lincoln from Lynn's wrath whenever she acts like a sore loser?

Elena Brogan: That's one tale I still remember to this day. One day, Lincoln and I were down at the swimming pool and I was going to teach Lincoln the art of competitive swimming, it's a sport that I really excelled in when I was in New Jersey. Plus, Andrea Sōsuhakai also taught Lincoln how to swim effectively, so I'd figure I'd introduce him to competitive swimming, and he proved to be a really good swimmer. But, our fun day at the pool was ruined by Lynn, who came charging in like a mad bull and she was pissed. Plus, to make things worse, she brought Scoots with her to cause trouble for the two of us. Then, Lynn pounced on Lincoln and she was going to try and pound him, but Lincoln dodged and she crashed into the pool, but Scoots tried to run him over, but then, I saw Lincoln fire a powerful blast of water and trapped Scoots inside it. When I remembered Aurora Nightingale, Varya Pohzar, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra did by giving Lincoln their blood and in turn, it gave him powers, it was so amazing.

Then, I saw Lynn get out of the pool and she was moving in to kill Lincoln, but I followed his lead and I trapped Lynn in a sphere of water, and we then called the rest of the Louds over, and as soon as we saw Vanzilla, we told Mr. and Mrs. Loud of what Lynn tried to do to Lincoln, they were furious, and Lisa explained it was due to her losing a baseball game to a rival school and she was going to beat up Lincoln and kill him, but she was stunned when she found out Lynn enlisted Scoots to help out. Lynn got grounded for seven weeks and she was put in an isolation cube in her room and still trapped in a ball of water I made, and as for Scoots, Lincoln sent her back to Sunset Canyon where Varie put her in another straitjacket and put her back in her room again.

We cheered wildly for what Elena Brogan and Lincoln did to Lynn and Scoots.

Nico: Jeez, so Lynn was furious that she lost a baseball game to a rival school and she wanted to go beat up Lincoln and kill him? What a sore loser!

Me: And to make it worse, she also enlisted Scoots to help her out, that's just low.

Lincoln: It sure is. But, Lynn and Scoots both got in trouble and Varie almost had it up to hear with Scoots causing trouble.

Varie: Even after Nurse Sue got kicked out, Scoots continued to break the new rules I made when I became head nurse of Sunset Canyon.

Lori: Scoots has always been a rulebreaker, Varie, and that's all she'll ever be.

We got a shower afterwards, and then, me and my harem are heading to Seaside Hill, and joining me and my harem are Tyson Granger, who got together with Ty Lee and Kai Hiwatari, who got together with Azula.

Me, Tyson, and Kai were in swim trunks in our favorite colors, colored sandals, jewelry, and we had our weapons holstered, the girls in my harem, Azula, and Ty Lee were in two-piece bikinis in their favorite colors, colored sandals, jewelry, and had their weapons holstered.

Me: Alright, gang, are we ready?

Varie: We're ready.

We left the World Tree Estate, and we arrived at Seaside Hill.

Me: Ah, Seaside Hill here in Sonic's world, it's still the same as ever and it's still really awesome.

Varie: It sure is.

Ty Lee: Say, didn't Lincoln have a date with his harem here?

Me: Yeah, he did.

Azula: This place sure is amazing, and it's perfect for our date, especially when Ty Lee and I got together with Tyson and Kai.

Kai Hiwatari: You bet, Azula.

We dived right into the waters and we swam around in the ocean, and we also saw the sea creatures and plants that live there. Then, we were also working on our tans in the sun by lying out on towels in the sand, and we also had fun playing some volleyball, and the girls in my harem, Azula, and Ty Lee also got an atomic blush when they saw me, Tyson, and Kai lift up the heaviest barbells I made and they weighed up 900,000,000 pounds, and that's just a fraction of just how strong we've become and we're still becoming, then, we had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, I made clones of myself, and me and the clones went up to the girls in my harem and we wrapped our abnormally massive and powerful muscular arms around the girls' waists, and Tyson Granger went up to Ty Lee and Kai Hiwatari went up to Azula, and they wrapped their arms around their waists, and the girls in my harem wrapped their arms around the thick muscular necks of me and my clones, and Ty Lee wrapped her arms around Tyson Granger's neck and Azula wrapped her arms around Kai Hiwatari's neck, and we shared an amazing and passionate super-charged kiss. Then, we came back home to the World Tree Estate, and back in our original clothes.

Lincoln: Hey, guys, how was your date?

Me: It was awesome, Linc, we went to Seaside Hill, and had a lot of fun there.

Nico: Awesome. And we also made sure that Sancho and the party birds didn't try to get in yet again.

TLPS Mr. Wolf: Sancho's too stubborn, even after we kept him and his party bird pals out on the day of the Den-O Kamen Riders mission.

Nico: Eh, he'll probably never learn, TLPS Mr. Wolf. But, we'll keep up with keeping Sancho and the party birds out, and Sergio's still steaming at what we did to Sancho again.

We saw Sergio, and he was steaming mad at what we did in keeping Sancho out again, but when we gave him the "I'm watching you" look and I got out a Chancla, it frightened Sergio and he flew out of here.

Nico: Sergio's still sore at us for ruining his party bird reputation last year when we took him to trial for his crimes.

Lincoln: And I've got an idea, tomorrow on my rescue, we're going to recruit the Great Lakes City Alley Cats into The Masters of Evil.

Me: That's a great idea, big guy.

Nico: You said it, that's awesome.

---

ANTARCTICA RAINFOREST - 100,000,000 A.D.

---

Later we all were over in the future again and this time we were over in the Antarctica Rainforest. We were in 100,000,000 A.D. and we were in the rainforests of Antarctica!

Me: Wow! The Antarctic Rainforest.

Eli: Wow! So this whole rainforest is Antarctica? This is amazing!

Rainbow Dash: How cool is this!?

Me: And it's perfect for the next treasure hunt.

Nico: Nanette, you and Izuku are up for some bonding time.

Nanette: Awesome!

Izuku: Yeah this is gonna be so much fun!

Ochaco: Mind if I tag along too?

Nanette: Sure.

Nico: Awesome. Lets explore the forest and see where the treasure is at.

We got to walking.

Eli: This rainforest is absolutely incredible.

Laney: We were amazed the first time we were here too.

Qin: Boy this is awesome.

Nanette: Izuku, my missions were probably the best ones ever.

Izuku: Those were so awesome.

Me: And one of the most explosive too. Camie and I had an awesome date on that one.

Camie: Boy did we ever.

Emily (GF): That was an awesome mission from what we heard.

Kelsey (GF): Yeah that sounded awesome. I heard you blew All For One's manhood off with a powerful energy blast.

Me: Yeah I sure did. I used a Final Flash blast to do that.

Vegeta: J.D. used that blast with great precision.

Nico: It really left his mark on him.

Me: Yeah it sure did.

Nico: We got lots of recruits that day.

Me: Everyone in the entirety of U.A. Academy showed awesome and magnificent potential to be part of the team.

Himiko: And J.D. and the Hernandez sisters saved me from myself as well as helped me reconcile with my former parents.

Emily (GF): That's amazing Himiko.

Fiona Hernandez: Yeah that was awesome.

Nicole Knudson: We found out that her Quirk was unstable and was slowly destroying her from the inside and she was made insane because of it. She needed blood to survive or she would die.

Emily (GF): Jeez.

Qin: Yeah that was crazy. But her mom and dad didn't know that she was going through all this.

Nico: Well now she is cured and a good girl now.

Himiko: And I am always forever grateful to you all.

Yumi Davenport: But this is so cool that I'm in the very Rainforest where the Spitfire Birds live.

Nico: That is awesome Yumi.

Yumi Davenport: It sure is awesome being here.

Nico: Let's be on guard.

Eli: Yeah.

We saw Insects and Birds in a battle in the forest.

Laney: Boy I remember seeing all this here.

Qin: This is so amazing.

We saw a Falconfly! It was a huge Dragonfly.

Me: There goes a Falconfly.

Nico: Big dragonfly creature.

Qin: Wow that was a huge dragonfly!

Me: It sure was.

Nico: Yep.

We then walked on and saw a Spitfire Bird gathering the nectar of the Spitfire Flowers.

Yumi Davenport: Wow there's a Spitfire Bird.

Then a Falconfly swooped in and the bird dodged it and fired deadly acid at the Falconfly.

Nico: Whoa!

Qin: Whoa how did that bird do that!?

Me: It fires a caustic poisonous spray from its nose.

Nico: That's very dangerous.

Me: Yeah. But you remember that right?

Nico: Boy I sure do.

Yumi Davenport: But that is so awesome that I am a gene-slammer for a Spitfire Bird.

Nico: It sure is awesome.

A Falconfly was heading towards her.

Yumi Davenport: Not this time!

She fired the same poisonous caustic spray from her mouth and it hit the Falconfly and burned it bad!

Qin: Whoa!

Me: Wow that is lethal!

Maria: It sure was!

Nico: Yeah!

Yumi Davenport: But that will teach that blasted bug.

Lola: It sure will.

Nico: Let's continue on.

We pressed on and followed the path to the treasure.

Nicole: Lets see. The map and our devices are telling us that the treasure is 600 meters north.

Eli: Right up ahead.

Nico: Shouldn't be far now.

Nicole: We're just about there.

We arrived in a clearing and we saw a scythe! It was a red, orange and yellow scythe and it had the Spitfire Bird on it and the blade had a purple sheen on it that showed that it was

coated in acid from the chemicals used by the Spitfire Bird.

Nicole: There it is. The Scythe of the Spitfire.

Qin: Wow that is awesome.

Nico: Any volunteers?

Yumi Davenport: I'll do this one.

Me: Here we go.

She went up to the scythe and then pulled it out and then it glowed and she got the symbol of the Spitfire Bird in the middle of her foreheaq.

Nico: Wow!

Eli: Awesome!

Nanette: Amazing!

Nico: You earned that fair and square.

Yumi Davenport: I agree Nico. Thanks.

Eli: (Senses something) We got company coming.

We saw a figure coming from the northwest.

Nico: Another Rider coming.

We saw that it was ANOTHER BLADE!

Me: It's Another Blade!

Nico: Something about him seems familiar.

Another Blade: (In a boys voice) And You should know Monkey face!

Nico: (Gasp) Not him again!

He reverted back and it was a brown hair man and he had blue eyes. But he was all badly burned and horribly scarred and disfigured over 85% of his body!

Me: Oh man! What happened to him!?

Nico: Dennis Davenport!

Dennis Davenport: You will pay for doing this to me Nico!

Yumi Davenport: Den!?

Dennis Davenport: Yumi? You're okay!

He and Yumi hugged for the first time in like forever.

Yumi Davenport: Den what happened?

Dennis Davenport: It's a really ugly story Yumi. And it involves Nico.

She jumped back and went to us.

Nico: I thought I was done with you for good Dennis!

Dennis Davenport: It's because of you that you got me this way!

Maria: Nico, what's he talking about?!

Dennis Davenport: I'll tell you exactly what I'm talking about! Nico stopped me from strangling coal power plant workers and he burned me all over in a massive acid bath! I fell into a tank full of sulfuric acid and became like this! It was because of him! I vowed to get revenge on Nico for making me into a freak!

Nico: You brought all that on yourself!

Me: But how do you know Yumi?

Dennis Davenport: She's my little sister.

Me: I didn't know he was your brother.

Yumi Davenport: And I love brother more than anything. But my brother turned to a life of crime and he started killing coal power plant workers because he felt like he had to because they were Satan's Mobsters. But I found out that my brother was insane because of Paranoid Schizophrenia.

We gasped!

Me: Man Nico did a number on you! But Dennis you are sick and you need help!

Nico: I agree.

Yumi Davenport: I've been trying to find you bro because you need help! Big time!

Dennis: You have to choose, sis! Nico? Or me?!

Yumi Davenport: I can never choose anyone like that Dennis! Because you need a lot of help!

Me: She's right Dennis.

Qin: You need help bad. Your mind is all messed up.

Dennis Davenport: I don't care!

Woz: When it comes to doing what's right, Yumi would choose Lord Nico over you any day!

Nico: That's right. Because Yumi is part of my family too. Dennis you can still be part of our family too with the right help.

Eli: And we need to help him too.

Sunny Starscout: That's right.

Nico: Sorry about this Dennis, but you need to be shown the error of your ways!

Me: But it's for your own good! KIBAL LETS HOWL!

THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!

I turned into WOLF MOON 🌙!

Ratchet: When this is over, you need to get those burns looked at.

Dennis: Screw what you think, you old doctor robot!

Nico: You need those burns looked at Dennis.

Dennis: I don't care!

Ironhide: Hey! No one talks to Ratchet like that!

Yumi Davenport: He has no idea what he's doing Ironhide.

Nico: When you're mentally ill you don't even know what you're doing.

Lola: It's true.

Nico: Take your best shot!

Dennis: With pleasure!

He turned back into Another Blade!

I fired blades of blue fire and they hit Another Blade and burned him all over.

Nico: He probably has Legend Items!

Me: We already faced Another Chalice who had Non-Core M.O.E. Items for Blade.

Another Blade: Then how about this!?

He pulled out a Blay Rouzer with a glowing energy blade imbued with Vypra's power.

Me: M.O.E. Core Items.

We clashed and I kicked him down.

He then pulled out a King Rouzer and it had Lord Drakkon's powers and I clashed with him and smashed him down.

Nico pulled out a King Rouzer for Madame Woe.

Nico: Try this!

Nico slashed him all over the place.

Me: And this!

I pulled out a King Rouzer for Volcano Man and I fired blasts of lava and smashed him down.

Izuku charged at Another Blade.

Izuku flared up his green lightning aura.

Izuku: Chew on this!

He punched Another Blade with devastating force!

Nico: YEAH!

Me: TAKE THAT!

Nanette: THAT'S MY BRO!

But then Another Blade Exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught the Ridewatch and purified it!

We cheered wildly for Izuku!

Lily then spread her wings made of healing water and then enveloped Dennis in a ball of water and cured him and his burns. He had his brain fixed too but he was going to be in a coma for a bit. No big deal.

---

Later we were later over at Lynn's Table about to have an awesome new meal Lynn Sr. was making when suddenly we heard a loud scream!

Mitsuzane Kureshima: Do I hear Shaggy and Scooby screaming in pain?

We went to the kitchen and found them drinking lots of water.

Me: Jeez you two! We thought you saw a ghost.

Nico: Yeah.

Shaggy: Like nope. We were having some Moonscar Island peppers.

Lynn Sr.: I gave them a couple. In fact I have something for you all to try with your meal.

Back at our table Lynn Sr. showed us 15 bottles of brand new hot sauces he made!

Nico: You made your own hot sauces Mr. Lynn?

Lynn Sr.: I sure did Nico. These are my brand new Lynn's Table Signature hot sauces.

Me: Cool!

Laney: These look awesome dad.

Patrick: I want one!

Lynn Sr.: Now now. Plenty for everyone.

Me: Nico, Laney lets do the ultimate taste test with them.

Nico: You read my mind.

We started with the mildest one and it was called Mild and Pob-Lynn-o. It was awesome. We put it on some creole chicken.

Me: Mmm! The Poblano sauce is delicious.

Nico: It sure is.

We tried each flavor from mildest to hottest.

The sauces were awesome.

We tried the mildest to the hottest:

Devil's Spit, Satan's Cauterizer, Furious Sun Fury, Infernal Burner and more.

Trypticon: How does it taste?

Nico: (Fire comes out of his mouth)

Me: I think it's really awesome.

Lynn Sr.: Well good! Because I have these.

He pulled out some tongs and gloves and pulled out 2 glowing bottles. One was called The Infernal Grim Reapepper and that one was glowing neon red and emitting a low hum and the hottest one was the hottest and it was called The SUPERNOVA MOONSCAR EXPLOSION!

That one was the most hottest as it was made with Moonscar Island Peppers and even the Tears of Zephos and hottest peppers!

Everyone gasped at the sight of that one!

Me: WHEW! The heat coming from that one is amazing! Ready Nico, Laney?

Nico: Bring it on!

Laney: Yeah!

Metroplex: (Scottish Accent) It's been nice knowing you lads.

First we tried the Infernal Grim Reapepper and it was REALLY SPICY! But then we tried the SUPERNOVA MOONSCAR EXPLOSION and drenched it all over our po boys and we ate it and then…

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION OF IMMENSE POWER!

The power from the spice was so intense that it was like some put a bomb inside the planet and blew it to smithereens! WE HAD INCREDIBLY POWERFUL SPICE AURAS COMING OUT OF US!

Nico: WHOA MAN!

Me: Wow! That was delicious!

Laney: YEAH!

Lynn Sr.: WOW! You guys are true spice demons!

Me: Yeah!

Shaggy and Scooby tried some of the Supernova Moonscar Explosion and then they glowed red hot and sweat drenched them and then…

FIRE EXPLODED OUT OF THEIR MOUTHS WITH INCREDIBLE FORCE AND THEY SCREAMED IN EXCRUCIATING PAIN!

Shaggy and Scooby: (RUNNING AROUND LIKE CHICKENS WITH THEIR HEADS CUT OFF) WATER! WATER! WATER! WATER!

Maria fired waves of water and a massive cloud of steam came out of their mouths!

RD Sam: Are you guys done killing yourselves?!

RD Luna: Come on Sammie they are just trying out our Prime Universe pops's awesome food.

Me: Yeah girls. Mr. Lynn makes just as awesome a bunch of hot sauces as I do. It's awesome.

Laney: Yeah.

Kin Tsuchi: These guys are really tough when it comes to spicy food though.

Qin: You said it Kin. That's my awesome bro Nico though. He is a tough cookie.

We laughed.

Then Steam Smythe, Hydrax, Dr. Light, Pterodactyl Ghost, Marluxia, Common Cold, Technus, Katnappe, Roquefort and Xaldin appeared.

Xaldin: We saw a huge fiery explosion! Are you guys…

Marluxia: Oh. More hot sauce challenges?

Me: Mr. Lynn made his own hot sauces and we were trying them.

Marluxia: Wow! You guys are really tough!

Lola: They sure are.

Common Cold: WHEW! That is some awesome pepper though.

Pterodactyl Ghost: Can me, Steam Smythe, Hydrax, Dr. Light, Marluxia, Common Cold, Technus, Katnappe, Roquefort and Xaldin go with you guys?

Nico: Yes you sure can.

Steam Smythe: Awesome! Yumi we're sorry about your brother. We heard what happened.

Yumi Davenport: It's not his fault guys. He has had mental problems ever since he was 10.

Lily: But I cured him with my water. He'll be in unconscious for a bit but he'll be better soon.

Steam Smythe: Well that's a relief.

X-Squad Lila Rossi: At least he'll be all right.

Allie Wilde: That's for sure. But wow, J.D. you are one of the toughest Spice Demons ever.

Leni: He always has been a tough guy.

Nico: Yep.

Me: Thanks.

Viceroy: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do the Black, Blue, Green, White and Red Chromatic Dragons next and then Tiamat.

We gasped!

Me: Whoa!

Nico: First will be the Black Chromatic Dragon.

Me: For acid first. Wow! This will be interesting to see.

Sheila (D&D): It sure will be. Those dragons are really tough and strong.

Qin: They sure are.

Maria: But those dragons are some of my awesome favorites in Dungeons & Dragons.

Spyro: They sure look awesome too.

Nico: Oh they are.

Hydrax: I hope the next treasure is on Earth again.

Nicole: Oh it is. But this time it's in the world of 200,000,000 years in the future.

Nico: Wow! This is gonna be awesome.

Lola: I remember seeing that world. That was awesome.

Hydrax: Wait you guys have been to those worlds before?

Nico: We sure have. Back when I started out on the team.

Me: Nico just joined us back then and we went on an awesome educational trip into the world of The Future is Wild.

Dr. Light: Wow! I remember that show.

Me: Good times.

Nico: Yep.

Nicole: This time we're going to the Northern Forest to find a spellbook.

Nico: Wow!

Me: Yeah!

Nicole: Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Nasira, and she's coming after us to get revenge for what we did to her brother, Jafar. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like this person one bit: the dark energy signal I sensed belongs to Nasira, and she's coming after us to get revenge for what we did to her brother, Jafar.

We gasped in shock.

Nico: So, that treacherous snake has a sister?! Great, as if one Jafar wasn't bad enough, now we got to deal with his equally evil sister.

Aladdin: She tried to bring Jafar back from the dead long ago, but I stopped her. And now that she knows that Jafar's been sent to The Black Gates and erased forever, now she wants our heads on a pike.

Me: That's never going to happen.

Sakura Adachi: (Japanese Accent) That's right, after our next mission, we're going to destroy Nasira and she'll suffer the same fate as her insanely evil brother.

Lincoln: Yeah, a battle between us and the sister of Jafar.

Nico: (Smirks) That hag's done for once you two show her a thing or two about magic.

Jay (Descendants): I've never like Nasira anyways, she's just like my former father, and like him, she deserves to get The Black Gates for good.

Nico: My thoughts exactly, Jay. Alright, gang, let's go, we've got another treasure to find.

Lincoln: And another villain to destroy. And you better say your prayers, Nasira, because we're coming for you, and you're going to suffer the same fate as your evil brother, Jafar.

We paid for our food and we were off to the Northern Forest in 200,000,000 A.D.

---

NORTHERN FOREST - 200,000,000 A.D.

---

We arrived in the Northern Forest.

Me: Here we are.

Qin: Whoa! This is incredible!

Varie: These trees are awesome.

Camie: It's really humid here.

Me: It's always humid here too.

Lola: Yeah it sure is.

Concrete Man: Was this before me and my fellow Robot Msasters joined the team?

Nico: It was before.

Concrete Man: Oh.

Me: But it was really fun.

Common Cold: This looks pretty nice.

Me: But look at what the planet turned into.

I showed a hologram of Earth in that time and all the continents were merged into one big supercontinent. It was called Pangaea II.

Eli: WHOA!

Qin: That looks like another Pangaea.

Me: It is. It's called Pangaea II.

Camie: That is cool!

Xenia: So all the continents will become another Pangaea in the distant future.

Me: Yep.

Luminous: If you want, I can provide some light.

Nico: It's already sunny outside. But these trees are huge huh?

Me: They are over 250 feet tall.

Qin: Wow that is huge.

Then we saw Forest Flish! They looked like birds with butterflies. They are flying fish.

Nico: Wow.

Qin: Are these birds?

Me: No these are Flying Fish called Flish. They took the place of birds.

Lisa Loud: That is correct. When many species die out life always finds a way to fill in a bunch of evolutionary niches.

Nico: That's true and awesome.

Xaldin: Tell us more about this treasure.

Nicole: Certainly. It's called the Spellbook of Konohanasakuya-hime.

Me: The Goddess of Nature in Japanese Myth.

Nicole: That's right. That spellbook is buried in an indestructible chest and the book is indestructible too thanks to the power of its magic. It's buried here in this very forest.

Xaldin: Wow! That is amazing!

Nicole: It sure is. Legends say that this book has incredible power over the very trees and life in its entirety.

Qin: That's incredible.

Sinestro: This is one treasure we don't want getting in the wrong hands.

Nicole: Nope. That's why only one that's pure of heart can get it.

Nico: Good. Lets go find it.

Nicole: And the legends say that it will choose it's wielder and no one other than the wielder can touch it.

Qin: Wow. That is an an amazing magic defense mechanism.

Nicole: It sure is.

We went to find it and we followed the map and our bracelets to find it.

Roquefort: Cheese ninjas, see if you can find it.

They spread out and started searching.

Nico: It's going to be like looking for a needle in a haystack.

We got searching and more.

We were following the map.

Elec Man: So, we don't know who's gonna get the treasure this time?

Nicole: No it's a mystery.

Nico: But we'll find out who will get it soon.

We pressed on and we got to a clearing/

Nicole: This is where the map says it's at.

Qin: But where is it?

Nicole: It's buried in the ground.

Nico: Then lets get digging.

Katnappe: I'll dig with my claws.

Nico: Go for it. Ed can help too.

Ed: Goody goody!

Ed and Katnappe dug where Nicole said to dig.

Ed: Dig a hole, dig a hole, dig a hole, dig a hole, dig a hole.

Katnappe was digging too.

But then…

CLANG!

Katnappe: We hit something!

They pulled out a big metal chest.

Ratso: Hey, guys? We found it.

Nico: Wow!

We opened the chest and then there was a magic green glow.

Me: Wow.

We saw a huge spell book and it was over 1,500 pages thick and it floated and went over to Dawn (Pokemon!

She took the book and got a huge and amazing power increase and she was imbued with the powers of nature too!

Laney: Wow!

Technus: It's about time Dawn got a new transformation!

Dawn: I don't feel anything yet but I have a feeling I will.

Nico: Yeah you will.

Eli: Wait I sense we're not alone.

Me: I don't like the sound of that.

Marluxia: Before we go after the villain Nico which ridewatches do you have for us?

Nico got out Ridewatches for Shishi Red, Houou Soldier, Ex Aid, Ex-Aid Double Action Gamer XX R, Ex-Aid Double Action Gamer XX L, Ex-Aid Maximum Gamer, Ex-Aid Muteki, Brave, Brave Legacy Gamer, Snipe, Snipe Simulation Gamer, Lazer, Genm, Genm Zombie Gamer, Para-DX, Poppy, Cronus, one more Ridewatch for the Ex Aid team, my Ex Aid Form, Kopaka's Ex Aid form, and their copies.

Maria: That's A LOT of Ridewatches.

June: Chronus might be an Evil Rider but we can still use those powers for good.

Nico: That's true.

Me: So it's the Ex-Aid riders next.

Nicole: Well you know I'll be getting one because I'm the Goddess of Video Gaming.

Nico: Yep.

Me: Lets see.

I chose Levi McGarden, Hotaru Tsuchigumo, Orihime Inoue, Kanaloa Ikala, Pele, Kura, Memeko, Media, Mai, Kasuka, Rosty, Jelli, Mero, Miti, Froze, Nan Que, Cerea, Papi, Delizia and Miku for the copies. Robin, Starfire, Beast Boy, Cyborg, Raven, Kole, Tara, Nicole, Nico, May, Sabrina Mason, Will, Irma, Taranee, Cornelia, Hay Lin, Sarah Gunnerson, Kaz and Tom for the Originals.

Marluxia: Nico, maybe you should think about doing Ridewatches for Ben's aliens. 100 of them anyway.

Nico: Not a bad idea.

Qin: Yeah!

Nico: Okay lets get ready.

We hid in the trees. And waited.

Helga Sinclair: Of course, Swartz will probably make Another Omnitrix Aliens before and after we defeat him.

Me: Now that wil be interesting.

Lola: Yeah.

Dr. Light: I hear someone coming!

Nico: Shh.

We saw a figure and it was the old enemy of Captain Kirk, KRUGE!

---

Kruge was a Klingon officer and the main antagonist of Star Trek III: The Search for Spock and a postumous antagonist in Star Trek VI: The Undiscovered Country.

He was portrayed by Christopher Lloyd, who also played Judge Doom in Who Framed Roger Rabbit.

A protegee of Kamarag, Kruge served for many years in the Klingon Defense Force. His career began in the 2240s under Commander Kor on the IKS Kut'luch. In 2245 Kruge questioned the decision of Kor to withdraw from battle against the USS Enterprise (NCC-1701). Kruge backed down but Kor believed some day that Kruge would challenge him for command.

By the 2280s Kruge was Captain of a Klingon Bird of Prey, with a dozen officers and crew under his command. He had a female friend named Valkris, who was a Klingon spy. Kruge also had a Targ hound that he brought with him, and ordered hapless crew members to feed his Targ. In 2285 Kruge obtained data on Project Genesis from Valkris. After learning that she had seen the data, he had her killed by destroying her ship in order to prevent any news about the mission from getting out or having possible witnesses later on.

Viewing the data with his most trusted officers, Kruge decided to travel to the planet that had been created after Khan Noonien Singh detonated the Genesis torpedo in the Mutara Nebula. Upon arrival he found the Federation science ship USS Grissom in orbit over Genesis. He ordered his crew to disable the ship, however the gunner's shot destroyed Grissom. Enraged, Kruge vaporized the gunner with his disruptor, then called the guy an animal.

When Torg spoke up Kruge was quick to point his disruptor at the other man, threatening to fire if Torg said the wrong thing. Torg pointed out that there were survivors on the surface of Genesis who might have detailed knowledge of the weapon. Kruge led a team to the planet surface to find the survivors. Taking the survivors - Saavik, David Marcus, and the regenerated body of Spock - prisoner, he threatened to torture the information out of the prisoners. However the USS Enterprise arrived at that time, and Kruge beamed up to take care of that threat. Because the Enterprise was so undermanned and running on automation, Kruge was able to disable the Federation ship with a single shot, even though ordinarily Kruge's ship would have been no match for a Constitution-class starship. Admiral Kirk attempted to bluff the Klingons into surrendering, but that failed. Kruge ordered his crew on the surface to kill a prisoner, the Klingon warrior was going to kill Saavik before David intervened. David died fighting the Klingon, Saavik informed Kirk that his son was dead.

Kruge sent a team over to the Enterprise but before abandoning ship Admiral Kirk had set the ship to self-destruct. When Kruge heard the Enterprise computer counting down Kruge realized what was about to happen, and screamed for his men to get off the ship, but it was too late for the transporter chief to beam them out. Kruge and Maltz could only watch as powerful charges on the Enterprise killed the boarding party and reduced the Federation ship to a lifeless hulk that burned up in the atmosphere of Genesis.

Realizing that Kirk and the others had made it off the Enterprise before she exploded, Kruge then beamed down to Genesis to confront Kirk directly. The two engaged in physical combat while Genesis broke up beneath their feet. Kruge and Kirk fought to the edge of a cliff and wound up on a ledge overlooking a lake of lava. A piece of ground gave way underneath Kruge. Kruge wound up holding on to the edge of the cliff for his life. Despite everything that

Kruge had done, Kirk tried to pull the man up, but Kruge was determined to take Kirk with him. Having had enough, Kirk kicked Kruge in the head until Kruge lost his grip and fell to his death in the lava below.

After Kruge's death, Kirk got Maltz - the sole Klingon remaining on Kruge's ship - to beam him and Spock's body up. The crew rushed to Vulcan, where Spock's body and katra were successfully reunited with each other.

James T. Kirk would later on develop a bitter hatred for Klingons years because Kruge had killed his son. Kirk would even refer to this when he was on his final mission as captain of the USS Enterprise NCC-1701-A, that he never trusted Klingons and he never will, nor could he forgive them for the death of his boy. Before his own death Chancellor Gorkon was aware of what happened to Kirk's son and realized that Kirk's hatred of Klingons was due to Kirk still grieving David's death.

After seeing what extremes others would go to because of their hatred of the Klingon race, Kirk finally let go of his hatred and forgave the Klingon people rather than let his hatred consume him. Nearly a century later Captain K'Nera - who belonged to the same House as Kruge - made an unsuccessful attempt of his own to seize the secrets of Genesis before being stopped by the crew of the Enterprise.

---

Me: Oh man that's Kruge.

Nico: From Star Trek 3.

Laney: We haven't faced him yet.

Me: No but he's the monster that killed Kirk's son.

Morton Koopa: Entrance time!

Me: Lets get him.

We went at him.

He was looking for the book. Then he saw the box open and it was empty!

Kruge: NO! NO!

Then the spirits of the elemental Ninja Heroes of Skylands appeared and they swirled around him and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Nico: Hello Kruge.

Me: Time for you to pay for killing Kirk's son!

Hydrax: You have to be worthy of the book. And you're clearly not!

Kruge: Then you all will die. Where is Kirk?

Me: Like we'll ever tell you.

I teleported and kicked him in the face and sent him crashing into a tree.

But then Ice Demon, 10,000 Volt Ghost, Koragg, Angel, Saix, Molten Man, Black Manta, Doc Ock, Sportsmaster and Killer Croc appeared.

Nico: Ice Demon, 10,000 Volt Ghost, Koragg, Angel, Saix, Molten Man, Black Manta, Doc Ock, Sportsmaster and Killer Croc.

Koragg: Kruge you have no honor at all!

Kruge: I am proud of what I did.

Ice Demon: Nice job getting the book, Dawn.

Dawn: Thanks.

10,000 Volt Ghost: You've earned it.

Koragg: As well as the upcoming transformation.

Me: She sure did earn it.

Angel: (to Nico) We heard you found another treasure this morning.

Nico: Yep.

Saix: What was it?

Nico: The Sword of The Windrunner and the Scythe of the Spitfire Bird.

Saix: Amazing.

Then Turkey Jerk appeared for another round.

MeL Turkey Jerk. Back for another round?

Turkey Jerk: You know it!

Laney: Nice.

William: You know it's not Thanksgiving yet, right?

Turkey Jerk: I know. But when it DOES come, you'll have plenty of new friends.

Me: Nice.

Skyla, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Air Lincoln, Lincoln, RD Lincoln, Luminous and Nightshade VS Angel - Meeting a Water Dragon Cluster Gene-slammer

---

Angel was next.

Angel: I heard you met a gene-slammer for Water Dragon Cluster. What's her name?

Skyla: Her name is Elena Brogan and you would like her. She is an awesome swimmer.

Twilight Sparkle: And she has amazing water powers.

Starshine Sparkle: She has even stood up to Lynn when she was really mad.

Sunny Starscout: She sure did. It was awesome.

---

Elena Brogan: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elena Brogan: That's incredible.

Nico: It sure is. So, Elena, how did you defend Lincoln from Lynn's wrath whenever she acts like a sore loser?

Elena Brogan: That's one tale I still remember to this day. One day, Lincoln and I were down at the swimming pool and I was going to teach Lincoln the art of competitive swimming, it's a sport that I really excelled in when I was in New Jersey. Plus, Andrea Sōsuhakai also taught Lincoln how to swim effectively, so I'd figure I'd introduce him to competitive swimming, and he proved to be a really good swimmer. But, our fun day at the pool was ruined by Lynn, who came charging in like a mad bull and she was pissed.

Plus, to make things worse, she brought Scoots with her to cause trouble for the two of us. Then, Lynn pounced on Lincoln and she was going to try and pound him, but Lincoln dodged and she crashed into the pool, but Scoots tried to run him over, but then, I saw Lincoln fire a powerful blast of water and trapped Scoots inside it. When I remembered Aurora Nightingale, Varya Pohzar, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra did by giving Lincoln their blood and in turn, it gave him powers, it was so amazing.

Then, I saw Lynn get out of the pool and she was moving in to kill Lincoln, but I followed his lead and I trapped Lynn in a sphere of water, and we then called the rest of the Louds over, and as soon as we saw Vanzilla, we told Mr. and Mrs. Loud of what Lynn tried to do to Lincoln, they were furious, and Lisa explained it was due to her losing a baseball game to a rival school and she was going to beat up Lincoln and kill him, but she was stunned when she found out Lynn enlisted Scoots to help out. Lynn got grounded for seven weeks and she was put in an isolation cube in her room and still trapped in a ball of water I made, and as for Scoots, Lincoln sent her back to Sunset Canyon where Varie put her in another straitjacket and put her back in her room again.

We cheered wildly for what Elena Brogan and Lincoln did to Lynn and Scoots.

Nico: Jeez, so Lynn was furious that she lost a baseball game to a rival school and she wanted to go beat up Lincoln and kill him? What a sore loser!

Me: And to make it worse, she also enlisted Scoots to help her out, that's just low.

Lincoln: It sure is. But, Lynn and Scoots both got in trouble and Varie almost had it up to hear with Scoots causing trouble.

Varie: Even after Nurse Sue got kicked out, Scoots continued to break the new rules I made when I became head nurse of Sunset Canyon.

Lori: Scoots has always been a rulebreaker, Varie, and that's all she'll ever be.

FLASHBACK ENDS

Angel: My goodness! Lynn really got mad didn't she? But hiring Scoots to help her?! That's crazy!

Spyro: It sure was.

Air Lincoln: Yeah it sure was.

Lincoln: That girl had lots of problems.

RD Lincoln: You're not kidding there.

Angel: Yeah. Lets do it!

Skyla activated her Ridewatch and Eyecon.

THE WRIGHT BROTHERS AND ANGEL!

Angel: The Wright Brothers, inventors of the first ever airplane.

Skyla: Yep.

They fired waves of wind and magic and smashed her down.

Gari: It sure is too. We learned so much from this entire mission.

Kaz, Sunset Shimmer, Pipsqueak, Fire Skylanders, Fire Lori, Lori Loud, RD Lori, Fire Man and Elec Man VS Molten Man - Us battling Yumi's insane brother as Another Blade

---

Molten Man was next.

Molten Man: (to Kaz) You guys did good battling Yumi's insane brother as Another Blade. Did he really get burned that badly?

Kaz: It was terrible! Someone splashed him all over with sulfuric acid and burned him over 85% of his body!

Aladdin: I knew there's no mistaking that voice from anywhere. You can come out now, Nasira.

A figure dressed in black robes appeared from a tornado of dark magic, and it was none other Nasira, the fraternal sister of Jafar.

Jasmine: Nasira, I should've known you'd one day return again from the dead. But, you've come too little too late, we got rid of your brother, Jafar, and all the other villains for good, and now, it's your turn.

Nasira: You will all pay for what you did to my brother with your lives!

Sakura Adachi: (Japanese Accent) That's never going to happen, Nasira, and now, your cold-blooded vengeance spree ends here and now!

Suddenly, Sakura Adachi's purple eyes turned neon purple, and she was surrounded by a black and purple energy aura with darkness, dark magic, and magicians, she unholstered her massive Dark Magician-themed sword and Dark Magician's staff from her back, and as she approached Nasira, she left black and purple energy, darkness, dark magic, and magicians with every step.

Sakura Adachi: (Japanese Accent) Nasira, I will never forgive for the crimes that both you and your twisted brother, Jafar, have committed against Agrabah and its citizens, and now, I will make sure that you suffer the same fate as Jafar, and you will never rise from the dead once again.

Suddenly, Sakura Adachi was surrounded by a massive vortex of black and purple energy with dark magic and darkness surrounding it, there's Dark Magician flying around the vortex, and in the vortex is a purple magician. Then, as the vortex faded, Sakura Adachi emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sakura Adachi grew from 6'5" to 6'11" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long flowing black hair with purple bow in her hair, she has neon purple eyes and a black and purple energy aura with darkness, dark magic, and magicians surrounding her, she has Dark Magician with the Dark Kanji in his hands emblazoned on her forehead, she has on magician earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in his hands, she also has Dark Magician with purple gems for eyes and the Dark and Eternity Kanjis in his hands for the second pendant on the bottom of her purple magician-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sakura Adachi has on a black sleeveless open blouse, black sleeveless midriff top, black skirt, black pants with designs, black high-heeled sneakers, and long sleeveless black trenchcoat with darkness, dark magic, and magicians on the coattails, and on the back is Dark Magician with dark magic surrounding him. Suddenly, Sakura Adachi felt a sharp pain on her back, and then, her massive midnight black angel wings grew much bigger for her new body, and the large midnight black feathers have purple tips on the feathers. Sakura Adachi has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Sakura Adachi's massive Dark Magician-themed sword and Dark Magician's staff began merging together and they were surrounded by a kaleidoscope of black and purple energy with dark magic, darkness, and magicians, and when it emerged, it was transformed into Dark Magician's Dark Mage's Staff of Dark Magical Justice, it's a brand-new Mage's Staff with a massive dark purple orb on top of four large purple raven heads on one end of the long midnight black shaft and on the other end of the black shaft are four smaller purple raven heads and on the bottom of the raven heads is a large purple crescent moon with a purple gem on it, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold raven head with purple gems for eyes and a large black gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Sakura Adachi has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS MAGICIAN ANGEL OF GOTHIC JUSTICE AND DIVINE DARK MAGIC LOVE!

We were amazed by Sakura Adachi's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Nasira saw it, she fell into a black rage and fired a blast of dark magic at her, but Sakura Adachi blocked it, and she fired a powerful black and purple energy blast with darkness, dark magic, and magicians at Nasira, and it exploded with incredible power as it hit her and sent her flying into a wall.

Nico: Whoa, Sakura Adachi's transformed, that's so awesome!

Me: And she sent that witch, Nasira, flying into a wall, and pissed her off even more. Nice.

Lincoln: Wow, Sakura, you look beautiful. How do you feel?

Sakura Adachi: (Divine Echoing Cosmic Voice of The Dark Magician and Divine Dark Magic Love) **I feel incredible, Linky. Now, shall we deal with Nasira once and for all?**

Lincoln: (Smiles) With pleasure, Sakura.

Me: I've had enough of that malevolent sorcerer to last an eternity!

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sakura Adachi.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to pay for everything you and your twisted brother, Jafar, have done, Nasira.**

Sakura Adachi and Lincoln went after Nasira, who continued firing blasts of dark magic at them, but they dodged them all, and they fired powerful blasts of rainbow energy, black and purple energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Magicians, and Angels at Nasira, and they exploded with incredible power as they hit her. Then, Lincoln and Sakura trapped Nasira in a binding circle, and they began sucking out and absorbing Nasira's powers and magic, and when they were done, Nasira was rendered powerless, and then, Sakura and Lincoln used Dark Magician's signature attack, Dark Magic Attack, and fired two blasts of dark magic at Nasira, and they exploded with incredible power, killing her for good, and she was erased by The Black Gates when Sakura Adachi marked her forehead with a kanji. We cheered wildly for what Sakura Adachi and Lincoln did as they holster their weapons and powered down, and Sakura Adachi's new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

Sakura Adachi: (Japanese Accent) And that's the very last time we'll ever have to deal with any single remnant of Jafar. Thanks for helping me take down and destroy Nasira, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sakura.

Suddenly, Sakura Adachi wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Sakura Adachi's face, they kissed passionately as Sakura Adachi's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Dark Magician flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and displays of magic behind them and we all cheered wildly.

Nico: Alright, now we're finally rid of Nasira for good.

Me: And she's suffered the same fate as her brother: erased by The Black Gates forever.

Lincoln: Yep, and we showed her a thing or two about magic, and we made her pay for all of her crimes.

Aladdin: Good riddance to her.

Princess Jasmine: She and Jafar have plagued Agrabah for the very last time.

Eli: You said it.

Lincoln: And we also put a stop to Kruge, and avenged the death of Kirk's son.

Me: You bet we did, what Kruge did to Kirk's son can never be forgiven, what a monster.

Nico: Yeah, that Klingon serial killer got what was coming to him long ago, and now, he's gone for good.

Molten Man: Looks like Kirk's son is avenged.

The land of Shiv was a really scary and inhospitable landmass that was a volcanic area. It was hot and scary too.

Me: Wow! So this is a really scary place.

Nico: Whew! No kidding! So this is Shiv. Amazing.

Laney: It's incredible.

Himiko: It's amazing that it's a volcanic area. How awesome.

Lana: It sure is.

Nico: Thanks for coming with me, Scarlet.

Scarlet: It's my pleasure Nico and may I say that it's an honor to go with you on this amazing rescue.

Me: You'll love it Scarlet.

Momo: It's always a really fun adventure.

Kaoruko: It sure is.

Nicole: You guys will love the treasure we're going to find next.

Eli: I have a feeling it's gonna be awesome.

Nico: So what is the treasure we're after next?

Nicole: It's called the Sword of Celestial Stars. It's a legendary and powerful sword that is said to hold the powers of the entire universe in it.

Nico: Wow!

Maria: That's really cool.

Lana: I'll say.

Scarlet: It'll be most interesting to see who gets that sword.

Nico: It sure will. Scarlet, you and Maria are okay with each other now, right?

Scarlet: Yes we are Nico.

Maria: Me and Scarlet forgave each other ages ago. It's all cool now.

Nico: That's good news.

Daring Do: I'm glad that you guys are on good terms now.

Mesa Florrence: Me too. I'm happy for them.

Nico: Same here.

Me: I am as well.

Nico: And Harold's happy to have you back.

Scarlet: Yes he is.

Me: We had no idea that Harold was your brother. That's amazing.

Scarlet: It sure is.

Me: Your brother has been hit more times in the crotch on the show than any contestant we know.

Lincoln: I remember seeing that.

Nico: Ouch.

Me: I counted 15 times.

Nico: YICHIHUAHUAS! THAT IS NOT GONNA FEEL GOOD FOR HIS MANHOOD!

Qin: No kidding there! Owen got hit 11 times and Duncan got hit 7 times.

Rainbow Dash: That must've really hurt!

Nico: Of course, since Harold's with us, he can easily heal his manhood.

Me: That's true.

Aylene C.: But yeah that is true.

Littlefoot: I think it's funny too.

Me: You know what I would do to Evil Chris?

Nico: Kick him in the balls?

Me: That but with style. I would throw a spike ball right at him and have it explode in his crotch and blow his lower half of his body into a bloody mess.

We laughed at that.

Me: That would be awesome!

Lincoln: Good thing the curse I put on him won't let him die.

Nico: That's true.

Me: Man that fucking jackass is gonna get every ounce of pain and torture he inflicted on all the contestants of the show delivered right back at him 100-fold.

Eli: They say that Revenge is a Dish Best Served Cold.

Varie: And that is an absolute fact.

Lola: Yeah it sure is.

Nico: We did Captain Kirk a favor yesterday.

Nicole: We sure did. I have a feeling that he is gonna be really glad knowing that Kruge is dead forever. And given the Black Gates.

Mesa Florrence: Where was Kirk anyway?

Me: He's over in the Delta Quadrant of the Galaxy doing missions.

Qin: All the way out there? That's amazing.

Nico: Yeah.

Eli: Kirk has a lot of awesome adventures out there.

Nico: So he missed all the fun!

Eli: I know!

Me: We'll tell him all about it when we see him again. But I have a little surprise for him when we do.

Nico: Resurrecting his son?

Me: You know me too well Nico.

Nico: Yep. How much farther is it to the treasure?

Nicole: Not that far away. It's right in the volcano.

We went into the volcano and in the middle of a huge lake of lava we saw on an alter The Sword of Celestial Stars! It looked like the Celestial Sword MTG Card! But it wasn't the only one. The alter also had the Swords of War and Peace, Feast and Famine, Body and Mind, Fire and Ice, Truth and Justice, Light and Shadow, Sinew and Steel, and Hearth and Home.

Nicole: There it is!

Me: And it has 8 more swords too!

Nico: Wow!

Me: I think I know who would be perfect for the Duel Element Swords.

Mesa Florrence: And I'll be perfect for the Sword of Celestial Stars.

Nico: So, who gets the other Swords?

I looked at Camie, Kaoruko Awata, Ibara, Toru, Sirius, Tsuyu, Ochaco and Momo.

Momo: Wow we're honored to get those swords.

Sirius: I have a feeling this is gonna be awesome.

Mesa and the girls went up to the swords and then they pulled them all out! And then they got a massive and powerful increase in power and were imbued with all their powers!

Nico: Whoa!

Me: Awesome! How do you girls feel?

Camie got War and Peace, Toru got Feast and Famine, Ochaco got Body and Mind, Kaoruko got Fire and Ice, Momo got Truth and Justice, Ibara got Light and Shadow, Sirius got Sinew and Steel, and Tsuyu got Hearth and Home!

Camie: This is amazing guys!

Ibara: These swords are amazing.

Nicole: Way to go girls!

Nico: You all earned them.

Kaito: I hear something. Maybe it's the next Another Ranger.

Mesa Florrence: No I don't think so.

Suddenly, an insane figure came out and she tried to stab Mesa with a knife, but was sent flying with a kick by Lincoln, and we saw who the figure was: it was Mesa's former mother who broke the sacred bond between mother and daughter, became a Religious Fanatic and went insane.

Mesa Florrence: Mom, I should've known you'd be here as soon as word of you escaping reached us.

Nico: So she's your mother.

Mesa Florrence: Yep.

Mrs. Florrence: Shut up, you little demon! You have ruined everything for me, my reputation, my life, everything, and I hate you and your sister for that!

Mesa's aura flared up with incredible force!

Lincoln: You did all that to yourself the day you backstabbed your own daughter, became a Religious Fanatic, and went insane, you heartless witch! Which is why, when I marry Mesa in the future, you're not going to be in any part in my family! You deserve to rot in The Saturn Insane Asylum for the rest of your days!

We cheered wildly for what Lincoln said.

Rita: You tell her, honey. And your husband was right to kick you out of the house, Mrs. Florrence, you're selfish, heartless, abusive, horrible woman and you don't know how to show love to anyone including your own daughters!

Mrs. Florrence: No, no, I won't stand for this, I WILL KILL YOU BOTH FOR THIS, AND YOU WILL BURN IN HELL FOREVER!

Me: You'll have to go through us you insane bitch!

Mesa Florrence: Alright, that's it, I've had it up to hear with you for the last time, Mom!

Maria: Let's throttle this bitch!

Mesa Florrence: No Maria. This bitch is mine!

Me: Lets let Mesa handle this.

Suddenly, something within Mesa Florrence's mind snapped as memories of what her mom did came flooding out and her red eyes turned neon red, and she was suddenly surrounded by a green and yellow energy aura with darkness and moths, she unholstered her massive Scary Moth-themed greatsword from her back, and as she approached her former mother, she left green and yellow energy, darkness, and moths with every step.

Mesa Florrence: I thought you would've continued to love us despite finding out that I was really strong and Ella had Down Syndrome, but no, I saw the truth of when you refused to help Dad and you backstabbed us, not to mention that you became a Religious Fanatic and went insane. And you threatened to leave dad unless you gave us both up for adoption!? What kind of a fucking lunatic are you!? (Suddenly Getting Pissed Off) And because of what you did in backstabbing us and giving in to your religious fanaticism… , YOU'VE CROSSED A BIG FUCKING LINE WHEN YOU BROKE THE SACRED BOND BETWEEN MOTHER AND DAUGHTER, YOU HEARTLESS, INSANE, FANATICAL OLD WITCH, AND FOR THAT, I WILL MAKE YOU PAY FOR THIS… WITH YOUR OWN BLOOD!

We suddenly gasped at the extent of Mesa's fury towards her own mother.

Nico: Oh crap!

Lincoln: Mesa has years of pent-up anger and hatred towards her own mother for what she's done, and now, it's about to be let loose here and now! HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover, and Mesa Florrence screamed like a madwoman! And then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted out and she was surrounded by a massive vortex of green and yellow energy with darkness surrounding the vortex, there's Scary Moth flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Mesa Florrence emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mesa Florrence grew from 6'5" to 6'11" in height, she has the body of a goddess, she has ocean blue highlights in the bangs of her long flowing green hair with flower in her hair, she has neon red eyes and a green and yellow energy aura with darkness and moths surrounding her, she has Scary Moth with the Dark Kanji in its legs emblazoned on her forehead, she has on moth earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its legs, she also has Scary Moth with red gems for eyes and the Dark and Eternity Kanjis in its legs for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts with green moth-shaped Element of Harmony, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mesa Florrence has on a sleeveless yellow sports jersey top, yellow gym shorts, yellow sneakers, and long sleeveless yellow trenchcoat with darkness and moths on the coattails, and on the back is Scary Moth with darkness surrounding it. Suddenly, Mesa Florrence felt a sharp pain on her back, and then, her massive green angel wings grew much bigger for her new body, and the large green feathers have yellow tips on the feathers, and Scary Moth's wings also grew out from underneath her massive green angel wings. Mesa Florrence has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Mesa Florrence's massive Scary Moth-themed sword was surrounded by a kaleidoscope of green and yellow energy with darkness and moths, and when it emerged, it was transformed into Scary Moth's Darkness Moth Broadsword of Dark Moth Justice, it's a brand-new large broadsword with Scary Moth etched on the 7'0" massive, wide, double-edged red blade, Scary Moth's wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and large red gem surrounded by angel wings for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Scary Moth with red gems for eyes and a large green gem in its legs for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Scary Moth that said, "Mesa Florrence, Loving Daughter of Mr. Florrence, Destroyer of Mrs. Florrence, Loving Older Sister of Ella Florrence, Talented and Super Strong Athlete, Smasher of Ansey, Gene-Slammer of Scary Moth, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Moths and Darkness"

メサ・フロレンス、フロレンス氏の愛する娘、フロレンス夫人の破壊者、エラ・フロレンスの愛する姉、才能のある超強力なアスリート、アンジーの粉砕機、怖い蛾のジーン・スラマー、愛する守護天使、リンカーン・ラウドの未来の妻、いじめっ子の嫌悪者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして蛾と闇のマスター

Mesa Florrence has transformed into SUPER ANGEL ETERNITY INFINITY ATHLETIC DARKNESS MOTH ANGEL OF DARK ATHLETIC JUSTICE AND DIVINE DARK MOTH LOVE!

We were amazed by Mesa Florrence's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mrs. Florrence saw it, she went mad yet again.

Mrs. Florrence: DIE, SPAWN OF SATAN!

Mrs. Florrence tried to stab Mesa yet again with a knife, but Mesa Florrence fired a blast of green and yellow energy with darkness and moths and disarmed her, and then, she kicked her so hard, she'd sent her flying into a wall. When she got out, she was mondo pissed, but so was Mesa.

Lincoln: Wow, Mesa, you look beautiful. How do you feel?

Mesa Florrence: (Divine Echoing Cosmic Voice of The Athletic Darkness Moth and Divine Darkness Love) **I feel incredible, Linky. Now, shall we put a stop to my former mother?**

Lincoln: (Smiles) With pleasure, Mesa, and this time, your mother's going to get a new curse on her, and it'll plague her for the rest of her life.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Mesa Florrence.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your days of backstabbing your own daughters are finally over, Mrs. Florrence.**

Me: That's right Mrs. Florrence! YOU ARE THE TRUE SPAWN OF SATAN YOU MOTHERFUCKING DEMON!

Then Mrs. Florrence was shocked hearing me say that to her! BUT THEN SHE WAS SEEING RED!

Mesa Florrence and Lincoln went after Mrs. Florrence, and they fired powerful blasts of rainbow energy, green and yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Mermaids, Sea Creatures, Moths, and Angels at Mrs. Florrence, and they exploded with incredible power as they hit her. Then, Mesa Florrence and Lincoln chanted a powerful incantation and infused their massive broadswords with rainbow energy and they fired rainbow energy blasts at Mrs. Florrence, and it put her into an eternal sleep curse, but she'll be tormented by the memories of what she did in breaking the sacred bonds with mother and daughter forever. Lincoln and Mesa Florrence holstered their massive broadswords on their backs and powered down, and Mesa Florrence's new body, clothes, weapons, jewelry, and massive green angel wings and Scary Moth's wings are permanent.

Mesa Florrence: And this time, you're never going to torment us ever again. Thanks for helping me take down my so-called mom, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mesa.

Suddenly, Mesa Florrence wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Mesa Florrence's face, they kissed passionately as Mesa Florrence's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Scary Moth flying in the air, and a herd of Buffalo running across the field, along with elemental forces and moths flying behind them and we cheered wildly for them.

Nico: Awesome job out there, you guys.

Lincoln: Thanks, Nico.

Me: And that curse you used is the same one you used on those rapists who raped Grace Lorelai, right?

Lincoln: Yep, it's known as Epiales' Eternal Sleepless Nightmare

Vengeance Curse, this curse traps those who've destroyed the honor of a young girl by raping her and those who broke the sacred bond between mother and daughter in a state of eternal sleep forever tormented by the memories of their foul misdeeds, and since those rapists and Mesa's former mother refuse to repent, that shall be their fate for all eternity.

Me: Whoa! That is scary!

Nico: But it's very fitting for a blackhearted monster like Mesa's former mother.

Rita: Serves her right.

Lincoln beamed her body to the Saturn Insane Asylum, and she was chained to the wall of her cell with rainbow energy chains, and with the Epiales' Eternal Sleepless Nightmare Vengeance Curse on her, she'll be trapped in eternal nightmares for the rest of her life.

Then we heard moaning.

Maria: Mesa, don't go too comfortable. Something's coming!

Eli: I sense it. Now we have Another Ranger coming!

Then a figure came out and we saw a scary version of Liveman Red! This was the one from 1988! It was ANOTHER LIVEMAN RED!

Nico: Another Liveman Red!

Me: That's 1988's rangers!

Hiiryu: Oh man! If Yusuke saw this he would be pissed!

Me: Yeah! Yusuke Amamiya would be infuriated!

Laney: He sure would!

Nico: Who the fuck are you?!

Me: Yeah!

Another Live Red: (In a girls voice) Its been a long time J.D.

Me: (Gasp) That voice!

She reverted back and it was a girl with purple hair and she had rainbow crystal angel wings and had neon purple clothes as well as the kanji for Crystal Eagle emblazoned in the middle of her forehead.

結晶鷲

Me: (Gasp) Bridgette Wolfeschlegelsteinhausenbergerdorff!

Nico: WHOA! That is a long name!

Me: Yeah.

Bridgette: Awesome to see you again J.D.

Me: You too Bridgette. It's amazing that you are here too.

Nico: You know her J.D.?

Me: I sure do. She is originally from Germany but was raised in America. She and I went to school together and we were partners in science. We grew crystals together for some of our projects and we made some of the most beautiful crystal clusters ever.

I pulled out a photo of me and Bridgette from Middle School and we had one of the largest manmade crystal clusters ever made on a huge pallet.

Me: We hold the record for making the largest ever manmade crystal in the world. It was a blue quartz cluster and it weighed in at 15,000 pounds and was 20 feet wide and 14 feet tall.

Nico: WHOA! That is amazing!

Eli: It sure is! That was awesome bro.

Camie: Beautiful too.

Me: It was awesome and we were awarded the Guinness Book of

World Records title for holding said record.

Qin: That is incredible!

Varie: Boy it sure is.

Bridgette: Good times back then.

Me: They were. But before I was gonna start high school Bridgette disappeared. I haven't heard from her since.

Nico: And it's obvious that Swartz got her.

Me: Yep.

Nico: What did Swartz promise you?

Bridgette: He promised to give me the same level of power you guys have if I find and recruit that woman that broke out earlier.

Me: I'm afraid we beat you to the punch on that. But Mesa's mother was completely insane and she would not be a good member for Swartz's inner circle. She would kill him before we would get that chance on the big day on August 12th.

Bridgette: You're right on that. So his promise was all for naught.

Me: I wouldn't say that Bridgette. I have a much better offer for you than the one that Swartz offered. You can still get all our powers if you join us.

Bridgette: I would like that. But only if you beat me and free me of this awful power.

Me: Fair enough. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Bridgette: You learned a lot of new tricks J.D.

Me: You wouldn't believe everything we went through Bridgette.

Bridgette: Lets put it to the test.

She turned back into ANOTHER LIVE RED!

Nico: (takes out Hsi Wu's Ridewatch) Time to fight flying power with flying power.

Me: And to fight with spiciness.

Instead of a ridewatch I pulled out a jug of SUPER INCREDIBLY SPICY HOT SAUCE!

Nico: Hot sauce?

Me: Cajun Fox's awesome recipe.

It was called CAJUN FOX'S EEAAARRRRRRRR! HOT SAUCE!

Nico: WHOA!

Me: Watch.

I guzzled it down and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosive jet of fire exploded out of my mouth and it hit her and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! That is lethal!

Me: Daphne, Fred, Shaggy and Scooby tried some of a sauce like this and it blew their mouths open with intense fire.

Nico: Wow! What about Velma.

Me: Believe it or not, she wasn't affected by it at all.

Nico: WHAT!? HAS THE WORLD GONE MAD!?

I laughed.

Me: (Laughs) I had that first reaction too! But she liked it. She is a true spice demon.

Nico: Nice! (Activates Hsi Wu's Ridewatch)

He grew his wings and tail and flew at Another Live Red and slashed at her but she blocked the slash with a Liveman Weapon imbued with the powers of Swordsman! It was a sword!

Nico: Whoa! She has weapons for Liveman imbued with the Core and Non-Core M.O.E. Members!

Me: Wow! That is gonna be awesome!

Nico: Almost, Bridgette. But almost doesn't get the job done!

He jumped back.

Me: Now for the true spice. (Activates Cajun Fox's Ridewatch)

We got HOT SAUCE SQUIRT GUN PISTOLS!

Nico: COOL!

Me: Hey Bridgette, I should warn you that over the years many of us have turned into insanely powerful and spicy Spice Demons. We can handle the hottest peppers in the entire universe.

Another Live Red: I'm ready for you!

Me: You asked for it!

We fired waves of hot sauce and then she revealed her true face and opened her mouth and guzzled the hot sauce down.

Bridgette: Ahh! Delicious.

Me: It's gonna hit ya!

But then there was a rumble!

Nico: Uh oh!

Eli: EVERYONE TAKE COVER!

WE ducked behind a rock and then Bridgette screamed and FIRE EXPLODED OUT OF HER MOUTH AS SHE TOOTED LIKE A REALLY LOUD STEAMWHISTLE!

TTTTTTTTTTTTOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She tooted like that for 30 seconds before she landed on the ground in a flop! But then she got up.

Nicole: Okay that was funny!

Nico: Wait. Another Rangers can take their helmets off?

Me: They are human underneath.

Nico: True.

Me: But I guess Swartz decided to run some tests.

Nico: Yeah.

Another Live Red got up.

Me: You okay Bridgette?

Bridgette: That was intense!

Nico: Cajun Fox makes really awesome Cajun Food.

Me: Yep.

Bridgette: I like it.

She put her helmet back on.

Another Live Red: Now try this.

She pulled out a blaster and it was imbued with the powers of Scooby Snax Monster!

She fired waves of batter and it hit me in the face. I licked it off.

Me: (Slurps) Yummy!

Scarlet: You get that hit for free.

Me: But that was a tasty one.

Scarlet: True.

Me: Lets see how you like this one. (Activate's Frictor's Ridewatch) I'm gonna rub you out!

I rubbed my hands together really fast and fired a heat ray from them and it hit Another Live Red and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice one!

Me: Yeah!

Zocks: (gets out Liveman gear) This is perfect for defeating you!

Kaito: (Gets out Maskman gear) These gears were actually used on the same day the first time they were used.

Zocks got the Liveman Sword and Kaito got the Maskman Sword.

Nico: Very coincidental!

Reggie Hjorleifsstræti: (Icelandic Accent) But lets see how you like this! (Activate's Tiamat's Ridewatch)

She fired a wave of lightning and it hit Another Liveman Red and electrocuted her.

Reggie then fired a wave of black acid and Another Live Red formed a rock wall with a hammer imbued with Stonedozer's powers and the acid hit the wall and dissolved it into a crater!

Nico: GEEZ! That's strong acid!

Me: Tiamat really has lethal acid.

Reggie Hjorleifsstræti: That's right she does.

But then another wave of Black Acid was fired from out of nowhere and it hit Another Live Red and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it!

Nico: Nice one Reggie!

Reggie Hjorleifsstræti: That wasn't me!

Eli: It was from that!

We saw a Black Chromatic Dragon!

Nico: Whoa!

Laney: A Black Chromatic Dragon!

Black Chromatic Dragon: (In a girls voice) Looks like I got here just in time!

Nico: Colleen Noirmoira! Wow!

She landed and reverted back and she was a girl with black hair and black clothes and green eyes.

I went over to Bridgette after we picked up all the weapons and picked her up.

Me: Bridgette are you all right?

Bridgette saw me and smiled. But then…

BBBBBBBBBUUUUUUUUUUUUUUUUURRRRRRRPPPP!

She belched really hot smoke and fire in my face and burned off my eyebrows!

Me: WHOA! Hot hot hot hot hot!

Bridgette: Sorry.

I picked her up and carried her.

Me: But it's great you're back Bridgette.

Bridgette: Same here.

Me: I got this.

I put my thumb in my mouth and blew on it and then regrew my Eyebrows.

Bridgette: Wow that was awesome.

Scarlet: (laughs) Looks like Bridgette got the last laugh!

Me: It's the hot sauce. Bridgette has been the toughest spice demon I know and she loves spicy food just as much as me.

Nico: (Laughs) That's true.

Colleen Noirmoira: But that was funny though.

Scarlet: It sure was. What's your favorite memory of Nico?

Colleen Noirmoira: I have a lot of them but my favorite is when me and Nico were in science class and we saw a bully girl about to pour sulfuric acid down a kids throat and kill him. But I fired black acid into her eyes and burned them and permanently blinded her and she got arrested, expelled and sent to prison for attempted murder.

Nico: That was awesome.

Me: Serves that douchebag right.

Lola: Yeah!

Nico and Colleen hugged.

Nico: I've really missed you.

Colleen Noirmoira: Me too Nico.

Nicole: But this was an awesome and REALLY funny treasure hunt and battle.

Camie: It sure was. We busted Mesa's mom and saved Bridgette.

Qin: We sure did.

Nicole: Wait what was that bully's name?

Colleen Noirmoira: Her name was Brenda Killerburg.

Nicole: Whoa! I remember her.

She pulled out a wanted poster of her and she was a really tough girl with a REALLY NASTY AND MEAN DISPOSITION!

Nicole: She was wanted for numerous assault and battery offenses and she was wanted in 14 districts in New Jersey.

Nico: Whoa man! I had no idea she was that dangerous.

Nicole: She is INCREDIBLY dangerous Nico. She is what we call The Devil in Human Skin. She is pure evil.

Qin: Whoa man! I remember Brenda! She was a monster!

Me: That girl is pure evil!

Nico: Yeah. But we got the treasure here. Lets head home.

We went back home.

* * *

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish

Ancestors, and Emerald Goldenbraid are heading to the alleys of Great Lakes City, and not only is Lincoln going to rescue the eleven girls here, but we're also going to take down the Great Lakes City Alley Cats and get them recruited into The Masters of Evil.

Lincoln also called Top Cat, Fancy Fancy, Spook, Benny the Ball, Brain, Choo-Choo, Sylvester, Furrball, Sylvester Jr., Heathcliff, Sonja (Heathcliff), Hector (Heathcliff), Wordsworth, Mungo, and Cleo for this one.

Lincoln: Whoa, we're here in the alleys of Great Lakes City, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're also going to take down the Great Lakes City Alley Cats and get them recruited into The Masters of Evil.

Nico: That's right, big guy. But, we need to watch it, there's no telling what lurks in every dark corner of this alley.

Ronnie Anne: Oh, we already know what lurks in those alleys: the cats of Great Lakes City. They've attacked us who knows how many times, and we're also going to need to convince the head honcho of those cats, Mr. Wiggles, to join The Masters of Evil.

Lincoln: Luckily, I've brought plenty of anchovies for this one, Ronnie Anne. And I want to thank you, Top Cat, Fancy Fancy, Spook, Benny the Ball, Brain, Choo-Choo, Sylvester, Furrball, Sylvester Jr., Heathcliff, Sonja (Heathcliff), Hector (Heathcliff), Wordsworth, Mungo, and Cleo for joining us, Emerald.

Emerald Goldenbraid: You're welcome, Lincoln, this is going to be one awesome rescue.

Sylvester: And we've also got to watch ourselves here, it's not just those alley cats that are here, but now that Sancho and his party bird gang know we're here, they'll try anything to get revenge on us for taking Sergio to trial and forever terminating their wild parties.

Top Cat: That Sancho just doesn't know when to quit.

Choo-Choo: No, he doesn't, T.C.

Lincoln: If Sancho tries anything, we'll be ready to kick his feathers.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eleven girls calling for help, along with the sound of yowling in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by the Great Lakes City Alley Cats, and they're going to maul them. And as if that wasn't enough, Sancho and his party birds are heading after us with firecrackers and explosives to get revenge on us for taking Sergio to trial for his wild partying and crimes.

Lincoln: Guys, I found the eleven girls, but they've been cornered by the Great Lakes City Alley Cats, and they're going to maul them. And as if that's not enough, Sancho and his party birds are heading after us with firecrackers and explosives to get revenge on us for taking Sergio to trial for his wild partying and crimes.

Nico: What?! Why, that dirty, little… !

Just then, we saw something fly in and fire powerful gusts of wind at Sancho and his party birds and it knocked the explosives and firecrackers out of their hands and knocked them into a wall, and then, it came here with Sancho and his party pals. It was the Duel Monster, Simorgh, Bird of Sovereignty.

Nico: Wow, that's Simorgh, Bird of Sovereignty.

?: (Girl's voice) That'll teach you, you dirty pigeon.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Natalie Hathaway, but we'll talk later, let's save the girls before those cats maul them.

We then rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at the Great Lakes City Alley Cats who scattered, and it allowed the eleven girls to get to safety. When the Great Lakes City Alley Cats saw us, they yowled and screeched in anger, and they were about to get us, but TLPS Mr. Wolf got in the way.

TLPS Mr. Wolf: HOLD IT!

This got the cats to stop, and then, a green scruffy-looking cat with one good right eye and closed left eye, a white belly and muzzle, bandage on his tail, and a yellow hat on his head came out, it was Mr. Wiggles, the leader of the alley cats.

Top Cat: Now, we know you all have caused a lot of trouble for The Casagrandes, but we're here to offer a deal: you and your gang join The Masters of Evil, and we also got these to help make this an offer you won't refuse.

Mr. Wiggles saw the anchovies Lincoln got out, and he and the other Alley Cats agreed, and they got their anchovies, but they'd remain here in Great Lakes City to keep the rat population under control.

Sylvester: I'll tell Vypra that she's got some new members for The Masters of Evil. But, what about Sancho and the rest of those party animals?

Lincoln: You're right, Sylvester. We can't let Sancho and those party birds go not after what they tried to do with their little attack.

Just then, Mr. Wiggles came up to Lincoln and whispered in his ear of what we can do to Sancho and the rest of those party birds, and when we looked at Sancho and his party birds with a smirk on our faces, it meant he was in big trouble. We then threw Sancho and the party birds in with the monkeys there, and they were given a pretty hard time for all the stuff they caused.

Lincoln: Now, that was one awesome rescue, and not only does The Masters of Evil have some new members, but Sancho and his party birds got their just desserts for attempting their little attack on us. (To Natalie Hathaway) And it's so good to see you again, Natalie Hathaway.

Natalie Hathaway reverted back to normal, and she's a beautiful girl with long flowing light green hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful green angel wings, and she reigned in the power of Simorgh, Bird of Sovereignty, and she's dressed in an sleeveless light green vest, sleeveless dark green top, long green skirt, dark green bellbottom pants with light green designs, dark green sneakers, and long sleeveless dark green trenchcoat with winds and birds on the coattails, and Simorgh, Bird of Sovereignty on the back, and holstered on her back a large Simorgh, Bird of Sovereignty-themed greatsword with Simorgh, Bird of Sovereignty etched on the 7'0" massive, wide, double-edged dark green blade, Simorgh, Bird of Sovereignty's wings for the crossguard, large dark green gem embedded in the rainguard, longer black handle, and a large dark green gem surrounded by angel wings for the pommel.

Natalie Hathaway: You too, Lincoln, it's been a long time.

Lincoln went up to Natalie Hathaway and they hugged, and Natalie Hathaway's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Natalie Hathaway: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Natalie Hathaway, she's my Guardian Angel from Nebraska, she's a powerful girl who was born with immense cosmic powers over winds and she has the power to talk to birds.

Me: Wow, that's really awesome.

Lincoln: It sure is, and she's defended me many times from Lisa's cold-hearted fury and sick experiments, and there's a story that's pertains to one of the times she's defended me from Lisa.

Nico: This is something we're really going to hear.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Natalie Hathaway's neck with dark green gems on the gold thunderbolt links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Natalie Hathaway: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Natalie.

Natalie Hathaway had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Natalie Hathaway's waist and Natalie Hathaway wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Natalie Hathaway's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw them, he recognized them immediately. The eleven girls are Ash, Saati the Dark Elf, Inara, Betty La Bomba, Cassie, Imani, Lian, Kinessa, Octavia, Io, and Vivian from Paladins.

Lincoln: Oh wow, it's Ash, Saati the Dark Elf, Inara, Betty La Bomba, Cassie, Imani, Lian, Kinessa, Octavia, Io, and Vivian from Paladins.

Nico: Whoa, that's awesome!

Lincoln: Are you girls okay?

Saati the Dark Elf: Yes, we're okay, thanks to you.

Then, when Saati the Dark Elf and the other ten girls saw who it was that saved them from the Great Lakes City Alley Cats and Sancho and the party birds, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his

Ash (Paladins): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ash (Paladins): (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Ash, Saati the Dark Elf, Inara, Betty La Bomba, Cassie, Imani, Lian, Kinessa, Octavia, Io, and Vivian with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villains we went after were the Great Lakes City Alley Cats, and as if that wasn't enough, Sancho and the rest of those party birds came after us to get revenge on us for what we did taking Sergio to court for his party animal lifestyle and crimes last year.

But, when Lincoln showed what we did in offering Mr. Wiggles and the rest of the Great Lakes City Alley Cats anchovies and a place in The Masters of Evil which they offered and what Natalie Hathaway did in foiling Sancho and those party birds and us tossing them into the monkey cage, where they got the mongrelizing of their lives, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Natalie Hathaway have a lot of catching up to do, now that she's back in town, and Sancho and his party birds got out of the Great Lakes City Zoo, but now, they're on thin ice with us, and so was Sergio.

---

After our little rescue in Great Lakes City, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Natalie Hathaway saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Natalie Hathaway: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Natalie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Natalie Hathaway: That's incredible.

Nico: It sure is. So, Natalie, what's the story of how you defended Lincoln from Lisa's cold-hearted fury and sick experiments?

Natalie Hathaway: Now, that's something I'd never forget. One day, Lincoln and I were doing a bird-hunting assignment for class, and we were documenting every bird we've spotted throughout Royal Woods, from the forests to the creek in Tall Timbers Park. But, our assignment was interrupted when we saw some of the rare birds in Michigan getting kidnapped and tortured by Lisa and her robots, and she was causing havoc, and when we arrived, we ordered her to let those birds go now. But, she said that it's for science and she ordered her robots to seize us, and then, she got out a laser and she was going to use it to vaporize us for getting in the way of her research and experiments. But, Lincoln and I got freed from Lisa's robots, and we fired powerful blasts of wind and shredded her robots to shreds and destroyed her laser. This angered Lisa and she got out a scalpel to stab us, but Lincoln fired a blast of wind and trapped her in a sphere of wind. We then called Mr. and Mrs. Loud and as soon as Vanzilla got here, we told Mr. and Mrs. Loud what Lisa did and what she was about to do to us, and Lisa got grounded for five weeks. The next day, we got an A on our project, and we also got some medals from the school for what we did in protecting the birds and the environment from Lisa's sick experiments and cold-hearted fury.

We all cheered wildly for what Natalie Hathaway and Lincoln did to save the birds and environment from Lisa's sick experiments and cold-hearted fury.

Laney: That was a day none of us could forget. Lincoln and Natalie not only stopped Lisa, but they also saved the environment and the birds from her sick experiments and cold-hearted fury.

Lori: And when Lisa saw their achievement in what they did in ruining her so-called "research", she was so furious she swore and out loud in public that she'll one day get her revenge on Lincoln and Natalie. But, her wrath got her in big trouble, and got her butt sent to Aunt Ruth's for three months.

Nico: Sheesh, it's bad enough that she once saw humans as test subjects, now she moved on to seeing animals as test subjects, that's just evil.

Luan: Lisa refused to give up her so-called "research" and still sees everyone and everything as test subjects, and it made it harder for Lincoln to even forgive her, because she was stubborn as an ox and blind to her own ambitions. But, she would eventually be forgiven after her time at Aunt Ruth's.

Lincoln: Yeah, she did apologize and she also vomited from eating nothing but moldy pudding that Aunt Ruth had.

Nico: Gross.

We got a shower afterwards, and then, Marucho Marukura and his new girlfriend Strawberry Sunrise are getting ready to head to Lake Lamode, and joining them are Dan Kuso and Runo Misaki, Kento and his new girlfriend Aria Blaze, Cye and his new girlfriend Sonata Dusk and Sage and his new girlfriend Adagio Dazzle.

Marucho, Dan Kuso, Cye, Sage, and Kento were dressed in swim trunks in their favorite colors, colored sandals, jewelry, and they had their weapons holstered, Strawberry Sunrise, Runo Misaki, Aria Blaze, Sonata Dusk, and Adagio Dazzle were dressed in two-piece bikinis in their favorite colors, sandals, jewelry, and they had their weapons holstered in case of trouble.

Marucho: Alright, everyone, are we ready?

Strawberry Sunrise: We're ready.

The gang left the World Tree Estate, and they arrived in Lake Lamode.

Dan Kuso: Wow, so this is Lake Lamode, it's really awesome.

Marucho: It sure is, and Lincoln and his harem have been here more than once.

Runo Misaki: And I can see why, this underground place is really amazing.

The gang began swimming throughout Lake Lamode and they saw all of the sights there, and they were all amazing. Then, they checked out the places inside the domes and they also had lunch in there as well. Then, as the sun was about to set, Marucho, Dan, Cye, Sage, and Kento went up to Strawberry Sunrise, Runo Misaki, Aria Blaze, Sonata Dusk, and Adagio Dazzle, and they wrapped their arms around the girls' waists, and the girls wrapped their arms around the necks of the boys, and then, they shared an amazing and passionate super-charged kiss. Then, they came back home to the World Tree Estate, and back in their original clothes.

Nico: Hey, guys, how was your date?

Adagio Dazzle: It was so awesome, Nico, we went to Lake Lamode.

Nico: I knew it. Me, Lincoln, and J.D. have been there more than once on our dates with our harems.

Lincoln: And I'm going to guess you guys had fun checking out the sights, right?

Marucho: Yep, they were amazing.

Runo Misaki: They sure are.

Just then, The TLPS Bad Guys gang came back inside, and they had feathers on them.

Nico: And you guys just missed it, The TLPS Bad Guys gang went after Sancho and his party pals who tried to throw a stink bomb at us. But, we stopped their attack, but boy, were they mad.

TLPS Mr. Piranha: That Sancho's going to go too far one day.

TLPS Mr. Snake: Yeah, that party animal's a big time rulebreaker.

TLPS Ms. Tarantula: How Sergio puts up with that guy, I'll never know.

TLPS Mr. Wolf: Well, I certainly don't want to know.

Lincoln: Here, let me.

Lincoln made a light breeze, and it got the pigeon feathers off the TLPS Bad Guys Gang.

TLPS Mr. Wolf: Thanks, Lincoln.

Me: Looks like we're going to need to keep an eye on Sancho from now on.

Nico: Along with Sergio.

Eli: No need, I'm already on it.

Eli was going to keep a close eye on Sergio, and if he finds out that parrot's up to something not good and he's plotting with Sancho, he tells us and we get the Chancla on him.

---

Later it was time for Qin and Mike's Bonding time and we were having it over in the MTG World in the Grove of The Dreampods. It was gonna be a picnic for Mike and Qin.

Me: So this is the Grove of The Dreampods. It's beautiful.

Fluttershy: Oh it most sure is.

Nico: Qin, you and Mike Chilton are up for some bonding.

Qin: I'm really looking forward to this.

Ronnie Anne: And my Abuela made you guys a really awesome picnic lunch for you all.

Me: Mike you're going to love Ms. Rosa's cuisine. She makes really awesome food just like Mr. Lynn does.

Mike Chilton: I can't wait to try some.

Lincoln: Oh it's some of the best.

Me: Yep.

Qin: Well we're going to have fun. We'll be over here while you guys face Another Rider if one comes.

Me: Okay.

Me and the rest of the team looked for the treasure.

Mike Chilton: Qin, remember when you and I met?

Qin: Boy I sure do. That was so fun. And we were only a short hop away from you guys from the city.

Mike Chilton: That was awesome. And Gotham Royal York and the estate was not that far away.

Qin: That was perfect. And the coolest part was that J.D. knew you and your team and helped you guys beat Abraham Kane before.

Mike Chilton: That is for sure. And that was so awesome.

Qin: It sure was.

Mike Chilton: At least Red put up more of a fight than Kane did. Heck, he even managed to catch Disk Wars Cap's shield.

Qin: That was really amazing. And now Red is in our Frenemies. We just got to find the right archenemy for him.

Mike Chilton: I agree there.

Qin poured him some of Rosa's soup called Caldo de siete mares.

Qin: Try some of Rosa's soup. It's called Caldo de siete mares. That's Spanish for Soup of The Seven Seas. It's a traditional Mexican Soup.

Mike Chilton: Sure.

He tried some and man of man was it great!

Mike Chilton: Oh wow! That is delicious!

Qin: Yeah it sure is!

Back with us we were looking around for the treasure.

Nico: So what is the treasure we're after this time?

Nicole: You'll like it Nico. It's called the Sword of The Fireheart Diamond. It's a powerful sword that has a blade of really intense fire and when this is put into the sword…

She pulled out The Fire Diamond! Just like on the MTG Card!

Luna Loud: Wow! The Fire Diamond!

Nicole: Yep. When it's combined with the sword it makes it more powerful than any weapon we have. But not your sword dad.

Me: Wow! That is amazing!

Nico: Who should pull it out?

Bridgette: I will.

Me: Awesome.

Emily (GF): This is gonna be awesome.

Nicole: Yep. First we have to find it. According to the map and our bracelet it's 500 meters up ahead of us.

Nico: Then lets go.

We pressed on.

Bridgette: By the way Nicole how did you know all about Brenda's criminal history?

Nicole: I'm more than just a treasure hunter. I'm also a bounty hunter. I go after bullies.

Me: It's true Bridgette. Nicole has captured many of the country's most dangerous and fierce bullies and sent them to prison for amazing amounts of money.

Bridgette: Wow! That must be worth it.

Eli: Oh it sure is. Bounty Hunting is very profitable.

Twilight Sparkle: It sure is.

Back with Qin and Mike they were having a great lunch and a great talk.

Qin: I wonder how the others are doing.

Mike Chilton: I'm sure they are doing good. I hope Chris is not too jealous about me hanging with you.

Qin: No I told him that we have a sibling bond and he is cool with that.

Mike Chilton: That's a relief.

Qin: Yeah. But Mike I'm really glad that Kane is in prison where he belongs.

Mike Chilton: Me too. The world and all of Detroit is now a much safer place without Kane ruining everything.

Qin: I agree there. But it was also so awesome how you helped us during the big mission with Izuku and friends.

Mike Chilton: That was really awesome.

Qin: And you guys faced Dabi.

Mike Chilton: We sure did. That was awesome.

Qin: And now he's in the M.O.E.

Mike Chilton: He sure is.

Back with us we were still searching until we got to a clearing and we saw in a rock a bright red sword with a glowing blade and it had a phoenix on the sword.

Nicole: There it is! The Sword of The Fireheart Diamond.

Nico: Wow!

Me: Go for it Bridgette.

Bridgette went up to the sword and then she grabbed it and pulled it out and then it glowed neon red and she was enveloped in a vortex of fire and then she had fire envelop her wings and she was turned into a FIREWING CRYSTAL ANGEL!

Nico: WHOA!

Me: Wow! How do you feel Bridgette?

Bridgette: Incredible.

Nico: That is awesome.

But then Eli sensed trouble.

Eli: We've got company!

A figure came out and it was ANOTHER AGITO!

Me: Another Agito!

Nico: Uh oh!

Eli: 2001's Kamen Rider!

Me: Boy if Shouichi Tsugami saw this he would be mondo pissed!

Nico: No shit there.

Me: Yeah.

Woz: This is not like the Another Agito that started a zombie like outbreak before.

Me: I remember seeing that! That was horrible!

Nico: It sure was! All right you Agito rip-off artist! Who are you!?

Another Agito: (In a girls voice) I think you might know Nico!

Nico: (Gasp) That voice!

It reverted back and we saw that it was a girl with blond hair and had black clothes on and she had a nasty burn scar on her right arm.

Nico: (GASP) Serenity Callisburg!

Serenity Callisburg: Been a long time Nico.

Nico: 7 years to be exact. You haven't changed very much though. I see the arm I burned on you is still very burned.

Me: I take it you have a really bad history with her?

Nico: You could say that J.D. Serenity was a bully that I reformed. She was one of the meanest girls in our entire school. But me and

Qin saved her from herself. She was venting her rage and hate out on everyone because her father raped and sodomized her to the brink and he threatened to kill her if she told anyone.

We gasped in shock and horror!

Nico: But we gave her the courage to stand up to her so-called dad and she turned him in and he was executed for his crimes.

Me: Good riddance.

Qin then sensed something.

Qin: Wait. I think an Another Rider just found the others!

Mike Chilton: I agree. Lets go help them out!

Qin: Right.

She and Mike cleaned up everything and went to help us out.

Serenity Callisburg: It's good to see you again though Nico. I will always be forever grateful to you and Qin for saving me from myself.

Nico: It was our pleasure.

Qin and Mike came.

Qin: Guys are we under… (GASP) Serenity!

Serenity Callisburg: Qin! Wow you have changed a lot.

Qin: Wow and so have you. So you're Another Rider now?

Serenity Callisburg: Yes I am. Swartz offered to give me as much money as you guys all have if I would bring him the sword.

Me: Looks like we already got the sword before he could. But I take it you know that he is lying to you?

Serenity Callisburg: Yes I do.

Me: That's good. But you know that we still have to fight.

Serenity Callisburg: I do know that.

Nico: Take your best shot at us then.

Serenity Callisburg: With pleasure!

She reverted back to Another Agito!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: And beyond a shadow of a doubt you will have weapons imbued with the core M.O.E. members.

Another Agito: That's right.

Me: This is gonna be awesome.

Nico: It sure will.

Woz: At least you do not have the power to turn people into zombies versions of yourself.

Another Agito: That is true.

Me: You wouldn't believe what happened with that.

Qin: We'll save you from this monster that you turned into. (Activates Zamigo Delma's Ridewatch)

She got his blasters!

Qin: These blasters are awesome and badass.

Nico: That's one of the best features I love about Zamigo Delma. His blasters are some of the most badass ever.

Me: That's for sure.

Coloratura: And I'm so honored to have him as my archenemy.

Qin: Yep.

Another Agito charged at us.

Qin blasted Another Agito all over with her blasters and blasted her all over.

I then activated my Arsenal Ridewatch and got Donkey Kong's Coconut Shooter and a watermelon bazooka

Me: Try this on!

I fired coconuts and they hit Another Agito in her face!

BONK BONK BONK BONK BONK BONK!

Patrick: DA HA HA HA! THAT GUY GOT HIT IN THE HEAD WITH 6 COCONUTS!

I fired a bunch of watermelons and smashed Another Agito all over.

Nico: She's activating a Legend Weapon!

Another Agito pulled out a LORD DRAKKON BROADSWORD!

Me: Just as we surmised!

She went at me and we clashed and I slashed her all over and fired waves of blue fire and burned her all over.

Lola: YEAH!

Eli: Try this on!

Eli fired a blast of Force Lightning and electrocuted her.

Me: At least it's not an enemy of yours Nico.

Nico: Thank goodness. Former enemy actually.

Qin: Yep.

Nico pulled out a Broadsword for Madame Woe.

Nico: YEAH!

Nico fired an energy blast from it and the blasts hit Another Agito and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Tara: Let me finish up here for us. (Activate's Lexaeus's Ridewatch)

She got his Axe Sword and then she fired waves of boulders and smashed Another Agito all over and then jumped and slashed her and then Another Agito exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

She was down and I caught the Ridewatch and purified it.

Me: YEAH!

Beast Boy: Nice job Tara!

Qin: Yeah!

Qin and Nico went over to Serenity and she was weak but okay.

Serenity Callisburg: What happened? (Groans) What a headache.

Nico: You're all right Serenity.

We picked up all the Core Weapons she had.

Nico: You okay?

Serenity Callisburg: Yeah. Just got a really spinning headache.

Qin picked her up and carried her.

Nico: But at least you're okay.

Qin: That's for sure.

Maria: Yeah.

Qin: But this was awesome bonding with Mike here.

Mike Chilton: It sure was.

Nico: And we got another treasure and took down Another Rider to boot.

We later went back home.

---

Meanwhile at the local gas station that used to be Flips Food & Fuel, we rebuilt it and made it a safer and healthier place and we call it the Phoenix Fuel and Snack Stop. It was much better than Flip's.

Cicadacon: Never thought I'd see you guys at a gas station.

Poromon: We thought it was awesome.

Me: Just as long as you don't drink gasoline.

Qin: Yeah that stuff is poisonous.

Nico: YUCK!

Me: Yeah.

Poliwag: Don't worry we won't.

Homer: It can't be that bad.

Me: Don't even think about it Homer.

Qin: Yeah it will destroy you.

Bart: The last thing we want is for you to croak on us home boy.

Homer: WHY YOU LITTLE!

He strangled Bart!

Then…

WHAP!

Eli bashed Homer on his head and knocked him out.

Me: I was just kidding.

DING DING!

Eddy: CUSTOMER!

Ed: HEP HEP HEP HEP HEP HEP!

We saw an old car and it was that of Flip and driving it was a jerk we all don't like at all!

Me: Oh great. Not him.

Nico: Ernesto Flippington. Flip's Cousin.

Aligned Megatron: May we help you?

Ernesto Flippington: Fill her up.

Me: You got it.

The Mascots then got to work and they put a remote detonator bomb under his car. 3 pounds of C4.

We gave him the works and more and it was gonna be awesome.

The mascots gave me the detonator.

Ernesto gave us a huge bag full of money for a job well done.

He left.

Optimus: I think that's a safe distance.

Me: Yep. Fire in the hole!

BEEP!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

His car was blown into a flaming mess!

Later Ernesto was in a hospital bed wrapped in a full body cast.

Flip was really pissed that his cousin was hurt and we pinned the blame on him.

Trent Fernandez: (to the mascots) You guys should get paid.

Poliwag: I agree.

I gave them some money for their awesome job.

Qin: That jerk had it coming.

Me: Yep.

Nicole: Now it's time for number 3 of our treasure hunts for the day.

Then Ice Demon, 10,000 Volt Ghost, Koragg, Angel, Saix, Molten Man, Black Manta, Doc Ock, Sportsmaster and Killer Croc appeared.

Doc Ock: We saw the explosion. Are you guys…

Me: No it's not us. It was for Flip's stupid cousin Ernesto. We hate that guy with a passion.

Doc Ock: Good. I don't like that guy either.

Me: Yeah.

Demolishor: Boss, which Gene Slammer do you think you'll meet next?

Me: I think we pretty much know the answer to that one.

Maria: Yeah Nico said he's going after the Black, Blue, Green, White and Red Chromatic Dragons in that order.

Nico: Yep. So next is Blue for Lightning.

Qin: This will be awesome.

Colleen Noirmoira: It sure will be awesome to see.

Lola: Yep.

10,000 Volt Ghost: You think we'll meet any Azure Fleet Admirals today.

Nico: I don't think so. But it would be cool if we did.

Nicole: Well lets head on out.

King Kai: (Telepathically to us) Nico! Can you hear me!?

Nico: King Kai! Yes I hear you. Is something wrong?

King Kai: I'm afraid you're not going to like what I have just found out. The enemy of Prince Ren and his crew, The Darkdweller has returned and he is in the world of Magic The Gathering to get revenge on you guys for destroying him.

We gasped!

Nico: Oh man!

Me: Not good!

Ren: Noijitat! I thought he was gone for good!

Me: So did everyone else.

Camie: Remind me again. Who is the Dark Dweller?

Me: You would not like this guy one bit, He was the monster that tried to destroy all of Mer with the Dark Water.

I went over his history.

* * *

The Dark Dweller, master of the Dark Water, was an evil being that resided within the Chamber of Lost Souls at the center of Mer, where the evil liquid is spawned. The Dark Dweller himself seems to be made of Dark Water, implying that the Dark Water is not so much under his control, but a part of him and an extension of his horrible will (either that, or he is an evil spirit who inhabits the Dark Water and can bend it to his will).

The Dark Dweller seems to keep to himself, content to let his minions, Morpho and the Dark Disciples, and the Dark Water itself do his work for him. It was mentioned by Bloth at one point, however, that sometimes sailors could see the Dark Dweller's face reflected in the surface of patches of Dark Water, and that to see it was a bad omen.

Originally, both he and the Dark Water were trapped in their domain by the seal of the Thirteen Treasures of Rule, but after a time the Dark Dweller became powerful enough to cause a rift in the ocean bed, allowing the Dark Water to begin seeping out, thus beginning the Year of the Black Tide. He then sent Kiroptus to scatter the Thirteen Treasures across Mer, so that nothing could stop him from enveloping all of the world in the Dark Water.

When Tula fell into some Dark Water and was sucked down into it, the Dark Dweller spared her life, keeping her alive in his domain so that he could use her ecomantic powers to lure Ren there, in the hopes of stealing the first seven Treasures of Rule. He took on Tula's form in an effort to persuade Ren to give him the treasures, but his treachery was revealed when "Tula" didn't know exactly where Ren kept them (they were in his pouch).

He then tried to make a bargain with Ren: one treasure in exchange for Primus' soul. But, like Tula, this "Primus" was merely the Dark Dweller in another form, and Ren drove the monster away with the combined powers of the seven treasures. Weakened severely, the Dark Dweller was forced from then on to rely entirely on Morpho and the Dark Disciples to get his loathsome work carried out.

* * *

When I was done everyone that hadn't heard about him was shocked!

Qin: He was a monster.

Camie: My God! He is pure evil!

Nico: Yes and everyone faced him on the planet Mer before I joined the team.

Lola: That was amazing.

Icepick: Except me and my fellow Cybertronians.

Me: Nor the Robot Masters. They weren't with us when that happened.

Eli: I wasn't there either.

Me: Many of us weren't with us.

Nico: That's for sure. But if the Darkdweller is there in the Furnace Layer then we're going to be in for big battle.

Laura Wynn: If Morpho's former master is back then we're going to need the 13 Treasures of Rule to destroy him once and for all.

Nico: I agree Laura. After everything he did to the planet Mer we're going to need them. And we're going to give that accursed cancerous freak of nature the black gates.

Ren: I agree too Nico. That monster has tormented Mer and many others for far too long.

10,000 Volt Ghost: That is for sure.

Me: Yeah.

Nico: Lets head on out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than our old enemy, Sarabeth, and that murderous witch has come back from the dead to not only kill Evan and Kathyrn again, but she also wants revenge on all of us for ruining her murderous plans. hen we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like this person one bit: the dark energy signal I sensed belongs to our old enemy, Sarabeth, and that murderous witch has come back from the dead to not only kill Evan and Kathyrn again, but she also wants revenge on all of us for ruining her murderous plans.

We gasped in shock.

Nico: What? That murderous witch has come back?! I thought we'd never see her again after we destroyed her and her Monster Blood.

Evan: Should've known she'd one day come back.

Kathyrn: She's a murderous monster who doesn't know when to quit.

Luna Anderson: But, there's only one thing awaiting her: The Black Gates.

Lincoln: That's right, and this time, we're going to make sure that murderous old witch never comes back again from the dead to get revenge.

Nico: Yeah, you got that right, big guy. Alright, gang, let's go, we've got another treasure to find.

Lincoln: And another villain to destroy. And you better say your prayers, Sarabeth, because this'll be the very very last time we ever have to deal with you.

With that we were off to the world of Magic The Gathering.

---

We arrived in THE FURNACE LAYER!

---

Furnace Later is a deep cavern within the bowels of Mirrodin (turned New Phyrexia). This area contains volumes of molten and rusty metal and connect's to Mirrodin's Core. Although there is no definition to exactly where this region lies, it's easy to infer that it belongs underneath Kuldotha, a furnace city within a mountain that was once inhabited by Mirrodin's goblins. Kuldotha is a part of the Oxidda Chain, a region that at the surface is of canyon slopes and plateaus of jagged rusty metals. Since Mirrodin has been taken over by the Phyrexians, the fate of these civilizations remains a mystery.

---

Nico: WHOA! So this is the Furnace Layer.

Molten Man: Damn, this place is hot!

Me: Man no kidding!

Qin: Whew! I'm sweating like a pig in here.

Eli: No kidding. It's hot.

We all were sweating.

Skullgrin: You sure the treasure's here?

Nicole: Yes that's what this map says.

Nico: If it's here then we will gladly find it.

Nicole: All right then lets go find it.

We went to find the treasure. With us being in extreme heat environments before this will be no problem.

Doctor Octopus: Let's hope the map doesn't melt from the heat.

Nicole: Don't worry it won't. I used my magic to make it indestructible and impervious to the elements.

Qin: That's good.

We followed Nicole.

Fangry: Anyone bring water?

Maria: I got plenty for all of us.

Me: We'll be all right.

Qin: Yeah.

We were walking and following Nicole.

Nicole: Treasure is 400 meters ahead.

Qin: Awesome.

Killer Croc: Damn, I'm sweating like crazy!

Nico: Yeah we all are.

Nicole: There it is!

We saw the treasure chest.

Me: There it is.

Nicole went over and opened it and in it was a ruby red book. It was called THE RUBY BOOK OF THE PHOENIX!

Nicole: Wow!

Nico: Ooh it's amazing!

Olivia Houou: It's magnificent.

Laney: Yeah.

Bomb Burst: Let's check for traps.

Eli: I don't sense any.

Olivia Houou then picked up the book and she got an amazing power increase and it was awesome!

Olivia Houou: Whoa! That was awesome!

Eli: Wow! (Senses something) Uh oh. I sense trouble coming.

Sportsmaster: Let's go back outside by teleporting!

Nico: Calm down Sportsmaster. Besides we're already outside. I have a feeling I know what's coming.

Me: The Darkdweller.

Nico: We'll let Laura Wynn confront him and then we'll do our entrance. But only after she reveals him.

Laura Wynn: Okay.

Nico: Lets do it.

Slog: Be careful, Laura.

Laura Wynn: I will.

We went and hid.

Black Manta: Nico, while we're waiting, you wanna go over Ridewatches?

Nico: Yes I do.

Qin: Which ridewatches do you have this time?

Nico: I'm glad you asked.

Nico revealed Ridewatches for Build, Build RabbitTank Sparkling Form, Build RabbitTank Hazard Form, Build Tank Tank Form, Build Rabbit Rabbit Form, Build Genius Form, Build RabbitDragon, Cross Z, Cross Z Charge, Cross Z Magma, Grease, Grease Blizzard, Rogue, Evol, Evol Black Hole, Mad Rogue, Pohatu's Build Form, my Build form, Lupin Red, Pat #1, and their copies.

Ravager: Evolt might be a scumbag. But there's no denying how powerful his forms are.

Nico: Yeah that's for sure.

Me: The Build Team is awesome. Lets see here.

We had Jesse Anderson, Pyris, Jeevika, Yuko, Cerita, Doppel, Pepperdance, Selia, Yumika, Niora, Ariana, C.C., Teenage Mutant Ninja Turtles, Kyure, Pirati, Cirno, Tsurugi Ohtori, Lucky, Huanglongmon and Garu get the copies.

Nico: Laura is strong. She'll be all right.

Me: Yep.

Spittor: Nico, you should be proud of Laura right now.

Nico: Oh I am.

Solar Man: Time to do our entrance. We've waited long enough!

Nico: Patience Solar Man. Not till the signal.

Solar Man: Fine.

Laura Wynn was waiting. Then she sensed someone behind her and it was Ren's Father, Primus!?

Laura Wynn: So you are Primus, Ren's Father.

Primus?: Thank goodness you have all the treasures.

Laura Wynn: But I knew you were coming for them Darkdweller!

She fired a beam of magic from her sword and he screamed and turned into a black mass with evil glowing red eyes! It was THE DARKDWELLER!

Darkdweller: Clever Girl! You have the 13 Treasures but it won't be enough to save you.

But then the spirits of the L-Elementals appeared and swirled around the Darkdweller and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard.

We came out!

Laney: Long time no see Darkdweller.

Ice Demon: Can we get down to kicking your ass? I really don't want to melt in this heat.

Nico: You won't melt.

Laney: Yeah.

Darkdweller: So Team Loud Phoenix Storm is here! How nice of you to join me so I can destroy you for destroying me!

Ren: You had that coming you beast!

Me: You will pay for your crimes!

Nico: Yep.

Cheshire: What was it?

Nico: A bunch of swords from MTG.

Repellator: So, Qin. What do you have planned for your birthday?

Qin: Good question.

We got the usual battles underway.

Mack Hartford, Pinkie PIe, Featherweight, Tech Skylanders, Operation Overdrive Rangers, Skullgrin and Submarauder VS Boris Bullski A.K.A. Titanium Man - Meeting a gene-slammer for Simorgh, Bird of Sovereignty

---

Titanium Man was next.

Titanium Man: (to Mack) I heard you guys met a gene-slammer for Simorgh, Bird of Sovereignty. What's her name?

Mack: Her name is Natalie Hathaway and she is a really awesome master of wind.

Pinkie Pie: She sure is amazing! And she stopped Lisa before.

Featherweight: She sure did.

---

Natalie Hathaway: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Natalie, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Natalie Hathaway: That's incredible.

Nico: It sure is. So, Natalie, what's the story of how you defended Lincoln from Lisa's cold-hearted fury and sick experiments?

Natalie Hathaway: Now, that's something I'd never forget. One day, Lincoln and I were doing a bird-hunting assignment for class, and we were documenting every bird we've spotted throughout Royal Woods, from the forests to the creek in Tall Timbers Park. But, our assignment was interrupted when we saw some of the rare birds in Michigan getting kidnapped and tortured by Lisa and her robots, and she was causing havoc, and when we arrived, we ordered her to let those birds go now. But, she said that it's for science and she ordered her robots to seize us, and then, she got out a laser and she was going to use it to vaporize us for getting in the way of her research and experiments. But, Lincoln and I got freed from Lisa's robots, and we fired powerful blasts of wind and shredded her robots to shreds and destroyed her laser. This angered Lisa and she got out a scalpel to stab us, but Lincoln fired a blast of wind and trapped her in a sphere of wind. We then called Mr. and Mrs. Loud and as soon as Vanzilla got here, we told Mr. and Mrs. Loud what Lisa did and what she was about to do to us, and Lisa got grounded for five weeks. The next day, we got an A on our project, and we also got some medals from the school for what we did in protecting the birds and the environment from Lisa's sick experiments and cold-hearted fury.

We all cheered wildly for what Natalie Hathaway and Lincoln did to save the birds and environment from Lisa's sick experiments and cold-hearted fury.

Laney: That was a day none of us could forget. Lincoln and Natalie not only stopped Lisa, but they also saved the environment and the birds from her sick experiments and cold-hearted fury.

Lori: And when Lisa saw their achievement in what they did in ruining her so-called "research", she was so furious she swore and out loud in public that she'll one day get her revenge on Lincoln and Natalie. But, her wrath got her in big trouble, and got her butt sent to Aunt Ruth's for three months.

Nico: Sheesh, it's bad enough that she once saw humans as test subjects, now she moved on to seeing animals as test subjects, that's just evil.

Luan: Lisa refused to give up her so-called "research" and still sees everyone and everything as test subjects, and it made it harder for Lincoln to even forgive her, because she was stubborn as an ox and blind to her own ambitions. But, she would eventually be forgiven after her time at Aunt Ruth's.

Lincoln: Yeah, she did apologize and she also vomited from eating nothing but moldy pudding that Aunt Ruth had.

Nico: Gross.

FLASHBACK ENDS

Titanium Man: Oh my goodness! Lisa sure was a heartless monster back then.

Nico: I knew there's no mistaking that voice from anywhere. You can come out now, Sarabeth.

A figure dressed in black appeared from a tornado of black magic, and it was none other than our old enemy, Sarabeth.

Evan: You just don't even know when to take a hint, do you, Sarabeth?

Sarabeth: And now, I will make all of your deaths slow and excruciatingly painful.

Luna Anderson: Fat chance, you murderous old hag, and now, your days of trying to kill others for your own sick amusement are about to end.

Suddenly, Luna Anderson's blue eyes turned neon blue and she was surrounded by a dark blue energy aura with spirits, darkness, banshees, and zombies surrounding her, she unholstered her massive Necroworld Banshee-themed greatsword from her back, and as she approached Sarabeth, she left dark blue energy, spirits, darkness, banshees, and zombies with every step.

Luna Anderson: You really make me sick, Sarabeth, you're a heartless, selfish, bloodthirsty witch who wants to kill anyone who gets in your way and you have no remorse for any of your crimes, especially with what you've done in creating that disgusting Monster Blood, and now, I'll see to it that you never rise from the dead to kill again.

Suddenly, Luna Anderson was surrounded by a massive vortex of dark blue energy with darkness and spirits surrounding it, there's Necroworld Banshee flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Luna Anderson emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Luna Anderson grew from 6'5" to 6'11" in height, she has the body of a goddess, she has dark blue highlights in the bangs of her long flowing white hair, she has neon dark blue eyes and a dark blue energy aura with spirits, darkness, banshees, and zombies surrounding her, she has Necroworld Banshee with the Dark Kanji in his hands emblazoned on her forehead, she has on ghost earrings with dark blue gems for eyes and holding the Dark and Eternity Kanjis in her hands, she also has Necroworld Banshee with dark blue gems for eyes and the Dark and Eternity Kanjis in her hands for the second pendant on the bottom of her dark blue ghost-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Luna

Anderson has on a dark blue sleeveless midriff top, dark blue frilly skirt, blue pants, blue sneakers, and long sleeveless dark blue trenchcoat with spirits, darkness, banshees, and zombies on the coattails, and on the back is Necroworld Banshee with spirits and darkness surrounding her. Suddenly, Luna Anderson felt a sharp pain on her back, and then, her massive white angel wings grew much bigger for her new body, and the large white feathers have dark blue tips on the feathers. Luna Anderson has on a Ring of The Phoenix with a dark blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Luna Anderson's massive Necroworld Banshee-themed greatsword was surrounded by a kaleidoscope of dark blue energy, spirits, ghosts, darkness, and zombies, and when it emerged, it was transformed into Necroworld Banshee's Darkness Broadsword of Spirit Justice, it's a brand-new large broadsword with Necroworld Banshee etched on the 7'0" massive, wide, double-edged dark blue blade, large white ghost heads for the crossguard, large dark blue embedded in the rainguard, longer black handle, and four large white ghost heads with dark blue gems for eyes and in their open mouths and on the bottom of the ghost heads is a large dark blue gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Necroworld Banshee's head with dark blue gems for eyes and a large white gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a white kanji below Necroworld Banshee that said, "Luna Anderson, Master Summoner of Spirits, Goth Girl of Michigan, Member of The Goths of Darkness, Powerful Master of Darkness and Spirits, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Spirits, Banshees, and Zombies"

Luna Anderson has transformed into SUPER ANGEL ETERNITY INFINITY UNDEAD NECROWORLD DARK BANSHEE ANGEL OF DARK UNDEAD JUSTICE AND DIVINE DARK LOVE!

We were amazed by Luna Anderson's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Sarabeth saw it, she fell into a black rage and she fired a blast of dark magic at her, but Luna Anderson blocked it, and she fired a powerful dark blue energy blast with darkness, spirits, banshees, and zombies at Sarabeth, and it exploded with incredible power as it hit her and sent her flying into a wall.

Nico: Whoa, Luna Anderson's transformed, that's really awesome.

Me: And she sent that witch, Sarabeth, flying into a wall, and pissed her off even more. Nice.

Lincoln: Wow, Luna, you look beautiful. How do you feel?

Luna Anderson: (Divine Echoing Cosmic Voice of The Undead Necroworld Banshee and Divine Dark Undead Love) **I feel incredible, Linky. Now, shall we put an end to Sarabeth once and for all?**

Lincoln: (Smiles) With pleasure, Luna.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Luna Anderson.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This'll be the absolute last time we ever have to deal with you, Sarabeth.**

Nico: Your monster blood is a terrible abomination that will never be welcome on Earth!

Luna Anderson and Lincoln went after Sarabeth, who continued firing blasts of dark magic at them, but they dodged them all, and they fired powerful blasts of rainbow energy, dark blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, and Angels at Sarabeth, and they exploded with incredible power as they hit her. Then, Lincoln trapped Sarabeth in a binding circle and he began sucking out and absorbing Sarabeth's powers and dark magic, and when Lincoln was done, Sarabeth was rendered powerless, and then, Luna Anderson summoned the spirits of all those who died at Sarabeth's hands, and they found her guilty and she was sent to The Black Gates for all eternity. We cheered wildly for what Luna Anderson and Lincoln did as they holstered their massive broadswords on their backs and powered down, and Luna Anderson's new body, clothes, weapons, jewelry, and massive midnight white angel wings are permanent.

Luna Anderson: And that's that for you, Sarabeth. Thanks for helping me take down and destroy that murderous witch, Linky.

Lincoln: (Smiles Warmly) You're welcome, Luna.

Suddenly, Luna Anderson wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Luna Anderson's face, they kissed passionately as Luna Anderson's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Necroworld Banshee flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and spirits behind them and we all cheered wildly.

Nico: Alright, now we're finally rid of not only the Darkdweller, but we're also finally rid of Sarabeth for good.

Me: You said it. We're finally rid of two old foes whom we thought we'd never have to see or deal with ever again.

Lincoln: Same here. But, The Darkdweller met his end for good, along with that murderous witch Sarabeth.

Me: You said it, and I liked that curse you used on Mesa's former mother, Lincoln.

Nico: Same here, it's like that eternal dream curse that Grace used on those rapists. But, yours had a twist.

Lincoln: Yep, it trapped Mrs. Florrence in an eternal dream curse, but she'll be plagued with what she's done for breaking the sacred bond with mother and daughter.

Me: Serves her right. What she did proves she's a disgrace to all mothers everywhere.

Nico: Yeah, she deserves to be trapped in eternal nightmares for good.

Mesa Florrence: And when I told Dad and Ella of what I did to her and when I transformed, they were partying like there's no tomorrow, and they're also happy that Lincoln and I are together.

Nico: Yeah, that's right, and we should know, we attended the party.

Mesa Florrence: Oh right.

We laughed a little.

Multiple Man: That's it for Darkdweller and the Dark Water.

Me: Good riddance.

Silver Samurai: He will never harm innocents again.

Nico: Or destroy anymore planets.

Qin: That's for sure.

Blizzard: The Agito Weapons that Nico and the others got really came in handy.

Nico: They sure did.

Natalie Hathaway: I'm really gonna love it here with you guys

Colleen Noirmoira: Same with me.

Whiplash: You guys won't regret it.

Vypra: But this was awesome.

Major Disaster: You guys wanna celebrate at the gas station?

Me: Lets get back home first. We're sweating like a pig in here.

Nico: Whew! No kidding. But great job everyone!

We teleported back to Earth and man were we dripping sweat like many pigs.

Nicole: WHEW! That was the hottest treasure hunt ever.

Laney: Yeah it sure was.

Qin: Yeah no kidding. I'm sweating like pig.

Nico: But at least the Darkdweller is gone for good.

Laura Wynn: That's for sure. (To the viewers) This was an awesome treasure hunt and an awesome battle too and now we're done with part 3 of our treasure hunts.

Nicole: We sure are. 9 down and 9 to go.

Nico: Yep. Lets go home and shower.

We went and did so and then we went to the showers and washed off the sweat. We then went to the gas station and helped lots of people and then we went back home and watched TV and then enjoyed the rest of the day and went to sleep.

Me: So the next treasure is in the Forests of Naroom on the Moonlands.

Lola: This is going to be so awesome.

Eli: It sure is. I can't wait to see what kind of treasure we're going to find here next.

Arrietty: Me neither. This is gonna be so awesome.

Zarya Moonwolf: It sure will be awesome and fun.

Laney: Yeah it sure will.

Himiko: I have a feeling the next treasure is gonna be awesome.

Sophie Casterwill: (British Accent) I have that same feeling myself and it's gonna be so amazing.

Qin: You got that right Sophie.

Nico: Thanks for coming with me, Sophie.

Sophie Casterwill: It's my pleasure Nico and it will be most fun going with you on one of your great rescues.

Camie: It sure will be awesome.

Me: Yep. And it'll be just as awesome as the day I firsted helped you and Dante and the team out.

Sophie Casterwill: It sure will.

Nico: I still remember J.D. telling us how he helped you and your team.

Sophie Casterwill: Now that was really fun how he did so.

Camie: How did that happen?

Me: It was long before many of you joined us. It was 5 years ago. Before we all became Team Loud Phoenix Storm.

FLASHBACK - 2017

Me and Dante Vale were running through the halls of the headquarters of the Organization in Prague, Czech Republic and we were killing members of the Organization left and right. With me were Lok Lambert, Zhalia Moon and Sophie Casterwill.

Me: (Narrating) **It was over in Prague in the Czech Republic. We were on a mission there to take down The Professor and reclaim all of the Spirits that they have stolen.**

Organization member 1: Kill them! AUGERFROST!

Past Me: Die!

I fired powerful fireballs at them and obliterated them in massive fiery explosions.

KRABBBBOOOOOOOOOMM! KRABBBOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOMMM!

I killed 5 of them.

Me: **My powers were getting stronger back then and they were continuing to evolve with each passing day of training.**

Sophie: (British Accent) I can't believe they want to kill us.

Past Me: They will stop at nothing till they rule the world.

Lok: But how can we get rid of them for good?

Past Me: We won't get rid of all of them until I form my own team.

Dante Vale: I understand.

Me: It was a ruthless and savage battle until we saw DeFoe.

DeFoe: I will kill you if it's the last thing I do Dante Vale!

Dante Vale: Try me DeFoe.

Past Me: Not if I kill you first DeFoe! You fucked up son of a bitch!

DeFoe: (ROARS!)

I punched him in the face and I fired a powerful wave of fire energy that incinerated all of DeFoe's friends and teammates and he watched in sheer horror as I killed all of his friends in what seemed like cold blood to him. But the fire from my blast hit DeFoe as well and he was on the floor holding his face in excruciating pain.

I then used my powers to strip him of all of his spirits. I even took the spirits of his friends as well.

Sophie: Awesome J.D.!

Zhalia: That was really cool!

Lok: No kidding!

Past Me: Thanks.

We continued on and DeFoe had a nasty burn wound on his face that covered 34% of his face. Essentially I have left my mark on him. From then on he developed a massive and incredible hatred towards me and vowed from then on that he would stop at nothing to kill me.

DeFoe: (In Sheer Hatred) YOU WILL PAY FOR THIS J.D.! I WILL KILL YOU! I WILL KILL YOU!

But then a massive explosion happened!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Outside it showed a massive flash of blue light coming from the very top of the building and a massive explosion blew the building apart!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire headquarters of The Organization was completely destroyed and blown apart in a huge fiery explosion.

Me: **I fired a Kamehameha Wave right at the Professor and the explosion that followed blew the entire building in half and wiped out 75% of the entire Organization. It was a devastating and crippling blow to them. I had us protected in a force field thankfully as we escaped the explosion.**

FLASHBACK ENDS

Me: After we brought down the Organization, I told everyone around the world what they were gonna do and the F.B.I. and Interpol decided to work together to bring them all to justice. Because of that, the rest of the Organization all went into hiding and were operating in secret. 4 and a half years later, we destroyed the entirety of the

Organization for good.

Twilight Sparkle: Wow! That is amazing!

Eli: Boy it sure is!

Qin: I'll never forget that mission. That was awesome.

Tsuyu: Wow! When did that happen?

Me: It was 2 days after the Great War of Wizards with Voldemort and his followers.

Nico: That's right.

Me: And that was easily one of the most incredibly devastating battles we've ever had.

Qin: That was awesome though.

Eli: Wow!

Nico: None of the Blood Spiral group have gotten the Black Gates yet. But they will if we encounter any of them.

Me: Well just give it time Nico. When we find them we'll make sure they do.

Lola: Yeah.

Sophie Casterwill: But I think one day we should get the new recruits of the team spirits of their own.

Me: That's not a bad idea Sophie.

Twilight Sparkle: I think it's a good idea too.

Sunset Shimmer: I agree there.

Nico: Also it's good you're with us Albedo.

Albedo: It sure is.

Me: Every time I see you Albedo it makes me feel like I'm seeing a mirror image of Ben but with white hair, red clothes and red eyes.

Rainbow Dash: That is so awesome.

Albedo: It sure is.

Nalanie: (Laos Accent) And not only are you Rika Noralenshikov the Mavelus Gene-Slammer's archenemy but you are also a true friend of redemption too.

Laney: Yeah.

Albedo: Again, I would like to apologise for all my former Team Buktu teammates have caused you guys:

Nico: It's not your fault Albedo. If anyone is to blame for all this it's your former teammates.

Lincoln: Yeah no kidding there.

Lola: Yeah. They deserved it.

Me: The only one that died that day was the Evil Sasuke.

Nico: I can't believe he called me a Cur! (GROWLS) I hate that name!

Me: Yeah.

Nico: But thanks for keeping everyone safe while we were in the Ridonculous Race. Because you were the only one who was heroic out of your entire team.

Albedo: It was my pleasure.

Nico: But that was so awesome.

Zarya Moonwolf: Boy it sure was.

Eli: Yeah.

Albedo: But I have to warn you guys and it's good that you brought me with you all. But Scott has escaped from prison and is free from his curse. He is after you guys for revenge.

WE GASPED IN SHOCK!

Me: Oh shit on me and fuck me sideways!

Nico: I can't believe Scott's been freed from his curse, it's just like with Heather.

Lincoln: Another minor contingency plan made by The Church of Necrom, no doubt.

Nicholette Torrington: (Growls Ferociously) Damn you, Damian Alaister! Damn you and your entire cult to Hell!

The Dark World Goth Girls were really enraged that Scott's been freed from his curse, thanks to yet another minor contingency plan made by The Church of Necrom.

Nico: That fucked-up bastard just enjoys pissing us off badly.

Nalanie Nanthavong: Lincoln, would you and The Dark World Goth Girls like to help me with taking down that pit-stained son of a bitch?

Lincoln: Do we ever, Nalanie. Besides, Connie's been wanting a chance to kill Scott for a long time.

Connie Jackelstein: That's right, I've had it up to hear with that bastard for what he did.

Zocks: Lincoln, can you tell us why Connie has a grudge against him, other than his nasty disposition and his crimes?

Lincoln: Sure, Zocks, but I've got to warn you, it's not good.

Lincoln told everyone who hadn't joined us that Connie Jackelstein's little sister, Emily, was raped and murdered by Scott, and because of it, Connie's mother committed suicide and less than a week later, her dad drunk himself to death, and ever since then, she'd sworn revenge on that bastard for what he did.

Everyone gasped in shock.

Zocks: Whoa, that's one serious grudge.

Lincoln: Yep, and we're going to make sure he pays for what he's done.

Me: No shit there.

Albedo: Scott and Evil Sasuke were the ones I REALLY hated working alongide with. Stane and Evil Jimmy I felt neutral towards. Tim was the only one I enjoyed working alongside side. And even then, that was before he threatened to have the drones shoot me and the others after you guys found out the Elemental Darksides were fake.

Applejack: Why that heartless monster sidewinder!

Lola: Yeah!

Me: He's definitely getting the Black Gates. Nico I hope you don't have any problems with us killing a monster like Scott?

Nico: Not at all. This jerk has had it coming for a long time.

Me: But you got to admit though, those Elemental Darkside Heartless Robots were a pure stroke of genius. Mysterio would love having them in his ranks.

Nico: That's true.

Sophie Casterwill: I agree there. That is so amazing.

Qin: They sure were.

Eli: Yeah and Sora never faced versions like them before.

Qin: That's true.

Albedo: Let me pound Scott too. It'll give me some pleasure. Especially after how he threatened me.

Nico: How did he threaten you?

Albedo: He told me that he better not get you hurt. And he replied that if he goes down, he would find a way to bring me down with him.

Nico: Oh man!

Rarity: What a heartless and repulsive ape!

Nico: My thoughts exactly Rarity!

Qin: Same with me.

Camie: He has got to go. Both to do the world a big favor and have his parents never have to see his ugly face again.

Eli: Yeah no kidding.

Suddenly, an insane figure came out and tried to attack us, but I sent the figure flying with a strong kick, and we saw who the figure was: it was the Total Drama Sore Loser, Scott, and he was mondo pissed at us.

Me: Just the asswipe we've been looking for.

Scott (Total Drama): You are all going to pay for ruining everything! I will kill every last one of you!

Nalanie Nanthavong: Fat chance, shit stain!

Connie Jackelstein: I see you're still the same as ever, a psychotic, heartless asshole!

Scott (Total Drama) saw red when he saw Connie Jackelstein with us.

Scott (Total Drama): You miserable bitch! I should've killed you and your sister that very night!

Lincoln: The blood of Connie's little sister is on your hands, and now, you're going to pay for this!

Nalanie Nanthavong: Yeah, and I've had it up to hear with you to last an eternity.

Albedo: And this is for threatening me!

He turned into NEGATIVE FOURARMS!

Then…

KRASMASH!

He punched him hard in the face and sent him crashing into a tree! Scott had a REALLY BAD BRUISE ON HIS FACE!

Negative Four Arms: Bring me down with you, huh? Too bad you went down alone!

He then turned into Negative Rath.

Negative Rath: LEMME TELL YOU SOMETHIN, SCOTT OF THE SORE LOSERS! RATH HAS WANTED TO SNAP YOUR NECK WITHIN 5 MINUTES OF KNOWING YOU!

Scott: OH YEAH!? TRY IT FREAK!

POW!

I punched Scott in the face with devastating force!

Me: Lemme tell you something Scott! YO MAMA SO FUCKING STUPID SHE THOUGHT CHICKEN STRIPS WAS A STRIP CLUB FOR CHICKENS!

POW BLAM SMASH WHAM!

I then pulled out a huge war hammer and then…

CRUNCH!

Scott screamed as I crushed his foot and then.

BLANG!

I smashed the hammer into his face and broke his nose and knocked out some of his teeth!

Negative Rath then grabbed Scott by the throat.

Negative Rath: You are a freak Scott!

He smashed him into the ground!

Sheila then put on her cloak hood and went invisible and then lifted him up and threw him into a tree!

Nico: WHOA!

Me: Nice one Sheila!

Bobby then smashed his leg with his club and Scott screamed in excruciating pain!

Eli: WHOA!

Me: YEAH! Nice work guys!

Bobby (D&D): Thanks bro!

Me: Lets see how he likes this.

I pulled out a Wizard Ring for Cajun Fox and put in on and I activated it and fired a wave of EXCRUCIATINGLY PAINFUL AND REALLY SPICY HOT SAUCE! It went into Scott's mouth and then…

SCREAMING AND ALARM BELLS!

Negative Rath: Polaris Piledriver!

He jumped an pile drove Scott and broke his back and he screamed in EVEN MORE EXCRUCIATING PAIN!

Me: YEAH!

Camie: NICE!

Varie: Lets summon some spirits! PROTECT THE SHIP! UNDINE!

In a vortex of Water, Varie summoned the Krono-Titan, UNDINE!

Camie: WHOA! So that's one of your spirits?

Sophie Casterwill: It sure is. There are many kinds of them.

Undine fired waves of water and smashed him all over the place!

Albedo turned into NEGATIVE ARMODRILLO!

Scott: You were all just jealous that me and my team were better heroes then you all! It's your own fault for deciding to have fun in the Ridonculous Race and leaving everyone unprotected. We just saw an opportunity to step in! (to Negative Armodrillo) And you decided to ditch us!

Negative Armodrillo: Because we sent the robots after innocents just so we could look like the heroes!

Nico: And there was nothing wrong with us being in the Ridonculous Race!

Eli: YEAH! And you are the one that caused all those lies and evil!

Me: But you haven't done your homework on us Scott! We saw all the way through your lies and deceit! You are never gonna be a hero! All you are is nothing but a worthless dirt-eating freak and a loser!

Sophie Casterwill: Your ideals make you nothing more than a fraud and an absolute fake! Now face this! BOLTFLARE!

She fired a wave of lightning and it hit Scott and electrocuted him all over!

Lincoln fired waves of lightning and electrocuted him!

Negative Armodrillo punched Scott all over.

Negative Armodrillo: Okay, so maybe I thought up of the Elemental Darksides story. But you and the others were in it for the fame and glory. I actually cared about protecting innocents!

Me: That's right! Albedo has changed! Unlike you!

I activated Bobo The Vulture's Ridewatch.

Me: Time for the 1-2 Punch!

I fired rocket punching gloves and they hit Scott and exploded all over!

KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nicole: YEAH!

When the smoke cleared we saw that one of the punches blasted a hole into his chest and exposed his beating heart out into the open!

Negative Armodrillo: You're wide open!

Me: You gonna eat his heart Nico?

Nico: Nah. His heart probably doesn't taste good.

Qin: Yeah you're right.

Suddenly, Nalanie Nanthavong's blue eyes turned neon blue, and she was surrounded by a red and orange energy aura with lava, flames, and lava fish, and as she approached Scott (Total Drama), she left red and orange energy, lava, flames, and lava fish with every step.

Nalanie Nanthavong: You really disgust me, you pit-stained, heartless shit head! You enjoyed causing pain and suffering to all those in your wake, and you don't even give a damn about anyone except for yourself. Well, that ends here and now, today, you die, Scott, and you're never ever coming back.

Suddenly, Nalanie Nanthavong was was surrounded by a massive vortex of red and orange energy with lava and flames surrounding the vortex, there's Vorash flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Nalanie Nanthavong emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Nalanie Nanthavong grew to 6'11" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing dark red hair tied up in pigtails, she has neon blue eyes and a red and orange energy aura with lava, flames, and lava fish surrounding her, she has Vorash with the Fire Kanji in its mouth emblazoned on her forehead, she has on lava fish earrings with red gems for eyes and holding the Fire and Eternity Kanjis in its mouth, she also has Vorash with red gems for eyes and the Fire and Eternity Kanjis in its mouth for the second pendant, along with the gold dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts with red Vorash-shaped Element of Harmony. Nalanie Nanthavong has on a Ring of The Phoenix with red gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Nalanie Nanthavong has a brand-new large broadsword in her right hand called Vorash's Volcanic Broadsword of Lava Fish Justice, it's a brand-new large broadsword with Vorash etched on the 7'0" massive, wide, double-edged red blade, lava fish heads for the crossguard, large orange gem embedded in the rainguard, longer black handle, four large lava fish heads with red gems for eyes and in the open mouths and on the bottom of the fish heads is a large red-orange gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with red-orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Vorash's head with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of

Nalanie Nanthavong has transformed into SUPER ANGEL ETERNITY INFINITY ALIEN VOLCANIC LAVA FISH ANGEL OF VOLCANIC VORASH JUSTICE AND DIVINE LAVA LOVE!

We were amazed by Nalanie Nanthavong's Super Angel Eternity Infinity transformation, and when Nico saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Scott (Total Drama) saw it, the loser fell into a black rage, and he got out a knife to kill her despite being in pain from the savage beating we gave him, but Nalanie fired a blast of lava and it melted and his hand got burned by the lava, and she fired a powerful red and orange energy blast with lava, fire, and lava fish at Scott and it burned him badly.

Nalanie Nanthavong: (Divine Echoing Cosmic Voice of The Volcanic Lava Fish and Divine Lava Love) **Now, you're about to pay for everything you've done, you asswipe.**

Lincoln: Yeah.

Connie Jackelstein: You've had this coming for a very, very long time.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Nalanie Nanthavong and The Dark World Goth Girls transformed into their Super Angel Eternity Infinity forms and got out their massive greatswords.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've had this coming for a very long time, Scott. Let's get him.**

Nalanie Nanthavong, Lincoln, and the Dark World Goth Girls went after Scott (Total Drama), and they fired powerful blasts of rainbow energy, red and orange energy, dark energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Mermaids, Sea Creatures, Moths, Demons, and Angels at Scott (Total Drama), and they all exploded with incredible power as they hit him.

Then, Lincoln and The Dark World Goth Girls used the Dark World Medals they got when we went into battle against Kyurem and Damian Alaister, and they put the medals onto their swords and they fired powerful colored energy blades at Scott (Total Drama), and they left painful scars on him, and the medals also summoned the spirits of The Dark World Monsters, who brutally attacked Scott, and we were impressed.

Me: Whoa.

Nico: Now, that's really awesome.

Connie Jackelstein: (Divine Echoing Cosmic Voice of The Cobalt Demon and Dark Divine Love) **This is for what you did to my little sister, you shit stain! COBAL'S DEMONIC VENGEANCE KARMA BALL!**

Connie Jackelstein fired a massive black and cobalt-colored version of The Negative Karma Ball, and it exploded with incredible power as it hits him.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **And this is for all the trouble you caused for the Total Drama Crew and causing me nothing but mental pain with your Team Buhktu bullcrap! DARK WORLD'S DEMONIC VENGEANCE KARMA BALL!**

Lincoln fired a massive black version of The Negative Karma Ball with rainbow energy balls inside the core, but the rainbow energy balls have the faces of The Dark World Monsters, and it exploded with incredible power as it hits him.

Nalanie Nanthavong: (Divine Echoing Cosmic Voice of The Volcanic Lava Fish and Divine Lava Love) **Let's end him once and for all, guys.**

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This is the end for you, Scott.**

Connie Jackelstein: (Divine Echoing Cosmic Voice of The Cobalt Demon and Dark Divine Love) **And this time, don't you ever come back, you miserable piece of shit!**

Nalanie Nanthavong, Lincoln, and The Dark World Goth Girls: **VOLCANIC LAVA FISH DARK DEMON'S VENGEANCE KAMEHAMEHA!**

Nalanie Nanthavong, Lincoln, and The Dark World Goth Girls fired massive Kamehameha energy waves made of red and orange energy, rainbow energy, and dark energy, and as they hit Scott (Total Drama), they exploded with incredible power, killing him for good, and he was found guilty by The Black Gates.

Scott (Total Drama): DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (Fades Away)

We cheered wildly as Nalanie Nanthavong, Lincoln, and The Dark World Goth Girls holstered their massive broadswords on their backs and powered down, and Nalanie Nanthavong's new body, clothes, weapons, jewelry, and massive red angel wings are permanent. Nico then kissed Nalanie on the lips and she also returned it with equally fiery and intense passion.

Connie Jackelstein: Finally, it's over.

Suddenly, Connie Jackelstein ran over to Lincoln, and she wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and she cried into his bare chest, as he was comforting and hugging her.

Lincoln: (Soothing Voice) Shh, it's okay, Connie, it's okay.

We saw the sight, and it broke our hearts to see Connie cry like this.

Nico: Connie avenged the deaths of her sister and parents, but it still hurts for all of us to see her like this.

Lincoln: Me too, Nico. What Scott did in raping and murdering her little sister, Emily, and that caused the suicide of Mrs. Jackelstein and Mr. Jackelstein to drink himself to death, left her all alone in the world, until the day I met her and she met the other Dark World Goth Girls.

Nicholette Torrington: Scott's a total lowlife for what he did to Connie's sister and parents.

Lincoln: Connie needs her parents and her little sister back, and the same goes with Cienna, who lost her parents to Damian Alaister, and I intend to do just that.

Camie: Wait, you've done this before, Lincoln?

Me: Yeah, he resurrected the Warners' parents last year after they got rid of King Salazar the Pushy. And just like J.D. and all of us, he can do anything.

Lincoln snapped his fingers and three rays of light descended and the choir of angels sang, and then, we saw three figures emerge from the rays of light, they were Connie's little sister, Emily Jackelstein, and her parents, Michael Jackelstein and Rhonda

Jackelstein. When Connie saw them, she was really stunned.

Connie Jackelstein: Mom, Dad, Connie?!

Emily Jackelstein: Yes, Connie. It's us.

This caused Connie to rush over to her parents and sister and she hugged them, and she cried tears of joy, and her heart's going to be repaired, and then, we saw that Cienna's parents have also been resurrected by Lincoln and she was hugging them and crying tears of joy, and she knew Lincoln has repaired the holes in the hearts of two of his Guardian Angels. We also had tears of joy and a smile on our faces.

Nico: Linc, that was a really awesome thing you did for Connie and Cienna.

Lincoln: Thanks, Nico. I knew and felt that Connie and Cienna needed their families back, and I had to do just that. They defended me from bullies and from Lori, Lynn, Lola, Lisa, and Luan for years, now it's my turn to return the favor.

Me: That's not only really awesome, but you knew deep in your heart that this is something you had to do.

Lincoln: That's right, J.D., it is.

Nico: Now that Scott is gone, we are down one more loser.

Negative Armodrillo: (hears beeping) Huh?

Negative Omnitrix: Corrupted Megawhatt DNA Signature detected.

Me: Corrupted Megawhatt DNA?

Nico: Oh no! Swartz didn't!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

We saw streams of black lightning streaking across the sky and then out of a flash of light came a BLACK VERSION OF A

MEGAWHATT! It was called ANOTHER BUZZSHOCK!

Qin: Whoa! That is definitely not one of Dark's aliens.

Me: It looks the same. But that is definitely Another Omnitrix Alien. The only difference is that it doesn't have an Omnitrix badge on it.

Nico: That's true.

Qin: Yeah.

Nico: Well, Helga did say that Swartz would eventually create Another Omnitrix Aliens.

Me: She sure did. But who are you?

Another Buzzshock: (Electrified voice) Been a while J.D.

Me: (Gasp) That voice! Amelya San Diego?

Another Buzzshock: That's right. Awesome to see you again J.D.

Me: Same to you Amelya.

Nico: You know her J.D.?

Me: I sure do. Her name is Amelya San Diego and she is a girl that got wheelchair bound because she got hit in the back with a huge lightning strike that made her paralyzed from the waist down forever.

Lincoln: WHOA! That is intense!

Laney: YIKES!

Me: Yeah. But she also got intense lightning powers from it. Her powers are so intense that she can't control them. Whenever she's around anything electrical she causes everything around her to explode! So to protect herself her mom and dad put her in a rubber suit.

Sophie Casterwill: That is intense!

Another Buzzshock: It's true.

Negative Armodrillo then turned into Negative Buzzshock.

Negative Buzzshock: Normally, this is the part where you show us who you really are.

Another Buzzshock: Swartz removed that power for this one.

Me: Guess it must only be for Another Rangers and Riders.

Nico: Yeah.

Nicole: Look what she has around her neck!

We saw that she had an amulet in the shape of the symbol of the Moonland of Naroom!

Nicole: That's the Treasure! That's the Amulet of Naroom!

Me: How did you find that?

Another Buzzshock: I just found it. It was hidden in a tree. I didn't know you guys were after it.

Me: What does this Amulet do?

Nicole: It has the power to control all of nature and can even form trees into houses.

Fluttershy: That is interesting.

Another Buzzshock: I don't think it works on me.

She took it off and threw it over and I caught it.

Nicole: It only works on those that have plant powers.

Me: Fluttershy you would like this one.

I gave her Amulet and she put it on and got an amazing power boost!

Fluttershy: Goodness. That is amazing.

Me: Perfect for you Fluttershy.

Another Buzzshock: It sure is. Shall we dance?

Me: We shall. But Amelya you aren't the only one that got hit by lightning.

I pulled up my shirt and showed my scar on my back.

Camie: OOH! How did you get that!?

Me: I got struck by lightning while getting the mail for my mom and dad and I got badly burned on that area. But I also got intense lightning powers too.

Laney: That's like what happened with Paula as well.

Me: Yeah. I had no idea what hit me.

Another Buzzshock: Ouch!

Me: Yeah. Lightning travels at 220,000,000 miles per hour or 1 third the speed of light and it packs 1,000,000,000 volts of electricity and is 50,000˚Fahrenheit!

Lincoln: It's true. That is powerful.

Another Buzzshock: Wow!

Nico: (takes out Major Disaster's Ridewatch) You may control lightning. But how about an entire storm?!

Nico summoned an entire storm and fired waves of lightning and blasted Another Buzzshock all over the place.

Me: YEAH!

Kaito: (gets out Zyuranger gear) Remember when I first used this one?

Zocks: (gets out Jetman gear) It's when you and Secchan were sent back in time.

Me: I remember seeing that! That was so awesome!

Maria: It sure was.

Kaito got the Zyurangers sword and Zocks got the Jetman Sword.

Me: YEAH!

Another Buzzshock fired a wave of black lightning at me and I fired a massive blast of lightning and the blasts collided and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Electrifying!

Another Buzzshock zapped Vroon, knocking him down.

Vroon: (dazed) I don't want to ride the pony.

Me: To quote Ed, "Zappity Zap Zap!"

Nico: Ouch.

Me: But that was powerful. We're gonna have to overload her to get the ridewatch from her.

I then started to pull my hand back to fire a powerful blast of lightning but then a massive blast of lightning hit Another Buzzshock and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it.

Me: Whoa first Omnitrix Alien Ridewatch.

But then we suddenly surged with intense lightning and we got imbued with the Masters of Evil that use lightning!

Nico: WHOA! That was intense! But nice job J.D.!

Me: I didn't do anything.

Laney: It was from that up there!

We saw a BLUE CHROMATIC DRAGON!

Nico: A Blue Chromatic Dragon!

I went over to Amelya and picked her up. She was a girl with blond hair and she had purple clothes and she had purple eyes.

Me: Amelya are you all right?

Amelya San Diego: (Weakly) Oh man. What a headache.

Me: At least you're okay.

I picked her up.

The Blue Chromatic Dragon landed.

Blue Chromatic Dragon: (In a girls voice) (Russian Accent) Looks like that's it for that bad alien.

Nico: Sina Nicholaevna! Wow!

She reverted back and she was a girl with blue hair, blue eyes and blue clothes.

Sina Nicholaevna: (Russian Accent) Awesome to see you again Comrade Nico.

Nico: You too Sina.

I brought Amelya over.

Qin: Is she all right?

Me: She'll be fine. But I'm starting to feel lightning surging through me.

Amelya: Sorry.

Me: (Giggles) It tickles! Also Amelya can't walk.

Nico: I think it's time to fix both of your problems.

Nico snapped his fingers and she got the ability to walk again and she was now in full control of her powers!

Amelya: (GASP) I… I can walk!

Nico: I snapped my fingers and restored your walking.

Me: Also see if you can fire a blast of lightning over at that tree over there.

I pointed to a tree and she fired a wave of lightning and it blew it to smithereens!

Amelya: (GASP) I'm! I'm in full control too! Wow! Whoa! What will I tell my mom and dad!?

Me: It'll be a shock but we'll be there for you Amelya. Metaphorically speaking on that shock part.

Nico: Yeah.

Sina Nicholaevna: But it's great you're back to normal.

Amelya: It sure is.

Me: Wait Sina your last name is Nicholaevna, are you related to…

Sina Nicholaevna: I am comrade Knudson. I am the direct descendant of Tsar Nicholas II. He was my great great grandfather.

Nico: Which means that Anastasia is related to you too.

Eli: That is amazing.

Albedo: Boy it sure is.

Sina Nicholaevna: I agree comrades. But I saw you guys destroy that monster Scott. Good job.

Me: That was awesome.

Sophie: What's your favorite memory of Nico?

Sina Nicholaevna: I have a lot of awesome memories. But my favorites are where me and Nico were in Science Class and we did all kinds of experiments with my lightning powers. We worked on them all over that time.

Nico: We sure did.

Sina Nicholaevna: But my favorite was when a bully thug was hurting a friend of ours and I used my lightning powers to electrocute him and it rendered him brain dead for good.

Nico: Yep. What a heartless jerk he was.

Eli: A no good eel in the kelp.

Qin: (Laughs) That's true.

Nico and Sina hugged.

Nico: I really missed you Sina.

Sina Nicholaevna: Me too Comrade Nico. Me too.

Me: Now we have 2 members of the 5 Chromatic Dragons with us.

Eli: We sure do.

Hank (D&D): That's true. We sure do.

Nico: That's the 1st Another Omnitrix Alien down. And 99 to go.

Me: Yep. And I think I know which Gene-slammer is next.

Maria: Yep. Nico which one will you do next?

Nico: The Green Chromatic Dragon Gene-slammer.

Me: The Poison Gas Dragon.

Eli: That is gonna be a toxic one.

Qin: It sure will be.

Amelya: I have so much to learn now that I'm with you all.

Me: You'll adjust to it over time.

Camie: Yeah.

Nico: But I want to tell you all which gene-slammer is next later on.

Me: Okay.

We went back home.

Goku: That's right, Lincoln. I never thought we'd have to deal with those five ever again. But, from what we've seen, it looks like they refused to take a hint.

Me: Yeah, well, now it looks like we got to resort to more extreme measures.

Nico: Namely, The Black Gates for those five.

Lincoln: That's right. And thanks for joining us, Akiza.

Akiza: You're welcome, Lincoln.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and they're going to kill them.

Lincoln: Guys, I found the five girls, but they've been cornered by Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and they're going to kill them.

Suddenly, we saw the Duel Monster, Despair from The Dark, appear and it fired a dark energy blast and it destroyed Dr. Wheelo's mechanical body and sent his spirit to The Black Gates, and it also got the five girls away and straight to us, and Dr. Kochin, Ebifurya, Misokatsun, and Kishime were right behind them and were really enraged.

Nico: Whoa, that's the Duel Monster, Despair from The Dark, and it destroyed Dr. Wheelo and sent him to The Black Gates, but now, we've got to deal with Dr. Kochin, Ebifurya, Misokatsun, and Kishime.

Lincoln: Right, let's get them.

Then, Lincoln infused his massive broadsword with rainbow energy and the energy of The Black Gates and with four swift strikes, he cuts down Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and they all exploded with incredible power, killing them and sending them to The Black Gates for good. We cheer wildly as we holster our weapons and power down.

Lincoln: That's it for Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and they're never coming back ever. (To The Despair From The Dark) And it's so good to see you again, Sabrina Lorelai.

Despair From The Dark: (Crying) You… you still remember me, Lincoln, even after all this time?

Lincoln: (Smiles Warmly) Of course, you know I'd never forget about you.

Sabrina Lorelai reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful midnight black angel wings, and she reigned in the power of The Despair From the Dark, and she's dressed in a midnight black black short-sleeved blouse, sleeveless midnight black top, long midnight black skirt encrusted with jewels, black stockings with black lace designs, midnight black knee-high boots, and long sleeveless midnight black trenchcoat with shadows, darkness, and demons on the coattails, and Despair From the Dark on the back, and holstered on her back a large Despair From the Dark-themed greatsword with Despair From the Dark etched on the 7'0" massive, wide, double-edged midnight black blade, midnight black wings for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, and a large red gem surrounded by midnight black angel wings for the pommel.

But, we saw that she was crying and we also saw so much pain and sadness in her eyes, and she ran over to Lincoln and they hugged, and Sabrina Lorelai's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers, and she was crying hard into his bare chest, while he was still holding onto her and not letting her go.

Lincoln: It's been a long time since I last saw you, Sabrina. I haven't seen you since you were twelve, and as you can see, I really grew a lot since then.

Sabrina Lorelai: (Sniffles) Yes, you have. (Suddenly looks at Lincoln) (Really Surprised) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sabrina Lorelai, she's a powerful Goth Girl from Michigan who was born with immense cosmic powers over darkness, and she's a powerful master of The Dark Arts and black magic.

Me: That's really awesome.

Lincoln: It is, but she has a very tragic past: when she was twelve, a religious fanatic who gave in to his religious delusions launched a brutal attack on her and her parents, who hid her inside the closet. They refused to give him the location of Sabrina and they were brutally murdered by the religious fanatic who then left before the cops arrived. When Sabrina came out of her hiding place, she saw her parents brutally murdered and she was now all alone, and it was right from there that she swore revenge on the religious fanatic who murdered her parents and she swore to make him pay in blood.

We gasped in shock, as Sabrina Lorelai continued to hug Lincoln and cried really hard into his bare chest.

Nico: Oh, God. That's really awful.

Me: You said it.

Lincoln: And as soon as we saw cop cars at Sabrina's house and we saw the bodies of Mr. and Mrs. Lorelai taken to the morgue, we then saw Sabrina and she was really crying hard. I went over to her and I hugged her, and when she told me what happened, I was really horrified.

Lori: We all were, and what that religious fanatic did caused Sabrina to be an orphan and she was left with a very burning desire for revenge on the madman who took the lives of her parents. That was really evil.

Eli: I really hate those kinds of people.

Nico: Same here.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Sabrina Lorelai's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Sabrina Lorelai: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sabrina.

Sabrina Lorelai had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Sabrina Lorelai's waist and Sabrina Lorelai wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Sabrina Lorelai's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Lincoln: And don't worry, Sabrina, if that religious fanatic who killed your parents shows up, we're going to make sure he dies in a pool of his own blood for what he did.

Sabrina Lorelai: (Smiles) Thank you.

Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them, the five girls are Noel Kannagi, Rio Kazumiya, Phylicia Heideman, Kanata Sorami, and Kureha Suminoya from Sound of The Sky.

Lincoln: Oh wow, it's Noel Kannagi, Rio Kazumiya, Phylicia Heideman, Kanata Sorami, and Kureha Suminoya from Sound of The Sky.

Nico: Awesome.

Lincoln: Are you girls okay?

Noel Kannagi: Yes, we're okay, thanks to you.

Then, when Noel Kannagi and the other four girls saw who it was that wasted Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large

Noel Kannagi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Noel Kannagi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Noel Kannagi, Rio Kazumiya, Phylicia Heideman, Kanata Sorami, and Kureha Suminoya with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villains we went after were Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime who've come back from the dead and they want revenge on the Z-Fighters for destroying them.

But, when Lincoln showed what happened to Dr. Wheelo, thanks to Sabrina Lorelai, and what Lincoln did in wasting Dr. Kochin, Ebifurya, Misokatsun, and Kishime, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sabrina Lorelai have a lot of catching up to do, now that she's back in town, and when everyone heard about her tragic past, they were also shocked and horrified.

Maria: I can't believe that a religious fanatic was the one who murdered her parents long ago, and it left her with a desire for revenge.

Lincoln: I know, and I promised, if we ever run into that religious fanatic, he's going to pay for what he did to her parents with his life.

Nico: Yeah, what a monster, he deserves to pay for what he did with his life.

Me: Same here.

---

After getting rid of Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime and this time for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sabrina Lorelai saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sabrina Lorelai: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sabrina, and now, I can also defend myself, and in addition to getting stronger, I've also gotten

smarter as well.

Sabrina Lorelai: That's incredible.

Nico: It sure is. So, Sabrina, what good memories did you have with Lincoln?

Sabrina Lorelai: Well, I remembered that this one time in Art Class, we painted a beautiful portrait of Royal Woods, Michigan, before it became Gotham Royal York, and it was featured in an art show that took place in school.

We were amazed.

Me: Wow, now that's awesome.

Sabrina Lorelai: It sure is, but of course, I also had my role as Lincoln's Guardian Angel, and I also took on the demonic and out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at their worse, and this one time, we teamed up and we took them down when they gave into their Dark Sides and they wanted to kill him, his friends, family, and everyone around him. And I knew of his secret: that he's a vampire thanks to Adriana Ardelean Dracula's blood, and that he also has powers and immortality and invincibility, thanks to the blood of Varya Pozhar, Aurora Nightingale, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra.

Nico: Whoa, so you guys literally took down Lori, Lynn, Lola, Lisa, and Luan?!

Lincoln: Yep.

Luna: It was really epic, dude, they took down the five worst sisters in the family, and Lincoln and Sabrina put them inside five spheres of darkness, and when they told the parents of what the five demons tried to do, the parents grounded those five demons for eight weeks and we threw them in their rooms, but Lincoln also cut Lori off from her cellphone, Lynn from her sports equipment, Lola from her tea set and pageant dresses, Lisa from her science lab, and Luan from her comedy props and Mr. Coconuts by imprisoning them in spheres of darkness and with a dark curse he put on them.

This really got our attention quickly.

Nico: Wait, what?! He put a curse on their personal belongings for their punishment? What was it?

Lana: (Snickers) If Lori, Lynn, Lola, Lisa, or Luan tried to get to their precious belongings, they'd be subjected to getting tortured by illusions of Luan's pranks conjured up by the curse.

My jaw and Nico's jaw dropped to the floor.

Me: Whoa!

Nico: (Snickers) I wonder what happened to them when they tried to get to their belongings not even knowing Lincoln put a curse on them?

Sabrina Lorelai: When Lori tried to get her phone, a hair razor formed, and it shaved off her eyebrows again, when Lynn tried to get her sports equipment, she got buried in dirty clothes, when Lola tried to get to her tea set, her dresses wound up getting some mismatched colors, when Lisa tried to get her science lab running, she wound up getting sent into a diaper pail full of Lily's dirty diapers, and when Luan tried to get Mr. Coconuts, she was hit with a barrage of banana cream pies.

We laughed hysterically.

Nico: (Laughs) Oh man, now that was some serious payback, Linc.

Me: (Laughs) Remind me never ever to cross you.

Lola: When we saw that it was Lincoln's doing, we were really scared. We didn't think he was capable of getting payback.

Lori: But, he did. His Guardian Angels gave him the confidence and bravery to stand up for himself and stand up against us, and while it impressed the rest of the family and everyone else, it angered me, Lynn, Lola, Lisa, and Luan, specifically the Dark Sides, and they wanted blood.

Eli: Thank goodness they got The Black Gates for good, what a bunch of monsters.

Lincoln: Yep. And when their punishment was up, the curse I put on their items lifted and the spheres of darkness faded as well, and they did earn my forgiveness eventually.

Nico: Now, that's what I'm talking about, but didn't you fear any payback from them?

Lincoln: I did, but I remembered what my Guardian Angels told me: it's to stand up for myself, and to not let Lori, Lynn, Lola, Lisa, or Luan do this to me again or to anyone else.

Me: Awesome.

We got a shower afterwards, and then, Nico and his harem were heading to Splash Canyon in Sonic's world.

Nico snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in large red swim trunks with elemental forces and sandals, he had on his jewelry and weapons holstered in case of trouble.

And his harem were dressed in two-piece bikinis in their favorite colors, jewelry, colored sandals, and their weapons holstered in case of trouble.

Nico: Alright, ladies, are we ready?

May: We're ready, Nico.

Nico and his harem left the World Tree Estate and they arrived at Splash Canyon in Sonic's world.

Nico: Wow, so this is Splash Canyon, it's really awesome.

May: It sure is. Shall we?

Nico and his harem dived right into the waters and they began swimming in the waters, and they also saw the sea creatures and plants that live there. Then, they also were working on their tans in the sun by lying out on towels in the sand, and they also had fun playing some volleyball, and the girls in Nico's harem got an atomic blush when they saw Nico lift a heavy barbell that he created, and it weighed up to 900,000,000 pounds, and that's just a fraction of just how strong Nico is and is still becoming, then, they had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, Nico made clones of himself, and he and the clones went up to the girls in his harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and the girls in Nico's harem wrapped their arms around the thick muscular necks of Nico and his clones, and they shared an amazing and passionate super-charged kiss. Then, they came back home to the World Tree Estate, and back in their original clothes.

Me: Hey, Nico, how was your date?

Nico: Awesome, J.D., we went to Splash Canyon in Sonic's World.

Me: Nice.

Lincoln: I don't think we've been to Splash Canyon before on our dates.

Paige: You're right, we haven't.

Girl Jordan: I think we know where we're going for our next date.

---

Later we were back on the Moonlands in the Paradwyn land and we were there for another awesome treasure hunt as well as Fluttershy and Laval's bonding time.

Qin: Boy this is awesome.

Me: It sure is. The next treasure must be here in Paradwyn.

Edyn: That's so awesome that we're finding treasures here in the Moonlands.

Tony Jones: It sure is awesome.

Poromon: I agree there too.

Nico: Fluttershy, you and Laval are next for bonding time.

Fluttershy: Oh it's going to be so amazing.

Laval: It sure is.

Nico: You guys have a good bonding session. Like Qin and Mike, we made you a good picnic.

Me: Yep.

Fluttershy: Oh we'll have fun and you guys be safe finding the treasure.

Nicole: We will. And if we face Another Rider or Ranger…

Laval: We'll know you guys are facing him.

Me: Great. See you shortly.

We left and they had their picnic. It was all really amazing.

Laval: Fluttershy, I think it was a no brainer that you were picked for the missions in my world.

Fluttershy: Oh it was. Because your world is full of amazing creatures and so many beautiful things. With so many beautiful animal friends.

Laval: That's true. I think it's awesome that you liked my world.

Fluttershy: It was simply magical.

Laval: And you and the others aren't bad people for participating in the Ridonculous Race. The Multiverse wasn't left completely defenseless anyway.

Fluttershy: Oh no we weren't. I wouldn't ever think that way about anyone.

Laval: That's good. But you all learned so much with us about Chi.

Fluttershy: And those were amazing moves you taught us.

Laval: That was awesome. And so many of the evil tribes are now in the Masters of Evil.

Fluttershy: They sure are.

Laval: Except for Scorm.

Fluttershy: Oh yes. He was bad.

Laval: Oh yes he was.

Back with us we were searching for the treasure.

Nico: So what is the treasure we're trying to find this time?

Nicole: I'm glad you asked Nico. It's called The Sword of Paradwyn. It's a powerful Magim Sword that has the powers of the Moonland of Paradwyn. It can control flowers and so many more.

Nico: That is cool!

Nicole: It sure is.

Nico: Who's gonna get to wield it?

Me: How about someone that knows all about flowers?

Mimi Tachikawa: I'll use the sword.

Lillymon: That sword will look good for you Mimi.

Qin: I agree there too.

Nico: Same here. Nico: It's fitting considering you got back your cousin a few days ago.

Me: I argree there. That's awesome.

Nico: It sure is.

Nicole: And it looks like you'll get the sword.

We saw the Sword of Paradwyn. It was a sword with a pink blade and it had symbol of Paradwyn on it!

Nico: There it is!

Qin: It's beautiful.

Nico: Go for it, Mimi.

Mimi went up to the sword and pulled it out and then she got amazing pink and green fairy butterfly wings!

Nico: WHOA!

Me: Aeesome!

Nico: How do you feel?

Mimi Tachikawa: I feel incredible Nico. This is amazing!

Nico: WOW!

Qin: You look awesome Mimi.

Lola: Yeah!

Palmon: I'm so proud of you, Mimi.

Nico: We all are.

But then we heard eerie moaning.

Me: We got company.

We saw ANOTHER RANGER!

Me: Another Ranger.

It was ANOTHER RED 1 FROM BIOMAN! He looked like a really scary version of Red 1 from Bioman!

Me: Another Red 1!

Nico: Whoa!

Me: Man if Shirou saw this he would be pissed!

Homer: Wait. That Another Ranger looks familiar.

Nico: How can you tell? Who are you buddy!?

Another Red 1: (In a Woman's voice) You should know!

Homer: (GASP)

She reverted back and it was JUDGE CONSTANCE HARM!

---

Judge Constance Harm, simply known as Constance Harm, is a disciplinarian judge and a recurring antagonist in The Simpsons.

She was voiced by the repeat guest star Jane Kaczmarek.

Constance Harm is a harsh and unforgiving disciplinarian who enjoys creating cruel punishments for criminals in her court and frightening them with a miniature guillotine on the bench. For example in her first appearance, "The Parent Rap", where she was the main antagonist, she orders Bart and Homer to be tethered together, then later has Homer and Marge placed in miniature stocks around their head and arms after Marge breaks the tether, and she later has both of them spanked by people passing by in their cars.

She might be a transsexual based on a statement she makes during her first appearance in "The Parent Rap": "you remind me of me, when I was a little boy".

In "On a Clear Day I Can't See My Sister", she reveals she has a husband. Although Judge Snyder resolves court cases, Judge Harm has mainly been used for handing down negative verdicts, such as sentencing a family member to prison. She also appears in "Brawl in the Family", "Barting Over", "The Wandering Juvie", "Brake My Wife, Please" and "Chief of Hearts."

Despite her enjoyment of giving punishments, Judge Harm is willing to give those what they want the most, such as in the episode "Barting Over", upon hearing over Bart suing against Homer for emancipation after Homer stole all the money Bart used to make an advertisement as a baby. With the help of the Blue-Haired Lawyer, Bart makes a strong case by addressing over Homer's anger problems and how Homer swindled him of his money. As a result, Judge Harm declares Bart emancipated (despite explaining that he's too young be gain emancipation), stating of Homer's socipathic behavior and short temper that is endangering the court as the true reason why Bart shouldn't live with Homer. Furthermore, in order to recoup the loss Bart had suffered, Judge Harm declares that half of Homer's salary he gets from his job go to Bart until he is fully repaid. Realizing his mistake later in the episode, Homer agrees to treat Bart well, and signs up in a commercial to repay Bart of his losses.

---

Nico: (GASP) Judge Constance Harm!

Me: The woman that sent Bart to Juvie as well as got Homer and Bart tethered! (Season 13 Episode 2 & Season 15 Episode 16)

Judge Constance Harm: That's right and I'm going to make sure you all suffer for destroying Springfield!

Me: Springfield was the worst town ever! And it deserved to be destroyed for all the terrible things its people did!

Fluttershy sensed us battling.

Fluttershy: I think the others are in trouble!

Laval: Lets get over there fast!

They went over to us.

Me: Springfield had its chance Harm. And it blew it.

Qin: That's right! Springfield got what it deserved!

Nico: (takes out Number 7's Ridewatch) Bart might be a troublemaker. But he's also a good kid deep down. You're just dead set on punishing him to realize that. And don't call us no better than you. Our punishments for criminals are actually merciful compared to what you give out!

Me: That's right! You're not a judge at all! What you do violates the 8th Amendment! You condemn people to endure cruel and unusual punishment! And for that you will never be allowed to become a judge again!

Judge Constance Harm: On whose authority!?

Me: OURS!

Nico: (telepathically to me) J.D., we can't let Harm blab out Bart's prank calling to Moe. Otherwise, Moe's gonna strangle him!

Me: (Telepathically to Nico) Don't worry I don't intend to.

Nico: Also Harm, you abuse your power as judge.

Qin: I don't know what the Attorney General was thinking hiring a monster like you to be judge but you are NEVER GOING to be fit for being one!

Judge Constance Harm: You have no say in the matter! What are you going to do? Turn me over to the proper authorities?

Me: We ARE the Proper Authorities!

Nico activated Number 7's Ridewatch and got a backpack full of missiles and lasers.

Nico: YEAH!

Me: Now things are getting awesome!

But then a fireball appeared and we dodged it as it hit the ground and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Whoa!

Then we saw a figure come out and it was REIKA HANEHARA THE HEAT DOPONT!

---

Reika Hanehara is a member of NEVER and a supporting antagonist in Kamen Rider W Forever: A to Z/The Gaia Memories of Fate.

Reika uses the T2 Heat Memory to transform into the Heat Dopant.

Reika was originally a serial criminal who was gunned down while attempting to escape from Alcatraz Prison to avoid the death penalty. She was later revived by Katsumi Daido as a Necro-Over, becoming the newest member of NEVER. Coming to grips with her new existence, Reika hates the cold feeling of her undead body.

Reika and the rest of NEVER later took part in a mission to save the Quarks being experimented on by Doctor Prospect, only for the doctor to kill them all. Reika was unnerved at Katsumi's change in personality from witnessing their deaths, but believed there was some good left in him and continued to serve under him.

Reika later took part in the mission to Futo City to recover the 26 T2 Gaia Memories so Katsumi could use them to turn the population of the city into Necro-Overs. She fought Kamen Rider Joker but was defeated and fatally wounded by his Rider Kick Maximum Drive. As she begins to disintegrate, Reika manages goes Futo Tower and begs Daido for help, but her leader rejects her as just a tool. As she curses Daido for his cold heartedness, she falls into Shotaro's arms and fades away.

---

Nico: Reika Hanehara!

Me: The Heat Dopont! We haven't faced you on any of Nuju's missions.

Reika: That's because I was dead.

Me: Then that must mean we're going after Katsumi as either the secondary or main target on August 3rd.

Reika: Yes.

Bart realized that he couldn't keep hiding his prank calls from Moe forever.

Bart: Moe, in case we die, there's something I need to tell you.

Moe: Bart, can it wait?

Bart: No! This is something I have to get off my chest.

While this was happening, I fired missiles at Harm.

KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMMM!

Nico: Bart what are you gonna do?

Me: Uh oh. Nico I think Bart wants to tell him.

Bridget Branley: And I think I know why Reika is here. She wants to challenge one of us.

Reika: That's right.

Bridget Branley: I'll face her.

She flared up her fire aura and walked up to her.

Harm turned into Another Red 1!

Bart: It was me, Moe! I was the one prank calling you!

Another Red 1: Dammit! I was gonna blab it out to him!

Moe: WHAT!?

I then went and grabbed Moe!

Me: MOE! Let him explain!

Bart: It was all because of me! I prank called you for a good laugh.

Barney: Wait those joke calls you did were all from you Bart!?

Lenny: Wow that is really funny!

Carl Carlson: Yeah they were awesome!

Moe: Wow.

Me: Also Moe remember that prank call that was made to Rotwood and his posse? That was me. I imitated Bart and did it.

Moe: That's really good!

Bart: I remember that!

Reika: So you're half Fire Elemental? That's incredible.

Bridget: That's right. My mom is a Fire Elemental and my dad is human. I'm a hybrid.

Reika: That's cool.

Reika and Bridget fought each other, with Nico backing Bridget up.

Nico: While Katsumi did commit crimes against Futou, I do realize he was a good man before. I just hope we can talk things out with him before it's too late!

Reika: He was made insane because of Foundation X.

Nico: I know. I remember that. But you'll be happy to know that I wiped out all of Foundation X. It's now nothing more than a burning crater and I stripped them of all their powers.

Reika: Wow.

Moe: (to Bart) So, you didn't have any bad intents behind those prank calls?

Bart: No I didn't.

Me: He's telling the truth Moe.

Maria shot a blast of water at Another Red 1.

Maria: Bart didn't mean any harm. But you got to admit all those prank calls were funny. All the patrons at your bar got a good kick out of them. Even Barney.

Maria played a montage of all the pranks Bart did on her phone and it was awesome and funny.

Moe: Wow.

Bridget fired balls of fire and blasted Reika all over and she fired balls of fire and blasted at Bridget who redirected the fireballs back and they hit Reika all over.

Bridget: Your fire powers are incredible.

Reika: So are yours.

Woz: Also, Lord Nico, I forgot to tell you this. But my demon king and the others did encounter Kamen Rider Eternal before.

Nico: What happened?

Woz: Sougo managed to trick Eternal into destroying the Another Worlds with the Trinity Ridewatch and his own Maximum Drive. In the end, Eternal accepted his demise and gave Sougo a thumbs up before vanishing.

Nico: WHOA! I remember seeing that on TV.

Bridget: Wow that is incredible!

Bridget fired a blast of fire and it hit Reika and knocked her down.

Bridget went up to her and held out her hand and Reika got up.

Bridget: You would make an awesome archenemy for me Reika. But you did not deserve to be treated like a tool like that. You would be much better suited to work with Vypra.

Reika: You really think so?

Bridget: I sure do.

Bart: (to Moe) So, no hard feelings?

Moe: Oh you're right. No hard feelings.

Me: Whew.

Nico: That's a relief.

I let Moe go.

Another Red 1: Big deal! He is just a pathetic impudent rotten troublemaking kid!

Me: You need to pull that stick out of your butt Harm! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Try this on!

I put on Tiamat's Wizard Ring and activated it and fired waves of lightning, fire and ice and blasted her all over the place.

Ben turned into Upgrade.

Upgrade: Since Bioman is robotic based, think I can merge with her?

Me: Give it a try.

He went and merged with her!

Another Red 1: WHAT THE!? GET OFF ME!

Upgrade: It worked!

Ben then made Another Red 1 hit herself all over!

Upgrade: Stop hitting yourself! (POW!) Stop hitting yourself! (BLAM) Stop hitting yourself! (POW) Stop hitting yourself! (SMASH) Stop hitting yourself!

We laughed hysterically at her!

Upgrade: And now, to get the Ridewatch out of you.

He grabbed it and then pulled it out successfully and threw it at me and I caught it and purified it!

Me: Nice job Ben!

He came back and Judge Harm was unconscious. But then we saw Bioman weapons appear in our hands and they were laser sabers and blasters all imbued with the powers of the M.O.E., core and non-core.

Me: Cool! Laser Sabers and Blasters of Bioman imbued with the powers of the M.O.E.!

Nico: Wow! Star Wars meets Bioman.

Lola: Cool!

We went back to the estate. Judge Harm was sentenced to the Neptune Prison for her crimes and was now a convicted criminal. She abused the powers of law and order for her own ways and now she will never be permitted to become a judge or lawyer again.

* * *

Back at the estate we were watching a movie.

Konan: What are we watching again?

Me: One of my favorite movies. It's Mr. Magoo. This next mission is to honor the late Leslie Nielsen.

Everyone then took off their hats and put their hands on their chests and had a moment of silence for him. Then we got to watching the movie.

---

Mr. Quincy Magoo, a wealthy but extremely near-sighted canned vegetable factory owner, goes to the museum to attend a party. While there, Waldo, Mr. Magoo's nephew, spies a woman named Stacey Sampanahoditra, on whom he develops a crush. Later that night, jewel thieves Luanne LeSeur and Bob Morgan steal the museum's beautiful ruby "The Star of Kuristan" and escape on a boat to Austin Cloquet, Bob's boss.

Meanwhile, Mr. Magoo and his dog Angus go fishing in the same area as the jewel thieves' boat. Luanne picks a fight with Bob and in the scuffle, they lose the ruby which lands in Mr. Magoo's boat unbeknownst to Magoo. Bob goes after the ruby but fails by falling onto the paddle wheel of a paddle boat.

At the museum, the curator and Stacey send two agents: Gustav Anders of the CIA and Chuck Stupak of the FBI to track down the ruby and spy on Mr. Magoo, who they believe stole the ruby. Stacey mentions she was invited to the opera where the Magoos go that night. Anders and Stupak also visit the opera to look for Mr. Magoo who is in the show. At the opera Mr. Magoo meets Luanne who pretends to be a magazine reporter and uncover FBI agent named Prunella Pagliachi. She wishes Mr. Magoo luck at the opera, who immediately takes a liking to her. Stupak sneaks on the stage and fails to find any clue about Mr. Magoo with Mr. Magoo accidentally hitting Stupak with a big tool.

The next morning, Luanne tricks Mr. Magoo into taking her to his house with an injured ankle. Stupak finds a notebook with Luanne's fingerprints on it and realizes who Mr. Magoo is with. He and Anders go to Mr. Magoo's house where Stupak sneaks in looking for the ruby. Mr. Magoo and Luanne arrive at the house and Stupak hides from them. Bob sneaks into Mr. Magoo's house and finds the ruby. Upon being caught in the act, he steals Mr. Magoo's prized Studebaker with the Magoos and Luanne chasing after him in Magoo's Eggplant-mobile. Bob loses them and brings the ruby to Austin.

Austin plans an auction for his criminal friends from around the world and shows them the ruby. Mr. Magoo disguises himself as Ortega Peru, a thief from Brazil who never goes anywhere and joins the auction which is taking place in a communal indoor pool. However, he is discovered when the fake tattoo on his chest is washed away by the water. Luanne breaks up the auction, steals the ruby, and escapes on a snowmobile away from the lair. The government arrests Austin and his friends while Mr. Magoo gives chase on an ironing board and winds up in the middle of a women's skiing competition. Waldo and Angus sneak out of the lair, catch up with Magoo, and track down the ruby.

Angus sees Luanne in disguise as an old woman and spills her purse which gives Mr. Magoo and Waldo a clue about where Luanne is going. The Magoos follow Luanne to Brazil where Waldo spies on the real Ortega and his friends. Mr. Magoo steals a bride dress from Ortega's girlfriend Rosita and is led to the wedding. Mr. Magoo steals the ruby from Ortega and finds himself being chased by Peru's men, the government agents and Luanne. Magoo then is trapped on a raft just before it goes over a waterfall but manages to invert the raft like a parachute so he can gently float to safety. He and Waldo return the ruby to the museum with the government arresting Ortega, Luanne and the people from Brazil.

Mr. Magoo and Angus go home after returning the ruby back to the museum.

---

When the movie was done we were laughing hysterically!

Nico: (LAUGHS) THAT WAS SO FUNNY!

Lola: (LAUGHS) THAT WAS AWESOME!

Me: That always makes me laugh too!

Naruto: May Leslie Neeson rest in peace.

Me: You said it bro.

Eli: But that was funny.

Me: Yep. And this next treasure hunt we're going on is also our latest mission.

I pulled out a newspaper. It said YEL ANA EMERALD STOLEN FROM CAIRO MUSEUM!

Nico: The Yel Ana Emerald was stolen!?

Me: Yep and it's all because of this man.

I showed another newspaper and it said "Notorious Thief Austin Cloquet Escapes from Prison!"

Nico: Austin Cloquet escaped!? Oh man!

Laney: Whoa!

Me: Yep. He busted out of prison 3 days ago and he stole the emerald.

Twilight Sparkle: That's terrible!

Me: Yep.

Mixmaster: How about we test out the new Bioman weapons in the backyard?

Nico: Good idea.

We went to the backyard and we had training dummies set up.

Nico pulled out a Bio Sword imbued with Myotismon's powers.

Nico: CRIMSON THUNDERSTRIKE SWORD!

Nico slashed numerous dummies and cleaved them in half.

Qin: WHOA!

Jazz: Who wants to go next?

Me: I'll go.

I went up to a bunch of dummies and blasted them with a Lord Drakkon Bioblaster and blasted them to bits!

Qin: YEAH!

Eli: Nice one!

Ed: Pass the mustard!

Eddy: Shut up Ed!

Nico: I just realized the difference between Katsumi and Gremlin.

Diamond Tiara: What's that?

Nico: Gremlin's a complete scumbag his whole life. Katsumi was actually a good person before the event that made him who he was.

Me: Gremlin will get the black gates where as Katsumi will get eternal servitude to the M.O.E.

Eli: Yes he will.

Nicole: Also I have a pretty good idea where Cloquet might be. He's over in Arderial in the Moonlands. And we're going there for our next treasure. Perfect timing..

Lola: Neat!

Cad Bane, Beetle, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash and Major Disaster then came.

Cad Bane: Can me, Beetle, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash and Major Disaster go with you guys?

Nico: Yes you sure can.

Me: We're going to Arderial for another awesome treasure hunt.

I explained the sitch and more.

Tae Kwon Crow: Nico, which Gene Slammer do you think you'll meet next?

Nico: I already told this to Maria but not everyone else. We'll go meet a Green Chromatic Dragon gene-slammer next.

Me: The Poison Gas Draon.

Eli: Yep.

Qin: That will be cool.

Moe: Look, Bart. I was a bit annoyed when you told me. But I really am glad you told me yourself.

Titanium Man: He told you about the prank calls, didn't he?

Moe: Yep.

Bart: I'm glad I told you too Moe.

Qin: Very noble of you Bart.

Meowth: Let's get a move on.

Nico: You read my mind Meowth.

Nicole: Lets go find us a treasure and bag ourselves an escaped jailbird!

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, what's up?

King Kai: (Telepathically) I've got some bad news: Frieza's loyal soldier, Cui, is on the loose, and he's out for revenge on what you guys did to Frieza last year.

We gasped in shock.

Vegeta: Should've known Cui would one day show up.

Me: He's looking at getting The Black Gates for this one.

Lincoln: Wait a second, J.D., I have a better idea. Instead of giving Cui The Black Gates, we're going to have him recruited into The Masters of Evil. I know it's a bad idea given the fact that he served under that sadistic tyrant, but he'll be supervised under Vypra, and he'll also have the Hinon's Vengeance Curse on him.

Nico: That's a great idea, Linc. Now, the question is who's going to face him?

Wile E. Coyote: That'll be left to me, Calamity, and Tech, Nico.

We gasped in shock.

Bugs Bunny: Wile, are you, Calamity, and Tech sure about this, doc?

Tech E. Coyote: We are, Bugs, and like Lincoln said, Cui will be recruited into The Masters of Evil, but not before we rough him up, and don't worry, I'll make sure Wile and Calamity limit the explosives they'll use on him.

Nico: Why do I have the feeling that Wile and Calamity are going to go against the orders and they're going to use a ton of explosives on him?

Suddenly, we saw Wile E. Coyote and Calamity Coyote load up tons of explosives, and we knew that it meant they're going against Tech's orders and they're going to bombard Cui with tons of explosives when he shows up.

Me: Should've seen that one coming.

Lincoln: That's a lot of explosives they're going to use to bombard Frieza's loyal soldier with.

Nico: (Snickers) Given their history with dangerous explosives, I'm not surprised, Linc. Though I hope they don't make too much of a mess. Alright, gang, let's go, we've got another treasure to find.

Lincoln: And another villain to deal with. Though I don't know why, but I've got the feeling today's mission is going to be one of the goofiest battles ever.

Me: Same here, Linc.

Nico: Me too.

We were off to Arderial!

---

We arrived in the Moonland of Arderial.

Nico: Here we are.

Me: Arderial's looking as beautiful as ever.

Camie: Boy it sure is.

Multiple Man: Let me clone an army just in case.

Nico: Go for it.

Multiple Man made 310 copies of himself.

Nico: So what treasure is it we're trying to find?

Nicole: It's called The Wings of Arderial. It's a legendary pair of jeweled wings imbued with lightning and it has the ability to leave behind a powerful trail of rainbow light when in flight.

Me: That is cool!

Lightspeed: Just like how I leave behind a rainbow trail.

Rainbow Dash: Same with me.

Jinx: So, Nico, When did you take down Foundation X?

Maria: (grins) It was after Nuju's final mission. Me and William actually dared him to do it before breakfast.

Jinx: Ooh nice.

Nico: And it was the best dare ever.

Me: And Foundation X had it coming.

Multiple Man: Also to be honest I was not really expecting Reika to show up with Judge Harm.

Nico: Boy me neither. But that was awesome.

Me: I hope she doesn't mind if we kill her former teammates. I remember seeing those douchebags on TV and they were bad news.

William: I don't know if we're killing the others. But if we see Kyosui Izumi, we're definitely getting rid of him and putting him in the Book of Vile Darkness.

Blizzard: Why's that?

William: The guy's a sadomasochist.

Me: Yeah that guy is a total douchebag. He was that Luna Dopont and he was just as fucked up as Cletus Kasady.

Girl Jordan: If I see that monster I'm definitely ripping his head off if he is like that.

Blizzard: Finally someone Girl Jordan hates just as much as Carnage.

Inque: I think Eiji defeated him before.

Me: I remember seeing that. That was so awesome! On August 4th when we take down the OOO Kamen Riders enemy that we're going after we'll tell them that was awesome.

Qin: Boy it sure was.

Me: On August 1st thru the 14th we're going to be really busy.

Major Disaster: And Nico? Nice job using my Ridewatch today.

Nico: Thanks Paul. It was awesome using a storm like that.

Me: It sure was. Amelya how are you feeling now?

Amelya: I am feeling really amazing. For the first time in 8 years I can now walk and I don't have to wear that rubber suit ever again.

Me: That's great.

Major Disaster: Wait what?

Me: When she was struck by lightning she was not only crippled but was given lightning powers that were so incredibly strong that she couldn't control them. She always overloaded everything around her. Her mom and dad put her in a rubber suit to stop the lightning from escaping.

Amelya: It's true. Nico cured me too.

Nico: Yep.

Luxord: Nico used your Ridewatch to fight her.

Amelya: I saw that. It was cool!

Hannah Paine: That was really awesome. And I know what it's like being a Megawhatt. I'm a Megawhatt gene-slammer and it's really electrifying.

Amelya: That is really amazing!

Me: Really shocking too.

Whiplash: Against Cloquet, I recommend explosive eggs.

Nico: Ooh! I like that.

Me: I would use exploding penguins.

Billy and Irwin: OH YEAH!

Nico: That is funny.

Qin: That is gonna be funny.

Mandy: I remember that movie.

Air Man: What was it like?

Mandy: Eh it was really action packed. Billy and Irwin laughed at penguins blowing up.

Me: That is cool.

Nico: I think I got lots of techniques for that.

Silver Samurai: Who gets the treasure this time?

Me: I think it's obvious. Amelya will ger it.

Nicole: Good idea dad.

Qin: I think it's awesome that we're going to have a humiliation battle. I like these battles.

Amelya: Humiliation battle?

Me: It's a battle where we use pranks instead of our powers that destroy.

Amelya: Oh wow!

Qin: Yeah we get a great laugh out of them.

Bounce Man: (to Amelya) Not only do you regain your legs. But you also get a new weapon.

Amelya: I sure do.

Me: Yeah. We should use the Spicy Ridewatches, Eyecons and Legend Items on Cloquet.

Nico: Hey not a bad idea.

Amelya: I heard about that you are a true spice demon J.D.

Me: Oh you bet I am.

I pulled out a jug of Cajun Fox's hot sauce that I used earlier and I drank it.

Me: (BURPS OUT FIRE!) Ahh!

Amelya: You are really tough J.D.! Mind if I try some of that?

Me: Think you can handle it?

Amelya: You bet I can.

She drank some of the sauce and it was delicious to her.

Amelya: Wow! That is good stuff. (BURPS) Wow that is awesome.

Me: Wow! You are a spice demon too.

Cheshire: Go ahead and pull the wings out.

Nicole: First we got to find them. And according to my map and treasure finder on my bracelet it's right… (Sees the wings) There!

We saw the wings and they were on an alter and they were sky blue crystal wings with rainbow crystal feathers and they were beautiful and amazing.

Nico: Wow!

Nicole: The Wings of Arderial. They are amazing.

Amelya: Here we go.

Amelya went over and got the wings and then they went over to her back and she was enveloped in a massive flash of rainbow light and she got amazing angel wings!

Nico: WHOA!

Me: Wow! Amelya you look amazing!

Amelya: Wow! I sure do! I can now fly!

Me: I'll have to teach you how to fly with wings.

Wood Man: Got any Ridewatches for us, Nico?

Nico: Just the ones for Zi O, Geiz, and their copies. And I'm also planning to assign the Dino Fury Ridewatch and its' copy once we take care of Another Dino Fury Red.

Me: Zi-O next. I'm sure Sir Ivan would be more than happy to get a copy of Woz's Ridewatch.

Nico: That's not a bad idea. And Princess Luna would like Tsukuyomi too.

Me: Because Tsukuyomi is the Goddess of the Moon in Japanese Myth. That's cool.

Clyde for Zi-O, Sasuke for Geiz and Littlefoot for Dino Fury. Sam S.L., M.J. And Aqua for originals.

Boomerang: (Australian Accent) Someone's coming.

We hid.

Then a figure came and it was AUSTIN CLOQUET!

Nico: There he is.

Charmcaster: Entrance time.

We went at him.

Austin saw the wings gone! But then the spirits of the Red Rangers appeared and they swirled around him and then converged and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from above him and then a phoenix cry was heard and we came out and I zoomed fast and tied him up to a post.

Nico: Nice!

Cloquet: Untie me now!

Me: Not gonna happen Cloquet. We have our battle first.

Nico: Yep.

Me; First…

We frisked him and then we found the emerald!

Me: There's the emerald!

Nico: (Whistles) That's a beautiful one.

I smirked and pulled out a special flute and out of a portal came THE EXPLODING PENGUINS!

They walked up to Cloquet and then…

---

6 of them exploded and Billy and Irwin laughed.

Then Tala, Trumbipular, Toiletnator, Dark Laser, Ebon, Eccentro, Whirlwind, Vanitas, Atomic Skull and Comic Book Guy came.

Nico: Tala, Trumbipular, Toiletnator, Dark Laser, Ebon, Eccentro, Whirlwind, Vanitas, Atomic Skull and Comic Book Guy

Tala: The Spicy Ridewatches, Eyecons and Legend Items will be used on Cloquet.

Trumbipular: The normal Eyecons and Ridewwatches will still be used in the battles though.

Nico: I know.

Toiletnator: It's only fair.

Me: True.

Dark Laser: (to Nico) Nice job getting rid of Scott.

Nico: Thanks.

Ebon: The asshole deserved it.

Eli: Yes he did.

?: That's for sure.

A figure came out and it was COG CHANGER from episodes 47 & 48 of Zeo.

---

The Cog Changer was created to plant evil Cog wheels on the Zeo Rangers' Zeo Jet Cycles and thus destroy them. He was capable of replacing the cogs on the Zeo Jet Cycles with evil ones that would cause the Rangers to lose control of the cycles. As such, the Zeo Cycles ended up getting destroyed by ramming into a large barn where a huge fire started and spread to some barns. Once they survived, Cogs arrived and he powered them up to make them almost immune to any of the Zeo Ranger attacks. Thinking that they would be destroyed, he left the scene shortly before Impursonator arrived and thrashed the Zords.

Whilst she was pinning down the Zeo Megazord, he fired a cog into the Zord's mechanics which later made it break free with Billy in it. They rescued him but Cog Changer took over the Megazord. The Rangers deployed in the Super Zeo Megazord but they were evenly matched until Impersonator took over the Megazord by blasting all of them out before the two formations fought. Eventually, they tricked Impersonator out of the Megazord whilst Kat and Tanya destroyed the control cog in the Megazord with Tanya's Power Pod Sword and stabbed him out of the formation which made him then flee.

Eventually, Rita Repulsa and Lord Zedd teamed up with King Mondo to try and destroy the Rangers so some Cogs were sent down with the two monsters. They confronted the Zeo Rangers in the city's main square but the Alien Rangers appeared with them and both sides went into an attack. A short battle then ensued, ending with Impersonator being taken out with the Aquitar Ranger Blast and Cog Changer being taken down with the Zeo Cannon.

Rita and Zedd made Impursonator grow and Klank and Orbus did the same for Cog Changer so the Rangers summoned the Super Zeo Zords. The two sides were evenly matched, even giant versions of the Advanced Zeo Laser Pistols having no effect on the monsters, before Sprocket came up with the idea to merge the monsters into one super powerful monster. Mondo gave the order, and as their last-ditch effort, Impursonator wrapped herself around Cog Changer's head and upper body, becoming an armor of sorts. This combined form serves as the final monster in Zeo.

The Super Zeo Megazord, despite its power, was unable to destroy the combined monsters alone, so the Zeo Rangers called in the Zeo Megazord, the Red Battlezord and the Warrior Wheel. The Rangers - via the Zords - tossing the Warrior Wheel around the teo monsters allowed them to knock them both down with an energy tornado before building enough power to ultimately destroy them for good with the Warrior Wheel's Power Slam.

Tommy Oliver: Cog Changer!

Cog Changer: Been a long time Rangers.

Me: I remember you! You were created to destroyed the Zeo Jet Cycles.

Cog Changer: that's right. Good memory

William: Your episode was when the Zeo Ranger and Alien Rangers first teamed up.

Cog Changer: I think that was the first Ranger teamup.

Nico: That sure was and that was so awesome.

Cog Changer: Yeah it was.

Me: Wait Nico I just remembered something. There actually was an American Adaptation of the Kamen Rider Series after all. It's called the Masked rider and the Rangers got some help from the American version of Black RX.

Nico: Oh wow! Hey you're right! So America did adapt the series.

Me: Yes but only for 2 series. The first part was for a Sega CD game back in 1994.

Nicole: Masked Rider ZO for Sega CD! I remember that one!

Me: Yep. And then out came Masked Rider Black RX. Dex Stewart was his name. And then in 2008 came Kamen Rider Dragon Knight.

Nico: That's right! Wow!

Eli: I didn't know about that bro.

Lola: Yeah! So America has only 2 series of riders!

Me: Man what a ripoff!

Nico: No shit there!

Tala was first.

Starshine Sparkle: Boy he sure did. He was an absolute jerk!

---

The Toiletnator was next.

Toiletnator: (to Layla) I heard Lincoln's rescue was in Innistrad. How was it?

Layla: It was really fun. We took down Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime and destroyed them and sent them to the Black Gates.

Princess Luna: That's five more of Goku's enemies down the drain.

Moondust: Especially for all the crimes they've done against nature.

Snowdrop: Yeah those guys deserved to be destroyed.

Gari: I agree. Especially for how he tried to take Goku's Body and destroy the entire planet.

Blackout: Yeah he deserved it too.

Toiletnator: Big time. Lets do it!

Layla activated her ridewatch and eyecon.

## Sabrina Mason, Princess Celestia, Amber Morning, Light Skylanders, Jinx and Kitten VS Dark Laser - Meeting A Despair from The Dark Gene-slammer

---

Dark Laser was next.

Dark Laser: (to Sabrina) I heard you guys met a Despair from The Dark Gene-slammer. What's her name?

Sabrina Mason: Her name is Sabrina Lorelai and she is a goth girl with an incredibly dark and tragic past.

Sabrina told him everything that happened to her because of that monster church leader and he was shocked!

Dark Laser: Oh man! That's horrible! Poor girl. She went through a nightmare.

Princess Celestia: Yeah it was really sad.

Amber Morning: Yeah she had EVERYTHING stolen from her! He killed her entire family in cold blood and made her an orphan. But she is a really awesome Guardian Angel for Lincoln too.

---

Sabrina Lorelai: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sabrina, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sabrina Lorelai: That's incredible.

Nico: It sure is. So, Sabrina, what good memories did you have with Lincoln?

Sabrina Lorelai: Well, I remembered that this one time in Art Class, we painted a beautiful portrait of Royal Woods, Michigan, before it became Gotham Royal York, and it was featured in an art show that took place in school.

We were amazed.

Me: Wow, now that's awesome.

Sabrina Lorelai: It sure is, but of course, I also had my role as Lincoln's Guardian Angel, and I also took on the demonic and out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at their worse, and this one time, we teamed up and we took them down when they gave into their Dark Sides and they wanted to kill him, his friends, family, and everyone around him. And I knew of his secret: that he's a vampire thanks to Adriana Ardelean Dracula's blood, and that he also has powers and immortality and invincibility, thanks to the blood of Varya Pozhar, Aurora Nightingale, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra.

Nico: Whoa, so you guys literally took down Lori, Lynn, Lola, Lisa, and Luan?!

Lincoln: Yep.

Luna: It was really epic, dude, they took down the five worst sisters in the family, and Lincoln and Sabrina put them inside five spheres of darkness, and when they told the parents of what the five demons tried to do, the parents grounded those five demons for eight weeks and we threw them in their rooms, but Lincoln also cut Lori off from her cellphone, Lynn from her sports equipment, Lola from her tea set and pageant dresses, Lisa from her science lab, and Luan from her comedy props and Mr. Coconuts by imprisoning them in spheres of darkness and with a dark curse he put on them.

This really got our attention quickly.

Nico: Wait, what?! He put a curse on their personal belongings for their punishment? What was it?

Lana: (Snickers) If Lori, Lynn, Lola, Lisa, or Luan tried to get to their precious belongings, they'd be subjected to getting tortured by illusions of Luan's pranks conjured up by the curse.

My jaw and Nico's jaw dropped to the floor.

Me: Whoa!

Nico: (Snickers) I wonder what happened to them when they tried to get to their belongings not even knowing Lincoln put a curse on them?

Sabrina Lorelai: When Lori tried to get her phone, a hair razor formed, and it shaved off her eyebrows again, when Lynn tried to get her sports equipment, she got buried in dirty clothes, when Lola tried to get to her tea set, her dresses wound up getting some mismatched colors, when Lisa tried to get her science lab running, she wound up getting sent into a diaper pail full of Lily's dirty diapers, and when Luan tried to get Mr. Coconuts, she was hit with a barrage of banana cream pies.

We laughed hysterically.

Nico: (Laughs) Oh man, now that was some serious payback, Linc.

Me: (Laughs) Remind me never ever to cross you.

Lola: When we saw that it was Lincoln's doing, we were really scared. We didn't think he was capable of getting payback.

Lori: But, he did. His Guardian Angels gave him the confidence and bravery to stand up for himself and stand up against us, and while it impressed the rest of the family and everyone else, it angered me, Lynn, Lola, Lisa, and Luan, specifically the Dark Sides, and they wanted blood.

Eli: Thank goodness they got The Black Gates for good, what a bunch of monsters.

Lincoln: Yep. And when their punishment was up, the curse I put on their items lifted and the spheres of darkness faded as well, and they did earn my forgiveness eventually.

Nico: Now, that's what I'm talking about, but didn't you fear any payback from them?

Lincoln: I did, but I remembered what my Guardian Angels told me: it's to stand up for myself, and to not let Lori, Lynn, Lola, Lisa, or Luan do this to me again or to anyone else.

Me: Awesome.

FLASHBACK ENDS

Dark Laser: Goodness! Wow!

Spotlight: Yeah that was cool! But it was horrible all that her family was taken from her!

Sabrina Mason: And she is now totally hellbent on getting revenge on that monster! She wants nothing more than to kill him and avenge her family.

Nico: I knew there's no mistaking that voice from anywhere. You can come out now, Cui.

Suddenly, we saw a figure rushing towards us to kill us, it was none other than Cui, Frieza's loyal soldier.

Wile E. Coyote: About time he showed up. Now, here's our little surprise to welcome you.

Wile E. Coyote and Calamity Coyote threw two lit-up bombs, and they exploded as they hit Cui, and he crashed into the ground.

Nico: Nice shot, you two.

Vegeta: It's been a while, hasn't it, Cui?

Cui: You, you're going to pay for what you all did to Lord Frieza, especially you for what you did to me, Vegeta.

Suddenly, Cui saw all of the Saiyans that were killed by Frieza who've since been brought back to life, and this horrified him. But, before he was about to attack, Wile E. Coyote, Calamity Coyote, and Tech E. Coyote got in the way and were standing in front of him.

Wile E. Coyote: That's not going to happen, Cui. If we didn't have any other plans for you, we'd be free to kill you right where you stand.

Tech E. Coyote: But, that's not going to happen. Instead, we're going to really rough you up badly for everything you've done for serving Frieza, you freak.

Suddenly, the eyes of Wile E. Coyote, Calamity Coyote, and Tech E. Coyote turned neon blue and neon green, and they were surrounded by yellow, red, and green energy auras with rocks, Earth, explosives, gadgets, green lightning, green fire, coyotes, and stars, they unholstered their massive swords from their backs, and as they approach Cui, they left yellow, red, and green energy, rocks, Earth, explosives, gadgets, green lightning, green fire, coyotes, and stars with every step.

Wile E. Coyote: Frieza got exactly what he deserved for the crimes he'd committed against the entire universe, Cui.

Tech E. Coyote: And the same went with his loyal followers, and for what he did in wiping out the entire Saiyan race. And now, it's your turn to suffer, Cui. I hope you're ready for an eternity of pain and suffering.

Suddenly, Wile E. Coyote, Calamity Coyote, and Tech E. Coyote were surrounded by massive vortexes of yellow, red, and green vortexes with rocks, Earth, explosives, gadgets, green lightning, green fire, and stars surrounding it, there are three coyotes running around the vortexes, and in the vortexes are phoenixes of different colors. Then, as the vortexes faded, Wile E. Coyote, Calamity Coyote, and Tech E. Coyote emerged, but they were changed forever.

Wile E. Coyote grew to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and he still retained his eight-pack abs, he has yellow highlights in the bangs of his full head of long wild brown hair going down to the bottom of his neck, he retains the yellow sclera of his eyes and red outline on his eyes, he has neon blue eyes and a yellow energy aura with Earth, rocks, fire, explosives, and coyotes surrounding him, he has a coyote with a stick of dynamite in its paws emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with brown gems on the gold rock-shaped links and brown crystal links and a green coyote-shaped Element of Harmony and on the bottom of the yellow coyote-shaped Element of Harmony is a coyote with yellow gems for eyes and the Earth and Eternity Kanjis in its paws for the pendant on his bare chest, he has on a pair of black pants, black leather knee-high combat boots, and tattooed on his now wider and more muscular back is a phoenix, coyote, and the Warner Bros. logo with earth and fire surrounding them. Suddenly, Wile E. Coyote felt a sharp pain on his now wider and more muscular back, and then, massive brown angel wings with yellow tips on the brown feathers, sprouted out from his now wider and more muscular back, and his brown-furred tail grew much bigger for his new body. Wile E. Coyote has on a Ring of The Phoenix with gold gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern Ring on his left ring finger.

Suddenly, Wile E. Coyote's Sword of The Legendary Looney Tunes and all of the swords he'd gotten throughout the treasure battles began merging together and was surrounded by a kaleidoscope of yellow energy, earth, rocks, fire, explosives, and coyotes, and when it emerged, it was transformed into Wile E. Coyote's Firestorm Desert Broadsword of Explosive Comedic Justice, it's a brand-new large broadsword with the silhouette of Wile E. Coyote etched on the 7'0" massive, wide, double-edged gold blade, large gold-colored coyote heads for the crossguard, large gold gem embedded in the rainguard, longer black handle, four large gold-plated coyote heads with gold gems for eyes and in their open mouths and on the bottom of the coyote heads is a large brown gem for the pommel, he has on his new large gold cuff Bracelets of The Champions of The Universe with large brown gems on his wrists, new gold Belt of Elemental Bravery with a gold coyote head with gold gems for eyes and a large brown gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a yellow kanji below the phoenix and coyote that said, "Wile E. Coyote, Genius of The Legendary Looney Tunes, Ancestor of Tech E. Tech E. Coyote's transformed into SUPER ANGEL ETERNITY INFINITY CELESTIAL GREEN FIRESTORM LIGHTNING ANGEL COYOTE OF GREEN ELECTRIC JUSTICE AND DIVINE CELESTIAL HOPE!

We were amazed by the Super Angel Eternity Infinity transformations of Wile E. Coyote, Calamity Coyote, and Tech E. Coyote, but when Cui saw it, he fired an energy blast at the coyotes, but Wile, Calamity, and Tech block it, and they fired yellow, red, and green energy blasts with elemental forces and coyotes at Cui, and they exploded with incredible power as the blasts hit him, and he also got hit with a stick of dynamite Wile threw at him.

Buster Bunny: Whoa, this is incredible, Wile, Calamity, and Tech E. Coyote have transformed, this is really awesome.

Nico: Oh man, three against one. (Snickers) Cui's coyote meat if he tries to fight them now.

Wile E. Coyote: (Divine Echoing Cosmic Voice of The Explosive Earth Coyote and Divine Comedic Justice) That's right, Nico, and that freak's not getting any mercy from any of us.

Tech E. Coyote: (Divine Echoing Cosmic Voice of The Celestial Lighting Firestorm Green Coyote and Divine Celestial Hope) You said it. Alright, Cui, I hope you're ready to suffer.

Calamity Coyote: (Divine Echoing Cosmic Voice of The Firestorm

Gadget Coyote and Divine Fiery Justice) Because, we're not going to show you any mercy at all, you freak.

We gasped at hearing Calamity talk for the first time.

Babs Bunny: Oh, no way, Calamity can now talk?! That's so amazing!

Shirley the Loon: Looks like he finally can, or some junk.

Fifi La Fume: (French Accent) Oui, that's truly amazing.

Wile E. Coyote, Calamity Coyote, and Tech E. Coyote went after Cui, and they fired powerful blasts of yellow energy, red energy, green energy, gadgets, fire, earth, rocks, lightning, stars, and explosives at him, and they exploded with incredible power as they hit him. Tech summoned a whip made from black and green energy and he attacked Cui, lashing at him with the whip, and Cui felt all of the pain and suffering from it.

Tech E. Coyote: (Divine Echoing Cosmic Voice of The Celestial Lighting Firestorm Green Coyote and Divine Celestial Hope) I did say you were going to suffer badly, Cui, the whip I made was created from the anguish, pain, and suffering of all those your so-called lord had inflicted on so many innocent people!

Nico: Whoa, I never figured Tech was the vengeful type of person.

Ace Bunny: He's not, Nico. But, after everything we've heard about Frieza and those who served him with blind loyalty, I think Tech has every right to be pissed off at Frieza.

Me: And he's taking it out on Cui, yikes, I sure don't want to make that coyote really mad.

Tech then got out a bomb which he lit, and he threw it at Cui, and it exploded in his face, as he was covered in flames.

Luan: (Winces) Ooh, and he threw a bomb in his face. Yep, he's the descendant of Wile E. Coyote, alright.

Then, they tied Cui up in a yellow, red, and green energy straitjacket and Lincoln hit him with the Hinon's Vengeance Curse and they beamed him to The Masters of Evil's prison. We cheered wildly for what Wile E. Coyote, Calamity Coyote, and Tech E. Coyote did to Cui, as they holster their massive broadswords on their now wider and more muscular backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Wile E. Coyote, Calamity Coyote, and Tech E. Coyote are permanent.

Nico: Whoa, now that was one explosive battle you guys did, awesome job.

Wile E. Coyote: Thank you, Nico.

Calamity Coyote: And now, Cui's a part of the Masters of Evil, but they'll be keeping an eye on him.

Tech E. Coyote: Yep, because one double-cross, and Lincoln's curse will take his life and he'll be sent to The Black Gates forever.

Lincoln: You got that right, and you guys really put on a show with throwing explosives at Cui.

Bugs Bunny: It sure is, doc.

Eccentro: Man, this was a funny mission.

Whirlwind: Man, you said it!

Me: This will go down as one of the goofiest and funniest missions of all.

Vanitas: The Bioman weapons Nico and the others got really came in handy here.

Nico: They sure did.

Sabrina Lorelai: I'm really gonna love it here with you guys.

Sina Nicholaevna: Same with me.

Comic Book Guy: You girls won't regret it.

Atomic Skull: Let's go home and watch more Mr. Magoo.

Me: I agree.

Konan: (To the viewers) This was a really funny and goofy mission. Hope you all liked this one.

Nico: We all did. But great job everyone. Lets go home.

We went back home. And then we went to watch more of the movie and then we enjoyed the rest of the day and went to sleep.

The Mako Island Mermaids are all with us for this awesome adventure since they accidentally found this mystical island.

Me: So the next treasure is on Mako Island.

Nico: This is gonna be really interesting to see.

Qin: It sure will be awesome.

Nicole: It sure will. And the map says that this treasure is the source of all mermaid and elemental magic. We're going to be in for a really awesome adventure on this one.

Tsuyu: We sure are.

Nico: And this is also the island that gave Cleo and the girls their powers over the elements and as mermaids.

Cleo Sertori: It sure is.

Lok Lambert: I can't wait to see what this island is like.

Nico: Thanks for coming with me, Lok.

Lok: Anytime Nico. This is gonna be so awesome.

Me: It sure is.

Rikki Chadwick: You weren't with us when we joined the team the first time Nico.

Nico: I know. That is awesome you joined us before I came.

Emma Gilbert: It sure is.

Nico: Lok, your father would be proud of the man you've become.

Lok: I know he would be proud of me Nico.

Me: Your father was a very good man. And he helped out so many people.

Qin: He sure did and that is awesome.

Emma Gilbert: It sure is.

Camie: So how did you girls get your powers as mermaids?

Emma Gilbert: It was because we accidentally went to Mako Island on the full moon.

Nico: Can you tell us how it happened?

Bella Hartley: We would be honored.

They did so.

Mako Island is a location in H2O: Just Add Water, and its spin-off, Mako: Island of Secrets. It is located approximately 50 km off the Gold Coast, Queensland, Australia.

Around Mako there are the largest population of Mako sharks and sea turtles, some of which cannot be found anywhere else on Earth.

Off-shore there are coral reef sands and a number of wrecks, including Miss Louise Chatham's former boat, the Lorelei. On the northern side of the island there is a place called Triton's Reef, its a known as place where sharks breed. Throughout history, there have been peculiar happenings around Mako, such as a whirlpool and numerous ship wrecks and disappearances, giving Mako an eerie reputation.

If a human being comes into the Moon Pool when the Full Moon passes over, they will undergo Metamorphosis into a merperson. He or she will be also gifted with special powers over water. Those merpeople native from the sea are born with all Merpeople Powers, including the standard water-based and weather powers. It is also known that if a land person somehow absorbs Moon Water, they will get those standard powers but as long it remains inside his or her physical system.

One thousand years ago, a merman pod tried to took over Mako Island from the Mako Pod, and initiated a war in order to achieve their purpose. It was by this time that the Trident was created, and the mermen originally planned to use it to destroy and kill any mermaid who appeared in their way. Armies of mermaids from the five oceans battled with them, however, they almost perished until a merman (that was Zac's ancestor) knew what they were doing was wrong, and betrayed his fellow mermen pod members and joined the mermaids. They eventually won the war and the Trident was sealed away in the Trident Cave to prevent a similar situation to happen again. Afterwards, all mermen became enemies to mermaids worldwide due to this, were exhiled and forced to flee on land by them and went through adoption into a foster human family as hatchlings.

In the 1950s, humans Louise Chatham, Gracie and Julia somehow found trapped themselves at the sea cave where the Moon Pool is located. Once they got into it, the Full Moon rised and bathed the pool in light, undergoing the teenagers into Metamorphosis. Some time later after becoming mermaids, they all were almost exposed when Karl, Julia's boyfriend, snapped some photos of Julia's true self while swimming, however, Louise threw his camera into the sea and their secret was protected once again. Despite this, Karl still tried to convince townspeople that the trio were mermaids, but the land dwellers didn't believed him and the girls were once more safe.

Julia angrily broke up with Karl, never forgiving him, and her friendship with Gracie and Louise was re-established. It is unknown what happened to him afterwards. Years later, in 1957, Gracie became tired of her boyfriend, Max Hamilton's obsession with her true identity and his theories, that she intentionally gave up her life as a mermaid forever at the Moon of Fifty Years. She tossed away her locket and broke up with Max, however, it is unknown if it was before or after the dangerous power-stripping Full Moon. However, when Gracie was an ordinary girl once more, she and her best-friends Louise Chatham and Julia ended their friendship and Max was left behind as well.

In 2006, Emma Gilbert, Cleo Sertori and Rikki Chadwick accidentally found themselves trapped in Mako Island. While looking for a mobile signal, they fall into a cave. Emma realizes an alternative way to get out of it and they come into the Moon Pool just as the Full Moon was passing by, and the girls undergo Metamorphosis completely unaware of what was happening.

Days later Emma found a locket at the bottom of the Moon Pool. Linda Denman, a marine biologist, arrives to Mako, in order to study fish in the reefs around it. She and her team discover the Moon Pool and, with the help of underwater cameras, she discovers that Cleo, Emma and Rikki are mermaids. Louise Chatham, a mermaid from the past, reveals that during a lunar eclipse, the Moon Pool will react and unleash a different kind of magic that will deprive any merperson who is in it of their powers and abilities (although she later tells Lewis, but not the girls, that it's only temporary). Due do this, the girls were able to deceive Denman and her team, who believes their tails and abilities were gone forever, and they all leave city. Twelve hours later the girls again change to mermaids when they come in contact with water.

During a special planetary alignment, Cleo, Emma, and Rikki get moonstruck, and go to the Moon Pool in a very special full moon, which results them gaining weather powers. Charlotte became aware of her grandmother's past and becomes a mermaid jumping in the Moon Pool when the Full Moon was up. As she herself alone, Charlotte got all mermaid powers. She also believes she is a "super mermaid" and takes Cleo's locket, claiming that it was her grandmother's and now it was hers. Max tells Lewis about the Moon of Fifty Years and how it can deprives mermaids of their tails and abilities forever. Charlotte devises a plan and goes to Mako Island during the Full Moon despite the girls warning her about it earlier. There she battles with the girls, but loses, and is stripped of her powers and abilities in the same way as her grandmother Gracie, fifty years earlier.

When the Comet Eva returned to Earth in 2009, a strange waterfall appeared in the Moon Pool creating a Water Tentacle, that was trying to attack the mermaids. Later, it is revealed that the tentacle was only trying to warn the mermaids about it. The comet entered the atmosphere on February 7th which was the same day when the water first attacked Cleo, Rikki, and Bella. Later, they all graduates high school and leave Gold Coast, well into young adulthood and possibly college.

---

When she was done we were shocked!

Himiko: Whoa! That's incredible!

Me: You girls are true heroes in saving the world from Comet Eva crashing into the planet.

Laney: Yeah! A comet that big crashing into the planet would destroy everything.

Lisa Loud: That is correct. A comet of that size, magnitude and speed would cause a huge extinction level event.

Lok: Jeez!

Sirius: That's terrible!

Me: Yeah! Like how that asteroid 2 years ago was going to blow the entire planet to smithereens.

Lok: Yeah no kidding. But all that happened over 13 years ago. That's amazing.

Qin: It sure was amazing how you girls saved the entire planet.

Me: Yeah that was awesome.

Bella Hartley: It sure was. But all of Lok's adventures were just as awesome as ours.

Eli: They sure were from what we heard.

Nico: (to Lok) But Dante is still the representive of the Huntik team.

Lok: That's true he sure is.

Me: Yeah it sure is! Nico I have to tell you something.

Nico: What is it?

Me: It's about what happened yesterday when we met Reika the first time. Something stirred inside my mind about Katsumi or Kamen Rider Eternal. I've been going over what he did in the Kamen Rider W movie and to tell you the truth, I'm torn between whether I should let Katsumi live and have him join the Masters of Evil as one of our archenemies or kill him and banish him to the Black Gates forever. It feels like I'm being pulled in two different directions.

Nico: You'll think of that answer in time J.D. I know what he did was unforgivable but you have to understand that he was a good man before he became the way he was.

Me: I'm just so confused.

Nico: I know man. But you'll think of something for him when we face him and our main target on August 3rd.

Me: Okay. Maybe when we get back I could use some professional guidance.

Nico: Amanda Waller?

Me: Amanda Waller.

Nico: We'll worry about that on August 3rd though. But feel free to talk to Ms. Waller.

Me: Thanks man.

Nico: So, what are your thoughts on Kamen Rider Aqua?

Maria: I think she's awesome.

Nico: Sis, he's not a girl.

Maria: Oops.

Me: Michal Minato is really awesome as Kamen Rider Aqua and he is a good candidate for the Redemption Squad too.

Lola: I agree there. He was Kamen Rider Poseidon.

Qin: That is cool though.

May: You sure he's not a girl.

Nico: Is this because he shares the same name as Aqua in Kamen Rider form?!

We laughed!

Me: That is very coincidental.

Qin: It sure is.

Lok: I agree there. That is very funny though.

Nico: Okay, let me explain it in an example that doesn't sound awkward. There's Tsuyoshi Kijino. He's the Pink Ranger of the Donbrothers. But is he a girl?

Lok: I don't think so.

Nico: Exactly! Just because someone looks like a girl doesn't mean he's not!

Me: That's for sure! Look at Sena from the Kiramagers. There was never a Female Green Ranger until that series which I think is awesome.

Lola: That's for sure.

Nico: That's true.

Qin: Yep.

Emma Gilbert: I still can't believe you guys took Charlotte down without us.

Me: Well it was totally unexpected and we had no idea she would show up.

Varie: She tried to steal our powers and forced Lisa at gunpoint into using our blood to see if it would work.

Lisa Loud: But I substituted that blood with blood from 5 different Aliens of the Omnitrix.

Lok: Very clever.

Qin: That was awesome.

Me: It sure was cool.

Lisa: Specifically, she wanted Melody's blood.

Me: Right. Lot of good that did. Our powers cannot be stolen. They have to be earned.

Himiko: That's right.

Nico: Yeah.

Nicole: I think we're here.

We saw that we were at MAKO ISLAND!

Me: So this is Mako Island.

Qin: Wow! Amazing.

Eli: The magical energy I'm sensing from it is incredible.

Me: Wow.

Cleo: We haven't been here in forever!

Nico: This is the first time.

We went onto the island.

Brittney: This is amazing.

Qin: Awesome.

Nico: So what's the treasure we're looking for Nicole?

Nicole: It's called the Staff of the Neptune's Mermaids. Legends say that this staff not only has the power to give anyone mermaid powers like those of Cleo, Emma and Rikki and Bella but also it has the powers of all of the water and it can control the oceans and the tides.

Nico: Whoa! That's amazing!

Rarity: Oh this staff must be amazing.

Daring Do: It sure must be amazing.

Nico: Lets go find it.

Lok: Who gets it this time?

Nico: Well it has to be a powerful water user.

Miku Yuuki: I'll wield it. I'm the only one of us that doesn't have a weapon.

Nico: Okay then.

Qin: Lets go then.

Nico: Right!

We went to find the staff.

Nico: (to Miku) I know you don't have a weapon. After all, those in Takashi's group had the good shit. Even before me and the Red Rangers showed up.

Miku Yuuki: That's right he did. But now is my chance to prove I can wield one.

Me: That's true.

We went into a cave and we heard water and then in a huge room in the middle of a lake on a rock plateau was THE STAFF OF NEPTUNE'S MERMAIDS! It was a beautiful crystal blue staff with the symbol of Neptune on it and the power it had was incredible!

Nico: Whoa!

Miku Yuuki: Wow that is amazing!

Me: Here we go.

Miku went up to the staff and then she pulled it out and it glowed powerfully with aqua blue energy and then she was enveloped in a vortex of water and then blue angel wings grew from her back and she got a massive power increase!

Me: WHOA! Miku how do you feel?

Miku Yuuki: I feel incredible.

Nico: The good shit is now yours!

Miku Yuuki: Yes it is.

Albedo: Hope we don't run into Another Omnitrix Alien here.

Negative Omnitrix: Corrupted Pyronite DNA Detected.

Albedo: Spoke too soon!

Then a figure came in and we saw that it was a black version of a Pyronite! It was ANOTHER HEATBLAST!

Me: Another Heatblast! Whoa!

Albedo turned into Negative Heatblast.

Negative Heatblast: I don't think it's alone!

Me: I sense it.

Another Heatblast: (In a girls voice) But it's good to see you again J.D.

Me: That voice! Emily Serasota!

Another Heatblast: Good to see you.

Me: Same here.

Nico: You know her?

Me: Yes I do. Her name is Emily Serasota and she ia a friend of mine from Colorado. She was on vacation in Nevada when suddenly she accidentally stumbled into the Nevada Nuclear Testing site. She and her family were lost and then a nuclear bomb went off and to protect her, her mom and dad stuffed her into a lead refrigerator and as one final goodbye they told her that she loved them and the blast completely incinerated her mom and dad and then she was blasted far away from the blast site. I found her crying and swore to help her. She lost her family. But the radiation from the explosion mutated her and gave her fire powers and fire angel wings. I swore to be there for her no matter what.

Everyone gasped in shock!

Qin: Oh my god!

Maria: That is horrible!

Laney: She lost everything!

Nico: Oh man! Poor girl.

Another Heatblast: It's true. J.D. looked after me like he said. But I was taken by Swartz. He gave me this awful power.

Lola: Oh man.

Nico: Who else is with you?

Another Heatblast: Just this one.

Another figure came and it was a scary version of Kamen Rider Eternal! He was a pitch black version of him. It was ANOTHER ETERNAL!

Nico: WHOA! Another Eternal!

Me: I did not expect this one! And we face Katsumi and the main target next week.

Nico: Okay buddy! Who are you?

Another Eternal: (In a girls voice) I think J.D. knows too.

Me: (Gasp) That voice!

She reverted back and it was a girl with rainbow hair, black clothes and blue eyes and she had rainbow angel wings and she has a belt not just with the Eternal Gaia Memory but also with EVERY SINGLE Gaia Memory from W!

Me: (GASP) June Carrington!

June Carrington: Good to see you again J.D.

Me: You too June.

Nico: You know her too J.D.?

Me: I sure do. She is an awesome friend and me and June went after all kinds of dangerous and really brutal bad guys all over the country and smashed them into dust.

Lola: Wow!

Me: And she has an amazing story too.

June Carrington: That's right. You see, I'm also an immortal cavewoman. I've lived for over 200,000 years.

Everyone: WOW!

Laney: 200,000 years!? That's incredible!

Me: She got exposed to the same kind of energy from a meteor like the one that gave Krull the Eternal his Immortality.

Nico: That's amazing!

June Carrington: It sure is. Also I wasn't forcefully made an Another Rider. I became one on purpose. I took the Another Eternal Watch after infiltrating Swartz's layer and I became Another Rider on purpose.

Me: You're the first Another Rider to do that. Next to gene-slammers intentionally getting slammed you're the first Another Rider we've encountered to become like that.

Eli: That is really awesome.

June Carrington: I know.

Nico: Then we have to get that out of you before Swartz figures out that it's missing!

June Carrington: I don't need it anymore.

She pulled it off and gave it to me and I purified it.

Me: That was easy.

June went over to us.

June Carrington: It's gonna be awesome to work with you all.

Nico: It sure is. But we still have to save Emily.

Me: And we will. Hold on Emily!

Another Heatblast: I know. Help me!

Me: You got it! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Time to try Ridewatches with songs.

Nico: Interesting.

Me: Yep. (Activates Dark Himiko's Ridewatch) Watch this one Himiko.

WALPURGISNACHT BY FAUN PLAYS!

I floated into the air and spun my scythe around.

Me: (Singing Divinely in German)

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Ungestüm im Spiel der Geigen

Dreht sich unser nächtlich' Reigen

Und wir treten wild und frei

Diesem alten Zauber bei

Einmal nur im großen Kreise

Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

I fired blades of fire and they formed into bloodsucking mosquitos and they hit Another Heatblast and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

Himiko: Whoa! That was amazing!

Nico: (takes out Molten Man's Ridewatch) Feel the heat, motherfucker!

Nico activated it.

(MOVE ALONG BY ALL AMERICAN REJECTS PLAYS)

Nico: (Singing Divinely)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

Nico fired globs of fire and lava and they hit Another Heatblast and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down!

Camie: Wow! You guys have amazing voices!

Qin: We sure do. We always have an awesome karaoke session during the babysitting adventures. They are awesome. Now for this one. Pipp taught me this one. (Activates Lipstick Monster's Ridewatch.)

(LET OUT YOUR LIGHT BY PIPP PETALS PLAYS)

Qin: (Singing Divinely)

Clickity clack, who's that?

It's your girl Pipp, styling with a brand new track

Setting up shop, got a brand new gig

With colors that pop and a drip so big

Come in and get your hooves buffed, your mane puffed

Everypony's getting their tail fluffed

Dance to the beat, dance to the beat

Who could ever sit still with a groove this sweet?

A place you can go

Where you already know

You can find your pony flow

When you step through the door

Try something new, take a chance, just believe it

Let out your light, shining bright, can't you see it?

Woah-oh-oh, oh-oh, woah-oh-oh (Hey!)

Woah-oh-oh, oh-oh, woah-oh-oh

Try something new, take a chance, just believe it

Let out your light, shining bright, can't you see it?

At Mane Melody (Hey!)

At Mane Melody

She fired waves of energy and blasted Another Heatblast down with incredible energy.

Nico: That was great Qin!

June Carrington: Wow! You guys sing really amazingly!

Rainbow Dash: We have lots of awesome songs.

Kaito: (takes out Timeranger gear) It's TIME for our turn!

Zocks: (takes out GoGoV gear) This is appropriate since the Lightspeed Rescue team and their Sentai counterpart put out fires.

Kaito got the Timerangers weapons and Zocks got the GoGoV's weapons.

Nico: YEAH!

Me: Now for this one. This one is for Misty Tredwell. (Activate's Misty's Ridewatch.

(RAIN BY MADONNA PLAYS)

Thunder and lightning struck all over and rain was pouring.

Me: (Singing Divinely and Dancing like a pop star)

I feel it…

It's coming…

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard, I know it's real

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
'Til I feel your
Rain
Feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain
Wash away my sorrow
Take away my pain
Your love's coming down like
Rain
When you looked into my eyes
And you said goodbye could you see my tears?
When I turned the other way
Did you hear me say
I'd wait for all the dark clouds bursting in a perfect sky?
You promised me when you said goodbye
That you'd return when the storm was done
And now I'll wait for the light, I'll wait for the sun
'Til I feel your
Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like…

Here comes the sun! Here comes the sun

And I say, never go away

Waiting is the hardest thing

(It's strange)

I tell myself that if I believe in you

(I feel like I've known you before)

In dream of you

(And I want to understand you)

With all my heart and all my soul

(More and more and more)

That by sheer force of will

(When I'm with you)

I will raise you from the ground

(I feel like a magical child)

And without a sound, you'll appear

(Everything strange)

And surrender to me, to love

(Everything wild)

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

Your love's coming down like

Rain

I'll stand out on the mountain top

Until I hear you call

My name

Rain

Lightning struck everywhere and then rain drenched Another Heatblast and extinguished her flames.

Nico: Whoa! That was great J.D.!

Me: Now for this.

I fired waves of green fire and smashed her down.

Maria: Here's some water of my own! (Activates Weather Wizard's Ridewatch)

Maria had lightning and rain swirl around her.

(HUMAN'S BEING BY VAN HALEN PLAYS)

Maria: (Sings Divnely and dances)

There is just enough Christ in me

To make me feel almost guilty

Is that why God made us breed

To make us see we're Humans Being

You break this, I'll break all that

You break my balls with all your crap

Spread your disease like lemmings breeding

That's what makes us humans being

Shine on, shine on

Shine on, shine on

Some low life flat head scum infects

The sickness in his eyes reflects

You wonder why your life is screaming

Wonder why your Humans Being

Shine on, shine on

Shine on, shine on

Humans

Humans being

We're just humans, humans being

That's what makes us

Humans being

She fired waves of lightning and water and drenched Another Heatblast all over the place!

Nico: WOO!

Eli: Oh yeah!

Zarya Moonwolf: This is gonna be a good one. (Activates Carly Atlas's Ridewatch)

Orange flames swirled around her.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

Zarya Moonwolf: (Sings Divinely and dances)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

She fired waves of orange fire and they formed into wolves and smashed Another Heatblast down.

Laney: OH YEAH!

Lok: Now for me. (Activate's Magma Gloom's Ridewatch)

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Lok: (Sings Divinely and dances)

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

This is the birth of all hope

To have what I once had

This life unforgiven

It will end with birth

No will to wake for this morn

To see another black rose born

Deathbed is slowly covered with snow

Angels, they fell first but I'm still here

Alone as they are drawing near

In heaven my masterpiece will finally be sung

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

Wounded is the deer that leaps highest

And my wound it cuts so deep

Turn off the light and let me pull the plug

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me
This is the birth of all hope
To have what I once had
This life unforgiven
It will end with birth
Mandylion without a face
Deathwish without a prayer
End of hope
End of love
End of time, the rest is silence
Mandylion without a face
Deathwish without a prayer
End of hope
End of love
End of time, the rest is silence
It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope
To have what I once had
It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

It is the end of all hope

To lose the child, the faith

End of all hope

He fired globs of lava and burned Another Heatblast all over the place.

She fired waves of fire, lightning, ice, poison and acid and the blasts all smashed Another Heatblast down!

Nico: Awesome Reggie!

Me: WOO!

Nico: You guys having fun? Because I am!

Me: You bet we are!

Qin: Awesome and musical!

Nico: (to Another Heatblast) Don't pretend you didn't like those songs.

Another Heatblast: Oh I love these songs! You all are amazing and talented!

Me: We have awesome karaoke nights from time to time. It's really fun.

Carol: We sure do! It's awesome.

Lincoln: But we need to save you Emily. (Activate's Electro's ridewatch)

(THE ADVENTURE OF A LIFETIME BY COLDPLAY PLAYS)

Lincoln: (Singing and dancing)

Turn your magic on, umi she'd say

Everything you want's a dream away

We are legends, every day

That's what she told him

Turn your magic on, to me she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds

Now I feel my heart beating

I feel my heart beneath my skin

I feel my heart beating

Oh, you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Said I can't go on, not in this way

I'm a dream that died by light of day

Gonna hold up half the sky and say

Only I own me

Now I feel my heart beating

I feel my heart beneath my skin

Oh, I can feel my heart beating

'Cause you make me feel

Like I'm alive again

Alive again

Oh, you make me feel

Like I'm alive again

Turn your magic on, umi she'd say

Everything you want's a dream away

Under this pressure, under this weight

We are diamonds taking shape

We are diamonds taking shape

(Woo-ooh, woo-ooh)

If we've only got this life

This adventure, oh then I

And if we've only got this life

You'll get me through, oh

And if we've only got this life

And this adventure, oh then I

Wanna share it with you

With you, with you

Sing it, oh, say yeah

Woo-hoo (woo-hoo)

Woo-hoo (woo-hoo)

He fired waves of lightning and electrocuted Another Heatblast all over.

Nico: YEAH!

Qin: Love that song!

Another Heatblast: That is one of my favorite songs!

Me: Those are awesome songs though. Many more where those came from.

Another Heatblast: Was that supposed to be your finale?

Me: Not quite.

But then a poison gas blast hit Another Heatblast and she exploded and I caught the Ridewatch and purified it and we all got the powers of the Fire Core and Non-Core members ofo the M.O.E.!

I went over to Emily.

Me: Emily!

She saw me.

Me: Emily are you all right?

Emily Serasota: (Weakly) J.D?

Me: Yeah it's me.

Emily then hugged me tight and cried hard and I comforted her.

Nico: Where'd that poison gas cloud come from?

Then a Green Chromatic Dragon landed.

Sheila (D&D): A Green Chromatic Dragon!

Green Chromatic Dragon: (In a girls voice) Those songs you all sang were so awesome.

Nico: Tammy Gregorian!? Wow!

Qin: Tammy awesome to see you.

She reverted back and she was a girl with green hair, green eyes and green clothes.

Tammy Gregorian: Same to you Qin and you as well Nico.

Nico: Same to you.

I came back with Emily and she was still crying.

Maria: Poor girl.

Eli: It's hard to imagine she survived a nuclear explosion.

Qin: And in the Nevada Nuclear Testing site of all places.

Nico: Yeah.

Me: It's all right Emily.

Emily calmed down.

Emily Serasota: That was a great series of songs!

Nico: THAT was our finale!

Maria: Boy it sure was!

Emily Serasota: Yeah that was awesome!

Lok: Those were awesome songs.

Qin: We know so many of them.

Tammy Gregorian: Some of those are my favorites. I heard you all singing from the air and it was awesome you all sang so great.

Qin: We've had a lot of Karaoke sessions during many of our adventures.

Nicole: But it was mostly during our babysitting adventures.

Laney: That's right.

Lok: But that was so awesome. What's your favorite memory of Nico?

Tammy Gregorian: I have a lot of them. But my favorite is when me and Nico were in chemistry class and we were working on a powerful formula for where we can get super strength. But then a bully came and dumped the formula on Nico. I got really mad and I touched his arms and then the bully was knocked out with my poison. I have this awesome power that enables me to poison people just by touching them. It's a poison that makes people really dizzy and puts them in a comatose state. Hence why I have to wear my gloves all the time.

Me: Wow! That is an amazing power!

Laney: Wow! What a venomous touch.

Nico: That's a good way to put it.

Nico and Tammy hugged.

Nico: I've missed you Tammy.

Tammy Gregorian: Me too Nico. Me too.

Me: But we're not done yet. I sense that the religious cult leader that killed Sabrina's parents and family is here.

We gasped!

Nico: So, we're not here to find another awesome treasure on Mako Island, but we got word that the evil cult leader and religious fanatic who murdered Sabrina Lorelai's parents when she was twelve is also here.

Lincoln: Yes, and like I said, we're going to get revenge on that insane monster for what he did in killing Sabrina's parents.

Sabrina Lorelai: Yes, we are. Finally, Mom and Dad are going to be avenged.

Me: I went through the database this morning, and I found out that his name is Ethan Davis, he's the leader of a doomsday cult that's responsible for the murders of countless men, women, and children throughout the country, and he's indeed the one who not only gave into his religious delusions and became a religious fanatic, but he's also the one who murdered Sabrina Lorelai's parents long ago.

Nico: This guy's pure evil to the core. He's looking at dying a gruesome death for this one.

Lincoln: You said it, Nico. He deserves to die for good, and I've got a spell to make sure his entire cult dies with him as well.

Me: Nice.

Suddenly, an insane figure came out and tried to stab Sabrina Lorelai with a knife, but was sent flying with a kick by Lincoln, and we saw who the figure was: it was Ethan Davis, the religious fanatic who'd murdered Sabrina Lorelai's parents when she was twelve and the leader of the doomsday cult that was responsible for the murders of countless men, women, and children throughout the country. When Sabrina Lorelai saw him here, she was already furious and wanting to rip him to shreds.

Sabrina Lorelai: You!

Nico: Looks like we were right that you'd be here, Ethan Davis.

Ethan Davis: Hand over the girl now, she's tainted by The Devil and she must die!

Lincoln: The only one who deserves to die here is you. You gave into your religious delusions long ago and you murdered Sabrina's parents and left her all alone in the world, and now, we're going to make sure you never hurt anyone ever again.

Sabrina Lorelai: That's right, and I've been waiting for this very chance to get my revenge on you for what you did to my parents long ago.

Suddenly, something within Sabrina Lorelai's mind snapped as memories of what Ethan Davis did in murdering her parents when she was twelve then came back to her and her purple eyes turned neon purple, and she was suddenly surrounded by a black and red energy aura with darkness, dark magic, and demons, she unholstered her massive Despair from The Dark-themed greatsword from her back, and as she approached Ethan Davis, she left black and red energy, darkness, dark magic, and demons with every step.

Sabrina Lorelai: You make me absolutely sick, Ethan Davis, you have absolutely no remorse for what you've done in brainwashing so many people into joining your infernal cult and you went on killing so many men, women, and children throughout the country. (Suddenly Getting Pissed Off) But, I could never forget what you did so long ago, that day, you murdered my parents, and you left me all alone in the world, and because of it… , YOU'VE CROSSED ONE FUCKING LINE TOO MANY, YOU FILTHY ANIMAL, AND FOR THAT, I WILL KILL YOU AND MAKE YOU PAY FOR YOUR CRIMES AND FOR MAKING ME AN ORPHAN, YOU STUPID MONSTER!

We gasped in shock at the extent of Sabrina Lorelai's rage.

Nico: HOLY CRAP!

Lincoln: It's bad enough knowing that filthy animal murdered Sabrina's parents, but forming a cult and killing so many innocent men, women, and children around the country because of his religious delusions, now we're really glad he's going to get The Black Gates for everything he did. HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover, and Sabrina Lorelai screamed like a madwoman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was surrounded by a massive vortex of black and red energy energy with darkness, demons, and dark magic surrounding the vortex, there's Despair from The Dark flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Sabrina Lorelai emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sabrina Lorelai grew from 6'5" to 6'11" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long flowing midnight black hair, she has neon purple eyes and a black and red energy aura with darkness, dark magic, and demons surrounding her, she has Despair from The Dark with the Dark Kanji in its hands emblazoned on her forehead, she has on demon earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Despair from The Dark with red gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and black and red gems on the gold lightning bolts with black and red demon-shaped Element of Harmony, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sabrina Lorelai has on a short-sleeved midnight black blouse, sleeveless midnight black top, midnight black jewel-encrusted skirt, black stockings with black lace designs, midnight black knee-high boots, and long sleeveless midnight black trenchcoat with darkness, dark magic, and demons on the coattails, and on the back is Despair from the Dark with darkness surrounding it. Suddenly, Sabrina Lorelai felt a sharp pain on her back, and then, her massive midnight black angel wings grew much bigger for her new body, and the large green feathers have purple and red tips on the feathers. Sabrina Lorelai has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Sabrina Lorelai's massive Despair from the Dark-themed greatsword was surrounded by a kaleidoscope of black and red energy, darkness, dark magic, and demons, and when it emerged, it was transformed into Despair from the Dark's Demonic Dark Broadsword of Dark Despair Justice, it's a brand-new large broadsword with Despair from the Dark etched on the 7'0" massive, wide, double-edged midnight black blade, midnight black large horned demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, and four large black horned demon heads with red gems for eyes and in their open mouths and a large red gem on the bottom of the demon heads for the pommel, she has on her brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Despair from the Dark's head with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Despair from the Dark that said, "Sabrina Lorelai, Powerful Goth Girl of Michigan, Goth Girl With A Dark Tragic Past, Loving Daughter of Mr. and Mrs. Lorelai, Destroyer of Ethan Davis, Gene-Slammer of Despair from the Dark, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Moths and Darkness"

サブリナ・ロレライ、ミシガンの強力なゴス少女、暗い悲劇的な過去を持つゴス少女、ロレライ夫妻の愛する娘、イーサン・デイビスの破壊者、暗闇からの絶望のジーン・スラマー、愛する守護天使、リンカーン・ラウドの未来の妻、いじめっ子の軽蔑、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして蛾と闇のマスター

Sabrina Lorelai has transformed into SUPER ANGEL ETERNITY INFINITY GOTHIC DARKNESS DESPAIR DEMON ANGEL OF DARK DEMONIC JUSTICE AND DIVINE DARK GOTHIC LOVE!

We were amazed by Sabrina Lorelai's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Ethan Davis saw it, the religious fanatic went mad.

Ethan Davis: DIE, SPAWN OF SATAN!

Ethan Davis tried to stab Sabrina Lorelai yet again with a knife, but Sabrina Lorelai fired a powerful black and red energy blast with darkness, demons, and dark magic and disarmed him, and she fired another powerful black and red energy blast with darkness, demons, and dark magic at him, and sent him flying into a wall. When he got out, he was mondo pissed, but so was Sabrina.

Lincoln: Wow, Sabrina, you look beautiful. How do you feel?

Sabrina Lorelai: (Divine Echoing Cosmic Voice of The Despair Darkness Demon and Divine Dark Gothic Love) **I feel incredible, Linky. Now, shall we put an end to this monster for good?**

Lincoln: (Smiles) With pleasure, Sabrina.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sabrina Lorelai.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal

Justice and Elemental Hope) **Time for you to pay for everything you did to Sabrina and to everyone in the country, Ethan Davis.**

Sabrina Lorelai and Lincoln went after Ethan Davis, and they fired powerful blasts of rainbow energy, black and red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Mermaids, Sea Creatures, Demons, and Angels at Ethan Davis, and they exploded with incredible power as they hit him. Then, they attacked Ethan Davis with their massive broadswords and they left nasty scars on him. Then, Lincoln chanted a powerful incantation and he'd infused the 7'0" massive, wide, double-edged broad blades of their massive broadswords with rainbow energy and the energy of The Black Gates and they fired rainbow energy blasts at Ethan Davis, and they exploded with incredible power and they killed him, and Lincoln's spell also affected the other fanatical members of Ethan's group as they died one by one.

Then, as their spirits appeared, kanjis appeared on their foreheads and they were found guilty by all of those Ethan Davis and his cult killed, and they were erased by The Black Gates forever. Lincoln and Sabrina Lorelai holstered their massive broadswords on their backs and powered down, and Sabrina Lorelai's new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

Sabrina Lorelai: Finally, it's over.

Suddenly, Sabrina Lorelai ran over to Lincoln, and she then wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs, and Lincoln wrapped his abnormally massive and powerful muscular arms around her waist, and she cried into his bare chest, as he was comforting and hugging her.

Lincoln: (Soothing Voice) Shh, it's okay, Sabrina.

We saw the sight, and it broke our hearts to see Sabrina Lorelai cry like this.

Nico: Sabrina Lorelai avenged the deaths of her parents and killed Ethan Davis, but it still hurts for all of us to see her like this.

Lincoln: Me too, Nico. Ethan Davis took Sabrina Lorelai's parents from her, and she was only twelve at the time, and she was left all alone in the world, and on that day, she swore revenge on that religious fanatic.

Me: What a monster.

Lincoln: Sabrina needs her parents back, and I intend to do just that.

Nico: That hole that was left in her heart because of that religious fanatic needs to be repaired, the same way that went with Connie Jackelstein and Cienna Kitomaru when you brought their families back yesterday, Linc.

Lincoln: Exactly.

Lincoln snapped his fingers and two rays of light descended and the choir of angels sang, and then, we saw two figures emerge from the rays of light, they were Sabrina Lorelai's parents, Noah Lorelai and Charlotte Lorelai. When Sabrina saw them, she was really stunned.

Sabrina Lorelai: Mom, Dad?!

Charlotte Lorelai: Yes, sweetie. It's us.

This caused Sabrina to rush over to her parents and sister and she hugged them, and she cried tears of joy, and her heart's going to be repaired. Lincoln's repaired another hole in the heart of another his Guardian Angels. We also had tears of joy and a smile on our faces.

Nico: Linc, that was a really awesome thing you did for Sabrina.

Lincoln: Thanks, Nico. And it's really great to see you again, Mr. and Mrs. Lorelai.

Noah Lorelai: You too, Lincoln, and you've really grown big since the last time we saw you.

Lincoln: Yes, I have.

Charlotte Lorelai: And we know you'll take good care of Sabrina, and thank you for helping her with taking down Ethan Davis.

Lincoln: You're welcome, Mrs. Lorelai.

Maria: (Crying) This is so beautiful.

Me: Lincoln's repaired the holes in the hearts of Connie Jackelstein and Cienna Kitomaru, and now, he repaired the hole in Sabrina Lorelai's heart, this is really beautiful.

We all had tears in our eyes and smiles on our faces at what Lincoln did today.

Sabrina Lorelai: And there's also another reward for you, Linky.

Suddenly, Sabrina Lorelai wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Sabrina Lorelai's face, they kissed passionately as Sabrina Lorelai's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Despair from the Dark flying in the air, and a herd of Buffalo running across the field, along with elemental forces and demons flying behind them and we cheered wildly for them.

We went back home.

Nico: That's right, Linc.

Me: And like his counterpart in Greek Myth, he's a river god, but he's evil, and he needs to be stopped for good.

Lincoln: And that's exactly what we're going to do to him, J.D. And thanks for joining us, Yusei.

Yusei: You're welcome, Lincoln, and we heard of what you and Sabrina did to Ethan Davis and you also brought Sabrina's parents back.

Eli: Yeah, and as a result, he's repaired the hole in the heart of another of his Guardian Angels.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of seven girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Achelous, and he's going to kill them.

Lincoln: Guys, I found the seven girls, but they've been cornered by Achelous, and he's going to kill them.

?: That evil river-god, let's get him.

Suddenly, we saw the Living Tsunami from Magic the Gathering appear before us.

Nico: Whoa, that's the Living Tsunami from Magic the Gathering, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Eman Reynolds, but we'll have to talk later, we've got an evil god to destroy.

We then rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at Achelous and it allowed the seven girls to get to safety. When Achelous saw us, he was enraged.

Achelous: Team Loud Phoenix Storm, how did…?!

Lincoln: That's a question you'll be taking to your grave, because your days of causing havoc are over, Achelous.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Yusei, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Achelous, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him, and we also shattered his left horn as well and cut off his snake tail.

Then, Lincoln put Achelous in a brutal bear hug so he couldn't escape, and then, Lincoln sunk his fangs into Achelous' neck and he not only began drinking the evil river god's blood, he also began absorbing Achelous into his body and assimilating all of his powers and abilities, and as soon as Lincoln was done feeding on Achelous' blood and absorbing the evil river god into his body and assimilating his powers and abilities, an energy card appeared in Lincoln's large left hand with Achelous' soul imprisoned inside, and as the kanji then appeared on his forehead, Achelous was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Lincoln: And that's it for that evil river god. (To Eman Reynolds) And it's so good to see you again, Eman Reynolds.

Eman Reynolds reverted back to normal, and she's a beautiful girl with long flowing cyan blue hair, cyan blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful cyan blue angel wings, and she reigned in the power of Living Tsunami, and she's dressed in a sleeveless open blue blouse, pink short-sleeved shirt, long-sleeved blue midriff top, long blue and sea foam green skirt, blue stockings, blue legwarmers, blue sneakers, and long sleeveless cyan blue trenchcoat with water and ocean waves on the coattails, and Living Tsunami on the back, and holstered on her back a large Living Tsunami-themed greatsword with Living Tsunami etched on the 7'0" massive, wide, double-edged cyan blue blade, cyan blue angel wings for the crossguard, large sea foam green gem embedded in the rainguard, longer black handle, and large blue gem surrounded by angel wings for the pommel.

Eman Reynolds: You too, Lincoln, it's been a long time.

Lincoln went up to Eman Reynolds and they hugged, and Eman Reynolds' very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were only fourteen, and as you can see, I really grew a lot since then.

Eman Reynolds: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Eman Reynolds, she's one of my Guardian Angels from Iran, and she's a really skilled and masterful water power master. She has cosmic hydrokinesis and is also a really awesome and amazing swimmer, and she defended me from Lori, Lynn, Lola, Lisa, and Luan at their worst.

Me: Awesome.

Lincoln: It sure is. But, there's one person that hates her with a massive fiery vengeance and because of him, she lost everything: her psychotically jealous brother, Adam.

We gasped in pure shock!

Me: He did what?!

Lincoln: Yeah, it's because of his jealousy for Eman, he burned down her entire house and destroyed her car she got for being a straight A student. He's pure evil and hates everything!

Nico: I know jealousy is an ugly emotion, but this is disgusting.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Eman Reynolds' neck with cyan blue gems on the gold thunderbolt links and sea foam green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Eman Reynolds: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Eman.

Eman Reynolds had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Eman Reynolds' waist and Eman Reynolds wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Eman Reynolds' face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Naoko Asakura, Shizu Fujimura, Umi Hayama, Saeri Kirishima, Akane Mitamura, Miyaho Rokujou and Rinna Sawaki from Kono Aozora ni Yakusoku Wo.

Lincoln: Oh wow, it's Naoko Asakura, Shizu Fujimura, Umi Hayama, Saeri Kirishima, Akane Mitamura, Miyaho Rokujou and Rinna Sawaki from Kono Aozora ni Yakusoku Wo.

Nico: Awesome.

Lincoln: Are you girls okay?

Naoko Asakura: Yes, we're okay thanks to you.

Naoko Asakura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Naoko Asakura: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Naoko Asakura, Shizu Fujimura, Umi Hayama, Saeri Kirishima, Akane Mitamura, Miyaho Rokujou and Rinna Sawaki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they're shocked when they found out the villain we went after was Achelous from the Marven comics.

But, when Lincoln showed what we did to him, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Eman Reynolds have a lot of catching up to do, now that she's back in town, and we're going to hear the story of what her psychotically jealous brother, Adam, did in burning down her entire house and destroying her car for being a straight A student.

After destroying Achelous from the Marvel comics, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Eman Reynolds saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Eman Reynolds: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Eman, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Eman Reynolds: That's incredible.

Nico: It sure is. So, Eman, what's the story behind what your psychotically jealous brother did in burning down your entire house and destroying your car for being a straight A student.

Eman Reynolds: Oh, you're not going to like it, Nico. My dad always told me the day I was born was the happiest day of his life. I was his pride and joy, and my mom and my brother, Adam, envied me for that. On my fifth birthday, Dad threw a big party for me, and even bought me my very own miniature princess island, which we set up in the backyard. Mom was not happy and complained that Dad was spoiling me. As the two argued, suddenly there was a loud crashing noise outside. I ran out to see that Adam completely wrecked my gift.

Past Eman: Adam, you stupid monster, what have you done?

Eman Reynolds: He just laughed like a maniac, and when Dad grounded him, Mom said it was just a toy, and Dad was being too harsh on him. Adam was three years older than me, and Mom spoiled him rotten. He failed the second grade twice, and when he ended up in the same class as me, Mom insisted that I do all his homework and allow him to copy from my tests. Luckily, in the eighth grade, the teacher caught him cheating from me once, and he got suspended for a month, and it was the best month of my life. At school, I was the smartest kid in class and the class president, everyone loved me, and Adam hated that I got more attention than him. So sometimes, he'd take off his shirt and walk around during lunch breaks showing off his abs, he thought he was God's gift to women. Once in the 10th grade, he sat down with the most beautiful girl in school without his shirt, and she threw her soda all over him and told him to stop walking around like an ape.

I laughed so hard that I fell off my seat, and I caught Adam glaring at me, and I knew I'd pay for it, but it was just too funny, and just a few days later on Valentine's Day, a boy in my class gave all the girls roses, including me, and the minute we got home, Adam told Mom that I had a boyfriend, the parasite.

Past Eman: Jeez, you're such a liar, Adam. Mom, the boy gave everyone roses and… Wait, Mom!

Eman Reynolds: The boy lived in our neighborhood and Mom was already storming off to his house. She barged in and yelled at the boy's mother.

Mrs. Reynolds: Your son gave my daughter a rose at school today. Does he have intentions to marry her?! When can I expect a proposal?!

Eman Reynolds: The boy's mother was speechless, and then, she took the rose back and kicked us out. I felt humiliated and mad, and it was all Adam's fault.

Past Eman: Mom, I'll be the laughingstock of everyone at school tomorrow. Why do you always have to listen to Adam?!

Mrs. Reynolds: Because, he's your big brother, and you're just a foolish girl! I can't trust you. Do you know what happens when you take a rose from a boy?!

Past Eman: What, Mom, what happens?! A baby!

Mrs. Reynolds: Exactly!

Eman Reynolds: Ugh, I was so sick of the way Mom treated me, and I was sick of Adam's sadistic and cruel nature towards me. I brought home straight A's and trophies and did everything right, while Adam flunked exams and maxed out Dad's credit cards by buying stupid things. But, he was still her favorite, and she couldn't trust me. A few days later, Dad called a meeting at the lounge for a family meeting, and he made a shocking announcement.

Mr. Reynolds: I've decided to give all my wealth to Eman, and she will take over the family business once she's old enough.

Mrs. Reynolds: What?! You can't do that! That belongs to Adam!

Adam Reynolds: Yeah, it all belongs to me!

Mr. Reynolds: Says who?! He doesn't deserve anything, because he's spoiled and irresponsible. Who do you think pays all the credit card bills? And I'm not blind, I've seen the way you both treated Eman. If you start being fair and change your attitude, I might change my mind.

Eman Reynolds: And the next morning, it was as if I'd woken up in a different house, because Mom and Adam started treating me like a princess.

Mrs. Reynolds: Oh, Eman, your bag looks too heavy for your shoulders, Adam will carry it for you.

Past Eman: Um, I'm used to it. Thanks.

Adam Reynolds: I insist.

Eman Reynolds: Adam took my bag off my shoulder with a big smile. Just then, Mom handed us our lunch money, and she gave me a lot more than usual.

Past Eman: (Suspiciously) How come I'm getting what Adam usually gets?

Adam Reynolds: Yeah, Mom, have you forgotten I'm a boy and bigger and need to eat more?

Mrs. Reynolds: Now, now, we need to be fair to Eman. You can have more tomorrow, Adam.

Eman Reynolds: She winked at him and I just rolled my eyes. You guys should take some acting classes, because you guys suck at pretending.

Past Eman: I know why you're doing this.

Eman Reynolds: I took my bag back from Adam, and walked off to school by myself. Of course, I was onto their plan to impress me just to get Dad to change his decision. But, Adam kept going overboard with his niceness. At lunchtime, I was about to sit down at the table, Adam ran forward and pulled the chair out from me, and I ended up falling on my butt.

Past Eman: Dude, you're not really helping me, and just drop the act, it's not going to work.

Adam Reynolds: But, I'm trying to be nice, can't you see? I hope you're taking notes because Dad needs to know.

Eman Reynolds: When it was time to go home, he insisted on carrying me all the way home from school, saying that my legs were too precious to walk this far, and as soon as we entered the house, Mom announced that she'd give me Adam's room and already shifted all my stuff there.

Mrs. Reynolds: I just realized it was massive, and it has air conditioning. What does a boy need such a big room for anyways? Uh, now come, Eman, I've made all your favorite dishes for lunch.

Eman Reynolds: Adam looked pissed, but I just grinned at him as I went downstairs and saw the massive spread on the table. Even though I knew Mom's reasons, I was loving this royal treatment. This is what being Adam must feel like. Once we were done eating, Mom asked Adam to do the dishes, and he looked at her confused, and then, he just smiled widely.

Adam Reynolds: Yeah, of course, I'll wash the dishes. Oh, and Mom, you remember I'm also having a party for my friends this weekend, right? I wrote down the menu you have to make.

Eman Reynolds: The brat had a party every month, and Mom was always happy to host it. But, suddenly, she said.

Mrs. Reynolds: Actually, I was thinking of having a party for Eman this weekend. So no, uh, you can't have your friends over.

Past Eman: What? Why are you throwing me a party? It's not my birthday.

Mrs. Reynolds: I just want to show you how much I love you, honey.

Adam Reynolds: But, Mom!

Mrs. Reynolds: The dishes aren't going to wash themselves, Adam.

Eman Reynolds: This was just amazing. But, the next day as Mom was preparing for the party, I walked into the kitchen to find Adam shouting at Mom.

Adam Reynolds: I thought you were on my side, Mom. I know we have to be nice to her for now, but this is too much. Why are you doing all of this for her?

Mrs. Reynolds: Maybe your dad is right, Adam, we've been unfair to her.

Adam Reynolds: Wow, do you really mean that? Maybe, I was wrong about you, and you are just a dumb weak woman who's scared of Dad and stupid Eman.

Past Eman: Hey, cut it out, jerk! She does so much for you, and this is how you behave with her?!

Adam Reynolds: Why are you defending this woman? Are you stupid, she doesn't love you, she's only doing everything because

Dad is giving you his fortune.

Past Eman: Well, even if that's true, she's still my mom and you can't talk to her like that.

Eman Reynolds: I shoved him aside and started helping Mom and he stormed off angrily. Mom looked a bit shocked, and then, she thanked me for standing up for her. The next evening, I was having a blast at the party, and some of my friends approached Mom, which caught her by surprise.

Girl: Thank you so much for inviting us, and Eman really deserves this party.

Girl 2: She's super smart at school, and she's really kind to everyone, I'm sure you're proud of her.

Eman Reynolds: Mom looked at me and smiled.

Mrs. Reynolds: Yes, I am.

Eman Reynolds: And then, Dad pulled me away to stand with him while he gave his speech.

Mr. Reynolds: Eman's always made us proud, and today, we celebrate her and all her achievements.

Eman Reynolds: Everyone stood smiling at us except Adam. His eyes were red like a raging bull's, and suddenly, he started bursting all of the balloons, and then, he flipped over the table and spilled all of the food.

Past Eman: Adam, what's wrong with you?!

Adam Reynolds: I hate you! You don't deserve everything, I do!

Past Eman: Oh yeah, and why is that?!

Adam Reynolds: Because, I'm a boy and you're a girl!

Eman Reynolds: That made me so mad that I pushed him into the pool!

Past Eman: I don't care what you think, you're done making my life miserable!

Eman Reynolds: Adam came out of the pool completely drenched and furious.

Adam Reynolds: Mom, Dad! Didn't you see what she just did?! You're not going to say anything to her?!

Eman Reynolds: But, my parents just stood there silently glaring at him, and he screamed and walked away. After everyone left the party, I was helping Mom clean up the mess when suddenly, she stumbled and I caught her just in time.

Past Eman: Mom, are you okay?

Mrs. Reynolds: Uh, yes, just a little bit dizzy, just get me some water, dear, I'll be fine.

Eman Reynolds: This was the first time I'd ever seen my Mom look so weak, so the next day, I insisted that we go to the doctor. The doctor diagnosed her with tiredness, and when we got back, I made sure Mom got some rest. I did all the chores and made her favorite meal, and took it up to her room.

Mrs. Reynolds: I-I'm really sorry, Eman. I was blind not to see how special you really are, and believe me, I'm not saying this because of your fortune, you deserve it. You really are an amazing daughter.

Past Eman: Thank you, Mom.

Eman Reynolds: I hugged her and I felt at peace, because I knew Mom was finally being real with me. But, Adam was ruining everyone's peace, he was losing his mind because no one babied him anymore. One day, he threw out all the food from the fridge, so we had nothing to eat! Another time, I'd found out he'd thrown all my clothes out the window! And then, one night, I just lost it when I found all the kitchen garbage on my bed. My parents were so angry, but their scolding had no effect on Adam. He just looked at them blankly and then started laughing like a psycho. Soon after, it was time for our final high school results, and I passed with flying colors while Adam had failed. He would have to repeat the 11th Grade. Dad just flung his report card to the side and turned to me.

Mr. Reynolds: I'm so proud of you, Eman. Of course, we already knew what to expect from you, you have never disappointed us. Now, come outside for your graduation present.

Eman Reynolds: Mom looked really excited too, and I nearly screamed when I saw that it was a brand-new car. But then, I caught a look on Adam's face, and he looked stunned. Instead of getting angry, he walked off silently, and I felt kind of bad for him.

Past Eman: Dad, maybe you should get Adam a car too. He's older than me and I'm sure he already feels pretty low about staying back in high school.

Mr. Reynolds: Then, he shouldn't have been such a fool. You're too kind to think about your brother, Eman, don't waste your thoughts on him.

Eman Reynolds: Later that night, as I watching videos in bed, I suddenly smelled smoke, it seemed to be coming from outside, and when I looked out the window, I screamed: Adam was laughing like a madman next to my car, which was on fire.

Past Eman: Mom, Dad, you've got to come out now!

Eman Reynolds: As we all ran out, Dad started yelling at Adam.

Mr. Reynolds: Adam, have you completely lost your mind?!

Adam Reynolds: You bought her a car!

Mr. Reynolds: Because she deserves it!

Eman Reynolds: He went totally bonkers after that and started throwing petrol all over the house.

Adam Reynolds: I'll show you! I'll show all of you! If I get nothing, then nobody will!

Mrs. Reynolds: Please, just stop it! Why are you doing this, Adam?!

Adam Reynolds: You know why! All you care about is stupid Eman! (Mockingly) Oh, she's so smart, oh, she's the best. Well, I'm sick of it! I'm the first born here, and I'm your son! What I want should matter most!

Past Eman: You're such a brat, Adam! You're just getting a taste of what I felt like all my life, and it hurts, doesn't it?!

Adam Reynolds: Oh, shut up, Eman! You're just a stupid girl who came along and stole Dad's heart! He loved you more than me, and I had to live with that all my life, and now, you've got Mom on your side too?!

Past Eman: Well, you chose to be a horrible brother and son, and if no one's on your side now, it's all your own fault! You've ruined everything for yourself with your stupid jealous heart!

Eman Reynolds: Just then, Adam lit the match and he burned down the house. But before he could do anymore damage, my uncle suddenly appeared. He was a cop and Dad called him, and he'd come with his team to take Adam away. As we watched him leave, Mom suddenly broke down.

Mrs. Reynolds: This is all my fault. I made him believe he was more important being the son, and I spoiled him.

Mr. Reynolds: Or maybe it's my fault, I never made him feel like I loved him enough.

Past Eman: Mom, Dad, you both made mistakes with me and Adam, but it's not all your fault. Adam's jealous heart did this, but he'll be in a place where he can get serious help. But, what he did is a big crime.

Mrs. Reynolds: Yes, you're right, Eman. And I want to be better too, starting with you, I hope you can really forgive me for all those years.

Past Eman: Mom, trust me, I already have.

We cheered wildly after that, but we were really enraged at Adam's actions.

Nico: I can't believe that psychotically jealous monster did all that and was cruel to you, Eman.

Eman Reynolds: I know, and I could never forgive Adam for everything that he did. It took a long time, but we managed to rebuild the house, and immediately after that, I convinced my parents to press charges on him, and he was immediately sent to prison for the rest of his life for his crimes.

Eli: What a monster.

Lincoln: You said it, Adam was pure evil and he hated everything and everyone in his path. He was a psychotically jealous monster who deserved to be in prison for the rest of his life. But, if he so much as breaks out to get revenge, I'm going to give that monster the biggest atomic wedgie of his life, no, I'll do worse than that, I'll hang him up by his underwear on the flag pole, and he'll be laughed at and be even more humiliated than ever. No one turns their back on family and gets away with it, and he's crossed the line when his sister is one of my Guardian Angels.

Nico: Big time, Linc. He's like all the Evil Sasukes combined, along with the dark sides of Chandler and Lori.

Eman Reynolds: You said it, and like Lincoln said, I took on Lori, Lynn, Lola, Lisa, and Luan at their worst when I defended Lincoln. This one time, me and my parents were having lunch at The Loud House and Lincoln cooked up some Lynn-sagna for lunch, and it was awesome. But, our lunch time was ruined by Lori, Lynn, Lola, Lisa, and Luan, and they ordered him to clean out the basement, but I knew it was a trap and worst of all, they had knives in their hands. Lincoln told them "no", and my parents were proud of the way he stood up to those demons, and we stood with him and supported him. But, they got so infuriated, they took out their knives and were about to stab us, but Lincoln and I fired five blasts of water and I trapped them inside. My parents told Mr. and Mrs. Loud of what Lori, Lynn, Lola, Lisa, and Luan tried to do and I told them that they planned to kill Lincoln when they ordered him to clean out the basement, and Mr. and Mrs. Loud grounded Lori, Lynn, Lola, Lisa, and Luan for nine weeks and they were put in isolation cubes in the basement.

We cheered wildly for what Eman and Lincoln did.

Nico: Now, that was awesome, and did your parents…?

Eman Reynolds: Yeah, and they knew I was born with cosmic hydrokinesis, and I also became a really skilled and masterful water master, and I became an awesome and really amazing swimmer. Plus, seeing Lori act like she should get everything because she's the oldest, it reminded me of Adam, and that's why I really hated it when Lori acted like that.

Me: Whoa.

Nico: That's really personal if Lori acted like your former brother, Eman.

Lincoln: That's why Eman took extra precautions around Lori, and if Lynn, Lola, Lisa, and Luan also teamed up with Lori, they're getting no mercy from her ever.

Eli: Yeah.

We got a shower afterwards, and we then headed off to The Labyrinth Zone in Sonic's World, and not only is Clyde going to rescue the four girls here, but we got word that Betsy Davis had broken out of prison, and she wants revenge on Lynn for throwing her in prison and on Zennia Nikolaevna, Lincoln, and The Dark World Goth Girls for what they did in beating up her equally evil cousin, Veronica Davis, who was out for revenge on Zennia for getting her expelled.

Clyde: Wow, we're here in The Labyrinth Zone in Sonic's World, and I know what we're going to do here, not only am I going to rescue the four girls here, but but we got word that Betsy Davis had broken out of prison, and she not only wants revenge on Lynn for throwing her in prison, but also on Zennia Nikolaevna, Lincoln, and The Dark World Goth Girls for what they did in beating up her equally evil cousin, Veronica Davis, who was out for revenge on Zennia for getting her expelled.

Lincoln: That's right, Clyde. I can't believe that little monster broke out of prison.

Lynn: And what you, Zennia, and the other Dark World Goth Girls did to her equally evil cousin, Veronica, must've been the breaking point, bro. Now, all she wants is our heads on a pike.

Me: She's getting the King Midas' Golden Touch Vengeance Curse for this one.

Nico: Yeah, she'll share the same fate as her evil cousin.

Lori: She just doesn't even know when to quit, even after we kicked her butt years ago when she broke Lynn's leg and got the help of the Black Daffodil Gang and when she showed up at the tennis court long ago looking for revenge on Lynn. She deserves a major beating for this.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help, along with the sound of evil laughter the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Betsy Davis, and she's going to kill them.

Lincoln: Guys, I found the four girls, but that little psychopath, Betsy Davis, has them cornered and she's going to kill them.

Clyde: Why, that evil, little… ! Let's get her!

We rushed over, and Clyde fired grey energy blasts and clocks at Betsy Davis, and that allowed the four girls to get to safety. When Betsy Davis saw us, she was enraged.

Betsy Davis: You miserable losers! You've ruined everything for me!

Lincoln: Why don't you shut up, Betsy?!

Lynn: Yeah, and you deserved every last bit of bad karma when you broke my leg and tried to get revenge on us and got the help of The

Black Daffodil Gang, not to mention when you showed up at the tennis court looking for revenge.

Betsy Davis: Well, I hate every last one of you!

Our auras flared up extremely because of her hate.

Clyde: We're through having to deal with you, you little monster. Let's get her!

We unholstered our weapons and we went after Betsy Davis, and we brutally pulverized her badly and she was getting madder and madder by the second, and she got out a knife to try and stab us, but Clyde fired an energy blast and disarmed her, and he tied her up in a grey energy straitjacket, so she couldn't escape. Then, Lincoln gave her The King Midas' Golden Touch Vengeance Curse, and she was turned to gold, and Lincoln beamed her to the same prison where Lincoln sent her evil cousin, Veronica, where she'll never be free again. We cheered as we holstered our weapons, then, we went up to the four girls, and when Clyde saw them, he recognized them, the four girls are Jessica, Toriko, and Makiko from Stitch! and Penril from Mix Master: King of Cards.

Clyde: Oh wow, it's Jessica, Toriko, and Makiko from Stitch! and Penril from Mix Master: King of Cards.

Yuna Kamihara: Wait, what, Jessica, Toriko, and Makiko are among the girls here, awesome.

Lincoln: Yuna, you did tell me that some more of your friends were also here, but we found out that they were kidnapped by Betsy Davis, so she could lure us here and kill them and us so she can get her revenge.

Clyde: But, we stopped it for good. Are you girls okay?

Jessica (Stitch!): Yeah, we're okay, thanks to you.

Then, when Jessica (Stitch!) and the other three girls saw who it was that saved them from Betsy Davis, their faces turned atomic red when they saw their savior.

Jessica (Stitch!): Oh wow, you're Clyde McBride of Team Loud Phoenix Storm.

Clyde: That's right, and it's a pleasure to meet you all.

Then, Clyde made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Clyde and his clones, and we cheered wildly at the scene.

Yuna Kamihara: Looks like Clyde's got some of my friends in his harem, and he's going to take good care of them.

Lincoln: He will, Yuna. Plus, we took care of Betsy Davis, and she's never getting out again.

Lynn: You said it, bro, that little demon's been asking for it for a very long time.

Me: Yeah.

Nico: What a miserable prick.

Lincoln: She sure is, and I'd like to think there's a special place in Hell for someone like her and her equally evil cousin, Veronica.

Nico: But, there's no way The Devil would take them.

We returned home to the World Tree Estate, and Clyde has four more members for his harem, and we're finally rid of Betsy Davis for good, and that little monster's never getting out again.

---

Later we were on an amazing island located at 11.15292° S, 178.59415° W. It was located not far from Fiji. We got reports of a mermaid island there and it was amazing.

Me: I have a feeling this next treasure hunt is gonna be a good one.

Nico: Optimus, you and Starlight are next for bonding time.

Live Action Optimus: This will be a good bonding time for me and Starlight.

Starlight Glimmer: It sure will be awesome.

Nico: This time we'll all go find the treasure on this amazing island.

Lola: It sure is amazing that this island is here.

Live Action Hot Rod: (French Accent) Oui I think so too.

Live Action Optimus: Starlight, I can't thank you and the others enough for helping to end the war and bring back my fallen friends.

Starlight Glimmer: It was our pleasure Optimus. That was one of the most amazing adventures we've ever had.

Me: Boy it sure was. And the best part is that we got rid of Cemetery Wind and got rid of Megatron.

Starlight Glimmer: We sure did.

Nico: But that was really incredible that some of your fallen comrades were winding up in our universe.

Eli: Yeah I don't know how that was happening but it was.

Nico: Yeah.

Live Action Optimus: Though the loss of General Morshower was unexpected, he will not be forgotten.

Starlight Glimmer: No he sure won't.

Me: General Morshower was a true hero. He gave his life for us and the world.

Qin: That is a true act of valor.

Nico: That's right.

Ashley Aella: I'm sorry all that happened to you guys.

Bridget Branley: Yeah that must've been awful.

Laney: It was.

Lennox: Me and Epps served with him since our NEST days. But I didn't expect him to make a sacrifice like that.

Nico: None of us Lennox. But now we have new Decepticon recruits with us. Also it's amazing that you guys all forgave Sentinel Prime too.

Live Action Hot Rod: Oui. It's good we did.

Nico: Yeah and I got to show you all my Decepticon Leadership Medal to show I mean business.

Live Action Optimus: That is true.

Me: And the best part is that we put an end to the Great War with the Autobots and the Decepticons and prevented Earth and the Humans from getting involved in it. Which would have resulted in many more years of fighting and humans getting killed all over.

Live Action Hound: (sadly) I'm gonna miss slitting the throats of Cons.

Me: That was awesome you did all that though. But it's time to let bygones be bygones and put the past all behind us. And learn from it to make sure it doesn't happen again.

Nico: That's true.

Live Action Optimus: That is very true there.

Starlight Glimmer: I agree there as well.

Eli: Same with me.

Live Action Ironhide: (sighs) I'm gonna miss shooting Cons with my cannons.

Me: No reason you can still blast other bad guys with them though. And Hound you still can slash bad guys throats.

Live Action Hound: That's true.

Live Action Ironhide: It's gonna be awesome.

Me: Yeah. Also I know just the bad guy for the future later on. That big-chinned asshole version of Sentinel Prime.

Eli: Yeah I hate that guy!

Qin: He deserves it for being such a total jerk!

Live Action Scrapper: I can't believe me and my team are the only Combiner team in our world.

Scrapper: Here, there are several Combiner teams.

Me: Yep. Lots of them.

Sunset Shimmer: That's cool.

Eli: So what's the treasure we're after this time?

Nicole: It's called the Spellbook of the Ngeụ̄xk. It's a powerful spellbook that has the power to make mermaids. And it has the power to give mermaids the ability to change into humans on land.

Nico: That's neat.

Qin: Yeah it sure is.

Maria: Who gets it this time?

Me: Good question. How about Lily the Mermaid gets it this time?

Lily the Mermaid: I would be honored J.D.

Nico: Sweet.

Sam S.L.: I have a feeling this is gonna be an interesting one.

May: She IS a mermaid after all.

Nico: That is true and perfect.

Nicole: It sure is. Okay then. It's just up ahead.

We then arrived at a lagoon and in the middle of it was an island and there was a treasure chest.

Me: That's the chest it's in.

Nicole: Yep.

We went over to it and then Nicole opened it and in it was a blue crystal book. It was THE SPELLBOOK OF NGEUXK!

Nicole: There it is!

Lily the Mermaid went over and she picked it up and got an immense power boost from it.

Live Action Bumblebee: How do you feel?

Lily the Mermaid: Incredible.

But then we heard an eerie moan.

Eli: Just in time too.

We saw a figure come out and then we saw that it was ANOTHER FIVE RED! It was a scary version of Five Red from 1991!

Me: Whoa! It's Another Five Red!

Lola: Scary!

Me: If Gaku Hoshikawa saw this he would be pissed!

Nico: Who are you?!

Another FiveRed: (In a boys voice) I think you know Nico my old friend!

Nico: (Gasp) That voice!

Allison Mendoza: Oh great! Not him!

He reverted back and it was a punk kid with dark clothes and he had a skull shirt and had a tattoo on his arm that said Killer Skull and he had an evil look on his face.

Allison Mendoza: Nathan! My little brother!

Nathan Mendoza: Hello sis. Been a while.

Me: Uh oh. I sense a lot of bad blood between them.

Qin: Not good. I remember little Nathan. He had a tremendous mad crush on me.

Nico: Yeah and he was also the meanest little kid ever. He was a grade A bully to the brink.

Nathan Mendoza: Yeah and Nico has my girlfriend.

Qin: I'm not your girlfriend, you little punk!

Chowder: And I thought I was the only one that said that.

Me: Care to tell us more about him?

Allison Mendoza: Me and Nathan have hated each other ever since I was 7. When he was three he pelted me with water balloons full of raw sewage and I wanted nothing more than to wring his neck! As we grew older we did a lot of terrible things to try and kill each other. But mom and dad had him sent to military school after he did something awful. He hurt a bunch of kids and tried to frame another kid for it. But Nico filmed the whole thing and dad was really pissed at him for that and he sent him to a military school in another state.

Nathan Mendoza: And I will never forgive you for that Nico!

Nico: You brought that all in yourself!

Nathan Mendoza: So, that's it, then? You take down the little brother of your girlfriend just like you plan to do to Eternal?

Nico: Don't even go there! At least Katsumi was a good man before and can still be saved from himself. But you? You're a psychopathic manchild who's already too far gone!

Nathan Mendoza: (smirks) Are you sure your buddy J.D. over there agrees with you?

?: That's enough you little punk!

A figure came out and it was MARIA CRANBERRY THE CYCLONE DOPONT!

Me: (Gasp) Maria Cranberry the Cyclone Dopont!

Maria Cranberry: That's right. J.D. don't believe a word this little punk says. I know you are torn between wanting to kill Eternal and letting him live but do what is right and let him live. The least you can do is give him a good life in your frenemies.

Me: Maria I'm really torn about this. Katsumi did horrible things and he was going to destroy everything and send everyone off to hell. Not only that but he killed you in cold blood and I can't let that go unpunished. His crimes make him worthy of being banished to the black gates forever. But in all honesty I can't let him be with our frenemies.

Maria Cranberry: I know J.D. But it's not his fault he became like this. It's because of Foundation X. They are the ones that made him thiat way.

Me: I see.

Nathan Mendoza: Or maybe that bitch is the one trying to lie to you thanks to being a Dopant.

Nico: (glares at him) Back to what I was saying… you're not Alison's little brother. That boy died a very long time ago.

Allison Mendoza: That's for sure!

POW!

She punched him in the face and smashed him into the water!

Me: I thought he would never shut up. But Maria. I just…

Maria Cranberry: J.D. listen. I know you mean well. But please give him a change. It's not his fault. He lost his mind from Foundation X. At least give him a shot. I then thought about it hard and remembered what happened and what he went through as a corpse and as a human being. And I realized that she was right.

Me: (Sighs) All right. I'll let him join the Masters of Evil. But on the condition that he gets slapped with one of Lincoln's curses that makes sure he doesn't try anything.

Maria Cranberry: Fair enough.

Me: Thanks Maria. I owe you big for this.

Maria Cranberry: It's my pleasure.

Nathan Mendoza: Well, how about we transform to show that I really did die a long time ago?!

Nico: Bring it on!

Nico got a Kamen Rider changer, not even looking which one he took out.

Nico: Henshin!

LOCK ON!

ZZZZZZIIIIIIIIIIIIIIPPPPP!

Nico turned into KAMEN RIDER GUREPUFURUTSU!

Me: WHOA! A grapefruit arms!

Alison: Wanna get on my back once I transform into my dino form?

Nico: You bet I do!

Alison: Time to make my so-called brother lunch!

Ashley Aella: (Flares up Wind Aura) And Maria I am going to be your archenemy too. Sorry I'm Ashley Aelia. I'm a Wind Elemental hybrid.

Maria Cranberry: That's interesting. But it's an honor.

Alison's hair started falling out.

She grew a tail and then grew taller and she turned into her ALLOSAURUS FORM and roared ferociously!

Nathan Mendoza: What the!?

Nico: Now you're in for it chump.

Nico hopped onto Allison's back as Live Action Optimus did the same with Live Action Grimlock.

Nico: YEAH!

Allison roared!

Me: All hail Nico Chan and Allison Mendoza, king and queen of the Jurassic!

Live Action Jazz: What, you think Optimus and Grimlock are chopped liver?

?: No that's what I am. (RIMSHOT)

He saw a jar of chopped liver in my hands and I shrugged.

Allison and Nico were ready for action! Same with Live Action Optimus and Grimlock.

With Optimus on his back, Grimlock charged at Another Five Red.

And he smashed Another Five Red down.

Another Five Red: WHY YOU LITTLE!

He pulled out a Fiveman blaster imbued with Larxene's power and he fired waves of lightning and Lincoln fired waves of lightning and the blasts collided and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! He has weapons of Fiveman that are imbued with the core and non-core M.O.E. Members

Grimlock: Me Grimlock smash bad brother!

He smashed Another Five Red all over with incredible fury!

Ashley Aella and Maria Cranberry were facing each other.

Ashley Aella: Wind VS Cyclone. I like that. Makes us feel like we own the sky.

Maria Cranberry: It sure does. Lets do it!

Ashley Aella: I think we can call this my first usual battle.

Maria was enveloped in a vortex of wind and she turned into CYCLONE DOPONT!

They were enveloped in wind auras and flew into the air and were punching and smashing all over. She then smashed her into the ground with a powerful blast of wind.

Ashley Aella: YEAH!

Alison: Save some for us!

Alison and Nico smashed and pulverized Another Five Red all over the place.

Nico: WOO YEAH!

Eli: YEAH GO NICO!

Me: YEAH!

Eli: This is turning into a battle of the Jurassic!

Live Action Ironhide fired his cannons.

The blasts hit Another Five Red and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Nico: OH YEAH! Feel free to jump in at anytime everyone!

Me: Oh right! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Emily Serasota: YEAH! J.D. can I do one?

Me: Sure. And I think I have just the archenemy for you.

I gave her a ridewatch for Nathaniel Tyron A.K.A. Neutron!

Emily Serasota: Wow! Neutron!

Me: Yep. Nathaniel Tyron A.K.A. Neutron.

Emily Serasota: Now it's my turn! (Activates Neutron's Ridewatch)

She fired atomic energy blasts and they hit Another Five Red and smashed him down!

Grimlock tail whipped Another Five Red

SMASH!

He was sent crashing into a palm tree!

CLANG! CLANG CLANG CLANG CLANG CLANG CLANG!

He got hit in the head with seven coconuts!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH SEVEN COCONUTS!

Then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and I caught his Ridewatch and purified it!

Lola: TAKE THAT!

Nico: (LAUGHS) That was funny!

We had him arrested and sent to the Jupiter Prison for his crimes. Defeated by a coconut tree. HA! That is funny!

---

Later at the store, Nico, Qin, May, Silver Banshee and the mascots were there to get some food.

Silver Banshee: (to the mascots) (Scottish Accent) Do I even want to know what you guys plan to buy here?

Poromon: Red Bull!

Nico: Oh boy.

Poliwag: But we also want to sell free samples of frozen meals of our favorite foods here.

Manaphy: Yeah to get people into our favorite foods.

Poliwag and the mascots had a bunch of frozen home meals of our favorite foods.

Black Canary: You think they'll go for it?

Varie: Oh they will.

Me: Free sample sir?

Man: Hey don't mind if I do.

He tried an Ultimeatum sample and it was delicious!

Me: Frozen Ultimeatum Burgers. You can make them at home.

Man: Hey that is delicious! Wow! You guys make great burgers. Where can I get these?

Me: Just down Aisle 8.

Man: Thanks.

He went there and got 20 boxes of the frozen Ultimeatum meals.

Lily: Wow!

Nico and the others came.

Nico: This is an awesome way to promote Lynn's Table.

Mr. Krabs: It sure is lads. Better than how I did it at the Krusty Krab.

Lily: Mr. Krabs made frozen krabby patties. But they were also made with sand.

Qin: Yuck!

Lily: Yeah made everyone's butts really big.

Shrapnel: Okay, maybe Red Bull might not be a bad thing. After all, it worked against Hans.

Nico: Yeah it sure did. And the free samples idea is great.

Me: Thanks. Mr. Lynn said it's for a promotional deal he's getting.

Lily: SpongeBob said that Mr. Krabs tried to do this with the Krusty Krab. Long story.

Nico: Wow.

G1 Bumblebee: I hope people like them.

Nico: Oh they will.

We saw the frozen food selling like hotcakes and it was awesome.

Even the spice demons loved the Inferno Wings and more.

Qin: Wow! What a success.

Plankton: Just as long as it's not me selling chum samples.

Me: I heard from Lily about that. You tried to do free samples of chum and chum krabby patties. Yuck!

Nico: Yeah that would be gross.

Lola: Yeah. Thank goodness J.D. doesn't throw up anymore from hearing about Chum.

Me: Yeah that's good.

Pacifica Northwest: (to Maria Cranberry) You and the Maria we know and love would get along great.

Maria Cranberry: We already do. And it'll be awesome joining the redemption squad and the M.O.E.

Me: The pay is really good Maria.

Nico: Yep. But thanks for giving J.D. some really good advice.

Maria Cranberry: Happy to help Nico.

June Carrington: You really helped him out of a jam there.

Maria Cranberry: That's true. But use the Gaia Memories of the W Riders wisely.

Me: Philip and Shotaro are gonna be amazed seeing you with all those powers.

June Carrington: They sure are. Lisa made this awesome sword for me that uses all the powers of the Gaia Memories. And the M.O.E. Core and Non-Core Gaia Memories are perfect for it too.

Nico: They sure are.

Later we were back at the estate and we were getting ready for another awesome treasure hunt mission.

Nicole: Okay time for another awesome and amazing treasure hunt. This time it's located at a Mermaid Island at these coordinates: 13.70202° N, 89.57754° E.

Me: That's not far from the Andaman and Nicobar Islands.

Nico: All the way out in the Indian Ocean. Very awesome.

Eli: And interesting.

Then Tala, Multiplex, Trumbipular, Toiletnator, Dark Laser, Ebon, Eccentro, Whirlwind, Vanitas, Atomic Skull and Comic Book Guy

Tala: Can me, Trumbipular, Toiletnator, Dark Laser, Ebon, Eccentro, Whirlwind, Vanitas, Atomic Skull and Comic Book Guy go with you guys?

Nico: Yes you can. But Multiplex already had his turn.

Multiplex: I know. But I'm here to tell Emily something.

He put his hand on her shoulder.

Multiplex: Emily I completely understand how you feel. Like you I am a survivor of a Nuclear Explosion myself.

Emily Serasota: You are?

Multiplex: Yes. It was a long time ago. I was caught in a nuclear explosion. I got mutated by a nuclear explosion and it gave me cloning powers. I turned into Multiplex as a result. But I'm really sorry you lost your family. But you shouldn't let their sacrifice stop you. They loved you more than anything and they will always be with you.

Me: That's right Emily. They will always be with you.

Eli: That's right.

Emily Serasota: (Sniffles) Thank you guys.

Me: You're welcome.

Teen Titans Thunder: Nico, which Gene Slammer do you wish to meet next?

Nico: I think it's obvious on that. Next up will be a White Chromatic Dragon.

Me: Ooh the cold dragon.

Qin: Wow.

Tammy Gregorian: That's awesome that you're meeting gene-slammers like this.

Lola: It sure is.

Dark Laser: Flipsy really loved the frozen foods!

Me: We're glad he did.

Maria: Those were awesome.

Dark Laser: We heard what happened on Mako Island. And we heard that Sabrina got her revenge.

Me: She sure did. She destroyed the man that killed her family. His name was Ethan Davis.

Tala: Oh man! I've heard of him. He was the leader of the evil Church of Diablo. He's a monster.

Me: Yep. He is pure evil. But he got the Black Gates.

Nicole: Yep. Lets head out everyone.

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, what's up?

King Kai: (Telepathically) I've got some bad news: Frieza's loyal lieutenant, Zarbon, is on the loose, and he's out for revenge on what you guys did to Frieza last year.

We gasped in shock.

Nico: What?!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Zarbon, and he's coming after us to get revenge for what we did to Frieza last year. When we saw it, we knew it meant trouble.

Lincoln: King Kai's right, the dark energy signal I sensed belongs to Zarbon, and he's indeed coming after us to get revenge for what we did to Frieza last year.

Tech E. Coyote: First, Cui came after us, and now, it's Frieza's trusted lieutenant, Zarbon. This is going to get really messy.

Nico: You said it, Tech. Now, the question is who's going to face him?

Minerva Mink: That's going to be left up to me and Linky.

We gasped at Minerva's proposal.

Nico: Minerva, are you sure about this?

Minerva Mink: I am, besides, you, Maria, Skyla, and Nikiya already had your fun beating up Zarbon in the Simulator last year. So, now it's my turn, and he's about to see that every rose has its' thorns.

Lincoln: That's right. And we've already got plans on how to torture Zarbon for when he shows his face.

Nico: (Smirks) I hope they're just as painful like what Wile E. Coyote, Calamity, and Tech E. Coyote put Cui through yesterday, big guy. Alright, gang, let's go, we've got another treasure to find.

Lincoln: And another villain to slay, and you'd better start praying, Zarbon, because death is coming for you, and you're never leaving out of here alive!

Minerva Mink: Yeah, you deserve every last bit of pain and suffering for everything you and your lord have put so many innocent people through!

Yakko: Whoa, I never knew Minerva could be that vengeful. But, then again, this is Zarbon we're talking about, the very person who was at Frieza's beck and call.

Vegeta: And there's no doubt he'll transform into his more monstrous form, Yakko.

Wakko: I hope he dies a gruesome death for what he's done.

Nico: Believe me, Wakko, what Lincoln and Minerva Mink have planned for him, he's going to regret ever coming after us.

We were off.

* * *

We were at the island and it was really amazing.

Me: Wow! So this is the island.

Nico: Yep.

Dreamcatcher: I wonder which villain we'll fight next.

Me: I have a feeling it's a Disney villain we haven't faced yet.

Laney: There's one villain I can think of that fits that description: Queen Narissa!

We gasped!

Me: From the 2007 movie Enchanted!

Ariel: We haven't met Giselle yet.

Me: No we sure haven't.

Nico: What do you know about her?

Me: It's not good. She's a ruthless tyrant.

I went over her history.

---

Queen Narissa (simply known as Narissa) is the main antagonist of Disney's 2007 fantasy film Enchanted. She is the stepmother of Prince Edward and the archenemy of Giselle.

She was voiced and portrayed by Susan Sarandon, who also played Coco LaBouche in Nickelodeon's Rugrats in Paris: The Movie.

Queen Narissa is a combination of several Disney villains, notably the Evil Queen and Maleficent - she was the reigning Queen of Andalasia, a fantasy world based on the traditional animated movies of Disney: she does not want her stepson Prince Edward to marry Giselle, because it would cause her to lose her place on the throne and plots to get rid of her by sending to a place where there are no happily ever afters: modern-day New York City.

Narissa achieves this by disguising herself as an old hag and throws Giselle into a magic well - which transports her to the real world, however when Prince Edward finds out and goes after Giselle, Narissa has her assistant, Nathaniel go after them but grows increasingly angry at his failings every time. Eventually, Narissa decides to enter the real world herself and deal with things, since Nathaniel seems incapable of doing so (in truth Nathaniel was starting to doubt his own purpose and would ultimately redeem himself).

Narissa manages to trick Giselle into eating a poisoned apple (once again taking the form of the same hag) during a ball before revealing herself to the crowds. She mocks Prince Edward and Robert by saying that Giselle shall die by midnight without "true love's kiss" - Edward tries to do so, but he fails. However, Robert agrees to do so and Giselle awakens. Narissa grows angry at this and transforms into a giant vicious beast with the intent of killing everybody else, starting by Giselle, but Robert valiantly stands between Narissa and Giselle to protect her. Narissa kidnaps Robert before bursting out of the Woolworth Building and climbing to the top where she intends to drop Robert to his death.

Giselle gives chase and after a brief confrontation, Narissa loses her grip from the building's tip due to Giselle's chipmunk friend Pip standing on one of her horns since he had gained extra weight. After failing to complete her shapeshifting spell, Narissa is consumed in a green glowing fire, and eventually falls to her death into the streets below where she is destroyed in a shining explosion upon hitting the ground, leaving nothing but her viscous, glowing remains.

* * *

When I was done explaining everyone was shocked!

Nico: WHOA MAN!

Me: Yeah she is bad news.

Nico: One Maleficent and Evil Queen is bad enough but 2 is FAR TOO Many!

Toiletnator: I'm confused. Is she based off Grimhilde or Maleficent?

Nico: She's both actually. J.D. said she is a combination of several villains.

Toiletnator: Oh.

Qin: Yeah she is pure evil.

Me: And she deserves the black gates.

RD Luna: Dudes, we need to find Giselle for this!

Nico: I agree Luna. Sora, Kairi, Aqua, you will go to the world of 2007's Enchanted and find her.

Sora: Right!

Kairi: We're on it.

Nico: J.D. you go with them too.

Me: Right! Lets head out!

We were off to the world of Enchanted!

Ebon: How about I just open a portal to their location?

Nico: Go for it.

Ebon did so and we saw the portal and we went through it.

Nico: They'll be back.

---

French Narrator: (French Accent) 3 hours later.

---

We flew through a portal and arrived back later.

Giselle: Looks like we got here just in time.

Nico: Awesome to meet you Giselle.

Giselle: You too Nico.

Me: Thank goodness we got back.

Aqua: It was easy to find her thank goodness.

Sora: Yeah.

Dr. Krankcase: Do you have any elemental fairies in your world?

Giselle: No unfortunately I don't.

Me: That's all right. But she was made aware of Narissa returning.

Qin: That's good.

Nico: Lets go find the treasure first.

Whirlwind: J.D., I can tell you have a terrible history with Queen Narissa.

Me: Yes I do! Because years ago I destroyed her.

Everyone gasped!

Me: Yeah. I overthrew her and destroyed her reign of terror. I imprisoned her in a crystal and banished her to the ice asteroid of Mor Gal Tal.

2003 Leo: The ice asteroid that Ch'rell was banished to.

Me: Bingo. I cursed her also with a fate worse than death too: Eternal Life Without Eternal Youth.

Gantu: And I'm guessing you also met Gisele during that time?

Me: I sure did and she gave me the title of Sir James of Colorandon.

Nico: Ooh she knighted you.

Me: Yep. And I thought that was really awesome.

Qin: Sir James of Colorandon. I like that.

Comic Book Guy: Best. Title. Ever.

Nico: I agree.

Me: Thanks.

We were searching for the treasure.

Gisele: I had trouble adjusting to the modern world the first time.

Rolf: Rolf knows how diffilcult it is to adjust to the wonders of the modern world as well.

Hood Sickle: Rolf got homesick once.

Eddy: I remember that. We tried to make Rolf feel like he was back home.

Edd: And my Encyclopedia of Old World Culture became really useful for that.

Me: Really cool.

Atomic Skull: It gave birth to the famous "That's My Horse" song.

We laughed!

Me: That always cracks me up.

Ed: Yeah!

Eli: That was awesome and funny.

Giselle: (Laughs) That is funny.

Nico: Lets focus on the treasure hunt.

Nicole: The treasure we're trying to find is called the Scythe of Orothe. It's a Moonlands weapon that is imbued with the power of water.

Girl Jordan: Wow! That is awesome.

We got to a lagoon and on a rock in the middle of the water was The Scythe! It was a beautiful blue scythe and it had the symbol of the Moonland of Orothe on it.

Vanitas: Is that it?

Nicole: That's it.

Ulmar: Who wants to pull it out?

Gina Huntington: I will.

Me: Perfect for you Gina.

Lincoln: Because you represent the planet Neptune.

Gina Huntington went over to the scythe and she pulled it out and she got a massive increase in power and her water was infinitely stronger!

Qin: WHOA!

Eccentro: Nico, which Ridewatches do you have this time?

Nico just smirked and showed the Ridewatches of Zero One, Vulcan, Kiramai Red, and their copies.

Nico: Zero One this time.

Me: Sweet!

Octavia Melody, Cloudkicker and Marble Pie for the copies.

Rarity for Kiramai Red, Sam Simpson for Zero One and Lucca for Vulcan.

Nadira: We know what time it is.

Nico: Entrance time.

Me: (Senses something) Places people.

We got to hiding and then a cloaked figure came and it was QUEEN NARISSA!

Me: There she is.

Nico: Lets go.

We went at her.

She was looking for the scythe when suddenly the Spirits of The Elemental Force of Girl Power appeared and swirled around her and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard. We then came out.

Me: Hello Narissa. Nice to see you again.

Narissa: YOU!

Me: That's right! Me!

She then turned into a SCARY DRAGON!

Me: Just like before!

Narissa: This time, I will finish you off for good!

Trumbipular: Go ahead and turn dragon. Because Gisele told us how to beat that form.

Me: With a sword through your black heart!

Qin: That Is for sure!

Then Living Laser, Man Boy, Brain Freezer, New Wave, Mr. Fizz, Vulkanus, Copperhead, Manta Bayarsh, Rowdyruff Boys and Zexion appeared.

Nico: Living Laser, Man Boy, Brain Freezer, New Wave, Mr. Fizz, Vulkanus, Copperhead, Manta Bayarsh, Rowdyruff Boys and Zexion.

Aylene C.: Oh hey B.F.

Brain Freezer: Hey babe. You've been going on many awesome treasure hunts lately.

Aylene: We sure have and its so awesome.

Living Laser: If the next treasure is where I think it is, we might need the Gaim team's help.

Man Boy: What makes you think that?

Brain Freezer: I'm getting that same hunch as well.

Nicole: Yes your hunches are correct. The next maps for tomorrow have treasures that are located in the Helheim Forest.

We gasped in shock!

Qin: Whoa! That's the place where Kouta and and his team got their powers.

Nico: Yeah. So we'll be seeing what the Helheim Forest looks like for the first time.

Me: On the distant planet of Femushinmu. 3.98 billion light-years away. I'll have to call Kouta and tell him and his team that we'll need their help.

Nico: Good idea.

New Wave: (to Nico) We heard you went to Mako Island.

Nico: We sure did.

Mr. Fizz: Was it your first time?

Me: It sure was. And it was awesome seeing the island. This was the very island where Emma, Rikki, Bella and Cleo got their powers.

Mr. Fizz: That's amazing.

?: That is cool!

A figure came out and it was BARA MOBILE from the Carranger VS Ohranger movie!

---

Bara Mobile is not present on Earth when Emperor Bacchus Wrath attacks with his army and thus Bara Mobile is the final surviving member of the Machine Empire Baranoia. With his superiors either dead or defected, and the Empire having collapsed, Bara Mobile comes to Earth one year after his emperor died. WIth not even the Barlo Soldiers around to help him, having been completely wiped out during Kaiser Buldont's final attack on Earth, Bara Mobile is forced to enlist the aid of the Space Bosozoku Bowzock and thier Combatant Wumpers for muscle. His plan is to establish his own empire of "car-people" by transforming humans into Machine Beast-organic hybrids and use thier unstoppable powers to conquer the universe. He is first seen by Kyosuke Jinnai bathing in a hot spring and is ready to fight by Bara Mobile eventually convinces him that he was friend, not foe. He is originally aided by the Carrangers in the fight against the Ohrangers due to confusion between the teams only to retreat when Ohranger Robo and RV Robo go into battle against one another but both pursue him onto a dam at which point the Bowzock arrive and rescue him. He later kidnaps Goru to make him the first of his "car-people" only to be thwarted by Kyosuke breaking him free. Both teams escape at which point Bara Mobile asks the Bowzock for help and Gynamo (convinced that he could help them conquer Earth) sends SS Sutatanzo went with a platoon of Combatant Wumpers to aid Bara Mobile in destroying the Sentai teams. However, the Carrangers and Ohrangers easily beat them and Bara Mobile is taken out by the Olé Bazooka. It is then that Sutatanzo eats imo-youkan and Bara Mobile enlarges himself whilst a mysterious figure sends down Norishiron Extra. Despite this, Bara Mobile is quickly killed by Ohranger Robo's Crown Final Crash and takes any last hopes of the Machine Empire's rebirth down with him.

---

Eli: Bara Mobile! I remember you! You came to Earth to turn it into a Machine Beast Empire!

Me: A Japanese Turbo Monster. That's awesome!

Bara Mobile: Yep.

William: Shame you weren't adapted in America.

Bara Mobile: I know. I might have come from a crossover film but I stlll had potential!

Me: What a ripoff! That would've been awesome if you had your own episode or adventure.

Bara Mobile: Yeah it sure would have been cool!

We got the usual battles underway.

---

Megan McCallister, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Pacifica Northwest and Sissi Delmas VS Living Laser - Nico's rescue was a musical one

---

Living Laser was first.

Living Laser: (to Megan) Nico's rescue was a musical one. Too bad there wasn't any dancing.

Nico: I knew there's no mistaking that voice from anywhere. You can come out now, Zarbon.

Suddenly, we felt a strong energy signal and we saw a figure rushing to kill us, it was none other than Zarbon, Frieza's trusted lieutenant.

Lincoln: About time he showed up. (Smirks) Minerva, why don't we give him a proper welcome?

Minerva Mink: With pleasure, Linky.

Minerva Mink got out a massive bazooka, and she aimed it at Zarbon and fired. Zarbon got hit with the blast, and it really pissed him off now.

Vegeta: Nice shot, and it looks like you've pissed him off now.

Minerva Mink: I was aiming to shoot a leg off, but that's more than enough.

Zarbon: Too bad you won't be laughing for much longer when I kill you and your husband's next!

Minerva was already seeing red, and we knew that Zarbon just crossed a big line.

Minerva Mink: Now, you've just crossed a serious line when you also threatened my future husband's life, bastard!

Nico: Uh oh.

Suddenly, Minerva Mink's eyes turned neon blue, and she was surrounded by a red and yellow energy aura with fire, water, ice, and minks, she unholstered her massive sword from her back, and as she approached Zarbon, she left red and yellow energy, fire, water, ice, and minks with every step.

Minerva Mink: Zarbon, I will never ever forgive you for what you've done in the service of that sadist, Frieza, the blood of countless innocent people are on your hands, and now, you will pay for the cold-blood slaughter of countless innocent souls with your life!

Suddenly, Minerva Mink was surrounded by a massive vortex of red and yellow energy with fire, water, and ice surrounding it, there's a mink running around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Minerva Mink emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Minerva Mink grew from 6'0" to 6'11" in height, she has the body of a goddess, she has red and blue highlights in the bangs of her long flowing blonde hair, she has neon blue eyes and a firetruck red and yellow energy aura with fire, water, ice, and minks surrounding her, she has a mink with a ball of fire, a ball of ice, and a drop of water in its paws emblazoned on her forehead, she has on mink earrings with red gems for eyes and the Fire, Water, Ice, and Eternity Kanjis in its paws, she also has a mink with blue gems for eyes and the Fire, Water, Ice, and Eternity Kanjis in its paws for the second pendant on the bottom of her yellow mink-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Minerva Mink felt a sharp pain on her back, and then, her massive yellow angel wings grew much bigger for her new body, and the large yellow feathers have firetruck red and blue tips on the feathers, and her long yellow tail grew much longer. Minerva Mink has on a Ring of The Phoenix with firetruck red gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Minerva Mink's massive sword and the other swords she'd gotten in the treasure battles began merging together and they were surrounded by a kaleidoscope of red and yellow energy, fire, ice, and water, and when it emerged, it was transformed into Minerva Mink's Tri-Elemental Angelic Broadsword of Tri-Elemental Justice, it's a brand-new broadsword with the silhouette of Minerva Mink surrounded by the symbols of Fire, Ice, and Water etched on the 7'0" massive, wide, double-edged firetruck red blade, gold mink heads for the crossguard, large firetruck red gem embedded in the rainguard, longer black handle, four large gold mink heads with blue gems for eyes and in the open mouths and on the bottom of the mink heads is a large firetruck red gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with firetruck red gems on her wrists, new large gold Belt of Elemental Bravery with a gold mink's head with blue gems for eyes and a large firetruck red gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Minerva Mink has transformed into SUPER ANGEL ETERNITY INFINITY TRI-ELEMENTAL ANGELIC MINK ANGEL OF COMEDIC TRI-ELEMENTAL JUSTICE AND DIVINE GRACEFUL LOVE!

We were amazed by Minerva Mink's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding and he let out a wolf whistle. But, when Zarbon saw it, he fired an energy blast at her to kill her, but Minerva gracefully dodged it, and she kicked Zarbon so hard, she sent him flying into a tree, and that pissed him off even more.

Nico: Whoa, looks like Minerva Mink has transformed, and she not only got Lincoln whistling like a wolf, but she also dodged Zarbon's attack and kicked him so hard, she sent him flying into a tree.

Me: You said it, Nico. Now, things are really going to get messy.

Lincoln: Yeah, when Zarbon tried to kill Minerva Mink, that shows that's not the way to treat a lady. And Minerva Mink, you look beautiful. How do you feel?

Minerva Mink: (Divine Echoing Cosmic Voice of The Heavenly Tri-Elemental Mink and Divine Comedic Love) I feel incredible, Linky. Now, shall we teach this ungraceful monster a lesson and send him to The Black Gates?

Lincoln: (Smiles) With pleasure, Minerva.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Minerva Mink, and he put up an energy field to protect the island and us from Zarbon's wrath.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) This'll be the absolute last time we ever have to deal with you, Zarbon.

Minerva Mink and Lincoln went after Zarbon, who continued to fire energy blasts at them, but they've dodged them, and they fired powerful blasts of rainbow energy, red and yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Minks, and Angels at Zarbon, and they exploded with incredible power as they hit him. Then, they attacked him with their massive broadswords and they left painful scars on him and they sent him crashing into the sand.

Zarbon: I may have made a mistake in underestimating you both, but I'm afraid playtime's over, and now, you've left me no other choice but to show you both the beast within me. (Laughing Sinisterly)

Zarbon then transformed into his monstrous state, and many of us were really freaked out.

Me: That's Zarbon's monstrous state?! That literally proves he has the face of an angel, but in reality, he's nothing but a evil ruthless monster.

Nico: You got that right.

Zarbon went at them again, but they dodged his attacks, and Lincoln and Minerva proceeded to stab Zarbon in the legs with their massive broadswords and it caused him to scream in excruciating pain, and Lincoln kicked him hard in the stomach, and Minerva Mink castrated him, and that was painful.

Nico: (Winces) Ooh, now that was one painful castration. Wonder what other tortures they have in store for him?

Then, Lincoln chained Zarbon up with rainbow energy chains, and he sent an army of rabid wolves at Zarbon, who maimed and mauled him badly, and Minerva burned him badly as well, and that caused him to change back. But, then, Lincoln and Minerva Mink had placed tons of explosives and cannons around him and they left a trail of gunpowder, and Minerva Mink held up a lit lighter.

Minerva Mink: (Divine Echoing Cosmic Voice of The Heavenly Tri-Elemental Mink and Divine Comedic Love) (Smirks) As they say, Zarbon, every rose has its' thorns.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) (Smirks) And now, this is the end for you.

Minerva Mink tossed the lit lighter into the trail of gunpowder, and when the flame lit the trail, it then travelled to the explosives and cannons, and when they were all lit up, they exploded with so much incredible power, it killed Zarbon and nothing was left. Then, as his spirit appeared, Lincoln marked his forehead with a kanji and he was found guilty by all those he murdered and he was erased by The Black Gates forever. We cheered wildly for what Minerva Mink and Lincoln did as they holstered their massive broadswords on their backs and powered down, and Minerva Mink's new body, clothes, weapons, jewelry, and massive blonde angel wings are permanent.

Minerva Mink: Good riddance, you heartless monster. Thank you for helping me take down and destroy Zarbon, Linky.

Lincoln: (Smiles Warmly) You're welcome, Minerva.

Suddenly, Minerva Mink wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Minerva Mink's face, they kissed passionately as Minerva Mink's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, an Angel flying in the air, and we saw a herd of Buffalo and minks running across the field, along with elemental forces and we all cheered wildly.

Nico: Oh man, guys, words can't describe the humiliating and painful torture you put Zarbon through, that was both awesome and hilarious at the same time!

Lincoln: Thanks, Nico.

Gine: And I especially liked it when Minerva castrated Zarbon and right in front of our eyes, that was really amazing.

Fasha: But, the really amazing part was what you both did to finish that bastard off, and I'm going to guess you packed a lot of dynamite and explosives for the finale, right?

Minerva Mink: That's right, I figured it'd be perfect to send Zarbon on his way to The Black Gates.

King Kai: I saw the whole thing, and that was not only really painful, but really hilarious.

Lincoln: Glad you like the show, King Kai. But, this has me thinking, if Zarbon's showed up, then, this means that Dodoria's also come back as well.

Nico: Which means he'll be wanting revenge on us tomorrow for what we did to Zarbon, Linc. But, we'll be ready for him.

Buster Bunny: Yeah, he's also going to suffer the same fate as Zarbon.

Vulkanus: Well, Narissa was a monster. So, she died as a monster.

Copperhead: I think it's fitting.

Me: Yeah it sure is.

Manta Bayarsh: The Fiveman weapons that Nico and the others got really came in handy.

Nico: They sure did.

Emam Reynolds: I'm really gonna love it here with you guys.

Tammy Gregorian: Same with me.

Brick: You girls won't regret it.

Zexion: What do you guys say we buy stuff at the supermarket for the celebration.

Me: Good idea.

Nico: But great job everyone. We got three more awesome treasures.

Nicole: And we have 3 left and they are in the Helheim Forest.

Nico: Yep.

Giselle: (To the viewers) This was a great adventure though. With 2 days left till the adventure with the Kiva Kamen Riders things are gonna be really awesome.

Nico: It sure wil be. Lets head home everyone.

We went back home and went to the supermarket and bought more food and then we enjoyed the rest of the day and went to sleep.

# TREASURE HUNT IN THE HELHEIM FOREST

On the distant planet of Femushinmu and walking through the beautiful and alien landscape of the Helheim Forest was Nico, The Ripping Friends, Tommy Himi, The Gaim Kamen Riders, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there for a treasure hunt as well as an awesome battle with Another Omnitrix Alien as well as Another Ranger.

Me: WOW! So this is the Helheim Forest!

Nico: This is incredible! And we're at 3.9 billion light-years away from home.

Laney: Amazing!

Me: Thanks for coming with us Kouta.

Kouta: Anytime J.D. and it's awesome that we're going with you all here. You need someone that knows this entire forest like the backs of their hands.

Kaito Kumon: It's an amazing forest huh?

Fu: It sure is. And the trees are breathtaking.

Me: And the view of the sky is amazing too. I see 2 moons.

Qin: It's breathtaking.

Laney: It sure is.

Tommy Himi: It sure is awesome.

Eli: Boy I'll say.

Nico: Thanks for coming with me, Tommy.

Tommy Himi: My pleasure Nico. It's gonna be awesome going with you on an incredible rescue.

Nico: It sure is awesome.

Nicole: Not only that but this is also the first time we've ever been to the Helheim Forest and we're coming here for 3 amazing treasure hunts.

Brittney: And before the big day with the Kiva Kamen Riders.

Me: Yep.

Nico: Tommy, how does it feel to be the youngest Digidestined of your team?

Tommy Himi: It feels incredible Nico. And as the user of the Spirits of Ice and Wood, it's really amazing that we can do so much together.

Me: I think it's really awesome.

Camie: But that still amazes me that you were given an incredible responsibility to defend both worlds.

Tommy Himi: It sure is.

Lola: I agree there.

Nico: You're not the only one. Cody's the youngest of his team as well.

Me: So was T.K. and Kari back when Myotismon attacked.

Nico: That's right. I remember that.

Tommy Himi: That's true but that was awesome. We have done so much in the Digital World too.

Lola: All the Digidestined have. There are so many of them from all over the world.

Eli: Yeah there are.

Kouta: I think that's so awesome that you guys have done so much with Digimon over the years.

Laney: It sure is.

Me: Yeah. Yesterday's adventure was really awesome.

Maria: Narissa was more based on Grimhilde than Maleficent.

Nico: Well J.D. did say that she is a combination of Several Villains.

Qin: That's true.

Nicole: It sure is. Now we have another Disney villain destroyed and we have another Disney Princess we haven't covered now with us.

Laney: That's true Nicole.

Kouta: Boy you guys have been busy since we did Lillian's Ambassador Missions.

Me: We sure have been busy Kouta.

Nico: I mean, sure, Narissa could turn into a dragon like Maleficent. But Gisele does know another Dwarf whose name is Grumpy.

Me: That's a no-brainer on that one.

Qin: (Laughs) Yeah that's true.

Nico: Yeah.

Me: Oh Kouta I'm glad you guys are with us. We have something you all need to see.

I opened my bag and showed them the Core and Non-Core M.O.E. Lockseeds.

Me: These are Lockseeds imbued with the Core and Non-Core members of the Masters of Evil. You're probably gonna be very pissed with how we got them.

Fu: We got them after we defeated Another Gaim and Another Baron.

Me: Yeah. Because of the Zi-O Kamen Riders enemy Swartz.

Kaito Kumon: Swartz had the nerve to make Another Riders of two of us?!

Me: Well it's not just you guys. He was making Another Riders for EVERY Kamen Rider from over the last 20 years.

Laney: And he has been doing Another Rangers too.

Nico: He has been unleashing Another Rangers as we call them. They are Another Rider versions of the Red Rangers from over the course of 45+ Years.

Laney: And he's doing Another Omnitrix Aliens too.

Kouta: Oh man! That monster!

Me: We're going to make him pay for his crimes. We're facing him on August 12th.

Nico: Yeah it's a really strange story.

Takatora: When do you guys go help out the entire team?

Nico: We meet with you guys on August 7th.

Me: We're gonna have 14 days of Kamen Riders to meet with. From August 1st thru August 14th we're going to meet you guys from Decade to Saber. We call it The 14 Days of Kamen Riders.

Eli: Well 13 actually. Because August 2nd is the 1 year anniversary of the Fall of Xehanort.

Nico: Yep.

Oren: Wow! You guys are gonna be really busy!

Rainbow Dash: All that and more.

Kouta: Wow! You guys are gonna be really busy starting next month.

Me: Yeah. Also One of the Vengeful Six turned into Another Rider. It was Evil Lynn and she was Another Faiz.

Kouta: Oh man!

Nico: (to Kaito Kumon) And you were right to warn us about the rest of the Vengeful 6.

Kaito Kumon: At least you got rid of two of them.

Me: Well we still have Numbuh 362's little brother Harvey, Draco Malfoy and Paul to deal with. But we definitely left our marks on them. Yost Wolverine slashed out Harvey's eyes, I stabbed Paul in the butt with Master Goku's power pole and I stripped Malfoy of his magic and made him into the very thing he hates the most, A Muggle.

Qin: It's true.

Kouta: Wow!

Me: We already destroyed Olympius thank goodness. You might know him as Dragon Dark King Salamandes from GoGoV.

Kouta: That's true. But that's amazing and good you guys destroyed him and Evil Lynn.

Lola: Yeah it was.

Kouta: We'll let you know if we run into them.

Nico: If you do, don't show them any mercy or let them get away. Hold them until we get there so we can finish them.

Kouta: Right.

Me: Here.

I pulled out 3 wanted posters of Paul, Draco Malfoy and Numbuh 363 and gave them to them.

Me: Post these all over the area just in case. The people are gonna want to be on the alert for them.

Kaito: Thanks J.D.

Kouta: I think they'll be among the targets of the big day.

Me: So we'll face them on August 7th. Oh and just a forewarning, these guys are arrogant and hot-headed sons of bitches. You would hate them to the core. They know how to push your buttons and piss you off.

Nicole: That's right guys.

Kouta: We'll be careful and not let them get to us.

Me: Good.

Kaito Kumon: I personally hope we're able to take out Harvey before that day's usual battles.

Me: Oh I forgot to mention that it goes against our code to kill kids. He's a kid that's 8 years old.

Nico: He's Numbuh 362 told us not to kill Harvey because he is still a kid. So is Paul. Malfoy is the exception. You guys can kill him.

Kouta: Ah thanks for telling us.

Me: You're welcome. Also there's a massive bounty for them if you bring down all three of them.

Kaito Kumon: How much is the bounty?

Me: $500,000,000,000,000,000,000,000,000,000.00.

CHA-CHING!

Kouta: WOW! That's a lot of money!

Kaito: How many zeroes is that?

Me: 500 followed by 27 zeroes.

Kaito: WHOA!

Kaito Kumon: Oh, we won't kill Harvey when the big day comes. But he's gonna probably be begging for it when that time comes.

Me: I have a feeling he will be begging for it. But good. Paul gives all Pokemon trainers everywhere a bad name.

Tommy Himi: That's for sure. So does Malfoy who gives Wizards everywhere a bad name.

Lola: Yeah what a jerk!

Me: Yep.

Nicole: But I think we got all that settled.

Kouta: Yep.

Nicole: Now lets focus on finding the next treasure. You guys will love it. It's called The Swords of Helheim. They are the powerful swords all imbued with the powers of nature and fruit and nuts.

Lola: Wow!

Me: Me and the Gaim Kamen Riders are perfect for those.

Nico: That's true. But I have something else you all should know.

Me: What is it?

Nico: Plus, not only did we get word of another treasure here in the Helheim Forest, but we got some bad news for you, Eman, and you and Lincoln aren't going to like it: I got word from the warden that Adam Reynolds has broken out of prison for revenge, and he's going to try and kill you for ruining his life and sending him to prison!

Eman Reynolds and Lincoln gasped, including Rita Loud, Carol Pusateri, Laney, Lola, Lisa, and Lily.

Eman Reynolds: That heartless little monster's broken out?! Why, that… !

Lincoln: It's okay, Eman, plus, like I said, if Adam so much as breaks out of prison, he's going to get brutally mangled for what he's done in destroying your car and house, making your family homeless, and for making you miserable.

Nico: That's right.

Eman Reynolds: (Calms down) You're right, Lincoln. If that heartless monster thinks he's going to kill me because of what his jealousy's caused, he's got another thing coming!

Me: Yeah, you guys are going to make him pay for what he did, and I hope you do tie Adam up by his underwear on the flag pole, Linc.

Nico: (Snickers) That would be the ultimate humiliation.

Lincoln: (Smirks) Just get your cameras ready for this moment, and once the humiliation is done, he's going to get a new curse put on him.

Eli: (Gasps) A new curse?!

Lincoln: Yep, one made for irresponsible jealous older siblings who are so self-entitled and think they can do what they want to their little siblings, and since he's also a chauvinistic pig, I also have some more horrors in store for him.

Nico: (Gasps) Oh man, this should be a good one.

Me: Yeah it is.

Nicole: Lets find the treasure and then worry about him later.

Nico: Okay.

We went to find the treasure.

We went on and we found the treasure! Stuck into a rock were 15 swords. There were 2 more for Idunn and Sylphi. And one for Lillian for the Starfruit.

Me: Whoa! There they are.

Nico: Wow! The Swords of Helheim.

We went over and pulled them out and I got the most powerful one out of them all and it was The Sword of The Omega Helheim Fruit!

Nico: WHOA! WHAT POWER!

We got a massive power increase and the Kamen Riders got angel wings that correspond to their signature colors and fruit! I was gonna hold on to the Idunn, Sylphi and Starfruit Swords.

Sylphi was gonna join the M.O.E.

Nico: WHOA! How do you guys feel?

Kouta: Amazing!

Yoko: This is amazing! I feel incredible with this sword.

Nico: Yeah!

Me: Now we find Adam.

Kouta: You don't blow up someone's hard earned car.

Me: I agree there.

Lola: Yeah.

Suddenly, an insane figure came out and tried to stab Eman Reynolds with a knife, but was sent flying with a kick by Lincoln, and we saw who the figure was: it was Adam Reynolds, Eman's former older brother, and he was really really pissed off.

Eman Reynolds: You!

Nico: Looks like we were right that you'd be here, Adam Reynolds.

Adam Reynolds: And now, I'm going to kill you, Eman. You ruined my life and you stole everything from me, everything should've been mine!

Lincoln fired a rainbow energy blast, and it hit him in the cheek and caused blood to leak out from the wound, and it pissed him off even more.

Lincoln: Eman worked hard to get far in life, Adam, she's smart, well-educated, kind to everyone, and a straight A student. But, you, you're just a lazy punk who was spoiled all your life and you treated Eman with no respect at all, and I'll never forgive you for what you did in destroying her car and her house and made her family homeless, you miserable little prick!

This served to piss Adam off even more, but Eman and Lincoln fired powerful blasts of water at him, and it drowned him and it also pissed him off more.

Eman Reynolds: That's it, I've had it up to hear with you to last an eternity, you heartless out-of-control monster!

Suddenly, something within Eman Reynolds' mind snapped as memories of what Adam did to her all her life came back to her and her cyan blue eyes turned neon cyan blue, and she was surrounded by a cyan blue energy aura with water, ocean waves, tsunamis, and sea creatures, she unholstered her massive Living Tsunami-themed greatsword from her back, and as she approached her former older brother, she left cyan blue energy, water, ocean waves, tsunamis, and sea creatures with every step.

Eman Reynolds: I can never forgive you for what you did in making me miserable all my life, Adam, I worked hard to get really far in life, but you were spoiled rotten by Mom all your life, and you let your jealous heart take over when I started to excel in life, while you proved to be nothing but trouble for all of us. (Suddenly Getting Pissed Off) But, that day, what you did in not only destroying my car and our house and made us homeless, and all because of your jealousy and hatred for me… , YOU'VE JUST CROSSED ONE LINE TOO MANY, YOU HEARTLESS, TWO-FACED, NO-GOOD, REPULSIVE APE, AND NOW I WILL SEE TO IT THAT YOU PAY FOR EVERYTHING THAT YOU DID!

We gasped in shock at the extent of Eman Reynolds' rage towards Adam Reynolds.

Nico: HOLY CRAP!

Lincoln: Yep, Adam's jealousy and hatred towards his own sister's achievements have driven him off the edge and when he destroyed her car and home and made her family homeless, he's crossed a big line, and since he refused to learn his lesson the first time, now she's going to make him pay for all of his crimes. HIT THE DECK, SHE'S GOING TO BLOW!

We ran for cover and hid behind some trees, and Eman Reynolds screamed like a madwoman and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted out and she was surrounded by a massive vortex of cyan blue energy with water, ocean waves, and tsunamis surrounding the vortex, there's the Living Tsunami and sea creatures swimming around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Eman Reynolds emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Eman Reynolds grew from 6'5" to 6'11" in height, she has the body of a goddess, she has ocean blue highlights in the bangs of her long flowing cyan blue hair, she has neon cyan blue eyes and a cyan blue energy aura with water, ocean waves, tsunamis, and sea creatures surrounding her, she has the Living Tsunami with the Water Kanji in its mouth emblazoned on her forehead, she has on mermaid earrings with cyan blue gems for eyes and holding the Water and Eternity Kanjis in its hands, she also has a mermaid with cyan blue gems for eyes and the Water and Eternity Kanjis in its hands for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with cyan blue crystal links from her merged Crystal Necklace of the Buddha and cyan blue gems on the gold lightning bolts with cyan blue mermaid-shaped Element of Harmony, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Eman Reynolds has on a sleeveless blue open blouse, pink short-sleeved shirt, blue long-sleeved midriff top, cyan blue and sea foam green skirt, blue pants, blue legwarmers, blue sneakers, and long sleeveless cyan blue and sea foam green trenchcoat with water, ocean waves, tsunamis, and sea creatures on the coattails, and on the back is Living Tsunami with water surrounding it. Suddenly, Eman Reynolds felt a sharp pain on her back, and then, her massive cyan blue angel wings grew much bigger for her new body, and the large cyan blue feathers have sea foam green tips on the feathers. Eman Reynolds has on a Ring of The Phoenix with cyan blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Eman Reynolds' massive Living Tsunami-themed greatsword and Sword of The Neptune Crusaders began merging together and they were surrounded by a kaleidoscope of cyan blue and sea foam green energy, water, ocean waves, tsunamis, and sea creatures, and when it emerged, it was transformed into Living Tsunami's Oceanic Maelstrom Broadsword of Living Tsunami Justice, it's a brand-new large broadsword with the Living Tsunami etched on the 7'0" massive, wide, double-edged cyan blue broad blade, cyan blue ocean waves for the crossguard, large blue gem embedded in the rainguard, longer ocean blue handle, and large ocean blue gem surrounded by ocean waves for the pommel, she has on her brand-new large gold cuff Bracelets of the Champions of The Universe with cyan blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Living Tsunami with cyan blue gems for eyes and a large cyan blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sea foam green kanji below Living Tsunami that said, "Eman Reynolds, Powerful Water Master from Iran, Successful Straight A Student, Amazing and Awesome Swimmer, Loving Daughter of Mr. and Mrs. Reynolds, Former Little Sister of Adam Reynolds, Gene-Slammer of Living Tsunami, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water and Tsunamis"

エマン・レイノルズ、イラン出身の強力なウォーターマスター、成功したストレートの学生、驚くべき素晴らしいスイマー、レイノルズ夫妻の愛する娘、アダム・レイノルズの元妹、生きている津波のジーン・スラマー、愛する守護天使、そして未来の妻リンカーン・ラウド、いじめっ子の嫌悪者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして水と津波のマスター

Eman Reynolds has transformed into SUPER ANGEL ETERNITY INFINITY LIVING MAELSTROM OCEAN TSUNAMI ANGEL OF OCEANIC TSUNAMI JUSTICE AND DIVINE OCEANIC LOVE!

We were amazed by Eman Reynolds' Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Adam Reynolds saw it, he went even more mad with rage.

Adam Reynolds: DIE, YOU WORTHLESS BITCH!

Adam Reynolds tried to stab Eman Reynolds yet again with a knife, but Eman Reynolds fired a cyan blue energy blast with water, ocean waves, tsunamis, and sea creatures and disarmed him, and she fired another powerful cyan blue energy blast with water, ocean waves, tsunamis, and sea creatures at him, and sent him flying into a wall. When he got out, he was mondo pissed, but so was Eman.

Lincoln: Wow, Eman, you look beautiful. How do you feel?

Eman Reynolds: (Divine Echoing Cosmic Voice of The Maelstrom Living Tsunami and Divine Oceanic Love) **I feel incredible, Linky. Now, shall we deal with my former older brother?**

Lincoln: (Smiles) With pleasure, Eman.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Eman Reynolds.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You've had this coming for a long time, Adam, and now, it's time for you to pay for everything you did to Eman!**

Eman Reynolds and Lincoln went after Adam Reynolds, and they fired powerful blasts of rainbow energy, cyan blue and sea foam green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Mermaids, Sea Creatures, Demons, and Angels at Adam Reynolds, and they exploded with incredible power as they hit him. Then, they attacked Adam Reynolds with their massive broadswords and they left nasty scars on him, and then, Lincoln kicked him up into the air, and he summoned a flag pole from the ground. Then, he swooped in and he grabbed Adam Reynolds' underwear, and he hung Adam Reynolds by his underwear on the very top of the flag pole, and we were laughing hysterically at the sight, and we also made videos of the humiliation and posted it on the internet. Lincoln and Eman Reynolds holster their massive broadswords on their backs and power down, and Eman Reynolds' new body, clothes, weapons, jewelry, and massive cyan blue angel wings are permanent.

Nico: (LAUGHING HYSTERICALLY) Oh, oh man, this is way too hilarious! Lincoln, you crazy genius, you!

Me: (LAUGHING HYSTERICALLY) Oh man, now that was way too hilarious, awesome!

Kouta: I hope that wedgie hurt!

Me: Oh I have a feeling he's feeling that one!

We laughed more!

Nico: (LAUGHS) SO FUNNY!

Adam Reynolds was extremely pissed off that we literally humiliated him on the internet and that his revenge was foiled.

Adam Reynolds: LET ME DOWN FROM HERE!

Lincoln: (Smirks) Okay, whatever you say!

Lincoln made the flagpole vanish, and Adam Reynolds came crashing down to the ground.

CRASH!

And he was really dazed, and then, Lincoln tied him up with a rainbow energy straitjacket and rainbow energy chains, and Lincoln had a serious look on his face.

Lincoln: You've had this coming for a very long time, Adam. You should've been kinder and nicer to your little sister like a responsible older sibling, but no, you thought you could do whatever you want and make your sister miserable whenever you want. At least Lori owned up to her mistakes, but you on the other hand, you ruined yourself when you gave into your stupid jealous and hate-filled heart. But, I'm not going to kill you, instead, you deserve a fate more cruel than death.

Lincoln spreads his massive eight deep sapphire blue angel wings with stars and fired black energy blasts at him, and he hit him with a new curse called The Morrigan's Bad Sibling Darkness Vengeance Curse, this brand-new unbreakable curse will inflict Adam Reynolds with horrible visions of his past and demons tormenting every single night and since he gave into the jealousy and hatred for Eman he had in his heart. Then, Lincoln beamed him to The Saturn Insane Asylum where he was chained to the wall of his cell in Maximum Security Solitary Confinement with rainbow energy chains, and he'll never be free again.

Eman Reynolds: That's it for that miserable wretch. Thank you for helping me take down my former older brother, Linky.

Lincoln: (Smiles Warmly) You're welcome, Eman.

Suddenly, Eman Reynolds wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Eman Reynolds' face, they kissed passionately as Eman Reynolds' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly for them.

Nico: Now, that was one awesome beatdown and humiliation you gave him, guys, and Linc, was that the new curse you gave Adam Reynolds?

Lincoln: Yep, it's known as The Morrigan's Bad Sibling Darkness Vengeance Curse, this brand-new unbreakable curse I created will inflict Adam Reynolds with horrible visions of his crimes and he'll be tormented by demons every single night and since he gave into the jealousy and hatred for Eman he had in his heart, he'll be tormented for all eternity.

Me: Whoa that is scary!

Nico: Yeah!

Me: And you made this curse unbreakable?

Lincoln: Yep, that's right, J.D., and I've taken the liberty to make sure that all of my curses are now unbreakable, which means Damian Alaister's other contingency plans are now ruined for good, and I can say this. SCREW YOU, DAMIAN ALAISTER, YOUR REVENGE SCHEMES HAVE BEEN FOILED FOR GOOD!

Nico: Yeah, that's what I'm talking about, Linc. Up yours, Damian Alaister, you fucked-up bastard!

Lincoln: If Michelle heard you say that, she'd kiss you for that one.

Just then, Michelle Torrington and Nicholette Torrington appeared and Michelle kissed Nico and Nicholette kissed Lincoln on the lips.

Michelle Torrington: We heard you guys curse out Damian Alaister, and that's telling 'em, Nico.

Nicholette Torrington: And you've put an end to The Church of Necrom's other contingency plans, except for the resurrection of the Doomsday 23 and Evil Starlight Glimmer.

Lincoln: Yep.

Eli: We'll deal with them coming up.

Me: At least that jerk is back in prison where he belongs.

Maria: But we're not done yet.

Eli: We got company coming!

Albedo: I have a feeling it's big.

---

We saw powerful streams of pitch black lightning streaking across the sky with incredible power!

Me: Wow! Pitch Black lightning!

Nico: Never saw that before.

Negative Omnitrix: Corrupted Amperi DNA Detected.

Me: Amperi DNA? Uh oh!

THUNDERCLAP!

A bolt of lightning hit the ground and we saw a black version of an Amperi! It was called ANOTHER AMPFIBIAN!

Nico: WHOA! Another Ampfibian!

Eli: Whoa! This one is scary!

Albedo turned into Negative Ampfibian.

Negative Ampfibian: I don't think it's alone!

I then sensed an incredible power level!

Me: Whoa! That energy!

Nico: WHOA! That energy I'm sensing is powerful! It's coming from our Another Ampfibian friend.

Me: That's amazing!

Another Ampfibian: (In a Girl's Voice) (Polish Accent) It's amazing to see you J.D.

Me: Autumn Szymankowszczyzna? Whoa!

Nico: You know her J.D.?

Me: I sure do. Autumn is from Poland and she is a great world famous international chef she went all over the planet at such a young age and cooked for many of the worlds most powerful figures all over the world for really good money. Making her family very rich and wealthy. And her idol is my daughter Mary Knudson.

Nico: Wow! That's an amazing mentor figure for her.

Qin: That sure is awesome that she idolizes your daughter.

Nicole: My sister Mary would be honored to hear that you idolize her.

Another Ampfibian: I can tell.

But then we heard an eerie moan and out came another figure and it was ANOTHER FLASH RED! It looked like a scary version of the Red Flashman Ranger!

Me: Another Flash Red! Whoa! If Jin of the Flashman saw this he would be really pissed!

Kaito Kumon: Who are you?

Another Flash Red: (In a girls voice) J.D. would know.

Me: That voice!

She reverted back and I saw that it was a girl with neon red hair and she had red angel wings and had red clothes and the kanji for Crimson on her forehead.

Me: Crimson Liechtenstein! Whoa!

Crimson Liechtenstein: Good to see you again J.D.

Me: Same to you. You are looking great as Another Flash Red.

Nico: You know her too J.D.?

Me: Yep. She and I were science partners in school. We studied all about the forms of light on the electromagnetic wavelength. She also was born with incredibly powerful cosmic light manipulation powers. She also has the power to use all the forms of light on the electromagnetic wavelength and she even has cosmic crystal manipulation powers. We did it all together and even beat up lots of bullies together.

Crimson Liechtenstein: Good times back then.

Me: They sure were.

Nico: What did Swartz offer you girls?

Another Ampfibian: He promised to make me the best chef ever if I get fruits for him from the Helheim Forest.

Me: Good luck with that.

Kouta: Besides he would not want to do that anyway because of the fruits poisoning people and turning them into Inves.

Me: Yeah. They would kill him any chance they got.

Crimson Liechtenstein: I was promised to become the greatest light master ever. But now I see that it was all a lie.

Me: Swartz is never to be trusted. Looks like we have to fight to save you girls.

Tommy Himi: Sorry we have to do this.

Crimson Liechtenstein: I understand guys. (Reverts back)

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Me: And we are your performers for this awesome battle!

Kouta: Ooh nice.

Me: I wanted to make this awesome.

Nico: Lets kick some butt!

I fired blades of blue fire from my scythe and blasted Another Ampfibian all over.

Starlight Glimmer: Me and Lincoln have one.

Starlight and Lincoln both activate Dr. Starline's Ridewatch.

(THE PHANTOM OF THE OPERA BY SARAH BRIGHTMAN PLAYS)

They both got to dancing.

Starlight Glimmer and Lincoln: (SINGING DIVINELY)

Starlight Glimmer:

In sleep he sang to me

In dreams he came

That voice which calls to me

And speaks my name

And do I dream again

For now I find

The Phantom of the Opera is there

Inside my mind

Lincoln:

Sing once again with me

Our strange duet

My power over you

Grows stronger yet

And though you turn from me

To glance behind

The Phantom of the Opera is there

Inside your mind

Starlight Glimmer:

Those who have seen your face

Draw back in fear

I am the mask you wear

Lincoln:

It's me they hear

Lincoln/Starlight Glimmer:

My/Your spirit and your/my voice

In one combined

The Phantom of the Opera is there

Inside your/my mind

VOICES OFF STAGE:

He's there

The Phantom of the Opera

Beware

The Phantom of the Opera

Lincoln:

In all your fantasy

You always knew

That man and mystery

Starlight Glimmer:

Were both in you

TOGETHER:

And in this labyrinth

Where night is blind

The Phantom of the Opera is there

Starlight Glimmer:

Inside my mind

Lincoln (SPOKEN):

Sing, my angel of music

Starlight Glimmer:

He's there

The Phantom of the Opa…

Lincoln (SPOKEN):

Sing

Starlight Glimmer:

Ra…

Lincoln (SPOKEN):

Sing

Sing for me

Sing, my angel of music

Sing for me

They did dancing and fired waves of lightning and skulls and smashed Another Flash Red all over the place.

The ending of that song sent shivers of fear down my spine.

Nico: (GULPS)

Zocks: (gets out Gaim gear) You guys will love this gear.

Kaito: (gets out Wizard gear) I think it's funny we have the same first name.

Kouta: I have a feeling this will be awesome.

Zocks got a Blue Raspberry Sword from Gaim and Kaito got a Phoenix Sword from Wizard.

Nico: YEAH!

Eli: This one is for Nunnally.

Eli activated MLP Raven's Ridewatch.

(THE NEVERENDING STORY BY LIMAHL PLAYS)

He danced and fired waves of rainbow magic and energy and Force Lightning and blasted Another Ampfibian all over!

Me: Way to go bro!

Lola: Yeah!

Camie: I have one and this is for J.D. I learned this from Tanya Mousekewitz.

She then started glowing in an amazing golden yellow aura.

(DREAMS TO DREAM - AN AMERICAN TAIL: FIEVEL GOES WEST PLAYS)

Camie: (Singing divinely)

Dreams to dream

In the dark of the night;

When the world goes wrong,

I can still make it right;

I can see so far in my dreams…

I'll follow my dreams

Until they come true…

Come with me,

You will see what I mean;

There's a world inside

No one else ever sees;

You will go so far in my dreams,

Somewhere in my dreams,

Your dreams will come true…

There is a star

Waiting to guide us,

Shining inside us

When we close our eyes!

Don't let go!

If you stay close to me,

In my dreams tonight,

You will see what I see!

Dreams to dream

As near as can be…

Inside you and me…

They always come true…

She sang that with such incredible divinity that it made beautiful rainbow and gold angel wings grow from her back and she fired waves of light and they hit Another Ampfibian and knocked her down and the Ridewatch was knocked out of her and it landed in my hands and I purified it. I had tears streaming down my face from being touched by her singing!

Me: (Sniffles) That was so beautiful!

I regained my composure and went to Autumn and I helped her up. We got intense lightning powers of both the core and non-core members.

Autumn was a blue hair girl with blue eyes and had blue clothes and she had the kanji for Thunder tattooed on the back of her right hand. And she had the black M of Majin emblazoned in the middle of her forehead.

Me: Autumn? Are you all… (GASP)

I saw that she had the BLACK M OF MAJIN EMBLAZONED ON HER FOREHEAD!

Me: Oh my god! Babidi intensified her power! That's why her energy is so powerful!

Nico: Whoa!

Autumn got up.

Autumn Szymankowszczyzna: What hit me?

Me: You'll be okay Autumn. But I didn't know you were under Babidi's spell.

Autumn Szymankowszczyzna: It was a long time ago J.D. I didn't want to tell you because I was scared.

Me: Autumn it's all right. Babidi is dead now. He's gone for good. Given the Black Gates.

Nico: But you can use the power that Babidi imbued you with for good now.

Autumn Szymankowszczyzna: I have a lot to learn.

Me: And we'll teach you.

We went back over to the group.

Nico: (gets out Electrocutioner's Ridewatch) Autumn might be cured.

But I can still use this!

He fired a wave of lightning with Electrocutioner's powers.

It hit Another Flash Red and electrocuted her.

Juran: Shocking, isn't it?

Another Flash Red: It was. Try this.

She pulled out a Green Prism Scimitar and it was glowing with Lord Drakkon's power!

Me: She has core and non-core M.O.E. Flashman Weapons!

Nico: WHOA!

Eli: Nice!

I then clashed with her sword and smashed her down with a powerful blast of blue fire.

Nico: Had enough?

Another Flash Red: You guys fight really well!

Me: Lots of training.

But then a massive blast of ice hit Another Flash Red and froze her legs and lower half of her body in place!

Lana: Whoa!

Me: Nice shot Lana!

Lana: That wasn't me!

Eli: It was from that!

We saw a WHITE CHROMATIC DRAGON!

Me: A White Chromatic Dragon!

It landed.

White Chromatic Dragon: (In a girls voice) (Latvian Accent) Looks like she will be on ice.

Nico: Hilary Czemmenshikova!? Wow!

She reverted back and she was a girl with neon blue hair, blue eyes and light blue clothes!

Hilary Czemmenshikova: Great to see you again Nico.

Nico: You too Hilary.

Qin: Wow you look awesome!

Hilary Czemmenshikova: Same to you Qin.

Me: I got this.

I fired a wave of blue fire and it hit Another Flash Red and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it and we saw Flashman Weapons all over the ground and we picked them up and I picked up Crimson Liechtenstein and she was dizzy but okay.

Crimson Liechtenstein: (Groans) What a headache!

Me: But you're okay now Crimson.

Nico: Want an aspirin?

Crimson Liechtenstein: Please.

He gave her one and it helped a lot.

Crimson Liechtenstein: Thank you guys. Man that was intense.

Hilary Czemmenshikova: Boy this was an amazing battle.

Me: It sure was.

Maria: I think it's obvious to know what Gene-slammer is next. The Red Chromatic Dragon.

Nico: Yep. That's the last of the 5 dragons.

Lola: Yep.

Hilary Czemmenshikova: It sure is.

Kumamon: But that was awesome.

He reverted back.

Tommy Himi: What's your favorite Memory of Nico?

Hilary Czemmenshikova: I have a lot of them. But my favorite is when me and Nico were in science class and we were experimenting with ice and liquid nitrogen and we were watching how it flash freezes plants on contact. It was amazing. But I then saw a mean thug robbing the school cafeteria of its money and I went up to him and touched him and froze him solid in a block of ice. I have this amazing power called the Minus Touch. I can flash freeze anyone bad in a block of ice in an instant.

Me: Whoa! That is a cold power.

Lola: Yeah.

Qin: It's true. Hilary has a really frozen touch.

Kouta: That is amazing.

Emam Reynolds: That is awesome.

Nico and Hilary hugged.

Nico: I've really missed you.

Hilary Czemmenshikova: Me too Nico. Me too.

Me: But this was an awesome way to begin the Helheim Forest

Treasure Hunts.

Nicole: It sure was.

Kouta: Yeah and it's perfect for us to know you more.

Me: Yep. And we meet with you guys in 11 days.

Eli: Yep.

Nico: Awesome.

We went back home.

Nico: That's right, big guy. And from I heard from Launchpad about this guy, Negaduck actually has been having a dull life the last few years.

Lincoln: So, he'll easily accept joining The Masters of Evil, and it'll be a change of pace after living a dull life in the last few years, awesome. And thanks for joining us, Frosta.

Frosta: You're welcome, Linky, and we're also going to meet Darkwing Duck and Gosalyn.

Me: That's right, and they'll be happy to see Launchpad and Scrooge McDuck again.

Lincoln: You said it.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, along with Darkwing Duck, Gosalyn, and strange enough Negaduck, but they've been cornered by a group of Frieza Force soldiers, and they're going to kill them.

Lincoln: Guys, I found the four girls, along with Darkwing Duck, Gosalyn, and strange enough Negaduck, but they've been cornered by a group of Frieza Force soldiers, and they're going to kill them.

Nico: (Gasps) A group of Frieza's goons. That must mean Dodoria sent them here to cause havoc and kill us for revenge for what we did in killing Frieza. That thug is going to pay for this later on today.

?: Let's put an end to those thugs once and for all!

Suddenly, we saw Tearlaments Shaylen appear before us.

Nico: Wow, that's Tearlaments Shaylen, awesome!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Shaylen Harper, but we'll talk later, let's take of Frieza's soldiers once and for all.

We then rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at the group of Frieza's soldiers and it allowed the four girls to get to safety, and Darkwing Duck, Gosalyn, and Negaduck were glad to see us. But, when the group of Frieza's soldiers saw us, they were furious to see the killers of their lord here.

Lincoln: Should've known Dodoria sent you brutes to try and kill us. Well, it's time for you all to join your lord in Oblivion forever.

Then, Lincoln swung his massive Hinon's Cosmic Storm

Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and fired blades of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they hit the army of Frieza's soldiers and killed them and sent them to The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Darkwing Duck: That was truly amazing, Team Loud Phoenix Storm, and it's a pleasure to meet you all.

Lincoln: You too, Darkwing Duck. (To Negaduck) Negaduck, how would you like to…?

Negaduck: Say no more, I'm already going to join The Masters of Evil. Since I've been living a boring life for the last few years, this is a perfect opportunity.

We saw Negaduck was packed and ready to be transported to The Masters of Evil's HQ in Montana and it was before Frieza's soldiers came.

Nico: Well, that was quick. Alright, then.

Nico teleported Negaduck to The Masters of Evil's HQ, and he was already welcomed by Vypra.

Lincoln: Well, that was a quick recruitment mission, and we also got rid of that army of Frieza's soldiers that were sent by Dodoria to kill us. (To Shaylen Harper) And it's so good to see you again, Shaylen Harper.

Shaylen Harper reverted back to normal, and she's a beautiful girl with long flowing dark blue hair, dark blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful dark blue angel wings, and she reigned in the power of Tearlaments Shaylen, and she's dressed in a sleeveless open dark blue blouse, sleeveless dark blue midriff top, dark blue skirt, dark blue bellbottom pants with light blue designs, dark blue sneakers, and long sleeveless dark blue trenchcoat with darkness and water on the coattails, and Tearlaments Shaylen on the back, and holstered on her left hip is Tearlaments Shaylen's magical sword and holstered on her back a large Tearlaments Shaylen-themed greatsword with Tearlaments Shaylen etched on the 7'0" massive, wide, double-edged dark blue blade, white angel wings for the crossguard, large dark blue gem embedded in the rainguard, longer black handle, and large dark blue gem surrounded by angel wings for the pommel.

Shaylen Harper: You too, Lincoln, it's been a long time.

Lincoln went up to Shaylen Harper and they hugged, and Shaylen Harper's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Shaylen Harper: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Shaylen Harper, she's one of my Guardian Angels from Michigan, and she's known for her amazing swordsmanship skills and she has a magic sword that can cut through even the strongest of metals, and her sword also has the power to make them go insane with one slash.

Me: Whoa, now that's really awesome.

Lincoln: It sure is, and she took on all of the meanest bullies in the city that were after me and she slashed them all over and filled up a maximum security insane asylum in one day.

My jaw and Nico's jaw dropped to the floor.

Nico: What, she filled up a maximum security insane asylum with all of the meanest bullies in the city that were after you?! Damn!

Me: That's really wicked!

Shaylen Harper: Thank you, and I even took down that bad tempered bitch, Stern Fern, after she broke out of prison again after you guys stopped her at the hockey game two years ago.

We gasped in shock.

Lynn: What, Stern Fern broke out after we trounced her at the hockey game two years ago?! She's going to get her arms broken for this!

Shaylen Harper: There's no need, after I took her down, I sent her to a prison of the worst kind, and she's never getting out, and I've got one helluva revelation about her that you're not going to like.

Nico: This should be a good one.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Shaylen Harper's neck with dark blue gems on the gold thunderbolt links and dark blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Shaylen Harper: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Shaylen.

Shaylen Harper had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Shaylen Harper's waist and Shaylen Harper wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Shaylen Harper's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Noa Clonebit, Huang Kexin, Luna Waizen, and Yuri Kunugi from the Aleste series.

Lincoln: Oh wow, it's Noa Clonebit, Huang Kexin, Luna Waizen, and Yuri Kunugi from the Aleste series.

Nico: Awesome.

Lincoln: Are you girls okay?

Noa Clonebit: Yes, we're okay, thanks to you.

Then, when Noa Clonebit and the other three girls saw who it was that saved them from the army of Frieza's soldiers sent by Dodoria, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kunugi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on eighteen Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they also met Darkwing Duck and Gosalyn, and when Launchpad saw them, he was happy to see them again, and we also recruited Negaduck. But, they were shocked when they found out the villains that were in Saint Canard were an army of Frieza's soldiers who were sent by Dodoria to cause havoc and get revenge on us for what we did in killing Frieza last year and what happened to Zarbon yesterday.

But, when Lincoln showed what we did to those thugs, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Shaylen Harper have a lot of catching up to do, now that she's back in town, and for what Dodoria did, he was going to pay big time for sending Frieza's thugs to kill us.

---

After meeting Darkwing Duck and Gosalyn, recruiting Negaduck into The Masters of Evil, and destroying the army of Frieza's soldiers, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Shaylen Harper saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Shaylen Harper: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Shaylen, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shaylen Harper: That's incredible.

Nico: It sure is. So, Shaylen, what's this horrible revelation you got about Stern Fern?

Shaylen Harper: Oh, you're not going to like this one, Nico. I found out that throughout her life, she's been sabotaging, and even worse, viciously maiming and hurting the star players for the rival teams and no one's been able to stop her because she was a violent psychopathic nutjob.

We gasped in shock.

Nico: What a violent bitch! And you said you took her down when she broke out of prison after we took her down at the hockey game two years ago?

Shaylen Harper: Yep, and I sent her to a prison of the worst kind, one where Stern Fern would never be free to break out or cause trouble again: ADX Florence near Florence, Colorado.

Me: Whoa. So, she was considered so dangerous, she was automatically sent to Colorado's toughest prison ever: the federal penitentiary in Florence, Colorado, awesome.

Lynn: She's never getting out of there, no one has ever escaped from ADX Florence before, and she's in for one rough time there.

We got a shower afterwards, but then, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was General Mikiel from the Strider series, and he was causing havoc.

Strider Hiryu: General Mikiel, one of Grandmaster Meio's loyal followers.

Lincoln: Looks like he's here to get revenge on you for killing his master long ago. But, that's not happening, let's go.

We flew out of the World Tree Estate, and Lincoln fired powerful energy blasts at General Mikiel, and when he saw us, especially Strider Hiryu, he was enraged.

General Mikiel: (Russian Accent) I will destroy you for what you did to Grandmaster Meio, Strider Hiryu!

Jessica (Stitch!): That's never going to happen, you monster, and now, your life is about to end here and now.

Suddenly, Jessica's (Stitch!) purple eyes turned neon purple and she was surrounded by a pink energy aura with ocean waves, birds of paradise, and water hibiscuses, and as she approached General Mikiel, she left pink energy, ocean waves, birds of paradise, and water hibiscuses with every step.

Jessica (Stitch!): You really make me sick, General Mikiel, you've caused so much pain and suffering to so many innocent people in the name of Meio, and now, I will see to it that you never return to cause trouble ever again.

Suddenly, Jessica (Stitch!) was surrounded by a massive vortex of pink energy with ocean waves and water hibiscuses surrounding it, there's a bird of paradise flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Jessica (Stitch!) emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Jessica (Stitch!) grew to 6'11" in height, she has the body of a goddess, she has pink highlights in the bangs of her long flowing brown hair, she has neon purple eyes and a blue energy aura with pink energy aura with ocean waves, birds of paradise, and water hibiscuses surrounding her, she has a bird of paradise emblazoned on her forehead, she has on bird of paradise earrings with pink gems for eyes and holding the Water and Eternity Kanjis in its talons, she has on her Crystal Necklace of The Buddha with pink gems on the gold water drop links and pink crystal links and a pink bird of paradise-shaped Element of Harmony and on the bottom of the Element of Harmony is a bird of paradise with pink gems for eyes and holding the Water and Eternity Kanjis in its talons for the pendant. Jessica has on a short-sleeved pink and white dress with doves on the pink skirt, pink knee-high boots, and a long sleeveless pink trenchcoat with ocean waves, birds of paradise, and water hibiscuses on the coattails, and a bird of paradise surrounded by ocean waves on the back. Suddenly, Jessica felt a sharp pain on her back, and then, massive brown angel wings with pink tips on the large brown feathers, sprouted out of her back. Jessica has on her Ring of The Phoenix with blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Jessica (Stitch!) has a brand-new greatsword in her right hand called Ocean Bird of Paradise's Maelstrom Broadsword of Tropical Justice, it's a brand-new greatsword with a bird of paradise with water hibiscuses surrounding it etched on the 7'0" massive, wide, double-edged pink blade, large bird of paradise wings for the crossguard, large white gem embedded in the rainguard, longer black handle, and a large pink gem surrounded by angel wings the pommel. Jessica (Stitch!) has on her brand-new gold Bracelets of the Champions of The Universe with large pink gems on her wrists, her new gold Belt of Elemental Bravery with a gold bird of paradise head with pink gems for eyes and a purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on her right hip and Eater of Sins revolver holstered on her left hip. There's a white kanji below the bird of paradise that said, "Jessica, Best Friend of Yuna Kamihara, Toriko, and Makiko, Expert Fashionista, Loving Future Wife of Clyde McBride, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Seeker of Adventure, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Water Hibiscuses, and Birds of Paradise"

ジェシカ、神原ゆなの親友、トリコ、マキコ、エキスパートファッショニスタ、クライドマクブライドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、多くの友人、冒険の探求者、驚くべき強力な学生驚くべき強力な教師、そして水、水ハイビスカス、そして鳥の楽園のマスター

Jessica (Stitch!) has transformed into SUPER ANGEL ETERNITY

INFINITY MAELSTROM TROPICAL OCEAN BIRD OF PARADISE ANGEL OF TROPICAL OCEAN JUSTICE AND MAELSTROM BIRD OF PARADISE LOVE!

We were amazed by Jessica (Stitch!)'s Super Angel Eternity Infinity transformation, and when Clyde saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when General Mikiel saw it, he fell into a rage and tried to kill her, but Jessica fired a powerful pink energy blast with ocean waves, birds of paradise, and water hibiscuses, and it hit General Mikiel and sent him flying into a wall, and it pissed him off even more.

* * *

Later we were back in the Helheim Forest for the 2nd treasure as well a s some bonding time.

Nico: Pinkie, you and Rango are next for bonding time.

Pinkie Pie: Ooh! This is gonna be amazing!

Rango: I'm really looking forward to this one.

Me: Don't worry guys if we see any Inves we'll blast them.

Lillian: But this will also be perfect for doing some bonding with my brother Kouta.

Cornelia: It sure will be perfect.

Me: Yeah.

Rango: Pinkie, I hope you enjoyed being a cowboy.

Pinkie Pie: Ooh it was amazing! It reminds me of the party Applejack put on in her house.

Rango: That is amazing.

Me: We'll have to hear about that later.

Qin: Yeah that sounds fun.

Lillian: It sure does.

Kouta: By the way how have you been sis?

Lillian: Busy as ever.

Maria: Tortoise John was a really bad mayor.

Me: But he was tasty as turtle stew.

Nico: Yeah he sure was.

Eli: That was awesome soup.

Pinkie Pie: He sure was amazing!

Rango: He didn't seem too bad at first. Until he showed his true colors.

Pinkie Pie: He was one bad tortoise. And Rainbow Dash would not like him.

Rainbow Dash: I agree there! He was a bad turtle.

Nico: He sure was.

Me: He would not make a good trophy.

Moe Howard: No he wouldn't.

Me: Yeah and Moe you would look good in turtle loafers.

Moe Howard: You think I… (Realizes something) Why you.

HONK! BONK POINK!

He honked my nose, bonked my head and poked me in the eyes.

Me: OH! Geez!

Kouta: It really is good to you see you again, Right.

Right: Same here Kouta.

Me: I remember seeing you guys meet the ToQgers on TV. That was cool.

Lola: It sure was.

Lillian: But it's amazing that we're actually in the Helheim Forest. Especially after all the trouble this whole place has caused to Japan and the Gaim Kamen Riders.

Qin: No kidding there.

Maria: I think the evil plan on the big day will involve the Helheim Forest.

Me: I have that same feeling myself. But now that we've been here before we're more than prepared for anything that the Vengeful Five and the last of Yggdrasill can throw at us.

Nico: Yeah you got that right.

Aylene C.: I think it's awesome that Yggdrasill found this place though.

Fu: It sure is.

Pinkie Pie: I think it's cool too.

Me: And it's amazing that they found a world that's 3.9 billion light-years from home.

Yost Spiderman: It's not the Vengeful 5. Not since Olympius and Dark Lynn were dealt with.

Me: I know but it's the last 3 of the group.

Yost Spiderman: True.

Nico: But we'll be ready for them.

Lola: We sure will.

Laney: Yeah those jerks have been asking for this for a long time.

Yoko: We'll be ready for them too.

Maria: (to Yost Spiderman) How's your aunt doing?

Yost Spiderman: She's all better now thank you.

Maria: That's a relief.

Me: Yeah thank goodness that was just a grazing wound.

Lola: Yeah.

Nico: Yeah.

We walked on.

Nico: So, what treasure is here this time?

Nicole: I'm glad you asked. It's called the Spellbook of Pomona.

Me: The Greek Goddess of Fruits in Greek Myth.

Nicole: That's right dad. It's a spellbook that has all her powers in it and can grant anyone the power to control all of the fruit and plants of the world.

Mallow: Sounds like a book fit for me.

Me: It sure does.

Qin: Yeah.

Nico: Are we getting close?

Nicole: Almost. 400 meters ahead.

Nico: Wow.

We walked and then we got to a clearing and then on a stump we saw it. It was a green spellbook called THE SPELLBOOK OF POMONA!

Nico: There it is!

Nicole: The Spellbook of Pomona!

Qin: Wow!

Mallow: I'll use it.

She walked up to the book and took it and then she got a massive power increase and now has all of the powers of nature and fruits.

Mallow: Whoa! Amazing!

Nico: Now, to get ready for another one of Swartz's goons.

Me: And I think I see it.

We saw a figure come out and it was ANOTHER DRAGON KNIGHT! It looked like a scary version of the Dragon Knight Kamen Rider from America!

Me: (GASP) It's Another Dragon Knight!

Laney: Now he's using the American Riders too!?

Another Dragon Knight: (In a boys voice) Don't get the wrong idea. Swartz picked this power because the events of the Rider Fight have been erased. As well as the Riders themselves not knowing anything.

Me: Okay buddy who are you!?

Another Dragon Knight: I think you might know J.D.!

He reverted back and we saw that it was an old enemy from my past. It was a kid with red hair and he had green eyes and he had skull clothes with black pants.

Me: (GASP) Eric Larson!

Eric Larson: Been a long time J.D.

Me: Not surprised that Swartz would turn you into Another Rider.

Especially one from America.

Eric Larson: So it would seem.

Nico: You know him?

Me: I wish we never did. His name is Eric Larson and everyone in my middle school called him Blood Fang Eric. He was called that because he had abnormally long canine teeth that made him look like a vampire. He was the worst ever bully in school. He was much worse than Boogey. He used to torment all the kids and make EVERYONE look like stupid brainless idiots! And the teachers weren't doing anything to stop him. He ruled over the entire school with an iron fist and got away with everything.

Nico: Geez!

Eli: This guy is a total jerk!

Qin: Yeah!

Me: But there was one person that stood in his way and that was me. I ended his reign of terror and got him sent to a boarding school forever.

Lincoln: Guess you think you can mess with our heads by saying that stuff about the Ryuki series!

Eric Larson: Hey, I'm just saying facts. If you don't wanna believe me, you'll just have to find out the hard way. Assuming you losers survive this!

Nico, the Gaim team, and Woz gave each other uneasy looks since we know he's telling the truth.

Me: Don't listen to him guys! Eric Larson has always been a massive pathological liar. He made up lie after lie and got away with everything.

Eli: J.D. is right. I sense he's lying.

Nico: Hey yeah!

Me: I was able to see right through his lies. Now it's time for me to send this monster right back to prison.

Qin: Same here!

Eric Larson: Well, I tried to break it to you losers gently. Now, I'll just have to break your bones!

Me: Come and try it asshole.

Eric then changed into ANOTHER DRAGON KNIGHT!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Kit Taylor will be happy to hear that you're gone!

Me: When we meet him in 2023!

Laney: Yeah!

Me: Hope you're ready Eric. It's Payback Time!

I slashed him all over the place with my scythe and burned him!

Kouta charged at Another Dragon Knight.

And he kicked him down and Nico blasted him with a blast of energy and it hit Another Dragon Knight and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Then Another Dragon Knight pulled out a Ryuki Sword imbued with the powers of the Cheese Monster and he fired blasts of cheese and they hit Nico in his face and he licked them off.

Nico: (Slurps) Yummy.

Me: So he has Ryuki Weapons imbued with the core and non-core members of the M.O.E. All right then.

Kouta: From one sword user to another, you're a bad egg!

Another Dragon Knight: We'll see who's bad orange boy!

He and Kouta clashed and then I kicked Another Dragon Knight down and then fired a wave of energy and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught his ridewatch and purified it.

Nico then slapped the cuffs on Eric.

We saw M.O.E. Dragon Knight weapons and we picked them up.

* * *

After we got rid of General Mikiel, we were in the World Tree Estate getting ready because today's Bugs Bunny's 82nd birthday, and we're setting everything up for the party, while Buster and Ace are getting Bugs Bunny, and The Masters of Evil were also getting ready to come over.

Lincoln: I can't believe today's Bugs' 82nd birthday, and this is so awesome that we're setting up the party here in the World Tree Estate.

Me: You said it, big guy.

Nico: And we've got everything set up for our favorite wascally wabbit: tables full of food and carrots for Bugs, Lola, Babs, Buster, Ace, and Lexi, fountain of carrot juice, and for dessert, an awesome carrot cake that your dad's making in the kitchen.

Luna: Awesome, dude.

Rita: I've seen a lot of Bugs' cartoons when I was a kid, and he always knows how to pull a fast one on his foes.

Superman: And he's driven them completely insane, especially Elmer Fudd, Yosemite Sam, and Daffy Duck.

Eli: Yeah, that was pretty wacky.

Lori: (Snickers) Not to mention him kissing his foe and fleeing the scene, that was hilarious, and that was a good idea you had to set the party up here, Lincoln.

Lincoln: Thanks, Lori. Plus, Buster and Ace took the job to get the birthday rabbit, so this is going to be one awesome party.

We were finally done setting up the party, and just in time too, Poromon and the mascots came in.

Poromon: Guys, Bugs, Buster, and Ace are heading this way.

Nico: Places everyone.

We turned out the lights and we hid. Then, Bugs, Buster, and Ace came inside, and when Bugs turned on the light, the carrot-themed banner came unraveling and it said, "HAPPY 82ND BIRTHDAY, BUGS BUNNY!", and we also came out of our hiding places.

Everyone: SURPRISE, HAPPY BIRTHDAY, BUGS BUNNY!

Bugs Bunny: (Surprised) Oh wow, thank you all so much!

Nico: You're welcome, Bugsy pal.

Then, The Masters of Evil came and they all wished Bugs Bunny a happy birthday.

Bugs Bunny: Wow, thanks you guys.

Vypra: You're welcome, Bugs, and I can't believe it's been 82 years to the day that you first debuted on the big screen.

Babs Bunny: That's right.

Buster Bunny: And we decided to throw the party here in the World Tree Estate, Bugs.

Ace Bunny: And we've set up everything for you.

Bugs Bunny saw the platter of food and he also saw the carrots in bowls for him, Babs, Lola, Buster, and Ace, along with the fountain of carrot juice.

Bugs Bunny: Wow, you guys went all out for this and for me?!

Nico: Of course, after all, you're part of our family, Bugs, along with all of The Looney Tunes, The Tiny Toons, and the Loonatics.

Lincoln: And you guys always know how to make everyone laugh.

Bugs Bunny was touched by the words of Nico and everyone here, and it's not just them, but all of the Looney Tunes, Tiny Toons, and Loonatics, and they piled on us and gave us a big group hug and we also returned it as well.

Bugs Bunny: Well, what are we waiting for, doc?! LET'S PARTY!

We got the festivities started and we were having tons of fun, Luna and her band were playing some music and we were also having fun, especially when we were also watching many of Bugs Bunny's hilarious moments and we were laughing our butts off.

Sylvester: And we also set up traps in case that birdbrain, Sancho, and his party animals try to get in and crash the party.

Dark Spicer: We also got the Great Lakes City Alley Cats keeping an eye out for that party animal, Sancho.

Nico: Nice. That'll teach that party animal.

Just then, Lynn Sr. came out with an amazing carrot cake decorated with white frosting and carrots made of orange and green frosting with the 8 and 2 candles on it.

Bugs Bunny: Wow, that's amazing, doc.

Lynn Sr.: And there's also another surprise, Bugsy.

Then, the cake's top opened up and out came Lola dressed in her Tune Squad uniform from Space Jam: A New Legacy, and when Bugs saw her, he did the Avery Aoogah as his eyes popped out of his head, and his tongue rolled out of his mouth and onto the floor.

We all shared a laugh.

Lola Bunny: (Seductively) Like what you see, bunny boy?

Bugs Bunny: Oh yeah.

Just then, Bugs wrapped his arms around her and he kissed her on the lips, and she returned it with full intensity.

Buster Bunny: Knew he couldn't resist his extra surprise.

Suddenly, Buster Bunny felt a sharp pain on his right shoulder and arm, and we saw blood coming down from his arm.

Babs Bunny: Buster, you okay?

Plucky Duck: Yeah, your right shoulder and arm are bleeding.

Just then, Buster lifted up his right short sleeve and we saw what looks like the symbol of the Saiyans with angel wings surrounding it on his right shoulder.

Nico: Whoa, what is that mark?

Lincoln summoned the book of legends and he turned to the page that has the symbol of the Saiyans with angel wings surrounding it, and Lincoln 2 knew what that was.

Lincoln 2: (Through the Rainbow Thunderbird and Third Eye Iris) I think I know what that mark is on Buster's right shoulder: that is The Mark of The Warrior, and according to the book of legends, this mark is said to appear on someone's shoulder when the oath that person made to a Saiyan warrior has been fulfilled.

Goku: That's right. If I remember right, Buster freed my father from the Aparoids last year, and he'd said that if Raditz and Nappa dared to show up, they'll be destroyed for good and no mercy will be shown to any of them.

Gine: This ultimately means that Buster's fulfilled the oath he made last year, and now, he's received the mark, incredible.

Lori: Whoa.

Luan: That's really a big discovery.

Nico: But, an awesome one as well.

Buster Bunny: So, my oath has finally been fulfilled, and this mark I have on my shoulder is proof of the fulfillment of the oath.

Bardock: That's right, Buster. You've fulfilled your oath that you made to my son a year ago, and you honored that promise.

Buster Bunny bowed in respect.

Buster Bunny: Yes, I have.

We continued having our fun, and we also gave Bugs Bunny a lot of gifts: new toon explosives, a carrot julienne set, and other sorts of gifts, and he really loved them. We had our fun today, and now, we're about to get ready for our mission for today. We were later getting ready for tomorrow too and we had lots of garlic bulbs, silver, sunlight and more.

Buu: Buu wants to eat garlic!

Maria: No, Buu! These are for tomorrow!

Me: That's right buu.

Buu: Okay.

Kira Ford: These are everything a vampire hates.

Me: Don't forget holy water.

Lola: Yeah.

Eli: This is gonna be good.

Bludgeon: These are only for the Kiva mission.

Maria: We'll have plenty of time to prepare for the others.

Nico: Yep. Fangire's are like vampires.

Me: Yep.

G1 Ironhide: We're definitely gonna start August with a bang.

Me: You bet we are.

Lola: I'm looking forward to giving those Fangires a piece of my mind.

Lana: And a stake through their hearts.

Lucy Loud: Many of them give all vampires everywhere a bad name.

Family Guy Penelope: Maybe Wataru can give Ed violin lessons too.

Ed: I would like that.

Me: We have a lot to prepare for tomorrorw.

Ed: Yeah my violin playing is awful.

Nico: You're trying though.

Then Zexion, Living Laser, Man Boy, Brain Freezer, New Wave, Mr. Fizz, Vulkanus, Copperhead, Manta Bayarsh, and the Rowdyruff Boys appeared.

Zexion: Can me, Living Laser, Man Boy, Brain Freezer, New Wave, Mr. Fizz, Vulkanus, Copperhead, Manta Bayarsh, and the Rowdyruff Boys go with you guys?

Butch: Damn, that's a lot of anti vampire weapons!

Me: It sure is. We're going to be killing as many Fangires as there are vampires.

Blade: And these guys obviously. Do not know…

Me and Blade: WHO THEY ARE FUCKING WITH!

Burst Man: Nico, which Gene Slammer do you think you'll meet next time? Just want to be sure.

Nico: I already told everyone and they figured it out. We're going to meet a Red Chromatic Dragon Gene-slammer.

Me: Yep and it was obvious to figure out.

Qin: But this one is gonna be awesome.

Lola: And I bet it's gonna be over in Japan as we help the Kiva Rangers out by destroying Fangire's running around.

Nico: Yeah.

Manta Bayarsh: And Bugs? Happy 82nd anniversary!

Me: Oh that's right! 82 years ago you were made.

Bugs: That's right! I think it's great doc.

Nico: It sure is.

Qin: Yeah.

RD Girl Jordan: I liked the "A Wild Hare" cartoon of yours.

Bugs: That was a good one.

Me: Boy it sure was. All of Bugs's cartoons are great.

Qin: That was so awesome.

Laney: It sure was.

Me: I loved the ones with Bugs outsmarting Yosemite Sam and Elmer Fudd.

We laughed.

Lola: Those were so awesome.

Vulkanus: I like the piano gag.

Me: Always a classic.

Qin: Yep.

Laney: That was is funny.

Sheep Creep baaed, reminding us that we had a mission to complete.

Nico: Oh right. Lets get moving everyone.

Nicole: We got our last map to go.

Me: Yep.

Nicole: And you'll like this. This is the most powerful treasure of all. It's called the Sword of Helheim. It's an all-powerful sword imbued with all the powers of all the Gaim Kamen Riders as well as all the powers of all the lockseeds. Including the ones for the Masters of Evil core and non-core.

We gasped!

New Wave: Whoever wields that could become just as powerful as Kouta.

Ibara: I will be glad to use it for the safety of all my friends and my loved ones.

Me: Very noble of you Ibara.

Qin: Faithful too.

Laney: It sure is.

Skalor: Let's get a move on.

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, what's up?

King Kai: (Telepathically) I've got some bad news: Dodoria's heading after you guys as soon as word of the deaths of the army of

Frieza's soldiers reached him, and he's really furious.

We gasped in shock.

Nico: Oh man, that's not good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Dodoria, and he's coming after us to get revenge for what we did to Frieza last year, along with what happened to Zarbon yesterday and what happened this morning. When we saw it, we knew it meant trouble.

Lincoln: King Kai's right, the dark energy signal I sensed belongs to Dodoria, and he's coming after us to get revenge for what we did to Frieza last year, along with what happened to Zarbon yesterday and what happened this morning.

Bugs Bunny: So, Frieza's loyal thug is already coming after us. Let me, Buster, and Ace handle that big palooka, doc. He's getting a one-way trip to The Black Gates, and he's never coming back ever.

Nico: (Smirks) Okay, then, Bugsy, you've got a deal. You, Buster, and Ace are going to make sure that Dodoria pays for what he's done in Frieza's name.

Buster Bunny: And believe me, Nico, what we've got planned for that thug, it'll make the torture that Minerva Mink and Lincoln put Zarbon through look like a rainy day.

Ace Bunny: And the last thing Dodoria will ever see in his miserable life is being subjected to the very same pain and suffering that he's inflicted on so many innocent people, right before we spill his blood all over the place!

We gasped at the furious anger coming from Ace Bunny.

Me: Whoa.

Lexi Bunny: Whoa is right, normally Ace is never one to get this mad, but since this is Frieza's murderous thug we're talking about, I'd be just as pissed off.

Nico: You got that right, Lexi, what Dodoria has done and in the service of that heartless tyrant can never be forgiven nor forgotten. Alright, gang, we've got one last treasure to find.

Lincoln: And one last villain to slay.

Bugs Bunny: You better start saying your prayers, Dodoria, because death is coming for you, and there's no chance of you ever leaving here alive!

Buster Bunny: You will pay for everything that you've done!

Ace Bunny: And in the service of that heartless tyrant, Frieza, you ugly bastard!

We nodded and we were off to the Helheim Forest.

## HELHEIM FOREST

We arrived in the Helheim Forest.

Nico: Here we are.

New Wave: Wow! So this is the Helheim Forest.

Lillian: Yep. 3.9 Billion Light-Years Away from Earth.

New Wave: So this is the forest that caused so much trouble for Earth and the Gaim Riders because of Yggdrasil.

Me: Yep. The very same.

Nicole: Lets find the sword.

We got to looking.

Kouta: A sword that can grant the powers of all the Lockseeds?

Man Boy: Including ones for me and my team.

Nicole: Yep and its power is 1,000 times stronger.

Lola: That's incredible. So if it used Firefly's power it would unleash a blast of fire as strong as Madara Uchiha's?

Nicole: That's rught.

Kaito Kumon: I don't know how it'll happen. Or who will do it. But I promise that Malfoy will meet his end during the big battle.

Nurzak: That's all we ask.

Sabator: Personally, I hope we take out Harvey before the usual battles on that day.

Me: I have a feeling we will do that.

Nico: Me too.

Laney: I've had enough of those monsters to last an eternity.

Lola: We all have. They have tormented us for far too long ever since they tried to help Evil Lynn frame our version of her.

Lynn: Yeah!

Living Laser: Dark and the rest got a chance to shine that day. Except me, since I wasn't there.

Kouta: (to Lynn) Was that really a road trip?

Lynn: More battle than a road trip.

Me: We should explain what happened.

I went over what happened during the events of chapter 1131 and it was crazy!

Living Laser: Whoa!

Kouta: WHOA! That is intense! I'm sorry that happened to you Lynn.

Lynn: Me too but I'll be okay.

Needlenose: Dark kept insisting that the whole thing was a road trip.

Me: That still was a great adventure though.

Sheila Loud: I agree there.

Lola: Yeah that was cool.

Sam Witwicky: (to Numbuh One and Kouta) If you guys get to fighting Harvey, don't go for a grappling hook. Just go for explosives instead.

Brain Freezer: That's how your world's Starscream died the first time, right?

Sam Witwicky: Yep. But me accidentally grappling his eye wasn't the smartest choice.

Nico: Very smart move though.

Laney: It sure was.

We then got to a huge clearing and we saw in the middle of an altar in a tree stump, THE SWORD OF HELHEIM! It was a green emerald blade with the symbol of Helheim on it and it had incredibly strong power in it.

Overkill: There it is.

Nicole: The Sword of Helheim!

Lola: It's amazing!

Nico: Wow!

Mr. Fizz: Anyone want to do the honors?

Ibara went up to the sword and then she grabbed it and then pulled it out!

(ESCAFLOWNE FOX KIDS THEME EXTENDED VERSION

PLAYS)

She glowed and was enveloped in a massive and powerful green aura and had green angel wings appear on her back and she was imbued with the powers of all the members of the Masters of Evil both core and non-core and she had all the powers of all the Lockseeds inside her too! Her power had increased incredibly powerfully.

When the ascension was done we were amazed!

Me: WHOA!

Nico: What power!

Laney: Wow! Ibara how do you feel?

Ibara: I feel amazing!

Nico: Wow.

Cybertron Menasor: (to Nico) (Irish Accent) Got any new Ridewatches, lad?

Nico smirked and revealed Ridewatches for Copies for Saber, Blades, and Zenkaiser as well as their copies.

Nico: (to Twilight) I promised that at least you would get a Saber Ridewatch, Twilight. And I always keep my promises.

Twilight Sparkle: wow! Thanks Nico.

Me: And I helped make Ridewatches for all the Saber Members, copy and original. The originals will go to all the Mane 10.

Rarity: Oh this is amazing darlings.

Sunset Shimmer: Wow! So awesome!

Me: And Zarya Moonwolf will get a Zenkaiser Ridewatch too because it was her Ambassador Mission.

Zarya Moonwolf: Nice!

Nico: Even though she already has one, that is a good point. As long as she shares it with another member of the Core 310.

Me: Fair Enough. Noah Carver can use that one.

Noah: Awesome.

Pipsqueak, Tornado Bolt and Triple Berry will get Saber and Blades Copies.

We then heard something.

Copperhead: Anyone else hear footsteps?

Me: Someone's coming!

Nico: Hide!

We hid in the trees and then we saw a figure coming and it was an evil version of TOMURA SHIGARAKI!

**Tomura Shigaraki** (in Japanese: 死柄木弔, *Shigaraki Tomura* ), born as **Tenko Shimura**, is the main antagonist of the *My Hero Academia* franchise. He serves as the archenemy of Izuku Midoriya.

He is the leader of the League of Villains, whose overall goal is to become Japan's next greatest villain. For a while now, Tomura had no clear conviction and relied on All For One to provide every resource he needed. His initial objective was to destroy the society of heroes, specifically All Might who he held great hatred for.

Ever since All For One's imprisonment, however, Tomura has slowly begun to learn and develop into a more independent villain and formed a conviction where he desires to destroy everything he despises, ultimately wanting to bring down society as a whole. Upon defeating Re-Destro and his Meta Liberation Army, Rikiya submitted to his commands and made Tomura the grand commander of the Paranormal Liberation Front. He serves as the main antagonist of the U.S.J. arc, Meta Liberation Army arc, the Paranormal Liberation War arc, the Star and Stripe arc, and the Final War Arc. He's also the overarching antagonist, in the Forest Training Camp arc, the Provisional Hero License arc, the Tartarus Escapee's arc, and the U.A. Traitor arc. He is also the secondary antagonist of the Hero Killer arc, and the Hideout Raid arc.

He is voiced by Kōki Uchiyama and Arisa Sekine as a child in Japanese and Eric Vale and Emily Fajardo as a child in English.

In the past, Tenko Shimura was a young boy, born to Nao and Kotaro Shimura. Tenko lived a normal, but strict life with his family. He loved heroes and would often play with his friends and discuss about them, but because his father detested heroes, due to his mother abandoning him, Tenko would be punished for bringing up any topic relating to heroes. At the same time, Tenko was developing a rare, but unusual Quirk that would cause itchiness.

At some point, Tenko and his older sister Hana snuck into their father's office where they came across a picture of their paternal grandmother, Nana Shimura. They learned that she was a hero and decided to keep it a secret among each other. Kotaro eventually found out, however and decided to punish Tenko by slapping him and voicing his hatred of heroes (by extension his mother). That night, Tenko would sit outside in the dark and cry, as no one in his family tried to help and comfort him. He was left alone with his dog, who was the only form of comfort that he had at the moment, until he accidentally killed his dog with his Quirk.

Due to his inexperience with his Quirk, Tenko proceeded to kill his entire family, starting with his sister, who had come to apologize but had been killed by accident. His mother and maternal grandparents later witnessed the scene in horror, only for them to be killed in the process. His father eventually came to see the massacre that took place and Tenko begged him for help, as the area around them was destroyed. A crying Tenko ran to his father for help. However, Kotaro attacked him in order to get him to stop. Unfortunately, Tenko's instincts were roused up to the point where he proceeded to attack and kill his father with full intent, while destroying his family home. At that point, Tenko's humanity had disappeared and became a whole new entity. Tenko recalled feeling satisfied at ending his father's abusive treatment.

He was later left alone in the streets with vague memories of his past until he was approached by the man that would become his sensei, All For One. When All For One took him in, he revealed that Tenko had killed his family and the only things that remained of them were their hands. This revelation brought Tenko into despair, but All For One assured him that he will be able to teach him how he can control his feelings of anger and hatred and that he must direct them towards the society of heroes.

Tenko later found himself getting into trouble with two crooks on the street. He later came home in tears, but All For One encouraged him to let out his true potential and pursue what he truly wants to do. Tenko later came back to those same crooks with the hands of his family members attached to him and killed the crooks. All For One later collected their hands and offered them as gifts to Tenko. Tenko then proceeded to attach their hands to him.

It was from here where All For One decided to rename the young boy "Tomura", a word that signals the sorrow of death and parting but also to celebrate a new age of Tenko Shimura. He then gave him his last name, "Shigaraki", granting Tenko his new name; Tomura Shigaraki. From this point on, All For One began to raise the young boy as his new successor and the new face of evil.

Tomura secretly slipped in through the media crowd and destroyed the gate, allowing them to slip in. He and the other villains first appeared at the training site where the students were practicing. When he did not see All Might, he was frustrated and decided to use his force to attack all the other heroes there as a way to draw All Might's attention. He fought Eraserhead, impressed that the latter can hold his henchmen off and called him cool. However, Nomu was responsible for defeating him. Seeing that All Might wasn't around, he tried to attack the students but All Might eventually appeared.

Amused at All Might's appearance, he watched as All Might fought Nomu but soon watched as the latter sent Nomu flying. He was encouraged by Kurogiri who had seen that Nomu had weaken All Might and tried to attack him as well but Izuku intervened but Tomura was unable to kill him because more heroes appeared. After being wounded from a gunshot, Tomura decided to retreat with Kurogiri.

While they were able to retreat, he complained to Kurogiri that they were unsuccessful in their objectives to take out All Might and ended up losing their men, including Nomu. He was instructed by an individual to start looking for new men for the organization.

Later on, Tomura watched the Sports Festival on his computer and was carefully observing Izuku during the event.

After the Sports festival, he met with the Hero Killer Stain. He decided to let him join the League of Villains since they were in desperate need of a new member. The two then got into a skirmish where Stain pinned him down. However, Tomura remained defiant and Stain was surprised by Tomura's declaration of wanting to destroy the society revolving around All Might.

After discussing the values of the League of Villains, Stain asked to go to Hosu to continue his work. Kurogiri then teleported Tomura, Stain and himself to city of Hosu. As Stain took off to try and cleanse Hosu of the "fake" heroes, Tomura began complaining about Stain and his motives. He decided that he wanted to unleash a few Noumu's upon the town to destroy it.

As the Noumus were getting defeated by the heroes and Stain fell in battle against a few heroes, Tomura got infuriated and decided to leave the town. The next day, he read the news and was frustrated that Stain got recognition from fighting the heroes and that his Noumus did not get any recognition from the media.

Tomura later was introduced to new members of the League of Villains, Himiko Toga and Dabi. Tomura was very unpleased by their praise of the Hero Killer and attempted to kill them, but was prevented by Kurogiri from doing so. Eventually, Tomura leaves the room out of spite.

Tomura later decides to confront Izuku at a public mall in his civilian appearance. He took the teen as hostage and asked him a couple questions about himself and the Hero Killer. Izuku states that while his and the Hero Killer's motives were because of the inspiration of All Might, he could understand what the Hero Killer was aiming for as he never gave up on his dream, while Tomura ultimately abandoned his cause.

Tomura then begins to realize why he's constantly failing, and it's all because of All Might. Coming to this realization, he concludes that all of Stain's ideals and convictions have been nothing more but a stepping stone for him. He decides to leave when Izuku's friend, Ochaco Uraraka, questions him. He left the mall thinking about his grudge against All Might.

Tomura commissioned the Vanguard Action Squad to attack the Yuuei students at night when they were on their summer school trip to enhance their powers. He ordered them to capture Katsuki Bakugou and placed a hit for Izuku Midoriya and other students at U.A. The attack ultimately resulted in many students getting minor to major injuries (some of which would have to get hospitalized), Katsuki and Ragdoll getting captured, and the trip coming to an abrupt close.

Tomura wanted Katsuki to join the side of the villains. He was a bit frustrated when Katsuki declined his offer and states that All Might was his hero and that he would always support him. Tomura decided that he did not have time to deal with Katsuki's defiance and sought power from his master to convert him to the dark side. As he was about to attack Katsuki, All Might and the other heroes broke in to rescue Katsuki. At the sight of All Might's appearance, Tomura recalled his past and yelled at All Might out of spite. Tomura's master took each of the villains and Katsuki with a black sludge substance and teleported them to a destroyed warehouse on the other side of town.

As Tomura's master tried to fight All Might who came to save Katsuki. Tomura tried to capture Katsuki again but he was saved by the combined efforts of Izuku, Tenya, and Eijirou. Tomura's master decided to teleport Tomura and the rest of the villains away from the area where he was fighting All Might for their safety. Tomura was unwilling to leave, concerned for All For One's condition but All For One told him that he should continue his plans. When his master was defeated in his fight against All Might, Tomura was furious.

After their crushing defeat, Tomura and the League of Villains form a new hideout for themselves and remain hidden out of the public eye for the time being. Eventually, they are later approached by the the leader of the Eight Precepts of Death, Kai Chisaki.

Chisaki told Tomura about his failures and how his lack of tactician allowed the heroes to arrest Muscular and Moonfish, including the arrest of Stain. Chisaki wanted Tomura to join his organization and that together he would have a greater power to take down the hero-dominated society. His meeting with Chisaki became harsh as Chisaki killed Magne for attacking him and severed Mr. Compress's arm. Tomura tried to kill Chisaki to avenge his comrades but killed one of his men instead when Chisaki used him as a human shield, much to Tomura's disgust.

Despite their conflicts, Tomura decided to have the League of Villains join in the Eight Precepts. He sent Himiko Toga and Twice to Chisaki's headquarters to help Chisaki against the heroes who plan to invade his house, secretly trusting them to betray Chisaki and ruin his plans, indirectly allowing the heroes to stop him.

After Chisaki's defeat, Tomura leads the League of Villains to attack him, with Tomura allowing Compress to compress one of Chiskai's arms as pay back for the loss of his arm while Shigaraki decays the other as payback for his actions against the League, leaving Chisaki quirkless. Shigaraki took his quirk removal drugs and stated that they will be the new overlords.

Prior to the events of the Hero Billboard Chart JP, Tomura and the rest of his league continued searching for more recruits, while Tomura personally has been trying to get in contact with All For One's doctor. Spinner, frustrated with the current state of league, demands what direction is Tomura exactly heading towards. Before he could respond, the two are interrupted by the arrival of the Gigantomachia, who has been looking for the league as well.

To see if he truly is a worthy successor, Gigantomachia engages him and the other villains in a battle, only to find himself beating them with ease, causing him to break down in tears. Eventually, the doctor speaks through the radio that Gigantomachia's been carrying around, subduing him with the voice of All For One and transporting the league to his hideout. The doctor introduces himself with the alias Daruma Ujiko and reveals that he's been producing a stronger variation of the Nomus known as High-End. Ujiko calls out Tomura for being a piece of trash that's accomplished nothing and asks what exactly does he plan to do as All For One's successor.

Tomura explains to him that he's felt nothing but anger and loneliness ever since he was a child and ultimately wishes to destroy the very things that he despises. He believes that with Ujiko's talents, he will be able to accomplish great things for the league. Ujiko laughs at how much of a pipe dream Tomura's goal is, but ultimately accepts his offer, believing that villains are the ones who make pipe dreams into a reality. Ujiko then sends the league back to Gigantomachia, in which Tomura reintroduces himself as the "future king".

A month has passed and Tomura continues to work on earning Gigantomachia's trust in him. As Gigantomachia would continuously attack him and the others, Tomura did not get any sleep. That did not appear to bother him, however, and instead developed him into more of a thrill seeker. He eventually gets in contact with Rikiya Yotsubashi, who challenges him to either face him in battle or to fall in the hands of the heroes.

Tomura, along with the rest of his companions, arrived in Deika City, where they are confronted by Curiousand Koku Hanabata. The two executives signal their army to attack the league, resulting in a battle between the villains. Tomura focuses on taking down them individually, as well as the other league. During the chaos, Tomura recalls a childhood memory of him and his sister, Hana, who showed him a picture of his grandmother and told him about how she was a hero. Despite his exhausted conflict with Gigantomachia, Tomura was able to take out a large group of the Meta Liberation Army by spreading his Quirk around them.

Meanwhile, Twice confronts Rikiya in the watchtower, where he's keeping Giran held captive. Twice then proceeds to create clones of other members of the league, including Tomura. The clones then attempt to attack Rikiya but are quickly defeated when he utilizes his Quirk. The real Tomura, however, manages to bring the whole building down, leaving him confronted with Rikiya alone. Tomura then attempts to disintegrate him by touching the ground, but Rikiya manages to avoid his attack. Rikiya then manages to land a hit on him, causing Tomura to lose two of his fingers on his left hand.

When Rikiya states how meaningless and hollow his ambitions truly are, Tomura frees himself from his grasp by decaying his finger and proceeds to go berserk, as the hands of his family that adorned his upper body are destroyed, causing him to recall various aspects of his past that constantly develops him into a more dangerous being. From here on, Tomura decides to let go of his past sorrows and unleash the true evil within him as he crushes the hand of his father.

With his newfound strength, Tomura proceeds to come into clash with Rikiya once more, destroying the city around them in the process. With the sudden turn of events, Rikiya decides to unleash one of his devices from the Detnerat Company to defeat Tomura once and for all; Cresto.

Despite Rikiya's best efforts, Tomura laughed manically and manages to overwhelm his opponent by proceeding to destroy the city around him with his sheer power, causing Rikiya to lose his armor and eventually come in contact with the decay when reaching the ground. With nothing left to continue on the battle, Rikiya is left laying on the ground, as Tomura watches over him, reminding him how he started this conflict. Trumpet, Spinner, and Gigantomachia eventually arrive to the scene, along with the Meta Liberation Army, who attempt to help Rikiya, but are scared when Tomura smiles at them. Trumpet was shocked his quirk was overwritten by fear while Rikiya calls off the army. Instead, Rikiya decides to surrender all of his resources and submit to Tomura's command, much to Tomura's amusement. Gigantomachia also acknowledges Tomura as All For One's Successor after seeing his great power in action.

In the aftermath, Tomura is announced to be the Grand Commander of the newly formed Paranormal Liberation Army. He makes the members of the League of Villains and high ranking members of the Metal Liberation Army into sub commanders. It is also revealed that one of the hands survived the destruction and Tomura now wears that hand over his face, though it holds no significant meaning. After the initial announcement, Tomura collapses and is contacted by Doctor Ujiko, who offers him the power he promised and requests that Tomura make a special delivery for him.

Tomura is next seen with Doctor Ujiko as he prepares to undergo surgery. Before beginning, Ujiko asks Tomura why he seeks more power, as he's become destruction incarnate after awakening his Quirk. Tomura explains that his newfound power isn't unbeatable, and that he isn't going to underestimate the heroes again and intends to utterly destroy them the next time they meet. Ujiko is amused by Tomura's answer and informs him that the operation he's about to go through will grant him power greater than All For One himself and even allow him to obtain the very Quirk he created: One For All. However, the process will take four months to complete and he'll experience endless pain the entire time, something Tomura has no issue with.

A month after Tomura Shigaraki started the operation to become more powerful, he was seen still going through it, with it being extremely agonizing and gruesome as Dr. Ujiko had assured him. The Doctor was impressed that the process seemed to be going better than he originally planned as he excitedly cheered Tomura on from the sidelines as numerous tubes and wires were shown sticking out of his spine and head, while a bigger mechanical tube operated on his midsection which had been completely torn open, all accompanied by copious amounts of blood. Despite the painful process, Tomura was fully conscious throughout it, laughing madly.

Less than a month before his surgery was completed, Tomura had been relocated to a large tube underneath Jaku Hospital, with Ujiko overseeing the completion of the process while using a clone of him created by Twice to handle everything else. When the Heroes launched a raid on the hospital, Ujiko ordered Johnny to warp him and Tomura out, only for the Nomu to be crushed by Mirko barging into the lab. While the High-Ends attack Mirko, Doctor Garaki flees the battle, hoping they will buy enough time for Tomura's operation to finish, which is at 71% completion.

However, Tomura's operation immediately gets interrupted once the other Heroes in Jaku Hospital back up Mirko during her struggle against the incomplete High-Ends. Kyudai desperately begs Mirko to stop her assault but the Rabbit Hero ignores him as Tomura's operation reaches 74% completion, telling the other Heroes that they cannot allow him to awaken.

Soon, Present Mic manages to destroy most of Kyudai's equipment with his voice, including Tomura's operation tank. This releases Tomura's unconscious body at a 75% completion state. X-Less then restrains Tomura's body and notes that he isn't breathing and his heart has stopped. Kyudai reveals he put Tomura into a state of suspension to lighten the burden of stabilization and that the container was meant to accelerate the stabilization process, support his system, and resuscitate him when necessary, all the while crying about how he lived for Shigaraki's sake.

While unconscious, Tomura experiences a facsimile of his warped past. Tomura explores the illusion and encounters many visions of his deceased family members that he accidentally murdered. He also encounters his father Kotaro, the man who was responsible for his unintentional Quirk awakening. Tomura then destroys the fake illusion of Kotaro, only to see a shadowy abyss swallowing everything up. Tomura walks forward and realizes that the man standing in front of him is an illusion of All For One.

Tomura walks forward but visions of his family, including Nana Shimura, try to stop him from falling into darkness. Unfortunately, Tomura coldly destroys the remaining bits of his humanity away and accepts All For One's empty embrace. Once the vision ends, Tomura snaps out of his subconscious dream and finally awakens from his deep slumber. Tomura slowly rises from the ground and mutters that he feels cold before unleashing his Decay Quirk and disintegrating the entire hospital and a large portion of the city; killing many heroes and civilians in the process. He then observes the destruction left in the wake of his attack, noting that Ujiko's operation was a success and he now has full control over his Decay. Tomura picks up Ujiko's phone and contacts Gigantomachia, ordering him to gather all the members of the Paranormal Liberation Front and come to his location as he's finally going to destroy everything in their path. However, Endeavorsuddenly appears to fight Tomura.

Suddenly, Tomura has an epiphany and believes that his father was right all along: quoting how he said that heroes only hurt their families to help others. He tells them about his philosophy that heroes ignore those who they believe they can't save (as Tenko had been in the past), and only protect the "common trash" who are overly reliant on heroes to protect them. Filled with hatred and disgust towards a system which has always rejected him, Tomura says this is why he became a villain and says the system is what makes heroes and villains. Suddenly, Endeavor fires a blast of fire, thanking him as his monologue allowed his flames to cool down, but he is completely unfazed by the flames.

Gran Torino tries to tackle Tomura, but the latter decays his leg and slams him into the ground. Gran Torino recognizes the villain's familiar face as a Shimura, thinking about how Nana Shimura gave up Kotaro when he was a child so All For One wouldn't exploit their connection, which in turn made Kotaro resent heroes and influence Tomura into being who he is today, a reflection of his father. Gran Torino remembers Nana crying as he comforted her, questioning the choices that they made before Tomura, the result of the Shimuras' mistakes, impales Gran Torino in the chest.

During the battle, All For One starts to possess Tomura's body, causing him to utter strange statements such as referring to Izuku as "little brother", confusing Tomura. The controlled Tomura grabbed Izuku, causing the hero to see into his mind as he fought with All For One over control of his own body. Tomura resentfully told All For One that he wanted to start his own path of villainy to be greater than his and he would not be his pawn, but All For One told him that he meant a lot to him and that he would be "the next me". Suddenly, the vestiges of Nana Shimura steps in to fight All For One, who tells her that Tomura's hatred towards her is causing the will of One For All to crumble away, but she and the other users resist their will, making Izuku and Tomura separate from each other.

Nico: That's Tomura Shigaraki.

Nicole: He's in the Book of Vile Darkness.

Izuku: I've had it with this clod.

Me: Me too. I'm going to give this monster the Black Gates.

Nico: Entrance time.

We went at him.

Evil Tomura was looking for something and then the spirits of the Elements of Skylands and the Mane 10 appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and fireballs rained down and they hit him all over and burned him as a phoenix cry was heard.

We landed.

Me: Tomura Shigaraki, now I can destroy you for good just like how I killed your fucking master All For One.

Evil Tomura: You motherfucker! I WILL MAKE YOU PAY FOR KILLING HIM!

Me: You're the one that's going to pay. So many people died because of you.

I teleported and punched him in the stomach with devastating force and then I kicked him in the face and smashed him into a tree!

Red Hood: At least your original counterpart has behaved himself! And there's also your X Squad counterpart.

Me: That's for sure.

But then Evil Tomura saw the resurrected heroes of all those he killed!

Evil Tomura: WHAT! BUT THAT'S NOT POSSIBLE! I KILLED YOU ALL!

Me: What's wrong Tomura? You look like you've seen a ghost.

Nico: Or rather numerous ghosts.

Midnight: We got resurrected thanks to J.D.

Me: This time we're not showing you any mercy Tomura. I'm sending you off to Hell.

Lola: Or better yet The Black Gates!

Nanette: Yeah!

Me: You've had this coming for a long time Tomura. You never gave a flying fuck about anyone but yourself. You've always had such a strong hatred for the entire world because of everything people did for good and love. And you got a sick thrill out of causing nothing but pain and suffering. You killed thousands of innocent people and you didn't care who got in your way as long as they were suffering an excruciatingly and painful death. You wanted to make sure everyone and everything around you suffered for "Their Crimes" that they did against you. Well now it's for me to finish you off once and for all. I'm going to make sure you get what you deserve for good!

I then went SUPER ANGEL XELNAGA INFINITY!

Me: (Divine Echoing Cosmic Elemental Voice of Hope and Love) **Justice is coming for you Tomura and I'm going to make sure there is one less villain to terrorize the world of people born with Quirks.**

I went at Evil Tomura and punched and pulverized him viciously!

While Evil Tomura was getting his ass kicked, I had a question to ask Woz.

Nico: Woz, can I ask you a question?

Woz: What is it, Lord Nico?

Nico: That's what I want to ask you about. Why do you like calling me Lord Nico?

Woz: I will always remember my time serving Ohma Zi O. Especially since he has proven to not be as horrible and tyrannical at times. (smiles) But my loyalty is to my demon king, Sougo Tokiwa, and you. Sougo because he has proven that he has the power to change his destiny. And you because you have worked hard to properly succeed J.D. as leader of Team Loud Phoenix Storm.

Brick and Boomer just happened to be near Nico when Woz said this.

Boomer: (cries tears of joy) Dude, that was so sweet!

Brick: That right there is true loyalty.

Butch: It sure is.

I punched Evil Tomura and kicked him in the face and smashed him into the ground!

KRASMASH!

He got up and he was REALLY RAGING MAD!

Evil Tomura: I HATE YOOOOOOOUUU!

My aura flared up with incredible force and intensity!

He went at me and tried to disintegrate me with his quirk but I grabbed his arm and kneed him in the face and headbutt him and smashed his nose in and kicked him in the balls and then smashed him in his stomach and threw him into the ground and kicked him into a bunch of trees and he smashed through them and then…

CRASH BLAM SMASH CRASH!

They all fell right onto him and crushed him!

OUCH!

But he wasn't dead yet!

But then Deadwood, Xiao Fung. Oculous, Selene, Skalamander, Golden Glider, Grizzly, Multiplex, Kangor and Rojo appeared.

Nico: Deadwood, Xiao Fung. Oculous, Selene, Skalamander, Golden Glider, Grizzly, Multiplex, Kangor and Rojo.

Rojo: That's right.

Kangor: (Jamaican Accent) And it looks like the funs already started mon.

Nico: How much of that did you guys hear?

Deadwood: We heard what J.D. said to Evil Tomura and the reason why Woz calls you Lord.

Xiao Fung: I think that's actually very touching.

Nico: It sure is.

Selene: Oh, and you guys can feel free to kill this version of Tomura. Just as long as the original gets to be Torch's archenemy.

Nico: That's a promise.

Oculous: (to Tommy Himi) We heard you, Nico, and the others found another treasure here this morning.

Tommy Himi: We sure did.

Skalamander: What was it?

Tommy Himi: Wait. You're asking me?

Nico: Well, you ARE Oculous' archenemy.

Tommy Himi: Oh. Well it was really awesome and cool.

Nico: It sure was.

Then everyone heard motorcycle revving and a figure came out and it was HELMEDOR from the Megarangers VS Carrangers movie!

---

Helmedor is an alien who wants to build a motorcycle racing ramp through the Milky Way and create a "biker paradise", a scheme similar to the late Reckless Dash Emperor Exhaus. However, he was locked up on the prison Jail for 200 years before he escaped and pushes the alien Picoto to Earth to grant his wish for a planet destroying laser cannon. He arrives on Earth shortly after the Megarangers find Picoto's shell and is initially mistaken for being a member of the Wicked Electric Kingdom Nezirejia but reveals that he has no association with them. When they refuse to give Picoto, Helmedor rides through them which allows him to snatch Picoto and blast the Megarangers with a shotgun. Although he begins his wish ritual, a morphed Miku snatches Picoto from him but he easily defeats them though they then blast him with the Drill Sniper Custom and Multi Attack Rifle. However, he easily deflects it before running them down though the arrival of Yuusaku prevents him from stealing Picoto. Helmedor drives at Yuusaku after he morphs but he flips over and summon the Auto Slider and initiates a chase with the biker and they exchange blows. It ends when Yuusaku survives a direct shotgun blast, summons his Silver Blazer and finishes Helmedor off with the Blazer Impact. Helmedor tries to shoot Yuusaku in the face for this but is mortally wounded and drops his shotgun before he is obliterated. However, Helmedor revives and enlarges himself so they summon Galaxy Mega but they are overwhelmed by his speed until Galaxy Mega grabs his bike though he uses a sword to stab and slash it away. They attempt to use the Booster Rifle on him but he uses an energy shield to reflect the blasts though they summon Delta Mega and form Super Galaxy Mega. With it, they are immune to Helmedor's shotgun blasts and destroy his energy shield with the Gatling Blasters before finishing him off with the Super Galaxy Knuckle. However, Helmedor instantly shrinks down and promises to get revenge before riding away.

A day later, Helmedor arrives in the Neziregia Dimension on the Death Neziros shortly after the Carrangers and Megarangers defeat Yugande and Crab Nezilar. He proposes an alliance of interests; he gets to make his wish and Dr. Hinelar gets the power source afterwards which they mutually agree to. Helmedor soon poses as Hazardian Dappu having returned from his adventures with VRV Master and manages to get Piconto before revealing himself. They morph but he jumps right over them onto his motorcycle and manages to escape as Shibolena and some Soldiers Kunekune attack the Sentai. On a rooftop, he finishes the ceremony and creates a giant planet destroying cannon which he uses to destroy Jail and kill everyone there as revenge for his imprisonment. Crab Nezilar then goes to him to demand Piconto but the biker betrays them as he now can have everything that he wants though Crab Nezilar proves to be too strong for him to defeat. After past Psycho Nezilar are resurrected however, Helmedor steals Poconto back though the Carrangers arrive and make him drop Piconto. After the Carrangers capture and discard it, they trick Crab Nezilar with a fake so Shibolena brainwashes Helmedor with a kiss and sends Crab Nezilar to help. Using the power of Picanto, the Megarangers wish for new powers and gain the Mega Tector armor which allows them to destroy the revived Nezilar Beasts and defeat both Helmedor and Crab Nezilar with the Rainbow Impulse attack.

Though defeated, his body survives and Bibidebi is able to bite him and the Nezilar Beast to make them grow. The Carrangers and Megarangers form the Mega Voyager and RV Robo and overwhelm the two but Helmedor threatens to destroy the Earth with his cannon. Ace Bunny's transformed into SUPER ANGEL ETERNITY INFINITY CELESTIAL YELLOW FIRESTORM LIGHTNING RABBIT ANGEL OF YELLOW ELECTRIC FIRESTORM JUSTICE AND DIVINE CELESTIAL HOPE!

We were amazed by the Super Angel Eternity Infinity transformations of Bugs Bunny, Buster Bunny, and Ace Bunny, and when Lola Bunny, Babs Bunny, and Lexi Bunny saw them, they had atomic red blushes on their faces, hearts in their eyes, and their noses were bleeding. But, when Dodoria saw them, he fired an energy blast at the coyotes, but Bugs, Buster, and Ace block it, and they fired yellow and red and blue energy blasts with elemental forces and rabbits at Dodoria, and they explode with incredible power as the blasts hit him, and he also got hit with a stick of dynamite Bugs threw at him.

Me: Whoa, Bugs Bunny, Buster Bunny, and Ace Bunny have transformed, that's really awesome!

Lola Bunny, Babs Bunny, and Lexi Bunny: HELLLOOOO, RABBIT BEEFCAKES!

Nico: (Snickers) Should've known you three would go crazy over your boyfriends, and it's a three against one fight. Dodoria's a dead thug if he so much as fights those three rabbits.

Bugs Bunny: (Divine Echoing Cosmic Voice of The Explosive Firestorm Rabbit and Divine Comedic Justice) That's right, doc, and that freak's not getting any mercy from any of us.

Buster Bunny: (Divine Echoing Cosmic Voice of The Sapphire Firestorm Rabbit and Divine Fiery Justice) You said it, Bugs. Alright, Dodoria, I hope you're ready to die.

Ace Bunny: (Divine Echoing Cosmic Voice of The Celestial Lighting Firestorm Yellow Rabbit and Divine Celestial Hope) Because, we're not going to show you any mercy at all, you freak, not that you even deserve any!

Bugs Bunny, Buster Bunny, and Ace Bunny went after Dodoria, and they fired powerful blasts of yellow energy, red and blue energy, explosives, sapphire and yellow fire, yellow lightning, and stars at him, and they exploded with incredible power as they hit him. Then, they attacked him with their massive broadswords and left painful scars on him. Ace Bunny then chained Dodoria up with black and yellow energy chains, and then, he summoned a whip made from black and yellow energy in his left hand, and he attacked Dodoria, lashing at him with the whip, and Dodoria felt all of the pain and suffering from it, and Ace was also spilling Dodoria's blood on the ground.

Ace Bunny: (Divine Echoing Cosmic Voice of The Celestial Lighting Firestorm Yellow Rabbit and Divine Celestial Hope) I did say you were going to pay for your crimes in blood, Dodoria, the whip I made was created from the anguish, pain, and suffering of all those your so-called lord had inflicted on so many innocent people!

Nico: Oh man, he was literally serious when he said he was going to make Dodoria pay for his crimes in his own blood, and he really meant it.

Tech E. Coyote: With every strike the chief makes, Dodoria's blood is being spilled and the pain and suffering of those he's killed are also making their mark, the same thing I did when we fought Cui.

Then, Bugs Bunny, Buster Bunny, and Ace Bunny fired three powerful energy blasts at Dodoria, and they exploded with incredible power, killing him and as soon as his spirit appeared, they marked his forehead with a kanji and Dodoria was found guilty by all those he's killed and he was erased by The Black Gates forever. We cheered wildly for what Bugs Bunny, Buster Bunny, and Ace Bunny did to Dodoria, as they holster their massive broadswords on their now wider and more muscular backs and powered down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Bugs Bunny, Buster Bunny, and Ace Bunny are permanent.

Nico: Guys, that was one awesome battle you waged on that bastard.

Bugs Bunny: Thanks, doc, plus Dodoria's had it coming for a very long time.

Buster Bunny: You said it.

Ace Bunny: And I did say he was going to pay for it with his own blood.

Lincoln: And you literally meant it.

Suddenly, Lola Bunny, Babs Bunny, and Lexi Bunny jumped Bugs, Buster, and Ace, and they kissed the three rabbits on the lips, which they returned with equal intensity.

Bugs Bunny: Now, that was one awesome birthday!

Lincoln: Glad you liked it, Bugs. Now, we have to get ready, tomorrow, we're going to meet the Kiva Kamen Riders.

Nico: And we're going to deal with their biggest enemies and we're going to send them to The Black Gates forever, and Winx Club Stella and The Goths of Darkness are going to put down those evil Fangpires.

Stella (Winx Club): You said it.

Brittney Knudson: We'll make them regret ever crossing us.

We were later back on Earth.

Golden Glider: Too bad we've got to leave you guys now.

Kouta: This isn't goodbye.

Kaito Kumon: We will see you guys again in August.

Me: On August 7th. But we owe you big time for helping us get the lay of the land in the Helheim Forest.

Grizzly: But we'll still miss you guys.

Kouta: We will too.

Eli: May the Force Be With You.

They teleported back to Japan.

Multiplex: The Advent Cards Nico and the others got really came in handy.

Shaylen Harper: I'm really gonna love it here with you guys.

Hilary Czemmenshikova: Same with me.

Kangor: You girls won't regret it mon.

Rojo: On the bright side, we're leaving one Kamen Rider team to join up with another.

Me: Yeah we sure are.

Nico: Yep. We got a huge day to prepare for tomorrow. But great job today everyone.

Nicole: These treasure hunts were awesome. And it was a perfect way to spend time and adventure to get ready for the Kiva mission.

Winx Club Stella: It sure is.

Me: Yep. (To the viewers) Get ready for an awesome adventure tomorrow everyone. We're going vampire hunting but for Fangires and the Goths of Darkness and Stella are gonna be ready for them.

Lola: Yep they sure are.

Nico: Yep. Lets head home guys. We got a huge day for us tomorrow.

We went back to the World Tree Estate and enjoyed the rest of the day and went to sleep.

Meanwhile in Japan, the Kiva Kamen Kamen Riders were getting ready for the biggest battle ever with our help.

Wataru: I have a feeling this is gonna be the biggest battle ever. But I'm ready for this.

Keisuke: Me too Wataru.

Jiro: I am too.

Wataru: Lets get ready for their arrival!

Kiva Riders: HENSHIN!

They transformed and a swarm of bats went at the screen and turned it red…

Me: You guys are all going to love Hogwarts. This place has over 1,000 years of history around it.

Camie: We're really looking forward to seeing this.

Himiko: I heard that this was the very spot where you guys killed Voldemort and many of his racist followers.

Me: Yep. The very same one. But you have Rin Nohara, Lola and Aylene to thank for that.

Lola: That was so awesome.

Kaina Tsutsumi: I heard that was a brutal battle.

Ibara: It was. How did Rin beat Voldemort?

Me: Now that was a great battle.

I went over what happened in chapter 145 and it was awesome.

---

Rin, Aylene and Lola in the Simulator doing an exercise.

Me, Varie, Lincoln, Laney, Lisa, Lily, Sakura, Hinata, Ino, Fu and Pakura were in the control room.

The Simulator activated and Rin, Aylene and Lola found themselves in the world of Harry Potter and Hogwarts Castle had been completely destroyed.

Rin: Whoa!

Lola: Holy princess ponies! What happened here?

Aylene: I've watched all the Harry Potter movies. This is the Battle of Hogwarts. Voldemort and the Death Eaters are behind all of this.

Rin: We have to stop this. Lets go.

Rin, Aylene and Lola went inside and found the halls destroyed and all the staff of Hogwarts was killed.

Lola: What happened here?

Aylene: The Death Eaters did this. They killed all of the staff.

Rin: This is horrible.

They walked around and found some wizard kids on the floor. Barely alive. Some were dead.

Rin: These kids are dead.

A kid groaned.

It was a girl with blond hair and she had a broken wand in her hair like a pen.

Aylene: She's still alive.

?: (British Accent) Who are you all?

Rin: I'm Rin Nohara.

Aylene: I'm Aylene Carter.

Lola: And I'm Lola Loud.

Rin started healing her.

?: My name is Luna Lovegood and we're under siege by Voldemort and the Death Eaters.

Lola: We can see that.

Luna: He caught us all completely off guard and he killed everyone. Harry Potter is dead and we lost. Thanks Rin.

Rin: No problem.

Aylene: Voldemort is a wizard that's pure evil and he wants to take over the world finish what Salazar Slytherin started by ruling over the world with an iron fist and take away everyone's free will.

Lola: That's horrible!

Rin: Living in a world without free will is a fate worse than death.

Rin takes two steps up the stairs and ignites her aura of fire.

(Super Smash Bros. Zero Two theme plays)

Rin: Luna, find any survivors and get them out of here. I'm going to face Voldemort myself.

Aylene: Go get him Rin!

Lola: Show no mercy!

Rin: I won't.

Rin released a super powerful fire aura and she spread her wings made of pure fire.

On the roof in the courtyard Hermione Granger and Ginny Weasley were hiding.

Voldemort: I know you're all here. (Evil Laughter) You can't escape.

Suddenly massive explosions and jets of fire exploded out of the floor and walls and engulfed everything in a massive conflagration of raging fire. The flames killed Bellatrix LeStrange and the Death Eaters in an instant. All the Slytherin kids were killed as a result. Satanic music played as Voldemort was looking for a way out and he saw a figure in the fire. Rin came out of the fire and she was like the devil himself.

Voldemort: The Devil Himself!

Rin: Wrong! I'm a shinobi and you're going to pay for your crimes Voldemort.

Voldemort: (Evil Laughter) You can't win you stupid girl!

Rin threw a fireball and it hit Voldemort in the face and burned him.

He dropped his wand and Rin grabbed it and it glowed and suddenly turned into a sword. It was a fire blade sword and the hilt was red gold and had flame jewels and the blade had fire around the blade.

Rin: What a cool Sword. It's over Voldemort. You're finished.

Voldemort: I will never be finished! I will continue Salazar Slytherin's work.

Rin: You're "Work" is a world without free will and we can never allow that to happen.

Voldemort: There will only be wizards and the muggles will be our slaves. The weak will die and the strong survive.

Rin: That is a crock of lies. Now you will die!

Rin swung the sword and a blade of pure fire went at him and sliced off his left arm and he screamed in excruciating pain.

Voldemort: You wretched girl! I will kill you, resurrect you and then kill you again 1,000 times over!

Rin: I don't think so. You are an absolute disgrace to the world of wizardry and magic. People like you belong in only one place and that is the Netherworld for all eternity.

Voldemort then formed a green energy sword in his right hand and regenerated his left arm.

Rin: Now we end this.

Rin and Voldemort got into a savage and ferocious swordfight. Sparks were flying everywhere and massive explosions and blasts of fire devastated the whole landscape. Rin and Voldemort were firing fire and magic blasts at eachother and it was a devastating battle. The whole area was now a massive conflagration of hellfire. The entire area of Hogwarts was now a massive raging inferno on an epic scale. The battle was so intense and ferocious that it was shaking the entirety of the world to the very core.

Rin then got the drop on Voldemort and skewered him all the way through his black heart.

Rin: Go to the Netherworld and take all of your friends with you!

Rin sliced up through his head and backed away. Voldemort started to disintegrate.

Aylene, Luna and Lola arrived and they saw Voldemort disintegrate.

Aylene: Go back to Oblivion and stay there! And don't even dream of resurrecting again!

Lola: Never again Voldemort!

Luna: Never again.

Hermione: (British Accent) It's over.

Ginny: (British Accent) It's finally over.

Luna: We won.

Rin: This is unbelievable. So many casualties of war.

Luna: Yeah. We lost our families and more. Me, Ginny and Hermione have nowhere to go now.

Lola: I wouldn't say that. We have lots of room where we are.

Ginny: You would do that for us.

Aylene: Sure.

Rin: We have lots of room.

A vortex opened up and they went in and they were back in Michigan.

FLASHBACK ENDS

Nico: Wow so that's how it happened.

Lola: That was amazing.

Lexx: Yeah it was.

Nico: Thanks for coming with me, Lexx.

Lexx: Anytime Nico. It's gonna be awesome going with you on your rescue.

Nico: Lexx, remember when you got your first transformation?

Lexx: I sure do. It was so awesome.

Me: That was when we first met Otto Rocket and his friends.

Laney: That was so awesome.

Rainbow Dash: We had no idea that Stacy knew Otto and his friends. She was awesome.

Me: Yeah she was So awesome.

Qin: Boy it sure was and Stacy and Lex trounced Lars and his friends.

Lola: And got him in a lot of trouble.

Camie: This is awesome.

Tsuyu: I think that's amazing that Stacy and Lexx did that.

Lola: It was awesome and fun.

Lexx: Best adventure ever.

Me: Yep.

Camie: By the way J.D. how did you resurrect all the wizards that were killed by Voldemort?

Me: We used the Cosmic Cube.

Nico: Did you really?

Me: Right you weren't with us when that happened Nico. It was awesome and it was right after we defeated M.O.D.O.K. And it was also the day where we first formed the Redemption Squad.

Maria: I remember that! That was awesome.

I went over what happened with how that happened in the end of Chapter 357.

* * *

We were later at the ruins of the destroyed Hogwarts School and it was left there to rot.

Luna LG: (British Accent) What are you gonna do with the Cosmic Cube?

Me: Watch. Cosmic Cube, Please grant my wish: resurrect and restore everyone that was killed by the evil Lord Voldemort and his minions so that families may be reunited and wounds may heal.

I held up the Cube and it glowed and fired a huge beam of light that formed a dome and we all were shocked and saw Hogwarts being repaired and all the people that Voldemort and his minions killed were fully resurrected. Everyone was reunited with their families and parents that were killed in the merciless onslaught were resurrected.

Me: Unbelievable! It worked.

Hermione & Ginny: (British Accent) Harry! Ron!

Harry Potter was resurrected along with Ron Weasley.

Ginny: (British Accent) Ron!

Everyone was reunited with loved ones and more. All the staff was resurrected.

It was a glorius sight to behold. Almost 1 year after the death of Voldemort and his minions at the hands of Rin Nohara, Aylene Carter and Lola Loud, everything was back to the way it was.

FLASHBACK ENDS

Camie: Whoa! That is amazing!

Lola: Yeah it was!

Nico: That is incredible!

Maria: It sure was.

Me: Too bad we can only use the Cosmic Cube once though.

Eli: Yeah that sucks.

Nico: Too bad Lola didn't participate in the battle against Lars.

Lola: I know. But it was Lexx's turn to shine anyway. Also I was out with friends that day.

Nico: Well that's okay.

Me: Yeah but it was still awesome and fun.

Qin: And the best part is that Lars got his karma.

Nico: He sure did.

Lexx: We really had a good time there.

Nicole: Boy you sure did.

Nico: Damn, it was good seeing Kouta and the others again.

Me: Yeah it sure was! And the coolest part was we finally got to see the Helheim Forest.

Nicole: Boy we sure did dad. That was a really scary forest though.

Eli: Good thing we didn't eat any fruit there.

Lola: Thank goodness.

Me: But these last 6 days have all been really amazing treasure hunts.

Nicole: You got that right dad.

Nico: What are you gonna do with those maps?

Nicole: Put them in my map archive book that I'm putting together.

Nico: Neat!

Ibara: But those were such amazing treasure hunts.

Himiko: They sure were fun.

Zarya Moonwolf: We all had fun on those.

Nico: Yeah we sure did and it was perfect for killing some time before Stella's big mission today.

Me: Yeah it was.

Nico: Now, did anyone eat the garlic?

Me: I had some garlic sauce covered spaghetti for lunch.

Nico: Good.

Laney: I had garlic salad dressing in my salad.

Lola: Garlic bread.

We had a lot of foods with garlic.

Nico: As long as we didn't eat the garlic bulbs.

Me: Don't worry we didn't.

Nico: Good.

We went into Hogwarts.

Camie: Wow!

Hogwarts was just as amazing as ever.

Me: Welcome to Hogwarts School for Witchcraft and Wizardry everyone.

Nico: This time, no Umbridge.

Me: Thank goodness.

We went into the student rec room.

Me: This is the rec room for the students.

Camie: Wow look at everyone here.

Me: Lots of kids here.

Twilight Sparkle: There are lots of amazing lessons to learn here too.

Me: Yep.

We saw Professor Dumbledore.

Professor Dumbledore: (British Accent) Ah Team Loud Phoenix Storm welcome.

Nico: Hello, Professor Dumbledore.

Professor Dumbledore: I see you're here to show some of your friends around.

Me: Yes sir. Harry Potter is doing really well.

Professor Dumbledore: I am happy for him.

Lexx: We all are.

We then walked around and saw the dorm rooms and they were amazing. Especially the Hufflepuff Dorm, Ravenclaw Dorm and the Slytherin Dorm.

Camie: Wow the dorm of Slytherin is awesome.

Lana: And you were right guys. I do love the snake house in this dorm room.

Me: I knew you would Lana.

Fluttershy: I think it's really amazing.

Me: But guys just so you know, Not all Slytherin Wizards are all bigoted racist assholes. I saved one from a Dementor attack and banished that Dementor to the Warp.

Nico: I remember that! That's where you demonstrated the use of the Hakai technique for the first time.

Me: That was awesome.

Camie: Wow that is cool.

Tsuyu: Boy it sure is awesome.

Me: Yep.

Nico: Is it wrong that I prefer Snape over Malfoy?

Me: Not at all Nico. Snape has honor where Malfoy doesn't. That fucking blonde hair cockroach!

Eli: Yeah. His hatred towards Harry Potter was sickening.

Camie: And he collected girls underwear too?

Me: That was a pretty gross and perverted hobby.

Nicole: I hope I get ahold of Malfoy and snap his fucking neck.

Me: Oh don't worry Nicole. You will.

Nico: Like Kaito Kumon said, we don't know who will kill Malfoy and how he's gonna be killed.

Me: We'll just have to wait and see.

Nicole: Yeah.

Sheila (D&D): I just can't believe that Malfoy is that evil.

Me: Yeah no kidding Sheila. He is a racist to the core.

Qin: That's why many of us hate him to the Nth degree.

Zarya Moonwolf: Yeah he is a monster.

Me: Just like his motherfucking racist father.

Lola: Yeah what a jerk.

Me: Thank goodness we gave Voldemort and his followers all the Black Gates.

Nico: I agree there.

Emam Reynolds: But that was so awesome that you guys all battled many of Hogwarts's enemies too.

Lana: It sure was awesome.

Lola: Yeah.

Nico: I wonder if any of the students have classes.

Me: It's a school Nico. They do.

Nico: Oh right.

Me: But let me show you guys something really cool.

We went over to the Quidditch Stadium.

Me: This is the Quidditch Stadium.

Nico: Oh yeah I remember this.

Camie: Wow. What is Quidditch?

Me: It's like the Wizarding Worlds version of Lacrosse.

I told them everything and how it goes and more and it is awesome.

Camie: Wow! That is amazing.

Me: Oh it is. I'm also the seeker for the Ravenclaw team.

Nico: Yep.

Qin: It's always really awesome and we saw J.D. in action many times in Quidditch.

Nico: Once, the Dementors disrupted a Quidditch match.

Me: That was during Harry's 3rd year from what I recall.

Eli: Whoa. But why were they there?

Me: They were after Sirius Black who escaped from Azkaban.

Qin: Oh man.

Lola: Yeah that was crazy.

Brittney: But thankfully that will never happen again. The Goths of Darkness are now the masters of the Dementors.

Me: Yep.

Maria: Sometimes, Quidditch is even rained out.

Me: But that doesn't happen anymore because the Hogwarts land is now in the Estate. At 528,000 feet up.

Maria: That's true.

Nico: That is so awesome.

Lola: Yeah it sure is.

Lexx: Yep.

But then we smelled a really foul odor in the air!

Nico: (smells something) You guys smell that?

Me: (Sniffs) EW! Lana did you just rip one!?

Lana: Hey it wasn't me! (FART) Okay that one was me.

Nico: No it's not that!

Eli: I think it's from that!

We saw a black Lepidopterran appear! It was a black version of Stinkfly! It was ANOTHER STINKFLY!

Me: Oh man! Another Stinkfly!

Nico: This is the stinkiest one yet!

Lola: EW!

Another Stinkfly: (In a girls voice) (Belgian accent) Sorry I can't help it.

Me: I had a feeling it was you Colleen Limburger.

Another Stinkfly: Good to see you again J.D.

Me: Same to you.

Nico: You know her?

Me: I sure do. She's my ex-girlfriend.

Nico: Whoa!

Me: We did not have a bad falling out no. She is an ex-girlfriend I love as a sister. But she also has fish and stinky cheese powers and can use them as a weapon. She got that in an accident and she was bullied all the time because of it and I stepped in and threatened to kill those bullies if they touch her.

Nico: Wow! That is amazing!

Eli: Yeah!

Me: Also she was diagnosed with Trimethylminuria.

Nico: The same condition that Penelope has.

Me: Yep. And it was because of that condition that I helped protect her from bullies.

Another Stinkfly: And I will always be grateful to you for that J.D.

Nico: Out of all of Swartz's plans, this has to be the most stinkiest of them yet!

Me: My thoughts exactly.

Qin: Yeah!

Eli: But I sense that she's not alone too.

We heard an eerie moan and out came ANOTHER MASK RED! It looked like a scary version of the Red Maskman Ranger from 1987!

Me: Another Maskman!

Nico: Whoa!

Me: If Takeru of the Maskman saw this he would be pissed!

Hiiryu: You are not kidding there!

Nico: Mind telling us who you are.

Another Mask Red: (In a girls voice) (British Accent) Alas my good man, I have known J.D. well. But I know J.D. well.

Me: I know that Shakespearean Tone anywhere. Iris Hamlet.

She reverted back and Iris was a blond hair girl in a beautiful purple dress.

Iris Hamlet: It is most good to see you again J.D.

Me: And you too Iris. You are as beautiful as ever my most beautiful princess. Thy beauty is as illustrious as the most elegant and beautiful of flowers.

Iris Hamlet: Thank thee.

Nico: You know her J.D.?

Me: I sure do. Iris and I were in theater class together. Me and Iris both got the lead rolls for the iconic William Shakespeare play Romeo and Juliet and I was Romeo and Iris played as

Juliet. That was one of the most incredible plays we've done.

Nico: I didn't know you were in a play J.D.

Me: It was a long time ago Nico.

Laney: But that was one of the most famous plays ever known.

Lola: Yeah and Luan and Eddy starred in that one too.

Camie: That is awesome guys.

Iris Hamlet: Alas it was many moons ago. But it was a most amazing time for us.

Me: It most certainly was.

Nico: She does the Medieval Talk really well.

Me: She sure does.

Nico: Did Swartz promise you two anything?

Another Stinkfly: Well to Swartz doing me was not the smartest thing he did. He promised to cure my condition.

Iris Hamlet: And Sir Swartz promised me fame and glory.

Me: Thy art a great and famous princess thyself already.

Iris Hamlet: Thank thee.

Nico: That is so awesome though.

Me: Sadly we must fight unfortunately.

Iris reverted back to Another Mask Red!

Nico: (takes out Tar Pit's Ridewatch) Sorry. But we have to do this.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Nico activated Tar Pit's Ridewatch.

(HEAVEN BY BRYAN ADAMS PLAYS)

Nico: (Sings divinely and dances)

Oh, thinkin' about all our younger years

There was only you and me

We were young and wild and free
Now nothin' can take you away from me
We've been down that road before
But that's over now
You keep me comin' back for more
Baby, you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven
Oh, once in your life you find someone
Who will turn your world around
Bring you up when you're feelin' down
Yeah, nothin' could change what you mean to me
Oh, there's lots that I could say
But just hold me now
'Cause our love will light the way
And, baby, you're all that I want
When you're lyin' here in my arms

I'm findin' it hard to believe

We're in heaven

Yeah, love is all that I need

And I found it there in your heart

It isn't too hard to see

We're in heaven

I've been waitin' for so long

For somethin' to arrive

For love to come along

Now our dreams are comin' true

Through the good times and the bad

Yeah, I'll be standin' there by you

And, baby, you're all that I want

When you're lyin' here in my arms

I'm findin' it hard to believe

We're in heaven

And love is all that I need

And I found it there in your heart

It isn't too hard to see

We're in heaven, heaven

You're all that I want

You're all that I need

We're in heaven

We're in heaven

We're in heaven

Nico danced and fired waves of tar and smashed Another Mask Red all over.

(TWO WORLDS BY PHIL COLLINS PLAYS)

Me: (SINGS DIVINELY AND DANCES)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

I fired waves of flowers, grass, plants and leaves and smashed Another Stinkfly all over.

Nico: OH YEAH!

Eli: Way to go bro!

Another Stinkfly: That was beautiful!

Another Mask Red: Yeah it was!

Me: We learned so many amazing songs over the years.

May: Yeah we sure have. Now for me. (Activates Angel's Ridewatch)

(DREAMS TO DREAM BY SARAH LASKO PLAYS)

May: (SINGING DIVINELY AND DANCES)

I lose my way, no one cares

The words I say, no one hears

My life it seems is a world of dreams

Deep in the night, you'll find me

Dream and you're right behind me

Stay, if you will stay

We'll dream the night away

Dreams to dream in the dark of the night

When the world goes wrong

I can still make it right

I can see so far in my dreams

I'll follow my dreams until they come true

There is a star waiting to guide us

Shining inside us when we close our eyes

Come with me, you will see what I mean

There's a world inside no one else ever sees

You will go so far in my dreams

Somewhere in my dreams

Your dreams will come true

Dont let go, if you stay close to me

In my dreams tonight, you will see what I see

Dreams to dream, as near as can be

Inside you and me they always come true

Inside you and me they always come true

She fired waves of light and smashed Another Mask Red all over.

Another Stinkfly: That was awesome and beautiful!

Nico: So beautiful!

Kaito: (gets out Den O gear) Let's get in there as well.

Zocks: (Gets out Kiva gear) I think this Gear's appropriate.

Kaito got a Den-O sword and Zocks got the Kiva Sword!

But then we saw the stands of the stadium all filled up like we were at a concert!

Me: Wow! Our battle is also a concert too!

Nico: So awesome and cool!

Ibara: Time for this one. (Activates Nokrea's Ridewatch)

(THE 10 PLAGUES OH THE PRINCE OF EGYPT PLAYS)

Choir and Ibara: (SINGING DIVINELY AND DANCING)

Thus saith the Lord, thus saith the Lord
Thus saith the Lord, thus saith the Lord
Thus saith the Lord, thus saith the Lord
Thus saith the Lord, thus saith the Lord
Since you refuse to free my people
All through the land of Egypt
I send a pestilence and plague
Into your house, into your bed
Into your streams, into your streets
Into your drink, into your bread
Upon your cattle, on your sheep
Upon your oxen in your field
Into your dreams, into your sleep
Until you break, until you yield
I send the swarm, I send the horde
Thus saith the Lord
Once I called you brother
Once I thought the chance
To make you laugh
Was all I ever wanted
I send the thunder from the sky
I send the fire raining down

And even now I wish that God
Had chose another
Serving as your foe on his behalf
Is the last thing that I wanted
I send a hail of burning ice
On every field, on every town
This was my home
All this pain and devastation
How it tortures me inside
All the innocent who suffer
From your stubbornness and pride
I send the locusts on a wind
Such as the world has never seen
On every leaf, on every stalk
Until there's nothing left of green
I send my scourge, I send my sword
Thus saith the Lord
You who I called brother
Why must you call down another blow?
I send my scourge, I send my sword
Let my people go
Thus saith the Lord

Thus saith the Lord

Ramses: You who I called brother

How could you have come to hate me so?

Is this what you wanted?

I send the swarm, I send the horde

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so

I will never let your people go

Thus saith the Lord

Ibara: Thus saith the Lord

Ramses: I will not

Ibara and Ramses: Let your (my) people go!

She fired waves of blood, frogs, flies, lightning, fire, lice, locusts, decay and darkness and the blasts all hit Another Mask Red and smashed her down.

Nico: Wow! Holy and powerful!

Me: Unleashing the 10 Plagues of Egypt!

Eli: Wow! That is amazing!

Me: They were most insidious of all curses ever unleashed unto Egypt.

Another Stinkfly shot goo all over Vroon.

Me: EW!

Vroon: (Threateningly) Not. One. Word.

Nico: (GULPS)

Then Another Stinkfly flew into the air.

Nico: She's escaping!

Juran: Nice look.

Ink Rose: (SINGING DIVINELY AND FLOATS)

Nights in white satin

Never reaching the end
Letters I've written
Never meaning to send
Beauty I'd always missed
With these eyes before
Just what the truth is
I can't say anymore
'Cause I love you
Yes I love you
Oh, how I love you
Gazing at people
Some hand in hand
Just what I'm going through
They can't understand
Some try to tell me
Thoughts they cannot defend
Just what you want to be
You will be in the end
And I love you
Yes I love you
Oh, how I love you
Oh, how I love you

Nights in white satin
Never reaching the end
Letters I've written
Never meaning to send
Beauty I'd always missed
With these eyes before
Just what the truth is
I can't say anymore
Yes I love you
Oh, how I love you
Oh, how I love you
Yes I love you
Yes I love you
Oh, how I love you
Oh, how I love you
Breathe deep the gathering gloom
Watch lights fade from every room
Bed sitter people look back and lament
Another days useless energy spent
Impassioned lovers wrestle as one
Lonely man cries for love and has none
New mother picks up and suckles her son

Senior citizens wish they were young

Cold hearted orb that rules the night

Removes the colors from our sight

Red is gray and yellow white

But we decide which is right

And which is an illusion

She fired waves of darkness and smashed Another Mask Red all over.

Albedo turned into Negative Stinkfly.

Negative Stinkfly: Let's see how you like it! (shoots goo at Another Red Mask)

Lincoln: Lets try this on. (Activate's White Lightning's Ridewatch)

(WHITE LIGHTNING BY GEORGE JONES PLAYS)

Lincoln: (SINGING DIVINELY AND DANCING)

Well, in North Carolina way back in the hills

Me and my old pappy and he had him a still

He brewed white lightnin 'til the sun went down

Then he'd fill him up a jug and he'd pass it around

Mighty, mighty pleasin', my pappy's corn squeezin (whew, white lightnin)

Well, the G-men, T-men, revenoers too

Searchin' for the place where he made his brew

They were lookin', tryin' to book him

But my pappy kept on cookin' (whew, white lightnin)

Well, I asked my old pappy why he called his brew

White lightnin 'stead of Mountain Dew

I took a little sip and right away I knew

As my eyes bugged out and my face turned blue

Lightnin' started flashin', thunder started clashin' (whew, white lightnin)

Well, the G-men, T-men, revenoers too

Searchin' for the place where he made his brew

They were lookin', tryin' to book him

But my pappy kept on cookin' (whew, white lightning)

Well, a city slicker came and he said, "I'm tough"

I think I want to taste that powerful stuff

He took one slug and he drank it right down

And I heard him moanin' as he hit the ground

Mighty, mighty, pleasin', you'r pappy's corn squeezin (whew, white lightnin)

The G-men, T-men, revenoers too

Searchin' for the place where he made his brew

They were lookin', tryin' to book him

But my pappy kept on cookin (whew, white lightning)

White lightning swirled around Lincoln and he fired and it hit Another Mask Red and electrocuted her.

Nico: Nice one!

Me: Legend Items incoming!

Another Mask Red pulled out a Mask Blaster imbued with the powers of Firefly and she fired a wave of fire at us and we absorbed it!

Me: Whoa! Maskman weapons imbued with the core and non-core M.O.E.

She reverted back and I flew over and caught her and the ridewatch and purified the watch and we landed. Colleen was a black hair girl with orange clothes and blue eyes.

Rainbow Dash: That was AWESOME!

Me: Yeah it was!

Colleen Limburger: Thanks J.D.

Me: Anytime Colleen.

We landed.

Me: We still have Another Mask Red to face.

Nico: Take your best shot!

Another Mask Red: With pleasure!

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate, dominate the earth that we're living on

We can't defy the laws, cut the loss that we consummate

Around the world, we grow weaker as we exterminate

The only thing that gives, thing that brings air and life to us

Wake up one day and find what we got is so serious

We are

The children of the sun

We are

The children of the sun

The human greed and our creed is all that we have to share

Knee deep in tragical, fabrical issues everywhere

Cannot replace the one, chase the one that we used to be

It isn't how we were, why we're here, what we're meant to be

Fighting and running from turning from who we really are

Cannot suppress so let's find the one we have shaped so far

Flying too close to the sun as if we're invincible

Cannot dictate our faith on this earth that we're living on

We are

The children of the sun

The love for everyone

Always on the run

The fire in our eyes

The passion never dies

We're the chosen ones

The children of the sun

We are

The children of the sun

The children of the sun

She fired waves of sun fire and they hit Another Mask Red and she blasted her all over.

Nico: WHOA! Awesome Himiko!

Me: YEAH! That was awesome!

Nico: Anything else?

But then a dragon roar was heard we saw a RED CHROMATIC DRAGON and on the red Dragon was a girl with neon pink hair and pink clothes and she had a Mace Club on her back and she had THE ROD OF SAVRILLE in her hand!

Me: A Red Chromatic Dragon!

Nico: Whoa! And Avery Slaanesh! Wow!

Avery Slaanesh: Looks like we got here just in time.

Red Chromatic Dragon: (In a girls voice) And me too Nico.

Nico: Kira Howard! Wow!

Me: Cool!

Avery Slaanesh: We got this.

They fired waves of fire and pink energy and the blasts both hit Another Mask Red and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Iris was down and I caught the Ridewatch and purified it and I went over and picked her up.

Iris Hamlet: (GROANS) What happened? What a headache.

Me: You're back to normal Iris.

We picked up the Maskman weapons and the Red Chromatic Dragon reverted back a nd she was a girl with red hair and red eyes and red clothes.

Kira Howard: Now that was awesome.

Avery Slaanesh: Boy it sure was.

Everyone in the entire stadium cheered wildly for all of us!

Nico: That was awesome!

Me: Yeah it was!

Kira Howard: It sure was!

Me: Wait are you related to…

Kira Howard: Yeah the Howard Brothers are my grand-relatives. I'm the great granddaughter of Moe, Curly and Shemp Howard.

Me: This is amazing! The Three Stooges are all with us on the team.

Kira Howard: What!? But how? They were dead for over 70 years.

Me: Not anymore. They somehow got resurrected.

Nico: Yeah. Crazy but true.

Lexx: It sure is.

Nico: But it's great to see you and Avery again Kira.

Kira Howard: Same here Nico.

Me: But Avery how did you get the Rod of Savrille?

Maria: Yeah that rod is so dangerous. It was made by the Mage Savrille to control the Red Dragons, the most Chaotic Dragons in all of Eberron and it was so powerful that even the Gods themselves cursed him and the rod and imprisoned him in a tomb.

Avery Slaanesh: Don't worry about that Maria. I am the Champion of the Chaos God, Slaanesh and I used my magic to destroy the curse of Savrille and I now have total control over the Red Dragons. I can summon them when needed.

Nico: That is awesome.

Me: Wow!

Lexx: What's your favorite memory of Nico?

Kira Howard: I have a lot of them. But my favorite is when me and Nico were working in history class and a bully was pestering some kids and like my great grandfathers, we moidered him and pulverized him all over.

We laughed!

Me: She is definitely the great granddaughter of the Howard Brothers.

Nico: Yep.

Avery Slaanesh: That is awesome. And Nico, I know you view me as a sister and I respect that. But I have feelings for J.D.

Nico: I'm glad.

Nico hugged both Avery and Kira.

Nico: I missed you both.

Avery and Kria: We missed you too.

Maria: The 3 Stooges will be happy to have you back

Kira Howard: They sure will. And I get to meet my grandfathers for the first time.

Me: After 70 years.

Lola: Yeah this is gonna be awesome.

Brittney: It sure will be.

Me: Yep. Camie, how did you and the girls like Hogwarts?

Camie: It was really awesome!

Tsuyu: It sure was! We had a great time on this rescue.

Nico: I'm glad. Lets head home.

We went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Z-Fighters and the Saiyans, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, and The L-ementals are heading to Dryden, New York, and not only is Lincoln going to rescue the six girls here, but we're also going to destroy Cumber, a powerful and ancient "Evil Saiyan" and antagonist from the Super Dragon Ball Heroes.

Lincoln: Wow, we're here in Dryden, New York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to destroy Cumber, a powerful and ancient Saiyan who's known by the moniker as "The Evil Saiyan".

Nico: That's right, big guy. I heard tales about this animal, and he's just as or even more worse than Broly. Plus, he has a dark power known as the Evil Aura, and that dark ki can corrupt other Saiyans, and cause them to go berserk.

Lincoln: That's why I came prepared.

Lincoln chanted a powerful incantation, and a magic circle appeared on the ground of all the Saiyans, and it was protecting them from Cumber's Evil Aura.

Lincoln: There we go. The spell I used will protect Nico and all the Saiyans from Cumber's Evil Aura, and it will prevent them from getting driven berserk.

Nico: You really are The Man With A Plan with that spell you used,

Lincoln.

Lincoln: Thanks, Nico.

Camie Nicholetta: Of all the places in New York, that Evil Saiyan chose one of the darkest places in New York to cause havoc: Dryden, New York. This place has earned its name as "The Village of The Damned", because in 1989, "The Curse of Dryden" had descended on the town with the murders of The Harris Family days before Christmas and the evil would last for seven years with tragedies occurring here in Dryden until the evil reached its final crescendo of horror in October 1996 when suspected murderer John Andrews hanged himself in his jail cell a month after the killings of 16-year-old best friends and Dryden High School cheerleaders Sarah Hajney and Jennifer Bolduc.

Eli: That's really scary.

Lincoln: It's hard to believe that this beautiful in New York is home where the bloody murders have taken place in 1989. But, we can't stop to take in the beauty of this place, we've got to stop Cumber and send him to The Black Gates before that animal does something extremely bad. And thanks for joining us, Lola.

Lola: You're welcome, Linky. I can't wait to teach that animal a lesson.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Cumber, and he's going to kill them.

Lincoln: Guys, we need to get over there and fast, I found the six girls, but they've been cornered by Cumber, and he's going to kill them.

?: That wild animal, let's get him!

Suddenly, we saw the Armored Centipede Duel Monster join us as we hightailed it over there, and as we rushed on over, Lincoln snapped his fingers and we were on Planet Glaren and he fired powerful rainbow energy balls and elemental forces at Cumber, and it allowed the six girls to get away. When Cumber saw us, he was enraged and he flared up his Evil Aura, but Lincoln's spell prevented Nico and the Saiyans from going berserk.

Lincoln: Nice try, you wild animal, but you're not going to drive the Saiyans berserk with that Evil Aura of yours. And now, it's time for you to die.

Cumber decided to go all out and he transformed into Super Saiyan 3 Full Power as his muscles bulge further gaining protruding veins about his body and his eyes become blank akin to a berserker-state, and the intensity of this form's energy is so great it causes his shirt to be shredded from his chest.

Lincoln: So, he's going all out, huh? Okay then, he's asked for it.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, The Z-Fighters and Saiyans, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Cumber, and we fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, the large rainbow gem embedded in Lincoln's massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing, and then, his massive broadsword suddenly began draining all of Cumber's evil ki and it was also being purified and absorbed by Lincoln as he gained a massive power boost, and then, he charged out with extremely incredible superhuman speed and he cuts down Cumber with one powerful slash from his massive broadsword and Cumber exploded in a tornado of rainbow energy and his spirit was erased by The Black Gates forever. We cheered wildly as we'd holstered our weapons and powered down.

We then reappeared in Dryden, New York, and the spell ceased as soon as Cumber was given The Black Gates.

Nico: Holy crap, so that was another big surprise you had for this battle, Linc?

Lincoln: Yep, I found out that my massive broadsword can also drain the evil ki and energy of villains and it purifies it and I absorb it, causing me to gain a massive power boost.

Me and Ken Knudson: Just like with The Sword of Harmony.

Lincoln: You guessed it.

Vegeta: That was impressive work, Lincoln, and that makes it six Evil Saiyans you've put down.

TLPS Mr. Wolf: That's right, he's put down Turles, Raditz again, Nappa, that evil version of you, Master Vegeta, Broly, and now, Cumber, wow.

Nico: You know, they should start calling you the Evil Saiyan Slayer, Lincoln.

Lincoln: Now, now, Nico, don't try to give me a swollen head, I had to put those six Evil Saiyans down because they're far beyond redemption and have forever embraced evil.

Gohan: You got that right.

Lincoln: Yep, and that's it for another Evil Saiyan. (To the Armored Centipede) And it's so good to see you again, Selena Tigrerra.

Selena Tigrerra reverted back to normal, and she's a beautiful girl with long flowing red-orange hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful red-orange angel wings, and she reigned in the power of Armored Centipede, and she's dressed in an open red vest, sleeveless red tank top with star, red pants, orange legwarmers, red shoes, and long sleeveless red trenchcoat with earth and leaves on the coattails, and Armored Centipede on the back, and holstered on her back a large Armored Centipede-themed greatsword with Armored Centipede etched on the 7'0" massive, wide, double-edged red blade, red angel wings for the crossguard, large red gem embedded in the rainguard, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Selena Tigrerra: You too, Lincoln, it's been a long time.

Lincoln went up to Selena Tigrerra and they hugged, and Selena Tigrerra's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Selena Tigrerra: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Selena Tigrerra, she's one of the strongest of my Guardian Angels from Michigan, she's a very strong and very powerful tough girl that's known as a really fierce and powerful athlete, she's a very talented girl and a master of all sports as well. She is so strong and powerful that even Lynn was jealous of her. Plus, she was born with cosmic geokinesis and cosmic chlorokinesis and they are really strong and powerful.

Nico: Whoa, so she surpassed Lynn in physical strength?! That's really awesome!

Lincoln: It sure is, and Selena took on the worst of Lynn's wrath and punched Lynn to the point where she got a nasty concussion.

We gasped in shock.

Goku: From what we heard from your other Guardian Angels, Lincoln, Lynn must've done something bad to get punched to the point where she got a nasty concussion.

Nico: Oh boy, this is something we're really going to hear.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Selena Tigrerra's neck with red-orange gems on the gold thunderbolt links and red-orange crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Selena Tigrerra: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Selena.

Selena Tigrerra had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Selena Tigrerra's waist and Selena Tigrerra wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Selena Tigrerra's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Gunstar Red and Gunstar Yellow from Gunstar Super Heroes, Sherry M. Jupiter from Thunder Force III, Sharon State and Gena Weisburg from Deep Fear, and Amelia Hattington A.K.A. Hat Kid from A Hat In Time.

Lincoln: Oh wow, it's Gunstar Red and Gunstar Yellow from Gunstar Super Heroes, Sherry M. Jupiter from Thunder Force III, Sharon State and Gena Weisburg from Deep Fear, and Amelia Hattington A.K.A. Hat Kid from A Hat In Time.

Nico: Awesome.

Lincoln: Are you girls okay?

Gunstar Red: Yes, we're okay thanks to you.

Then, when Gunstar Red and the other five girls saw who it was that saved them from Cumber, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Gunstar Red: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Gunstar Red: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Gunstar Red, Gunstar Yellow, Sherry M. Jupiter, Sharon State, Gena Weisburg, and Amelia Hattington A.K.A. Hat Kid with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on five Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Cumber, an ancient and powerful Evil Saiyan.

But, when Lincoln showed what he did to that wild animal, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Selena Tigrerra have a lot of catching up to do, now that she's back in town.

---

After destroying Cumber in Dryden, New York, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Selena Tigrerra aw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selena Tigrerra: Whoa, I was right that Lincoln's really grown to be a

17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selena Tigrerra: That's incredible.

Nico: It sure is. So, Selena, what's the story of how you took on the worst of Lynn's wrath and punched her to the point where she got a nasty concussion?

Selena Tigrerra: Now, that's a story I haven't forgotten. One day, I was with Lincoln and we were training in my home gym that I set up in my room, and I knew he's been getting so much bigger in muscle and so much stronger, thanks to my other fellow Guardian Angels training him, and I knew he'd gotten powers, thanks to Varya Pohzar, Aurora Nightingale, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra, so I had to help him out even more.

Me: That's really kind of you.

Selena Tigrerra: Thanks, J.D. But, our day of working out was interrupted when Lynn bust in and she was going to kill him for training with me instead of her, because we knew her brand of training was basically inflicting pain on her little brother for her amusement. Lincoln politely told her to go home, but Lynn wasn't ever going to listen to reason and she pounced on him and she was about to kill him by beating him to death, and Lincoln was fighting her off, but she punched him hard in the stomach with brass knuckles and he fell to the ground and I saw blood forming, and she was about to kill him and she had a demonic grin on her face. I got so angry, I pried her away from Lincoln, and I punched her so hard to the point where she got a nasty concussion. I ran over to help Lincoln, and I let him bite me on the neck, and he fed on my blood, and in the process, the blood was absorbed back into his body and his wound sealed up and he also gained cosmic geokinesis and cosmic chlorokinesis in the process along with my immensely strong and powerful strength.

Nico: Whoa, now that's awesome.

Selena Tigrerra: I knew what the others did, so I did the same thing. Then, we tied Lynn up in nylon rope and we told Mr. and Mrs. Loud to come get Lynn, and as soon as Vanzilla arrived and I told Mr. and Mrs. Loud of what Lynn did to Lincoln, and they had to get Lynn to the hospital where she was treated for a nasty concussion. Then, as soon as Lynn came to, the parents grounded her and she was put in an isolation box in the basement for three weeks. Just then, we saw Lori, Lola, Lisa, and Luan arrive, and when they saw what I did to Lynn and Lincoln healed because of his vampire blood, they went ballistic and they threatened to kill us, but their big mouths got them in big trouble, and they also got the same punishment as Lynn.

We cheered wildly for what Selena Tigrerra did to Lynn.

Nico: Whoa, you sure are really strong, Selena, and you surpassed Lynn in strength.

Selena Tigrerra: That's right, and I use that strength to protect Lincoln, while Lynn uses hers to bully and beat up her own brother and everyone around her if she doesn't get her way. Thank goodness Dark Lynn and the other Dark Louds got The Black Gates.

Nico: That's right, and Lincoln was the one who gave Dark Lynn The Black Gates for everything she'd put him through.

Selena Tigrerra: I hope he and the others made her squeal like a pig when they were pulverizing her.

Me: Oh, they sure did, that superstitious smelly walking gym bag got what she deserved.

We got a shower afterwards, and then, Clyde and his harem were heading to Dolphin Shoals in the world of Mario. Clyde snapped his fingers, and the 7'5" tall, handsome, and extremely muscular man was dressed in large red swim trunks with elemental forces and sandals, he had on his jewelry and weapons holstered in case of trouble, and his harem were all dressed in two-piece bikinis in their favorite colors, jewelry, colored sandals, and their weapons holstered in case of trouble.

Clyde: Alright, ladies, are we ready?

Syd Chang: We're ready, Clyde.

Clyde and his harem left the World Tree Estate and they arrived at Dolphin Shoals in the world of Mario.

Clyde: Wow, so this is Dolphin Shoals, it's really awesome.

Syd Chang: It sure is. Shall we?

Clyde and his harem dived right into the waters and they began swimming in the waters, and they also saw the dolphins and plants that live there. Then, they also were working on their tans in the sun by lying out on towels in the sand, and they also had fun playing some volleyball, and the girls in Clyde's harem got an atomic blush when they saw Clyde lift a heavy barbell that he created, and it weighed up to 900,000,000 pounds, and that's just a fraction of just how strong Clyde is and is still becoming, then, they had lunch in a picnic area here and it was really amazing. Then, as the sun was about to set, Clyde made clones of himself, and he and the clones went up to the girls in his harem and they wrapped their abnormally massive and powerful muscular arms around the girls' waists, and the girls in Clyde's harem wrapped their arms around the thick muscular necks of Clyde and his clones, and they shared an amazing and passionate super-charged kiss. Then, they came back home to the World Tree Estate, and back in their original clothes.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, Nico, we went to Dolphin Shoals in the world of Mario. Come to think of it, Lincoln, did you and your harem go there on your date?

Lincoln: Yeah, we did, Clyde.

Me: That's right, I remembered.

Nico: Me too. Plus, we're getting ready for our big day with the Kiva Kamen Riders.

Clyde: Awesome, I can't wait to kill those Fangires, along with Kamen Rider Arc, Kamen Rider King, and Kamen Rider Rey.

Lincoln: Same here, they give vampires a bad name, and we're going to show them the true power of the vampires.

Nico: That's right, and I haven't forgotten that you're also a vampire thanks to Adriana's blood.

---

Later we were over at the park for a great bonding time, relaxation and another Rider or Ranger Battle.

Nico: Kaito, you and Zarya are next for bonding time.

Zarya: Awesome!

Qin: Yeah you guys are going to love it

Kaito: We sure are. That was an awesome rescue with Nico.

Me: Boy it sure was Kaito. Sorry Vroon got slimed.

Vroon: No worries.

Me: Nothing like a little R&R before a big mission.

Nico: You said it.

Winx Club Stella: I'm so excited to see Wataru again.

Me: We all are Stella.

Lola: Yeah.

Zarya: Kaito, I'll never regret meeting you.

Kaito: Me neither sis. That was so awesome.

Zarya: Yeah it was.

Me: That was one of the most epic missions we've ever had.

Nico: Boy it sure was. And it was an awesome way to kick off the pre-Summer Season.

Qin: Yeah it sure was.

Kaito: My parents actually made the Sentai gears.

Zarya: They sure did and that is so awesome.

Me: Boy it sure is. Your mom and dad are amazing scientists and they gave us Zenkai Cannons as well as powers from 45+ Years of Rangers too.

Qin: That is so awesome.

Kaito: It sure is.

Zocks: Yeah I think it's awesome too.

Chloe Bourgeois: I agree there Zocks.

Me: Boy Zocks I'll never forget how you and Chloe got together.

Zocks: You have Romance World to thank for that.

Nico: Yep. It may have been unintentional but it evolved into the real thing.

Gaon: Although I'd like to forget that I fell for Juran when Romance World first attacked.

Nico: I remember that.

Me: That was a funny episode.

Zocks: It sure was. J.D. I know you don't like talking about this but what was the humiliating moment with Erika.

Me: (SIGHS) Well it's something that I don't like to talk about but you have a right to know. But if any of you guys laugh I will kill you.

Zocks: What it that bad?

Me: Yeah. It was based on an episode Nico saw from LupinRangers VS PatRangers.

Nico: Yeah.

Nico told them everything about the moment he dressed up as a girl and flirted with me.

Nico: Sorry J.D. It was completely crazy.

Me: I know but that was really genius coping that.

Nico: Thanks.

Kaito: Let's not forget Copy World.

Poromon: Yeah, funny you should mention that…

Me: Now THAT Was crazy! He made evil copies of people and they did all kinds of terrible things.

Poromon: Yeah!

Me: You know Dudley Puppy's enemy Snaptrap did the exact same thing with robot clones of the mascots.

Kaito: Did he really?

Me: He sure did. It was so funny and crazy.

Nico: Yeah and it's where we had Chameleon planted into the Ranks of Team Dark Phoenix Storm as our TLPS-MOE Spy.

Zocks: Genius thinking.

Poromon: It was mainly the robot clones of me and Poliwag.

Zocks: Let me guess. Were the crimes they committed Robbing a bank, dressing up as wolves and kidnapping cattle, illegally stealing food from an orchard, a Pit Trap prank, illegal trespassing as ninjas, stealing gold and paintings, and holding an entire restaurant hostage while eating all the food?

Poromon: YEAH! How did you know?

Zocks: I watched it on the news.

Me: Wow.

N'Dugo: That is really funny too.

Kip: Yeah that was great.

Nico: Stupid but funny.

Baleto: Yeah it was.

Me: Hey guys. I told Hunter's friend Tshibangu this. (Speaking Swahili) Samahani, wasichana. Najua unajisikia vizuri sana baharia hapa juu sasa hivi. Lakini kama ungeniruhusu tu niagize bakuli la clams kukaanga… Sote tunaweza kuugua ndui kesho asubuhi. (Pardon me, girls. I know you're feeling pretty hey sailor up here about now. But if you would just let me order a bowl of fried clams… We can all have smallpox tomorrow morning.)

They laughed hysterically!

Nico: (LAUGHS) That was funny.

Tshibangu: (Congo Accent) That was funny.

Zocks: As to how I knew, the robot clones of me and Kaito committed the same crimes when Copy World first made his move.

Me: I remember that!

Nico: Wow! Deja-vu!

Eli: Very coincidental!

Laney: Now I see where Snaptrap got that idea.

Volcana: Yeah!

Me: So Kaito we essentially lived one of your adventures in Dudley Puppy form.

Kaito: We sure did.

Poromon: I'll never forget seeing Grandpa Poromon on Zarya's second mission.

Me: That was awesome and I met my caveman self.

Maria: And reunited with my dad.

Carmen Rockell: That was awesome.

Me: Zocks didn't like his ancestor being there. Lot of bad blood.

Nico: Yeah.

Zarya: Sorry Zocks.

Zocks: It's all right.

Nico: Fighting Super Warumono World gave us an opportunity to destroy several irredeemable villains. And I bet J.D. had a memory montage.

Me: You bet I did. It reminded me of us destroying all the most irredeemable villains ever.

Nico: Wow.

Maria: And I bet you also had a memory montage of all the good times you had meeting several of us.

Me: You bet I did. That was so awesome too. But you all have to know that I was only pretending to think on Lex Luthor's offer to act fast.

Nico: He's right on that.

Laney: It was very smart thinking. But all that acting paid off.

Iris Hamlet: It sure did.

Kaito: Me and my team made a club for doing acting lessons like that.

Me: I remember that. And it was really helpful when I watched the episode.

Nico: Wow.

Qin: But now those six monsters are gone for good.

Zarya: Boy they sure are.

Kaito: Good riddance.

Hiiryu: But that was so awesome that you guys faced the Joker and all that.

Eli: It was more than awesome. We avenged the thousands of people the Joker killed.

Nico: Who the fuck are you?!

Me: Yeah buddy!

Another Wing Knight: (In a boys voice) I think you might know J.D.!

He reverted back and it was my old enemy LUCIOUS FLORRENCE! HE was a kid with black hair and had a black vest and red shirt and had blue pants and had spiked boots.

Me: (Gasp) Lucious Florrence!

Lucious Florrence: You remember me. I'm flattered.

Nico: You know him J.D.?

Me: His name is Lucious Florrence and he's an old enemy of mine.

He was in our high school just 3 weeks before I was gonna move to Michigan. He was one of the worst bullies in all of my school. His father was one of the wealthiest men in all of Colorado and he was what we call a King Bee. In a sense. He picked on all the kids and made many people miserable. The principal and everyone was afraid of him because his father was so powerful. But I did some huge and incredible detective work and found out that everything about him was a fraud. His father was responsible for stealing billions of dollars. I called the FBI and ruined his family and got his father thrown into Federal Prison forever and then I later got Lucious in trouble by showing videos of his crimes to the principal and told him to grow a backbone. He got expelled and arrested.

Nico: WHOA! I've heard all about that!

Eli: Wow! That is amazing!

Lucious Florrence: And you will pay for everything you did to me!

Nico: You and your dad got what you both deserved!

Me: That's right Lucious! You brought it all on yourself!

Lucious Florrence: I don't care!

He turned into ANOTHER WING KNIGHT!

Me: Two can play that! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Zenkaigers: ZENKAI CHANGE!

Zocks: TWOKAI CHANGE!

Stacey: DARK CHANGE!

Zocks danced and sang and the Mascots and Will danced with him.

Poromon: Yeah we love this one!

They transformed.

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Juran: DINOSAUR POWER! ZENKAI JURAN! ゼンカイジュラン

Gaon: HUNDRED BEASTS POWER! ZENKAI GAON! ゼンカイガオーン

Magine: MAGICAL POWER! ZENKAI MAGINE! ゼンカイマジーヌ

Vroon: RUMBLING POWER! ZENKAI VROON! ゼンカイブルーン

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

Stacey: DARK POWER! STACAESER! ステイシーザー

All: The Seven assembled! Kikai Sentai… Zenkaigers!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Qin: YEAH!

Kaito: Full Power Non Stop!

Zocks: I'll make a show out of it two!

Me: Lucious it's time for us to settle an old score.

Another Wing Knight: I couldn't agree more.

He unsheathed 2 swords and they were imbued with the powers of Cajun Fox and Axel!

He fired waves of fire and I absorbed them.

Me: Non-Core M.O.E. Weapons. Nice.

Nico got out an Advent Card for Salami Swami.

Nico: Time for some meat.

He sent salami links and tied him up.

Me: Lets get him!

Zenkaigers: ZENKAI CANNON!

They charged it up and fired and I fired a massive blast of blue fire and the blasts all hit him and he EXPLODED!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and I caught the Ridewatch and purified it.

Me: Take that!

We picked up the weapons he had.

Nico: That was easy.

Me: TOO Easy. Besides, I've been wanting to conserve my energy for the big mission shortly.

Nico: Good idea.

We went and slapped the cuffs on Lucious and he was taken away.

---

Later at Gotham Royal York International Airport, me and everyone were waiting for a plane to land. Misty Tredwell and Carly Atlas went to Hawaii for some much needed rest and relaxation. We were waiting by the gate for them to land.

Jack Atlas: I can't wait to see Carly and Misty again.

Me: Same here Jack. They needed some rest after having awesome adventures and beyond.

Lola: Yeah.

But then we saw the Mascots up to something.

Rage Mage: What are you guys doing?!

We saw them playing tennis in the airport!? What the!?

Nico: Are you guys playing Tennis!?

Poromon: Yeah we are.

Mamoo: You sure you guys should be doing that?

Poliwag: What's the worst that could happen?

Poliwag then hit the tennis ball with his tail and then it went flying really fast and then…

BLAM!

A man was knocked out. And we went over and we saw it was a masked man and he had a bomb vest on! He was going to blow himself up to take a bunch of people with him in mid air!

Me: Whoa! This guy is a suicide bomber.

I took off the mask. And it was a woman with black hair and tattoos on her face.

Me: I don't believe it! It's Nelania Crugley! I've been trying to bust her for years. She was responsible for numerous planes blowing up.

Nico: Whoa!

We got the bomb pack off her and she was arrested while unconscious.

Hook: You guys are gonna continue playing?

Poliwag: Nah.

Poromon: Besides this was great.

They got a reward of $500,000,000,000,000.00 for the capture of Nelania.

But then Misty and Carly's plane landed

Nico: That their plane?

Me: Yep.

People later get off and we saw Misty and Carly come in and they had orange and green summer dresses on and sunhats.

Me: Welcome home.

Misty Tredwell: Hey J.D.

We hugged and Carly hugged Jack.

Jack Atlas: Awesome you're home.

Me: How was your trip?

Misty Tredwell: It was great. We needed it too.

Ratchet: You girls are just in time.

Me: Yep. You made it home just in time.

Carly Atlas: Big mission for Kiva today.

Me: Yep.

Nico: Lets get you unpacked and get ready to head out.

---

Back at the Estate we were getting ready and putting the finishing touches on our vampire hunting supplies.

Starlight Glimmer: I think we're all set.

Thorax: Yeah we are.

Me: We just got to wait for our frenemies to get here and then we'll be ready.

Qin: Yep. This is gonna be so awesome.

Misty Tredwell: I can't wait to kick some Fangire butt.

Me: Me too Misty.

Carly Atlas: It'll be awesome taking them down.

Then Deadwood, Xiao Fung. Oculous, Selene, Skalamander, Golden Glider, Grizzly, Multiplex, Kangor and Rojo appeared.

Deadwood: Can me, Xiao Fung. Oculous, Selene, Skalamander, Golden Glider, Grizzly, Multiplex, Kangor and Rojo go with you guys?

Nico: Yes you all sure can.

Selene: Hey Misty and Carly welcome home. How was your trip?

Carly Atlas: It was really fun.

Misty Tredwell: And it was so relaxing.

Lola: We're really glad.

Alucard: Nico, first of all, I want to say that I'm looking forward to this mission. And second, which Gene Slammer do you think you'll meet next?

Nico: I'm looking forward to it too and I'm hoping to meet a gene-slammer for the Tiamat.

Qin: Whoa! The most powerful one of all.

Laney: This will be awesome.

Sly Cooper: It sure will.

Nico: Yep. Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who

the figure was in the vision: it was none other than Erzsebet Ondrushko, a vampire aristocrat and high priestess of Hecate, who gave her eternal youth and beauty in return for her services and the main antagonist from Hellboy: Blood and Iron, and she's heading here to try and kill us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're not going to like this person one bit: the dark energy signal I sensed belongs to Erzsebet Ondrushko, a vampire aristocrat and high priestess of Hecate, who gave her eternal youth and beauty in return for her services, and she's heading here to try and kill us.

Brittney Knudson gasped in shock.

Brittney Knudson: Oh man, not her. I've heard about Erzsebet Ondrushko. When she was still human, she was a Hungarian Countess obsessed with keeping herself young and beautiful, and during her life, she murdered over six hundred young girls and bathed in their blood, believing it would keep her young forever. She settled in a castle in Transylvania right near a village where she'd abducted and murdered young girls as she did in life, and her victims numbered up to a thousand.

We really gasped in shock.

Nico: A thousand young girls were murdered by Erzsebet Ondrushko?! What a bloodthirsty monster!

Adriana Ardelean Dracula: (Romanian Accent) I remember her from long ago, I teamed up with the Bureau for Paranormal Research and Defense long ago when they went there to Transylvania to stop Erzsebet Ondrushko. I helped Professor Broom fill her bathtub of blood with holy water, and it caused her to burn and she turned to dust, and she hates me for not only fighting against vampires, but for ruining her plans to stay young forever, and there's something else: she's also a high priestess of Hecate, who gave her power and immortality in exchange for her service.

Lincoln: Whoa, and now, she's come back for revenge on you for ruining her plans long ago.

Stella (Winx Club): She's going to be burned alive for what she did, and I hope you don't…

Lincoln: Not at all, Stella. Besides, her blood will probably taste rotten, because she's filled with hate for what Adriana did to her, so you can burn her.

Nico: Nice one, and you may be right, Lincoln, her blood's rotten with hate for what Adriana did to her. Alright, gang, the time's arrived to meet The Kiva Kamen Riders, and send King, Kamen Rider Arc, and Kamen Rider Rey to The Black Gates.

Me: Yeah! Those rotten Fangires have no idea who they're FUCKING WITH NOW!

Lincoln: Yeah, we'll destroy every last one of them, and Erzsebet Ondrushko, you better say your goodbyes, because your days of bloody mayhem are about to come to an end.

We were off to Japan.

---

We arrived and then we saw explosions.

Me: Oh boy. Looks like the fight's starting.

We saw the Kiva team fighting Fangires!

Cheese: Bunnies!

Oculous: Cheese, those aren't bunnies!

Nico: Lets go. Minor entrance time.

We went at them.

Wataru and the team were battling Fangires all over. But then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard.

Zocks: (singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Wataru: Zocks!

Then Silver Nitrate grenades rained down and they exploded and released Silver Nitrate Gas and the Fangire's were being burned alive and they exploded into nothing!

We came out.

Nico: You Fangires have failed this world.

Me: Yeah!

Nico: Have a taste of my Vampire Killer!

Smithers: Is that from Castlevania?

Nico: Yep.

Me: You Fangires obviously do not know…

Me and Blade: WHO YOU ARE FUCKING WITH!

We fired sunlight blasts and incinerated them.

Nico blasted the Fangires all over.

Megan Kiraton: Take this!

She spread her wings and sprinkled poison dust and blew the Fangires apart.

Skalamander: We owe you guys for helping us out on that Pepper planet.

Wataru: It was no problem.

Me: Lets finish up here and then we can talk.

Jonny 2X4: No Problem J.D.! [He cracks his knuckles.]

LOUD CRUNCH!

Ed: [covering his ears] "WHAT A PEST!"

Edd: "That's disgusting."

Ed: [running away from the noise] "MAKE HIM STOP!"

The crunch from his knuckles cracking destroyed all the Fangires in the area!

Me: Whoa! Nice work Jonny.

Nico: Yeah! Way to go Jonny.

Wataru: Now we can talk.

Seawing: But we can talk at your base.

They agreed.

We went to their base.

Me: Okay now that we're here we can talk.

Grizzly: As you can see, we got a huge supply of vampire killing weapons.

Me: Yep. Sunlight bombs and flashlights, silver stakes, silver nitrate bombs, garlic bulbs, garlic extract, holy water, the works.

Wataru: Wow you guys have come prepared.

Qin: Yep we sure have.

Lola: Yep.

Deisuke: This is awesome.

Poromon got out 4 beer bottles.

Wataru: Oh, don't tell me that's-

Poromon: 4 bottles of beer!

Guyhawk: I knew that was coming.

Nico: Me too.

Cheese: (reaches for a beer bottle) Chocolate milk!

Kangor: (Jamaican Accent) No, mon! That's not chocolate milk!

I stopped Cheese.

Me: Cheese is an idiot.

Lola: Yeah.

Yondu: Also, Wataru, we've got some things to show you.

Me: Starting with this.

I pulled out a bag and showed the Kiva team our Fuestles that we got.

Me: These are Fuestles and we got from defeating Another Kiva and Ixa.

I told them everything.

Wataru: Swartz had the nerve to make Another Kiva!

Rojo: From what Woz told us, this is the second time the woman who was Another Kiva fought the Zi O team.

Woz: She fought my demon king before in the past.

Me: That's right and it was brutal. But we're going to make Swartz pay for everything he did on August 12th.

Laney: That's for sure.

Nico: He will rue the day he messed with our Kamen Rider friends.

Lobo: (hears something) Hold on. You guys hear something?

Maria: We didn't. Did you?

Lobo: Yeah. It's coming from outside.

Lobo opened the door but saw nothing.

Lobo: (shrugs) It was probably my imagination.

But just then, a figure grabbed Lobo and shoved him to the ground.

But then we saw that it was a masked figure and Megan Kiraton tackled it and took off the mask and she GASPED IN SHOCK AT WHO SHE JUST TACKLED! IT WAS HER MOTHER BACK FROM THE DEAD!

Megan Kiraton: (GASP) It can't be! Mom!?

We gasped in shock!

Brittney: Wait I sense something dark here.

Multiplex: Let's see her take on THIS army!

Multiplex made 310 clones of himself.

Wataru: Wait look at her eyes!

We saw that they were red and she looked like she was in a trance.

Brittney: That's the Legendorga Baptism!

Nico: I remember that!

Qin: This has to be part of our targets plan.

Brittney: I got this.

She fired a blast of magic and it freed her she had a terrible headache!

Mrs. Kiraton: (Groans) What happened? I've got a terrible headache. Where am I?

Megan Kiraton had tears streaming down her face.

Megan Kiraton: Mom?

Mrs. Kiraton: Megan? Oh Megan.

Megan went and hugged her mother and cried hard!

Megan Kiraton: (CRYING HARD) OH MOM! I'M SORRY!

Mrs. Kiraton: I know Megan. I tried to get you to leave with me but I didn't have the strength.

Megan Kiraton: (CRYING) IT'S ALL MY FAULT MOM! IF THAT MONSTER… (CRYING)

Mrs. Kiraton: It's all right Megan. It's all right.

Finn (Jackie Chan): This has got to be King and Ark's handiwork!

Nico: I know it is.

Wataru: I knew he would one day come back!

Keisuke: So, not only is King back. But Ark as well?!

Golden Glider: Eli, who else is with them?

Eli: I sense that Rey is back too!

We gasped!

Nico: That traitor!

Keisuke: Not him too!

Nico: That's why we're here. To destroy all 3 of them.

Rotwood: Mrs. Kiraton, I suggest you rest. You HAVE been dead for a long time.

Mrs. Kiraton: Okay. But Megan I'm so proud of you for everything you've done for Team Loud Phoenix Storm.

Megan Kiraton: I'm just glad that you're back now mom.

Eli: You must be hungry too.

Mrs. Kiraton: I'm starving.

Nico used his Imagination powers and made a great buffet for her and she ate it all like how Goku does.

Piccolo: Ugh. You know I don't think I'll ever get used to this.

Selene: What Ridewatches do you have this time, Nico?

Nico: (sheepishly) Actually, these are more like blueprints.

Nico pulled out blueprints for the Ridewatches of Revice, Live, Don Momotaro, and their copies.

Nico: Sorry about that.

Me: Blueprints for the future riders and the Don Momotaro Red Ranger.

Lola: We haven't encountered them yet.

Lana: Someday we will.

Megan's mom ate the entire buffet.

Wataru: Wow was she hungry.

Me: If I was dead for that long I would be hungry too.

Goku: (Laughs) I know that feeling though.

We laughed.

Maria: No reason we can't assign the Ridewatches anyway, right?

Me: I think I have an idea for Don Momotaro. When the 12 of us were the Brave 12, Jack told us and a little baby we rescued from some monsters out to eat him about a story he knows called Momotaro the Peach Boy. I thought that was a great story.

Samurai Jack: Yes I remember that. Great adventure.

Me: Yep. So Jack you up for getting a copy of Don Momotaro?

Samurai Jack: I would be honored.

Nico: I remember reading about that. That was awesome.

Eli: Boy it sure was.

Me: Lets see here.

I got to thinking.

Rika Nonaka and Takato Matsuki got the copies for Revice and Live.

May: Now, for the originals.

Me: Lets see. How about…

I decided that Jackie, Mandee and Maria should get the originals.

Maria: How about we have the usual battles now?

Me: Good idea. Wataru, you and the Kiva team are in for an awesome show.

Wataru: I have a feeling we're getting our own archenemies too.

Me: Yep you are.

We went outside and got ready.

Bender: (to Wataru) You're gonna love your archenemy. He's an old buddy of mine.

Me: Oh boy.

Nicole: And Ixa you will like your archenemy. She is someone I remember from a video game I played ages ago.

Then Diabolico, Count Nocturne, Black Lance, Biowulf, Goro, Whiger, Toad, Leapfrog, Gameface and Electropede then appeared.

Nico: Diabolico, Count Nocturne, Black Lance, Biowulf, Goro, Whiger, Toad, Leapfrog, Gameface and Electropede.

Diabolico: Looks like the fun is just about to begin.

Wataru: You look like a Fangire.

Me: Diabolico is from Lightspeed Rescue. You know him as Dark King Zylpheeza from GoGoV.

Nico: Count Nocturne went by 00 Button in Carranger.

Me: Black Lance went by Hades Ultimate God Sleipnir in Magiranger, Whiger went by Byakko in Gekiranger, Gameface went by Dobo Spokorn in Kyuryuger and Electropede went by Energy Thief Uugo in Timeranger.

Biowulf: And me, Goro, Toad, and Leapfrog have no Japanese names.

Diabolico: But we have one thing in common.

Count Nocturne: We all hate scumbags. Like those sorry excuse for vampires.

Nico: Yeah you and all of us.

Black Lance: (to Nico) We heard you went to Hogwarts.

Nico: We sure did.

Goro: How was it?

Me: It was awesome. We showed some of the team that hadn't seen it around and we had an awesome rescue battle that involved lots of awesome songs with our ridewatches.

Iris Hamlet: It was most fun.

Qin: It sure was.

But then the new archenemies came and they were BEELZEBOT from Futurama and NOVA from Metal Slug!

---

Beelzebot

**The Robot Devil** (or **Beelzebot** as he is sometimes called) is a major antagonist in the animated comedy series *Futurama* created by Matt Groening. He spends his time tormenting robot sinners in Robot Hell. He is a professional fiddler who plays a solid gold fiddle, and is the lead singer and composer of Robot Hell's Band.

He was voiced by Dan Castellaneta, who also voiced Megavoltin *Darkwing Duck*, Evil Jim in *Earthworm Jim*, The Wickersham Brothers in *Dr. Seuss' Horton Hears a Who!*, Ventriloquist and Scarface in *The Batman*, and Itchy, Frankie the Squealer, Blue-Haired Lawyer, Count Dracula, and Louie in *The Simpsons.*

Biography

The Robot Devil first appeared in the episode "Hell Is Other Robots", where he torments Bender with up-tempo singing, dancing and deep-frying. When his friends, Fry and Leela, came to his rescue, he agreed to set free Bender if they could best him in a fiddle contest. The not-so-confident Leela simply bashed him over the head with his fiddle.

Later, in the episode, "The Devil's Hands Are Idle Playthings", Fry came back to Robot Hell to make a deal with The Robot Devil for him to have a pair of new hands to be a better holophoner player and win Leela's affection. Unfortunately, since The Robot Devil put his name on the "Wheel of Robots" to show good faith for the other robots, it was he who had to switch hands with Fry. However, since he tricked Leela's hand in marriage, Fry gave him back his hands if he called it off.

He later returned in the Futurama Direct-To-DVD Feature " *The Beast With A Billion Backs* " as a small cameo, and has been sighted throughout the series numerous times. He's also managed to be in a few plotlines of the Futurama Comic Books. He made his final appearance in "Calculon 2.0.", in which he made a deal with Calculon to return him to life and give him acting talent in return for leaving him alone; when Calculon dies once again and returns to Robot Hell as his old, talentless self, he torments the Robot Devil and all the other damned robots with his terrible acting, prompting him to scream, "Haven't they suffered enough?"

Nova (Metal Slug)

In her first appearance, Nova is sent from the future to destroy the newly built Slug Gigant MK II, which she succeeds in doing.

Nova attacks a Regular Army base with assistance from a new Kraken. Nova's almost succeeds in taking the base, but Mello arrives and helps fight off the attack. Exchanging a few words with Mello, Nova retreats to prevent from being captured.

Nova later returned with a special Kraken to assist the present day Rebel Army. During an attack by the Ptolemaic Army, Nova fights Lucy but is forced to retreat when Lucy's frog mecha intervenes.

As the Rebel Army were conducting an experiment in the desert, powering up a Big Gate, Nova arrived from the futures through and, because her mission was interrupted, re-prioritizes her objectives and runs off to a nearby town where she begins causing havoc. El Dorado then arrives and asks Nova for her business, informing her that he's come to investigate a strange energy source. Nova refuses to listen to reason and battles the adventurer.

As Nova prepares to take her power limits off, Vita arrives and Nova turns her attention to her. Nova introduces herself to Vita, who in turn introduces herself to her. Nova stays with the Rebels and at night Vita comments on Nova's strength. Nova states that she resented the human Vita and wanted to destroy her if she could go to the past, but does not, as Vita is a cyborg now. Nova admits that she's jealous of how Vita has friends and family she wants to protect and gives Vita the Union as a gift before she is called back to her

time.

When Cleopatra and her servants arrive at town and approach the Big Gate, Nova appears to attack her as the Union separates and fights alongside Nova. With little time left, Nova attacks and surprises Cleopatra is with her durability. Before the battle can continue though, Nova and the Union are recalled to the future.

Nova talks about how she learned that humans are born from mothers and that they are weak when born, so they are protected until they develop into adults. She explains that she gained consciousness three days after being created, before finding someone that looked similar to her. She recalls three memories; to eradicate the enemy, have no sense of pain, and to dedicate oneself to the Rebel Army. The base Nova was at is then attacked by an unknown enemy and Nova and the other units are forced to go into battle. The battle leaves Nova as the only one that survived.

While repeating her directives to herself, Nova is found by Midori after she notices the fragment she has with her. Nova tells her that she'll give her fragment to her. Midori asks Nova if she has someone to be with, but Nova states she's always alone, thus she has no one to give gifts to and doesn't want that responsibility. After Midori catches the fragmen,t she wishes Nova a Merry Christmas and a light engulfs Nova, causing her to fall unconscious as Midori looks on with a sad smile. Nova then recalls her memories from Vita and realizes what they meant, that she is Vita's only hope. Nova is later seen praying for Midori to be happy.

When the Rebel army is playing volleyball at a beach in the neutral zone, Nova acted as a cheerleader for them as they played against the Regular Army's Rita, believing it was a mission. Suddenly a mysterious shockwave ripples across the island and causes everyone to start fighting each other, perplexing Nova as the island is a no-combat zone.

After Odette, crash-landing her ship in the process. Odette came as she knows summer is one of the more popular human activities and is glad she arrived on time, but notices that something is off. Rita attacks several Rebel soldiers but Nova intervenes to protect them. She researches Rita and states that she is a country gal, angering her and causing her to attack Nova. After Nova defeats Rita and ponders what could be causing people to become violent, the Invader Odette appears, having recently arrived on the island and informs them that someone has set loose a large quantity of "Boreal Matter", a substance used on Mars as a behavioral stimulant that affects organisms reliant on oyxgen and hydrogen. Rita then sights Rumi and Fio arguing in the distance and runs off to stop them, while Nova and Odette go find the culprit behind the Boreal Matter unleashed on the island.

Nova soon finds a Mars Brain Robot and deduces that the Professor is behind the Boreal Matter being spread across the island. Meanwhile, Odette gets into an altercation with Miharu after her appearance causes Miharu's soldiers to become infatuated with her and to leave Miharu. After defeating Miharu and learning about a Mars Brain Robot she saw, Odette and Nova eventually reach the source of the boreal matter and confront the Professor. The Professor reveals that, because of all the prominent fighters on the island (Rita, Eri and Miharu), he plans to collect their data to create the ultimate combat lifeform. While Marty uses the Rugname X to attack Odette, Nova battles the Professor. Nova demands the Professor to return everyone to normal, but the Professor tells that he already has what he wanted and that the Boreal Matter's effects are only temporary and will dissipate soon. Odette then takes Nova away before the Rugname can crush them and they return to the beach.

---

Bender: Hey Beelzebot!

Nicole: Nova what's up?

Nova: Oh the usual.

Beelzebot: (Devilish laugh) Just having fun.

?: Very funny Beelzebot.

A figure cane out and it was CAPTAIN GREGORY from the Gingaman VS Megaranger movie!

---

He controlled a second Daitanix, who later became his personal Majuu, as Demon Beast Fortress Ghelmadix. He could make himself grow without the aid of an enchanted liquid. He eventually revived almost every Balban member along with almost every Majin. He was sealed long before Captain Zahab by the Starbeasts. He is believed to be as strong on his own, as the entire team of Space Pirates Balban combined. Amazingly, he was able to grow at will without consuming Balban Extract but was killed by Super Armor Shine GingaiOh's Great Beast King Slash.

---

Eli: Captain Gregory! I remember you! You were going to revive the Space Pirates Balban!

Captain Gregory: That's right Eli.

Nico: Wow. Another Japanese Movie monster.

William: Too bad you weren't in Lost Galaxy.

Captain Gregory: I know. I would've made an excellent pirate villain!

Nico: You sure would.

Me: Man what a ripoff! But yeah I agree there.

We got the usual battles underway.

---

Musa, Rainbow Dash, Scootaloo, Air Skylanders, Lightspeed Rescue Rangers, Thorax and Starlight Glimmer VS Diabolico - Nico's rescue and tour of Hogwarts

---

Diabolico was first.

Diabolico: (to Musa) Nico's rescue wasn't really a rescue for the most part. It was just a tour of Hogwarts.

Musa: It was awesome though. But it was more fun when they put on a show for everyone battling Another Stinkfly and Another Mask Red.

Rainbow Dash: That was really awesome!

Scootaloo: Yeah it was! Everyone had so much fun.

Whirlwind: We had a lot of fun learning about that too.

Carter: They sure did.

Diabolico: I'm glad they did. Lets do it!

Musa activateed her ridewatch and eyecon.

THEOBALD BOEHM AND DIABOLICO!

Diabolico: The inventor of the Flute. Good choice.

Musa: Thanks.

They fired waves of wind, lightning and rainbows and smashed him down.

---

Count Nocturne was next.

Count Nocturne: (to Marceline) Nico, Lexx, and the others did good battling Another Stinkfly and Another Red Mask. I'm just sorry Vroon got goo all over him.

Marceline: He was really pissed about that.

Princess Luna: He sure was. I'm glad that everyone had fun.

Moondust: Yeah I thought it was a great battle.

Snowdrop: It sure was.

Gari: The songs they sang in that battle was fun.

Blackout: I thought it was amazing and beautiful.

Nick Russell: I thought so too. Especially with Camie's voice from what we heard.

Count Nocturne: Everyone has a great voice. Lets do it!

Marceline activated her Eyecon and Ridewatch.

BRAM STOKER AND COUNT NOCTURNE!

Count Nocturne: Bram Stoker. Author who made Count Dracula.

Marceline: Yep out of inspiration from the evil Vlad III the Impaler.

Count Nocturne: Great choice.

They fired waves of darkness and smashed him down.

---

Jimmy, Applejack, Apple Bloom, Earth Skylanders, Megan Kiraton, Carly Atlas, Misty Tredwell, Slinkman and Smithers VS Black Lance (Mystic Force) - Lincoln's Rescue

---

Black Lance was next.

Black Lance: (to Jimmy) I heard Lincoln's rescue was in Dryden. How was it?

Jimmy: It was really fun! And that place is not called the Village of the Damned for nothing.

Applejack: Yeah a lot of terrible murders took place there back in the 1980s.

Apple Bloom: No kidding. That was awful.

Flashwing: That was awful.

Black Lance: Yeah I've heard about that place. Lots of terrible history there.

Jimmy: It was.

Black Lance: (To Megan Kiraton) I'm sorry your mom got brought back like this. But at least she is back with you after everything you suffered.

Megan Kiraton: I am glad for that. A Piece of my soul and life was taken from me after James Kiraton made me kill her.

Black Lance: What a heartless monster! He was pure evil.

Megan Kiraton: He sure was.

Black Lance: Yeah. Carly and Misty welcome back.

Black Lance: Ah Lady Guinevere, Wife and Queen of King Arthur.

Jimmy: That's right.

They fired waves of earth, rock, apples, crystal and fire and smashed him down.

---

Jake Long, Sunset Shimmer, Pipsqueak, Fire Skylanders, Zarya Moonwolf, Overbite and Seawing VS Biowulf - Meeting an Armored

---

Biowulf was next.

Biowulf: (to Jake) I heard you guys met an Armored Centipede Gene-slammer. What's her name?

Jake Long: Her name is Selena Tigrerra and she is a really awesome and amazing athlete.

Sunset Shimmer: She beat Lynn in every sport you can imagine.

Pipsqueak: (British Accent) She sure did and it was cool.

Sunburn: Lynn was jealous of her and she gave Lynn a nasty concussion with one punch.

---

Selena Tigrerra: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selena, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selena Tigrerra: That's incredible.

Nico: It sure is. So, Selena, what's the story of how you took on the worst of Lynn's wrath and punched her to the point where she got a nasty concussion?

Selena Tigrerra: Now, that's a story I haven't forgotten. One day, I was with Lincoln and we were training in my home gym that I set up in my room, and I knew he's been getting so much bigger in muscle and so much stronger, thanks to my other fellow Guardian Angels training him, and I knew he'd gotten powers, thanks to Varya Pohzar, Aurora Nightingale, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra, so I had to help him out even more.

Me: That's really kind of you.

Selena Tigrerra: Thanks, J.D. But, our day of working out was interrupted when Lynn bust in and she was going to kill him for training with me instead of her, because we knew her brand of training was basically inflicting pain on her little brother for her amusement. Lincoln politely told her to go home, but Lynn wasn't ever going to listen to reason and she pounced on him and she was about to kill him by beating him to death, and Lincoln was fighting her off, but she punched him hard in the stomach with brass knuckles and he fell to the ground and I saw blood forming, and she was about to kill him and she had a demonic grin on her face. I got so angry, I pried her away from Lincoln, and I punched her so hard to the point where she got a nasty concussion. I ran over to help Lincoln, and I let him bite me on the neck, and he fed on my blood, and in the process, the blood was absorbed back into his body and his wound sealed up and he also gained cosmic geokinesis and cosmic chlorokinesis in the process along with my immensely strong and powerful strength.

Nico: Whoa, now that's awesome.

Selena Tigrerra: I knew what the others did, so I did the same thing. Then, we tied Lynn up in nylon rope and we told Mr. and Mrs. Loud to come get Lynn, and as soon as Vanzilla arrived and I told Mr. and Mrs. Loud of what Lynn did to Lincoln, and they had to get Lynn to the hospital where she was treated for a nasty concussion. Then, as soon as Lynn came to, the parents grounded her and she was put in an isolation box in the basement for three weeks. Just then, we saw Lori, Lola, Lisa, and Luan arrive, and when they saw what I did to Lynn and Lincoln healed because of his vampire blood, they went ballistic and they threatened to kill us, but their big mouths got them in big trouble, and they also got the same punishment as Lynn.

We cheered wildly for what Selena Tigrerra did to Lynn.

Nico: Whoa, you sure are really strong, Selena, and you surpassed Lynn in strength.

Selena Tigrerra: That's right, and I use that strength to protect Lincoln, while Lynn uses hers to bully and beat up her own brother and everyone around her if she doesn't get her way. Thank goodness Dark Lynn and the other Dark Louds got The Black Gates.

Nico: That's right, and Lincoln was the one who gave Dark Lynn The Black Gates for everything she'd put him through.

Selena Tigrerra: I hope he and the others made her squeal like a pig when they were pulverizing her.

Me: Oh, they sure did, that superstitious smelly walking gym bag got what she deserved.

We looked and we saw KING, TAKASHI AND TAKATO!

Nico: There they are.

Chalmers went over.

King: You don't seem like a treat at all. You don't even have any special powers.

Chalmers: I might not have special powers. But I can still help my friends kick your asses!

King: What friends?

Then the spirits of the gothic dark masters appeared and swirled around them and then converged and then a massive shadow of darkness enveloped the entire room and numerous pairs of glowing red eyes appeared and then there was a big pair of red eyes and a huge grin of malevolent teeth appeared and roared ferociously!

RRRRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Then it vanished and out came us!

Me: Hello Takashi remember me?

Takashi: YOU!

Me: That's right! Me! And we're going to kill you all!

Nico: Yeah! You have tormented and killed numerous people for far too long!

King: You fools. Once we're done with all of you, we'll make sure that the Fangires rule all over humanity and all the Demon Races!

Me: And Takashi you and I have an old score to settle!

I teleported and punched him in the stomach and kicked him in the face and punched him in the nose and blood poured out of his face and I threw him into Takato and knocked them down!

Nico: You motherfuckers have failed this world!

Me: Thousands have died all because of you and they all won't be at peace until we kill you all. In fact. (SNAPS FINGERS)

I snapped my fingers and then all over Japan were NUMEROUS BEAMS OF LIGHT SHINING DOWN UNTO THE CITY AND THEN THE DIVINE SINGING OF ANGELS WAS HEARD AS EVERYONE THE FANGIRES ALL KILLED WERE RESURRECTED! THE SINGING OF THE ANGELS BURNED AND HURT KING, REY AND TAKASHI ALL OVER AS THEY SCREAMED IN EXCRUCIATING PAIN!

Nico: You guys are done for!

Me: All the people you killed were all resurrected!

Eli: And your power has been severely crippled!

King turned into Bat Fangire, Takato turned into Kamen Rider Rey, and Takashi turned into Kamen Rider Ark.

Bat Fangire: Grinders, attack!

An army of Grinders appeared.

Me: Grinders!

Kamen Rider Ark: And that's not all we've got.

Me: I have a feeling I know what's coming!

I fired waves of energy and blasted the Grinders into Scrap Metal!

But more came.

Kamen Rider Ark: BATLINGS ARRISE!

The Batlings appeared too!

Me: Batlings as well!

Erica Haddock: I'll take care of these guys!

Erica was really going at the Batlings and tearing them apart with her speed, power and martial arts moves. They were really being torn apart!

Takashi went try and stop her but I jumped in front of him!

Me: You want to get to her you go through me dickwad!

I kicked him in the face and sent him crashing into a wall. He went at me and I splashed him with Holy Water and it burned him like acid!

The Grinders jumped the Kiva Team.

The Kiva team lay defeated at the hands of the Grinders

Bat Fangire: (laughs) Oh, I would gladly savor your death at my hands, Wataru.

Kamen Rider Ark: Instead, I'll be happy to do the deed myself!

Eli splashed them both with garlic and burned them all over.

Live Action Ironhide: (shoots cannons at Grinders) Slag! What do we do now?!

Stella got an idea.

Stella: Everyone in the audience! Lend the Kiva team your strength! They get stronger with your support! When I give the signal, share your energy with the Kiva Team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Kiva team. And soon, Wataru found the strength to get up.

Wataru: King, if you think you have me beat, then you REALLY don't know who you're fucking with.

Wataru then punched a Grinder, knocking it to the ground.

POW!

Nico: And you are fucking around with the wrong people.

Wataru: Thanks for the help, everyone.

Keisuke: I didn't know we had lots of fans.

Taiga: Well, I'm not complaining.

Stella: You shouldn't.

Nico: You should be honored.

Brittney: Dad, what do we say we end the terror of the Evil Fangires for good?

Me: With pleasure Brittney.

Nico: And lets shed some light on them.

Stella: Let me transform with you guys.

Scott Truman: You got it, Stella.

RPM Rangers: RPM, Get in Gear!

Wataru: Kivat!

Kivat: Alright! Kivatte Go!

With that cry, a red belt with three slots for whistle looking devices on either side materializes on Wataru's waist while he catches Kivat in his right hand with mouth open.

Kivat: Gabu!

Wataru then lets Kivat bite his left hand, and as a strange and unnerving whistling sound starts to play, Wataru starts to gain a strange stained glass pattern to him.

Wataru: Henshin!

With that, Wataru places Kivat upside down on the center of the belt, causing a sound wave to emerge that morphs Wataru into his Rider form, a generally black suit save a red muscle-looking chestpiece flanked by silver armor, almost like the collar of a cloak, and some silver armor on his leg, that is mysteriously chained, as are his shoulder pads for some reason, and a head with large yellow eyes, red accent pieces, and a silver fang-looking mouthpiece over top of it, only the face is grayed out slightly.

Keisuke: (Putting on a belt with a red orb and gold and black accouterments on it before pulling out a golden knuckle like device) My turn.

With that, Keisuke presses the indicators on the end of the knuckle device, activating it.

Ixa Knuckle: Ready.

Keisuke: (As some sort of danger signal sounds) Henshin.

With that cry, Keisuke inserts the knuckle into the left side of his belt.

Ixa Knuckle: Fist, On!

Now a golden half cross symbol appears over the red orb before spinning off of it to form a golden projection of Keisuke's suit before forming on him, revealing the overall white knight-designed armor with a black undersuit gold and blue accents, particularly a golden half cross on the face which splits open revealing large red eyes, and materializing a gun with a comically large magazine in his hand.

The RPM Rangers transformed!

Summer Landsdown) "RPM Yellow!"

Ziggy: "RPM Green!"

We were really amazed by the transformations of Brittney Knudson, Lucy Loud, Bertrand, Haiku, Loud House Dante, Persephone, Morpheus, Boris, Crimson, Ennui, Ingrid Third, Loud House Maggie, Young Gwen, Juleka, Lydia Deetz, Wednesday Addams, Shannon Deluth Sanderson Loud, Mavis, Yumi Ishiyama, Night Wing Sorceress, Raven, Alicia Chan, Moonlight Raven, Ink Rose, Bonnie Terrez, Halifa the Hel, Gaz Membrane, and Sam Manson, but when Kamen Rider King, Kamen Rider Ark, and Kamen Rider Rey saw them, they all flew into demonic rages and were about to attack, but The Goths of Darkness unleashed a powerful barrage of dark energy blasts, creatures of the night, dark fire, dark lightning, dark magic, wendigos, and black magic, and it hit the three Fangires and sent them flying into a wall.

Lincoln: Whoa!

Nico: You said it, The Goths of Darkness have transformed, and my little sister's now a grown young woman, awesome.

Me: And Brittney's achieved her Super Angel Eternity Infinity Xelnaga transformation, so awesome!

Stella (Winx Club): That's it, I've had it with you three to last an eternity.

Suddenly, Stella's (Winx Club) golden amber eyes turn neon golden amber, and she was surrounded by a yellow-orange energy aura with light, fairies, and phoenixes, she then unholstered her massive Destroyer of The Trix sword from her back, and as she approached Kamen Rider King, Kamen Rider Arc, and Kamen Rider Rey, she left yellow-orange energy, light, fairies, and phoenixes with every step.

Stella (Winx Club): You three Fangires really make me sick, you and every last Fangire have caused so much pain and suffering to so many innocent people throughout Japan, and for that, I'll make sure that all three of you die a painful and gruesome death for what you all have done.

Suddenly, Stella (Winx Club) was surrounded by a massive vortex of yellow-orange energy with light, fairies and phoenixes surrounding it, there's a fairy flying around the vortex, and inside the vortex is an orange phoenix. Then, as the vortex faded, Stella (Winx Club) emerged, but she was changed forever.

Stella (Winx Club) has transformed into SUPER ANGEL INFINITY WINX FAIRY SOLAR FAIRY ANGEL OF MAGICAL SOLAR JUSTICE AND DIVINE WINX LOVE!

We were amazed by Winx Club Stella's Super Angel Infinity transformation, and when Brandon saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Kamen Rider King, Kamen Rider Arc, and Kamen Rider Rey saw it, they fell into a rage and they tried to attack her, but she fired three powerful yellow-orange energy blasts with light, fairies, magic, and phoenixes at them, and it burned them badly as the blasts hit the Fangires.

Me: This is your last day alive Takashi! YOU WILL PAY FOR EVERYTHING YOU'VE DONE!

I then went Super Angel Xelnaga Infinity!

Me: (Divine Echoing Cosmic Elemental Voice of Love and Hope) **I will never forgive you for your crimes!**

Crag: Lets go guys!

Ripping Friends, Luna, Lynn, Lincoln and May: IT'S RIPPING TIME!

We went at them and then punched and blasted the Grinders and Batlings all over and then I punched King in the face and smashed him in his stomach and kicked him in his face again!

Wataru walked upside down on the ceiling while punching a few Grinders.

He jumped and slashed them all over.

Brittney: (Divine Echoing Voice of Cosmic Darkness and Hope) **DARKNESS ECLIPSE FIRE SWORD!**

She formed a powerful sword of darkness and slashed Takashi all over and she slashed Rey all over.

Scott Truman: RAIL SWORD!

He slashed numerous Grinders all over!

Flynn: Turbo Cannon!

He blasted them all over.

Winston fires a short-ranged barrage of electricity from his cannon at several Grinders.

Winston: Take that!

I fired waves of energy and elements and smashed the Grinders all over.

Brittney: **NIGHTMARE STYLE NINJA ART: STING OF THE NIGHTMARE JELLYFISH!**

Brittney fired waves of darkness and it formed into The Jellyfish from the movie The Sand and stung Rey all over and then ripped him to pieces and killed him!

Sari fired energy blasts at several Grinders.

She blasted them all over the place.

Sari: Take that you freaks!

D-Va blasted them all over and Mei froze them too.

I slashed Takashi all over with my sword and the wounds were really painful!

Me: **Can you feel it you motherfucker!? It's called pain! The pain you caused to thousands of innocent people!**

Lily: Try this on! LIGHT STYLE NINJA ART: HYMN OF THE SERAPHIM!

She glowed in a huge flash of light and she the divine singing of angels was heard as she was singing Tchaikovsky's Hymn of The Seraphim. The angels came down and smashed Takashi all over and burned him.

Dillion: No harm in trying my Fuestle out.

He activated his Fuestle for LEGO ANCHOR MAN from The Incredibles for Lego and he fired a huge Anchor and smashed numerous Grinders down!Nico: WOW!

Me: **That was great Dillion! Lets see here.**

I activated my Fuestle for Lord Drakkon and fired powerful green energy waves and they hit Takashi and exploded all over!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMM!

Live Action Grimlock: Me Grimlock kick butt!

He fired a blast of fire from his mouth and blasted numerous Grinders all over and destroyed them!

Erica finished smashing and killing all the Batlings!

Nico: Way to go Erica!

Erica Haddock: Aw it was nothing.

Live Action Jazz transformed into vehicle mode.

Live Action Jazz: Time to turn you Grinders into ROADKILL!

He drove and rammed them down and smashed them into dust!

Fiona Hernandez fired waves of fire and the blast hit King and burned him and he was screaming in pain!

Takashi: YOU MOTHERFUCKERS!

He summoned numerous Fangire Grunts too!

Me: **Taste Sunlight assholes!**

I pulled out an Ultraviolet Flashbang bomb!

Me: **You obviously do not know WHO YOU ARE FUCKING WITH!**

I activated it and then in a massive flash and explosion of ultraviolet light the Fangire Grunts were all incinerated into dust in an instant!

THOSE GUYS WERE TOAST!

Moonlight Raven: Time for darkness to rain down! (Activate's Boy Witch's Ridewatch)

(TOURNIQUET BY EVANESCENCE PLAYS)

Moonlight Raven: (SINGING DIVINELY AND DANCING)

I tried to kill the pain

But only brought more (so much more)

I lay dying

And I'm pouring crimson regret and betrayal

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

Do you remember me?

Lost for so long

Will you be on the other side?

Or will you forget me?

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

I want to die

My wounds cry for the grave

My soul cries for deliverance

Will I be denied Christ?

Tourniquet

My suicide

Return to me salvation

Return to me salvation

She fired waves of darkness and energy and blasted numerous Grinders apart.

Bat Fangire tried to punch Nico but then smelled something bad.

Bat Fangire: What the Hell is that?!

Nico: (grins) Garlic. Want some?

Bat Fangire screamed and Nico rubbed the garlic bulbs in his face!

Me: **Nico another thing that vampires are allergic to is Ethylenediaminetetraacetic acid.**

Nico: Huh?

Me: **EDTA!**

I pulled out a bunch of Auto Injectors full of the stuff!

Nico: Oh right!

I gave them to him and Nico threw lots of them and pumped him full of the stuff.

Nico: Some motherfuckers are always trying to ice skate uphill.

He threw one into his head and he swelled up big and then…

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He exploded all over as a mess of blood and guts! YUCK!

Me: And then there was one.

We all were facing Takashi.

Takashi: J.D. Knudson, ready to die?

Me: **I was born ready motherfucker.**

Takashi: Motherfucker. I like that.

Scott Truman: Shark Attack Mode!

Wataru: (Pulls out red and gold whistle) Time for Emperor form!

(Places the whistle in Kivat's mouth)

Kivat: Tatsulot, awaken!

As Kivat blows a tune on the whistle, or rather Fuestle, a small golden wyvern flies onto the scene, breaking the chains on Wataru's shoulders.

Keisuke: (Knowing what's about to happen) Arc's in for it now!

Tatsulot: Time for action! Tension Fortissimo!

With the chains on Wataru's shoulder armor shattered, they open up, letting a stream of energy bats fly out, just as Tatsulot, the golden wyvern, attaches to Kiva's raised right arm.

Tatsulot: Henshin!

At that cry, the energy bats start attacking Arc as they fly back around to Wataru, breaking the chains on his left leg, revealing a strange demonic looking wing structure, which is right away turned into golden armor, with the rough pattern of it becoming Wataru's chest armor as golden armor adorns the rest of his body, even giving his helmet a golden crown aesthetic to it as his eyes turn red. Then with a flick of the arm, a flame spreads down Kiva's back, turning into a cape and completing his transformation.

Me: **Yeah!**

We went at him and clashed and smashed and blasted him all over the place.

We were really smashing and pulverizing him all over the place.

Wataru: Darkness Moon Break!

By having Kivat blow the Wake Up Fuestle, the Catena chains binding the Hell's Gate on Wataru's right leg break open. Wataru then performs a powerful kick with an impact of 30,000 kg on Ark.

The kick hit him first and then the Blasts from the techniques, combos, final smashes, elements and energy all hit Takashi and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION OF UNBELIEVABLE POWER!

He was down and beaten and his entire castle was destroyed!

Me: **It's over for you Takashi! I'm sending you straight to Hell.**

Nico: Guess there won't be any Megazord battle after all. (Ark starts laughing) What's so funny?

Ark: You thought King was the one planned to grow giant? Guess again!

Ark then started to grow giant.

Takashi: WAKE UP!

But then he turned into his ultimate SCARIEST FORM EVER! Through the use of the Wake Up Fuestle, Arc transforms into Legend Arc (レジェンドアーク, Rejendo Āku) by assimilating the demon-eye of the moon to obtain the full power of his race, growing wings and a second set of arms. In this form, Kamen Rider Arc is able to fly. In the process, Arc Kivat assumes his Mecha Kivat (メカ

キバット, Meka Kibatto) form as his persona cast comes off.

Nico: WHOA! MAN!

Me: **This is gonna be wicked scary!**

Brittney: **We'll handle this dad. Darkness is coming for him!**

The Goths all flew up to him and went after him and he fired waves of explosive fireballs at the goths and they dodged them as massive fiery explosions were blasting off all over the place with incredible force!

Nico: YEAH GO GET HIM!

Scott: Time to summon the zords!

The RPM Rangers summoned their zords!

RPM Rangers: High Octane Megazord!

Gem and Gemma: Mach Megazord!

They were ready!

Ness: PK Starstorm!

Massive meteors rained down and they hit Shark Fangire and exploded! He exploded into nothing!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed!

Ness: TAKE THAT!

Lucas: What should we do now?

Layla: Watch the battle.

They saw us battling Legend Ark and smashing him all over.

I summoned the RPM SUPER ULTRA OMEGAZORD!

The Kiva Riders summoned the Flying Church Dragon and the Goths of Darkness fired a massive energy blast and the blasts all hit Takashi and he was completely obliterated in a massive and powerful and incredible explosion!

HE WAS DESTROYED! And he was knocked down!

I went up to him!

Me: Now it's time for you to perish.

I put a kanji on him and used the black gates and he was found guilty and was fading away.

Me: **You will never terrorize the world again!**

Takashi: DAMN YOU TO FUCKING HELL J.D. KNUDSO… (FADES)

We powered down. King, Takashi and Takato were all given the black gates and were a forgotten memory!

The Goths of Darkness powered down, and their new bodies, clothes, weapons, jewelry, and massive black angel wings are permanent.

Watamu: Alright, now we're rid of Kamen Rider King, Kamen Rider Arc, and Kamen Rider Rey for good, along with all of the Fangpires.

Nico: That's right, but we're not done yet. There's still the matter of Erzsebet Ondrushko to take care of, and no, she's no Fangpire, she's an evil vampire that Adriana Dracula stopped long ago.

?: (Transylvanian Accent) I will make you pay for ruining my plans, Adriana Ardelean Dracula!

Adriana Ardelean Dracula: (Romanian Accent) I knew there's no mistaking that Transylvanian Accent from anywhere. You can come out now, Erzsebet Ondrushko.

A woman dressed in 16th century clothing with black hair, pale skin, red eyes, and vampire fangs came out of the shadows, and it was none other than Erzsebet Ondrushko, the bloodthirsty aristocrat who killed thousands of young girls to remain young forever and who made a deal with Hecate and became her high priestess and an immortal vampire.

Adriana Ardelean Dracula: (Romanian Accent) Erzsebet Ondrushko, I should've known you were here, I could still smell the scent of spilled blood coming from you. Even dead, your vanity and desire to remain young forever still sickens me to no end.

Erzsebet Ondrushko: (Transylvanian Accent) You and Professor Broom ruined my plans to remain young forever and I'll never forgive you for that, Adriana Ardelean Dracula, and now, I will have my revenge!

Lincoln summoned a colony of vampire bats loyal only to him, and they blocked Erzsebet Ondrushko from trying to attack Adriana Dracula.

Lincoln: You deserved what happened to you when you murdered thousands of young girls and all for your vanity, Erzsebet.

Stella (Winx Club): That's right, and now, you will pay for the crimes you've committed centuries ago.

Suddenly, Stella's (Winx Club) golden amber eyes turn neon golden amber, and she was surrounded by a yellow-orange energy aura with light, fairies, and phoenixes, she then unholstered her massive Solaria's Guardian Fairy Broadsword of Solar Love from her back, and as she approached Erzsebet Ondrushko, she left yellow-orange energy, light, fairies, and phoenixes with every step.

Stella (Winx Club): I will never forgive you for what you've done centuries ago, Erzsebet Ondrushko, you murdered a thousand young girls to bathe in their blood so you can remain young forever, and you made a deal with Hecate to become a vampire. Adriana made sure that you'd never hurt another innocent person again, but you gave into your desire for revenge, and now, I will make sure that you are reduced to ashes forever.

Suddenly, Stella (Winx Club) was surrounded by a massive vortex of yellow-orange energy with light, fairies and phoenixes surrounding it, there's a fairy flying around the vortex, and inside the vortex is an orange phoenix. Then, as the vortex faded, Stella (Winx Club) emerged, but she was changed forever.

Suddenly, Stella (Winx Club) felt a sharp pain on her back, and then, her massive yellow-orange angel wings with purple tips above her fairy wings and her fairy wings grew much bigger for her new body. Stella (Winx Club) has on a Ring of The Phoenix with yellow-orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Winx Club Stella's massive Destroyer of The Trix sword began merging with all of the swords she'd gotten in the treasure battles, and they were surrounded in a kaleidoscope of yellow-orange energy, magic, phoenixes, fairies, and light, and when it emerged, it was transformed into Solaria's Guardian Fairy Broadsword of Solar Love, it's a brand-new large broadsword with the symbol of Solaria and the anti-Trix symbol etched on the 7'0" massive, wide, double-edged yellow orange blade, large yellow fairy wings for the crossguard, large orange gem embedded in the rainguard, longer purple handle, and large orange gem with surrounding angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large yellow-orange gems on her wrists, Belt of Elemental Bravery with gold phoenix head with yellow-orange gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix and fairies that said, "Stella, Guardian Fairy of the Kingdom of Solaria, Member of The Winx Club, Destroyer of The Trix and Valtor, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Alfea College and the Magix Dimension, Loving Girlfriend of Brandon, Keeper of The Ring of Solaria, Loving Sister of the Kiva Kamen Riders, Friend to Many, and Master of Light, Fairies, and Angels"

ステラ、ソラリア王国の守護妖精、ウィンクスクラブのメンバー、トリックスとヴァルターの破壊者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、アルフェア大学とマジックス次元の擁護者、ブランドンの愛するガールフレンド、ソラリアの指輪の番人、キバ仮面ライダーの愛する姉妹、多くの友人、そして光、妖精、天使のマスター

Stella (Winx Club) has transformed into SUPER ANGEL ETERNITY INFINITY WINX FAIRY SOLAR FAIRY ANGEL OF MAGICAL SOLAR JUSTICE AND DIVINE WINX LOVE!

We were amazed by Winx Club Stella's Super Angel Eternity Infinity transformation, and when Brandon saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Erzsebet Ondrushko saw it, the vampire fell into a rage and tried to attack her and drink her blood, but she fired a powerful yellow-orange energy blast with light, fairies, magic, and phoenixes at the evil vampire countess, and it burned them badly as the blast hit her.

Nico: Whoa, now Stella's transformed into her Super Angel Eternity

Infinity form, awesome.

Me: And now, she's going to burn Erzsebet Ondrushko and make sure she's reduced to ashes for good.

Stella (Winx Club): (Divine Echoing Cosmic Voice of The Solaria Solar Fairy and Divine Solar Love) **That's right, guys. Alright, you blood-drenched witch, it's time for you to die!**

Stella (Winx Club) went after Erzsebet Ondrushko, and she fired powerful blasts of yellow-orange energy, fairies, phoenixes, light, and magic at Erzsebet Ondrushko, and they exploded with incredible power as they hit the blood-drenched vampire and she was also burned badly. Then, Stella (Winx Club) attacked her with her massive broadsword and the solar-infused blade left painful scars on the vampire and she was burned even more, and then, Winx Club Stella fired a powerful blade of solar energy and it pierced Erzsebet Ondrushko's black heart, and she screamed in excruciating pain and she was reduced to ashes forever, and her spirit was sent to The Black Gates and she was erased for all eternity. We cheered for what Winx Club Stella did to Erzsebet Ondrushko as she holstered her massive broadsword on her back and powered down, and her new body, clothes, weapons, jewelry, and massive angel and fairy wings are permanent.

Nico: That was some awesome work, Stella.

Stella (Winx Club): Thanks, Nico. And now, we're finally rid of all the Fangpires, Kamen King King, Kamen Rider Arc, and Kamen Rider Rey.

Adriana Ardelean Dracula: (Romanian Accent) Those Fangires were asking for it for a long time, and I'm also finally rid of my old enemy, Erzsebet Ondrushko, for good. I thought I was finally rid of that vampire for good, but she doesn't know when to take a hint.

Lincoln: And what shocked us is that you dealt with her long ago, Adriana.

Nico: Yeah, that really shocked us.

Watamu: And us as well. But, now with Erzsebet finally dead, your unfinished business with her is now finally done.

Adriana Ardelean Dracula: (Romanian Accent) That's right, Watamu. My unfinished business with the hated Erzsebet Ondrushko is finally done, and she'll never return to plague anyone ever again.

Just then, Brandon went up to Winx Club Stella and they hugged and they shared a kiss and we all cheered for them.

Nico: Now, that's one way to close Stella's big day mission.

Me: You said it.

Woz: Rejoice! Another Kamen Rider Villain has fallen, and Team Loud Phoenix Storm have claimed two new allies, Kamen Riders Kiva and Ixa! May their alliance last until the dawn of the sun's last day!

Whiger: With Ark gone, all the Good Fangires can live in peace with humans.

Maria: And now, a new era of peace between all the Demon Races and humans begins.

Toad: The Advent Cars that Nico and the others got really came in handy.

Me: They sure did. Now we have seen the last of the evil Fangires.

Leap Frog: (to Ness and Lucas) You guys helped too.

Ness: We sure did.

Selena Tigrerra: I'm gonna love it here with you guys

Kira Howard: Same with me.

Electropede: You girls won't regret it.

Poromon: Let's go back home and play some tennis.

Gameface: I'm all for that. But this time, let's do it in somewhere that's not an airport.

Me: We have a tennis court back home. (YAWNS) But it's way passed out bedtime.

Qin: Yeah look at what time it is.

Nico looked at his watch and it was 10:00 PM at home.

Nico: Whoa it's WAY passed our bedtime. But it was worth it. Great job tonight everyone!

Wataru: (To the viewers) This was one awesome adventure that gave us an awesome vampire hunting experience. Now the world is evil Fangire free. It's gonna be awesome being part of the team.

Nico: It sure will. Lets head home.

We went back home and then got ready for bed and went to sleep.

Nico: Ahh. This is awesome.

Laney: Boy it sure is. Nothing like a little rest and relaxing after a huge battle.

Me: You said it Laney. And I have a song for Camie and the awesome girls I love.

I activated Yodo's Ridewatch and I had the area turn into into the beautiful Aurora Borealis.

(A THOUSAND YEARS BY CHRISTINA PERRI PLAYS)

I was playing on my guitar.

Me: (Singing Divinely)

The day we met

Frozen I held my breath

Right from the start

I knew that I'd found a home for my heart

Beats fast

Colors and promises

How to be brave?

How can I love when I'm afraid to fall

But watching you stand alone?

All of my doubt suddenly goes away somehow

One step closer

I have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

Time stands still

Beauty in all she is

I will be brave

I will not let anything take away

What's standing in front of me

Every breath

Every hour has come to this

One step closer

I have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

And all along I believed I would find you

Time has brought your heart to me

I have loved you for a thousand years

I'll love you for a thousand more

I'll love you for a thousand more

The aurora danced with such incredibly awesome beautiful grace and more and it was breathtaking as images of me, Camie and all my awesome lovely wives formed and it was so awesome and beautifu. When it was done, everyone cheered and I got glomped and kissed all over by my future wives.

Everyone laughed!

Lola: (LAUGHS) That was so awesome and adorable.

Qin: (LAUGHS) Yeah!

Nico: Thanks for coming with me, Lane.

Lane: Anytime Nico. It's awesome that I'm with you guys for this amazing rescue.

I had rainbow lipstick marks all over me and I was laughing goofily with steam coming out of my ears.

Me: (Dreamy voice) I'm in absolute heaven.

Everyone laughed!

Nicole: I think dad is gonna be having a wild time tonight.

Everyone laughed some more.

I snapped out of it.

Me: That was awesome.

Nico: Lane, your first transformation was when we met the Kyurangers.

Lane: I remember that. That was so awesome.

Me: And we met them during the 3rd part of the Hercules adventures during the Kingdom Hearts battles.

Nico: Yep.

Me: That was so awesome.

Nico: And it was when you were having bad luck.

Lane: I don't know what was happening to me back then. I was really accident prone.

Nico: Hmm. That is a good question.

Qin: Yeah. That was weird but I think it was a transformation about to happen.

Lane: I think it was.

Maria: I agree there. But still going to the world of the Kyurangers was awesome.

Nico: It was just as awesome as yesterday.

Me: Boy you said it Nico. And it was an awesome way to close out the big day missions for July.

Camie: Yep. Now we have 13 days of big day missions all in a row in August.

Qin: Boy to quote Granny Smith, (Imitating Granny Smith) "We're gonna be busier than a worm in a rotten tomater."

Applejack: (Laughs) That is something Granny Smith would say.

Apple Bloom: It sure is.

Nico: I really do hope Wataru helps Ed with his violin playing.

Lane: I have a feeling he will. Eddy said that his violin playing was as bad as a monkey grinding his nails on a chalkboard.

Me: Ouch. Funny thing is that Jonny loved Ed's bad violin playing.

Eli: That is funny.

Me: It sure is.

Nico: And now, only the good Fangires remain.

Me: Yep. But that was awesome destroying the first Fangire. It reminded me of Blade's battle with Drake.

Nico: Absolutely.

Brittney: And the Goths and Stella all got a chance to shine.

Natasha Hernandez: We sure did.

Lola: Yeah that was so awesome.

Rainbow Dash: That was the most awesome fun we've had.

Me: Well there's still our BIGGEST adventures we have coming up in August.

Nico: Yep.

Maria: Let's still keep a lookout for anything Swartz throws at us.

Me: Right.

But then suddenly Nico got hit with a huge blast of water at full force and he went crashing into the lake and he was all wet!

Nico: (SPiTS) Okay, who sprayed a hose at me?! Maria!?

Maria: Hey it wasn't me! And besides, hoses don't pack that much power unless it was a fireman's hose.

We looked behind us a black version of Water Hazard! It was ANOTHER WATER HAZARD!

Me: Another Water Hazard!

Nico: So that's it!

Me: Why did you spray Nico like that squirt bug!?

Another Water Hazard: (In a girls voice) (British Accent) It was to get your attention.

Me: (Gasp) That voice! Dianna Salisbury!

Another Water Hazard: Good to see you again J.D. good chap.

Me: Same to you.

Nico: You know her J.D.?

Me: I sure do. Dianna is from England and she is one of the best Table Tennis Players that I know. She is really that good.

Another Water Hazard: Good times back then.

Me: They sure were.

Nico: You get that one for free!

Me: Come on dude a little water never hurt anyone. Besides you can dry off.

Nico: True. (FLARES UP FIRE AURA AND DRIES OFF) Ahh that's better. (POOF)

His clothes puffed up like a shirt in a dryer!

We laughed!

Nico: Very funny.

He shook and was back to normal.

Eli: I sense she's not alone.

Then another figure showed up and it was a scary version of Red Hawk from Jetman! It was ANOTHER RED HAWK!

Me: Another Red Hawk for Jetman!

Ryu Tendo: Another me!? (GROWLS FEROCIOUSLY)

Me: I had a feeling you would be pissed about this Ryu!

Nico: The fuck are you?!

Another Red Hawk: (In a Girls Voice) (Kenyan Accent) J.D. knows me.

Me: Wait! There's no mistaking that Kenyan Accent. Naserian!

She reverted back and it was our friend from Kenya, Naserian!

Naserian: It's awesome to see you again J.D.

Me: You too Naserian.

Varie: Wow you are looking great ever since we were in Kenya the first time.

Naserian: Same to you Varie. You guys have grown a lot in numbers since we last saw each other.

Me: And I really loved the traditional Maasai outfit you gave me for international penpal day. Thank you.

Naserian: I'm glad.

Nico: So you are Naserian. I've heard so much about you and it's awesome to finally meet you in person.

Naserian: Same to you Nico.

Twilight Sparkle: How do you know Naserian, J.D.?

Me: It was when we were over in Africa for part 4 of our Worldwide Adventure. We were over in Kenya 🇰🇪.

FLASHBACK - Chapter 263

Vanzilla 2.0 was driving through Nairobi, Kenya.

Nicole: Here we are guys. Nairobi, Kenya. The capital city of Kenya.

Lori: It's literally so big.

Leni: Totes! I can't wait to check out the malls here.

Lincoln: Nairobi is a beautiful city.

Lisa: It's approximately the same size in population as the city of Detroit in Michigan.

Naruto: It's an amazing city.

Sakura: It sure is.

Luna: So what volcano are we gonna go see this time?

Nicole: Well the funny thing is that Out of all the countries in Africa that have volcanoes, Kenya only has one volcano. It's called Mount Kenya and it's the 2nd tallest Mountain in Africa.

Luan: Why does Kenya only have one volcano?

Nicole: It's a strange thing Luan. Out of all the volcanoes along the Great Rift Valley which goes all the way across eastern southern and central Kenya, Mount Kenya lies to the east of an ancient shield volcano called Menengai.

Linka: That's interesting.

Nicole: Yep.

After getting out of the city Nicole changed Vanzilla 2.0 into helicopter mode and we set out to Mount Kenya. We arrived in 2 hours and it was a magnificent sight.

Nicole: Here we are guys.

Me: Whoa!

Shanan: So that's Mount Kenya.

Laney: It's so beautiful.

Crysta: It sure is.

Naruto: How tall is Mount Kenya?

Nicole: It's the 2nd Tallest Mountain in Africa at 17,057 feet high and it's a magnificent sight.

Sakura: It sure is.

Lisa: Yes indeed.

Lana: When was the last eruption of Mount Kenya?

Nicole: We don't really know Lana. But some people that it erupted back in 6100 B.C.

Lola: It's a beautiful mountain though.

Nicole: You all can take some pictures if you like.

We all did so.

Later we went out to a place called the Maasai Mara near the border between Kenya and Tanzania. We landed.

?: Aah! J.D. my old friend.

Me: It's good to see you again Kwame.

We hugged.

Kwame: How have you been J.D.?

Me: I've been doing great. Guys I'd like you all to meet Kwame Mizonoka. He's the Chief of the Maasai in Kenya.

Kwame: Ahh the famous Loud Siblings. It's such an honor.

Lori: It's literally an honor to meet you.

They introduced themselves.

We sat on a log drinking blood which Lucy loved.

Varie: So how did you two meet?

Me: It was back 4 years ago. Me and my family were here on a safari here in Kenya when we saw Kwame and his tribe fighting poachers that were after elephant tusks.

Shanan: I remember you told me that dad.

Natilee: That's awful. Those people are monsters that don't deserve to call themselves human.

Fu: I agree.

Kwame: Yes. J.D. and his family did a very brave thing for us in our time of need and we made them honorary members of our tribe.

Me: That's right.

Luna: That is rockin dude.

Varie: It sure is.

Lynn: What happened to the Poachers?

Me: They were arrested and deported back to Italy. They got 30 years for their crimes.

Shannon: That's good.

Ember: It sure is.

Gabrielle: (British Accent) That's good. I'm glad they got what's coming to them.

Aylene: That's right.

Lucy: This is really good blood though.

Me: It's cows blood. The Maasai have a tradition of drinking cow blood.

Lola: That's interesting. It might be gross but it's really interesting.

Lana: That is cool though.

Me: It is. Kwame we came because I wanted to show everyone a certain place that is known to all of you here. A certain forest.

Kwame: I know what forest you all mean.

Kwame and his best warriors lead us to a dense forest.

Lori: What is this forest?

Me: This is the forest that is greatly feared in the Maasai - The Loita Forest; Naimina Enkiyio.

Lucy: Gasp! I know this forest in myths. It's called the Forest of The Lost Child. Many years ago a young Maasai girl went into this forest to get some lost sheep. The sheep came out of the forest. But she didn't. They went in to find her but there was no sign of her. She disappeared without a trace.

Kwame: That's right Lucy. This forest is greatly feared among our people. We don't ever dare to go in.

Me: If that girl is still alive she would be a long way from home and somewhere in the Great Rift Valley and in the Virunga Mountains of Uganda, Rwanda and Zaire.

Lola: Ooh. That is creepy.

Luna: Dude.

Leni: That is totes scary.

Lily: It sure is.

Vince: That is wicked scary though.

Carol: Yeah.

Cody: That's strange though. I've never heard of something like this.

Kwame: Yes. It's been a very scary time for us and the Maasai. We have prayed every day for her safe return but it has not been answered.

Me: That's awful.

Lucy: Maybe I can find her.

Lucy concentrated and she gasped.

Jeri: What is it Lucy?

Lucy: She's still alive. She's in northeastern Zaire across Lake

Victoria.

We gasp.

Aylene: How in the world did she get over there?

Kwame: Thank goodness she's all right.

Jeri: When exactly did she go into the forest?

Kwame: It was 30 years ago.

Jeri: We'll bring her back.

Kion: Lets do it. To the Pridelands end…

Jeri, Kion, Ono, Fuli, Beshte and Bunga: Lion Guard Defend!

Me: We're about to see the Lion Guard in action guys. Be careful Jeri.

Jeri: We will.

Jeri and the Lion Guard flew over the forest to Northeastern Zaire 45 minutes later.

Jeri: Ono can you see anything?

Ono's eyes flashed yellow and they found her.

Ono: I can see her by a tree and there's a treehouse in it over there. In an isolated grove.

Kion: All right.

They flew to the tree and Jeri saw the girl lost in thought. She had long black hair, shreded Maasai clothes and she was crying.

Jeri: Are you all right?

The girl gasped when she saw them.

Jeri: It's all right. We mean you no harm.

?: Who are you all?

Jeri: I'm Jeri Katou, 2nd In Command of The Lion Guard.

Kion: I'm Kion, son of Simba and the leader of the Lion Guard. The fiercest of the team.

Ono: I'm Ono, an egret and the keenest of sight of the team.

Fuli: I'm Fuli, a cheetah and the fastest.

Beshte: I'm Beshte, a Hippopotamus and the strongest.

Bunga: And I'm Bunga, a honey badger and the bravest.

?: I've heard legends of the Lion Guard. I'm Naserian. I'm lost.

Jeri: It's a pleasure to meet you. We were told that. You disappeared from your tribe in Kenya by going into the forest and everyone thinks you're dead.

Naserian: I know. I miss them every day. How long have I been gone?

Jeri: Chief Kwame said you disappeared 30 years ago.

Naserian: Wow! Time sure went by.

Kion: It sure has. But now we can bring you back and be reunited with your family.

Naserian: Thank you all Lion Guard.

Jeri: Hold on tight now.

Jeri took her hand and they all flew back and Naserian was laughing and giggling as they all flew towards Kenya. They arrived in Kenya 45 minutes later and we saw them.

Me: There they are!

They landed and Naserian was reunited with her people.

Kwame: Naserian!

Naserian: Oh father!

They hugged for the first time in 30 years.

We cheered wildly knowing that she was safe.

Me: Way to go Jeri!

Luna: That was rockin dudette!

Naruto: Great job Jeri and Lion Guard.

Kion: Thanks guys. Thanks Lucy for helping us know where Naserian was.

Lucy: You're welcome Kion.

A celebratory feast was held for our courageous deed in the retrieval of Naserian and it was awesome. We were so glad that she was all right.

The next day we set out for our next destination.

FLASHBACK ENDS

Twilight Sparkle: Wow! That's amazing!

Nicole: I remember that! That was so awesome!

Nico: Even though Zaire doesn't exist anymore that's amazing.

Lola: Yeah it was.

Nico: What did Swartz promise you two?

Naserian: Powers over flowers.

Another Water Hazard: My little brother back.

Me: Oh man! I remember Colin Salisbury.

Laney: Wow.

Nico: Shall we dance?

Naserian: We shall. Sorry about this J.D.

Me: It's okay Naserian.

Naserian changed back to ANOTHER RED HAWK!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Nico activated it.

Nico: (Playing the banjo and singing divinely)

Sailin' over the Dogger Bank: Oh, wasn't it a treat?

Wind a-blowing east-nor'-east, we had to give a sheet!

And the thing that gets to me (thing that gets to me)

Is you'll never really see (never really see)

And the thing that freaks me out (thing that freaks me out)

Is I'll always be in doubt (always be in)

It is the lovely thing that we have

It is the lovely thing that we

It is the lovely thing

The animal, the animal instinct

So take my hands and come with me

We will change reality

So take my hands and we will pray

They won't take you away

They will never make me cry, no-oh

They will never make me die

And the thing that gets to me (thing that gets to me)

Is you'll never really see (never really see)

And the thing that freaks me out (thing that freaks me out)

Is I'll always be in doubt (always be in)

The animal, the animal

The animal instinct in me

It's the animal, the animal

The animal instinct in me

It's the animal, it's the animal

It's the animal instinct in me

It's the animal, it's the animal

It's the animal instinct in me

The animal, the animal

The animal instinct in me

It's the animal, it's the animal

It's the animal instinct in me

She danced and she had them attack Another Water Hazard and Dianna was back to normal and she was a blue hair girl and she had a yellow dress and I caught her and the ridewatch and purified it. We got water powers from the core and non-core M.O.E. Members.

Dianna Salisbury: J.D.? (GROANS) What a headache.

Me: You're okay now Dianna.

I got her back over to us.

Nico: That was awesome Lana!

Lana: Thanks.

Me: We had Lana sing that song for us in our greenhouse and to our amazement she has a voice that sounds so much like Dolores O'Riordan from the Cranberries.

Eli: That is so awesome! Too bad she died though. So sad.

Me: It was. Lets have a moment of silence for her. One sec Nasarian.

Another Red Hawk: Okay.

We took off our hats and put our hands on out chests and had a moment of silence for Dolores. We were done 30 seconds later.

Kaito: (gets out Hurricanger) Don't leave us out!

Zocks: (gets out Gaoranger gear) Especially since there's only one left.

Kaito got the Hurricanger's sword and Zocks got the Gaoranger's Jungle Sword!

Nico: YEAH!

Sirius: Here's this one. (Activates Shibolena's Ridewatch)

(ONLY AN OCEAN AWAY BY SARAH BRIGHTMAN PLAYS)

Sirius: (SINGING DIVINELY AND WATER SWIRLS AROUND HER)

I see a shadow every day and night.

I walk a hundred streets of neon lights,

Only when I'm crying.

Can you hear me crying.

So many times you always wanted more,

Chasing illusions that you're longing for.

Wish I wasn't crying.

Can you hear me crying.

There's an ocean between us.

You know where to find me.

You reach out and touch me.

I feel you in my own heart.

More than a lifetime.

Still goes on forever.

But it helps to remember

You're only an ocean away.

Was there a moment when I felt no pain.

I want to feel it in my life again.

Let it be over now.

Oh Oh over now.

'Cause I remember all the days and nights

We used to walk the streets of neon lights

Oh I want you here with me.

Oh be here with me.

There's an ocean between us.

You know where to find me.

You reach out and touch me.

I feel you in my own heart.

More than a lifetime

Still goes on forever.

But it helps to remember

You're only an ocean away.

So many times you always wanted more,

Chasing illusions that you're longing for.

Wish I wasn't crying.

Can you hear me crying.

There's an ocean between us.

You know where to find me.

Just reach out and touch me.

I feel you in my own heart.

More than a lifetime

It seems like forever.

But I'll always remember

You're only an ocean away.

Only an ocean away.

She danced and fired waves of powerful water and smashed Another Red Hawk all over the place.

Nico: OH YEAH! That was awesome!

Bonnie Terrez: Now lets see how she likes this! (Activate's Dark Jaden The Supreme King's Ridewatch)

(FLEUR DE MAL BY SARAH BRIGHTMAN PLAYS AND DARKNESS SWIRLED AROUND HER)

Bonnie Terrez: (SINGING DIVINELY AND DANCING)

Is it you I keep thinking of?

Should I feel like I do?

I've come to know that I miss your love

While I'm not missing you

We run 'til it's gone

Et les fleurs du mal

Won't let you be

You hold the key to an open door
Will I ever be free?
Les fleurs du mal unfold
Comme les fleurs du mal
Dark demons of my soul
Un amour fatal
Been tryin' hard to fight
Comme les fleurs du mal
Les fleurs du mal inside
Un amour fatal
All my life I've been waiting for
In this perfume of pain
To forget when I needed more
Of love's endless refrain
We live and we pray
Pour les fleurs du mal
I've lost my way
What is done will return again
Will I ever be free?
Les fleurs du mal
Comme les fleurs du mal
Un amour fatal

Comme les fleurs du mal

She fired waves of darkness and they hit Another Red Hawk and smashed her all over.

Nico: Had enough?

Another Red Hawk: Not yet! But your singing is absolutely incredible.

Me: We have had a lot of karaoke sessions and a lot of practice.

Nicole: It's true.

Another Red Hawk: That is amazing. Lets see how you like this.

She pulled out a Jet Blaster and it was imbued with the powers of Evilseed! She fired waves of green energy and it hit the ground and formed into plant monsters!

Me: She has Blasters and Jet Weapons all imbued with the powers of the Core and Non-Core M.O.E.!

Lincoln pulled out his Electro Biosaber and slashed the plant monsters into dust!

Me: Awesome job buddy! This one I learned from that dream that lead me to Princess Luna's Mansion. (ACTIVATES HADES BEAST SPECTER'S RIDEWATCH)

(CHILDREN OF THE NIGHT SONG PLAYS)

I had swirls of moonlight and stars swirling around me.

Me: (Singing divinely)

Come little children, I'll take thee away

Into the land of enchantment

Come little children, the time's come to play

In my garden of shadows

Follow, sweet children

I'll show thee the way

Through all the pain and the sorrows

Weep not, pour children,for life is this way

Murdering beauty and passions

Hush now dear children, it must be this way

Too weary of life and deceptions

Rest now, my children, for soon we'll away

Into the calm and the quiet

Come little children, I'll take thee away

Into the land of enchantment

Come little children, the time's come to play

In my garden of shadows

I flew and fired waves of moonlight and blasted Another Red Hawk all over and knocked her down.

Nico: Is that the song you heard in your dream that night?

Me: It sure was. And on the night of the Wolf Moon of January 28th, 2021, it lead me to Princess Luna's mansion where I found her mansion.

Nico: Wow!

Ryu Tendo: I will show you who the true Red Hawk is! CROSS CHANGER!

He transformed!

Ryu Tendo: RED HAWK!

Me: YEAH!

Ryu Tendo fired waves of red energy from his Jet Blaster and blasted her all over.

But then a blast of water hit Another Red Hawk from out of nowhere and smashed her all over.

Maria: That wasn't from me!

We saw a figure falling from the sky and it was a mermaid?

Me: A mermaid? No!

We saw that it was an Amazon of The Seas!

Me: An Amazon of The Seas!

Nico: Cool! But that's not the gene-slammer we're after.

Me: No it's not.

She changed back and it was the beautiful voluptuous beauty guardian angel for me MAY HONOKA! She was an aqua blue hair girl with an ample chest and she had a red shirt that revealed her belly and she had blue shorts and purple shoes.

Me: May Honoka!

She landed in my arms and I caught her!

Me: May it's awesome to see you again!

May Honoka: (Seductively) You too J.D. my hot guy.

Me: (Romantic purr)

Nico: (LAUGHS)

Me: But how did…

We heard a roar and then we saw THE TIAMAT!

Nico: WHOA! The Tiamat!

Sheila (D&D): Wow!

Tiamat (D&D): (In a girls voice) Looks like the fun has started.

Nico: Nina Fernando Cortez! Wow!

Tiamat fired waves of fire, ice, lightning, poison and acid and the blasts all hit Another Red Hawk and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it and I went over to Naserian and helped her up.

Naserian: (Groans) What a headache.

Me: You're back to normal now Naserian.

I helped her up and there were Jet Blasters and weapons of the Jetman on the ground and we picked them up. I brought Naserian over and Nina reverted back a nd she was a girl with blond hair and had red clothes and the symbol of Tiamat on her skirt and she had a necklace for Tiamat around her neck.

Nico: That was awesome! J.D. how do you know May?

Me: May is one of my guardian angels. She is a master of water and is also a great swimmer.

May Honoka: It's true.

Nina Fernando Cortez: That is awesome

Lane: What's your favorite memory of Nico?

Nina Fernando Cortez: I have tons and tons of them. But I like the one where me and Nico saved an entire ship that capsized in the ocean off the coast of Uruguay. It hit an iceberg and we saved everyone on board.

Rainbow Dash: That is awesome!

Laney: Boy it sure is!

Lola: Yeah!

I hugged May.

Me: I missed you May.

May Honoka: Me too.

Nico hugged Nina.

Nico: I missed you.

Nina Fernando Cortez: Me too Nico.

Lane: This was so awesome.

May: (to Lola) At least Dianna didn't soak you.

Lola: That's true.

Dianna: But that was amazing that I had those powers.

Me: It sure was.

Nico: But it's awesome that we had this amazing rest here.

Lola: Yeah it was.

May Honoka: It sure was.

Qin: Yeah.

We went back home.

Me: I should've known that witch would come back one day.

Lincoln: And that'll be after we get rid of Queen Ravenna, who's about to attack… right now!

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Queen Ravenna, and she's going to kill them.

Lincoln: And right on time, guys, I found the five girls, but they've been cornered by Queen Ravenna, and she's going to kill them.

Lincoln: Wait a sec, I'd recognize that voice from anywhere, I knew it was you, Cora Yenningway, but we'll have to talk later, let's get that murderous hag and send her to The Black Gates.

We rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at Queen Ravenna, and that allowed the five girls to get to safety. When Queen Ravenna saw us, she was really enraged.

Queen Ravenna: YOU!

Me: That's right, you old hag, I should've known you'd one day return from the dead again.

Lincoln: But, this'll be the last time. Come on, gang, let's get her!

We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that heartless witch, and this time, she's never coming back. (To Cora Yenningway) And it's so good to see you again, Cora Yenningway.

Cora Yenningway reverted back to normal, and she's a beautiful girl with long flowing pink hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful pink angel wings, and she reigned in the power of Earthbound Immortal Qhoa, and she's dressed in an open purple blouse, sleeveless pink midriff top, pink jewel-studded skirt with the Cat Nazca Line on it, purple pants with stars, pink sneakers, and long sleeveless pink trenchcoat with pink flames and animals on the coattails, and Earthbound Immortal Qhoa on the back, and holstered on her back a large Earthbound Immortal Qhoa-themed greatsword with Earthbound Immortal Qhoa etched on the 7'0" massive, wide, double-edged pink blade, pink angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and a large pink gem surrounded by angel wings for the pommel.

Lincoln went up to Cora Yenningway and they hugged, and Cora Yenningway's very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Cora Yenningway: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Cora Yenningway, she's one of my Guardian Angels from Michigan, she has pink fire powers and a special power that enables her to talk to animals.

Cora Yenningway: Wow, it's an honor to meet you. Oh, and there's also something else: I also took on the worst of Lola's wrath.

We gasped in shock.

Eli: What?! From what we've heard from so many of your other Guardian Angels, it's got to be really bad.

Lincoln: Yep.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around

Cora Yenningway's neck with pink gems on the gold thunderbolt links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Cora Yenningway: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Cora.

Cora Yenningway had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Cora Yenningway's waist and Cora Yenningway wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Cora Yenningway's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Nuku Nuku from All Purpose Cultural Cat Girl Nuku Nuku, Sash Lilac the Dragon Girl, Carol Tea the Wildcat, Milla Basset the Hound, and Neera Li the Panda from Freedom Planet.

Lincoln: Oh wow, it's Nuku Nuku from All Purpose Cultural Cat Girl Nuku Nuku, Sash Lilac the Dragon Girl, Carol Tea the Wildcat, Milla Basset the Hound, and Neera Li the Panda from Freedom Planet.

Me: Awesome and cute.

Lincoln: Are you girls okay?

Nuku Nuku: Yes, we're okay, thanks to you.

Then, when Nuku Nuku and the other four girls saw who it was that saved them from Queen Ravenna, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold

Nuku Nuku: Oh wow, you're Lincoln Loud of Team Loud Phoenix

Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Nuku Nuku: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Nuku Nuku, Sash Lilac the Dragon Girl, Carol Tea the Wildcat, Milla Basset the Hound, and Neera Li the Panda with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We then returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Queen Ravenna, who came back from the dead seeking revenge on us for destroying her years ago.

But, when Lincoln showed what we did to that heartless witch, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Cora Yenningway have a lot of catching up to do, now that she's back in town, and we're now finally rid of Queen Ravenna and this time for good, and the others are also stunned when they found out that with the discovery of the Cat Nazca Line, this means that a new Earthbound Immortal has been discovered: Earthbound Immortal Qhoa, the Cat Earthbound Immortal.

---

After finally getting rid of Queen Ravenna and this time for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Cora Yenningway saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Cora Yenningway: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Cora, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Cora Yenningway: That's incredible.

Nico: It sure is. So, Cora, what's the story of how you took on the worst of Lola's wrath?

Cora Yenningway: Now, that's a story I haven't forgotten. One day, I was with Lincoln and we were in a beautiful forest in Royal Woods, and we were enjoying the quiet tranquility of nature. But, that day was ruined when we saw something rushing in: it was Lola in her Princess Jeep and she was super mad. She was mad that Lincoln broke her tiara. But, Lincoln said he wasn't in her room at the time, but she was extremely furious and not listening to Lincoln and she was about to run over Lincoln and kill him. Knowing that Lola's capable of horrible actions including murder when she gets mad, I fired a pink fire blast and blew the tires out and asked a nearby snake to tie her up and drag her butt back to The Loud House. We then told Mr. and Mrs. Loud of what Lola tried to do, and they were mad at Lola. Then, we went up to Lisa's room and we looked at the footage from earlier, and we saw that Lincoln wasn't in Lola's room at the time her tiara was broken, just like he said, because he was getting ready for our day in the forest. We then saw who it was that did the dirty deed: Lynn, she broke Lola's tiara by stepping on it, and she placed a lock of Lincoln's hair there to frame him. We gasped in shock, and Lola was going to kill Lynn. But, Lincoln beat Lola to the punch when we saw his eyes change from black to blood red, and he rushed into Lynn's room and he tied her up with dark energy ropes. Lola got grounded for two days, but Lynn got grounded for five weeks and she had to glue Lola's tiara back together and Lincoln threw all her jerseys and sports equipment in storage bins and told her she'll get them back if she learns to behave, and to make his threat clear, his eyes had turned blood red and he summoned an army of creatures of the night from the darkness, and that really terrified her.

We cheered wildly for what Cora Yenningway did to Lola and what Lincoln did to Lynn.

Me: Whoa, Cora, you took on the worst of Lola's wrath and you stopped her.

Nico: And Lincoln put Lynn in her place when he hogtied her with dark energy ropes, and he put all her jerseys and sports equipment into storage, and he really made his threat clear when he went into vampire mode and summoned that army of creatures of the night and it terrified her. Remind me never to get you mad, Lincoln.

Lucy Loud: It was indeed a sight to see Lincoln summon the creatures of the night but for good, and to put Lynn in her place.

Nicholette Torrington: When Lucy told us and all of the other Gothic Guardian Angels that, we were really stunned with awe.

Autumn Bellamira: Yeah, it was really awesome seeing Lincoln using the powers of darkness, and he used it to put Lynn in her place. She's had it coming for a long time with all the crap she's put her brother through.

We got a shower afterwards, but then, a bright light had descended on the World Tree Estate and we had to cover our eyes. Then, the bright light faded and we uncovered our eyes, and to our surprise, the world of the video game, Shinobi, has merged with our world.

Lincoln: Whoa. Hibana, take a look, your world has merged with ours.

Hibana: That's incredible.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Shadow Master.

Hibana: It's Shadow Master.

Lincoln: The overlord of Neo Zeed, I should've known he'd show up.

We also saw he was fighting someone, it was his old enemy, Joe Musashi.

Lincoln: And the person fighting Shadow Master is Joe Musashi. Let's give him a hand and send that monster straight to The Black Gates.

We flew out of the World Tree Estate, and Lincoln fired powerful energy blasts and elemental forces at Shadow Master, and when Joe Musashi saw us here, he was honored to meet us. But, when Shadow Master saw us, he was enraged.

Shadow Master: Team Loud Phoenix Storm?! Just when I was so close to killing Joe Musashi and taking over this world!

Lincoln: That's not happening, you knock off clone! Yeah, we know you're a clone of Joe Musashi, and I think it's time for you to pay for what you've done.

Hibana: That's right, Lincoln, and I've had it with this monster.

Suddenly, Hibana's chestnut-colored eyes turned neon chestnut, and she was surrounded by a white and red energy aura with scarlet flowers, doves, and white and red flames, and as she approached Shadow Master, she left white and red energy, scarlet flowers, doves, and white and red flames with every step.

Hibana: Shadow Master, I will never forgive you for the crimes that you've committed against the innocent, and now, we shall carry out the only sentence for a disgraceful ninja like yourself: death.

Suddenly, Hibana was surrounded by a massive vortex of white and red energy with scarlet flowers and white and red flames surrounding it, there's a dove flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Hibana emerged, but she was changed forever.

Hibana grew to 6'11" in height, she has the body of a goddess, she has white and red highlights in the bangs of her long flowing raven black hair, she has neon chestnut-colored eyes and a white and red energy aura with scarlet flowers, doves, and white and red flames surrounding her, she has a ninja with the Shadow Kanji in its hands emblazoned on her forehead, she has on dove earrings with red gems for eyes and holding the Shadow and Eternity Kanjis in its talons, she also has a dove with red gems for eyes and the Shadow and Eternity Kanjis in its talons for the second pendant, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with white crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts with white and red dove-shaped Element of Harmony, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Hibana has on her white, black, and crimson shinobi suit, white and red knee-high combat boots, and long sleeveless white trenchcoat with white and red flames, scarlet flowers, and doves on the coattails, and on the back is a ninja with shadows and the demon sword, Akujiki. Suddenly, Hibana felt a sharp pain on her back, and then, massive raven black angel wings with white and red tips on the feathers, grew and sprouted out from her back. Hibana has on a Ring of The Phoenix with white and red gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Hibana has a new weapon her right hand called Amatsu-Mikaboshi's Dark Broadsword of Shadow Justice, it's a brand-new large broadsword with the Japanese god of darkness, Amatsu-Mikaboshi etched on the 7'0" massive, wide, double-edged red blade, midnight black large horned demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, and four large black horned demon heads with red gems for eyes and in their open mouths and a large red gem on the bottom of the demon heads for the pommel, she has on her brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold dove's head with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below the ninja that said, "Hibana, Member of The Oboro Clan, Former Shinobi Agent of The Shinobi Agency, Rogue Shinobi Who Lives By Her Own Code of Honor and Justice, Defender of The Innocent, Subjugator of The Demon Sword Akujiki, Loving Future Wife of Lincoln Loud, Destroyer of Kurohagane, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ninjutsu and Shadows"

ひばな、朧藩のメンバー、元忍庁の忍エージェント、自分の名誉と正義の規範に従って生きる不正な忍、罪のない者の擁護者、魔剣アクジキの征服者、リンカーンラウドの愛する未来の妻、黒羽根、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして忍術と影のマスター

Hibana has transformed into SUPER ANGEL ETERNITY INFINITY SCARLET IVORY FIRE SHINOBI ANGEL OF SCARLET IVORY FIRESTORM JUSTICE AND DIVINE SHADOW SHINOBI LOVE!

We were amazed by Hibana's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Shadow Master saw it, he fell into a rage and tried to kill her with his sword, but Hibana threw a kunai into his shoulder and wounded him and she fired a white and red energy blast with doves, white and red flames, and scarlet flowers at him, and it really injured him.

Lincoln: Wow, Hibana, you look beautiful. How do you feel?

Hibana: (Divine Echoing Cosmic Voice of The Ivory Scarlet Firestorm Shinobi and Divine Shadow Love) I feel incredible, Lincoln. Now, shall we administer Shadow Master his punishment?

Lincoln: (Smiles) With pleasure, Hibana.

Joe Shinobi: Allow me to give you both a hand.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he and Joe Musashi joined Hibana.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time for you to pay for everything you've done, you disgraceful shinobi!

Hibana, Joe Musashi, and Lincoln went after Shadow Master, and they fired powerful blasts of rainbow energy, white and red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Mermaids, Sea Creatures, Doves, and Angels at Shadow Master, and they exploded with incredible power as they hit him. Then, they clashed with Shadow Master and they disarmed him, and Lincoln fired a Void Style: Shadow Spear at Shadow Master's right arm and it was turned to dust and he screams in pain. Then, they threw kunai daggers at him, which pierced his pressure points and paralyzed his body, and then, Lincoln and Hibana used a Void Style: Twin Shadow Dragon Rasenshuriken and they threw it at Shadow Master and as it hits, it exploded with incredible power killing him and he was erased by The Black Gates forever.

We cheered wildly for what Hibana, Lincoln, and Joe Musashi did as they holster their weapons and power down, and Hibana's new body, clothes, weapons, jewelry, and massive raven black angel wings are permanent.

Hibana: Rest in Hell forever, Shadow Master, and may you never return. I can't thank you and Joe Musashi enough for helping me take down Shadow Master, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Hibana.

Suddenly, Hibana wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Hibana's face, they kissed passionately as Hibana's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and a herd of Buffalo running across the field, along with elemental forces and doves flying behind them and we cheered wildly for them.

Joe Musashi: It's finally over, Shadow Master has fallen at last. Thank you for what you did, Lincoln Loud, and it's an honor to meet you and all of Team Loud Phoenix Storm.

Lincoln: (Bows) It's an honor to meet you too, Joe Musashi.

We then returned to The World Tree Estate, and not only did we get rid of Shadow Master, but we've also welcomed Joe Musashi into the team, and he'd heard about our achievements, especially of our achievements of bringing down the many enemies of The Five Great Nations and putting an end to the Devil Incarnate, Madara Uchiha, along with the hatred of the evil Uchiha.

In Ponyville over at the park we were there for Princess Luna and Yost Wolverine's Bonding Time.

Nico: Logan, you and Princess Luna are next for bonding time.

Yost Wolverine: I've been looking forward to this one.

Princess Luna: Me too.

Me: I think it's fitting that we're having Princess Luna and Yost Wolverine's bonding time here in Ponyville.

Nico: It sure is fitting.

Twilight Sparkle: I agree there and it's perfect.

Nico: Yep.

Yost Wolverine: It's nice to see your hometown, Princess.

Princess Luna: It is. But my original home town is in Canterlot.

Me: It's that place up there.

I pointed to Canterlot on the hill not far from Ponyville.

Me: She visits Ponyville from time to time.

Gari: I think it's really awesome too.

Snowdrop: It sure is.

Rebecca Yuminorika: I agree there myself. I think it's great that you all are spending time together in places you all like and doing stuff you enjoy.

Me: Thanks Rebecca.

Princess Luna: And it's an honor that you were chosen as my champion.

Rebecca Yuminorika: I am truly honored myself Princess.

Yost Wolverine: Is it true that people feared you for the crap you pulled as Nightmare Moon?

Princess Luna: Yes it was.

Rebecca Yuminorika: Princess Luna has had a really awful history with that.

Snowdrop: She sure did.

Moondust: Mother warned us all that she was gonna be banished to the Moon because of her growing hatred, resentment and jealousy towards her sister. So she had us locked in crystals and ice for our protection and she put Gari and the Children of the Night in her mansion for safety and made them all Alicorns so they can live forever.

Me: It's true there and I found them all thanks to dreams I had that showed me everything.

Nico: That's true. I think it's awesome.

Me: (In my head) But soon I will reunite Princess Celestia and Amber Morning with their father that Sombra killed in cold blood. I just got to wait till it's time for Princess Celestia's Bonding Time.

Yost Wolverine: Guess that's why you were chosen to meet us.

Princess Luna: Yes. To help you all and let you know that all the mutants in our world are no longer hated.

Me: But the good news is that now mutants are no longer hated.

Qin: Thank goodness for that.

Rebecca Yuminorika: I am glad for that.

Me: But I'm so honored that we got to help you guys out in your world Logan.

Yost Wolverine: I am too J.D.

Me: Yep.

Yost Wolverine: Things weren't too bad until Emma's former buddies caused the Mansion blow up back then.

Me: I heard all about that. That was awful!

Nico: That explosion must've been really powerful.

Me: Yeah! What was it a nuke?

Yost Wolverine: Emma and her Hellfire Club buddies tried using their powers to target Chuck.

Maria: Chuck?

Yost Wolverine: My name for the Professor. At the same time, Jean sensed the psychic attack and tried to tap into the Phoenix Force to save him and us. And… you probably know the rest.

Me: Yeah but that was a powerful energy flashbang blast.

Nico: Wow! That would have to be a flashbang blast as powerful as a nuclear flash to render you incapacitated like that.

Yost Emma: It was.

Qin: Bright and powerful.

Rebecca Yuminorika: That is intense.

Princess Luna: That's incredible.

Yost Emma: It WAS powerful. Powerful enough to land the Professor in a coma and Jean without her memory.

Lily: That is amazing!

Lola: Wow!

Nico: That's incredible!

Krillin: That's like a Solar Flare flash on steroids.

Nico: That's a good way to describe it Krillin.

Princess Luna: It sure is.

Rebecca Yuminorika: No kidding.

Yost Forge: Although the whole time, Jean was just an hour drive away in a hospital.

Me: And you guys didn't even see it coming until it was too late.

Lily: Chuck and Jean probably saw it first.

Lola: Yeah.

Yost Professor X: Logan and the others were able to locate me easily. Jean was another matter.

Me: I see and Lily cured you from your coma.

Yost Professor X: She sure did. Her healing water is amazing.

Nico: It sure is. It helped heal and cure so many people.

Qin: Water is one of the most purifying forces ever known.

Princess Luna: That is true.

Yost Iceman: What exactly did you see in that Sentinel infested world?

Yost Professor X: A lot of horrible things. All of you except Logan, Polaris, and Domino were dead.

We gasped in shock!

Me: I can't believe that peoples hatred over all of mutants would go so far like that. Good thing we stopped it before it spread out of control.

Nico: Thank god.

Qin: Yeah no kidding there.

Yost Professor X: Oh, the humans who hated mutants were not in control during that horrible future. The Sentinels were the ones who were victorious against both humans and mutants.

Me: So the Sentinels rebelled and destroyed both races!

Nico: Like something out of a robot war movie.

Yost Professor X: That's right.

Princess Luna: That's awful.

Yost Beast: And according to Charles, the one directly responsible was Master Mold.

Me: Yeah! And we destroyed him!

Princess Luna: I remember that.

Lola: Thank goodness.

But then Yost Wolverine smelled something.

Nico: Logan, does your nose smell anything?

Yost Wolverine: Yes it does. I smell trouble.

Eli: I sense it too. (Points to down the street) There!

We saw a dark figure coming and it got closer and we saw that it was ANOTHER REVI! It was a scary version of Kamen Rider Revi from Revine from 2021!

Me: That's Another Revi!

Nico: That's a brand new series of Kamen Rider!

Eli: Aired last year!

Me: And it finishes next month! It's also one of our missions for 2023.

Nico: No kidding!

Me: But if Ikki Igarashi saw this he would be infuriated!

Nico: I was expecting to see Another Vice with you!

Another Revi: (In a girls voice) That one is for next time.

Cora Yenningway: (Gasp) That voice!

She reverted back and it was a girl with neon pink hair but shorter and she had dark purple angel wings and a blue tank top and blue shorts.

Cora Yenningway: (GASP) Catty!

Catty Yenningway: Sister! You're alive!

They went and hugged!

Lincoln: Little Catty!? Wow you sure have grown.

Catty Yenningway: Wow so have you Lincoln!

Nico: She is your little sister Cora?

Cora Yenningway: Yep. She sure is.

Catty Yenningway: Me and Cora are both identical twins. She was born 3 hours before me.

Me: Wow! That is awesome.

Maria: Cora, step away from her right now!

Nico: Maria let them catch up for a bit.

Maria: Oh. All right.

Cora Yenningway: So much has happened to me since we last saw each other.

Catty Yenningway: I know. I heard you were turned into a Gene-slammer by those dirtbags of Team Rocket.

Cora Yenningway: Yes I was. I'm now the gene-slammer for Earthbound Immortal Qhoa - The Cat Earthbound Immortal.

Me: It was a recently discovered Nazca Line they found last year.

Catty Yenningway: That's amazing.

Cora Yenningway: It sure is.

Catty Yenningway: We can catch up more after you free me.

Cora Yenningway: Okay.

She came back to us.

Yost Cyclops: What did Swartz promise you?

Catty Yenningway: The same powers as my sister.

Cora Yenningway: You already have those same powers sis. But they haven't awakened yet.

Me: But those dark purple angel wings look awesome on you.

Catty Yenningway: Thanks.

Me: Revi is still new to us so you're going to have to demonstrate some of its powers so we know what they can do.

Catty Yenningway: Sure thing. Lets get it on!

She turned into ANOTHER REVI!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Come at us!

Another Revi: With pleasure.

She pulled out an Ohinbuster50 and she pulled out a Vistamp for Dark Spicer!

Another Revi: Here's your warning J.D., Your ass is about to be kicked!

She stamped the screen and it formed into a sword with Dark Spicer's powers as Ghostfreak! She fired waves of darkness at me and I blasted the blasts away!

Me: Whoa! She has Vistamps imbued with the core members of the M.O.E.! That is amazing!

Another Revi: You like that huh?

Me: I remember seeing a debut of Revi at the end of Zero One! That was so awesome!

Yost Wolverine: Sorry about this, kid. (pops out claws)

He slashed at her all over the place.

And smashed her down.

Me: Ouch. Sorry about this Catty. But that power is poisonous to you.

I fired blades of blue fire and they hit her and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it and Varie and Maria brought her over.

Catty Yenningway: (Groans) Wow! What a headache!

We saw Vistamps all over the ground along with Ohinbuster50 blasters and we picked them all up.

---

We were later over in San Francisco, California and we were there to meet some awesome and very special friends that Maria and Nico and Fluttershy met a while back.

Silver Spoon: So, who are we meeting?

Nico: You'll love them Silver Spoon.

Maria: We're going to meet the Bear Brothers. They are Grizzly, Panda and Ice Bear.

Johnny Bravo: Ooh from the cartoon We Bare Bears.

Vambre: (British Accent) It'll be good to see them again.

Lola: It sure will! I love that cartoon. So awesome.

Nico: Yep. They live in a cave in San Francisco park.

We arrived at the park.

Nico: Here we are.

We saw the cave.

Nico: Don't worry these guys are friendly and awesome.

We went up to the door and knocked on it.

Answering it was Panda.

Panda: Hey guys!

Nico: Hey Panda.

Panda: Come on in guys.

We went in and we met the Bear Brothers.

Grizzly: Wow! Team Loud Phoenix Storm! Awesome to meet you guys.

Balto: It's nice to meet you guys.

Grizzly: You too Balto.

Ice Bear: Ice Bear honored to meet you.

Nico: Ice Bear is one of few words.

Me: I see. But it's awesome to meet all three of you.

Shockwave: You 3 are not the first talking bears we've seen.

Panda: Really?

Me: Yeah we've encountered many bears that we know on so many of our awesome adventures.

Nico: But can you share with us your many adventures?

Grizzly: Boy we sure can.

They told us everything that they went through during many of their awesome adventures. And more. When they were done we were absolutely floored and amazed.

Me: Wow! So you guys are trying to fit in with everyone and want to be like everyone else.

Panda: Yep.

Grizzly: It's a big struggle.

Ice Bear: Ice Bear trying.

Lola: You sure are. But wow.

Wheeljack: Hey, you guys are pretty fine to me.

Me: Absolutely. You guys are awesome already.

Panda: Thanks. Hey I have something you should see.

He showed us a newspaper of a helicopter that crash landed on a remote island in the middle of the ocean.

Me: I heard about that crash.

Panda: Yeah that was us when we were cubs. We were on that island. We were with a woman we loved named Karla.

Nico: I remember hearing about her.

Lola: What happened?

Grizzly: We were there on that island and her crazy companion Dave tried to kill us and have her all for himself.

He told us what happened.

---

Dave is the main antagonist of the Cartoon Network series We Bare Bears episode "The Island".

He was voiced by Jake Johnson.

Background

At some point, Dave got stranded on an island along with fellow stranded Karla. It's unknown If they knew each other before this. When they first met, Dave fell madly but secretly in love with Karla. And was willing to do anything make her his "wife and muse"; even if it meant potentially killing both of them. He stole some emergency supplies from a helicopter (which contained and instant inflatable raft to escape the island). He hid the supplies in a thicket of leaves and spent an unknown amount of time with Karla on the island.

The Island

The cubs first meet David and Karla when the two of them saved the bears from dying in quicksand. They threw a vine to them and used it to pull them out. While he writes in his journal, Grizzly peeks at it and marvels his drawing of a makeshift boat. Dave then quickly puts it away and claims that he was a "travel blogger" before he was stranded on the island. He later goes to sleep in the two's hut house on the island. Later, he and Ice Bear and getting coconuts. Dave obviously has trouble and falls down from the tree. Ice Bear climbs up the tree effortlessly and gets a batch of coconuts down (some of which hit Dave). He later drags Dave back to the house while attempting to communicate to his brothers in body language. Dave just thinks Ice Bear is just freaking out about something. Dave accompanies the three as Ice Bear leads them to the crashed helicopter he spotted earlier. Dave suggests that it isn't safe to search the helicopter and that it might explode. The lack of emergency supplies on the ship leads to Karla having a small breakdown. Dave tries to comfort her, but he shoves him away to be alone. Dave later finds the cub's discovery of the emergency supplies and tries to steal it. When the cubs corner him, he demands that they forget what they saw and has a tug-of-war with the cubs over the supplies. Which eventually leads to the cubs being tossed back into the same quicksand pit they were rescued from earlier. Dave throws the supplies into the quicksand, and he reveals his true love-sick colors to the cubs. He reveals that being stranded on the island would eventually allow him to win Karla's heart; and that he is madly in love with her. Also revealing that he stole the supplies from the helicopter before hand and hid it to ensure that Karla would never find away off the island. He is willing to do anything to win Karla's heart; even if it means stranding her on the island forever (potentially leading to both of their deaths from the lack of resources). He then abandons the cubs to die in the quicksand and steals the fruit the cubs prepared for Karla. Later in the woods, he comforts Karla with some water and he attempts to cuddle her uncomfortably until the cubs (who escaped the quicksand earlier with the inflatable raft) while Grizzly reveals Dave's true nature. He tries to explain how helpful he's been for Karla until Panda shows up with Dave's journal and reveals it's true contents (including pictures of them kissing and her getting married to a muscular version of himself). Karla finally realizes Dave's true nature and gives him to cold shoulder. This enrages Dave and he attempts to grab the bears, but they flee with Karla (Ice Bear throwing one last coconut at him out of spite). Dave peruses the four and nearly gets Ice Bear. But he escapes Dave's grasp by throwing a starfish at his eyes, stunning him briefly and allowing Karla and the cubs to escape the island on the raft and leaving Dave behind on the island to die.

---

When he was done we were shocked and pissed!

Applejack: Why that rotten no good sidewinder!

Me: Tell us the whole story.

Grizzly: Okay.

They did so.

---

The episode starts with the cubs lost at sea. As they float along the waters, Grizzly is watching their surroundings through his hand-made binocular while Ice Bear is attempting to guide their box that has been left adrift. Panda attempts to savor some crumbs from a granola box, but can't eat much as they're trying to preserve it as long as possible.

Suddenly, a massive wave comes, and the bears are washed up on an island. Grizz believes that they are in Japan, but claims that there were less buildings then he expected. They decide to explore the island, but they are chased by a large reptile. The bears finally escape, but find themselves stuck in quicksand. Daveand Karla come to the rescue by using a vine to pull the bears out.

Karla is glad to know that the bears are okay, and Dave asks if a rescue team is coming. Grizzly explains that they were washed up in their box, and asks if they are in Japan. Dave tells them that they aren't at their destination, but Karla reassures them. Panda tells Karla that she is lucky to be stranded with Dave, believing that he is Karla's husband. However, Dave explains that they were shipwrecked separately.

As Panda introduces himself and his brothers, Dave starts to write in a journal. Grizzly wants to see what he is writing. Dave claims that he was a travel blogger, and nervously takes his journal back. Karla offers to let the bears stay with her and Dave, and Panda says that he will go if they have food.

At Dave and Karla's home, everyone is relaxing and the bears are telling stories. Dave says that he is going to sleep, and Karla tries to get the bears to sleep as well. Grizzly says that they will sleep if Karla sings them a song. After she finishes singing, Grizzly asks if she is missing home, to which Karla replies that she does and tells them that they will get off the island.

The next morning, Ice Bear goes to help Dave get coconuts from the tree. At the top of the tree, Ice Bear is surprised to spot a helicopter in the distance. He races down the tree and gets Dave to follow him. Meanwhile, Grizzly wakes up and asks Panda where Ice Bear is. Panda says that he must be out for a jog. Karla offers them fruit for breakfast. Ice Bear takes Dave to the hut and tries to act out what he wants to tell them. Grizzly says that he really needs to teach Ice Bear how to talk. Ice Bear runs away, and Grizzly says that they are supposed to follow him. Ice Bear leads everyone to the abandoned helicopter. Grizzly suggests to go inside, but Dave says that it may not be safe inside. Karla says that they may be able to get the engine to work. Dave does not seem to want the helicopter to fix. Panda says that there may be emergency supplies in the back, but they find nothing. Dave says that they should leave.

Karla is upset because she believes it was her last chance. Dave tries to comfort her, but Karla says that she needs to be alone. Dave follows after her. Grizzly feels sorry for Karla, and Panda suggests that they collected some food from the forest to surprise her. Grizzly agrees, saying that Karla will explode with happiness. They set out to find food, and Ice Bear sees a box. Grizzly and Panda follow him, and discover that it contains emergency supplies. Grizzly opens it and sees an inflatable raft. Grizzly and Panda are ecxited to use it to get Karla off the island. Dave finds the bears and asks what they are doing. Grizzly explains that they will be able to escape, but Dave runs away with the box. Panda says that Dave is taking it for himself, and the bears chase after him.

Dave is stopped at a cliff and says to forget about the box, but the bears try to take it from him anyways. Dave throws the bears and the box off the edge and into the quicksand. He says that Karla can't know how to get off the island since it is the only way to win her heart. He says that she will be as madly in love with him as he is with her, and he will stay on the island as long as he has to. Grizzly says that his love is about "lies and deceit". Panda calls Dave a "weird creeper", and says that they will escape and tell Karla about Dave's plan. They continue to sink. Grizzly dives under and opens the raft, and all the bears land on it. Grizzly says that they are free, and that they need to save Karla.

Karla is sitting by herself. Dave comes and brings water to her, and then asks if she is okay. Karla says that she worries that they will never get off the island. Dave says that it isn't that bad since they have food, shelter, and each other. Grizzly and Ice Bear are standing on a branch, and start to throw coconuts at Dave. Grizzly tells Karla to get away, and explains that Dave only wants Karla to fall in love with him. Dave tries to prove innocence by saying that he has been helpful, but Panda comes in with Dave's journal. Dave tries to attack the bears, saying that they have messed everything up. Karla says that if it wasn't for him, they could be at home.

The bears help Karla run away, and Ice Bear throws one last coconut at Dave. Dave chases them. Karla, Grizzly, and Panda board the raft, but Dave grabs Ice Bear. Karla tells him to let go of Ice Bear, and Dave says that he won't unless Karla promises to love him. Ice Bear grabs a starfish and throws it at Dave, then he boards the raft with his brothers.

That night, Karla and the bears are on the raft far into the ocean. The bears are asleep and shivering, so Karla puts her blanket over them. Karla then goes to sleep, and a rescue boat comes. They bring Karla on to the boat, but they don't see the bears since they are under the blanket.

The next morning, the bears are washed up somewhere else. They wake up, and Grizzly asks where they are. Panda asks where Karla went, but Grizzly interrupts him. He excitedly points and says that they had made it to Japan, to which Panda replies, "Isn't that peachy?"

---

When it was done we were shocked!

Me: Wow! So you were trying to go to Japan. But that's amazing that you helped Karla escape.

Qin: And you left Dave on that island.

Kaiba: Is he still on the loose?

Nico: I don't think he's even alive anymore. That island is miles from civilization.

Lola: Yeah. It would take a miracle for him to get back.

Eli: But let me see.

Eli used the Force to search for Dave. But it found nothing.

Eli: Nothing.

Me: Maybe we can ask around if anyone knows about him. Do you have guys have a picture of him and Karla?

Panda: Yes we do.

He went and gave us a picture of Dave and he was a brown hair man with beat up clothes and Karla was beautiful and I was love struck.

Me: Wow.

Nico: Oh I feel someone getting another member to their harem.

We laughed.

Me: Well the best place to start is at the police station.

Then Electropede, Diabolico, Count Nocturne, Black Lance, Biowulf, Goro, Whiger, Toad, Leapfrog, and Gameface appeared.

Electropede: Can me, Diabolico, Count Nocturne, Black Lance, Biowulf, Goro, Whiger, Toad, Leapfrog, and Gameface go with you guys?

Nico: Yes you all sure can.

Black Lance: So these are the Bear Brothers we heard about. Awesome to meet you.

Grizzly: Same here.

Panda: An honor.

Me: We're going to find a girl named Karla that they helped escape from her evil companion that was stranded with her on a remote island.

Electropede: Wow.

We told them everything and they were shocked!

Diabolico: Wow that is shocking.

Me: Yeah.

Exhaust: Boss, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Molten Hydra next.

Me: Ooh a hot one from Magic The Gathering.

Grizzly: We heard so much about those gene-slammers and they are awesome.

Emily (GF): They sure are awesome.

Lola: Yeah they are.

Anemone: Let's put some wanted posters of him.

Nico: Lets not get ahead of ourselves Anemone. First we got to use our detective skills to find out more and then find Karla to make sure she is okay.

May Honaka: Okay then.

We arrived at the Police Station.

Nico: Here we are.

We went in.

Chief: Ah Team Loud Phoenix Storm.

Me: Hello chief.

Nico: We just want to ask you if you have seen this man. His name is Dave.

Nico showed him the photo of him.

Chief: Ah the crazy hermit on that island.

Me: You know of him?

Chief: Yep. We found him and arrested him and sent him to Atascadero State Hospital. Guy is as crazy as a fruit bat. Won't stop going after that Karla girl. Guy is out to find her. Busted out of Atascadero again last week.

Nico: He escaped before?

Chief: 20 times actually. Guy is nutty as a fruit cake. Tries to find Karla like a mad dog.

Nico: Whoa. He is dangerous as hell. Thanks for telling us this. Do you know where Karla is?

Chief: I sure do. She works at that donut shop right there across the street.

Nico: Very coincidental. Thanks for your time chief.

Chief: Anytime guys.

We left.

Whiger: The wanted posters idea doesn't sound that bad now.

Girl Jordan: I'll get to work on them.

She pulled out her laptop and portable printer.

We went to the donut shop and we went in and we saw Karla.

Karla: Welcome to San Fran… Team Loud Phoenix Storm! Wow what an honor.

Me: You too Karla.

Grizzly: Long time no see Karla.

Karla: The Bear Brothers.

She went over to them and hugged them.

Karla: I've missed you guys.

Moosk: (Russian Accent) Bears missed you so much.

Karla: I know.

Me: We heard about what happened and thank goodness you're all right Karla.

Karla: I am too.

I put my hand on her shoulder.

Me: I completely understand what you went through Karla. I was stranded on a remote island myself.

Karla: Really?

Nico: When did that happen?

Me: It was a long time ago. Me and my family were on vacation in Indonesia and a tidal wave capsized our boat and we wound up stranded on a remote island.

Laney: I remember that!

Lola: Yeah that was crazy.

Me: Yeah. We were stuck there for 7 weeks. But thanks to everything I learned from Rip Hardcore we managed to get through it.

Lincoln: I remember that J.D. That was awesome!

Rainbow Dash: Yeah it was!

Me: Also the Loud's went through the same thing.

Rainbow Dash: They did?

Me: No thanks to that cheapskate Flip.

Karla: Who is Flip?

Me: You would not like this guy one bit.

I told her everything and she was shocked.

Karla: I don't see why you guys don't just kill that jerk Flip already.

Biowulf: Is Flip vile? Yes. But is he that dangerous like Joker and Luthor? No.

Me: What he has done was terrible.

Laney: Yeah I can never forgive him for everything he did.

Qin: Yeah.

Disk Wars Mandarin: But it's always fun to humiliate that jerk.

Nico: Yep.

Qin: It's awesome and fun.

Karla: I think it's great you humiliate him.

Me: Yep.

Count Nocturne: But enough about us. Let's talk about you.

Karla: Sure.

Me: Yeah. I take it you heard that Dave is back and out to get you.

Karla: Yeah. But I'm not going to let him bother me anymore.

She showed us that she had a 44 magnum gun holstered in her pocket and had a permit for it.

Me: Ooh you armed yourself.

Gilda: Do you have enough ammo?

Karla: Yep.

She had lots of bullets.

Me: Nice. Hope he likes lead.

Grizzly: Yeah we'll make sure he rues the day with us.

Diabolico: Well, we still need to wait until we get his location.

Me: San Francisco is a really huge city. He could be anywhere.

Girl Jordan: I got the posters printed and ready.

Me: Awesome.

Nico: Lets go put them up.

We spread out all over the city and put them up.

Buddy Pine: How many posters do we have?

Girl Jordan: 829.

Me: That's all we need.

We got them spread out and we waited for some tips.

Then we got a call and someone saw Dave hiding out in an abandoned candy factory.

Black Lance: Is the call legit?

Nico: Yep. Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Julius the Scion of Darkness and the main antagonist from Fire Emblem: Genealogy of the Holy War, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and we're so not going to like this person one bit: the dark energy signal I sensed belongs to Julius, the Prince of the Grannvale Empire and the Scion of Darkness, and he's coming to destroy us.

We gasped in shock, including the Fire Emblem girls in my harem and Lincoln's harem, and our Fire Emblem allies.

Chrom: I've heard about Julius, he's the son of Arvis and Deirdre, and he's a master of fire and darkness. But, he's also a tyrant who's become the incarnation of Loptous, he's cold-hearted, ruthless, and murderous.

Lucina: We have to stop him now.

Catherine Windsor: (British Accent) Allow me and Lincoln to take this evil tyrant down, and we will make sure that he pays for everything he's done.

Lincoln: That's right, we're not letting that tyrant get away with what he's done. He'll die a horrible death for his crimes, and he'll be reduced to ashes for good.

Nico: Yeah, and you guys should also destroy that accursed tome that he has.

Lincoln: The Tome of Loptous, that's right, that accursed book needs to be destroyed, along with the tyrant that has it.

Me: Yeah, any who use black magic to harm others deserves no mercy.

Nico: Yeah. Alright, gang, let's go.

We were off to the factory.

Future Maria: Nico, now would be a good time to give out Ridewatches.

Nico: I don't have any new ones made right now unfortunately.

Future Maria: Oh. No worries.

Me: You'll think of something.

Nico: Okay. Lets go then.

We were off.

Nico: Oh wait I do have some.

He pulled out some ridewatches.

Nico: I actually have these made.

Nico revealed Ridewatches for Agito, G3, Wild Force Red, and their copies.

Me: Cool!

Benson for the copy and Tommy Oliver for the original of Wild Force Red. Mordecai and Rigby for the copies. Gia and Emma for the originals.

Goro: One of these days, we really do have to look for an archenemies for Mordecai and Rigby.

Me: We just got to figure out who to find for them.

Nico: Plenty of villains out there for them.

Marvel Loki: Nico, one of these days, you and Maria should have bonding time as well.\

Nico: That's not a bad idea.

Qin: Yeah it sure is.

Maria: I would be honored to have some bonding time with bro.

Nico: Um… guys. I think we're wasting enough time with this and-

Toad: Oh, c'mon. You and Maria are like siblings. It's only fair.

Me: Yeah.

Qin: Besides you earned it.

Nico: You're right.

We arrived at the factory. It was a rundown beat up factory. It was the San Francisco Jawbreaker factory. Shut down 50 years ago.

Me: There it is.

Nico: The Old San Francisco Jawbreaker factory. That place was shut down 50 years ago.

Eli: Wonder how come?

Me: Massive lawsuits after some kid was stupid enough to swallow a softball sized jawbreaker.

Nico: Geez. But is he in there?

Eli sensed for him.

Eli: Oh yeah he's in there all right.

Me: He's getting a one way trip to the Saturn Insane Asylum for this.

Nico: Yep.

Jean Bison: Entrance time.

We went at the factory!

Dave was pacing around and he was fuming mad. He was saying I Love Karla over and over.

Dave: Those stupid bears!

But then the spirits of bears swirled around him and then they converged and then a massive banana tree grew!

(DAY-O THE BANANA BOAT SONG BY HARRY BELAFONTE PLAYS)

Day-o, day-o

Daylight come and we want go home
Day, is a day, is a day, is a day, is a day, is a day-o
Daylight come and we want go home
Work all night on a drink of rum
(Daylight come and we want go home)
Stack banana 'til the morning come
(Daylight come and we want go home)
Come Mister tally man, tally me banana
(Daylight come and we want go home)
Come Mister tally man, tally me banana
(Daylight come and we want go home)
Lift six foot, seven foot, eight foot bunch
(Daylight come and we want go home)
Six foot, seven foot, eight foot bunch
(Daylight come and we want go home)
Day, is a day-o
(Daylight come and we want go home)
Day, is a day, is a day, is a day, is a day, is a day-o
(Daylight come and we want go home)
A beautiful bunch of ripe banana
(Daylight come and we want go home)
Hide the deadly black tarantula

(Daylight come and we want go home)

Lift six foot, seven foot, eight foot bunch

(Daylight come and we want go home)

Six foot, seven foot, eight foot bunch

(Daylight come and we want go home)

Day, is a day-o

(Daylight come and we want go home)

Day, is a day, is a day, is a day, is a day, is a day-o

(Daylight come and we want go home)

Come Mister tally man, tally me banana

(Daylight come and we want go home)

Come Mister tally man, tally me banana

(Daylight come and we want go home)

Day-o, day-o

(Daylight come and we want go home)

Day, is a day, is a day, is a day, is a day, is a day-o

(Daylight come and we want go home)

Bananas appeared and danced to the beat and then POP!

We came out!

Nico: Now that was a clever and funny entrance.

Dave: Team Loud Phoenix Storm! Karla!

Karla: You will never touch me Dave!

Dave went over and then…

BANG!

Karla fired a shot into his leg and he screamed in pain!

Me: Nice shot!

Karla: Thanks.

Electropede: Out of all the ex boyfriends we've met, you are by far the worst!

Me: Yeah how can you be so cruel to the Bears!?

Qin: They didn't do anything to you! They are heroes and awesome friends.

Karla: And also I have a new boyfriend now.

She then kissed me on the lips and I returned it. THIS REALLY PISSED HIM OFF AND HE WAS REALLY SEEING RED!

I then flipped the bird at him while I was kissing her.

Brian: (LAUGHS) Just like how I was kissing Cheryl Tiggs!

Nico: That is awesome.

But then Solomon Grundy, Machinedramon, Puppetmon, Dodgeball Wizard, Zavok, Spot, Red Ghost, Scorpion, David Cain and Seadramon appeared.

Nico: Solomon Grundy, Machinedramon, Puppetmon, Dodgeball Wizard, Zavok, Spot, Red Ghost, Scorpion, David Cain and Seadramon.

Seadramon: Hey nice catch J.D.

Me: Thanks. From one survivor to another it was awesome.

Karla: It sure was.

Grundy: Grundy happy to meet bears.

Grizzly: We're happy to meet you too, Grundy.

Machinedramon: (to Nico) You really should have some bonding time with Maria in the future.

Puppetmon: Everyone else is having bonding time. You two should be included.

Nico: Yeah you're right guys.

Dodgeball Wizard: We hope you had a nice time at the park.

Nico: Oh we sure did.

Zavok: You guys earned it.

Nico: It sure was fun.

?: We're glad.

A figure came out and it was TRISKULL from episodes 29 & 30 of Lightspeed Rescue!

---

He was the leader of the Ghouls, foot soldiers Trakeena used due to the destruction of her Stingwingers. Triskull and the Ghouls were freed from the Shadow World, presumably by Trakeena, only to appear in Earth's dimension on Mirinoi. He pretends to aid Olympius in collecting energy for Queen Bansheera, but was actually collecting it so Trakeena can return to her insectoid form. If he helps her become the powerful green insecticide she once was, then he will be her general and be granted lots of power. He attempts to stop the Rangers from entering the building, where the energy is kept, and was destroyed by the Red Galaxy and Lightspeed Rangers. The finishing blow was dealt by Carter's Battle Booster.

---

Me: Triskull! I remember you all too well! You were working with

Trakeena and Olympius to get energy for Trakeena so she can return to insect form.

Triskull: That's right.

Me: Also that was one of the most epic team ups. Lost Galaxy and Lightspeed Rescue teaming up was so awesome.

Triskull: That was awesome.

Laney: But that horrifying monster form Olympius turned Trakeena into was absolutely horrifyinig.

Nico: Yeah!

Triskull: I honestly think Vypra's a better boss then Olympius and Trakeena.

Nico: I'm glad you think so.

Lana: Me too.

We got the usual battles underway.

Dan Kuso, Sunset Shimmer, Pipsqueak, Fire Skylanders, Grier and Moosk VS The Dodgeball Wizard (Codename KND) - Meeting a gene-Slammer for Earthbound Immortal Qhoa

---

Dodgeball Wizard was next.

Dodgeball Wizard: (To Dan) I heard you guys met a gene-Slammer for Earthbound Immortal Qhoa. What's her name?

Dan Kuso: Her name is Cora Yenningway and she is a totally new Earthbound Immortal Gene-slammer.

Drago: She is the Cat Earthbound Immortal Gene-slammer. After being recently discovered last year I think that's awesome that a Cat Earthbound Immortal surfaced.

Sunset Shimmer: I think it's amazing myself.

Pipsqueak: (British Accent) It sure is amazing. I think there are many more gene-slammers for all the Earthbound Immortals in the Nazca Lines.

Sunburn: Boy that is really incredible. But her story is awesome too.

---

Cora Yenningway: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Cora, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Cora Yenningway: That's incredible.

Nico: It sure is. So, Cora, what's the story of how you took on the worst of Lola's wrath?

Cora Yenningway: Now, that's a story I haven't forgotten. One day, I was with Lincoln and we were in a beautiful forest in Royal Woods, and we were enjoying the quiet tranquility of nature. But, that day was ruined when we saw something rushing in: it was Lola in her Princess Jeep and she was super mad. She was mad that Lincoln broke her tiara. But, Lincoln said he wasn't in her room at the time, but she was extremely furious and not listening to Lincoln and she was about to run over Lincoln and kill him. Knowing that Lola's capable of horrible actions including murder when she gets mad, I fired a pink fire blast and blew the tires out and asked a nearby snake to tie her up and drag her butt back to The Loud House. We then told Mr. and Mrs. Loud of what Lola tried to do, and they were mad at Lola. Then, we went up to Lisa's room and we looked at the footage from earlier, and we saw that Lincoln wasn't in Lola's room at the time her tiara was broken, just like he said, because he was getting ready for our day in the forest. We then saw who it was that did the dirty deed: Lynn, she broke Lola's tiara by stepping on it, and she placed a lock of Lincoln's hair there to frame him. We gasped in shock, and Lola was going to kill Lynn. But, Lincoln beat Lola to the punch when we saw his eyes change from black to blood red, and he rushed into Lynn's room and he tied her up with dark energy ropes. Lola got grounded for two days, but Lynn got grounded for five weeks and she had to glue Lola's tiara back together and Lincoln threw all her jerseys and sports equipment in storage bins and told her she'll get them back if she learns to behave, and to make his threat clear, his eyes had turned blood red and he summoned an army of creatures of the night from the darkness, and that really terrified her.

We cheered wildly for what Cora Yenningway did to Lola and what Lincoln did to Lynn.

Me: Whoa, Cora, you took on the worst of Lola's wrath and you stopped her.

Nico: And Lincoln put Lynn in her place when he hogtied her with dark energy ropes, and he put all her jerseys and sports equipment into storage, and he really made his threat clear when he went into vampire mode and summoned that army of creatures of the night and it terrified her. Remind me never to get you mad, Lincoln.

Lucy Loud: It was indeed a sight to see Lincoln summon the creatures of the night but for good, and to put Lynn in her place.

Nicholette Torrington: When Lucy told us and all of the other Gothic Guardian Angels that, we were really stunned with awe.

Autumn Bellamira: Yeah, it was really awesome seeing Lincoln using the powers of darkness, and he used it to put Lynn in her place. She's had it coming for a long time with all the crap she's put her brother through.

Lucina: I knew there's no mistaking that voice from anywhere. You can come out now, Julius.

A figure dressed in black and red clothes and in his hand was the accursed tome of Loptous came out of the shadows, and it was none other than Julius, the Scion of Darkness and the main antagonist from Fire Emblem: Genealogy of the Holy War.

Chrom: Julius, I should've known you'd show up here.

Julius (Fire Emblem): You will all die in the name of Loptous!

Catherine Windsor: (British Accent) That's never going to happen, you cold-hearted tyrant, and now, your reign is about to come to an end here and now.

Suddenly, Catherine Windsor's crimson red eyes turned neon crimson red, and she was surrounded by a crimson red energy aura with flames, phoenixes, and fire angels, she unholstered her massive Fire Princess-themed greatsword from her back, and as she approached Julius (Fire Emblem), she left crimson red energy, flames, phoenixes, and fire angels with every step.

Catherine Windsor: (British Accent) I will never forgive you for the crimes that you've committed against so many innocent people, Julius, and all in the service of a dark god who hates humanity. Now, I will see to it that you pay the ultimate price for all of your crimes.

Suddenly, Catherine Windsor was surrounded by a massive vortex of crimson red energy with flames surrounding the vortex, there's a phoenix, fire angel, and Fire Princess flying around the vortex, and in the vortex is a fire-colored phoenix. Then, as the vortex faded, Catherine Windsor emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Catherine Windsor grew from 6'5" to 6'11" in height, she has the body of a goddess, she has fire-colored highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes and a crimson red energy aura with flames, phoenixes, and fire angels surrounding her, she has Fire Princess with the Flame Kanji in her hands emblazoned on her forehead, she has on phoenix earrings with crimson red gems for eyes and holding the Fire and Eternity Kanjis in its claws, she also has Fire Princess with crimson red gems for eyes and the Fire and Eternity Kanjis in her hands for the second pendant on the bottom of her crimson red fire angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Catherine Windsor has on an open crimson red blouse, crimson red sleeveless midriff top, crimson red gem-studded skirt, red pants, red legwarmers, red high-heeled pumps, and long sleeveless crimson red trenchcoat with flames, phoenixes, and fire angels on the coattails, and on the back is Fire Princess with flames surrounding her. Suddenly, Catherine Windsor felt a sharp pain on her back, and then, her massive crimson red angel wings grew much bigger for her new body, and the large crimson red feathers have fire-colored tips on the feathers and flames. Catherine Windsor has on a Ring of The Phoenix with crimson red gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Catherine Windsor's massive Fire Princess-themed greatsword and her sword that she got from our treasure hunt along with all the other treasure battle swords began merging together, and they were surrounded by a kaleidoscope of crimson red energy, flames, fire angels, and phoenixes, and when it emerged, it was transformed into Fire Princess' Firestorm Angel Broadsword of Firestorm Phoenix Justice, it's a brand-new large broadsword with Fire Princess etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and four large crimson red phoenix heads with crimson red gems for eyes and in their open mouths and on the bottom of the phoenix heads is a large crimson red gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Fire Princess' head with red gems for eyes and a large crimson red gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below Fire Princess that said, "Catherine Windsor, Descendant of Mary, Queen of Scotts, The Long Lost Princess of England's History, Powerful Fire Angel, Powerful Wielder of Fire, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Fire Angels, and Phoenixes"

キャサリン・ウィンザー、メアリーの子孫、スコッツの女王、イングランドの歴史の長い失われた王女、強力な火の天使、強力な火の使い手、愛する守護天使とリンカーン・ラウドの未来の妻、いじめっ子の嫌悪者、悪の殺し屋、混乱した、殺人、冷酷でサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして火、火の天使、そしてフェニックスのマスター

Catherine Windsor has transformed into SUPER ANGEL ETERNITY INFINITY INFERNO FIRESTORM FIRE PRINCESS PHOENIX ANGEL OF FIRESTORM INFERNO JUSTICE AND DIVINE FIRE LOVE!

We were amazed by Catherine Windsor's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Julius saw it, the cold-hearted tyrant fell into a rage and fired a blast of fire at her, but she absorbed it and it made her stronger than ever, and she fired a powerful crimson red energy blast with fire, fire angels, and phoenixes, and it hits Julius and burned the Tome of Loptous to ashes, but he's not safe for long.

Nico: Whew, Catherine Windsor's transformed, and things are really about to heat up like crazy!

Me: You said it, Nico.

Lincoln: Wow, Catherine, you look beautiful. How do you feel?

Catherine Windsor: (Divine Echoing Cosmic Voice of The Firestorm Angel Princess and Divine Fire Love) (British Accent) **I feel incredible, Linky. Now, shall we put an end to this monster once and for all?**

Lincoln: (Smiles) With pleasure, Catherine.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Catherine Windsor.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Time for you to pay for everything you've done, Julius.**

Catherine Windsor and Lincoln went after Julius, who continued firing blasts of fire at them, but they kept on absorbing the blasts of fire and it made them more powerful than ever, and then, they fired powerful blasts of rainbow energy, dark blue energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Julius, and they explode with incredible power as they hit him. Then, Lincoln trapped Julius inside a binding circle and he began sucking out and absorbing Julius' powers of fire and darkness and made them his own, and when Lincoln was done, Julius was rendered powerless, and then, they attacked him with their massive swords and left tons of scars on him, and then, they fired powerful blasts of energy, which hit Julius and destroyed him, and he was sent to The Black Gates for all eternity. We cheered wildly for what Catherine Windsor and Lincoln did as they holstered their massive broadswords on their backs and powered down, and Catherine Windsor's new body, clothes, weapons, jewelry, and massive midnight crimson red angel wings are permanent.

Catherine Windsor: (British Accent) That'll teach that heartless monster. Thank you for helping me destroy Julius, Linky.

Lincoln: (Smiles Warmly) You're welcome, Catherine.

Suddenly, Catherine Windsor wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Catherine Windsor's face, they kissed passionately as Catherine Windsor's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Fire Angel, and Fire Princess flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and flames raging behind and around them and we all cheered wildly. Then, they absorbed the flames and came right back to us.

Nico: Now, that was one awesome and fiery battle you guys waged against that tyrant.

Lincoln: Julius may be a powerful sorcerer with powers of fire and darkness, but he hadn't done his homework on the fact that we absorb fire and it makes us stronger than ever.

Me: He sure didn't.

Celica (Fire Emblem): Either way, Julius still paid the price for his crimes, and now, he'll never come back to torment anyone ever again.

Nico: You got that right. But, there's still more of your old foes out

there.

Lincoln: And we're not going to stop until they've been brought to justice or are destroyed. But, there are some who are honorable and could be potential members for The Masters of Evil, we just need to know where to look.

Nico: That's a good idea, Lincoln. Which is why we'll keep a good eye out for any potential members to bring into The Masters of Evil.

Me: And we'll also explore more of the Fire Emblem world, since it's merged with our world.

Eli: That's right.

Nicole: And I'll also help out as well.

Lincoln: That's a good idea, Nicole, you can also help out with finding out which Fire Emblem villain is a good candidate to join The Masters of Evil. But, I know they won't go down without a fight.

Nico: Yeah, but they'll get a chance to see just how strong we are, and they'll join The Masters of Evil once we defeat them in combat.

But then Dave got up and then Sirens were heard as police cars pulled up and surrounded the factory!

Chief: (On a Megaphone) THIS IS THE SAN FRANCISCO CITY POLICE DEPARTMENT! YOU ARE SURROUNDED DAVE! COME ON OUT WITH YOUR HANDS UP!

Dave: NOT UNTIL I HAVE KARLA!

POW!

I punched him and threw him outside and then the insane asylum crew wrapped him in a straitjacket and pumped him with Tranquilizer and knocked him out.

We went outside.

Nico: Time for you to go back to the padded cell. But this time in the

Saturn Insane Asylum.

Spot: Dave's lucky he's still alive.

Red Ghost: But he'll never trouble Karla again.

Me: That's for sure. Now he is in the nuthouse on Saturn.

Scorpion: The Vistamps Nico and the others got really came in handy.

Cora Yenningway: I'm going to love it here with you guys.

Nina Fernando Cortez: Same with me.

David Cain: You girls won't regret it.

Me: No you won't.

Grizzly: Let's celebrate at our place!

Seadramon: Good idea!

Nico: But this was so awesome. Great job today everyone.

But then…

KRABOOOOOMMM!

The entire abandoned candy factory crashed to the ground in a massive pile of rubble!

Nico: WHOA! Good thing we weren't in the factory when it collapsed.

Me: That building needed to come down anyway. It was condemned and scheduled to be destroyed.

Nico: True.

Grizzly: (To the viewers) This was an awesome adventure. Hope you all liked this one.

Me: We all sure did.

Nico: Yep. Great job everyone.

We celebrated at the Bears pad and Karla was put into our protection. And we later went back home and went to sleep. But in the early morning hours, me and Lily couldn't sleep at all. We were in really deep thought about Tiffany Emmerson's mom. I know it wasn't right to think about her. But my heart was telling me that she could be saved. Just like Ellie Singh's dad.

Me: (In my head) I hope I know what I'm doing.

I got up and went down to the door.

Lily came.

Lily: You couldn't sleep either J.D.?

Me: Yeah. Thinking about Tiffany's mom?

Lily nodded.

We wen to the Saturn Insane Asylum and we were escorted to Mrs. Emmerson's cell and the doctor told us that she was worse than ever.

We went into her cell and it was bad.

Lily: Oh man.

Mrs. Emmerson: You will pay for siding with that demon murderer!

Lily: Mrs. Emmerson you are not yourself.

She spread her water wings and enveloped Mrs. Emmerson in a ball of water and cured her and then she was back to normal and she was on the floor and coughing. She looked up.

Mrs. Emmerson: What happened? (GROANS) I've got the worst headache.

Me: You were so consumed with grief over the death of your husband iin that car accident and it destroyed your sanity.

Mrs. Emmerson: Oh man! (GASP) I remember now! Oh Tiffany! What happened!? Where's Tiffany?

Lily: She's back with us back at the World Tree Estate.

Me: But a lot has happened with you.

I told her everything and it was horrible!

She gasped in shock!

Mrs. Emmerson: I did all that to Tiffany!? (CRYING HARD) OH TIFFANY! WHAT HAVE I DONE!? (CRYING AND WAILING HARD)

I hugged her and comforted her.

Me: It's not your fault Mrs. Emmerson. Your grief was so bad that it made you insane. It's not your fault.

Mrs. Emmerson: (Crying Hard) It IS ALL MY FAULT! I HURT MY DAUGHTER! I'M A TERRIBLE MOTHER!

Me: You are not a terrible mother Mrs. Emmerson. You loved your daughter. But the tragic death of your husband destroyed you. I know it's gonna take a while for your daughter to forgive you. But you can mend your relationship with her.

Mrs. Emmerson: (Sniffles) But how? She hates me.

Me: I know. But we'll try and reason with her.

Lily: We're gonna be in for a daunting task. But we can do it.

Mrs. Emmerson: Thank you guys.

Me: You're welcome.

We got her out and cured and went back to the estate.

OH BOY!

In the World Tree Estate everyone was having breakfast and some coffee.

Nico: (Reading the newspaper) So far everything has been quiet.

Me and Lily came down.

Me: Morning everyone.

Nico: Morning J.D. and Lily.

Me: We have something you need to see.

Mrs. Emmerson came out and everyone gasped!

Nico: J.D. what the hell is wrong with you!?

Me: Please hear us out. Me and Lily couldn't sleep last night because we were thinking about Tiffany's mom and why she went all crazy like that. So we decided to go with our hearts and we went to the Saturn Insane Asylum and cured her.

Lily: Her own grief over the loss of her husband and Tiffany's dad totally destroyed her mind. But it's not her fault. Her grief ruined her.

Nico: Are you sure this is a wise idea?

Me: I know it's crazy but we got to at least give Tiffany and her mom some form of closure and to try and get back together. It's not going to be easy but we got to at least try.

Nico: Well okay. I hope she's sane enough.

Lily: My healing water cured her.

Nico: Wow.

Tiffany's mom went over to Tiffany.

Mrs. Emmerson: Oh Tiffany, words can't make up for all the terrible things that I've done to you. What I'm about to say to you is not easy. I can't forgive myself for all the hurt and pain that I've inflicted upon you! I'm so sorry Tiffany! I'm a horrible mother! Ever since the death of your father I was totally devastated and it completely destroyed my mind! I lost my touch on reality and did so many terrible things to you and even ruined your big night on your wedding! But I did all that because I was insane! I'm so sorry Tiffany!

Tiffany Emmerson: Mom it's gonna take me a long time to forgive you but I can't forgive you for everything you did to me. You ruined my life! But I will give you a chance and I'm not ready to forgive you yet!

Nico: Tiffany take your time.

Tiffany nodded.

Zak Saturday: Anytime Nico. It's gonna be awesome going with you on a rexcue.

Me: You'll love it Zak.

Camie: So Zak's family is a team of Cryptozoology Protectors?

Me: They sure are and they go all over the world to protect all kinds of awesome and legendary creatures from the forces of evil.

Me: Those were so awesome. But I still feel bad for what happened on that mission with the Atmospheric Jellyfish.

Eli: What happened?

Me: It's a weird adventure. But the Secret Saturdays introduced us to tons of legendary creatures.

Nico: They even have a few Cryptids themselves.

Me: Yep. Fisk the legendary Fiskerton Phantom, Komodo and Zon. Komodo is a genetically altered Komodo Dragon and Zon is a Pterodactyl.

Nico: Yep.

Laney: We've seen so many awesome legendary creatures.

Zak Saturday: So many awesome times.

Nico: And we had fun beating up your enemies with you.

Zak Saturday: We sure did.

Me: We destroyed many of their major enemies and those were so awesome to take down. The worst of them being Argost.

Camie: Who was that?

Me: You would not like this guy one bit.

I went over his history.

---

Vincent Vladislav Argost, more commonly referred to as V. V. Argost or simply Argost, is the main antagonist in The Secret Saturdays. He is actually the Yeti of Himalayan legend (as revealed in the second-to-last episode). He created a mask in his mountain home and went out into the human world.

He was voiced by Corey Burton, who also played Count Dooku in the animated Star Wars series.

Argost is actually the Yeti of Himalayan legend (as revealed in the second last episode). He learned how to talk from watching television, a tv set was stolen from his many victims in the mountains. He made plans to enslave humanity and attacked tourists to get what he need for his plans. In spite of the warnings from the Xing-Xing on his constant attacks, he was not worried that the humans would find him once he walking among them after creating a mask in his mountain home.

After leaving the mountains, he lived as a poor man but sought out Baron Finster. It is revealed that Argost provided the initial design for the criminal's lower body, originally more organic than the mechanical body it would eventually become. Argost gave him the design in exchange for the money to launch his dream, hosting a television show called Weird World. Finister believed Argost was aiming low, compared to his other power hungry clients but Argost said that his show will amass attention.

He hosts his own show, Weird World, which is about cryptids. Zak Saturday (prior to Kur Rising) was a big fan, even though his parents didn't want him to watch the show. His museum of cryptid relics and trinkets is really an arsenal of magical objects he plans to use to get his hands on the most powerful cryptid of all, Kur.

In the premiere of season 2, episode "Kur (Part 1)", it is revealed that following his defeat at Antarctica that Argost has disappeared. Despite this, his loyal fans, however, have been spray painting "Argost Lives" on buildings, cars, and even the Saturday's own Airship (much to Doc's chagrin). When the Saturdays go on the run, Doyle, aided by Zon and later Van Rook, begins a search to find him to find out all he knows about Kur to help the Saturdays.

Van Rook has stated if Argost is alive, he will be licking his wounds in a place where he feels at home. When Doyle mentions they already tried Weird World, Van Rook berates his former apprentice for his lack of imagination saying that Argost has always preferred cryptids to people. In other words, he will be recuperating somewhere isolated and close to one of his "pets."

In the final episode of season 1, "Kur Rising" his mask is cracked by Zak during the fight. Up until recently, it was unknown that Argost's "face" was actually some kind of mask (although it was mentioned in the promo site "Weird World"), which was revealed in the end of season 1 when Zak cracked it during their fight. This is because he is actually a cryptid, the legendary Yeti. He has powerful claws and muscle power, along with a twisted evil mind.

In his true form, Argost is a lot taller than a normal human, which explains his always hunched over position when he is in disguise. He is possibly as tall or taller than the Hibagon and also very strong and agile, able to take on multiple opponents with little effort.

He has a knack of using cryptids in battle in ways that no one thought possible before, such as using the neural parasites to actually control someone when it was originally believed one could only view what the host saw and not manipulate them. Doc has mentioned before that the Secret Scientists probably don't even know a fraction of his capabilities.

It was believed by Doyle in "Kur (Part 2)" that Argost was actually dead when he and Van Rook track Munya to Scotland and discover he has been faking Weird World promos with a text-to-audio device. Argost turns out to actually be alive and saves Zak from a sneak attack from Rani Naga by tackling her off her cryptid mount, although all Zak and Fiskerton see is a blurry shadow during the incident. He later appears in person after Zak sends all the cryptid attackers home, grabs Zak, taking him up to the top of a building. Fisk follows and the two fight briefly before the cryptid loses his balance and looks like he is about to fall off the building when Argost grabs his arm pulling the cryptid to safety. He tells Zak he hopes that this action is enough proof that all he wants is to talk. He admits he knows Zak's true identity and in the end, he will most likely betray him but he is willing to teach Zak to control his power "covertly" through Weird World. Zak agrees despite the risks and later asks Doyle to dig up as much has he can of Argost's past so he can have an edge over Argost if he needs it.

It is also learned from Baron Finster that it is unwise for anyone who knows anything about Argost's past to talk about it because such people have a habit of vanishing. Finster himself is kidnapped by Munya for apparently saying too much though he manages to cryptically tell Doyle to "follow the cryptids" before being dragged off by Munya. At the end of 'Legion of Garuda', he took the flute of Gilgamesh (an item said to be able to extract the spirit of Kur). He appeared again in "Return Of Tsul 'Kalu", when Doyle, Zon, and Van

Rook tracked Finister's message to a cryptid black market. At first, it looked like he was after the dealer, but in the end, his real target was an orange ape-like cryptid called the Xing-Xing.

In "And Your Enemies Closer", Argost made his final move, secretly shows up to help Zak remove a dangerous cryptid from Dr. Beeman's lab, which later turns out to be Argost's final trap that puts Zak's life in danger. He then captured Zak and took him to a secret island where he revealed he had obtained the Monday's smoke mirror from the Louvre, having learned about the existence of the Mondays when he hacked into the Saturday's database. Using Zak's presence in the mirror, Argost freed Zak Monday, only to use the Flute Of Gilgamesh and Devonian annelids to steal the evil doppelganger's powers. At the same time, Doyle and Drew discover that their parents were lost because they were attacked by a Himalayan monster called the Yeti. Upon inspecting the beast's abandoned lair, they discover a mold for Argost's mask, who at the same time, rips his mask off, revealing his true identity as a cryptid. Zak was shocked, as Argost stated Zak could of controlled him had he known this information. Argost then realizes he now has the Kur powers of Zak Monday. He was going to defeat Zak but he was saved by his father and Tsul 'Kalu.

In "War of the Cryptids", Argost's complete back story is explained at first. Having obtained a television as a 'souvenir' from one of the mountain camps, Argost as the Yeti and the Xing-Xing cryptid he later captured learned how to speak English from it.

After coming back from his attack on the Blackwell's camp, the Xing-Xing warned Argost that the humans would come after him. Argost wasn't worried, however, as he donned the mask he had made to walk among humans to make it hard to find him. He got his television show by creating robotic spider legs for Baron Finster as compensation for his services.

In the present, Argost used his stolen Anti-Kur powers to raise an army of the most vicious cryptids to live and had them attack capital cities all over the world.

Eventually, he is confronted by the Saturdays and their allies. Once down, he is attacked by Drew and Doyle who tell him that he attacked their parents 27 years ago while separating the siblings. Argost merely taunted them and labeled their parents among his many victims who all screamed in different ways. Before they could attack, Zak intervened and Argost used this as a chance to escape the Saturday family.

At his lair, he is approached by the Nagas who see him as the true Kur and convince him to eliminate humanity instead of enslaving it, which he decides to go through and has his army attack. When the Saturdays stormed Weird World and prepared to fight the Nagas, Argost offered to let everyone go free if Zak went with him. At first, Zak didn't agree until during the fight, Rani Nagi launched a fatal blast, meant for Drew, at Van Rook. Argost then revealed that since his plan to drain Zak Monday's power worked so well, he decided to do the same to Zak.

However, he didn't hear Zak's warning that matter and antimatter cannot exist in the same universe and just as he was feeling a moment of ultimate victory, the combination of the matter/antimatter Kur powers makes an intense vortex open and he is then sucked into it while screaming. Argost then vanishes into the vortex, apparently destroyed and ending his threat (as well as the threat of Kur) once and for all.

When I was finished everyone that hadn't heard about it was shocked!

Rarity: Oh my goodness!

Starlight Glimmer: He was pure evil!

Me: Yep. But in the end we killed him. In fact we destroyed ALL the Secret Saturday's Major enemies. Including those imposter versions of themselves. The Mondays.

Eli: That's amazing.

Nico was thinking about what I did behind his back recently.

Nico: (sighs) I guess you guys doing things behind my back must be a hobby, huh?

Me: Huh? Oh with Tiffany's mom. Sorry Nico but we were just lost in thought and we had to do something.

Lily: Yeah we were thinking about Tiffany's mom and we had to help her out somehow. Remember how we saved Ellie's dad?

Nico: Yeah I remember.

Me: Well we got to at least give her a chance.

Fu: Yeah.

Nico: Since when is insubordination acceptable, J.D.? We have a job to do, and we're supposed to work as a team!

Me: Hey hey hey hey hey! I was just trying to help out and restore loved ones man!

Eli: Yeah! Besides bro couldn't sleep. And this was an act of compassion not insubordination.

Nico: Give me one good reason why I should believe that!

Me: Well you would have done the same thing for one of your friends if that happened wouldn't you!?

Nico: (Sighs) Yes I would. Yes I would.

Maria: In Nico's defense, this isn't the first time any of us have done things behind his back.

Nico: Surprise Birthday Parties don't count as insubordination, FYI.

Me: Nico shh!

Nico: (Thinking about Qin) Oh sorry.

Lincoln: What about those dreams J.D. had that helped those in Equestria? Are those acts of insubordination?

Eli: Yeah.

Nico: Well I suppose not.

Girl Jordan: (sadly) But going after Carnage alone was insubordination. And I'm sorry about that.

Nico: Well you were still hurting because of everything he did and I show sympathy for you. But that's still unacceptable.

Me: Nico you know how much Girl Jordan hates Carnage and Cletus Kasady for everything that happened to her. Wouldn't you feel the same way if something like that happened to May or one of your friends? I would. Also there was that time we went to Quahog. You were too busy working on Sentai Gears to hear us out so we went behind your back.

Nico: Okay, I understand that and yes I'm sorry I didn't listen you guys earlier when I was making all those Sentai Gears. But did you really have to throw William under the bus when I found out? Not to mention that Lincoln, Lisa, Laney, Lily, Luan, and Luna helped Girl Jordan go after Carnage by herself purely to spite me.

Me: Nico I was scared and upset. I was afraid of how you were going to reprimand him if you found out.

Maria: Yeah Nico. Besides we couldn't let the dirtbags of Quahog get to the estate now.

Lola: Yeah!

Lily: She's right on that.

Nico: (sighs) I'm sorry, guys. But I can't be a good leader if you guys are doing things behind my back. Excluding surprise parties for me, of course.

Me: (Makes the zipper mouth gesture)

Nico: Oh right.

Qin: You say something Nico?

Nico: No just reprimanding everyone. I'm not mad I'm just disappointed.

Me: I know Nico but you're doing a great job as a leader.

Zocks: Not to mention that if Girl Jordan didn't snap at you when you guys fought Galcian, the Ambassador Missions wouldn't have existed and Kaito wouldn't have a big sister like Zarya.

Girl Jordan: Did you have to bring that up Zocks?

Zocks: Sorry.

Nico: But he is right on that. It was thanks to Girl Jordan that she made the Ambassador Missions.

Lola: That's true. It's amazing.

Qin: I agree there.

Lola: I think it's awesome.

Girl Jordan: But I'm sorry I did all that Nico.

Nico: (to Girl Jordan) I accept your apology.

Girl Jordan: Thank you.

Me: Nico if we can please resume the rescue. Twilight has something she needs to show us.

Nico: Right sorry. But I'm glad I got that out of my system. Next time leave a note with me okay.

Me: I'll remember that.

We went up to a hill and we saw Twilight Sparkle and Spike.

We saw them working with magic.

Twilight Sparkle: Tuh! Nuh! Uh! Nyuh!

She made an awesome tuxedo top and a cane for Spike out of a leaf lei and a stick.

[magic chimes]

Twilight Sparkle: Eyes over here, Spike!

Spike: Uh, sorry.

We went over.

Me: Hey Twilight.

Twilight Sparkle: Hey guys.

Me: Whoa looking sharp Spike. What's the occasion?

Spike: Twilight's showing a new spell she is doing.

Twilight Sparkle: For this to work, it's crucial we keep our concentration totally on the-

She formed a rock on his head into a top hat.

Pinkie Pie: Ooh!

It reverted back to a rock and then…

SMASH!

Spike: Nyuh!

Spike got hit on the head with it.

Twilight Sparkle: Spike! This magic needs our full attention to make it happen. There's no other way!

Spike: I can't help it. Look!

We saw Pinkie Pie.

[various sound effects]

She was being weird.

Me: Why does she have a rainbow umbrella hat on her head?

Nico: No idea.

Twilight Sparkle: Ugh, never mind her. She's just being Pinkie Pie.

Spike: Super-extra Pinkie Pie today.

Me: Hmm.

Pinkie Pie: Hmm… Twitchy twitcha twitcha twitch.

Her tail was twitching.

Twilight Sparkle: Pinkie Pie? What in the wide, wide world of Equestria are you up to?

Me: Yeah what's going on.

Pinkie Pie: Oh! It's my tail! It's my tail! It's a-twitch a-twitchin'! And you know what that means!

Me: Uhh.

Twilight Sparkle: Actually, Pinkie, I haven't the slightest idea.

Me: None of us do.

We shook our heads.

Pinkie Pie: The twitchin' means my Pinkie Sense is telling me that stuff's gonna start falling! You all better duck for cover.

Me: Something's gonna fall?

Twilight Sparkle: Oh, Pinkie, it's not gonna rain. Why, there's barely even a cloud in the-ugh!

SMACK!

A frog hit Twilight in her face,

[frog croaks]

Pinkie Pie: He just said "nice catch" in Frog.

[frog croaks]

Fluttershy: Oh, I'm so, so sorry. You okay, Twilight Sparkle?

Me: Oh she's okay Fluttershy?

Fu: What's with all the frogs?

Fluttershy: I just couldn't stand to see the pond getting so over-populated, what with the frogs all hopping into each other and all, so I decided to fly as many as I can on over to Froggy Bottom Bogg.

Twilight Sparkle: Of course you did.

Me: Wow that's really awesome.

Qin: There has been a massive frog growth lately.

Fluttershy: [muffled] Bye-bye!

She flew away.

Pinkie Pie: Um… Twilight? You gotta little somethin' on your face there.

Twilight Sparkle: Oh, really? Did your Pinkie Sense tell you that, too?

Pinkie Pie: Nah! I could just see it. La-la-la-la-la…

Twilight Sparkle: C'mon, Spike, let's continue our practice session where there's a little less commotion.

Spike: Wow! That was amazing! Pinkie Pie predicted something would fall, and it did!

Me: Yeah that was really cool seeing that.

Eli: Yeah it sure was.

Twilight Sparkle: Oh, come on. She said that something would fall, and a frog just happened to fall right around the same time. A coincidence, nothing else to it.

Nico: Twilight, you've seen Eli use the Force and Pete using his Spidey sense plenty of times. Why don't you want to believe in Pinkie Sense?

Twilight Sparkle: Because I think it's all a coincidence.

Pinkie Pie came back and she has her tail twitching.

Pinkie Pie: My tail! My tail! Twitch-a-twitch! Twitch-a-twitch! Somethin' else is gonna fall!

Me: Uh oh!

Twilight Sparkle: Oh, Pinkie, please. Nothing else is gonna fa-aaah!

She fell into a ditch!

Spike: Oh no, Twilight fell! Is it… safe to go help her?

I went over and helped her up.

Pinkie Pie: It's okay, my tail stopped twitching. La-la-la-la-la, la-la-la…

Me: That was awesome though. You think my tail can do that?

Nico: Maybe my tail can too.

Spike: Ha ha! That was amazing!

Twilight Sparkle: Oh, please.

Applejack: Uh, Twilight? Why are you hanging out in a ditch?

Spike: Because, Pinkie Pie predicted it!

Me: Yeah her Pinkie sense predicted it.

Twilight Sparkle: Honestly, Spike, she did not. Two coincidences in a row like this may be unlikely, but it's still easier to believe than twitchy tails that predict the future.

Applejack: [gasp] Twitchy tail? Pinkie Sense? Whoa! Nyu-uh!

She hid under a vegetable cart.

Spike: Don't worry, it's safe. Prediction already came true.

Twilight Sparkle: Oh, wait. Don't tell me you believe in this stuff, too?

Me: I think she does.

Applejack: I know it doesn't make much sense, but those of us who have been in Ponyville a while have learned over time that, if Pinkie's a-twichin', you better listen.

Me: Hmm.

Pinkie Pie: My ears are flopping! My ears are flopping!

Me: Ear flopping?

Spike: Nyuh! What does that mean?!

Pinkie Pie: I'll start a bath for you.

Twilight Sparkle: Huh? [chuckles] A bath? This thing keeps on getting more ridiculous by the minute!

But then a cart ran by and then…

[splash]

Twilight got splashed with mud!

Twilight Sparkle: [grumble]

Me: Hmm.

I pulled out a notepad and took down notes.

At Sugar Cube Corner, Twilight was taking a bubble bath and she blew bubbles.

Twilight Sparkle: [blows]

Me: I think this is really cool though.

Pinkie Pie: Sooo, basically, it works like this: I get different, little, niggly feelings and they mean different things. Like when my back is itchy, it means it's my lucky day. And, when my knee gets pinchy, that means something scary's about to happen.

Me: Very interesting.

I wrote down notes on it.

Twilight Sparkle: Is your knee pinchy now?

Pinkie Pie: No, but my shoulder's achy. That means there's an alligator in the tub.

I wrote that down.

[splash]

She pulled out her alligator Gummy

Twilight Sparkle: [scream] How come your knee didn't get pinchy?! That isn't just scary, it's downright dangerous!

Pinkie Pie: No, it's not, silly! This is my pet alligator, Gummy. He's got no teeth. See? Haha!

Me: Shes right.

Lana: I think Gummy is cute.

Qin: He sure is.

Fu: Wow.

Twilight Sparkle: Okay, okay… I get it.

Nico:: Okay, Twlight. How about this? When Pinkie's Pinkie Sense acts up again, Eli will use the Force to confirm it. Okay?

Twilight Sparkle: Okay then. But I still don't believe this.

Eli: The Force will tell you.

We were leaving Sugar Cube Corner.

Twilight Sparkle: Well, I still don't believe all this… "special power" stuff. It's just a bunch of mumbo-jumbo.

Me: Twilight we've seen MANY things that are considered Mumbo Jumbo.

Nico: Yeah. We believe it.

Pinkie Pie: What's not to believe? You do magic, what's the difference?

Twilight Sparkle: Huge! For one thing, [clears throat] magic is something you study and practice. It only happens when you decide to do it, and it's meant to make something specific that you choose to happen, happen. With you, uh, it makes no sense at all!

Me: Pinkie is very unpredictable but I think it's really cool.

Nico: I think it's cool as well.

Pinkie Pie: That's so not true, Twilight! Sometimes it's a bunch of random things happening to my body at random times that supposedly predict the future. I call 'em "combos".

Twilight Sparkle: Combos?

Me: Not like the techniques we use right?

Pinkie Pie: Sure! And no these are different. You know, like, ear flop, then knee twitch, then eye flutter. That means the sky is about to be graced with a beautiful rainbow!

Me: Interesting. (Writes it down)

Twilight Sparkle: Yeah, sure.

Pinkie Pie: Uh-oh, I feel a combo coming on. Ear flop, eye flutter, knee twitch!

Me: Uh oh. What does that mean?

[crash]

TWILIGHT GOT SMASHED IN HER FACE WITH AN OPENING DOOR FROM THE GOLDEN OAK LIBRARY! OUCH!

Twilight Sparkle: Ugh!

Spike was bringing out a cart full of books while backing up.

[beeping]

Me: Twilight are you okay!?

We got her up.

Nico: Eli, did the Force sense that?

Eli: Yes it did. But I had no idea what it meant.

Twilight Sparkle: Ughhh… You said that combo meant "beautiful rainbow".

Me: Spike watch where you're going okay?

Spike: Sorry!

Pinkie Pie: Oh no-no-no-no-no. You're thinking of an ear flop, then knee twitch, then eye flutter. This was an ear flop, then eye flutter, then knee twitch. That usually means "look out for opening doors".

Me: Watch out for opening doors. (Writes that down)

Pinkie Pie: You okay?

Varie: She's okay.

Twilight Sparkle: I don't believe this.

Pinkie Pie: You don't believe because you don't understand.

Twilight Sparkle: Hmm…

We were in a laboratory in Twilight's Castle and hooked up Pinkie

Pie to laboratory equipment.

Me: What's all the equipment for Twilight?

Eli: Very awesome.

Twilight Sparkle: Okay. Now when you get another twitch, we'll have all kinds of scientific information.

Pinkie Pie: Okie-dokie-lokie!

Me: Hmm.

[steam stack whistling periodically]

Nico: Anything?

Eli: Nope.

Twilight Sparkle: Any twitches yet?

Pinkie Pie: Nopey-dopey!

We waited.

Twilight Sparkle: Now? Anything?

Pinkie Pie: Wait! Hold on! Uhh, no.

Aylene C.: Darn!

Twilight Sparkle: Are you kidding me?! After a whole day of nonstop twitching, now that I've got you all hooked up, you're not getting a single one?

Pinkie Pie: I don't control it, they just come and go.

Me: So it happens spontaneously.

Twilight Sparkle: That makes no sense!

Pinkie Pie: Sometimes you just have to believe in things, even when you can't figure 'em out.

Eli: Just like the Force.

Twilight Sparkle: I will not believe in anything I cannot explain.

Pinkie Pie: Wait, hold on, I'm feeling something…

Me: What is it!?

Nico: Eli the Force?

Eli: Nothing.

Twilight Sparkle: Oh my gosh, what? What is it?!

[Pinkie Pie's stomach growls]

Me: She's just hungry.

Pinkie Pie: It's my tummy! That usually means I'm hungry! Let's eat!

Me: I got some hayburgers for you and some of us.

I pulled out a picnic basket.

Pinkie Pie: Great!

Twilight Sparkle: Urgh… You know what? [bite] [snap] Just forget it! I don't need to know if this is real or not. I don't need to understand it! I don't even care!

Pinkie Pie: Okie-dokie-lokie. [gasp] Uh-oh. (She had a combo) [gasp] Hu-bu-bu-bu-buh!

Me: Ear Flop, Eye Flutter and Knee Twitch.

Eli: Twilight Watch out for that…

[smash]

She got hit hard with her door!

Me: Too late.

Spike: Pinkie? Have you seen Twilight?

Pinkie Pie: Uh-huh.

Me: She's back here.

We moved the door.

Spike: Twilight? What are ya doing back there?

Twilight Sparkle: Rrrrgh… Did you two plan this?

Spike: Plan what?

Twilight Sparkle: Urgh! This is ridiculous. This can't be happening. This makes no sense. I have to figure this out.

Fluttershy was flying over the bog.

[frog croaks]

She saw the bog.

[frogs croaking]

Pinkie Pie: [giggling] [sniff] Mmm… [giggling]

She was sniffing a flower and hopped on.

We were in a bush with Twilight on a safari.

[tribal music]

We followed Pinkie like explorers in the jungle.

Nico: Twilight, there's nothing to figure out. Sometimes, you just have to believe.

Twilight Sparkle: I know. But I just don't know what to think.

We saw Pinkie looking at a butterfly and hopping away.

Spike then came.

Spike: Twilight?

Twilight Sparkle: Ah!

Twilight jumped.

She pulled Spike into the bush

Spike: Whoa-oh-uh!

Twilight Sparkle: Honestly, Spike, don't you know better than to sneak up on ponies?

Spike: Oh, sorry, but, um, well, isn't that what you're doing?

Twilight Sparkle: [gasp] No! I'm doing scientific research. I'm observing Pinkie Pie, scientific name: Pinkius Pieicus, in its natural habitat.

Spike: Pinkius-whoicus? Hh!

Me: Shh.

Twilight Sparkle: There's something fishy going on with the whole twitchy prediction thing, and I'm getting to the bottom of it. So, shh. Come on, Pinkius Pieicus is on the move.

Me: This looks like a job for…

I spun around and I was in Crocodile Hunter Clothes!

Me: (Australian Accent) Jungle Hunter J.D. Crikey.

We were following her

Pinkie Pie: [humming]

Me: Crikey. Looks like Pinkie is over by the school

Nico: Steve Irwin would be proud.

Me: Crikey, she's having a twitch

Twilight Sparkle: Hm… Itchy nose…

Qin: Itchy nose huh?

Pinkie Pie: [gasp]

She went and hid under a horseshoe.

Eli: Uh oh I sense trouble.

Twilight Sparkle: Aha! That makes no sense. See? She's hiding like something's about to fall from the sky, but a twitchy tail means something's gonna fall from the sky, not an itchy nose.

We heard buzzing.

[swarm of bees buzzing]

Eli: Uh oh.

Twilight Sparkle: This proves…

We ran.

Spike: [gasp]

Twilight Sparkle:… perhaps conclusively, that-

Spike: Gah!

Twilight Sparkle: Spike! Where are you going? I'm trying to teach you the value of scientific-

[swarm buzzing]

POINK POINK POINK POINK POINK!

Twilight Sparkle: Ow! Ouch! Ow! [whimper]

Me: Crikey! Itchy nose means a swarm of bees is coming to sting mates.

At Sweet Apple Acres, Twilight was all covered in bandages. We were observing Pinkie.

Spike: What's she doing now?

We saw Pinkie smelling a flower.

Twilight Sparkle: Smelling a flower.

Spike: Holy guacamole! I wonder what that means?

Twilight Sparkle: Probably that the flower smells good. Wait. I'm getting something. Ear flop, eye flutter, knee twitch.

Me: Crikey that means watch for open doors.

Lana: Steve Irwin would really love hearing you talk like that.

Spike: Hold on… You told me that's the combo that says "watch out for opening doors"!

We went with Spike.

Twilight Sparkle: Oh-ho. You really, really believe this stuff, don't you? Here, let me show you there's nothing to be afraid of. You see? I promise you there's nothing to fear from that Wo-o-ah! Ow! Ugh! Ow! Ow!

Twilight fell down a cellar steps and got hurt bad!

Applejack: Twilight! You came to visit my new apple cellar, how nice. Twi? You okay? Uh, Twi?

We went over and helped her and we had her really bandaged up.

In the park, Twilight was in a wheelchair with lots of bandages.

Spike: Here, let me help you.

We helped put her arms up/

Twilight Sparkle: Okay, take this down: twitchy tail.

Me: Crikey we know what that means!

Spike: Twitchy tail? [gasp] Twitchy tail!

Twilight Sparkle: Hush, Spike! We can't let Pinkie know we're here, remember?

Spike: Something's gonna fall, something's gonna fall! Run for your lives. Ah-ha-ha!

Nico: Everyone, duck!

We ducked for cover!

Twilight Sparkle: Ugh, guys, Spike honestly, you're overreact-

Then a Flower Pot hit Twilight on her head.

CRACK!

Followed by an Anvil.

CLANG!

Then a Hay Cart!

CRASH!

And then a piano!

KRABLAM!

Twilight Sparkle: Ugh!

We looked up and we saw Derpy Hooves being accident prone as always as she was helping Pegasus movers.

Me: Crikey! That must've hurt mates.

Pinkie was sitting. Applejack came.

Pinkie Pie: [humming] Hey, Applejack. Whatcha doin'?

Applejack: Takin' more apples to my new apple cellar. How 'bout you, Pinkie? Whatchu doin'?

Pinkie Pie: Oh, letting Twilight and everyone secretly follow me all day without me knowing.

Me: Looks like she knew mates.

Twilight Sparkle: You mean you knew all along?! Why didn't you tell me?

Twilight was all mangled up and hurt.

Pinkie Pie: [giggles] Silly, that would've spoiled the secret!

Me: You know how Pinkie is mates.

Applejack: Why are you dressed up in a safari outfit J.D.?

Nico: He got the idea from Crocodile Hunter with Steve Irwin.

Eli: It's awesome.

Twilight looked like she was gonna snap.

Twilight Sparkle: Urgh!

Eli: Easy Twilight. Easy.

Spike: Tail… still twitching?

Pinkie Pie: All done, clear skies from here on in, as far as I can tell- Hu-bu-bu-bu-bu-bu!

We gasped!

Spike: Oh no! What does that one mean?

Me: Crikey we never saw this one before mates!

Pinkie Pie: Dunno, never gotten any like it before, but whatever that shudder's about, it's a doozy.

I changed back.

Me: (Normal Voice) I have a feeling it's gonna be big!

Nico: Yeah!

Pinkie Pie: Something you'd never expect to happen is gonna happen!

Me: What is it? Another Omnitrix Alien, Another Ranger, Another Rider attack?

Pinkie Pie: Hu-bu-bu-bu-bu hu-bu-bu-bu! And it's gonna happen… at Froggy Bottom Bogg!

We gasped.

Applejack: [gasp] That's where Fluttershy's headed!

Me: Oh man!

Spike: Oh no! Is it about her?

Pinkie Pie: Uh, I'm not sure.

Me: We better get over there fast!

Applejack: We better go and make sure she's okay.

Me: Right!

Nico: Lets go!

Twilight Sparkle: Calm down, everypony. All we know right now is that Pinkie Pie just got a case of the shivers. That's all.

We ran! I whistled and my Rapidash came and I got on and many of us were flying.

Me: Hold on Fluttershy!

Lincoln: Yeah!

Twilight picked up Spike.

Spike: Guh- Hey! I thought you didn't believe in this stuff?

Twilight Sparkle: I don't. I just want to be there to see the look on Pinkie's face when we find out nothing's wrong.

Pinkie Pie: Okie-dokie!

Me: Don't do what Lynn did Twilight. She had to learn that the hard way.

At Froggy Bottom Bog, Fluttershy was unloading the frogs.

[gate creaks]

[frogs croak]

We ran and road into the forest and Pinkie got another response.

Pinkie Pie: [shivers] Hu-bu-bu-bu-bu-bu!

Eli: Boy whatever that Pinkie Sense is for must be massive!

Twilight Sparkle: Cold? Need a jacket or something?

Me: Twilight it's 85˚Fahrenheit out here.

Pinkie Pie: No thanks, I'm fine. [shivers] Hu-bu-bu-bu-bu-bu!

Nico: Man that is a big one.

Spike: So… Whadda'ya think happened to Fluttershy?

Applejack: I hope nothin'.

Me: Me too.

Lincoln: Same here.

Spike: I know, but, whadda'ya think happened?

Applejack: I'm tryin' not to think about it.

Fu: Me neither.

Zak Saturday: Same here.

Spike: Me too. But I'm thinkin' about it anyway. Like, what if she exploded?

Lana: Spike! Don't say stuff like that!

Applejack: Just exploded? For no reason?

Spike: Yeah, like boom!

Pinkie Pie: Whoa!

Spike: I know.

Pinkie Pie: What if… What if she exploded, and then… and then exploded again!?

Lisa Loud: Uh not likely

Spike: Can you do that? Can you explode twice?

Applejack: Of course not.

Me: It defies the laws of physics.

Spike: But what if she exploded, and exploded again, and then- ugh!

Twilight Sparkle: Will you two stop? She's fine, I'm sure of it.

Applejack: I hope you're right, for Fluttershy's sake. Look! There's Froggy Bottom Bogg!

Me: There it is.

It was a murky place.

[dragonfly buzzing]

Applejack: Fluttershy?

Pinkie Pie: Fluttershy? [gasp]

Me: Fluttershy you here!?

We saw her!

Spike: Fluttershy! You're okay!

He went over to Fluttershy and hugged her.

Fluttershy: Of course.

Me: Whew!

Applejack: Phew, what a relief.

Pinkie Pie: I'm so glad everything's all right.

Sunset Shimmer: Boy me too.

Twilight Sparkle: Sorry, I know it's not nice to gloat but… Aha! I told you there was nothing to worry about, and I was right. Pinkie Pie said whatever she was shuddering about was a [cough] doozy, and [cough] and the only [cough] doozy here is how right I am.

We then saw something behind Twilight and backed away!

Applejack: Um… Twilight?

Me: T-T-T-T-T-T-Twilight?

Twilight Sparkle: Pinkie's made a lot of predictions today but [cough] ugh, what is that smell? But what we've shown here is that there's no point in believing [cough] in anything you can't see for yourself.

Spike: W-Well t-then, s-see what's b-b-behind you, Twilight!

She looked.

[hydra growls]

Twilight Sparkle: I see it… but I don't believe it!

She saw THE LEGENDARY LERNEAN HYDRA FROM GREEK MYTH!

IT ROARED FEROCIOUSLY!

Pinkie Pie: Is that a hydra?!

Me: I don't believe it! It's the legendary Lernean Hydra!

Nico: That's what Pinkie predicted?!

Me: Looks like it's time to fight!

Eli: And for good reason too! Look on two of its heads!

We saw a black version of Swampfire and a scary version of Goggle Red from 1982! It was ANOTHER SWAMPFIRE AND ANOTHER GOGGLE RED!

Me: Another Swampfire and Another Goggle Red!

Nico: WHOA!

Me: Who is the Another Swampfire!?

Another Swampfire: (In a Girls Voice) (British Accent) I think you know me J.D.

Me: Griselda Nottingshire! Wow!

Nico: You know her J.D.?

Me: I sure do. Griselda Nottingshire is from England and is a rich girl. She and I are awesome friends and she makes awesome and beautiful jeweled dresses.

Rarity: Oh she and I would get along just amazingly.

Nico: She sure would.

Me: But she worries more about her looks and she is a good person.

Eli: Wow.

Me: But if Ken'ichi Akama saw Another Goggle Red he would be infuriated!

Another Swampfire: Look at me! I'm hideous!

Me: You're what's called a Methanosian, Griselda. They come from the planet Methanos.

Another Swampfire: I can't believe this!

Me: But who is our Another Goggle Red friend?

Another Goggle Red: (In a Girls Voice) (Australian Accent) Crikey! You know me J.D.!

Me: (Gasp) I had a feeling it was you Felicia Irwin!

She reverted back and it was a girl with blond hair in a braid ponytail and she had jungle explorer clothes on and had green angel wings.

Nico: Wait a second! You're one of the daughters of the great Steve Irwin! I remember seeing you on TV with your father. You got to touch an Alligator Snapping Turtle and made an awesome friend.

Felicia Irwin: That's right mate. I have the power to talk to animals and I have made so many amazing friends.

She had a bunch of birds come and they talked to her.

Fluttershy: Oh I think that is amazingly magical.

Rainbow Dash: Wow! We've had a lot of animal charmers join us.

Nico: Yeah! How do you know Felicia, J.D.?

Me: When me and my family were down in Australia, I met Felicia as she was fighting off some poachers that were after some rare kangaroos. I helped her battle them and throw them in jail. She even showed me some of her awesome Animal Friends and I even got to meet her family. Minus Steve unfortunately. But she is just as strong and spirited and gifted as her dad.

Felicia Irwin: That's right mate. Good times.

Nico: That is so cool!

Eli: It sure is!

Nico: J.D. was talking in your accent just an hour ago.

Me: I watched a lot of your dad on TV growing up.

Felicia Irwin: That is amazing mates!

Me: Yeah.

Maria: But that was so awesome. It felt like we were part of what your father did for a long time. The great Steve Irwin was awesome.

Me: He sure was.

Nico: We'll have a moment of silence for him after we're done here.

Me: Yep. Sorry about this girls but we have to save you. By the way what did Swartz promise you?

Another Swampfire: A massive store at the mall for me.

Felicia Irwin: My own show on TV.

Me: Well we could easily give you girls those things. Rarity is getting her own store and boutique at the mall soon.

Rarity: I most certainly am darlings.

Me: Yeah. But we got to save you now. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Felicia turned into Another Goggle Red!

Nico: (activates Gator Ghoul's Ridewatch) Let's get this party started!

(COTTON EYE JOE BY REDNEX PLAYS)

Nico: (SINGING DIVINELY AND LEAVES AND GATORS SWIRL AROUND HIM)

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

He came to town like a midwinter storm

He rode through the fields, so handsome and strong

His eyes was his tools and his smile was his gun

But all he had come for was having some fun

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
He brought disaster wherever he went
The hearts of the girls was to Hell, broken, sent
They all ran away so nobody would know
And left only men 'cause of Cotton-Eye Joe
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?
If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from, where did you go?
Where did you come from, Cotton-Eye Joe?

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

If it hadn't been for Cotton-Eye Joe

I'd been married long time ago

Where did you come from, where did you go?

Where did you come from, Cotton-Eye Joe?

Nico danced and fired waves of leaves and slashed the hydra all over the place.

Me: Time to unleash the scare fest! (Activates Solomon Grundy's Ridewatch)

(IT'S TERROR TIME AGAIN BY SKYCYCLE PLAYS)

Me: (SINGING DIVINELY AS SKULLS SWIRLED AROUND ME)

You hear the screeching of an owl,

You hear the wind begin to howl,

You know there's zombies on the prowl,

And it's terror time again.

They've got you running though the night,

It's terror time again.

And you just might die of fright,

It's a terrifying time.

You hear the beating of your heart,

You know the screaming's gonna start,

Here comes the really scary part,

'Cause it's terror time again.

They've got you running through the night,

It's terror time again.

Oh, you just might die of fright,

It's a terrifying time.

All the trees begin to moan,

And the monsters grunt and groan,

Rotting faces full of slime,

Don't you know it's terror time?

And it's terror time again,

They've got you running through the night,

Yes, it's terror time again.

Oh, you just might die of fright,

It's a terrifying time!

I danced and fired waves of skulls and smashed the Hydra's heads all over with them!

SMASH SMASH SMASH SMASH!

It roared ferociously in pain!

Kaito: (gets out Carranger gear) Don't forget J.D.'s friends.

Zocks: (gets out Ohranger gear) We need to save them as well.

Kaito got the Turbo Sword and Zocks got the Zeo Cannon!

Me: Yeah! Zocks you'll need this.

I gave him the Zeo Cells and he charged it up.

Sunset Shimmer: Time for some fire power! (Activate's Fire Spell Punks Ride Watch)

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Sunset Shimmer: (Singing Divinely and Fire Swirls Around her)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She danced and fired blasts of fire and they hit Another Swampfire & Goggle Red and blasted them off the Hydra.

Me: Nice one Sunset!

Rarity: Let me show this one darlings. (Activate's New Wave's Ridewatch)

(AVE MARIA BY FANTASIA PLAYS)

Rarity: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

Ave Maria

Heaven's bride

The bells ring out in solemn praise

For you, the anguish and the pride

The living glory of our nights

Of our nights and days

The prince of peace your arms embrace

While hosts of darkness fade and cower

Oh save us, mother full of grace

In life and in our dying hour

Ave Maria

She floated into the air and fired waves of water and punched the Hydra all over the place.

Me: Wow! That was so awesome Rarity!

Another Swampfire: That was so breathtaking.

Zak: Save some for me! (Activate's Red Ghost's Ridewatch)

(THE CRADLESONG (DAWA) BY SACRED SPIRITS PLAYS)

Zak: (SINGING DIVINELY AS LIGHTNING STRIKES AROUND HIM)

He sang in Native American Chants and fired waves of lightning as he danced to the music and electrocuted the Hydra all over.

Twilight Sparkle: And here's me too. (Activates Kaos's Ridewatch)

(ON MY WAY BY PHIL COLLINS PLAYS)

Twilight Sparkle: (SINGS DIVINELY AND THE 10 ELEMENTS SWIRL AROUND HER)

Tell everybody, I'm on my way

New friends and new places to see

With blue skies ahead, yes

I'm on my way

And there's nowhere else that I'd rather be

Tell everybody, I'm on my way

And I'm loving every step I take

With the sun beating down, yes

I'm on my way

And I can't keep this smile off my face

'Cause there's nothing like seeing each other again

No matter what the distance between

And the stories that we tell will make you smile

Oh, it really lifts my heart

So tell 'em all I'm on my way

New friends and new places to see

And to sleep under the stars

Who could ask for more

With the moon keeping watch over me

Not the snow, not the rain

Can change my mind

The sun will come out, wait and see

And the feeling of the wind in your face

Can lift your heart

Oh, there's nowhere I would rather be

'Cause I'm on my way now

Well and truly

I'm on my way now

Tell everybody, I'm on my way

And I just can't wait to be there

With blue skies ahead yes

I'm on my way

And nothing but good times to share

So tell everybody, I'm on my way

And I just can't wait to be home

With the sun beating down, yes

I'm on my way

And nothing but good times to show

I'm on my way

Yes, I'm on my way

She fired waves of the 10 elements and they hit Another Swampfire and knocked her down and she was back to normal and I caught the Swampfire Ridewatch and purified it. I went over to Griselda and brought her over. She had blue hair and had a beautiful yellow jeweled dress on and.

Griselda Nottingshire: (Groans) What happened? My head!

Rarity: You'll be all right darling.

Maria: Just know that you're human again.

Griselda Nottingshire: Thank you so much.

Aylene C.: Time for this one. (Activate's Undergrowth's Ride Watch) This is a song I learned on my first journey in the Land Before time.

(IF WE HOLD ON TOGETHER BY DIANA ROSS PLAYS)

Aylene C.: (SINGING DIVINELY WITH LEAVES SWIRLING AROUND HER)

Don't lose your way

With each passing day

You've come so far

Don't throw it away

Live believing

Dreams are for weaving

Wonders are waiting to start

Live your story

Faith, hope and glory

Hold to the truth in your heart

If we hold on together

I know our dreams will never die
Dreams see us through to forever
Where clouds roll by
For you and I
Souls in the wind
Must learn how to mend
Seek out a star
Hold on to the end
Valley, mountain
There is a fountain
Washes our tears all away
Words are swaying
Someone is praying
Please let us come home to stay
If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by
For you and I
When we are out there in the dark
We'll dream about the sun
In the dark, we'll feel the light

Warm our hearts, everyone

If we hold on together

I know our dreams will never die

Dreams see us through to forever

As high as souls can fly

The clouds roll by

For you and I

She floated into the air and fired waves of leaves and slashed the Hydra all over and also blasted Another Goggle Red all over.

Me: That was beautiful Aylene!

Fu: It sure was!

Laney: That was so awesome.

Aylene C.: Thanks guys.

Me: This is one of my favorites. (Activate's Skulker's Ridewatch)

(TRUE FAITH BY NEW ORDER PLAYS)

Me: (SINGING DIVINELY AS SUNS SWIRLED AROUND ME)

I feel so extraordinary

Something's got a hold on me

I get this feeling I'm in motion

A sudden sense of liberty

I don't care 'cause I'm not there

And I don't care if I'm here tomorrow

Again and again I've taken too much

Of the things that cost you too much

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun…

When I was a very small boy,

Very small boys talked to me

Now that we've grown up together

They're afraid of what they see

That's the price that we all pay

Our valued destiny comes to nothing

I can't tell you where we're going

I guess there was just no way of knowing

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun…

I feel so extraordinary

Something's got a hold on me

I get this feeling I'm in motion

A sudden sense of liberty

The chances are we've gone too far

You took my time and you took my money

Now I fear you've left me standing

In a world that's so demanding

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun…

I danced and fired lasers and suns and the blasts hit the Hydra and Another Goggle Red and smashed them all over.

The Hydra roared in pain.

Nico: I'm surprised Undergrowth is in the Masters of Evil now.

Me: We'll find a good archenemy for him shortly. Vypra had to do some heavy persuasion on him.

Nico: Wow.

Rainbow Dash: That is awesome! But it's time to rain down the lightning! (ACTIVATES VORTEX'S RIDEWATCH)

(WHEN IT RAINS IN AMERICA BY SARAH BRIGHTMAN PLAYS)

Rainbow Dash: (SINGS DIVINELY AS LIGHTNING AND RAIN SWIRLS AROUND)

Do you want to feel freedom

Do you want to see sun and rain

Do you want to be near me

Do you want to light up the way

A strange magical feeling

That maybe baby we'll find someday

I thought I heard you laughing

I never wanted to make you cry

I only needed a reason

To see a teardrop in your eye

'Cause lovin' you keeps me from the storm

When it rains in America

There's a place we can run to

Far away from the city stare

Where's the ocean's a desert

But the wind still blows in your hair

Where we can watch the sun go down

When it rains in America

When it rains in America

When it rains in America

When it rains in America

'Cause loving you keeps me from the storm

When it rains in America

She danced and fired waves of lightning and it hit Another Goggle Red and electrocuted her all over.

Fluttershy: Nice shot. Now this one. (ACTIVATES EVIL DAZZLINGS RIDEWATCH)

(SIREN AND SEVEN SEAS BY SARAH BRIGHTMAN PLAYS)

Fluttershy: (SINGING DIVINELY AS LEAVES, FLOWERS, GRASS AND ENERGY SWIRLS AROUND HER)

Waters deep

And waters blue

The gently flow

From me to you

Your colored voice

Its vibrant toned

The hidden force

Of the big crystal blue

And by the light

Of the silvery moon

The wild horses

Come running home

Miles apart

But still entwined

I like to think

That you sit here too

And let your thoughts

And let your soul

Be gently lulled

By what's in front of you

Too many ashore

And the distant land

The seas unite

Bringing me to you

She danced and fired waves of leaves and grass and energy and smashed the Hydra all over.

Nico: WOOHOO! AWESOME JOB FLUTTERSHY!

Fluttershy: Oh thank you.

Me: I had Vypra bring back the Evil Dazzlings from another Universe and put them in the M.O.E.

Nico: That's cool.

Me: It sure was.

Nico: I take it back. Maybe you guys going behind my back isn't so bad after all.

Me: I don't know whether that was sarcasm or a compliment but thanks.

Nico: You're welcome.

Me: Don't worry we're not going to do it that often.

Qin: Time to sooth the savage beast with a song.

(SLEEPSONG BY SECRET GARDEN PLAYS)

Qin: (SINGING DIVINELY)

Loo-li, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li lai-lay

Lay down your head and I'll sing you a lullaby

Back to the years of loo-li lai-lay

And I'll sing you to sleep and I'll sing you tomorrow

Bless you with love for the road that you go

May you sail far to the far fields of fortune

With diamonds and pearls at your head and your feet

And may you need never to banish misfortune

May you find kindness in all that you meet

May there always be angels to watch over you

To guide you each step of the way

To guard you and keep you safe from all harm

Loo-li, loo-li, lai-lay

May you bring love and may you bring happiness

Be loved in return to the end of your days

Now fall off to sleep, I'm not meaning to keep you

I'll just sit for a while and sing loo-li, lai-lay

May there always be angels to watch over you

To guide you each step of the way

To guard you and keep you safe from all harm

Loo-li, loo-li, lai-lay, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li, lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, loo-li, loo-li lai-lay

Loo-li, lai-lay

She sang the Hydra to sleep and it was out cold.

Me: Aww.

Nico: No Ridewatch required for that one.

Eli: Nope but we still have Another Goggle Red to face.

Me: Yep.

Another Goggle Red: Then lets see how you like this.

She pulled out a blue sapphire whip imbued with Electro's lightning powers and lashed it at me and I grabbed it and lightning surged into my scythe.

Me: Whoa! She has Goggle V weapons imbued with the core and non-core powers of the M.O.E.!

Nico: Wow!

I let it go.

Me: Try this on! (Activate's Angel's Ridewatch!

(FLY TO PARADISE BY SARAH BRIGHTMAN PLAYS!)

Me: (SINGING DIVINELY WITH LIGHT SWIRLING AROUND ME)

And all she ever thinks about

Is being any other place than this

'Cause she remembers having wings

But she has forgotten what it's like

To feel a paradise of bliss

And all I want to do is fly

Just fly

And all I want to do is fly

Just fly

I want to fly

Into the sky

I want to fly to paradise

All through the night

Into the light

I want to fly to paradise

And all she ever thinks about

Is memories of swinging through the sky

'Cause she remembers having wings

But she's forgotten what it feels like to fly

And all I want to do is fly

Just fly

And all I want to do is fly

Just fly

I want to fly

Into the sky

I want to fly to paradise

All through the night

Into the light

I want to fly to paradise

When you look into the sky

You might catch her flying by

Flying by

All she wants to do is fly

On her way to paradise

Paradise

I fired blasts of light and smashed her down all over.

She got up.

Another Goggle Red: Sorry mates. I want you to save me. But I don't want to make it too easy.

Me: That's all right Felicia. But this is awesome to test out more Ridewatches.

Nico: It sure is.

But then a massive blast of fire hit Another Goggle Red!

Me: Whoa! Nice shot Lola!

Lola: That wasn't me!

Eli: That was from that!

We saw a MOLTEN HYDRA!

Me: WHOA A MOLTEN HYDRA!

Molten Hydra: (In a girls voice) Looks like you guys could use a hand.

Nico: Abigail Howenshead! Wow!

She reverted back and she was a girl with red, orange and yellow hair and had orange athletic clothes on.

Abigail Howenshead: Awesome to see you again Nico.

Nico: You too.

Abigail Howenshead: I got this.

She fired a blast of fire and it hit Another Goggle Red and she exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Felicia was back to normal and I caught the ridewatch and purified it and picked her up.

Felicia Irwin: (Groans) What happened? What a headache.

Me: You're back to normal Felicia.

We saw Goggle V weapons on the ground and we picked them all up.

Nico: Wow that was amazing!

Zak Saturday: Boy it sure was.

Twilight Sparkle: I don't know how it happened; coincidence, dumb luck, or what, but you said there'd be a doozy here at Froggy Bottom Bogg, and I'd say we just had ourselves one heck of a doozy. I mean that hydra-

Pinkie Pie: [shudders]

Twilight Sparkle: Pinkie?

Pinkie Pie: That wasn't it.

Me: Really?

Twilight Sparkle: Huh?

Eli: It wasn't?

Spike: What wasn't what?

Applejack: What are you talking about, Pink?

Me: Yeah.

Sunset Shimmer: Yeah we're confused.

Pinkie Pie: The hydra wasn't the doozy.

Me: It wasn't?

Pinkie Pie: I'm still getting the shudders. Oo-o-oh, oo-o-oh! You see? There it is again. Whatever the doozy was at Froggy Bottom Bogg, my Pinkie Sense says it still hasn't happened.

Fu: Weird.

Twilight Sparkle: Huh? But I- WHAT?! The hydra wasn't the doozy?! How could it not be the doozy?! What could be doozier than that?!

Pinkie Pie: Dunno, but it just wasn't it.

Twilight got infuriated!

[kettle whistles]

Me: Uh oh!

Eli: SHE'S GONNA BLOW!

We ran for cover!

Twilight then BURSTED INTO INTENSE FLAMES!

Twilight Sparkle: Rrrgh… [flames and growls] Ooh… I give up…

Spike: Give what up, Twi?

Twilight Sparkle: The fight. I can't fight it anymore. I don't understand how, why, or what, but Pinkie Sense somehow… makes sense. I don't see how it does, but it just does. Just because I don't understand doesn't mean it's not true.

Pinkie Pie: Y-Y-Y-You m-m-mean you b-b-b-believe?

Twilight Sparkle: Yup, I guess I do.

Pinkie Pie: Oo-woo-oo-oo-oo, woo-oo-oo-oo-oh, woo-oo-oo-oo-oo-oo-ooh! Ooh! [gasp] That was it! That's the doozy!

Me: Huh?

Spike: Bbrrbbrrbbrr.

Me: What?

Twilight Sparkle: What? What is?

Pinkie Pie: You believing! I never expected that to happen! That was the doozy, oh and, oh what a doozy of a doozy it was! La-la-la-la-la…

Me: So that was the Doozy all along. Twilight believing.

We were later back at Twilight's castle.

[giggling]

Spike came in.

Twilight Sparkle: Oh, good, Spike, you're here. Take a letter.

Spike: With pleasure, Twilight.

Twilight Sparkle: Dear Princess Celestia, I'm happy to report that- Spike, what have I been saying about focus?

Spike saw us with Umbrella hats on.

Spike: I know, but I… Well…

Twilight Sparkle: What's wrong, Spike? Never thought you'd see me with an umbrella hat on?

Spike: Not really, no.

Me: I think it's really cute and funny.

Abigail Howenshead: I do too.

Felicia Irwin: Me too mates.

Griselda Nottingshire: Same here darlings.

Twilight Sparkle: Pinkie's tail's a-twitchin'. What else can I do?

Nico: Oh boy.

We laughed.

Twilight Sparkle: I am happy to report that I now realize there are wonderful things in this world you just can't explain, but that doesn't necessarily make them any less true. It just means you have to choose to believe in them, and sometimes it takes a friend to show you the way.

Pinkie Pie: Honk!

Spike: Honk.

Twilight Sparkle: Always your faithful student, Twilight Sparkle.

We laughed.

Her tail twitched.

Pinkie Pie: There it goes again.

Twilight Sparkle: I wonder what's gonna drop outta the sky this time?

Pinkie Pie: You never know.

Spike: [inhales]

But then…

[crash]

We saw that it was Princess Celestia that fell out.

Spike: Twitchy tail? Holy guacamole!

Me: Whoa! Princess that's a crazy way to drop in.

Princess Celestia: Sorry about that guys. But I heard all about the Hydra and I'm proud of you all for stopping it.

Me: Thanks Princess.

Nico: That was awesome though.

Eli: It sure was.

Nico: Now, Twilight. What did you learn today?

Twilight Sparkle: That you should always learn to believe in things that are weird and you have to choose to believe them. But it takes a friend to have you believe in them.

Nico: That's right.

Zak Saturday: This was crazy awesome though.

Abigail Howenshead: It sure was.

Zak Saturday: What's your favorite memory of Nico?

Abigail Howenshead: I have a lot of them. But my favorites involve going to the worlds volcanoes. One time me and Nico went to the volcano Ol Doinyo Lengai and we saw giant geysers of black lava erupt out and they spread over the volcano really fast and quick and it was cool. We also got to take samples of it for our class. It was an A+ report.

Nicole: Wow so you're a volcanologist too.

Abigail Howenshead: Yep. And a geologist, minerologist and earth scientist.

Nicole: Always awesome to have a fellow Earth Scientist with us.

Abigail Howenshead: Thanks Nico.

Nico and Abigail hugged.

Nico: I've missed you Abigail.

Abigail Howenshead: Me too Nico.

Me: Now we can have that moment of silence for Steve.

Nico: Right.

We took off our hats and put our hands on our chests as we had a moment of silence for Steve Irwin the great Crocodile Hunter.

We later went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot,

Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, and The Louds' Scottish Ancestors are heading to Africa, and not only is Lincoln going to rescue the eight girls here, but we're also going to destroy an army of giant robots sent by Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, former students of Royal Woods High School who've been exposed as maniacal teen mad scientists who were hellbent on world domination by the Huntington Sisters and were expelled.

Lincoln: Wow, we're here in Africa, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to destroy an army of giant robots sent by Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, former students of Royal Woods High School who've been exposed as maniacal teen mad scientists who were hellbent on world domination by the Huntington Sisters and were expelled.

Sally Huntington: I never thought we'd have to deal with those ten maniacal mad scientists again after we exposed their plans and got them expelled.

Tina Huntington: Same here, and we got word from the warden, those ten escaped from the juvenile detention facility in Lansing, Michigan and they're back to their old tricks again.

Me: Just what need, a bunch of mad scientist scumbags running loose.

Lincoln: I never thought we'd have to deal with them ever again after Sally and her sister got them all expelled. Well, they're in for one major buttkicking later on today, use their scientific talent to take over the world, will they? They've got another thing coming. And thanks for joining us, Fluttershy.

Fluttershy: You're welcome, Lincoln, and Africa is truly an amazing place.

Lincoln: It sure is.

Just then, Tech E. Coyote appeared.

Nico: Hey, Tech.

Tech E. Coyote: Hey, guys, I've got just the thing to help you out.

Tech handed us some EMP bombs.

Tech E. Coyote: I made these EMP bombs to help short those robots out, and Becky Long and Sombra Faiadoragon also hacked into the robots' systems and they outfitted the robots with tons of advanced weapons they stole from an army base nearby and bombs in case they get trashed by all of us. But, the girls hacked the bombs and disabled them.

Lincoln: Awesome work, thanks, Tech, Becky, and Sombra.

Becky Long and Sombra Faiadoragon: You're welcome, Linky.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by the army of giant robots sent by Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, and they're going to kill them.

Lincoln: Guys, I found the eight girls, but they've been cornered by the army of giant robots sent by Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, and they're going to kill them.

?: Let's turn those overgrown tin cans into scrap metal!

Suddenly, we saw the Earthbound Immortal Huacachina Kon appear before us.

Nico: J.D., did your daughter summon Earthbound Immortal Huacachina Kon to help us?

Lincoln: I don't think so, Nico, and I'd recognize that voice from anywhere, I knew it was you, Elizabeth Herodias, but we'll talk later, we've got an army of giant robots to dismantle.

We rushed on over and Lincoln fired the EMP bombs at the giant robots and disabled them, and that allowed the eight girls to get away. Then, we saw the robots reactivate, and they were enraged.

Lincoln: So, those ten dorks outfitted their giant robots with back-up generators, huh? Looks like time in juvie has caused them to only get even worse, let's turn those robots into scrap metal.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Tech E. Coyote, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super

Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after the army of giant robots, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit them.

Then, Tech removed the bombs with his electromagnetic powers and Lincoln fired energy blasts at the robots, and all of the robots turned into energy, and they were absorbed into Lincoln and he acquired some brand-new gadgets and weapons. We cheered wildly as we holstered our weapons and powered down, and Tech saved the bombs for us to use. We also saw a drone heading back, and we knew it was sent by Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, and once they see what happened, it'll piss them off badly.

Lincoln: We've foiled Liam Parker's revenge plot after he and the others broke out, but we'll make sure they get their just desserts soon. (To Elizabeth Herodias) And it's so good to see you again, Elizabeth Herodias.

Elizabeth Herodias reverted back to normal, and she's a beautiful girl with long flowing black hair, green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful pink black wings, and she reigned in the power of Earthbound Immortal Huacachina Kon, and she's dressed in a dark blue short-sleeved blouse, sleeveless dark blue top, black skirt with the Heron Nazca Line on it, black pants, black knee-high boots, and long sleeveless black trenchcoat with white flames and herons on the coattails, and Earthbound Immortal Huacachina Kon on the back, and holstered on her back a large Earthbound Immortal Huacachina Kon-themed greatsword with Earthbound Immortal Huacachina Kon etched on the 7'0" massive, wide, double-edged black blade, Earthbound Immortal Huacachina Kon's wings for the crossguard, large white gem embedded in the rainguard, longer black handle, and a large white gem surrounded by Earthbound Immortal Huacachina Kon's wings for the pommel.

Elizabeth Herodias: You too, Lincoln, it's been a long time.

Lincoln went up to Elizabeth Herodias and they hugged, and Elizabeth Herodias is very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Elizabeth Herodias: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Elizabeth Herodias, she's one of my Guardian Angels from Michigan, and she has the power to talk to birds and even fly with amazing grace and angelic nature. She also is the one that taught me how to fly before I got angel wings. Watch.

Lincoln flew into the air and he didn't spread his eight massive angel wings, and he was flying without the use of them, and we were amazed.

Nico: That's really awesome! Wait until the Z-Fighters see this!

Lincoln: (Descends back onto the ground) They'll be impressed for sure, and Elizabeth is also a very powerful master of wind and white fire and took on the worst of Scoots' fury. And you're going to like this: SHE ABSOLUTELY LOATHES AND HATES FLIP WITH A MERCILESS VENGEANCE AND WANTS NOTHING MORE THAN TO SEND THAT ROTTEN MUTATED FREAK CHEEPSKATE OFF TO HELL WHERE HE BELONGS!

We gasped in shock.

Me: Whoa, so she took on the worst of Scoots' fury, and she absolutely hates that rotten mutated freak cheapskate with a merciless vengeance?! Awesome!

Nico: And her vengeance towards Flip is so great, she wants nothing more than to send him off to Hell where he belongs?! Whoa, and I thought our hatred of Flip was that great.

Emily LaRue: And it's awesome to meet another Earthbound Immortal Gene-Slammer.

Elizabeth Herodias: Same here.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Elizabeth Herodias' neck with black gems on the gold thunderbolt links and white crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Elizabeth Herodias: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Elizabeth.

Elizabeth Herodias had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Elizabeth Herodias' waist and Elizabeth Herodias wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Elizabeth Herodias' face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Sayu

Ogiwara, Airi Gotou, Yuzuha Mishima, and Asami Yuuki from Higehiro: After Being Rejected, I Shaved and Took in a High School Runaway, Ferrari Hazukui, Ferrari Hozuki, Ferrari Kazuki, and Anna Hendrix from Galilei Donna.

Lincoln: Oh wow, it's Sayu Ogiwara, Airi Gotou, Yuzuha Mishima, and Asami Yuuki from Higehiro: After Being Rejected, I Shaved and Took in a High School Runaway, Ferrari Hazukui, Ferrari Hozuki, Ferrari Kazuki, and Anna Hendrix from Galilei Donna.

Nico: Awesome.

Lincoln: Are you girls okay?

Sayu Ogiwara: Yes, we're okay, thanks to you.

Then, when Sayu Ogiwara and the other seven girls saw who it was that saved them from the army of giant robots sent by Liam Parker and his mad scientist friends, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-

Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and

Sayu Ogiwara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sayu Ogiwara: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Sayu Ogiwara, Airi Gotou, Yuzuha Mishima, Asami Yuuki, Ferrari Hazukui, Ferrari Hozuki, Ferrari Kazuki, and Anna

Hendrix with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villains we went after were an army of giant robots sent by Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, the former students of Royal Woods High School who've been exposed as maniacal teen mad scientists hellbent on world domination by the Huntington Sisters and were expelled, and who escaped from the juvenile detention facility in Lansing, Michigan this morning.

But, when Lincoln showed what we did in destroying the robots and foiling their big plan for revenge, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Elizabeth Herodias have a lot of catching up to do, now that she's back in town, but Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon were going to get their just desserts later on today.

Lori: I can't believe Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon broke out of the juvenile detention center this morning.

Sally Huntington: I'm afraid it's true, looks like time in prison has made them even more angrier at us than ever.

Nico: Sally, can you tell us why those mad scientists hate you and your sisters so much?

Sally Huntington: Of course.

Sally Huntington and the girls got out photos of ten boys with black hair, glasses, but were dressed in white lab coats, white dress shirts, black pants, and black shoes. They were Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon.

Sally Huntington: None of us will ever forget that very day. Liam Parker and his friends have a gift of building robots and are known to be smart and get good grades, but in reality, they're a bunch of maniacal teen mad scientists hellbent on world domination. This one time, they tried to build a giant robot to cause havoc and destroy the world.

Gina Huntington: Yeah, they were really evil and completely heartless, and they viewed all living things as test subjects. So, we saw they were bad news from the very beginning.

Tina Huntington: But, we destroyed their robot before they could send it out, and the boys were arrested and were expelled from Royal Woods High School, and they were all sent to juvie hall in Lansing, Michigan, and as they were led away by police, all of them swore bloody revenge on us, and they won't stop until they've taken over the world.

Luna: And now, they've broken out and they're up to their tricks in no good again.

Lincoln: But, that's going to end today, and when I absorbed their army of giant robots, I also gained new weapons, but I also gained access to any sort of contingency plans they'll have in case they get sent to prison. (Smirks) Now, to piss those mad scientists off even more, just keep your eyes on the viewing window.

We kept our eyes on the one-way viewing window Lincoln made and we saw a building there, and the Huntington Girls saw it was the hideout of Liam Parker and his friends, and they were in there and they were pissed off at what we'd done on our rescue. Lincoln snapped his fingers and they saw that the bombs they had in their hideout were about to blow. They got out and their entire hideout was then blown apart and all their contingency plans were ruined, and they were extremely pissed off big time. We saw the whole thing and we laughed hysterically at the maniacal mad scientists.

Polly Huntington: Linky, that was one awesome trick you did.

Hailey Huntington: Yeah, and now without their hideout or their robots, they're now all alone.

Lincoln: But, it's not over yet, we still need to round them up and we're going to send them straight to The Sun Prison for World-Conquering Tyrants.

Me: Yeah.

Nico: They deserve to rot in prison for what they've done.

Sally Huntington: We should've sent them to prison long ago, but what's done is done. Now, we're going to round them all up today and send them off to prison where they rightfully belong.

Eli: You got that right.

---

After stopping the army of giant robots in Africa sent by Liam Parker and his mad scientist friends to get revenge, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Elizabeth Herodias saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elizabeth Herodias: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elizabeth, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elizabeth Herodias: That's incredible.

Nico: It sure is. So, Elizabeth, what's the story on how you took on Scoots' fury?

Elizabeth Herodias: That's one story I'd never forget. One day, I was giving Lincoln a lesson on how to fly and this was before he got angel wings and lightning powers from Hinon, and I knew he also got powers thanks to my fellow Guardian Angels, Varya Pohzar, Aurora Nightingale, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra. He proved to be a natural at flying, but our day was ruined by Scoots, who showed up and that bitter old goat was about to run him over with her scooter again. But, Lincoln got out of the way and he took to the air, and then, I fired a powerful white fire blast and destroyed Scoots' scooter and then, I fired a blast of wind and trapped her inside it. We told Mr. and Mrs. Loud about it, and they were mad at that bitter old goat and wanted to rip her in two, but I decided to let Varie take care of her, so I sent Scoots flying back to Sunset Canyon, and when Varie got the news of what that bitter old goat tried to do to Lincoln, Scoots was put into another straitjacket and thrown in a padded up room.

We cheered wildly for what Elizabeth Herodias did.

Nico: Sheesh, that bitter old goat is extremely unstable in the head, but we got her being humiliated by us, that is until next year, because Lincoln put a curse on her, Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang, and that curse is going to send them to Hell for good.

Elizabeth Herodias: Ooh, now that's awesome. Sure wish that curse could've also been inflicted on Flip.

Lincoln: True, but it's best that he suffers being humiliated by us forever, rather than getting killed.

Me: You got that right.

We got a shower afterwards, and then, Clyde, Jessica (Stitch!), Syd Chang, and Chloe (Loud House) are heading out to explore Creep Blue Sea and joining them on the exploration are Zocks Goldtsuiker and Chloe Bourgeois. Everyone was in their swim clothes and they had their weapons holstered, in case of trouble.

Clyde: Alright, everyone, are we ready?

Jessica (Stitch!): We're ready, Clyde.

Clyde, Jessica (Stitch!), Syd Chang, Chloe (Loud House), Zocks, and Chloe Bourgeois head out of the World Tree Estate, and they arrive at Creep Blue Sea.

Syd Chang: Whoa, what is this place?

Clyde: This is Creep Blue Sea, a beautiful dim ocean filled with many blue rock formations and beautiful rainbow-colored coral.

Zocks: Incredible.

Chloe Bourgeois: It sure is, and the coral here is shimmering with beautiful rainbow colors.

Clyde, Jessica (Stitch!), Syd Chang, Chloe (Loud House), Zocks, and Chloe Bourgeois began their exploration of the place, and they saw everything there, and they also had to deal with some of the underwater enemies that live there. Then, they went up to the surface, and they had lunch that Clyde made. Then, they shared a romantic kiss as the sun was just about to set, then, they returned home to The World Tree Estate, and they were back in their original clothes.

Lincoln: Hey, guys, how was your date?

Clyde: It was awesome, buddy, we went to Creep Blue Sea.

Zocks: And we saw a lot of things there, and we had a lot of fun swimming.

Chloe Bourgeois: We sure did, and you and your harem have got to go there one day, Lincoln. Trust me, you guys are going to love it.

Lincoln: We will.

Zocks: So, has there been any trouble from Liam Parker or his mad scientist friends?

Lincoln: Not yet, but we'll be ready for them. Now that I destroyed their hideout and ruined all of their contingency plans, there's only one thing left in their minds: bloody revenge on the Huntington Girls for getting them expelled long ago.

Sally Huntington: And believe us, we've got an axe to grind with them.

Nico: Yeah.

Me: And you just missed what happened today, Lincoln sent all the information on Liam Parker and his friends to the Gotham Royal York Police Department, and we got the order to apprehend them and send them to The Sun Prison for World-Conquering Tyrants.

Clyde: Awesome!

---

Later we were over at the park for some bonding time with Tyson and Tahu.

Nico: Tahu, you and Tyson are up for bonding time.

Me: And me and Tyson can reminisce on some fun times too.

Tyson: Yeah!

Hilary: This will be fun.

Captain Rex: Nico, while that's going on, you and I need to have a talk.

Nico: (GULPS)

Eli: Oh boy.

Mordecai and Rigby: Awwooohhh, somebody's busted!

Nico: Oh, grow up.

Mordecai and Rigby: (Rapping) B-b-b-busted, Nico's b-b-busted!

Tyson: We really had several good times with Beyblading, haven't we?

Tahu: We sure did.

Me: Yeah those were some of the best. And there were so many awesome bad guys we defeated too.

Tyson: Good times there.

Hilary: Those were great. And J.D. you know how to do an awesome time with Beyblading.

Me: Those were still some fun times though.

Tahu: And we saw J.D. and Tyson blading just like in old times.

Me: Yep.

Captain Rex: Nico, J.D. told me that you've been getting pissed off at us going behind your back sometimes.

Nico: Can you blame me? Ever since I became leader, I've done my best to lead my team, give out the right orders, and have everyone follow them. But does anyone listen? Most of the time, yes. But sometimes, no!

Captain Rex: Nico, J.D. and Lily were doing what was right to help Tiffany. You know that. He just had a lot on his mind and wanted to go with what was right in his heart. Is that so wrong?

Nico: Well no and I respect that.

Me: Man those were awesome times.

Tahu: Although some of your enemies tried to get my mask and either sell it to the highest bidder or use its' power for themselves.

Me: That is unusual that they were going after your mask.

Tyson: It sure was.

Hilary: I'm not really sure why they did that though or who spread that info about the masks you and your fellow Toa wear being worth that much.

Me: Well whoever did that is going to be in for a huge buttkicking when we get ahold of them.

Tyson: Yeah no kidding.

Captain Rex: So, basically, you're saying good soldiers follow orders?

Nico: No. Good TEAMMATES follow orders.

Captain Rex: Funny, because a similar saying caused the inhibitor chips of me and my brothers to activate so we could kill the Jedi. I know. Low blow. But I'm just pointing that out.

Nico: I heard about that. That was terrible.

Captain Rex: It was. But Nico there are times when some people must go behind the others backs to help out for the good of the team to help those in need. J.D.'s dreams he had in Equestria were like that. He helped so many people on the team like that.

Nico: You're right. That he did. And those dream rescues he had while he was asleep were like that too.

Captain Rex: Exactly.

Tahu: I'm pretty sure Voltaire made that rumor.

Me: I have that same feeling myself and Voltaire is dead.

Tyson: Yeah.

Hilary: But at least the world is safer now that he's gone.

Me: Yep.

Captain Rex: Nico, orders aren't always meant to be followed.

Sometimes, following what's in your heart is more important than following orders.

Nico then realized that he was right. Many times one must go above and beyond the call of duty to help protect and save those that we love.

Nico: You're right. I was so paranoid. I put the safety of the team first instead of realizing that.

Tahu: I hope we meet another group of Beybladers in the future.

Me: I have a feeling we will and it will be so awesome.

Sunny Starscout: Smoothies guys?

Me: Ooh thank you.

I took a smoothie and tasted it and it was delicious.

Me: Mmm! These are really good smoothies.

Sunny Starscout: I made them a lot in Maritime Bay.

Tyson and Hilary tried them and they were delicious.

Nico: So, you're saying that Girl Jordan was also right to go after Carnage alone?

Captain Rex: Okay, maybe that one time wasn't okay. But I don't blame her. By now, I realize why Fives tried to kill Palpatine when he found out about the Inhibitor Chips.

Nico: Really?

Captain Rex: Yes. They were slavery chips programmed to make the clones kill the Jedi.

Nico: I know that.

Captain Rex: Yeah. But Fives was trying to kill the Emperor himself. Lot of good that did.

Tyson: These smoothies are delicious!

Hilary: They sure are.

Sunny Starscout: Thanks guys.

Me: You're welcome. And they are very refreshing too.

Tahu: They sure are.

Me: (Slurps) Ahh.

Nico: I really am sorry about Fives. He didn't deserve to be killed because Palpatine manipulated him to be a fugitive.

Captain Rex: That's right. But I appreciate your sympathy.

Nico: You're welcome.

Captain Rex: The point is Nico that even though you guys are all a team and you are doing your best to be a great leader, there are instances where someone will go above and beyond the call of duty to help the team out of the goodness of their hearts. Whether it be in battle or for when you aren't looking, it's part of the job as a leader.

Nico: You're right. And I really meant what I said to J.D. back there. Some of the others going behind my back might not be a bad thing if it gets us more Masters of Evil recruits.

Captain Rex: And it's also used for other things too like how J.D.'s dreams have helped the people of Equestria.

Nico: That too. And many more things.

Captain Rex: And speaking of fellow brothers, I have a good for who to bring along when we go after Dr. Nefarious.

Nico: Who?

Captain Rex: Clone Force 99.

Nico: Whoa! Those are great and perfect for it Captain. I've heard so much about them. They are that good and powerful.

Captain Rex: Indeed they are.

Nico and Rex then heard something.

Nico: You hear that?

Captain Rex: Uh oh.

I heard it too.

Me: Uh oh. Another Rider coming in.

We regrouped.

We saw a figure coming and it was ANOTHER VICE! It was a scary version of Vice from Revice.

Nico: Whoa! Another Vice! Just like Catty said!

Me: And without a doubt this one will have Vistamps for the Non-Core M.O.E.

Qin: Yeah!

Nico: Who are you?!

Me: Yeah buddy! This world isn't big enough for 2 Vice Kamen Riders!

Another Vice: (In a boys voice) Then you should know about me J.D.!

Me: (Gasp) That voice!

He reverted back and I saw that it was my old enemy from my past. His name was William Jackson! He was a kid with black hair and green eyes and had rich people clothes that were all torn up.

Me: (GASP) William Jackson!

William Jackson: You remember me J.D. I'm flattered.

Nico: Another enemy of yours?

Me: Yes. His father was a mob boss that I brought to justice years ago. He was the leader of the Jackson mafia family that worked for the Boston Mafia. But thanks to me helping the FBI, I brought them down and got them all sentenced to death for their crimes. William was sent to live in a bunch of foster homes but no one would take him. So he was forced to live on the streets.

William Jackson: That's right! I lost everything because of you!

Nico: Your dad was a criminal. J.D. did what had to be done!

Me: That's right! And he brought it all on himself!

Qin: Good riddance!

Lola: But you're not going to die.

Me: We're sending you to a place where scumbags like you rightfully belong.

Nico: You want us? Come get us.

William Jackson: With pleasure!

He turned into ANOTHER VICE!

Me: Time to kick some butt! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Yeah!

Another Vice then used the Vistamp for Sun King and fired a wave of fire and I blocked the blast.

Me: Just as I suspected!

Nico: Yeah!

I fired blasts of fire and they hit Another Vice and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught his Ridewatch and purified it and then we saw Vistamps all over the ground and we picked them up and also we slapped the cuffs on him and he was taken away.

William Jackson: (to Captain Rex) Should've just let me kill you, Rexy boy! Then, you would've seen your buddy Fives again!

Captain Rex: We'll see about that. But you need to be locked away forever.

Me: Also you are a heartless monster William. Take him away!

Shella Loud: With pleasure.

They did so.

---

We were over at a local hot sauce factor where it was being robbed. We were stopping them from stealing hot sauce for weapons.

Crystal Man: (To the robbers) I hope you guys put up more of a fight then Another Vice did.

They were giving us a good fight. We blocked their punches and kicks and I splashed hot sauce in their eyes.

Nico: You guys are bad news!

I kicked one in the face and smashed them down.

Poromon: Let me try some of that.

He guzzled some hot sauce and then he fired a blast of fire out of his mouth and burned a robber.

Qin the kicked a robber in the crotch and he screamed in pain.

Varie punched one in the face.

Poromon: That was good!

Nico: YEAH!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a massive blast of lightning and it hit the robbers and they screamed as they were electrocuted with billions of volts of electricity.

Poliwag: I want some too!

He guzzled it and belched out blasts of fire and burned the robbers all over.

Qin: Nice!

Poliwag: Delicious!

Me: I had a feeling you guys would like this one.

POW!

I punched a robber.

Me: But why would a bunch of robbers need a bunch of hot sauce anyway?

Maria: I'd like to know that as well.

Robber 1: THIS IS WHY!

He pulled out a deadly fire ray rifle powered by hot sauce and fired it and I ducked and the blast hit the wall and in a matter of seconds the factory was engulfed in a huge wall of intense flames!

Me: WHOA! Hot Sauce Powered Atomic Flame Rifles!

Nico: Deadly!

Robber 1: Nice isn't it.

Me: Very potent.

We absorbed the fire and I kicked the rifle out of his hands and caught it and I punched the robber in his face and knocked him out! But then a huge fist smashed a bunch of robbers all over. We then saw Beast Boy's old friends and former team: THE DOOM PATROL! We saw Doctor Niles Caulder A.K.A. The Chief, Rita Farr A.K.A. Elasti-Girl, Larry Trainor A.K.A. Negative Man,

Cliff Steele A.K.A. Robotman and Steve Dayton A.K.A. Mento!

Me: WHOA! The Doom Patrol! Doctor Niles Caulder A.K.A. The Chief, Rita Farr A.K.A. Elasti-Girl, Larry Trainor A.K.A. Negative Man, Cliff Steele A.K.A. Robotman and Steve Dayton A.K.A. Mento!

Beast Boy: Hey guys!

Robotman: Sorry we're late! We accidentally slept in!

Nico: You actually arrived just in time!

Eli: Wow! It's truly an honor!

Elasti-Girl: Same here Eli.

Negative Man: Awesome to see you again Garfield.

Beast Boy: Same here Larry.

We blasted and smashed the robbers all over.

Nico: Poromon, please don't eat anymore hot sauce now!

Poromon: Okay okay!

He stopped.

We finished blasting and smashing the robbers and they were loaded into the paddy wagon to be taken away.

Me: It's truly an honor to meet the Doom Patrol.

The Chief: Same here J.D. We heard so much about you.

Me: I'm glad. You'll be happy to know that the Brotherhood of Evil has all been completely destroyed. Except for General Immortus, he's still at large.

Elasti-Girl: Don't worry about him. We found him robbing a bank all by himself and we sent him to prison forever.

Me: Wow! We owe you guys one for that.

Mento: I also owe you Titans an apology. If I had just let you all come instead of leaving you behind initially, the Brotherhood of Evil would've been locked up the first time and they wouldn't have gone after all of you. For that, I'm truly sorry.

Yugito Nii: I don't believe most of us were with them at the time.

Me: No many of us weren't with them back then.

Yugito Nii: Oh.

Robin: It's all right guys. But the Brotherhood of Evil is all gone now.

Nico: Yeah many of their members and allies either have been destroyed, redeemed and joined the good guys, thrown in jail or are in our frenemies The Masters of Evil.

Elasti-Girl: We can see that. And Garfield we heard that you and Terra got hitched.

Beast Boy: We sure did.

Tara: It is the best thing that has ever happened.

Me: And we had the wedding on Starfire's home planet Tamaran. First ever interstellar wedding we've ever done.

Nico: It's true.

Mento: Garfield, I really am proud of you finally getting married.

Brawl: You guys REALLY should be proud.

Me: And they have 2 awesome kids too.

Beast Boy: That's right.

They saw their kids Gloria and Selina.

Gloria Logan: It's awesome to meet you. I'm Gloria.

Selina Logan: And I'm Selina.

Me: They had them on the day we went and destroyed the Utrom Shredder. One of the most amazing days we've seen.

Elasti-girl: Oh they are adorable. And it's awesome to meet you girls.

Selina Logan: Same to you Rita.

Gloria Logan: It's an honor to meet you all.

Mento: We're so proud of how far you all have come.

Prowl: We're actually about to go on a series of Kamen Rider missions in August.

Negative Man: That's nice. But don't expect to see Ryuki though.

Maria: Why? Is he dead?

Robot Man: No. But he doesn't have any memories of being a Kamen Rider either. You'll have to ask the Decade team for more details.

Me: Oh man! So that's what Eric Larson meant. We'll have to hear about it from Tsukasa and team though to confirm it.

Mento: But we promise you that Kamen Rider Ryuki was just as heroic as the others. And that he's living a happy life right now.

Me: Well we're happy for him.

Nico: We sure are. But he is a true hero too.

Me: Yeah. But it's good we didn't get another addition to the list of people that gave their lives for us.

Nico: Boy that's for sure.

Mento: Yeah.

Nico: Yeah. Anyway we got to get ready for our next mission. We're going to meet the young Total Drama Kids.

Me: We haven't seen them in a while. I wonder how they are doing.

Nico: We'll find out soon.

Majar: I want to eat hot sauce.

Borth: (sighs) Fine. The fight's over anyway.

Majar: Okay.

He guzzled some down.

Nico: (laughs) That's funny.

Me: Yeah.

Then Solomon Grundy, Machinedramon, Puppetmon, Dodgeball Wizard, Zavok, Spot, Red Ghost, Scorpion, David Cain and Seadramon appeared.

Grundy: Can Grundy, Machinedramon, Puppetmon, Dodgeball Wizard, Zavok, Spot, Red Ghost, Scorpion, David Cain and Seadramon go with you guys?

Nico: Yes you all can.

David Cain: The Doom Patrol. Amazing to finally meet you all.

Mento: Same to you David.

Nico: It's awesome to meet Beast Boys former team.

Lola: We're all glad they can join us too.

Hard Man: Nico, which Gene Slammer do you think you'll meet next?

Brawn: Yeah boss?

Nico: I'm hoping to do a gene-slammer for Thunder Wall next.

Luna: That's a cool one dudes.

Me: And one of my favorite MTG Cards too.

Eli: Beautiful too.

Lola: Yeah.

Yae: I would be glad to go with you Nico.

Me: Cool.

Nico: Now we can meet Young Total Drama kids.

Puppetmon: Where do they usually hang out?

Me: They go to an awesome Day Care School in Toronto. I know where it is.

Nico: Cool. Lets head over to Toronto, Canada.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed ten dark energy signals with his eyes and the Force, and he saw who the ten figures were in the vision: it was none other than Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, former students of Royal Woods High School now expelled maniacal teen mad scientists, and they're coming after us for revenge and they're extremely pissed. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, are Liam Parker and his friends coming after us?

Lincoln: You got that right, Nico, and they're extremely pissed at us for stopping their giant robots from rampaging in Africa, and they also still want revenge on the Huntington Sisters.

Sally Huntington: Should've known they'd show their faces later on today, now we're finally going to pummel their faces in yet again.

Tina Huntington: They've been asking for this for a very long time.

Lincoln: Yeah, and now, they're going to pay for trying to destroy our home with that giant robot they were going to unleash long ago. And I've also got another surprise after we tie those mad scientists up.

Nico: Oh, now this should be good. Alright, gang, let's go.

Lincoln: And you and your mad scientist friends better say your prayers, Liam Parker, because you guys are looking at a one-way trip to prison for what you've done.

The Huntington Sisters: But, not before we knock you all flat on your asses!

We were off to Toronto, Canada

---

Toronto, Canada

---

We arrived in Toronto.

Eli: So Chef Hatchett runs the school?

Me: Yep. After Total Drama was shut down because of Billy McLean, Chef Hatchett retired and he went back to his first job as a caregiver of Toronto Day Care Center.

Eli: That's so cool.

Duncan: It'll be great to see our young selves again.

Courtney: It sure will.

Qin: Yeah I forgot how cute they all are.

Brittney: Especially little Gwen.

Gwen: Yeah that is so awesome.

Dardemus: Let's go over there then.

Me: We're already here.

We arrived at the day care.

Nico: Cute place.

Inside Chef Hatchett was watching the kids. Then we came in.

Chef Hatchett: Hey guys!

Me: Hiya Chef.

Young Duncan: Hey guys!

Young Owen: Wow! Awesome you guys are here!

Young Courtney: Wow! Awesome to see you.

Young Gwen: It sure is.

Me: Hey guys. Been a long time. Don't worry we haven't forgotten you guys.

Young Leshawna: Thank goodness.

Young Bridgette: Yeah.

Zavok: Have you kids been behaving?

Young Owen: We have.

Qin: Good.

Young Sugar: (Southern Accent) It sure is y'all.

Sugar: Aww I forgot how cute I was back then.

Young Cody: Lots of us are cute.

Me: You sure are cute. Also We have a bunch of stories we would like to tell you all.

Young Courtney: About the sore losers?

Me: That's right Little Courtney.

We got to telling everyone everything.

Young Courtney: Heather was given the Black Gates?

Gwen: Yep she sure got them.

Young Gwen: I have always hated that girl.

Me: So did everyone in Canada.

Qin: That girl was born with a nasty stick shoved up her butt.

Nico: Yeah.

Me: We also dealt with Scott and a bunch of them.

Squidward: They've been dealt with.

Nico: Yep.

Young Duncan: That is awesome!

Duncan: Yeah it sure was.

Me: We also faced an evil version of Chris.

Chris McLean: It's true little dudes. We have an evil version of me now being used in our humiliations.

Leshawna: And it's really awesome.

Lincoln: I even invented my own curse for it too.

Young Cody: You know magic now Lincoln?

Lincoln: I sure do. I invented my own number of curses to deal with certain people we don't like.

Red Ghost: Are their younger selves with you all?

Young Harold: No thank goodness.

Young Owen: But the young version of Max was with us.

Me: Really? Wow. I hope he wasn't as bad as the grown version of him.

Young Owen: No he wasn't.

Young Ella: But it was good you guys stopped him.

Lincoln: It was.

Samey: But thank goodness Young Amy isn't here.

Lola: Yeah that would not be good.

Jasmine: (Australian Accent) It sure wouldn't mates.

David Cain: So, what do you guys do for fun around here?

Young Courtney: We draw, color, play and watch movies and even have a lot of fun.

Me: Awesome.

Young Izzy: And I like doing this.

She pulled out a jar of GHOST PEPPERS!

Nico: Ghost peppers!?

Me: Now you're talking.

Nico: Oh boy.

She gave me 20 of them.

Young Izzy: Think you can handle it?

Me: Oh I can do more than that.

I ate them all.

Nico: HE'S GONNA BLOW!

Everyone ducked and covered.

(IT BURNS BURNS BURNS BY LOCO LOCO PLAYS!)

Then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I exploded in a massive explosion of fire and I then had a massive fire aura envelope me.

Me: Now THAT is how a spice demon does it.

Nico: WHOA!

Young Izzy: WOW! You are really tough J.D.

RD Lori: We literally went to a hot sauce factory earlier.

Me: We sure did. And Little Duncan, your big self showed us your hot sauce you made.

Little Duncan: Oh yeah. My (DEMONIC VOICE) DUNCAN'S DIABLO! (EVIL LAUGHTER) (THUNDERCLAP)

Chef Hatchett: What have I told you about using the Karaoke Machine like that Duncan?

Me: It's all right Chef. He's just adding it for dramatic effect. I do it all the time. I do it to add some scary effect too.

Chef Hatchett: Wow.

Shockwave: Are there any villains to deal with?

Chef Hatchett: Yes there are. My old partner turned enemy Sammy has come back.

Me: What can you tell us about him?

Chef Hatchett: He was my wrestling partner from my days as a wrestler in the O.W.W.

He told us all about him.

---

Sammy is a minor antagonist from Total Dramarama, only appearing in the episode "OWW". He is the former wrestling partner of Chef Hatchet from back in his O.W.W. days. Together they made a wrestling team called the "Hot Lunch".

Biography

In "OWW", Chef told the kids the sad story about how he and Sammy used to be a wrestling team for OWW back in the day until one day, he used Sammy's signature move, the ham slamwich, against him and injured him. Chef felt so guilty that he quit the OWW alltogether and took up the worst job he could think of. Teaching children at a daycare, hence how he ended up where he is today. The kids brought Sammy back into Chef's life by setting up a wrestling match and contacting Sammy to return. Sammy came back and told Chef that he forgave him for injuring him and that he wanted to go back to wrestling with Chef again. Chef was delighted to hear this and got back in the saddle. However, Courtney was quick to figure out that Sammy was secretly planning revenge on Chef. Chef trained the kids to become wrestlers, themselves. Meanwhile, Sammy worked on welding a breakaway chair solid, electrifying a bear trap, and utilizing an angry beaver for the fight. This would mean he would fight dirty in the big match. Courtney tried to fight Chef but he didn't listen to her and just went on with the wrestling match. In the wrestling match, the kids knocked Chef over and when Chef tried to tag Sammy into the game, Sammy used the angry beaver to bite him and then squirted some ketchup and mustard into his face, sending him back into the electric bear trap. Chef found out that Sammy was trying to get revenge on him and then Sammy took out the solid chair to smack Chef but then Izzy snatched it away and led the other wrestling kids to fight Sammy and save chef. Leshawna threw some Legos for Sammy to step on, Owen fired some ice cubes at him, Izzy sent out a bunch of rabid squirrels to attack him, and Duncan took a bat to his knees, knocking him over in great pain. Sammy still wasn't ready to give up until Cody plumeted from the sky like a meteor and smashed him into the ground, defeating him once and for all. Sammy was put into a full body cast and sent to the hospital just like before and swore revenge on Chef. The doctor told him that he would not recover for a long time because he had a Cody trapped inside of him. Cody ripped out of Sammy stomach and asked for some rice pudding.

---

When he was done we were shocked!

Laney: What a sore loser!

Lynn: Jeez!

Ricochet: (Spanish Accent) He is a dishonorable Luchadore.

Spot: I bet he's not as good as John Cena

Me: No he's not.

Ronnie Anne: The best wrestler for me is La Tormenta.

Me: She is the best Luchadore.

Nico: Yep.

Me: But we'll gladly smash his face in.

Jewel Man: You guys should finish any snacks you're eating first.

Nico: Good idea.

They got to finishing their snacks and were done.

Me: Okay you guys ready for action?

Young Bridgette: You bet we are!

Nico: Awesome.

Me: Lets go unmask a bad Luchadore.

Nico: But first, Ridewatches.

Nico revealed Ridewatches for Dragon Knight, Wing Knight, Ninja Storm Red, and their copies.

Me: Ooh Dragon Knight and Ninja Storm Red.

Courtney: Cool!

Sir George, Whirlwind and Manaphy for the copies, Tyler Bowman, Ax and Poromon for the Originals.

Dodgeball Wizard: It's about time Poromon and Manaphy got some.

Nico: Boy it sure is.

Eli: I'll say.

Me: Now that that's done, lets go get him.

Nico: First we need to know where he is.

Eli used the Force to find out.

Eli: He's over in Toronto Park.

Nico: Then lets go over there.

Papillon: Coming, Chef?

Chef Hatchett: You bet I am.

Qin: Time to go kick some butt!

Ricochet: For HONOR! FAMILY! TRADITION!

Nico: Lets go.

We went to the park.

---

We later arrived and we saw him sitting on a bench and grumbling.

Me: There he is.

Proto Man: Entrance time!

We went at him.

Sammy was grumbling and then numerous Pulverizing Pinball Spirits appeared and smashed and pulverized him all over and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and blasted him all over with meteors and smashed him all over and then a phoenix cry was heard and we came out.

Nico: Get ready Sammy because we're going to kick your butt all the way to the sun!

Sammy: Team Loud Phoenix Storm!

Squidward: Yeah! And I'm going to blast your ears out!

Sammy: Come and try it Squidward Tennisballs!

Squidwards: That's TENTACLES!

Machinedramon: (Echoing) Giga Cannon!

He fired his energy cannons and blasted Sammy all over.

Puppetmon: (Echoing) PUPPET PUMMEL!

He bashed his face in with his big hammer!

KRABLAM!

Me: Take that Tennis Ball Butt!

Izzy then fired numerous tennis balls and smashed Sammy all over.

Me: Hey Sammy!

I teleported and then shoved 100 Moonscar Island Peppers down his throat and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded in an intense fiery explosion and he screamed in pain as a massive jet of fire exploded out of his mouth and we laughed!

But then Gator Ghoul, Abomination, Black Knight Ghost, Ryugu Tamatebacco, Kerbero Gangan, Whirlin, Zs'Skayr, Whiteout, Ghost and Beautiful Gorgeous appeared.

Nico: Gator Ghoul, Abomination, Black Knight Ghost, Ryugu Tamatebacco, Kerbero Gangan, Whirlin, Zs'Skayr, Whiteout, Ghost and Beautiful Gorgeous.

Gator Ghoul: So, did you learn a lesson about orders not always being followed?

Nico: I sure did.

Abomination: That's good.

Black Knight Ghost: I was afraid Eli would have to beat some sense into you.

Eli chuckled nervously

Ryugu Tamatebacco: (to me) Speaking of sense, we heard about the Pinkie Sense.

Nico: Yeah it's really cool.

Kerbero Gangan: Is that really a thing?

Me: Yes it sure is. I wrote down notes about it and every reaction from Pinkie's twitching has a meaning.

Gator Ghoul: Very interesting.

Me: Yeah.

Then a figure came out and it was QUARGANON from episode 33 of Time Force!

---

Quarganon was imprisoned within an artifact known as the Solar Amulet. He can only be released by stating an incantation when the stars are in alignment with the sun. When Vypra comes back to life, she attempts to steal the Amulet from the museum. Because she is a ghost, she cannot take it from inside its case. She forms an alliance with Ransik and succeeds in stealing it. During the ritual, Carter Grayson and Wesley Collins crash the ritual and steal the Solar Amulet. Ransik and Vypra chased after them and managed to corner them while her Demon Warriors had already captured the other Time Force Rangers. Carter was forced to surrender the Solar Amulet. With the stars still in alignment with the sun, Vypra then recites the incantation and summons the powerful Super Demon. However, the Lightspeed Power Rangers arrive to help the Time Force Rangers alongside Eric Myers. Carter destroyed Quarganon with his Trans-Armor Cycle while Vypra is destroyed by Wesley with his Red Battle Warrior!

---

Me: Quarganon! I remember you! You were released from the Solar Amulet from when Vypra came back from the dead in the epic team up with the Lightspeed Rescue Rangers and the Time Force Rangers.

Quarganon: That's right. Good memory.

Me: Thanks.

Quarganon: I really am proud of Mistress Vypra for how far she's grown.

Me: She has come a long way too.

Nico: Yeah she has.

We got the usual battles underway.

## Becca Chang, Fluttershy, Tornado Bolt, Life Skylanders, Barath Beyond, and Borth Majar VS Gator Ghoul - Nico's rescue in Ponyville and battling the hydra

Gator Ghoul was first.

Gator Ghoul: (to Becca) I heard Nico's rescue was in Ponyville. And that he and the others battled the hydra

Fluttershy: Oh I thought it was really interesting.

Tornado: Yeah it sure was. J.D. took a lot of notes on it to see the triggers.

Stealth Elf: He sure did and it was really amazing to see.

## Red She-Hulk, Applejack, Apple Bloom, Earth Skylanders, Rothar and Dardemus VS Black Knight Ghost - Lincoln's rescue

---

Black Knight Ghost was next.

Black Knight Ghost: (to Red She Hulk) I heard Lincoln's rescue was in Africa. How was it?

Red She-Hulk: It was really fun! They stopped a massive robot army made by a bunch of students that the Huntington Sisters got expelled years ago.

Applejack: Their names are Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon.

Apple Bloom: You would not like these guys at all. They are evil to the core.

Flashwing: Yeah they sure are.

Black Knight Ghost: Wow these guys sound awful. Lets do it!

Red She-Hulk activated her Ridewatch and Eyecon.

CHARLES ANDREWS AND BLACK KNIGHT GHOST!

Black Knight Ghost: Charles Andrews?

Red She-Hulk: He was the man that discovered the Moeritherium, the ancestor of the elephant that lived 37 million years ago.

Mera of Atlantis, Starlight Glimmer, Cozy Glow, Undead Skylanders, Squidward and Master Frown VS Ryugu Tamatebacco - Us meeting an Earthbound Immortal Huacachina Kon Gene-slammer

---

Ryugu Tamatebacco was next.

Ryugu Tamatebacco: (to Mera) I heard you guys met an Earthbound Immortal Huacachina Kon Gene-slammer. What's her name?

Mera: He name is Elizabeth Herodias and she is the guardian angel that taught Lincoln how to fly without wings.

Starlight Glimmer: That is so awesome! I think it's amazing that he could fly without wings before we came.

Cozy Glow: It sure is and her story is awesome.

---

Elizabeth Herodias: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elizabeth, and now, I can also defend myself, and in addition to getting stronger, I've also gotten

smarter as well.

Elizabeth Herodias: That's incredible.

Nico: It sure is. So, Elizabeth, what's the story on how you took on Scoots' fury?

Elizabeth Herodias: That's one story I'd never forget. One day, I was giving Lincoln a lesson on how to fly and this was before he got angel wings and lightning powers from Hinon, and I knew he also got powers thanks to my fellow Guardian Angels, Varya Pohzar, Aurora Nightingale, Adriana Ardelean Dracula, Bridget Branley, Abeline Demeter, Brooke Hudson, Ashley Aella, Bronte Elektra, Bianca Frostine, Leora Chiaro, Abnus Abital, Allira Crisiant, Astrid Brinkley, Aurora Aurelia, Maya Carina, and Stelara Astra. He proved to be a natural at flying, but our day was ruined by Scoots, who showed up and that bitter old goat was about to run him over with her scooter again. But, Lincoln got out of the way and he took to the air, and then, I fired a powerful white fire blast and destroyed Scoots' scooter and then, I fired a blast of wind and trapped her inside it. We told Mr. and Mrs. Loud about it, and they were mad at that bitter old goat and wanted to rip her in two, but I decided to let Varie take care of her, so I sent Scoots flying back to Sunset Canyon, and when Varie got the news of what that bitter old goat tried to do to Lincoln, Scoots was put into another straitjacket and thrown in a padded up room.

We cheered wildly for what Elizabeth Herodias did.

Nico: Sheesh, that bitter old goat is extremely unstable in the head, but we got her being humiliated by us, that is until next year, because Lincoln put a curse on her, Tyler Corso, Bella Muldoon, Nate Krenshikov, and The Black Daffodil Gang, and that curse is going to send them to Hell for good.

Elizabeth Herodias: Ooh, now that's awesome. Sure wish that curse could've also been inflicted on Flip.

Lincoln: True, but it's best that he suffers being humiliated by us forever, rather than getting killed.

Me: You got that right.

FLASHBACK ENDS

Ryugu Tamatebacco: Wow! That is amazing! Lincoln and Elizabeth did great back then.

Hex: They sure did and that was awesome.

(DOWN UNDER BY MEN AT WORK PLAYS)

Gaz: (SINGING DIVINELY AS DARKNESS SWIRLS AROUND HER)

Traveling in a fried-out Kombi

On a hippie trail, head full of zombie

I met a strange lady, she made me nervous

She took me in and gave me breakfast

And she said

Do you come from a land down under?

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Buying bread from a man in Brussels

He was six-foot-four and full of muscle

I said, "Do you speak-a my language?"

And he just smiled and gave me a Vegemite sandwich

And he said

I come from a land down under

Where beer does flow and men chunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover, yeah

Lyin' in a den in Bombay

With a slack jaw, and not much to say

I said to the man, "Are you trying to tempt me?

Because I come from the land of plenty"

And he said

Oh! You come from a land down under? (Oh, yeah, yeah)

Where women glow and men plunder

Can't you hear, can't you hear the thunder? Ah

You better run, you better take cover

('Cause we are) Living in a land down under

Where women glow and men plunder

(Hear, thunder) Can't you hear, can't you hear the thunder?

You better, better run, you better take cover

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder? Oh, yeah

You better run, you better take cover

(We are) Living in a land down under, oh

Where women glow and men plunder

(Yeah, yeah) Can't you hear, can't you hear the thunder? (Yeah, yeah, thunder)

You better run, you better take cover

Living in a land down under (Living in a land down under)

Look at this stuff

Isn't it neat?

Wouldn't you think my collection's complete?

Wouldn't you think I'm the girl

The girl who has everything?

Look at this trove

Treasures untold

How many wonders can one cavern hold?

Looking around here you'd think

Sure, she's got everything

I've got gadgets and gizmos a-plenty

I've got whozits and whatzits galore

You want thingamabobs?

I've got twenty!

But who cares?

No big deal

I want more

I wanna be where the people are

I wanna see, wanna see 'em dancin'

Walking around on those, what do you call 'em?

Oh, feet

Flippin' your fins, you don't get too far

Legs are required for jumping, dancing

Strolling along down the, what's that word again?

Street

Up where they walk, up where they run

Up where they stay all day in the sun

Wanderin' free, wish I could be

Part of that world

What would I give if I could live out of these waters?

What would I pay to spend a day warm on the sand?

Bet'cha on land they understand

Bet they don't reprimand their daughters

Bright young women, sick of swimmin'

Ready to stand

And ready to know what the people know

Ask 'em my questions and get some answers

What's a fire and why does it, what's the word?

Burn?

When's it my turn?

Wouldn't I love, love to explore that shore up above?

Out of the sea

Wish I could be

Part of that world

The sun is sleeping quietly

Once upon a century

Wistful oceans calm and red

Ardent caresses laid to rest

For my dreams I hold my life

For wishes I behold my night

The truth at the end of time

Losing faith makes a crime

I wish for this night-time

To last for a lifetime

The darkness around me

Shores of a solar sea

Oh how I wish to go down with the sun

Sleeping

Weeping

With you

Sorrow has a human heart

From my god it will depart

I'd sail before a thousand moons

Never finding where to go

Two hundred twenty-two days of light

Will be desired by a night

A moment for the poet's play

Until there's nothing left to say

I wish for this night-time

To last for a lifetime

The darkness around me

Shores of a solar sea

Oh how I wish to go down with the sun

Sleeping

Weeping

With you

I wish for this night-time

To last for a lifetime

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Way up North (North to Alaska)

Way up North (North to Alaska)

North to Alaska, we go North, the rush is on

North to Alaska, we go North, the rush is on

Big Sam left Seattle in the year of '92

With George Pratt, his partner, and brother Billy too

They crossed the Yukon River and found the Bonanza gold

Below that old white mountain, just a little South-East of Nome

Sam crossed the Majestic mountains to the valleys far below

He talked to his team of Huskies as he mushed on through the snow

With the Northern lights a-runnin' wild in the Land of the Midnight Sun

Yes, Sam McCord was a mighty man in the year of '91

Where the river is windin', big nuggets they're findin'

North to Alaska, go North, the rush is on

Way up North (North to Alaska)

Way up North (North to Alaska)

North to Alaska, we go North, the rush is on

North to Alaska, we go North, the rush is on

George turned to Sam with his gold in his hand

Said, "Sam, you're lookin' at a lonely, lonely man

I'd trade all the gold that's buried in this land

For one small band of gold to place on sweet little Jenny's hand

'Cause a man needs a woman to love him all the time

Remember, Sam, a true love is so hard to find

I'd build for my Jenny, a honeymoon home

Below that old white mountain, just a little South-East of Nome"

Where the river is windin', big nuggets they're findin'

North to Alaska, go north, the rush is on

North to Alaska, go north, the rush is on

Way up North (North to Alaska)

Cora Yenningway: (SINGING DIVINELY AND PINK FIRE SWIRLS AROUND HER)

[growing stronger] Do you ever miss the girl…

[holds strong soprano note] you left behind?

Is the girl you left behind out there tonight romancin'?

Makin' eyes at someone else and singin', is she dancin'?

Oh, the girl you left behind, you dream 'er when you're sleepin'

Puts the teardrops in your eyes from secrets she is keepin'

Happy just to play a tune and dance the whole night away

Hope the girl you left behind will be there for you someday

Lonely is the wind that blows, you know you'll always miss her

Lonely is a lover's heart, if only you could

Kiss her, kiss her, kiss her

All the girls been leave'd behind could fill up California

Please don't leave them too darn long, I think I oughtta warn ya

Absence makes the heart grow cold and makes a heart to wander

If you stay there by their sides, you'll feel their hearts grow fonder

Cats: Hope you see her someday

Hope I find my way

Back to the girl I left behind

Cora (& cats): So tell me you will never roam

(We swear we won't go roaming)

You'll be by your fireside

(We'll all be home sweet home and kiss her, kiss her, kiss her)

Cora: So where's the girl you left behind?

Cats: She's waitin' for her sister

We won't stop until we're home we'll hug and hug and kiss her

I'll find the girl (×4)

All: You'll (I'll) find the girl

You'll (I'll) find the girl you (I) left behind

Tonight (×3)!

That's right

Alright!

They danced and fired waves of fire and smashed them down.

Sally Huntington: I knew there's no mistaking those ten pissed off voices from anywhere.

Hailey Huntington: Same here, sis. You and your friends can come out now, Liam Parker.

Just then, ten boys with black hair, glasses, but were dressed in white lab coats, white dress shirts, black pants, and black shoes came out, they were none other than Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, former genius students of Royal Woods High School now expelled mad scientists obsessed with taking over the world and driven by revenge on the Huntington Sisters.

Sally Huntington: Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, the former genius students of Royal Woods High School now expelled mad scientists obsessed with taking over the world and driven by revenge on us. Should've known you ten dorks would show up, so how's life as convicted on the run juvenile criminals treating you?

Liam Parker: Shut up, bitch! You and your stupid sisters have ruined everything for us.

Noah Wyatt: How can a bunch of girls with such low genius stop us?!

Sally Huntington, Gina Huntington, Jewel Huntington, Tina Huntington, Julia Huntington, Hailey Huntington, Callie Huntington, Caitlyn Huntington, Olivia Huntington, and Polly Huntington: HEY!

Lincoln sent a rainbow energy ball with rainbow lightning at Noah Wyatt and it electrocuted him and the rest of his pals.

Lincoln: No one insults my Guardian Angels of the Planets and gets away with it! And they had to stop you all, your obsessions with world domination and views on mankind and all living things as your living test subjects have gone too far.

Jewel Huntington: That's right, not to mention that you all made the lives of everyone in Royal Woods High a total misery and you all acted like King Bees, because you used your wealth and genius to get away with your evil misdeeds!

Sally Huntington: You could've used your genius to make a difference to benefit mankind, but instead you all turned to darkness and tried to take over the world. Which is why we're glad we threw you all in juvie.

Liam Parker: Well, we hate every last one of you!

The Huntington Sisters' auras flared up and they gained a massive power boost from their hatred.

Sally Huntington: And we hate all of you too, and we've had it up to hear with you ten mad scientists to last an eternity.

Suddenly, the eyes of Sally Huntington, Gina Huntington, Jewel Huntington, Tina Huntington, Julia Huntington, Hailey Huntington, Callie Huntington, Caitlyn Huntington, Olivia Huntington, and Polly Huntington turned neon, and they were surrounded by colored energy auras with elemental forces, jewels, planetary symbols, and mythological animals, they unholstered their massive Agents of The Planets-themed swords from their backs, and as they approach Liam Parker and his mad scientist friends, they left colored energy, elemental forces, jewels, planetary symbols, and mythological animals with every step.

Sally Huntington: You and your mad scientist friends have made us sick for the last time, Liam Parker.

Gina Huntington: You all could've made something of your lives by using your genius to help better the future of mankind.

Jewel Huntington, Tina Huntington, Julia Huntington, Hailey Huntington, Callie Huntington, Caitlyn Huntington, and Olivia Huntington: But no, you used your genius to cause trouble and bring misery to everyone.

Polly Huntington: But, you made your descents into darkness when you tried to take over the world, and we had to put a stop to you and get you all expelled.

Sally Huntington, Gina Huntington, Jewel Huntington, Tina Huntington, Julia Huntington, Hailey Huntington, Callie Huntington, Caitlyn Huntington, Olivia Huntington, and Polly Huntington: But since you all refuse to learn your lessons, we're sending you ten straight to prison for good.

Suddenly, Sally Huntington, Gina Huntington, Jewel Huntington, Tina Huntington, Julia Huntington, Hailey Huntington, Callie Huntington, Caitlyn Huntington, Olivia Huntington, and Polly Huntington were surrounded by massive vortexes of colored energy with elemental forces surrounding the vortexes, the Duel Monsters they were Gene-Slammed into were flying around the vortex, and in the vortexes are colored phoenixes with the planetary symbols above them. Then, as the vortexes faded, the Huntington Sisters emerge, but they were changed forever.

Polly Huntington has transformed into SUPER ANGEL ETERNITY INFINITY PLUTO GOLDMANCER DARK HADES ANGEL OF DIVINE DARK GOLD JUSTICE AND DIVINE PLUTO LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of the Huntington Sisters, and and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Liam Parker, Noah Wyatt, Oliver Hudson, Elijah Hunter, James Colton, William Carver, Benjamin Nolan, Lucas Cooper, Henry Easton, and Jack Landon, the mad scientist bastards fell into a black rage and got out their blasters to blast and kill them. But, the Huntington Sisters fired powerful colored energy blasts with elemental forces, jewels, gold, and mythological animals at them, and it destroyed their blasters and sent them flying into a wall, which they got out of and they were beyond pissed off.

Nico: Holy crap, all of the Huntington Sisters have transformed, that's really awesome!

Me: And they sent Liam Parker and his friends flying into a wall, and really pissed them off. This is so going to be one awesome eleven-against-ten fight.

Nico: That's right, J.D., Lincoln's also going to join in.

Lincoln: That's right, I ain't missing this chance to kick Liam Parker's butt, along with his friends. And Sally, you and your sisters look beautiful. How do you all feel?

Sally Huntington: (Divine Echoing Cosmic Voice of The Solar Hyperion Sun and Divine Solar Love) **We feel incredible, Linky.**

Gina Huntington: (Divine Echoing Cosmic Voice of The Maelstrom Neptune and Divine Ocean Love) **We certainly do. Now, shall we kick Liam Parker and his friends' butts and send them off to prison for good?**

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined The Huntington Sisters.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **You and your friends are going to pay for sending that army of giant robots to cause havoc in Africa and for trying to kill the Huntington Sisters, Liam Parker.**

The Huntington Sisters and Lincoln went after Liam Parker and his mad scientist friends who no longer have their blasters, and they fired powerful blasts of rainbow energy, colored energy, gold, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Liam Parker and his friends, and they explode with incredible power as they hit them. Then, the Huntington Sisters and Lincoln attacked them with their massive wide and broad-bladed broadswords, and they left tears on their clothes, and they punched Liam Parker and his friends in the face and broke their glasses.

Then, Lincoln and the Huntington Sisters tied Liam Parker and his friends in colored and rainbow energy straitjackets and colored and rainbow energy chains, so they can't escape, and they were finally defeated. We cheered wildly for what the Huntington Sisters and Lincoln did as they holster their massive wide and broad-bladed broadswords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of the Huntington Sisters are permanent.

Liam Parker: What are you imbeciles even cheering about? We'll break out again, and we will never stop until we kill you all and take over the world! (LAUGHING MANIACALLY)

Lincoln: (Smirks) Laugh all you want, Liam Parker. But, you and your friends are heading back to prison, just not the juvenile detention facility in Lansing, Michigan.

Sally Huntington: (Smirks) And let's see how smart you all are when you're nothing more than drool monkeys. Linky, would you be so kind?

Lincoln nodded and he sprouted ten massive long and powerful white tails with large suction cups and as he latched them onto the heads of Liam Parker and his friends, Lincoln then began sucking out and draining their brains and he was gaining a very massive intelligence and brainpower boost. Then, as soon as Lincoln was done, Liam Parker and his friends were reduced to being drool monkeys for life, and they were beamed to The Sun Prison for World Conquering Tyrants, where they'll stay there for the rest of their lives.

Just then, Sally Huntington, Gina Huntington, Jewel Huntington, Tina Huntington, Julia Huntington, Hailey Huntington, Callie Huntington, Caitlyn Huntington, Olivia Huntington, and Polly Huntington glomped on Lincoln and they kissed him all over. But, they were also joined by the other future wives in Lincoln's harem.

Everyone laughed!

Me: Just like what happened yesterday.

Lola: (Laughs) But, it's still so cute!

As the Huntington Sisters and the rest of Lincoln's future wives were done, Lincoln had lipstick marks all over his massive muscular body and face, he was laughing goofily and he has steam coming out of his ears.

Lincoln: (Dreamy voice) I'm in Heaven!

Nicole: (Snickers) Uh oh, looks like Lincoln is going to be having a wild time tonight!

We laughed some more, and Lincoln snapped out of it. But, he then kindly returned the kisses of his future wives and they also had steam coming out of their ears and deep scarlet red blushes on their faces.

Cora Yenningway: What a man!

Whirlin: That's it for Sammie.

Zs'Skayr: I hope he has a nice stay in prison.

Me: I have a feeling he won't like it one bit.

Ultra Humanite: But the songs we all sang today in our battles was absolutely exquisite.

Qin: They were really beautiful.

Laney: They sure were.

Whiteout: The Vistamps Nico and the others got really came in handy.

Me: Yeah they were!

Abigail Howenshead: I'm really gonna love it here with you guys.

Elizabeth Herodias: Same with me.

Ghost: You girls won't regret it.

Me: Yeah you'll love it.

Beautiful Gorgeous: (to the Doom Patrol) It's gonna be good having you guys with us.

Mento: It sure will be awesome.

Elasti-Girl: Yeah it will. We have a lot of catching up to do with Garfield.

Me: I can tell.

Nico: But great job everyone.

Young Gwen: Thanks Nico.

Ricochet: (To the viewers) Now Sammy is in prison and the honor of Lucha Wrestling was avenged.

Nico: It sure has. Lets head home guys.

We cheered.

We went back home and enjoyed the rest of the day and went to sleep.

Primadonna Hodges - The masculine-voiced leader of the group. She seems to be very muscular and aggressive. She also sounds much like a tough man. She's 13 years old. She often refers to the Mascaritas as "jabronis", a play on the term "jobber", which was coined by The Iron Sheik and later popularized by The Rock. Voiced by Kathleen Barr.

Carlton Cold Jones - He seems to be the brainless one of the group. In one episode, he faced off with Rikochet and tried to get a better arriving theme than him. Voiced by Lee Tockar.

Heavy Traffic - He seems to be the aggressive one known to tear everything apart. At one point Buena Girl refined him. He then turned into a fake suit-wearing British gentlemen masked wrestler named "Union Jack" with moves like "London Bridge is Falling Down" and "Rule of Britannia". But he reverted to his aggressive form because he missed his old group. Voiced by Scott McNeil.

Ham Hands - He seems to be the extra one of the group, he wears face paint. He is also the "worst wrestler in the Hairy Knuckles Wrestling Academy". He is voiced by Michael Donovan.

Qin is gonna battle battle those clods and show her not to mess with the pride of Lucha Libre! Also Ricochet, Buena Girl, Flea and Penny Plutonium are going With the group. We're also going to battle Another Ghostfreak and Another Dyna Red. And these bullies picked the wrong day to fight. Also we're going to meet a Thunder Wall Gene-slammer named Emilia Kaito. Emilia is Nico's friend from science and she and Nico both specifically were in meteorology. They did a lot of tornado chasing too and took photos of awesome tornadoes. The match-up scene is for Dakota Maracle, the Ascended of Thunder Gene-Slammer and she and Lincoln are going to destroy Pn'zo from the Marvel Comics. Megasonic1000, I want you to give J.D. the information on him, and on the villain Lincoln and his group are going to face on his rescue tomorrow, Blockbuster A.K.A. Michael Baer, and a member of The Marauders. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Washington D.C., and Lincoln and his group are going to take down Michael Baer A.K.A. Blockbuster, and a member of The Marauders. And they're going to meet an Earthbound Immortal Ccomnosuma Gene-Slammer named Sydney McWilcox, she's Lincoln's Guardian Angel from Australia, and she is a master of yellow fire and is a powerful force to be reckoned with in martial arts. She also took on the full force of Lola's fury with incredible ferocity. It's Qin's Birthday! And we got an awesome day planned for her. We're going to have an awesome party for her over at Lynn's Table and we're going to have an awesome humiliation session and use awesome and funny techniques on the jerks involving spicy food and a lot of nuclear spicy foods. After Nico's rescue, Me and Captain Cold are going to take Qin out of the estate while we get everything ready for her party. So I won't be going to the bonding session tomorrow.

See you all tomorrow.

# QIN'S BIRTHDAY SPICY EXTRAVAGANZA

HAPPY BIRTHDAY TO NICOCHAN11'S OC QIN CHEN

In the briefing room, I had Nico, Eli, Captain Cold, Varie, Erica Haddock, Aylene, Naruto and Vince there for a special meeting.

Me: Now I'm sure you're all wondering why I called this meeting. Well if you must know, tomorrow is Qin's birthday and Nico has something really awesome planned for her Birthday Party.

Nico: That's right. We're having her party at Lynn's Table and it's going to be an awesome surprise party and we're going to do a humiliation fest for her so she can have some fun.

Captain Cold: I think that's gonna be wonderful Nico.

Nico: It sure is. So after I'm done with my rescue I want you and J.D. to take Qin out of the estate on a special exploration mission of these locations.

He pulled out a list of places that Scooby Doo and his gang went to that had amazing treasure that was never found. It included the Vasquez Castle, Skull Island, The Vault Prison and Moonscar Island.

Captain Cold: Ooh these will be fun.

Nico: Yes they will. I want you and J.D. to take Qin treasure hunting to those spots and find all that treasure while we set up everything for the party.

Captain Cold: Okay.

Me: This will be fun Nico.

Nico: It sure will be awesome. I want Qin to have the most fun ever.

Varie: And on the day before we meet the Decade Kamen Riders too.

Nico: Yep. And don't let her come back too early. I'll tell you guys when.

Me: Right.

We then got into agreement. We were ready.

This was gonna be awesome as I heard so much about the town of Luchaville from when Nico lead everyone that day when I was on vacation.

Me: Wow so this is Luchaville. I heard so much about this place from you guys when I got back from my vacation.

Varie: I remember that. That was so awesome.

Girl Jordan: And it's also where we met Valon and saved him from the Orichalcos.

Nico: That was so awesome.

Me: Wow! That is awesome!

Camie: Yeah. You'll have to tell us all about it.

Yae: We're really looking forward to hearing it.

Eli: Yeah.

Ricochet: You guys are going to love our school. It's a school all for Luchadore Students.

Me: I have a feeling this is gonna be awesome. And Ronnie Anne and Syd love Lucha Libre wrestling too.

Buena Girl: They sure do.

Nico: Thanks for coming with me, Yae.

Yae: It's my pleasure Nico. I'm so looking forward to going on a great rescue with you.

Qin: I am too. I have a feeling this one is gonna be really awesome.

Nico: Yae, remember when J.D. met you guys?

Yae: I sure do. That was so much fun. It was during the Japan part of the Ridonculous Race last year.

Zarya Moonwolf: That was so awesome and fun.

Me: Boy it sure was. And I was really amazed when we heard that Nico and the team went into the Multiverse to take down Stewie's evil half brother.

Laney: Yeah that was really cool! I loved the Amish part of that adventure. It was amazing.

Carol: That was awesome. But the most brutal part of that one was taking down that Fraternity Club universe.

Lola: Yeah those guys were all sociopathic jerks.

Me: Boy that was crazy! And I heard there was a universe where the Handicapped people reigned supreme.

Nico: Yep. And there was one for pirates, Alien Chickens and the Evil Universe.

Lana: Yeah.

Yae: Those were really crazy and cool.

Me: They sure were.

Nico: We didn't fight the Amish at all.

Laney: No we sure didn't. In fact we became awesome friends with them and we brought their awesome Amish city to Gotham Royal York.

Nico: That was cool.

Maria: Yeah it sure was. But William and me did not like that Fraternity and Sorority Universe at all. Remember how we went after guys like those at the university in our universe on our first date?

Me: Boy I sure do. Those guys were nothing but trouble!

Nico: Yeah they sure were. But I thought the Handicapped Universe was awesome too.

Varie: I liked that one because as a nurse I work with the handicapped.

Nico: The Constructicons really looked eager to fight Crippletron as Devastator.

Me: Boy I can tell they were.

Camie: I'm confused though. Can you tell us everything that happened during that time? We weren't with you went it all happened.

Nico: I sure can. That was so unforgettable.

Nico went over everything that happened during the events of chapter 1367 and it was an awesome adventure.

Me: Wow! That was so awesome! And Eli you did really good in returning that girls photos.

Eli: Thanks bro.

Laney: That was cool. Also some guy was hitting on Sophie.

Me: What a fucking douchebag!

Qin: No kidding there! I hate guys like that.

Nico: Me too.

Me: And Fluttershy that was so awesome the way you used your Stare on those Frat guys to let that worlds version of Meg in.

Fluttershy: That was really good.

Me: I guess it will show those jerks never to underestimate the power of Fluttershy's stare.

Nico: Yep and we found out that Hank Scorpio was part of a Fraternity Club a long time ago.

Me: Cool!

Nico: Yep. ΚΣΨ.

Me: Cool!

Eli: Yeah that was cool.

Nico: There was an evil world too.

Me: Wait I remember that universe. That was where we killed Evil Stewie the first time.

Nico: That's right! I remember you guys went there before and Venom ate him.

Maria: He sure did. That was amazing.

Nico: We killed a cheeseburger too.

Eli: That was the funniest assassination we've ever done.

Me: Who did you guys kill?

Nico: Mayor McCheese?

Me: One of the Mascots of McDonalds? How crazy.

Nico: Yeah it was funny.

Maria: There was also a world of pirates.

Brittney: That was a world I remember. Remember in my babysitting adventure I had one of the Fox Quintuplets battle Long John Peter?

Nico: I sure do Brittney. That was awesome.

Me: That is cool that you guys did that and I heard that Seamus got his arms and legs back.

Nico: Yep. And we met a mermaid Lois.

Varie: She was awesome too.

Me: Also there's a Long John Peter in the Masters of Evil now. He's Maria Cooper's Archenemy now.

Nico: That is awesome.

Me: Wow!

Nico: Then we went to the North Pole.

Me: I've heard about that one! That was where a Santa Claus went bad because everyone was buying their gifts online.

Eli: Yep and at the same time I felt sorry for that version of Santa too.

Qin: Same here. So instead of killing him we put him in our prison.

Me: You made the right call on that one.

Eli: Yeah we sure did.

Varie: I also heard that Stewie and Brian went to the North Pole themselves a while back and Stewie was going to kill Santa for something.

Nico: That's right. I heard all about that.

Varie: Yeah and that universe was sad though.

Nico: Because all Stewie wanted was to sit on Santa's lap.

Me: Yeah.

Himiko: Can you tell us what happened when Stewie and Brian went there to the North Pole?

Varie: I can do that. It was not a pleasant sight. Blame Humanity's Greed for that.

Varie told us what happened from Family Guy Season 9 Episode 7.

---

On Christmas Eve, Brian takes Stewie to the mall, only to get a rude brush-off from the Santa who works there when he leaves for the night. As a result, Stewie vows to kill Santa for blowing him off and forces Brian to take him to the North Pole. Attempting to trick Stewie, Brian brings him to a Santa's Village amusement park. Soon discovering the charade, Stewie threatens to shoot Brian if he does not take him to the real North Pole.

Stewie hitches a ride with a trucker and so Brian follows him all the way to Canada. On the way, Stewie accidentally causes a traffic pileup by discharging a flare pistol in the cab of the truck, which catches fire and explodes. Crashing his car in a chain reaction, Brian becomes angry and tells Stewie that Santa does not exist. Stewie becomes frustrated and continues to attempt to hitchhike, coercing Brian to join him. The pair then encounter a Canadian who gives them his snowmobile.

Continuing north, they soon run out of gas, but receive help from the Aurora Boreanaz, who instructs them to stay at a nearby cabin. The two survive the night in the cabin and set out on foot the next morning. They finally make it to Santa's workshop, only to find the place a dark, gloomy factory in a dreary, polluted, lifeless wasteland. Santa is a sickly and depressed old man, the elves are all horribly mutated and inbred due to Santa's attempts to keep up with the increasing gift demands year after year, and the reindeer have become carnivorous, feral monsters that eat the elves who wander out into the snow to die of exhaustion. Santa suddenly collapses and is too sick to deliver the presents. Brian and Stewie agree to do it, but end up wasting an hour and a half at their first house after their presence is discovered by a family whom they attack, bind and gag with duct tape, upon discovering they were in the wrong house. Realizing that they will not be able to complete the delivery in time, and understanding firsthand the impossibility of Santa's job, Stewie and Brian abandon the delivery in lieu of another plan.

On Christmas morning, everybody on Earth wakes up without any presents under their trees. They turn on the news, which is broadcasting the same story. Brian and Stewie appear on the broadcast and bring the dying Santa out in a wheelchair, explaining that humanity's greed is killing him, and if they don't shorten their demands to one Christmas present a year, they may have to give up Christmas altogether. Chastened, everyone agrees and by one year later, Santa has recovered, the workshop is once again a lively, colorful cottage and the elves and reindeer are all rejuvenated.

---

When she was done we were amazed that Brian and Stewie did that.

Me: Wow! That is incredible!

Lola: Yeah no kidding!

Lana: Brian and Stewie are heroes for doing that.

Me: Me and it was all because of Humanity's greed and the planet's population growing fast? Wow.

Qin: Yeah I feel bad for that worlds version of Santa too. He lost everything.

Nico: And finally, there was that chicken world.

Me: I bet Ed liked that one.

Nico: Well it was good and bad. Ed loves chickens but these are bad chickens.

Himiko: Crazy. But at least you guys all destroyed them.

Tsuyu: Yeah no kidding there.

Qin: Thank goodness. And we saved Meg there. That whole universe was like a combination of Aliens and other science fiction movies but with mostly Aliens in it.

Lola: Yeah it was weird. I'm never looking at chickens the same way again.

Qin: It was weird.

Applejack: I wouldn't let those kinds of chickens enter my barn ever.

Maria: Surprisingly, Brian killed Bertram.

Nico: Yep and we banished him to the Warp.

Me: After everything he did he should have gotten the Black Gates for his crimes.

Nico: It's a shame we didn't know about the Black Gates earlier though. But yeah.

Qin: But at least he's gone for good.

Himiko: Thank goodness too.

Camie: I can't believe he was that evil.

Me: Hmm. Hey Nico I have been thinking about something.

Nico: What is it?

Me: If I were to use the Black Gates on Xehanort would it destroy all the Dark Orbs all over the universe along with him?

Nico: Hmm. You know it's highly possible. But if he ever returns we'll be sure to test that theory out.

Yae: That will be awesome to see.

Lola: Yeah it sure would.

Me: Yep.

Varie: Man Yesterday was so awesome.

Nico: I really loved meeting the Total Drama Kids.

Me: They were with us ages ago Nico. They just had to go to daycare up in Canada. But it was awesome they are now with us permanently.

Nico: It sure is.

Yae: I agree and they are so awesome.

Me: Thank goodness we're not meeting younger versions of the sore losers.

Qin: That would not be good.

We arrived in Ricochet's school.

Me: So this is your school guys.

Ricochet: Yep this is it.

Buena Girl: What do you think?

Me: It's really cool.

Qin: I think it's so awesome that there is a school for Luchadore wrestlers.

Nico: Yeah I was amazed too.

Maria: Same here.

Nico: Okay. Our bad guys should be here somewhere.

Eli: I sense they are here. They are in the gym.

Nico: Lets go.

Me: It's amazing that you faced Valon here Nico.

Nico: It sure was. And he had a really interesting and amazing theme to his deck too. He used Armor Cards.

Qin: Those were awesome to see.

Camie: That is amazing and his monsters are very unique.

Maria: I thought so too.

We went into the gym.

Lola: Where is everyone?

Nico: It's Sunday so school is closed.

Me: Good thing we have a special permit and key.

Qin: Yep.

We went into the gym and it was pitch black dark.

Me: Man it's dark in here.

Nico: Hello? Any bad guys here?

Me: I'll turn on the lights.

I went and found the light switch and turned them on with a switch I had in my pocket knife.

Me: There we go.

Eli: They are here.

Me: Where?

But then I suddenly felt a hugely cold wave go down my back!

Me: (SHIVERING) JEEZ! That was cold!

Nico: You all right?

Me: Yeah I was warm and then suddenly I felt this really big cold wave go down my back.

Eli: Weird. I don't feel anything.

Lucy: I sense a ghost here.

Me: A ghost?

Lincoln: My ghost sense is not picking up… (Ghost sense goes off) Oh there it is.

But then we saw a Black Ectonurite appear! It was ANOTHER GHOSTFREAK!

Me: Another Ghostfreak!? WHOA!

Albedo turned into Negative Ghostfreak.

Negative Ghostfreak: Now we're even.

Nico: Yeah! Who are you buddy!

Another Ghostfreak: (In a little girls voice) J.D. you remember me right?

I gasped when I heard that voice. I hadn't heard that voice in 14 years and then my heart started pounding hard and then my eyes welled up with tears and then I started crying hard and then I dropped to the floor and cried hard.

Me: (CRYING HARD) REBECCA SARRASIM! (CRYING)

Nico: (Concerned) J.D.? What's wrong!?

Me: (CRYING) That Another Ghostfreak! That's Rebecca Sarrasim! She is a girl that I knew back when I was in kindergarten and… She died in an explosion when her house blew up! (CRYING)

Everyone gasped!

Maria: Well, I guess Swartz did us one favor.

Nico: Maria! Let J.D. tell us what happened. J.D. It's all right we're here. Tell us what happened.

Me: (Calms down) Okay. I'll try. It was back 14 years ago. Me and Rebecca were very close and dear friends in kindergarten. We were known as the angels of light and darkness. She was born with amazing pitch black angel wings and had powers over darkness. She's a goth girl and loves all things dark. We did it all and went to the amusement park and had all sorts of fun. But then when I was over in the Czech Republic for our vacation, I got word that Rebecca's entire house exploded because of a propane gas leak and then (crying) I found out she died in that explosion! (CRYING HARD)

Everyone gasped in shock!

Varie: Oh honey.

Camie: J.D. that's awful!

Himiko: Oh man!

Nico put his hand on my back and comforted me.

Nico: I'm so sorry J.D. I'm so sorry.

Me: (Crying Hard) MY FIRST FRIEND! GONE!

Nico patted me.

Kaito: Should we be concerned about this?

Zocks: Kaito. This was his friend.

May: Yeah he lost someone back then that was dear to him.

Nico: Yeah he loved this girl and an unfortunate and tragic accident took her from him. A piece of his soul was shattered.

Me: (Sniffles) But after that horrible day it was then that I would not let the same thing happen to anymore of my friends. I then went into the superhero business because of it. I vowed from then on that I would not let the same thing happen to anymore of my closest and dearest friends. I vowed that I would form the most powerful team in the entire universe and always be there for everyone and stop the malevolent forces of evil out to destroy everything. I would not let the same thing happen to anyone in any way, shape, form or anything like that.

Nico: Whoa! So Rebecca's death is the catalyst that lead to you becoming a superhero.

Me: That's right. I poured myself into my training, book smarts and everything I learned from comics and used my powers to help people. I travelled all over the world and helped people in need and helped so many people that were sick and more. As well as learn from the great martial arts masters from the world.

Nico: Wow! I've never seen you work so hard like that!

Me: Yes. But now that Rebecca is back I have a piece of my soul that was taken from me back.

Nico: Yeah.

Juran: It's a no brainer why you became Another Ghostfreak.

Another Ghostfreak: That's right and J.D. it's not your fault I died.

Me: I'm sorry I wasn't there. I wanted to be but I couldn't.

Another Ghostfreak: J.D. I forgive you for not being there for me.

Me: Thank you Rebecca. But I still blamed myself for not being there. It's all my fault. I should have asked you to come with me! I'm sorry. I failed you.

Nico: J.D. it's not your fault man. You didn't know this was going to happen until it was too late. I know you lost someone you loved dearly but remember everything I went through with killing Ken and all that and how you helped me get over my grief? You saved me from my darkness. Now you can save yourself from your darkness and save Rebecca.

Me: (Sniffle) You're right Nico! I got to do this for her!

Eli: Yeah bro!

Me: But I promise that on August 12th, Swartz will PAY FOR THIS!

Flea: This is nice and all. But I don't think she's alone!

We saw another figure come out and it was a scary version of Dyna Red from Dynaman back in 1983!

Me: Whoa! Another Dyna Red!

Nico: From 1983! WHOA!

Me: If Hokuto Dan saw this he would be really pissed!

Flea: The both of them still aren't alone.

We saw a bunch of kids come out and they were the HAIRY KNUCKLES BRUTOS!

---

Primadonna Hodges - The masculine-voiced leader of the group. She seems to be very muscular and aggressive. She also sounds much like a tough man. She's 13 years old. She often refers to the Mascaritas as "jabronis", a play on the term "jobber", which was coined by The Iron Sheik and later popularized by The Rock. Voiced by Kathleen Barr.

Carlton Cold Jones - He seems to be the brainless one of the group. In one episode, he faced off with Rikochet and tried to get a better arriving theme than him. Voiced by Lee Tockar.

Heavy Traffic - He seems to be the aggressive one known to tear everything apart. At one point Buena Girl refined him. He then turned into a fake suit-wearing British gentlemen masked wrestler named "Union Jack" with moves like "London Bridge is Falling Down" and "Rule of Britannia". But he reverted to his aggressive form because he missed his old group. Voiced by Scott McNeil.

Ham Hands - He seems to be the extra one of the group, he wears face paint. He is also the "worst wrestler in the Hairy Knuckles Wrestling Academy". He is voiced by Michael Donovan.

---

Ricochet: The Hairy Knuckles Brutos!

Buena Girl: Not these guys again!

Me: You know them?

Ricochet: Yeah we do. And I wish we didn't. They are bullies from Hairy Knuckles Academy And they hate us with a terrible vendetta.

Primadonna Hodges: And now we're going to kill you clods!

Me: Not it we Smash your faces in first UGLY!

She then exploded in RAGE!

Primadonna Hodges: WHAT DID YOU JUST CALL ME! (GROWLS IN EXPLOSIVE RAGE) (FIRE EXPLODES FROM HER MOUTH)

Nico: She turned into a Flareon!

NICE ROAST!

Me: That was a good burn though Nico.

Nico: Thanks. First, who's Another Dyna Red?

Primadonna Hodges: You'll find out now! KILL THAT MOTHERFUCKING ASSHOLE! NO ONE CALLS ME UGLY AND LIVES TO TELL THE FUCKING TALE!

Me: Do you kiss your mother with that mouth or use it lick a toilet!?

BURN!

Another Dyna Red then shocked us by kicked her in the head and it sent her flying and sent her crashing into the wall!

KRASMASH!

Nico: OUCH!

Eli: Nice one!

Another Dyna Red: (In a girls voice) (Welsh Accent) Her yelling gives me a headache.

Me: That voice.

She reverted back and it was a girl with black hair and blue eyes and she had a dragon tattoo on her arm as well as a Phoenix and Firebird tattoo. And she was dressed in a blue dress and she had the Wales Dragon on her dress.

Me: Alys Hughs!

Alys: Good to see you again J.D.

Me: You too Alys.

Nico: You know her?

Me: I met her in Wales. She is an awesome Shetland Pony rancher and she also has a lot of amazing and beautiful Shetland Sheepdogs. She also is a great cook too and knows how to make all kinds of amazing European dishes from all over Europe.

Nicole: That is cool!

Me: Yeah.

Alys: It sure is.

Nico: What did Swartz promise you two?

Another Ghostfreak: My family.

Alys: And to be the greatest world chef.

Me: Mary could easily do that one. And I can bring your family back.

Eli: Yeah.

Qin: Yeah. I'll face the three brats with Ricochet and his friends. You guys face the Another Ghostfreak and Dyna Red.

Nico: Okay.

Me: Sorry about this girls. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

Alys turned back into Another Dyna Red!

Nico: (takes out Zs'Skayr's Ridewatch) I think me using this one was very obvious.

Qin: Time to kick some pompous ugly butt!

Carlton Cold Jones went at her and she kicked him in the face and punched him in the stomach 40 times in rapid succession and then kicked him right in the crotch with incredible force and there was a sickening crunch!

Eli: OOH!

Aylene C.: OUCH!

Carlton Cold: HEY! Don't you know about Queensberry Rules?

Qin: I don't play by Queensberry Rules. I don't even show mercy to my enemies!

KROW!

She smashed his face in and then kicked Heavy Traffic in his face and knocked him down.

Nico activated Zs'Skayr's Ridewatch.

(FLY BY HILARY DUFF PLAYS)

Nico: (Singing Divinely as ghosts and darkness swirled around him)

In a moment, everything can change

Feel the wind on your shoulders

For a minute, all the world can wait

Let go of your yesterday

Can you hear it calling

Can you feel it in your soul

Can you trust this longing

And take control

Fly

Open up the part of you that wants to hide away

You can shine

Forget about the reasons why you can't in life

And start to try

Cause it's your time

Time to fly

All your worries, leave them somewhere else
Find a dream you can follow
Reach for something when there's nothing left
And the world's feeling hollow
Can you hear it calling
Can you feel it in your soul
Can you trust this longing
And take control
Fly
Open up the part of you that wants to hide away
You can shine
Forget about the reasons why you can't in life
And start to try
Cause it's your time
Time to fly
And when you're down and feel alone
Just wanna run away
Trust yourself and don't give up
You know you better than anyone else
In a moment, everything can change
Feel the wind on your shoulders
For a minute, all the world can wait

Let go of yesterdays

Fly

Open up the part of you that wants to hide away

You can shine

Forget about the reasons why you can't in life

And start to try

Start to

Fly

Forget about the reasons why you can't in life

And start to try, 'cause it's your time

Time to Fly

In a moment, everything can change

He danced and went invisible and gave Ham Hands a super atomic wedgie and he screamed in pain!

Maria: (Takes out MOE Cannon) Time for some backup! (Turns Dial) LOUD SIBLING FORCE 90210!

She summoned Leonard, King Hiss, Hydro Man, Vypra, Shiv, Electro, Eccentro, Webstor, Bane, Vexen, Firefly, Calamitous, Pete and Ebon!

Nico: OH YEAH!

Vypra: Time to kick some butt!

Me: Now for this one! (Activate's Vypra's Ridewatch)

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Me: (SINGING DIVINELY AS LIGHT AND DARKNESS SWIRLS

AROUND ME)

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

This is the birth of all hope

To have what I once had

This life unforgiven

It will end with birth

No will to wake for this morn

To see another black rose born

Deathbed is slowly covered with snow

Angels, they fell first but I'm still here

Alone as they are drawing near

In heaven my masterpiece will finally be sung

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

Wounded is the deer that leaps highest

And my wound it cuts so deep

Turn off the light and let me pull the plug

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

This is the birth of all hope

To have what I once had

This life unforgiven

It will end with birth

Mandylion without a face

Deathwish without a prayer

End of hope

End of love

End of time, the rest is silence

Mandylion without a face

Deathwish without a prayer

End of hope

End of love

End of time, the rest is silence

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

This is the birth of all hope

To have what I once had

It is the end of all hope

To lose the child, the faith

To end all the innocence

To be someone like me

It is the end of all hope

To lose the child, the faith

End of all hope

I danced and formed Vypra's sword and slashed Another Dyna Red and Ham Hands and Another Ghostfreak all over.

Another Ghostfreak: Wow! That is talented!

Vypra: Sure is! Nice job with my ridewatch J.D.

Me: That was awesome.

Bane: (Spanish Accent) Allow me to teach these sorry excuse for wrestlers a lesson.

Laney: Lets do it together Bane. (Activate's Bane's Ridewatch)

She grew to She-Hulk Size and she was strong too!

Laney: YEAH! Lets dance!

(BAILAMOS BY ENRIQUE IGLESIAS PLAYS)

Laney: (SINGING DIVINELY AS HUGE LEAVES AND FLOWERS SWIRLED AROUND HER)

Tonight we dance

I leave my life, in your hands

We take the floor

Nothing is forbidden anymore

Don't let the world dim my sight

Don't let a moment go by

Nothing can stop us tonight

Bailamos, let the rhythm take you over

Bailamos

Te quiero amor mío, bailamos

Gonna live this night forever

Bailamos

Te quiero amor mío, te quiero

Tonight I'm yours

We can make it happen I'm so sure

Now I'm letting go

There is something I think you should know

I won't be leaving your side

We're gonna dance through the night

I'm gonna reach for the stars

Bailamos, let the rhythm take you over

Bailamos

Te quiero amor mío, bailamos

Gonna live this night forever

Bailamos

Te quiero amor mío, te quiero

tonight we dance

(Whoa, oh oh oh) like no tomorrow

(Whoa oh oh oh) if you will stay with me

Te quiero, mi amor

Bailamos, let the rhythm take you over

Bailamos

Te quiero amor mío, bailamos

Gonna live this night forever

Bailamos

Te quiero amor mío

Bailamos, let the rhythm take you over

Bailamos

Te quiero amor mío, bailamos

Gonna live this night forever

Bailamos

Bane bulked up and they both smashed and pulverized Carlton Cold all over the place with incredible fury!

Yae: Don't forget me!

Nico: Lets make it a combo.

Yae: Yeah!

Yae activated her Ridewatch for Puppetmon and Nico activated his Ridewatch for Myotismon.

Yae and Nico: CRIMSON THUNDERSTRIKE LIGHTNING BLADE DANCE!

(INTO THE NIGHT (FT. CHAD KROEGER) BY SANTANA PLAYS)

Nico: (Singing Divinely as red lightning swirls around him)

Like a gift from the heavens, it was easy to tell

It was love from above, like it saved me from hell

She had fire in her soul, it was easy to see how the devil himself could be pulled out of me

There were drums in the air as she started to dance

Every soul in the room keeping time with their hands and we sang

Ay oh ay oh ay oh ay

And the voices rang like the angels sing

We're singing, ay oh ay oh ay oh ay

And we danced on into the night

Ay oh ay oh, ay oh ay oh

And we danced on into the night

Like a piece to the puzzle that falls into place

You could tell how we felt from the look on her face

She was spinning in circles with the moon in her eyes

The room left them moving between you and I

We forgot where we were, and we lost track of time

And we sang to the wind as we danced through the night, and we sang

Ay oh ay oh ay oh ay

And the voices rang like the angels sing

We're singing, ay oh ay oh ay oh ay

And we danced on into the night

Ay oh ay oh, ay oh ay oh

And we danced on into the night

And we danced on into the night

Like a gift from the heavens, it was easy to tell

It was love from above, like it saved me from hell

She had fire in her soul it was easy to see

How the devil himself could be pulled out of me

There were drums in the air as she started to dance

Every soul in the room keeping time with there hands, and we sang

Ay oh ay oh ay oh ay, and the voices rang like the angels sing

We're singing ay oh ay oh ay oh ay

And we danced on into the night, ay oh ay oh, ay oh ay oh

And we danced on into the night (And the voices rang like the angels sing)

Ay oh ay oh, ay oh ay oh, and we danced on into the night, ay oh ay oh ay oh ay

(Ay oh ay oh) Ay oh ay oh ay oh ay

(Ay oh ay oh) Singing ay oh ay oh ay oh ay

(Ay oh ay oh) And we danced on into the night

They slashed and electrocuted Another Dyna Red and the Hairy Knuckles Jerks all over.

Ricochet: Now for this one Qin. (Echoing) PULVERIZING PINBALL!

He turned into a bowling ball!

Qin: Here comes my exploding kickball special!

She kicked Ricochet and he went flying and he slammed into Primadonna Hodges and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was smashed into the wall with devastating force and she crashed into a pool of lobsters that was conveniently placed! She then swelled up like a balloon! She was ALLERGIC TO LOBSTERS!

Nico: Who put those lobsters there?

Me: (Whistles innocently)

Maria: Forget that! Which ones are left?

Qin: Don't worry she will come back for more.

She sure did.

Another Dyna Red then pulled out a Dyna Blaster and it was imbued with Jeanne Luptuous's power and she fired it and it hit Miku Yuuki and she was now in only a SMOKING HOT PURPLE BIKINI! (WOLF WHISTLE!)

Miku Yuuki: WHOA!

Her clothes were all on the floor.

Miku Yuuki: Hey J.D.? (Strikes a pose) Like what you see?

Me: (WOLF WHISTLE)

Nico: (LAUGHS) That was funny!

Eli: But that blaster she has is from the Non-Core Members of the M.O.E.

Me: She has Core and Non-Core weapons of the M.O.E. And that was Jeanne Luptuous Bikini Blaster.

Nico: Nicole might murder us for this!

Nicole: I would but that was clever using a blaster like that.

Nico: Wow.

Nicole: I would never hurt my dad like that.

Nico: Good.

Qin: Here's something I've been wanting to try out.

She pulled out a Ridewatch version of the Sword of Harmony.

Me: I had Lisa make that sword for her.

Lisa Loud: It's part of my latest experiment. I call it the Ridewatch Sword of Harmony.

Miku Yuuki: Wow!

Qin activated Kaos, El Oso, Tchang Zu, Duff Killigan, Vreedle Brothers, Carmen Dillo, INSTIGATOR, Dr. Starline, Hades Beast Specter and King of Flan's Ridewatches.

Qin: Time to show these douchebags what true friendship can do!

Buena Girl: Lets get them!

Qin: First Kaos.

(BEYOND THE INVISIBLE BY ENIGMA PLAYS)

Qin: (SINGING DIVINELY AS THE 10 ELEMENTS OF SKYLANDS SWIRL AROUND HER)

I look into the mirror

See myself, I'm over me

I need space for my desires

I have to dive into my fantasies

I know as soon as I'll arrive

Everything is possible

'Cause no one has to hide

Beyond the invisible

Close your eyes

Just feel and realize

It is real and not a dream

I'm in you and you're in me

It is time

To break the chains of life

If you follow you will see

What's beyond reality

Ne irascaris Domine

Ne ultra memineris iniquitatis:

Ecce civitas Sancti facta est deserta:

Sion deserta facta est:

Jerusalem desolata est:

Domus sanctificationis tuæ et gloriæ tuæ…

Close your eyes

Just feel and realize

It is real and not a dream

I'm in you and you're in me

It is time

To break the chains of life

If you follow you will see

What's beyond reality

Close your eyes

Just feel and realize

It is real and not a dream

I'm in you and you're in me

It is time

To break the chains of life

If you follow you will see

What's beyond reality

She danced and slashed Carlton Cold all over and then kicked Primadonna Hodges in the face and swung her sword and fired waves of exploding watermelons and smashed her all over.

Nico: Nice!

Me: It works perfectly Lisa.

Qin: Now for fire!

(A QUESTION OF LUST BY DEPECHE MODE PLAYS)

Qin: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Fragile, like a baby in your arms

Be gentle with me, I'd never willingly do you harm

Apologies are all you seem to get from me

But just like a child, you make me smile when you care for me

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Independence is still important for us though

(We realise)

It's easy to make the stupid mistake of letting go

(Do you know what I mean?)

My weaknesses, you know each and every one

(It frightens me)

But I need to drink more than you seem to think before I'm anyone's

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Kiss me goodbye when I'm on my own

But you know that I'd rather be home

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

She fired waves of fire and blasted Ham Hands all over and burned him and then she kicked him all over!

Nico: YEAH GO QIN!

Qin: Now for Water. Watch this Rarity.

(BEYOND THE VEIL BY LINDSEY STIRLING PLAYS)

She danced gracefully to the song as swirls of water and jewels formed and she slashed and Ham Hands and Carlton Cold all over and then smashed Primadonna Hodges all over the place.

Nico: OH YEAH!

Rarity: Oh that was simply divine darling!

Qin: WOOHOO! Now for something funny. Watch this one for Pinkie Pie.

We laughed hysterically!

Nico: Are any of them knocked out yet?

Me: They sure are tough I'll give you that. They just keep coming back for more!

Qin: No kidding there. Starlight will like this one.

(WALPURGISNACHT BY FAUN PLAYS)

Qin: (SINGING DIVINELY IN GERMAN AS SKULLS, LIGHTNING AND BONES SWIRLED AROUND HER)

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Ungestüm im Spiel der Geigen

Dreht sich unser nächtlich' Reigen

Und wir treten wild und frei

Diesem alten Zauber bei

Einmal nur im großen Kreise

Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

She danced divinely and fired skulls and smashed Carlton Cold all over and he was dazed. But not out!

Nico: Whoa these guys are tough.

Another Ghostfreak fired waves of darkness and I fired waves of energy and the blasts collided and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

Another Dyna Red then pulled out a Fire Blaster for Firefly!

Me: Chew on this one! (Activates Pete's Ridewatch)

I formed Pete's Magic Shield and she fired and then I blocked the blast.

Qin: Now for this one.

(TEXAS TORNADO BY TRACY LAWRENCE PLAYS)

Qin: (SINGING DIVINELY AS ROCK, EARTH, CRYSTAL AND APPLES SWIRL AROUND HER)

You called me up from Amarillo said you were coming to town

I thought I'd like to tell you hello and drive and old friend around

I pulled up to the airport confident and cool

When you stepped off that plane I knew I was your fool

My little Texas tornado blowing me away again

I swore it wouldn't happen again but I looked at you and then

I'm like a tumbleweed in a wild west Texas wind

You're blowing me away again

You're lying with me in Atlanta it's such a beautiful lie

You play me like a piano I always let you get by

I know I'll go through hell girl when you find someone else

But right now I'm in heaven and I can't help myself

My little Texas tornado…

I'm like a tumbleweed in a wild west Texas wind

You're blowing me away again

Texas tornado blowing me away again

I swore it wouldn't happen again but I looked at you and then

She fired waves of rock and smashed Ham Hands and knocked him out with a nasty concussion!

Applejack: YEEHAW! That was great!

Nico: One down!

Me: But that was awesome!

Girl Jordan: Now here's mine.

She activated Evil Star Man's Ridewatch.

(LITTLE STAR BY MADONNA PLAYS)

Girl Jordan: (SINGING DIVINELY AS STARS SWIRL AROUND HER)

Never forget who you are

Little star

Never forget how to dream

Butterfly

God gave a present to me

Made of flesh and bones

My life, my soul

You make my spirit whole

Never forget who you are

Little star

Shining brighter than all the stars in the sky

Never forget how to dream

Butterfly

Never forget where you come from

From love

You are a treasure to me

You are my star

You breathe new life

Into my broken heart

Never forget who you are

Little star

Never forget how to dream

Butterfly

May the angels protect you
And sadness forget you
Little star
There's no reason to weep
Lay your head down to sleep
Little star
May goodness surround you
My love I have found you
Little star
Shining bright
You breathe new life
Into my broken heart
Never forget who you are
Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Flying higher than all the birds in the sky
Never forget who you are
Little star
Never forget where you come from
From love

She fired stars and smashed Another Ghostfreak all over.

Nico: Oh yeah!

Me: Nice one G.J.!

Lincoln: Yeah!

Qin: Now for Rainbow Dash. And she would like this.

(EL DORADO BY ELTON JOHN PLAYS)

Qin: (SINGING DIVINELY AS LIGHTNING, RAINBOWS AND WIND SWIRLS AROUND HER)

Our glorious city

Was build by the divinities by Gods

Who saw fit to bestow

The gift of a pardise

Peaceful and harmonious upon

Us mere mortals below

And made El Dorado

The magnificent and golden

One thousand years ago

El Dorado, El Dorado, El Dorado

But all this was granted

For only one millennium

I know my legacy is to fulfill

My promise to all my people

Who have trusted me, the Gods

Will approve of us still

Preserve El Dorado

The magnificent and golden

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

The mountains so high and waters deep

Are her disguise

Her secrets are safe from foreign hands

And eyes forever

Preserve El Dorado

The magnificent and goldent

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

She fired waves of lightning and it hit Carlton Cold and electrocuted him all over the place and knocked him out with a billion volts of electricity!

Nico: WOOO!

Rainbow Dash: That was AWESOME!

Daring Do: That was great Qin!

Nico: Two down!

Me: And Rebecca. This is my promise to you.

I pulled out a red ring and put it on my finger and it had the symbol of Evenstar on it.

(EVENSTAR OF LORD OF THE RINGS PLAYS)

Me: (Speaking in Elvish) Im promised i im would never on- or- bo nin friends a i na- i té -o nin rod plural rodyn. In this constant never ending battle between good and evil I will never let my enemies hurt my friends or ever hurt me with them. They can hurt me as much as they want. But I am strong in mind and spirit and body. And I will never let them hurt any of that!)

My wings glowed with intense rainbow light when I said that and that meant my spirit is now stronger than ever!

Ú i vethed nâ i onnad

I fired a wave of rainbow energy and it hit Another Ghostfreak and purified her and she was brought back to life and I ran over to her and caught her! She was now at the same age as me and she was more beautiful than ever!

Rebecca Sarrasim: (Groans) What happened?

Me: Rebecca?

Rebecca saw me.

Rebecca Sarrasim: J.D.? (Gasp) J.D. wow! You look amazing! But what happened?

Me: Long story.

Rebecca Sarrasim: How long was I?

Me: It doesn't matter anymore. What matters is that you're back.

She and I hugged.

Me and Rebecca came back.

Nico: 3 down! But at least Rebecca is back now.

May: And she is beautiful.

Rebecca Sarrasim: Thank you. But I feel weird.

She then held out her hand and fired a blast of dark energy and it hit Another Dyna Red and blasted her all over!

Rebecca Sarrasim: Wow! I have darkness powers now!

Me: Yeah my power made you one with your Another Ghostfreak power.

She then saw that she had the Another Ghostfreak Ridewatch in her hands and she can now use its power for good.

Nico: Wow.

Me: That was awesome.

Nico: Should we still purify it?

Me: No need for that. She is now fully purified and her Another Ghostfreak Powers are now purified and she can now use them for good.

Nico: Whoa!

Qin: Time for Life.

(FAIRY NIGHT SONGS PLAYS)

Qin: (SINGING DIVINELY AS LEAVES, FLOWERS, GRASS AND FAIRIES SWIRL AROUND HER)

Dancing a spiral we sing unaware

On fairy night wings our songs fill the air

Making a circle of magic and light

Watched silently by the Fey of the night

Our hearts full of love and our arms open wide

We hold the key to the fairies delight

Song in our hearts belong in the air

The words of our wisdom we bring forth to share

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Sounds of the forest in sweet harmony

We give the gift of our song to the fairy

Dancing a spiral we sing unaware

The fairy night wings our song fill the air

The songs in the night

As we dance 'round the flame

The Fairy Nightsongs are never the same

The words from our lips as we sing for the night

Impart to the Fey our hearts truest sight

Ahh…

She fired waves of leaves and smashed down Primadonna Hodges.

But she was not down yet.

Qin: Time for Darkness!

(OUR SOLEMN HOUR BY WITHIN TEMPTATION PLAYS)

Qin: (SINGING DIVINELY AS DARKNESS AND MOONS SWIRLED AROUND HER)

Sanctus Espiritus redeem us from our solemn hour

Sanctus Espiritus insanity is all around us

Sanctus Espiritus! Sanctus Espiritus! Sanctus Espiritus!

In my darkest hours I could not foresee

That the tide could turn so fast to this degree

Can't believe my eyes

How can you be so blind?

Is the heart of stone, no empathy inside?

Time keeps on slipping away and we haven't learned

So in the end now what have we gained?

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony?

Are they themselves to blame, the misery, the pain?

Didn't we let go, allowed it, let it grow?

If we can't restrain the beast which dwells inside

It will find it's way somehow, somewhere in time

Will we remember all of the suffering

'Cause if we fail it will be in vain

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour

Sanctus Espiritus, insanity is all around us

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

Sanctus Espiritus, redeem us from our solemn hour (Solem hour)

Sanctus Espiritus, insanity is all around us (All around us)

Sanctus Espiritus, is this what we deserve

Can we break free from chains of never-ending agony

She danced and slashed Primadonna all over with dark blades.

Qin: And now for the finisher!

(THE MYSTICS DREAM BY LOREENA MCKENNITT PLAYS)

Qin: (SINGING DIVINELY AS LIGHT SWIRLS AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She fired blasts of light and smashed Primadonna down and knocked her out!

Me: That was awesome Qin!

Flea: Yeah!

Nico: 4 down!

Me: Yep.

Another Dyna Red then pulled out a lightning scythe imbued with Rage Shenron's powers and she fired a blast of lightning and then a massive wall of thunderstorms appeared out of nowhere!

Me: WHOA! A Thunder Wall!

It blocked the lightning and then reverted back and it was a girl with blue hair and blue eyes and blue clothes!

Emilia Kaito: Now that is how you make a surprise entrance!

Nico: Emilia Kaito! Wow!

Me: That was awesome!

Emilia Kaito: It sure was. Now for this.

She fired a wave of lightning and it hit Another Dyna Red and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it and I went over to Alys and picked her up.

Alys Hughs: (Groans) What a headache)

Me: You'll be all right Alys.

We saw Dyna Weapons all over the ground and we picked them all up.

Me: Now that was awesome.

Vypra: Wow that was so awesome!

Qin: Yeah it sure was!

Emilia Kaito: That was awesome though. Nico job using all those ridewatches.

Nico: That was so awesome. But it's great to see you again Emilia.

Emilia Kaito: Same here Nico.

Yae: What's your favorite memory of Nico?

Emilia Kaito: I have a lot of them. But my favorites are in Science Class. Me and Nico were tornado chasers and we photographed tornadoes all over the country and even presented them to our teacher.

Qin: I remember all those pictures. Those were so awesome.

Lola: Yeah that is cool!

Nico and Emilia hugged.

Nico: I've missed you.

Emilia: Me too Nico.

Qin: Boy this was awesome. But we better get out of here before the headmistress sees this place in a mess.

Nico: Let me take care of that.

Nico snapped his fingers and cleaned it up and then we teleported out.

Nico: Feel better, J.D.?

Me: Now that Rebecca is back with us, yes I am.

Rebecca Sarrasim: We have so much catching up to do now.

Me: 14 years worth.

Eli: So much has happened.

Nico: Yeah it sure has.

Nico's watch beeped and Nico looked at me and nodded.

Me: (Telepathically to Nico) Right. Time for me and Captain Cold to take Qin on an awesome adventure.

Nico: (Telepathically to me) Have fun J.D.

Me and Qin rendezvoused with Captain Cold and then we were off.

Nico: That's right, big guy. But, we got to watch it with him, he's really strong and he can withstand anything we throw at him.

Lincoln: Yeah, that's true. And he could be a potential member for The Masters of Evil, but he's got to spend some time in The Masters of Evil's prison.

Varie: You got that right.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Michael Baer A.K.A. Blockbuster, and he's going to flatten them.

Lincoln: Guys, I found the five girls, but they've been cornered by Michael Baer A.K.A. Blockbuster, and that big brute's going to flatten them.

?: (Australian Accent) That big palooka, let's get him.

Suddenly, we saw the Crocodile Earthbound Immortal Ccomnosuma appear before us.

Nico: Whoa, that's the Crocodile Earthbound Immortal Ccomnosuma, awesome.

Lincoln: And I'd recognize that Australian accent from anywhere, I knew it's you, Sydney McWilcox, but we'll have to talk later, let's tranquilize that big brute before he causes any trouble.

Everyone rushed on over and Lincoln fired powerful rainbow energy balls and elemental forces at Blockbuster, and that allowed the five girls to get away. When Blockbuster saw everyone, he was steaming mad.

Lincoln: Uh oh, I think I made him steaming mad.

Nico: Let's tranquilize that big palooka!

Then, Lincoln fired powerful blasts of symbiote goo and tied Blockbuster up in a superstrong symbiote web straitjacket and fired a tranquilizer dart into his butt and he fell down like a ton of bricks into a portal and into a cell in The Masters of Evil's prison. They cheered wildly as everyone holstered their weapons and powered down.

Nico: That was awesome work tying that big brute up in a superstrong symbiote goo straitjacket and firing a tranquilizer dart at his butt, Linc.

Lincoln: Thanks, Nico.

TLPS Mr. Wolf: And he'll have plenty of time to reflect on what he's done in The Masters of Evil's prison before Vypra can persuade him to join The Masters of Evil.

Varie: You said it. But, this also means we're going to deal with The Marauders.

Nico: And if we see Mr. Sinister, he's getting sent to The Black Gates.

Eli: You got that right.

Lincoln: You said it. That's one big brute tranquilized and sent to prison. (To Sydney McWilcox) And it's so good to see you again, Sydney McWilcox.

Sydney McWilcox reverted back to normal, and she's a beautiful girl with long flowing yellow hair, yellow eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with yellow tips, and she reigned in the power of Earthbound Immortal Ccomnosuma, and she's dressed in a yellow short-sleeved blouse, sleeveless yellow top, yellow skirt with the Crocodile Nazca Line on it, yellow pants, yellow legwarmers, yellow shoes, and long sleeveless black trenchcoat with yellow flames and crocodiles on the coattails, and Earthbound Immortal Ccomnosuma on the back, and holstered on her back a large Earthbound Immortal Ccomnosuma-themed greatsword with Earthbound Immortal Ccomnosuma etched on the 7'0" massive, wide, double-edged black blade, large black angel wings for the crossguard, large yellow gem embedded in the rainguard, longer black handle, and a large yellow gem surrounded by black angel wings for the pommel.

Sydney McWilcox: (Australian Accent) You too, Lincoln, it's been a long time, mate.

Lincoln went up to Sydney McWilcox and they hugged, and Sydney McWilcox is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Sydney McWilcox: (Australian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Sydney McWilcox, she's one of my Guardian Angels from Australia, and she's a master of yellow fire, but don't let her appearance fool you: she's also a powerful force to be reckoned with in martial arts.

Varie: Awesome!

Sydney McWilcox: (Australian Accent) That's right, and I also took on the full force of Lola's diabolical fury with incredible ferocity.

Nico: Wait, what?! Lola, what did you try to do to Lincoln that caused you to get pulverized by Sydney?!

Varie: Whatever it is, it's got to be bad.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Sydney McWilcox's neck with yellow gems on the gold thunderbolt links and yellow crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Sydney McWilcox: (Australian Accent)(Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Sydney.

Sydney McWilcox had a smile on her face and tears in her eyes, as

Lincoln wrapped his abnormally massive and powerful muscular arms around Elizabeth Herodias' waist and Sydney McWilcox wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Sydney McWilcox's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Aoi Inuyama, Nadeshiko Kagamihara, Chiaki Oogaki, Ena Saitou, and Rin Shima from Laid-Back Camp.

Lincoln: Oh wow, it's Aoi Inuyama, Nadeshiko Kagamihara, Chiaki Oogaki, Ena Saitou, and Rin Shima from Laid-Back Camp.

Varie: Awesome.

Lincoln: Are you girls okay?

Aoi Inuyama: Yes, we're okay, thanks to you.

Then, when Aoi Inyama and the other four girls saw who it was that saved them from Michael Baer A.K.A. Blockbuster, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of

Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Aoi Inuyama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Aoi Inuyama: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Aoi Inuyama, Nadeshiko Kagamihara, Chiaki Oogaki, Ena Saitou, and Rin Shima with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Michael Baer A.K.A. Blockbuster.

But, when Lincoln showed what we did to that big brute, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sydney McWilcox have a lot of catching up to do now that she's back in town.

Maria: And it was so funny when you shot that tranquilizer dart into Blockbuster's butt and he went falling down like a sack of bricks and into a cell in The Masters of Evil's prison.

Nico: It sure was. Say, maybe you can use some of Bugs' tricks and gags on some poor sap on your rescues?

Lincoln: That's not a bad idea, Nico. But, we just got to look for what kind of poor sap who's stupid enough to fall for the gags of Bugs Bunny?

Bugs Bunny: Eh, there's plenty of 'em out there if you know where to look, doc.

---

Later as me, Captain Cold and Qin were out exploring the world and going treasure hunting, everyone else was having fun. At the Arcade

Nico: Max, you and Vakama are next for bonding time.

Max (Dinosquad): Sweet! I'm ready for it.

Vakama: Me too. Lets go play.

They went and played lots of awesome games and everyone did the same.

Vakama: Max, how do you feel now that Veloci's extinct?

Max (Dinosquad): I feel great! Now that he's gone the world is a better place.

Vakama: That's good.

Everyone was playing all sorts of games. Nico was doing the shooting games.

Nico: (BLASTING ZOMBIES IN HOUSE OF THE DEAD) YEAH HEADSHOT!

Shawn: Yeah good Nico!

Vakama: And the world knows about you and your team.

Max (Dinosquad): They sure do and we're heroes now too.

Eli: You sure are.

Fievel: I think it's really cool.

Eli was playing the Stack Game and he won ALL KINDS OF GREAT PRIZES!

Nico was now playing Primal Rage!

Nico: Take that Diablo!

Vakama: Honestly, due to me not being human, I probably can't go Dino like you can.

Max (Dinosquad): Yeah but that's all right.

Rebecca Sarrasim: But it's amazing that you guys have done so much over the years.

Nico: Yeah it sure is.

Nico and Rebecca were playing Airhockey.

Nico: I'm sorry you died back then. J.D. was devastated when he lost you.

Rebecca Sarrasim: I know. But I'm proud of him for turning into a great superhero.

Nico: We all are.

Rebecca Sarrasim: I am too.

Nico: I hope you don't hate me for replacing him as leader.

Rebecca Sarrasim: Not at all. I watched everything from Heaven and I knew it was coming. I'm proud of you for being leader.

Lola: We all are proud of him.

They were having so much fun. And they won all kinds of amazing prizes too.

Later everyone was heading to the mall for some smoothies.

Poromon: I got 1 present for Qin and extra surprises!

Nico: Cool but save those for the party.

Everyone got to the mall and had smoothies.

Nico: Mmm! Delicious.

Eli: Yeah they are.

But then they heard screaming and saw a figure! It was ANOTHER LIVE! It was a scary version of Kamen Rider Live from Revice!

Nico: Whoa! Another Live from Revice!

Eli: Another of 2021's Kamen Riders!

Nico: Who the fuck are you?!

Another Live: (In a girls voice) I was hoping Maria would answer that question.

Maria: Oh shit on me! I was hoping never to have to hear that voice again!

She reverted back and it was a black hair and had blue clothes.

Maria: Sophia Reginald!

Sophia Reginald: Been a long time Maria. Especially after everything you did to me! By the way you like the new dress. German Kashmir.

Maria: You always did like to look great and worry more about appearances Sophia!

Nico: You know her Maria?

Maria: I wish I didn't. Sophia is one of the meanest vain bullies in school. She was a queen bee to the brink and always tormented all the kids and made us all look like a bunch of fucking idiots! But she always came in dressed in the most flashiest and most elegantly made dresses and rubs them in peoples faces.

Eli: Geez.

Sophia Reginald: You're one to talk, Aquamaria!

Maria: Oh like you're any better LITTLE MISS BIMBO FUCKER!

But that really set her off as Sophia went at her and Maria punched her in the face and smashed out some of her teeth and sent her crashing into the garbage can and covered her dress in filth!

Sophia Reginald: (SCREAMS) MY DRESS!

Maria: Aww did I stain your pwetty dwess. I think prison stripes are more your color.

Nico: You know what? Even as pure water, Maria's more pretty than you!

Maria: I'm more than just made of pure water now Nico. Remember.

Maria then fired a blast of fire from her hand and it hit Sophia's head and BURNED OFF ALL HER HAIR!

Nico: WHOA!

Maria formed a mirror of water and Sophia screamed when she saw her head as BALD AS A CUCUMBER!

Sophia Reginald: WHAT THE FUCK DID YOU DO TO ME!?

Maria: What? You look better without all that black licorice on your head. I was only trying to help.

Sophia got up and SHE WAS REALLY SEEING RED!

Sophia Reginald: WHY YOU UGLY FREAK!

She turned back into ANOTHER LIVE!

Horsea: You mess with Maria, you mess with me!

Horsea fired a HYPER BEAM BLAST and it hit Another Live and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH! TAKE THAT!

Eli: And this!

Eli fired a blast of Force Lightning and electrocuted Another Live all over.

Nico: OH YEAH!

Static: Let me tell you something. When Maria was still my enemy, she put up way more of a fight than you!

Static fired a blast of lightning and electrocuted Another Live all over.

Another Live then used the Vistamp for Vertigo from Primal Rage and fired blasts of poison and they dodged them and the poison dissolved a bunch of trash cans.

Nico: Whoa!

Maria: So Vypra recruited Vertigo, Diablo and Chaos into the M.O.E. Wow.

Francis: I'm surprised the Big Bang didn't get you with your attitude!

Another Live: Yeah I was on vacation when it happened. But you will be back in prison!

She went at Francis and he punched her and fired a wave of fire and smashed her down.

Francis: I already paid in prison for my crimes!

Lincoln: Yeah you dumb bimbo!

Maria: And I was reunited with Carol after everything that happened to me!

Carol: And you don't deserve to be around on this world after everything you did!

Lincoln: That's right! You deserve to be cursed!

Laney: Yeah!

Lincoln fired a blast of lightning and it hit Another Live and she exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico caught the Ridewatch and purified it.

They got Vistamps and weapons for each of some of the recruits for the future in the M.O.E.

Lincoln then fired a wave of golden energy and cursed Sophia with the King Midas's Golden Touch Vengeance Curse and she was now a golden statue forever.

Meanwhile on Moonscar Island in the Louisiana Bayou, Me, Captain Cold and Qin were over at the old Moonscar Island Pepper Plantation. It was a beautiful house that was surrounded by tons and tons of pepper plants.

Me: Moonscar Island Pepper Plantation.

Captain Cold: Look at this place.

Qin: Looks like no one has been here for a long time since the incident with the werecats.

Me: Yeah. As long as we're here we might as well grab some peppers too.

Captain Cold: Good idea and Shaggy and Scooby love those peppers.

Me: Yeah. And so do I.

We went into the house and it was a beautiful place and dust was building up from when the Werecats were taken down the first time.

Me: Boy no one has been here for a while.

Qin: (Blows dust) (Coughs) Yeah no kidding.

Captain Cold: What are we here for?

Me: To see if there's more treasure from pirates that were here too.

Captain Cold: I see.

Qin: Then lets get to searching. We already found treasures at those other places too. That was so fun.

Me: It sure was.

We got to searching and we looked around and found a bunch of books that Twilight would like and they were all about the history of Moonscar Island and how it came into being. We checked the basement and there was a lot of old furniture that once belonged to Simone and Leena. And it was amazing stuff. I was using my data eyes to search for more treasure and then I saw something buried under the house and then got to digging and I pulled out numerous big chests and it was the treasure of numerous pirates from over the centuries!

Qin: WHOA!

Me: Treasure of pirates from all over the centuries.

Captain Cold: Amazing.

Qin: Let's get all of them!

Me: I already dug them all up. But geez! How many people did Simone and Leena kill over the centuries to get this many treasure chests?

Captain Cold: No idea. But they were doing that for over 300 years.

Me: Yeah. Until we found out the truth about their cat god.

Qin: Remind me again. How did that cat god do that?

Me: Sunset Shimmer found that out.

---

Sunset Shimmer went up to them, and placed her hand on Simone Lenoir's head. Her eyes glowed, and then, showed her what happened to Simone and Lena that night 300 years ago. When Morgan Moonscar and his crew landed and started causing havoc, Simone, Lena, and all their friends ran for their lives, but as they ran for the underground chamber, they saw all of their friends killed by the crocodiles that infested the waters of the island.

Then, Sunset Shimmer saw Simone Lenoir and Lena Dupree pray to the Cat God to get revenge on Morgan Moonscar and his crew, and she saw that their prayer to The Cat God worked, but that came at a terrible cost, they turned into Werecats, but even after killing Morgan Moonscar and his crew, they couldn't stop, and throughout the last three centuries, they continued draining people of their life-forces over the years, and their victims rise every year on the night of The Harvest Moon as zombies warning people to get off Moonscar Island before it's too late, only to meet the same fate as the zombies. Then, she saw their defeat and death at the hands of Mystery Inc so long ago, and they turned to dust, and their victims' spirits were freed, as the curse ended.

When Sunset Shimmer finished, she had a shocked look on her face, as she'd went back to us, and she had a lot to tell us.

Sunset Shimmer: Guys, there's something I've got to tell you.

Sunset Shimmer told us everything she found out about Simone Lenoir, Lena Dupree, and Jacque, and when she finished, we were horrified.

Me: Whoa, now this is pretty dark.

Velma: This is exactly what Simone and Lena told us long ago, long before we met you guys.

Lincoln: They lost their friends when Morgan Moonscar and his crew landed on the island 300 years ago, and in their desire for revenge, they called on the Cat God to seek revenge, but their prayer came at a cost when they were turned into Werecats, and even after getting revenge on him, they couldn't stop killing, they had to continue draining people of their life-forces every year on the night of The Harvest Moon, or else, the curse will claim their lives.

Nico: And every victim they drain rises from the dead as a zombie, warning those who wind up on the island to get off, or they'll meet the same end as them, which always comes true.

After hearing everything, we walked up to Simone Lenoir, Lena Dupree, and Jacque.

Me: Simone, what happened to you and Lena was indeed tragic, and we know why you still continued to drain people of their life-forces on the night of The Harvest Moon, it was because of 300 years of darkness that you had in your hearts because of what

Morgan Moonscar did.

Lincoln: And we mean it when we say this. Simone, Lena, and Jacque, we forgive you.

Suddenly, the three of them felt Sunset Shimmer's power of forgiveness, and when Lincoln said that we forgave them, this caused tears to well up in their eyes, and we'd hugged them, as Simone and Lena broke down and cried. This really hurt us deep, they carried 300 years of darkness inside their hearts, and the one to blame for it was Morgan Moonscar.

Simone Lenoir: You were right. What happened to us was tragic, but what we did was wrong. We'd exacted our revenge on Morgan Moonscar and his crew for what they did to our friends.

Lena Dupree: But, when we'd prayed to The Cat God to exact our revenge on him, our prayer was answered, but it did come at a cost, we were turned into Werecats who had to drain people of their life-forces every year on the night of The Harvest Moon.

Jacque: But, we'd got what we deserved when Mystery Inc showed up, and put an end to that, and when we failed to kill them before the arrow passed the Cat symbol on the dial, the curse claimed our lives, and all those we'd killed were freed from the curse.

Simone Lenoir: So, there's only one thing we can do to pay for our crimes: we'll confess to the cases of the people who went missing over the years, and we'll pay for it with prison.

Ed Cowart: You made the right choice, Simone. We gave you three a second chance at life, and you'd made the choice to answer for what happened to the missing people over the years by confessing for your crimes, and spending time in prison. Perhaps, you'll get your shots at redemption one day soon.

With a sad smile on their faces, Simone Lenoir, Lena Dupree, and Jacque were beamed to The Jupiter Prison, where they'll spend time in prison for what happened to the missing people over the last 300 years.

FLASHBACK ENDS

Qin: Right! I remember that day. That was rough they went through all that.

Me: Yeah it sure was.

Captain Cold: (to me telepathically) Is the surprise ready?

Me: (To Captain Cold Telepathically) Almost. We just got to wait for Nico to give the word.

Captain Cold: (To me Telepathically) Okay.

Nico: (To me telepathically) Okay guys were ready.

Me: (to Nico Telepathically) Okay Nico. (Out loud) Okay time to go back.

We got tons and tons peppers too and decided to grow our own Moonscar Island Peppers as well and we gathered up the treasure and put it in a scroll and we went back home.

---

Everything was all set at Lynn's Table for an amazing Birthday Party.

Lana was keeping a lookout for us.

Nico: Everything looked perfect.

Twilight Sparkle: It sure does.

Lola: I am so excited for this.

Lana: Here they come!

Nico: Places!

Everyone hid and the lights went off.

Me, Captain Cold and Qin went in.

Qin: Hey it's dark in here.

Me: That's because it's special.

Everyone: (Lights click on) SURPRISE!

Poromon, Manaphy, Poliwag, and Horsea: HAPPY BIRTHDAY, QIN!

Qin: (GASP) OH MY GOODNESS! YOU GUYS ARE THE BEST!

Me: Happy Birthday Qin.

Captain Cold: We took you to all those places while everyone got everything ready for you.

Qin: Wow! I'm so happy!

Nico: I'm glad Qin! Lets get this party started!

We did so and we got awesome food and cake and more and Shaggy made his awesome 5 Alarm Hole In The Bowl Chili but it was made with the hottest peppers in the world and it was delicious. Qin loved it so much.

Qin: (BURPS OUT FIRE!)

The blast of fire hit Flip in his face and burned his entire mustache off!

Qin: Whoa! That was awesome!

Me: (Eating chili) Mmm! Shaggy you make great chili.

Nico: Yep.

We then got to opening presents.

Poromon: Open my present first!

She did so and it was a necklace of a dragon with emeralds.

Qin: Wow! An Emerald Dragon Necklace.

Poromon: I picked that out at a jewelry shop in Colombia.

Qin: It's amazing! Thanks Poromon.

We gave her everything. Clothes, jewelry, spellbooks, weapons and more.

Poromon: I even got extra presents.

Poromon got out 24 beer bottles. They were in amazing jeweled decoration bottles.

Qin: Oh, don't tell me those are-

Poromon: 24 bottles of beer! All for you!

Qin: Oh thanks. I don't drink but these are awesome. But they are decoration bottles too. Awesome.

Poromon: Yep.

Rebecca Sarrasim: Digimon and Pokemon that drink?

Nico: Don't ask.

Me: That is funny too.

Poromon: (pouts) You drank when all the Quantum girls reunited though!

Qin: Yes but that was a one time deal.

Nico: Poromon that's enough.

Poromon: Okay okay.

We had lots of great presents for Qin.

Nico: All right guys it's time for the main event. Lets get to humiliating some jerks!

We cheered wildly!

Flip: (GULPS) Oh no! (PEES HIS PANTS IN FEAR!)

Me: Oh Clean up on Aisle 4!

Chris: First, here's MY present to Qin.

He gave her an awesome and beautiful jeweled bracelet that said C.T.+Q 4Ever.

Qin: I love it Chris! Thank you.

Chris: No problem.

Evil Chris: UCH! GROSS! Get a room you two!

Me: Shut up dickface!

I fired an anvil at him and it smashed him in the face a tons of diamonds popped out of him.

Chris: And here's a kiss as well.

They then kissed and it was so adorable. Evil Chris then VOMITED TONS AND TONS of sapphire jewels!

Me: That is so awesome.

Lola: Yeah.

Georgina: Let me humiliate the jerks first.

Me: Go for it.

She then formed a bunch of rocks and threw them at all the jerks and smashed their faces in and tons of emeralds popped out.

Rice: Me next!

She then pulled out THE GRIM REAPEPPER HOT SAUCE!

Nico: OOH! THIS IS GONNA BE GOOD!

She then poured the whole bottle down Amy's mouth!

Eli: TAKE COVER!

We took cover and then….

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded in a massive explosion of fire and massive piles of rubies and coins exploded out of her! MASSIVE STEAMS OF FIRE EXPLODED OUT OF HER MOUTH!

Qin: WHOA! That is intense!

Kendra: Let me go next!

Kendra then poured nuclear laxative laced chocolate milk down Trina's throat and then her stomach grumbled loudly.

Trina: UH OH!

But then…

EXTREMELY LOUD AND EXPLOSIVE DIARRHETIC FART!

She pooped out massive numbers of diamonds and gold bars!

Qin: EW! Where do all those jewels and coins and gold go?

Me: There's a special conveyor system under them that cleans all the stuff and takes the jewels and coins and gold to banks and vaults all over the world. Including hidden banks too.

Sydney: My turn!

She then poured an entire jar of Moonscar Island Peppers down Billy McLean's throat and then he exploded a massive blast of coins and jewels out his butt as he screamed in pain for 75 minutes.

Sheila: Now it's my turn! HOT SAUCE STYLE NINJA ART: SPICY SHARK PACK!

She fired a wave of hot sauce and it formed into hot sauce sharks and they bit Flip all over and then went down his mouth and he screamed in pain as fire exploded out of EVERY ORIFICE! Including is 3 butts and his eyes!

We laughed hysterically and more and more jewels came out of him.

Nico: Alright, birthday girl. It's your turn!

Qin: And I got just the trick. Raven?

Raven: You got it. AZERATH METRION ZINTHOS!

She summoned a bunch of TEARS OF ZEPHOS PEPPERS!

Nico: OH BOY!

Qin took them and shoved the peppers down all the jerks throats!

Eli: TAKE COVER!

We ducked for cover and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and incredibly fiery and powerful explosion erupted out of the jerks and red diamonds erupted out of them and poured onto the conveyor belts all over!

Me: This is gonna be a long time before they cool down!

Maxxine: I'm next!

She pulled out cannons and fired cannonballs and they hit the jerks in their stomachs and smashed poop and fire out of their butts. Sapphires and blue diamonds exploded out of their butts too.

Nico: YEAH!

Laney: Take that!

Qom: YEAH!

Lincoln: Time for some fun! HUMILIATION INFERNO STYLE: SCORCHING HAIR BLAST!

He fired a breath of fire which burn all their hair off their heads leaving them bald!

Lincoln formed a mirror and they screamed.

We laughed at them!

Jessica Shannon: HUMILIATION INSULT STYLE: YO MAMA HOT EDITION!

She insulted the jerks!

Jessica Shannon: Yo mama so hot she made a dragon's breath pepper cry. Yo mama so hot she saved the titanic by melting the iceberg. Yo mama so hot when she goes fishing she caught smoked salmon. Yo mama so hot when she played minecraft it turned into the nether world. Yo mama so hot she turns any vampire including dio brando into ashes instantly. Yo mama so hot that hot sauce makers use her as a spice. Yo mama so hot the planets around her instead of the sun. Yo mama so hot her blood type is lava. Yo mama so hot she instantly makes popcorn from a field of corn.

We laughed at those jokes!

Miku Yuuki: Now those would be perfect for me.

Lola: (LAUGHS) They sure would!

Chris Taylor: HUMILIATION INFERNO STYLE: RAGING HELLFIRE BREATH

He shoved Mad Dog 375 Plutonium No. 9, the hottest hot sauce in the world which clocks in at 9 million Scoville units in the jerks mouths which caused them to crap fire out of their butts.

They crapped out fire, jewels and gold and screamed in pain!

Qin: HUMILIATION INFERNO STYLE: RAGING INFERNO PANTS!

Qin: This was so awesome!

Lola: Yeah it was!

Maria: Nico, which Gene Slammer do you think you'll meet next?

Nico: Oh right. Mandatory Question. Well this is something I've been thinking about for a long time. I want to do one for the 8 Demon Sorcerers.

Bai Tza: Wow one for me, my sister and brothers? That will be interesting.

Me: Is that even possible?

Nico: I guess so. That will be cool though.

Me: It sure will be interesting.

Nico: Yeah.

Qin: But that is amazing. But thank you so much guys! You all HAVE MADE THIS THE MOST AWESOME BIRTHDAY EVER!

Nico: We're happy to do it.

All of us: HAPPY BIRTHDAY QIN!

We cheered wildly!

Nico: Oh one last thing.

Laney: I have a feeling I know what it is.

Nico: Here are some new Ridewatches.

Nico got out Ridewatches for Faiz, Kaixa, Dino Thunder Red, and their copies.

Me: Wow! The Faiz Riders.

Lola: And they are ones we meet in 2023.

Nico: Yep.

I decided that Omaima Lexington the Blue Whale Gene-slammer, Laniya Momoshiki the Water Dragon Gene-slammer and Meridith McHenrickson the Evolved Vaxasaurian Gene-slammer get the copies. Loki Loud, Loni Loud and Lane Loud for the originals.

* * *

After having one of the best birthday parties ever for Qin and giving her the most awesome time of her life, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sydney McWilcox saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sydney McWilcox: (Australian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sydney, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sydney McWilcox: (Australian Accent) That's incredible.

Nico: It sure is. So, Sydney, how did you take on the full force of Lola's diabolical fury with incredible ferocity?

Sydney McWilcox: (Australian Accent) Now, that's a tale I've never forgotten. One day, Lincoln and I were at the backyard of my house, and we were doing some martial arts training, and I knew that Lincoln had been getting much bigger in muscle and much stronger thanks to training and working out, so I decided to teach him some advanced martial arts, the kind I learned back in Australia, and he proved to be a natural. But, our day was rudely interrupted when we heard a loud banshee shriek and it shook up all of Royal Woods and we found out the source of it: it was Lola, and she was now at the full force of her diabolical fury. Lola was about to attack and kill Lincoln, but I stood in the way and I used my skills in martial arts to take her down and we tied her up. Then, we saw Lori and the other sisters and the parents heading our way, and they were really banged up. We wanted answers on why Lola came over in a fury and tried to kill Lincoln in a fit of diabolical rage, and Lori told us that earlier while Lincoln was over at my house, Lana accidentally destroyed Lola's tea set and she knew if she told Lola what happened, Lana would have her pushing up daisies. Lana tried to fix it, but it was too late, because Lola came back and when she saw what happened, she went ballistic and attacked her, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Mr. and Mrs. Loud, but Lily got away thanks to the pets of the house, and then, she got into her Princess Jeep to hunt down and kill the only Loud who was away from the house: Lincoln.

We gasped in shock and Qin was so enraged, she made a training dummy of Dark Lola.

Qin: WHY, YOU LITTLE… !

Qin then fired a powerful blast of fire from her mouth and incinerated it!

Nico: Whoa!

Qin: Got that out really fast. So, what happened to Lola after that?

Sydney McWilcox: (Australian Accent) That pink wearing pageant demon got grounded for nine weeks and not only wasn't she allowed to go to any pageants, but she had to use her money to fix up all of the damages to the house during her little rampage and pay for the medical bills.

We gasped in shock.

Me: What?!

Lincoln: Yeah, many of the family members got beaten up so badly by Lola, and they had bandages all over their bodies. What Lola did was really horrible, and all for something Lana did by accident, so they had to go to the hospital.

Lana: I know, but I was scared knowing that Lola would get mad and kill us and you, once she got rid of all of us who were in the house.

Rita: I know, honey, and you tried to fix it. But, next time, tell us what happened, okay?

Lana: Okay, Mom.

Nico: Yeah. So, Lincoln, what happened to Lana?

Lincoln: Lana admitted her mistake, but she was punished enough all thanks to Lola beating her up badly. But, she was too afraid to sleep in the same room with Lola, so she slept with me, while Lola slept on her own.

Me: Yikes. I knew the twins got into bad fights before, but this was way too dangerous.

We got a shower afterwards, and then, Qin and Chris Taylor were heading to Lake Lamode, but this is part of our plan because today's Qin's birthday and we're having an awesome party at Lynn's Table and we're also going to have an awesome humiliation session on the jerks. Plus, Captain Cold's also going to take Qin out of the Estate when she and Chris get back, while we get everything ready for her party.

Qin was dressed in a green two-piece bikini with komodo dragons and green flames on them, green sandals, her jewelry, and she had her weapons holstered in case of trouble.

Chris Taylor was dressed in a pair of blue swim trunks with Captain America's shield on them, blue sandals, his jewelry, and he had his weapons holstered in case of trouble.

Qin: Alright, Chris, you ready?

Chris Taylor: Ready, Qin.

Nico: Have fun, you two.

Qin and Chris left the World Tree Estate and they arrived at Lake Lamode, and it's still amazing as ever.

Chris Taylor: This is our first time coming here to Lake Lamode.

Qin: It sure is, Chris. Plus, it's perfect for our date and of course, tomorrow begins our 13 day Kamen Rider special mission spree.

Chris Taylor: You said it, and we'll be prepared for this big journey.

Qin and Chris began swimming around the place and they also explored the buildings that were in the glass domes, and they also had lunch there as well.

Qin: This is really an amazing date, Chris, and it's so much better being with you than Xin Fa, that little psychopath.

Chris Taylor: If that little psycho thinks he's going to get his hands on you again, I'll gladly break both of his arms and rearrange his face. But, what got to me is that he had the nerve to become Another Rider, thanks to Swartz, and all for getting revenge on us and then capturing and torturing you and even worse, killing you.

Qin: Don't worry about him, Chris. From what I heard from Nico, Lincoln cursed Xin Fa with a special curse that's meant for evil ex-boyfriends and evil ex-girlfriends after we defeated him and threw him in prison. It's called Nemesis' Dark Revenge Curse, this curse once inflicted on an evil ex-boyfriend or evil ex-girlfriend will plague Xin Fa with visions of demons torturing and lashing out at him, just like what he did to me, and it'll be on him until the day he dies.

Chris Taylor: Good riddance to bad rubbish like him, and since Lincoln made the curses unbreakable and The Church of Necrom's other contingency plans were foiled, there's no way the curse will ever be removed from Xin Fa.

Qin: You said it.

Just then, the sun was about to set, and Chris Taylor went up to Qin, and he wrapped his arms around her waist and Qin wrapped her arms around his neck, and as the sun turned orange, they shared a romantic kiss as the sun was just about to set, then, they returned home to The World Tree Estate, and they were back in their original clothes.

Lincoln: Hey, guys, how was your date?

Qin: It was so awesome, Linc, we went to Lake Lamode, and we had an awesome date there.

Chris Taylor: Plus, I told her of that curse you inflicted on Xin Fa after we kicked his butt.

Nico: Ooh, the Nemesis' Dark Revenge Curse, I knew it was a matter of time before Lincoln made a curse that's meant for evil ex-boyfriends and evil ex-girlfriends, and Xin Fa was the perfect dummy for this curse.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Pn'zo, an enemy of Nova, and he's coming here to cause some havoc. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Richard, you're not going to like it: the dark energy signal I sensed belongs to one of your old enemies, Pn'zo, and he's coming here to cause some havoc.

Nova gasped in shock.

Nova: I never thought I'd see Pn'zo ever again.

Lincoln: From what you told us, Pn'zo's a member of the Praetorians, and they're a big enemy of the Nova Corps, and from what I know, he was once a criminal that was captured by the Shi'ar.

Nova: That's right, Lincoln.

Lynn: Who or what are the Shi'ar?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I can answer that one, Lynn: the Shi'ar are an avian-descended humanoid race of extraterrestrial beings that hail from the planet Chandilar, located in the large Shi'ar Galaxy. They're technologically advanced and extremely militaristic, conquering every world in their galaxy and forming the Shi'ar Empire, and so many people have fallen victim to their conquests in their galaxy.

We gasped in shock.

Me: Whoa, they're a serious threat.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) You said it, J.D. But, we're going to put a stop to Pn'zo for

good.

Dakota Maracle: And from what I know he has lightning powers, right? So, let's see him take on two of the Three Champions and Emissaries of Hinon.

Nico: Ooh, this is going to be one shocking fight!

We laughed.

Luan: (Laughs) Good pun, Nico.

Lincoln: Yeah, it sure is a good pun. Alright, Dakota, let's go teach that overgrown lightning rod a very painful lesson.

Dakota Maracle: I'm ready to take that guy down and put him out of his misery.

Me: Can we come too?

Lincoln: Of course. Alright, gang, let's go find that overgrown lightning rod and short-circuit his entire system!

Nico: Yeah!

?: I'm going to enjoy killing you for what you did to me, Nova!

Nova: Oh boy, I knew there's no mistaking that voice from anywhere. You can come out now, Pn'zo.

An electrical/mechanical being came out, and it was none other than Pn'zo, one of Nova's enemies.

Nova: Lincoln was right that you'd be here, Pn'zo. I thought I had you locked up on the starship Resolute Duty.

Pn'zo: I busted out, and now, I'll have my revenge on you for throwing me in there!

Dakota Maracle: That's not happening, you overgrown lightning rod, your rampage ends here and now!

Suddenly, Dakota Maracle's purple eyes turned neon purple, and she was surrounded by a purple energy aura with lightning, phoenixes, and thunderbirds, she unholstered her massive Ascended of Thunder-themed greatsword from her back along with Ascended of Thunder's staff, and as she approached Pn'zo, she left purple energy, lightning bolts, and thunderbirds with every step.

Dakota Maracle: I will never forgive you for the crimes that you've committed against the galaxy, Pn'zo, and in the name of the Praetorians, and now, you will pay for everything that you've done!

Suddenly, Dakota Maracle was surrounded by a massive vortex of purple energy with lightning bolts surrounding the vortex and lightning crashing down from the heavens, there's Ascended of Thunder and a thunderbird flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Dakota Maracle emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Dakota Maracle grew from 6'5" to 6'11" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long flowing purple hair, she has neon purple eyes and a purple energy aura with lightning, phoenixes, and thunderbirds surrounding her, she has The Ascended of Thunder with a lightning bolt in its hands emblazoned on her forehead, she has on thunderbird earrings with purple gems for eyes and holding the Thunder and Eternity Kanjis in its hands, she also has The Ascended of Thunder with purple gems for eyes and the Thunder and Eternity Kanjis in its hands for the second pendant on the bottom of her purple thunderbird-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Dakota Maracle felt a sharp pain on her back, and then, her massive black angel wings grew much bigger for her new body, and the large black feathers have purple tips on the feathers. Dakota Maracle has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and her Mark of Hinon was glowing.

Suddenly, Dakota Maracle's massive Ascended of Thunder-themed greatsword and Ascended of Thunder's staff along with all the swords from the treasure battles began merging together, and they're surrounded by a kaleidoscope of purple energy, lightning, phoenixes, and thunderbirds, and when it emerged, it was transformed into Ascended of Thunder's Electric Thunderbird Phoenix Angel Broadsword of Electric Iroquois Justice, it's a brand-new large broadsword with The Ascended of Thunder etched on the 7'0" massive, wide, double-edged purple blade, purple thunderbird heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, and four large purple thunderbird heads with yellow gems for eyes and in their open mouths and on the bottom of the angel heads is a large purple gem for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Ascended of Thunder's head with purple gems for eyes and large purple gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Dakota Maracle's transformed into SUPER ANGEL ETERNITY INFINITY ELECTRIC FURY THUNDERBIRD PHOENIX ANGEL OF ELECTRIC IROQUOIS JUSTICE AND DIVINE LIGHTNING LOVE!

We were amazed by Dakota Maracle's Super Angel Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Pn'zo saw it, he sent an electric tentacle to attack her, but she grabbed it and sucked out some lightning and it made her stronger than ever, and she fired a powerful purple energy blast with lightning, phoenixes, and thunderbirds, and it was so powerful, it hit Pn'zo and damaged him, but he was still standing.

Nico: Whoa, Dakota Maracle's transformed, awesome!

Me: And it looks like things are really about to get more electrifying than ever!

Eli: You said it, J.D.

Lincoln: Especially now that I'm also going to join in, and Dakota, you look beautiful. How do you feel?

Dakota Maracle: (Divine Echoing Cosmic Voice of The Ascended Lightning Phoenix Thunderbird and Divine Electric Iroquois Love) I feel incredible, Linky. Now, shall we deal with Pn'zo once and for all?

Lincoln: (Smiles) With pleasure, Dakota.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Dakota Maracle.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to pay for everything you've done, Pn'zo.

Dakota Maracle and Lincoln went after Pn'zo, who continued firing lightning blasts at them, but they continued absorbing the blasts of lightning and it made them even stronger than ever, and then, they fired powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Pn'zo, and they explode with incredible power as they hit him. Then, Dakota Maracle and Lincoln attacked him with their massive wide and broad-bladed broadswords, and they left tears on Pn'zo. Then, Lincoln fired an EMP pulse blast at Pn'zo, and he was slowed down for a bit, but that let Lincoln sprout out one of his massive, white, and long tails with Cell's suction stinger which opened up into a large suction cup.

Then, Lincoln latched it onto Pn'zo's head and he tried to struggle, but it was pointless. Then, Lincoln absorbed Pn'zo into his body, and his rainbow energy aura with elemental forces and mythological animals flared up as he gained a massive power boost and he assimilated all of Pn'zo's lightning powers and abilities and he also gained Pn'zo's electric tentacles as new weapons. Then, an energy card with Pn'zo's soul inside appeared in Lincoln's large left hand, and as the kanji appeared, Pn'zo was then sent to The Black Gates forever. We cheered wildly for what Dakota Maracle and Lincoln did to Pn'zo as they holster their massive broad-bladed broadswords on their backs and power down, and Dakota Maracle's new body, clothes, weapons, jewelry, and massive black angel wings are permanent.

Dakota Maracle: That's it for that lightning-powered mercenary. Thank you for helping me take down and destroy Pn'zo, Linky.

Lincoln: (Smiles Warmly) You're welcome, Dakota.

Suddenly, Dakota Maracle wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Dakota Maracle's face, they kissed passionately as Dakota Maracle's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Ascended of Thunder flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and lightning bolts crashing down behind them and we all cheered wildly, and

they came right back to us.

Nico: That'll teach that overgrown lightning bug!

Lincoln: He's had it coming for a very long time.

Me: And I knew you were going to absorb him and not only assimilate his powers and abilities, but you also gained his electric tentacles as weapons, right?

Lincoln: You guessed it, J.D.

We had a great day.

But meanwhile over in Japan, the Decade Kamen Riders were getting for our arrival. We have a massive adventure ahead of us!

Tsukasa: I am really excited to have all of Team Loud Phoenix Storm come help us.

Daiki: I can't wait too. This is gonna be so awesome.

Natsumi: Yes it sure will be fun.

Tsukasa: Me too. This is gonna be number 1 of their Kamen Rider adventures they said. Lets get ready.

They pulled out Ridecards.

All: HENSHIN!

KAMEN RIDE!

They transformed and were ready and then they went at the screen and it turned into the Kamen Rider Decade Symbol.

Walking through the forests of the Five Great Nations in the Simulator was Nico, The Ripping Friends, Troy Burrows, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Lincoln, Laney, Lana, Lola, Lisa and Lily and we were there to battle another Evil Sasuke to get ready for an awesome bout of training before we set out on Roxy's big day mission. This is number 1 of our 13 big day missions for August.

Me: This is it guys. I'm really looking forward to this one.

Eli: Boy me too bro! I'm excited to see Tsukasa and the Decade riders again.

Me: Me too! And what better way to start off an awesome Big Day mission than kicking the fucking tar out of an Evil Sasuke.

Laney: Yeah that is always awesome for getting some training in.

Bai Tza: It sure is. And I'm looking forward to doing the rant this

time.

Qin: That is gonna be so awesome.

Lola: Yeah it is!

Toru: I have a feeling this is gonna be so awesome.

Me: I've been looking forward to this series of missions ever since we finished the Kiva Mission.

Troy Burrows: Me too. This is gonna be so awesome.

Bai Tza: I have a feeling this is gonna be so awesome and action packed.

Nico: Thanks for coming with me, Troy.

Troy Burrows: Not a problem Nico. It's gonna be awesome going with you on one of your rescues.

Qin: And it's always fun.

Me: It always is. We're going to kick another Evil Sasuke's Ass.

Camie: That is always so awesome.

Nico: Troy, you and Kaito are probably two of our most powerful Rangers.

Troy Burrows: There's no argument about that.

Me: Not only do you guys both have 45+ Years of Power Rangers but you guys also will soon have 50+ Years of Kamen Riders in you too.

Qin: That is so awesome.

Me: I still get a massive thrill of excitement from when I saw you guys team up with all 20 years of Rangers from 1993 to 2013.

Eli: That was so awesome and epic. That was the greatest and most epic battle team up ever.

Troy Burrows: And it was all because of a dream I had.

Me: I remember that. That was not just a dream. That was a vision into the future.

Troy: In fact, during this rescue, I'm gonna do a lot of Legendary Modes.

Me: That will be awesome! But are you sure you can handle it? The last time you guys did something like that it took up a huge amount of energy. Almost totally drained you.

Troy: Don't worry guys. I'll be okay.

Nico: Good.

Laney: But that was so awesome seeing you do all those morphs.

Me: It sure was. And back then they had only 38 Years of Rangers at their command both from Japan and America. Now here we are in 2022 and they have 46+ Years of rangers now plus over 50 years of Kamen Riders. We're still working on the pre-Heisei Era Kamen Rider Keys.

Nico: I can't wait to see what those can do.

Qin: Me too Nico.

Nico: I'm really excited about today.

Me: We all are Nico. In fact I've been looking forward to this ever since June.

Qin: This is gonna be so awesome.

Lola: Yeah!

Reggie Hjorleifsstræti: (Icelandic Accent) I'm looking forward to this too. It's gonna be awesome.

Toru: We're all looking forward to this too.

Me: Yeah we sure are. Tsukasa is gonna be really pissed though to hear about Swartz making Another Decade and Another Diend.

Tsuyu: You're not kidding there.

Nico: Though, Another Decade IS Swartz's Another Rider Form.

Me: I remember that! But I'm still pissed at what he did with Rebecca.

Qin: I would be too J.D.

Aylene C.: Yeah but just hold on till August 12th.

Me: I know.

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

We heard a loud explosion and we know what that meant!

Me: Looks like Naruto is battling an Evil Sasuke.

Bai Tza: Showtime.

Nico: Does that mean Orochimaru has been dealt with already?

Me: Nope. It means that Naruto is battling an Evil Sasuke with everything he has.

Nico: Lets go.

We went over and we arrived at the Final Valley and we saw Naruto and Evil Sasuke REALLY Going at each other and they were tearing each other apart!

Camie: Wow! Look at them go.

May: This is gonna be powerful.

Me: Yep. I have something special planned for Orochimaru. You'll see after we roughed up the evil Sasuke.

Nico: Yep. Okay Bai Tza you're up.

Bai Tza: When I kick the Evil Sasuke into the air that will be the signal for all of us.

Nico: So all of us are getting a crack at him.

Bai Tza: Yep.

We got ready and Bai Tza was waiting and then she saw Naruto being grabbed by Evil Sasuke charged up a Chidori and he was about to stab Naruto with it!

Bai Tza: Oh no you don't!

She flared up an Aqua Blue aura and went at them!

Evil Sasuke: This is as far as you go! Go to hell and stay there you fucking demonic cur!

But then…

KRASMASH!

Bai Tza smashed her foot right into his face with devastating force and sent him crashing into the ground. He got up and he saw Bai Tza.

Evil Sasuke: YOU MOTHERFUCKING WRETCHED CUR! This wasn't your fight!

Bai Tza: It is now! You and your miserable godforsaken clan are done for.

Evil Sasuke: YOU MOTHERFUCKING CUR! HOW DARE YOU!?

Bai Tza: Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that J.D. said that your father said that very same thing to me in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of

Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that J.D. Knudson possesses. He can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to his kind of power and the power that you have, you are nothing compared to him and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the Demon Sorcerer of Water and a member of the most powerful force in the universe and a warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker just like J.D. does! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why J.D. killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why he killed them all. YOU ALL FUCKING DISGUST ME!

BUT THEN EVIL SASUKE EXPLODED IN RAGE!

(NARUTO SHIPPUDEN MOVIE 2 OST - RAGE PLAYS AT 2:18)

He went at Bai Tza with indiscriminate fury and she dodged his punches and kicked him into the air!

Me: NOW!

Nico: Showtime!

Troy: Super Mega Mode!

He went Super Megaforce and we all flew at the Evil Sasuke!

We all flew at him and transformed into our most powerful forms and Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. Nico kicked him in the stomach and fired a massive barrage of energy blasts and they hit him and exploded all over and then he popped out of the smoke and went at me and I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad!

Eli fired a massive blast of Force Lightning and electrocuted him and then fired waves of fire and energy and blasted him all over the place.

He was screaming in pain and then he was screaming in agony. Varie kicked him square in the face and blasted him with water. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. Fu pulverized and smashed him with incredible speed and she kicked him. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. Aylene and Camie punched and kicked him all over and smashed him all to dust and I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Kaito: (takes out Zero One gear) Don't forget us!

Zocks: (Gets out Zi O gear) Fitting that I use this gear now.

Kaito got a Zero One Sword and Zocks got a Zi-O blaster and they blasted and slashed Evil Sasuke all over!

Me: (Divine Echoing Cosmic Elemental Voice of Harmony and Love) You make me fucking Sick Sasuke!

KROW BLAM SMASH!

I punched him all over and smashed his face in!

Massive fiery explosions were decimating the entirety of the area of the Final Valley with devastating power and turning the whole area into a raging inferno of epic proportions!

Troy: Legendary Ranger Mode: Beast Morphers! Unleash the Beast!

He turned into The Red Beast Morphers Ranger and kicked and smashed and punched Evil Sasuke all over with incredible force and speed!

Massive fiery explosions were blasting off all over the place.

Nico fired elemental blasts at Evil Sasuke and he was firing blasts at him and massive fiery explosions were going off all over and turning the area into a raging inferno.

MASSIVE INCREDIBLE FIERY EXPLOSIONS OF INCREDIBLE POWER!

The explosions were so massive and powerful that the battle was seen all the way from the Hidden Leaf Village!

Sakura Haruno looked on in shock!

Sakura Haruno: What in the world is going on over there!?

Ino: Unbelievable!

Ami: Whatever is emitting all that power is incredible!

Lady Tsunade and Shizune saw it too.

Lady Tsunade: Shizune, get all the citizens into the Hokage Monument for safety! This is definitely turning into a battle!

Shizune: Right!

Lady Tsunade: I need all the Genin and their teachers to come with me right now!

Shizune: DAIIIII!

Troy was about to attack Evil Sasuke again… when he saw Akamaru and froze.

Maria: Something wrong, Troy?

Troy: Akamaru's in the way…

May: I forgot that Devon freezes up when he sees dogs.

Troy: (straining) Legendary Ranger Mode: Dino Charge! (snaps out of it) It's about to get wild!

He turned into Red Dino Charge Ranger!

Fluttershy got Akamaru out of there. But then a miracle happened. We felt massive energy signals and then we sensed Naruto, Shikamaru, Choji, Rock Lee, Tayuya, Neji, Kiba, Kimimaro, Gaara, Temari and Kankuro's energy signals explode out and they got stronger and stronger and they emerged forever changed and got angel wings and swords. But it wasn't just them! Sakura, Ino, Hinata, Lady Tsunade, Tenten, Shizune, Yakumo, Fu of the Waterfall and all the Shinobi we know back in the Leaf got an incredible transformation and they got all powerful!

They came to us and saw the battle!

I punched the Evil Sasuke in the face with devastating force!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

Troy: Legendary Ranger Mode: Rail Force! Full Speed Ahead!

He turned into the Red ToQger Ranger!

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air.

Nico kicked him in the stomach and sent him flying into the ground and then Maria kicked him in the face and sent him flying some more and flew after him and kicked him in the face and knocked out some of his teeth. Fu flew after him and he jumped away and fired waves of fire and she fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then Lincoln then fired a wave of wind and entrapped him in a tornado and then Sunset Shimmer fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado.

Lady Tsunade and everyone couldn't believe what they were seeing! When the tornado faded he jumped out and fired more fire blasts and me and everyone and Qin fired waves of crystal at him and they hit him and cut him all over the place and then Eli and Varie fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then Aylene kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Laney formed a whip of vines and lashed him all over.

Kakashi was watching and he couldn't believe how far gone Sasuke had fallen!

Troy: For all of you ninjas watching, you'll like this next one! Legendary Ranger Mode: Ninja Steel! Ninja Rangers, fear no danger!

He turned into the Red Ninja Steel Ranger and slashed Evil Sasuke all over the place.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I teleported and kicked him in the face and smashed him into a rock and sent him flying to Nico and everyone and Troy bashed him in his chest and kicked him in his face and I teleported and kicked him in the back of his head and sent him crashing into the cliff.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

I punched him in the face.

Me: **You will never have my power. You will always be nothing more than a worthless weakling. Your hatred only does nothing but make you weak.**

Evil Sasuke: SHUT YOUR FUCKING TRAP!

Me: **MAKE ME!**

Evil Sasuke then charged up his most powerful attack!

Evil Sasuke: YOU WILL BOW TO ME! WE ARE THE ELITE AND WE ARE THE STRONGEST!

Me: **You are nothing but a low-grade amateur.** (Charges up a Kamehameha Wave)

Evil Sasuke: SHUT YOUR FUCKING MOUTH AND BURN FOREVER IN OBLIVION! INDRA'S ARROW!

Me: **You're the One that is going to oblivion you motherfucking asshole!**

I fired my Rainbow Kamehameha Wave and Evil Sasuke fired his strongest Lightning Style Attack and the blasts collided and my blast pushed the Lightning Arrow back and then the lightning arrow exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL AND DEVASTATING EXPLOSION!

Then my blast went through the explosion and it hit Evil Sasuke and he screamed in pain as it exploded!

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL AND INCREDIBLY UNFATHOMABLE EXPLOSION!

The explosion was so powerful, so devastating and so massive that it shook the very foundation and core of the entire planet and it was seen for miles. The shockwave from the blast was so incredible that it was felt all over the entirety of the Five Great Nations and it wiped out the entirety of the Hidden Sound and the Hidden Rain Village!

Me: **Now to show Sasuke that we mean business.**

Nico: I have a feeling it's gonna be huge. Do it J.D.

Me: **With pleasure.**

I sensed for Orochimaru and found his signal.

Me: **Found him.**

(CALLING THE DRAGON THEME PLAYS)

I charged up a Final Flash and flared up my rainbow aura with incredible power as my arms and legs were spread out. Lightning struck all over the place. I cupped my hands in front of me as lightning struck everywhere and I charged up a massive and powerful blast. The ground was shaking violently with incredible power!

Nico: Brace yourselves guys!

Me: (ECHOING) **FINAL FLASH!**

I fired a massive and powerful rainbow energy blast of incredible power and it went straight at Orochimaru. He was running right over to the valley when suddenly the blast hit him and Kabuto without warning and exploded with incredible and unbelievable power!

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL EXPLOSION!

THE EXPLOSION COMPLETELY OBLITERATED HIM AND KABUTO WITH INCREDIBLE POWER AND WIPED OUT ALL TRACES OF THEM BOTH! THEY WERE BOTH COMPLETELY OBLITERATED INSTANTLY! NOT EVEN A SUBSTITUTION JUTSU WOULD BE ENOUGH TO ESCAPE FROM! THE MASSIVE MUSHROOM CLOUD WAS SO MASSIVE THAT IT WAS SEEN ALL OVER THE FIVE GREAT NATIONS!

When the smoke cleared my powerful blast was more than enough to destroy him!

Troy: Legendary Ranger Mode: Animal Platoon! Don't underestimate this planet!

He turned into the Red Zyuohger!

Evil Sasuke then fell to the ground and he was in excruciating pain as his Curse Mark was destroyed! He was back to normal and he was stripped of his power!

Lady Tsunade: Unreal! What power!

Ino: Incredible!

Evil Sasuke: NO! MY POWER! NOOOOOO! (ENRAGED BEYOND ALL FORM OF IMAGINATION) YOU MOTHERFUCKING FUCKWADS! YOU'RE ALL GOING TO PAAAAAAAYYYY!

Troy smashed and blasted Evil Sasuke all over and kicked him into a rock!

Troy: Legendary Ranger Mode: Space Platoon Nine! Time to test your luck!

He turned into the Red Kyuranger!

Evil Sasuke got up.

Evil Sasuke: YOU ASSHOLES! I'M NOW GOING TO KILL EVERY FUCKING LAST ONE OF YOU VERY SLOWLY AND EXCRUCIATINGLY PAINFULLY! I'M GOING TO MAKE YOU ALL SUFFER!

He was REALLY INFURIATED NOW!

Troy kicked and blasted Evil Sasuke all over!

Troy: Legendary Ranger Mode: Phantom Thief Force! Here's your warning: We're taking your treasure!

Nico: And we're going to kick your big ugly fucking ass!

Troy turned into the Red LupinRanger!

He teleported and swiped Evil Sasuke's Wallet!

Nico: Nice!

Naruto then appeared and kicked Evil Sasuke in the crotch and then put a paper bomb on his crotch and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He blasted his manhood right off of him!

Evil Sasuke screamed in excruciating pain as he was bleeding profusely from where his Manhood was! OUCH!

Evil Sasuke: YOU WRETCHED LOSER!

Naruto: Shut your fucking mouth bastard! But in truth I should thank you.

Evil Sasuke: For what!?

Naruto: I know everything now. I found out the truth about everything that happened to me.

Sakura, Ino, Hinata, Ami and the girl shinobi were listening and even Konan who was hiding in the trees was hearing everything.

Naruto: I am not only the Jinchuriki of the 9-Tailed Fox but My real name is Naruto Uzumaki Namikaze and I am the son of the 4th Hokage, Minato Namikaze and Kushina Uzumaki the Leaf's Yellow Flash and the Red Death!

Everyone that heard that GASPED IN ABSOLUTE SHOCK!

Shizune: HE Knows!?

Shikamaru: Now I see! The resemblance is completely uncanny!

Kiba: Now I completely understand! Haven't you guys seen the way that Naruto was treated! The cold stares, the name calling, everything that was happening to him through out most of his childhood? He was the jailer of the 9-Tails! He wasn't the "Fox

Reincarnated" he was the jailer!

Ino: It all makes sense! The village treated him like an outcast!

Sakura Haruno fell to the ground in shock!

Sakura Haruno: Oh Naruto, What have I done!?

Evil Sasuke then growled with intense hatred!

Troy: Legendary Ranger Mode: Interstellar Police Brigade! We're taking you down by force!

Troy turned into the Red PatRanger and he blasted Evil Sasuke all over!

Me: **That's right everyone. Everything he said is true. The reason his heritage was hidden was because his mother and father made an incredible name for themselves during the 3rd Great War and they made a tremendous number of enemies.**

Shikamaru: Now I see! If the truth ever got out that Lord Minato and Kushina ever had a son, they would come after Naruto to get revenge.

Me: **That's exactly right Shikamaru.**

Troy: Legendary Ranger Mode: Dino Fury! Dino Fury Power!

He turned into the red Dino Fury Ranger and slashed Evil Sasuke all over.

Me: **And there was another reason why the 9-Tails attacked the village 13 years ago. It was because SOMEONE controlled it back then!**

Lady Tsunade: What!? Someone controlled it!?

Me: **That's right. Kakashi-sensei, Kurenai-Sensei, Asuma Sensei, Guy Sensei, I'm sorry to have to tell you all this but I'm afraid you aren't gonna like this.**

I snapped my fingers and teleported the true leader of the Akatsuki over to us and held him and put Chakra Neutralizing chains on him. And then pulled off his mask and then

EVERYONE GASPED IN SHOCK!

Me: **Look familiar?**

They saw that it was really OBITO UCHIHA!

Lady Tsunade: (GASP) Is that!?

Shizune: It can't be!

Guy Sensei: Is that Obito Uchiha!?

Asuma: But that's impossible!

Kurenai: How can that be!?

Kakashi was in a state of shock!

Me: **Yeah. Obito was responsible for it all.**

I copied his memories and showed them all to everyone from his point of view and more and how it was ALL Because of him. He was behind everything that happened and was going to happen in the future!

Kakashi Sensei was devastated! The man he once knew as his best friend has turned into an Omnicidal Monster hellbent on destroying the entire planet all because he failed to protect Rin.

Me: **Obito I can't believe you would be so fucking hypocritical! You taught Kakashi your trademark line…**

Nico: Those that break the rules are trash, but those that abandon their teammates are worse than trash!

Me: **You make me fucking sick Obito! Rin would never love someone that turned into a monster!**

Eli: Yeah! You don't give a damn about anyone!

I then used the Black Gates on Obito and he was gone for good.

Me: **That's one loose end taken care of.**

Troy: Legendary Ranger Mode: Jewel Force!

Nico: It sucks that the Kiramagers don't have a cool pre battle catchphrase.

Troy: Yeah no kidding.

Troy slashed and blasted Evil Sasuke all over.

Konan then took off her cloak and threw it away and she spread her wings and flew over to us and enveloped Evil Sasuke in a vortex of paper and blasted him all over with explosions.

Me: **YEAH!**

Nico: Take that!

Lady Tsunade: Konan! Is that you?

Konan: Yes it's me Tsunade. Great to see you again.

Lady Tsunade: You too.

Troy: Legendary Ranger Mode: Legacy Force! Full Power Non Stop!

He turned into the Zenkaiser!

Me: **YEAH!**

Qin: Awesome!

We blasted Evil Sasuke all over.

Nico: Take that!

I threw Evil Sasuke into the air!

Bai Tza: This is for everything you have done! Go to hell and stay there you motherfucking son of a fucking bitch!

She flew up to him and then formed a sword of Water and then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever and Orochimaru's quest to gain immortality and all the jutsu in the world was over. It had been silenced forever.

Nico: Good riddance!

Qin: YEAH!

Everyone cheered wildly!

Me: **But we're not finished yet.**

Eli: I sense 2 figures coming.

We powered down.

Me: This is gonna be good.

Kaito: I liked that last mode!

Troy Burrows: Thanks Kaito.

---

We saw black lightning striking across the sky.

Nico: Black lightning!? Whoa!

Naruto: Wow!

Then a figure appeared and it was a black version of Frankenstrike! It was ANOTHER FRANKENSTRIKE!

Nico: WHOA!

Eli: Another Frankenstrike!

Qin: Wow! This one is freaky!

Lola: Yeah!

Me: But who are you!?

Another Frankenstrike: (In a girls voice) You should know.

Me: (GASP) Gloria Da Vinci!

Another Frankenstrike: Been a long time J.D.

Me: It sure has.

Nico: How do you know her?

Me: She is the descendant of the great Italian Renaissance Master, Leonardo Da Vinci and she is a great artist and inventor just like her ancestor was. She paints these amazing and beautiful pictures and even invents awesome machines too.

Another Frankenstrike: That's right. Awesome too.

Eli: Yeah it sure is.

Laney: Boy I would love getting along with you. I'm an artist myself.

Another Frankenstrike: Awesome.

Nico: Who else is with you?!

Another figure came out and it was a scary version of Mighty Morphin Red! It was ANOTHER MIGHTY MORPHIN RED!

Me: Whoa! Another Mighty Morphin Red!

Qin: Whoa! This one is scary!

Me: Yeah. If Jason saw this he and Scorcher both would be pissed.

Nico: Who are you?!

Another Mighty Morphin Red: (In a girls voice) You might know me J.D.

She reverted back and it was a red hair girl with red eyes and she had red clothes on and had the kanji for Jurassic tattooed on her arm.

Me: Kira Jurassica!

Kira Juassica: Been a long time J.D.

Nico: You know her?

Me: I sure do. She was my partner in dinosaur studies and she is a master paleontologist. She and I went to awesome dinosaur digging sites all over the world. The most amazing one was the Tendaguru Formation Dinosaur Graveyard in Africa and we unearthed lots of dinosaur fossils.

Qin: Wow that is cool!

Aylene C.: Wow it sure is cool!

Me: Yep.

Kira Jurassica: It sure is. We discovered all kinds of dinosaurs. And I have the power to bring dinosaurs back to life too.

Me: It's true.

Nico: That is cool! We could get new additions to our theme park Paleozoic World.

Eli: That is awesome.

Nico: What did Swartz promise you two?

Another Frankenstrike: More art ideas.

Kira Jurassica: Power to bring creatures from before the Mesozoic Era back to life.

Me: She's only limited to dinosaurs.

Nico: Oh.

Laney: But I can always help Gloria with art too.

Lola: Awesome.

Me: But lets save you girls. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kira turned into Another Mighty Morphin Red!

Nico: (gets out Scorcher's Ridewatch) Let's turn up the heat!

Me: And to bring out the wolf.

Another Frankenstrike fired waves of black lightning and I deflected the blast back and it hit Another Frankenstrike and she was back to normal and I caught her Ridewatch and purified it.

I then picked up Gloria and brought her back.

Nico and I fired waves of fire and the blasts all hit Another Mighty Morphin Red and burned her all over.

Me: Awesome!

Nico: Yeah!

Another Mighty Morphin Red then pulled out an Orange Eudimorphodon Sword imbued with Electro's power! She fired waves of lightning and we deflected the blasts away!

Me: She has Core and Non-Core M.O.E. Dinosaur Weapons. They will make the Power Blaster more powerful.

Eli: They sure will.

Gloria was a girl with purple hair and she dresses up in Hippie Clothes like those from the Woodstock 1969 Era.

Nico: She dresses up in clothes from the Woodstock 1969 era.

Me: Yep. She has always been a groovy girl.

Bai Tza: Good times back in those days.

Nico: (takes out Dr. Viktor's Ridewatch) I can use electricity too!

He activated it and fired Purple Lightning and it hit Another Mighty Morphin Red and electrocuted her.

May: YEAH!

?: Nice shot Nico!

We saw a girl swoop in and it was a girl that had amazing powers.

Nico: Lucy Xi! Wow!

Lucy Xi: Awesome to see you Nico and Lady Bai Tza you're looking great.

Bai Tza: Same to you Lucy.

Me: How do you know Bai Tza?

Bai Tza: Lucy is a powerful chi master that lived for oveer 5,000 years.

Everyone: Wow!

Bai Tza: Yeah and she learned so much about Chi and even learned a lot under the powers of me and my siblings. She also is a gene-slammer. But unlike other gene-slammers she doesn't have the ability to change into one of us. She has all our powers but they are enhanced 100-fold. And we imbued her with those powers ourselves.

Eli: That's incredible!

Lola: Very incredible!

Lucy Xi: It sure is. How are all your siblings doing Lady Bai Tza?

Bai Tza: They are doing great thank you for asking.

Lucy Xi: You're welcome.

Me: But that is incredible!

Laney: Yeah it sure is!

Lucy Xi: It sure is.

Maria: It's not too late to still do one song with a Ridewatch.

Me: And I got one. (Activate's Cheese Monsters Ridewatch)

Me: You'll be all right Kira.

I went back to the team.

Lucy Xi: That was awesome.

Qin: It sure was and it's awesome to see you again Lucy.

Lucy Xi: You too Qin. Oh.

She pulled out a present.

Lucy Xi: I know it's late but happy birthday.

Qin: Thank you.

She got an amulet necklace imbued with the powers of the 8 Demon Sorcerers.

Qin: Wow! Thanks Lucy.

Troy: What's your favorite memory of Nico?

Lucy Xi: I have so many of them. When you lived for as long as I have you never forget everything. But my favorite is when me and Nico beat Daolon Wong the first time and destroyed his power.

Me: Wait you guys beat Daolon Wong a while back?

Nico: Yeah I forgot to mention that when we faced him years ago.

Me: That's incredible!

Lucy Xi: Yep. We stripped him of his evil power and sent him to the Dark Dimension.

Eli: That's amazing!

Laney: It sure is.

Lucy Xi: Yep.

Nico and Lucy hugged.

Nico: I've missed you Lucy.

Lucy Xi: Me too. I have 5000 years of catching up to do.

Me: I can tell. But this was awesome. Awesome way to kick off the

Kamen Rider Decade mission with a great rescue.

Eli: Yep,

Bai Tza: If Daolon Wong comes back, he's getting the Black Gates.

Me: Oh I have a feeling he will.

Twilight Sparkle: Yeah Jade told us so much about him.

Me: But we'll be ready for him.

Qin: Yeah.

Lola: But this was awesome destroying Evil Sasuke.

Lana: I'll say!

Nico: Lets go home.

We merged the world of Shinobi we went to with our world and later went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, and Jason Scott Lee are heading to Phoenix, Arizona, and not only is Lincoln going to rescue the five girls here, but we got word that Shao Kahn has escaped from the Dark Dimension and he wants revenge on Doctor Strange for imprisoning him and his loyal followers there after the deaths of Shang Tsung and Quan Chi at our hands.

Lincoln also called Liu Kang and Raiden to help out as soon as word of Shao Kahn's return reached us.

Lincoln: Wow, we're here in Phoenix, Arizona, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word that Shao Kahn has escaped from The Dark Dimension and he wants revenge on Doctor Strange for imprisoning him and his loyal followers there after the deaths of Shang Tsung and Quan Chi at our hands.

Nico: That's right, big guy. I always knew Shao Kahn would refuse to stay gone for much longer, but now, we have a chance to send him to The Black Gates for good.

Me: Along all those who swore their eternal loyalty to that bastard, and from what I heard, Goro had asked Vypra to recruit Reptile.

Lincoln: It's true. As soon as word of Shao Khan's return hit, Goro asked Vypra to recruit Reptile into The Masters of Evil since he has honor and he hates Shao Kahn so much, and he knew we were the ones who killed Shang Tsung and Quan Chi and sent them to Oblivion last year. And after Yingping and I destroyed Kan Ra, we sent him and those two sorcerers to The Black Gates for good.

Eli: And now, we're going to destroy Shao Kahn for good.

Lincoln: And we'll make sure he never rises again. And I want to thank you, Lord Raiden, and Liu Kang for joining us, Jason.

Jason Scott Lee: You're welcome, Lincoln. This is going to be one amazing rescue.

Raiden: And one that'll mean the end of Shao Kahn and his eternally loyal followers for good.

Liu Kang: Shao Kahn has brought this upon himself for a very long time, and now, we're going to end his never-ending quest to conquer our home.

Me: That's right.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Shao Kahn, and he's going to kill them.

Lincoln: We need to get over there and fast, guys, I found the five girls, but they've been cornered by Shao Kahn, and he's going to kill them.

?: Let's put an end to that savage warlord's thirst for conquest once and for all!

Suddenly, we saw the Tree Earthbound Immortal Ccgojuru, appear before us.

Nico: J.D., did one of our Twilight Signers…?

Me: I don't think so, Nico.

Lincoln: Yeah, in fact, I'd recognize that voice from anywhere, I knew it was you, Grace Carmine, but we'll talk later. It's time to put an end to Shao Kahn once and for all.

We rush on over and Lincoln fired powerful rainbow energy balls and elemental forces at Shao Khan, and it allowed the five girls to get to safety. When Shao Kahn saw us, he was enraged.

Shao Kahn: Team Loud Phoenix Storm, once I kill all of you, Earth will soon be mine!

Lincoln: Not any time soon, Shao Khan, you've been asking for this for a very long time. No matter how many times you've been defeated, you refuse to surrender. But, now you're going to die here and you are never coming back.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and

Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Jason Scott Lee, Raiden, Liu Kang The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went after Shao Khan, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, elemental forces, and mythological animals, and they exploded with incredible power as they hit him.

Then, the large rainbow gem that's embedded in Lincoln's massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing, and then, his massive sword suddenly began draining and sucking out all of Shao Kahn's god-like strength and magic and it was also being absorbed by Lincoln as he gained a massive power boost, and as soon as Lincoln was done, Shao Kahn was now powerless.

Finally, Lincoln, Raiden, and Liu Kang fired powerful beams of lightning, rainbow lightning, and fire at Shao Kahn, and as they hit him, they exploded with incredible power, killing him, and we also felt all of his eternally loyal followers were also dying one by one. Then, Shao Kahn and the spirits of all his eternally loyal followers were marked on their foreheads and they were judged by all those killed and they were found guilty.

Shao Kahn: DAMN YOU, TEAM LOUD PHOENIX… (Fades Away)

Those would be the last words spoken by Shao Kahn as he and his eternally loyal followers fade away and were erased by The Black Gates. We cheered wildly as we holster our weapons and power down.

Lincoln: It's finally over, Shao Kahn is no more and all those who lost their lives because of him have been avenged. (To Grace Carmine) And it's so good to see you again, Grace Carmine.

Grace Carmine reverted back to normal, and she's a beautiful girl with long flowing pink hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with pink tips, and she reigned in the power of Earthbound Immortal Ccgojuru, and she's dressed in a pink sleeveless open blouse, sleeveless pink midriff top, long pink skirt with black lace designs and the Tree Nazca Line on it, pink pants, pink shoes, and long sleeveless black trenchcoat with pink flames and trees on the coattails, and Earthbound Immortal Ccgojuru on the back, and holstered on her back a large Earthbound Immortal Ccgojuru-themed greatsword with Earthbound Immortal Ccgojuru etched on the 7'0" massive, wide, double-edged black blade, large black angel wings for the crossguard, large pink gem embedded in the rainguard, longer black handle, and a large pink gem surrounded by black angel wings for the pommel.

Grace Carmine: You too, Lincoln, it's been a long time.

Lincoln went up to Grace Carmine and they hugged, and Grace Carmine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Grace Carmine: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Grace Carmine, she's one of my Guardian Angels from Michigan, she's a master of nature and pink fire and she has the powers of plant control and can make plants grow in the blink of an eye.

Grace Carmine demonstrated by making some of the cacti here grow in the blink of an eye, and she returned it to its natural size.

Nico: Whoa, now that's really awesome.

Grace Carmine: It sure is.

Lincoln: And she took on Lori, Lynn, Lola, Lisa, and Luan as they were chasing me and she beat them up and we threw the bombs and destroyed Flip's Food and Fuel.

We gasped in shock.

TLPS Mr. Wolf: Okay, it was bad enough that you'd been beaten up badly and stabbed in the stomach by them, but getting chased by bombs?!

Nico: Yeah, just how much lower were those demonic dark sides willing to stoop, especially when it came to using weapons of mass destruction like bombs?!

Me: We'll hear about it later, but I'm sure it's bound to piss off a lot of people.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Grace Carmine's neck with pink gems on the gold thunderbolt links and pink crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Grace Carmine: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Grace.

Grace Carmine had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Grace Carmine's waist and Grace Carmine wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Grace Carmine's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are You "Yuu" Hazuki, Nami Hayase, and Eri Takigawa from Attacker You, Narumi Akiko and Tokime from Fuuto Tantei.

Lincoln: Oh wow, it's You "Yuu" Hazuki, Nami Hayase, and Eri Takigawa from Attacker You, Narumi Akiko and Tokime from Fuuto Tantei.

Nico: Awesome.

Lincoln: Are you girls okay?

You "Yuu" Hazuki: Yes, we're okay, thanks to you.

Then, when You "Yuu" Hazuki and the other four girls saw who it was that saved them from Shao Kahn, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

You "Yuu" Hazuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

You "Yuu" Hazuki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of You "Yuu" Hazuki, Nami Hayase, Eri Takigawa, Narumi Akiko, and Tokime with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Shao Kahn, who escaped from The Dark Dimension to get revenge.

But, when Lincoln showed what we did to that tyrant, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Grace Carmine have a lot of catching up to do now that she's back in town, and at long last, Shao Kahn is finally no more and all the lives he'd brutally taken have been avenged.

---

After finally putting a permanent end to Shao Kahn once and for all, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Grace Carmine saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Grace Carmine: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Grace, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Grace Carmine: That's incredible.

Nico: It sure is. So, Grace, what's the story about how you saved Lincoln from Lori, Lynn, Lola, Lisa, and Luan when they were chasing him armed with bombs?

Grace Carmine: Now, that's a story I'd never forget. One day, I was walking through Royal Woods enjoying the fresh air, but then, I heard the sound of explosions rocking the area and the sound of terrified screaming, and then, I saw who it was who made the scream, it was Lincoln, and then, I saw who it was that caused those explosions: it was Lori, Lynn, Lola, Lisa, and Luan, and they had bombs in their hands and they were trying to kill him. I followed Lincoln and he was heading for the defunct Flip's Food and Fuel, but those five monsters were right behind him, so I formed a whip with rose thorns, and I lashed at Lori, Lynn, Lola, Lisa, and Luan, and it caused them to drop the bombs, but I caught them with a vine basket I made and tied those five up in vines, and since we were right near the closed down Flip's Food and Fuel, we backed a few feet away and then, I threw the bombs and I blew up that biohazard-infested convenience store to smithereens.

We cheered wildly.

Nico: So, that explains why Flip's Food and Fuel was reduced to rubble.

Grace Carmine: Yep, and then, after that, I called Mr. and Mrs. Loud, and as soon as they and the other sisters arrived in Vanzilla, I told them everything about what those five demons were doing in chasing Lincoln with bombs, and it made them all furious. Leni was so mad at Lori, she whacked her in the head with a sandal, Luna was so mad at Luan, she smashed her cymbals in Luan's ears making her go deaf, Lucy was so mad at Lynn, she sent Fangs to shred her sports jerseys, Lana was so mad at Lola, she had Hops and her animals mess up Lola's bed, and Lily was so mad at Lisa, she fired a blast of water at Lisa and drenched her badly. Then, the parents grounded Lori, Lynn, Lola, Lisa, and Luan for six months for their actions and were put in the basement in isolation cubes. Lincoln then came up to me and hugged me tight, and when I felt tears, I hugged him tight and I rocked him back and forth to calm him down.

We were horrified at the actions of Lori, Lynn, Lola, Lisa, and Luan.

Me: I can't believe this, as if pummeling him and stabbing him in the stomach wasn't bad enough, now they resorted to using explosives, that's low.

Nico: Yeah. Wait, how did they even get the bombs in the first place?

Nicholette Torrington: That was left to us, and when Grace told all of us Guardian Angels of what Lori, Lynn, Lola, Lisa, and Luan did this time, we were furious at them. So, we did some digging around in Royal Woods, and we found out that Lori, Lynn, Lola, Lisa, and Luan got the bombs from Chandler, and when we found out about it, we wanted to wring Chandler's neck for this, along with Lori, Lynn, Lola, Lisa, and Luan for allying with that sewage bastard!

Grace Carmine: But, I struck first and attacked with a poison ivy whip that I made and it gave him a bad case of poison ivy, then I put some skunks in his lockers, and when he opened it, he was sprayed and he smelled really bad for a month, and I also told the cops, who took Chandler and put him in a tank and he was taken straight to jail for what he did.

We laughed hysterically at her pranks.

Nico: Oh man, now that was too hilarious.

Lincoln: That taught Chandler a lesson, and then, the other Guardian Angels went after Lori, Lynn, Lola, Lisa, and Luan and they told them off big time, especially with making an alliance with one of their biggest targets.

Me: Ouch, I can guess their ears were bleeding big time.

Lincoln: Yep.

We got a shower afterwards, and then, Ed Grant and Nanette are getting ready for their beach date in Seaside Hill. Nanette was dressed in a blue two-piece bikini with lightning bolts on them, sandals, jewelry, and her weapons are holstered in case of trouble, and Ed Grant was dressed in purple swim shorts with a gamma radiation symbol, sandals, jewelry, and his weapons are holstered in case of trouble.

Ed Grant: Alright, Nanette, you ready?

Nanette: Ready, Ed.

Ed Grant and Nanette head out of the World Tree Estate, and they arrive at Seaside Hill.

Ed Grant: So, this is Seaside Hill, it's really awesome.

Nanette: And it's a place Sonic and his friends have gone to many times, and it's perfect before Roxy's big mission to meet the Decade Kamen Riders, and for the first part of our big Kamen Rider missions.

Ed Grant: Except for tomorrow, because that's the 1-year anniversary of the Fall of Xehanort.

Ed Grant and Nanette began swimming around the place and they also explored the marine life that dwell here and it's amazing. Then, they also had lunch on the beach as well, then, as the sun was about to set, Ed Grant went up to Nanette, and he wrapped his arms around her waist and Nanette wrapped her arms around his neck, and as the sun turned orange, they shared a romantic kiss as the sun was just about to set, then, they returned home to The World Tree Estate, and they were back in their original clothes.

Nico: Hey, guys, how was your date?

Ed Grant: It was awesome, Nico, we went to Seaside Hill.

Nanette: It was perfect for our date, and it was really amazing.

Lincoln: That's really amazing.

Ed Grant: And you guys have also been busy preparing for Roxy's special mission?

Lincoln: Yep, we're all set to meet the Decade Kamen Riders and for our first part of our epic 14 Days of Epic Kamen Rider Action, except for tomorrow since it's the one-year anniversary of the Fall of Xehanort.

Nanette: Oh, that's right, August 2nd was the day we brought an end to Xehanort for good.

Nico: Yep.

---

Later we were over at the Mall and it was time for Rarity and Juru's bonding time.

Me: So we're having our Bonding Time at the mall. Perfect.

Nico: Rarity, you and Juru are up for bonding time.

Rarity: Oh it's gonna be fabulous! I can't wait to show you darlings my new store that we just opened.

Me: Sure.

Qin: Awesome.

Lucy Xi: I have a feeling it's gonna be amazing.

Grace Carmine: I do too.

Rarity: Oh follow me.

We followed Rarity to her Gotham Royal York Mall store.

Me: Rarity it's so awesome that you opened up a store at the mall.

Twilight Sparkle: I think it's great too. Now you have shops in Canterlot, Ponyville and now here at Gotham Royal York Mall.

Leni: I think it's totes amazing.

Rarity: Oh thank you darlings.

Juru: That is awesome sis.

We arrived.

Rarity: Here we are darlings.

We saw that it was called Rarity's Jeweled Dazzleglory.

Me: Wow! Rarity's Jeweled Dazzleglory.

Eli: This is gonna be awesome.

We went in and we saw so many beautiful clothes.

Carol: Wow! I'm gonna try on some of them.

Maria: Me too!

Nico: Go for it.

Rarity: Juru, I'll never regret meeting you and your team.

Juru: Me neither Rarity. It was so awesome.

Sylvia Exetor: And I got to show that I have Yodonna as my archenemy.

Qin: You sure did Sylvia. Also we introduced you to your predecessor rangers.

Juru: That was so awesome.

Carol and Maria tried on beautiful and amazing dresses.

Carol came out dressed in a beautiful purple medieval princess dress adorned with beautiful jewels and she had awesome earrings that matched. Maria had a beautiful aqua blue dress and the jewels were rainbow colored and had a picture of a mermaid on the skirt.

Me: Wow!

Juru: You girls look great.

Vince: Carol you look absolutely beautiful.

William: Same with you Maria.

Maria: Thanks guys.

Carol: This is absolutely beautiful.

Rarity: It sure is darlings.

Me: I also helped Rarity with making some of the dresses.

Carol: These are beautiful guys.

Me: Thanks.

May: I think I'll try a dress on too.

Nico: Go for it.

She picked a dress and went into the changing room.

Me: Woz I think you should call May, Lady May because she is Lord Nico's first wife.

Woz: That's not a bad idea J.D. Lady May it is.

Nico: (Laughs) I like that.

May came out.

She was dressed in a magnificent and beautiful red dress and it was adorned with red, orange and yellow jewels and she had red gloves and had earrings on in that were shaped like phoenixes and she had beautiful jeweled red shoes on.

Lola: Wow!

Nico: Wow! May you look absolutely radiant!

Eli: That dress is beautiful!

May: I look so amazing in this dress.

Me: Wait I have an idea. Nico?

Nico: I'm way ahead of you.

Nico snapped his fingers and he was dressed in awesome Red Prince Charming clothes like the ones from Cinderella and he got up there with May and it was a magnificent sight.

Nico: What do you think?

May: That is awesome my king.

Nico: And you look gorgeous my queen.

Woz: Rejoice, for the king and queen of Team Loud Phoenix Storm has now arisen for I give you Lord Nico, King of the Phoenix and his amazing and glorious wife, Lady May, Queen of the Ice Dragons.

We cheered.

Me: That's a great title.

Woz: I can do speeches outside of battle too.

Nico: Well thought out too.

Qin: It sure was.

J.D. 2: I think that is so amazing. It also is like a union of what happened after the terrible war between my family too.

Me: I heard all about that. That was awful. But I'm glad it brought back so many memories.

J.D. 2: Yeah.

Me: But this is so magical too.

Laney and Gloria worked on an amazing painting for Nico and May and it was REALLY BEAUTIFUL! It showed Nico and May holding hands like an amazing King and Queen. They got finished really quick.

Laney: What do you think?

Nico: That is magnificent!

May: Beautiful.

Laney: We call it King Nicholas XIII and Queen Mayanna XII.

Nico: That is beautiful!

May: Wow! It makes us feel like we are king and queen back in the Medieval times.

Me: I think that's a great title.

Juru got call on his Kiramai Changer.

Juru: (picks up) Hello?

Tametomo: Juru, you and the others got a situation. A HUGE beetle is headed your way. And it's definitely not Beast Wars Inferno.

Juru: Uh oh! We better take a look!

Nico: I heard.

We paid for the clothes and checked it out and to our shock it was ANOTHER KUUGA!

Me: WHOA! Another Kuuga! That was the first of the Heisei Series from the year 2000!

Nico: Whoa!

Me: Boy if Yusuke Godai saw this he would be pissed!

Woz: Beware, Lord Nico. This last Another Rider that we are about to face is the biggest and most powerful of them all!

Nico: Thanks Woz for telling me that.

Me: We better take this battle somewhere else before people get hurt.

Nico: Good idea.

Nico snapped his fingers and we were on Glaren.

Me: Okay buddy who are you!?

Another Kuuga: (In a girls voice) May would know that.

May: (Gasp) I know that voice!

She reverted back and it was a woman with grey hair and brown eyes.

May: Bertha!

Bertha: Been a while May. I heard you got married to Nico.

May: I have and you made me into a laughingstock!

Me: Wait aren't you one of the Sinnoh League's Elite 4?

Bertha: That's right J.D. and it's an honor to meet you. Do me a favor and destroy that monster Paul. I never liked that kid.

Me: Oh you can count on that. And Paul will be getting the worst thrashing ever on August 7th.

Nico: That's right.

May: Yeah! He will. But I'm still peeved on that.

Nico: Okay, whatever happened between you and my wife is in the past. But I knew that Swartz would've needed to make someone with powerful will Another Kuuga.

Me: I agree. But I am curious. I wonder what happened that made May mad at you like that.

May: She defeated me with just one Pokemon and I was laughed at and humiliated.

Nico: Whoa. I would be mad at that. But it was in the past.

Me: Yeah. But it's time for you two to move on from that.

May: You're right.

Bertha: That is true.

Me: What did Swartz promise you?

Bertha: To give me all the Ground and Rock Pokemon in the world.

Me: Well we have a massive plethora of Rock Pokemon like that.

Bertha: True. But I'm going to show you how I do things.

She turned back into ANOTHER KUUGA!

Me: All right then. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Another Kuuga grabbed a boulder and threw it at us.

I then punched the boulder with my superhuman strength and smashed it into rubble!

Juru: Kiramai Change!

He turned into KIRAMAI RED!

Me: Yeah! But two can play that. (Activate's Goliath's Ridewatch)

I grew to Another Kuuga's size!

Another Kuuga flew in the air.

Nico: Just like all beetles.

Me: Well this wolf has wings too.

I flew after her and she pulled out a LORD DRAKKON TITAN SWORD!

Me: She has Kuuga Core M.O.E. Weapons!

We clashed and I kicked her in the face and we clashed all over and I used my speed and smashed her all over!

Juru jumped at Another Kuuga.

And slashed her and then I punched her and kicked her in the stomach and punched her and kicked her in her face and sent her crashing into a mountain!

Qin: YEAH!

Rarity: Oh nice one Juru!

Nico: Time to fight bugs with bugs!

Nico activated Beetle's Ridewatch.

He fired a wave of lightning and it electrocuted Another Kuuga all over.

I slashed her and then she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She fell to the ground and Nico caught her and Rarity and Juru helped her.

I caught the ridewatch she had and purified it and landed.

Me: Wow that was cool battling a giant Rider.

Lola: Yeah.

I reverted back and then we picked up Titan Swords imbued the Powers of the Core M.O.E. Members.

Bertha was back to normal but she had a tremendous headache.

We were back on Earth.

Nico: I think that's the last of the Another Riders at least until the big Zi O battle. Meanwhile, we might still have Another Rangers and Omnitrix Aliens even after Swartz's defeat.

Me: That's true. But I think it's cool. Also that felt like a Kaiju Battle but with Kamen Riders.

Eli: It sure did feel that way. But Kuuga was not nearly as big as a Kaiju.

Me: No. But it sure felt like it.

Qin: Yeah that was cool.

Grace Carmine: I thought it was cool too.

May: Yeah this was the most amazing Bonding time ever.

Rarity: Oh it sure was darlings.

We later went back home.

Back at the World Tree Estate, I saw Princess Celestia all sad.

I was looking at Princess Celestia who was sitting by the window and she was in deep thought with sadness. I couldn't help but feel sad for her.

Kimimaro: Something on your mind, J.D.?

Me: Actually yes Kimimaro. I remember this dream I had that lead me to finding Amber Morning and I found out that Princess Celestia lost her husband King Solar at the hands or rather hooves of King Sombra. He killed him in cold blood.

Kimimaro: Oh man that's terrible.

Amber Morning: Yeah I never knew my dad and it was because of King Sombra.

Me: I remember seeing that.

Ibara: If you want to revive him, J.D., feel free to do so.

Me: Thanks Ibara. And that's just what I'm gonna do. (SNAPS FINGERS)

I snapped my fingers and Princess Celestia was crying and then suddenly a massive flash of light shined down on the room and the divine singing of angels was heard and then out of the light came a figure and it was KING SOLAR! He was a benevolent king with orange hair and blue eyes and he had a cutie mark in the shape of the sun and he had magnificent golden wings.

King Solar: Celestia it's good to see you again.

Princess Celestia: Solar!

She and him hugged for the first time in 1,000 years!

Princess Celestia: Oh Solar I've missed you so much!

King Solar: I did too Celestia.

Amber Morning saw her dad for the first time ever.

Amber Morning: Daddy?

King Solar: Amber Morning. Wow! Look at you. You have grown so much.

Amber Morning: DADDY!

She hugged him for the first time ever!

Princess Celestia: But how?

Me: I did it.

I went over and knelt before King Solar.

Me: Your majesty it's an honor.

Princess Celestia: Solar this is J.D. Knudson, He is one of the great heroes of Equestria. I have so much to tell you about him.

She did so and it was incredible.

King Solar: You are truly a brave and pure soul J.D. You have done so much good for all of ponydom.

Me: Thank you your majesty. I'm so sorry that King Sombra took your life like that. He is a truly pure evil monster.

King Solar: He is.

Armada Starscream: And we might face him in the future.

Me: The Champions of Harmony have returned and they are going to destroy many of Equestria's enemies.

Flurry Heart: But I know that there is good in Somnambula's old enemy Anatankha. With the help of the Champion of Hope, I know that I can help her save Anatankha from herself.

King Solar: I know you can Flurry Heart.

Flurry Heart: Thank you.

Jetfire: (Australian Accent) You really think you can reach out to her? What if she's too far gone?

Flurry Heart: Don't worry Jetfire. I learned that sometimes someone's anger in such a situation can get the best of them and cause them to do horrible things, but if we hold on to hope that they can be redeemed, they just might change. It's always a good idea to talk to our enemies to get their perspective.

Me: That is definitely true. If Starlight Glimmer, Stygian, Trixie Lulamoon, Tempest Shadow, Diamond Tiara, Silver Spoon, The Changelings, Cozy Glow, Sunset Shimmer and certain villains of Equestria we faced over the years can hold on to Hope then they too can be redeemed. But there are others that can't.

Qin: That is awesome.

Nico: It sure is.

Eli: That's right.

Nico: Anyway it's time for number 1 of our 13 big day missions.

Qin: I'm really excited for this one!

Juniper Montage: I wonder who we'll find the Decade Riders fighting. Especially since they don't fight a specific type of monster.

Me: We'll find out soon.

Laney: Yep.

Nico: This is gonna be awesome.

Then Black Knight Ghost, Gator Ghoul, Abomination, Ryugu Tamatebacco, Kerbero Gangan, Whirlin, Zs'Skayr, Whiteout, Ghost and Beautiful Gorgeous appeared.

Black Knight Ghost: Can me, Gator Ghoul, Abomination, Ryugu Tamatebacco, Kerbero Gangan, Whirlin, Zs'Skayr, Whiteout, Ghost and Beautiful Gorgeous go with you guys?

Nico: Yes you all can go with and it's gonna be so awesome to meet the Decade Kamen Riders.

Whirlin: It sure will be awesome.

Me: Yeah we're looking forward this one. And so am I.

Lola: We all are.

Cozy Glow: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Vertigo next.

Nicole: Vertigo the Goddess of Insanity from Primal Rage? Wow! That is gonna be a cool one.

Lucy Xi: There's only one person I know that fits the bill for that one: Verliya Queshington.

Nico: That's right. She is the champion of Vertigo.

Me: Wow! That is cool!

Qin: I remember Verliya Queshington. She is really powerful and skilled with those awesome powers she has.

Lola: That is cool! You'll have to fill us in on how she fights.

Qin: I will.

Nico: Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Abyss from the Soul Calibur franchise, and he's here to cause death and destruction. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is

someone else coming after us today?

Lincoln: You got that right, Nico, and Cassandra, you and the others aren't going to like this figure one bit: the dark energy signal I sensed belongs to Abyss, and he's here to cause death and destruction.

The Soul Calibur girls in Lincoln's harem gasped in shock.

Cassandra Alexandra: I can't believe that Abyss is here, and next to Nightmare, another enemy of ours, Abyss is a dangerous threat to everything and everyone in his path.

Roxy: Which means I've got to put a stop to him for good after we help the Decade Kamen Riders with one of their biggest threats today.

Nico: Yeah, that Grim Reaper knock-off's looking at getting the Black Gates for this for everything he's done. Alright, gang, let's go, it's time to meet the Decade Kamen Riders and kick off the 14 Days of Kamen Rider Epic Action.

Lincoln: Yeah!

Me: This is going to be so awesome!

We were off to Japan.

---

We arrived in Japan. And we saw the Decade Riders taking on THE WASP WOMAN!

Gator Ghoul: There they are. And it looks like they already started a fight without us. Daiki summoned a clone of Kamen Rider Blades. And Tsukasa is in the form of Kamen Rider Saber!

Me: Awesome. And they are facing The Wasp Woman. Thank goodness that's not the one from 1959 or 1995.

Nico: No way. Those were scary and ugly as shit.

Qin: No kidding there.

Nico: Lets do a minor entrance.

We went at them.

Then as they were clashing…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Tsukasa: That's Zocks!

We landed.

Me: (Imitating Terk) THE FUN HAS ARRIVED! Thank you very much!

Daiki: Nice entrance!

Lola: Thanks.

Wasp Woman: Time to sting!

She went at me and I clashed with her.

Me: Sting this! (Activate's Webstor's Ridewatch)

I fired webbing and wrapped her up in a web cocoon and beamed her to the M.O.E. Prison.

Buzzerbeak squawked, happy to see the Decade team again.

Daiki: We're happy to see you too Buzzerbeak.

Me: We sure are. But thank goodness that wasn't the Wasp Woman that my dad knew from the 1959 movie.

Tsukasa: Yeah that was scary. Lets talk over at our base.

Me: Good idea. We got a lot to talk about.

Nico: Yeah we sure do.

We arrived at their base.

Roxy: Just as awesome as I remember.

Nico: Yep.

Ryugu Tamatebacco: So this is your home sweet home, huh?

Tsukasa: It sure is.

Nico: Yeah.

We got to sitting down.

Me: You guys have been busy from what I can tell.

Daiki: We sure have been busy.

Me: Yep.

Cynder: Can you believe that the Kamen Rider first originated in 1971?

Tsukasa: I sure do.

Me: Now its been 50 years since then. 51 actually.

Lola: Yep.

Nico: We have so much to talk about.

Me: Firstly we found out from one of my old enemies from my past that we faced that Kamen Rider Ryuki has been changed. And we want to get a confirmation from you.

Tsukasa: I can assure you, Shinji Kido was a heroic man like the rest of us Riders. But in his year, there was a war between Riders, an endless battle as they were manipulated. Tempted with any wish they could desire as the prize… Of murdering the other 12 Rider's. Ending with an act that made so the Riders did not exist, their battle whipped away from history. But don't worry. They're actually living better lives.

Kerbero Gangan: Well, at least none of them are dead.

Me: That's a big relief. But it must've been awesome for you guys to meet some of the riders that we haven't met yet. Also We have the Hibiki, Kabuto, Den-o and Kiva Riders all with us right now.

Wataro: Yeah we just joined the team.

Ryotaro: Yeah it's awesome.

Souji: It sure is.

Hitoshi: And we are loving it. It's awesome to see you again Tsukasa.

Tsukasa: Same to you guys as well.

Poromon got out 1 beer bottles.

Tsukasa: Oh, don't tell me that's-

Poromon: One bottle of beer!

Lena Isis: (sighs) I knew this was going to happen.

Phosphos: At least it's just one.

Tsukasa: Digimon that drink?

Me: Don't ask. But also we have the second thing we need to tell you.

I got out my bag and pulled out the Ridecards of the Core and Non-Core M.O.E.

Tsukasa: Are those ridecards?

Me: Yep. You remember Swartz?

Tsukasa: I sure do! He was Another Me!

Me: Well it's not just you. It was both you and Daiki as well as numerous others. He made Another Riders and Secondary Riders all across the board. He turned some of our friends and enemies into Another Riders and Secondary Riders. We defeated them and got Core and Non-Core legend items for the Masters of Evil. But it's not just them. We found out that he made Another Power Rangers, Sentai and Rangers for Japan and America.

Right Suzuki: Yeah it's awful!

Me: And he made Another Omnitrix Aliens too.

Lola: It's been one crazy battle after another in Nico's rescues and our Ambassador Missions and our Bonding Times too.

Zs'Skayr: Considering the Hell the Ryuki Riders went through, it's probably best if we don't restore their memories and let them live out their happy lives.

Daiki Kaito: Now, cheer up. While the Ryuki Riders might not be available, their American Counterparts still are.

Me: That's right! But we don't meet them until 2023. So we got to wait about another year.

Tsukasa: I take it J.D. that you're REALLY pissed about Swartz turning many of your friends into Another Riders and Rangers and Aliens.

Me: Oh I'm more than just pissed. I'm infuriated. But I'm gonna keep my cool until we face him on August 12th. What he was doing was horrible.

Nico: Yeah no kidding.

Qin: But we're going to be ready for Swartz when the time comes.

Drill Man: The Ryuki Riders themselves might not remember the good they've done. But we still do. They will never be forgotten in our memories and hearts.

Me: That's for sure. 20 years have passed since then.

Qin: Yeah.

Nico: Lets all have a moment of silence for the Ryuki riders.

We took off our hats and put our hands on our chests for them and had a moment of silence and thirty seconds later it was done.

Daiki Kaito: It's funny you should mention Swartz. Because I found out yesterday that he's rallied the remaining main Kamen Rider baddies and formed them into a new Dai Shocker group.

Ghost: I remember the previous Dai Shocker organization.

Me: Yeah me too! That was intense. They were lead by Apollo Geist. And believe it or not he is our main target.

Qin: Yeah.

Lana: Wow!

Nico: This is gonna be awesome.

Me: Yeah it sure will be.

Nico: Yeah.

Laney: What does it say about him?

Me: Well it's not good.

I went over his history.

---

Apollo Geist is the chief of security of the Government of Darkness and the secondary antagonist of Kamen Rider X. He is the one in charge of assassinating rogue or traitorous members of the G.O.D.

organization. He later reappears as a Dai-Shocker member and the main antagonist of Kamen Rider Decade.

He was portrayed by Yasuhiko Uchida in Kamen Rider X. In Kamen Rider Decade and the film Let's Go Kamen Riders he was portrayed by Kazuhisa Kawahara. In Super Hero Taisen he was voiced by Kimito Totani. In Battride Wars he was voiced by Miyuki Sawashiro.

## Kamen Rider X

Apollo Geist is G.O.D.'s Chief of Security, armed with the Geist Cutter shield and the Apollo Shot shogun, his human appearance wears a white tuxedo with black gloves until he invokes "Apollo Change". He has his own motorcycle branded with his Apollo Geist logo. His job is to execute any G.O.D member who considered useless. Destroyed himself using his Arm Bomb after he was defeated by X's X Finishing Kick when he tried to trick him by shaking hand.

However, Apollo Geist is revived by two doctors of G.O.D. Armed with the Apollo Magnum bayonet on his right hand, the Geist Cutter shield which causes explosions when throwed into ground, and the small Geist Cutter shield on his left shoulder. The visual difference is that he wears the Perfecter on his helmet and has a fire motif in his cloke. He also has ability to turn himself into huge fireball at his final battle against X-Rider. Destroyed by X's X Kick in his Fireball Form.

## Kamen Rider Decade

The first member of Dai-Shocker that Tsukasa confronts, an alternate world version of Apollo Geist came from the World of X-Rider where he was killed by the dimension's Kamen Rider X before revived by G.O.D. and became the Security Chief of Dai-Shocker, hastening the worlds' convergence to make invasion easy for his organization. He normally assumes the form of a man called Guy until he invokes "Apollo Change." Since his revival, Apollo Geist's lifespan is short as a result and thus uses the Perfecter to take the life force out of people to augment his own.

When the Perfecter is stolen from him by Diend and then destroyed by Decade, Apollo Geist eventually comes up with the plan to marry

Yuki, the Fangire Queen, becoming a Fangire as a result. As a result of his transformation, he now becomes Super Apollo Geist with the ability to remove other realities from existence. Rider War: Prologue Using his power to revive the monsters from the Nine Worlds and attempting to make Natsumi his bride after Yuki is destroyed by Decade Complete Form, Super Apollo Geist fights Decade and Diend until help arrives in the form of Hibiki and Kiva.

Kiva and Hibiki distract Super Apollo Geist long enough for him to be mortally wounded by Decade Complete Form with Diend's power, Geist swearing that he will "revive as the greatest nuisance in the universe" before he is destroyed.

## Let's Go Kamen Riders

Due to a change in history caused by Ankh leaving an O Medal behind in the year 1971, Shocker achieved its goal of world dominion with the Shocker Greeed and new members from the various groups joined an alliance under Shocker's control. Apollo Geist, King Dark and the Government of Darkness were part of Shocker's alliance. He was never killed by X, not needing the Perfecter to sustain himself even years into the future. When the timeline was partially restored and the Riders returned, he tried to face X, only to be defeated. He was destroyed, however, when the Great Leader became the Great Rock Leader and spreads destruction around the world.

## Super Hero Taisen

Apollo Geist was later revived as part of Dai-Shocker, led again by Tsukasa as the Great Leader. Dai-Shocker were now fighting Dai-Zangyack and the Super Sentai teams, but Tsukasa was overthrown by Doktor G who joined forces with Dai-Zangyack. Apollo Geist was part of the combined forces of Dai-Shocker and Dai-Zangyack when they engaged the Kamen Riders and Super Sentai. Apollo Geist was seen fighting ShinkenBlue, TimeYellow and Kamen Rider Agito, and last he fought Kamen Rider Fourze, who assumed Magnet States to destroy him.

When I was done everyone was shocked!

Qin: WHOA!

Me: Yeah. This guy is bad news.

Slash Man: Who else is with Apollo Geist?

Daiki Kaito: Shadow Moon.

Me: I remember him. He was a monster.

Beautiful Gorgeous: What's his background history?

Me: Lets see.

I pulled up his info too.

---

Shadow Moon is the Century King of the Gorgom cult and the main antagonist of the 1988 Kamen Rider series Kamen Rider BLACK, and a recurring antagonist in its sequel Kamen Rider BLACK RX.

His true identity is Nobuhiko Akizuki, the stepbrother of Kotaro Minami / Kamen Rider Black, who like him was born on the day of a solar eclipse and kidnapped by the Gorgom cult to be brainwashed into being their messiah. Like Black, Shadow Moon utilizes the King Stone to transform into his Rider form and is armed with a sword, the Satan Saber.

After Gorgom's downfall and his presumed death, Shadow Moon would return in Kamen Rider BLACK RX to finally settle his score with Kotaro.

Shadow Moon later returns as the main antagonist of the movie All Riders Vs Dai-Shocker and a major antagonist in Super Hero Taisen Z.

He was voiced by Masaki Terasoma, and portrayed by Takahito Horiuchi as Nobuhiko.

Alongside his best friend and stepbrother, Kotaro Minami, Nobuhiko Akizuki was abducted by Gorgom to become one of their new Century Kings. Kotaro however, managed to escape after he was given a Kingstone, allowing him to transform into Kamen Rider Black. In the process, Kotaro damaged Nobuhiko, forcing him into a deep slumber to recover from his wounds.

Nobuhiko later recovered from his wounds. Upon awakening he assumed leadership over Gorgom. He later went to go fight Kotaro. Shadow Moon attempted to fight his brainwashing and briefly turned back into Nobuhiko, but he was unable to keep fighting due to the Creation King's interference. With nothing to hold him back, Shadow Moon attacked Kotaro and ultimately killed him.

Shadow Moon later engaged in another duel with a revived Kotaro. Kamen Rider Black defeated him by using the Satan Saber to slash his Kingstone. He was last seen in the Gorgom Headquarters as it was exploding.

He returned during his step-brother's fight against the Crisis Empire. Wielding the twin Shadow Sabers created by his Kingstone, he sought revenge against Kotaro. He was finally killed when RX stabbed his Kingstone with the Revolcane.

As he dies, he informs Kotaro of the Crisis Empire's plans to cause a volcano to erupt as he rescues kidnapped children trapped within the area.

Shadow Moon returns again, this time as Nobuhiko Tsukikage, a butler to the Kadoya family and an alternate reality version of Nobuhiko Azikuzi. While Tsukasa was away, he took care of Sayo Kadoya. When Tsukasa returns and reassumes leadership of Dai-Shocker, he usurps him and convinces Sayo to become High Priestess Bishium.

However, Decade later joined up with the other Kamen Riders and they all attacked the forces of Dai-Shocker. Nobuhiko transformed into Shadow Moon and fought Decade and Kuuga, but was defeated and slammed into the wall by Kamen Rider Double. He was then finished off by the Kamen Riders kicking him at the same time in an "All Rider Kick".

Shadow Moon appears as one of the members of the newly revived Dai-Shocker led once again by Tsukasa Kadoya as the Great Leader of Dai-Shocker and formed to hunt down the Super Sentai in response to Dai-Zangyack's targeting of the Kamen Riders. After Dai-Shocker and Dai-Zangyack reveal their alliance and betray their figureheads, Shadow Moon took part in the massive battle between the combined forces of the Kamen Riders and Super Sentai and the Shocker-Zangyack Alliance.

Shadow Moon returns once again as one of the main antagonists of this movie alongside Space Reider, he leading a new incarnation of Shocker called Space Shocker to conquer the universe by wreaking havoc all across it with magic. Secretly, he is working with Reider of the Space Crime Syndicate Madou to revive Demon King Psycho by capturing Psycholon, a robot that houses part of Psycho's soul.

During the battle at the Genmu Castle between the combined Kamen Riders, Super Sentai and Space Sheriffs, Shadow Moon is defeated by the Kyoryugers.

---

When I was done everyone was shocked.

Me: Whoa! So the Japanese Dino Charge Rangers helped defeat him too.

Qin: Cool!

Lola: That is awesome.

Me: But he's also the main bad guy of Black from 1988.

Bowser: And don't worry. We defeated Another Kuuga a few hours ago. And that's the last of the Another Riders that Swartz has.

Tsukasa: That's a relief.

Me: Yeah no kidding. We covered all the riders except for the Pre-Heisei Era riders. Those are 1988 to 1971.

Qin: Yeah.

Daiki: I don't think Swartz would do those.

Whiteout: We're gonna have to consider sending Swartz and the rest of Dai Shocker a threatening message.

Nico: Said message will be us killing Apollo Geist in a Megazord Battle. And not only that. But it'll show the people of Earth that us and the Kamen Riders will be there to protect them from anything Dai Shocker throws the Multiverse's way.

Me: I like it. It's better than my approach.

Tsukasa: Which was?

Me: I was gonna teleport to Swartz in Person and tell him that I will personally make sure that he would pay for his crimes in full. In blood and with a one way ticket to the Black Gates.

Nico: That is what you did with Nerissa.

Me: Yep. But Nico's way works much better.

Ash: Sure, not all the Kamen Rider teams are here for this mission. But what we have is more than enough.

Me: Yeah that is true.

Nico: Yep. Besides we are the most powerful force in the entire universe. There's only one Apollo Geist and there's hundreds of us.

Qin: We easily overwhelm him.

Sailor Venus: That is for sure.

Po: And it is gonna be awesome!

Nico: Here are the Ridewatches of the Day.

Nico got out Ridewatches for Blade, Garren, SPD Red, and their copies.

Whirlin: As you can tell, Nico's kept himself busy.

Me: He sure has.

Luke Loud, Boy Lynn and Lars Loud got the originals. Lucy Xi, Grace Carmine and Elizabeth Herodias got the copies

Nico: Okay lets have some demonstrations with our power with the usual battles.

Qin: You guys are in for some fun.

Lola: Yep.

Tsukasa: Yeah!

Me: And we got two archenemies for you.

Nico: Also, we want to thank you for helping us against Drake Stone.

Me: Yeah we owe you guys big time for that.

Tsukasa: It was our pleasure. That was so awesome.

We went outside and then Lady Shiva, Evil Lyn, Tri Klops, Riddler, Magneto, Aqueduct, Salami Swami, Robo-Blaze, See-More and Magma appeared.

Nico: Lady Shiva, Evil Lyn, Tri Klops, Riddler, Magneto, Aqueduct, Salami Swami, Robo-Blaze, See-More and Magma.

Evil Lyn: Tsukasa, after today, would you and Daiki participate in a Kamen Rider morph alongside the Megaforce Rangers each time after usual battles.

Tsukasa: I'd like that.

Aqueduct: Great. But only after today.

Me: Looking forward to that one.

Tri Klops: You probably have a lot of Kamen Rider morphs planned for the battle.

Nico: Oh you bet we do!

Magneto: (to Nico) We heard you destroyed Evil Sasuke again.

Nico: Oh we sure did.

Riddler: Riddle me this: Was it still fun?

Me: You bet it was.

Bai Tza: And I did the rant this time.

?: That's cool.

A figure came out and it was LORD HIGHNESS DUKE RAKUSHAASA from Gaoranger VS Super Sentai Movie!

---

A hairy Org who happened to be the most powerful, the most evil, and the true leader of the Highness Duke Orgs, but his immense power caused his horn to be damaged and sent him into a coma.

Once awakened, he started to gather the fighting spirit of strong-willed warriors to fully heal his horn, using the fighting spirit the Gaorangers except for GaoRed. He manages to make Duke Org Yabaiba and Duchess Org TsueTsue stronger and upgraded the Orgettes, giving them golden horns. He was able to make himself grow.

It took the combined force of all previous Sentai heroes to destroy him. His hairy tendrils emerged from his remains and he takes back the power he gave to Yabaiba and TsueTsue to revive himself one more time. He is defeated by the Hyakujuuken and then again by the mecha of all of the Red warriors with GaoKing, and finally killed by the Gaoranger Storm. He was the only Highness Duke not to be revived in the series' finale and was the only other Highness Org that doesn't represent senses.

---

Eli: Lord Highness Duke Rakushaasa! I remember you! You were the leader of the Highness Duke Orgs and you were the strongest and most powerful of them all. And you fought the Gaorangers and their predecessor red rangers.

Me: From 2001 to 1975. Wow!

Lord Highness Duke Rakushaasa: Yep.

Lola: Wow that was cool!

Lost Highness Duke Rakushaasa: Too bad I wasn't adapted for America.

William: I know. You would've been an awesome Duke Org.

Me: Yeah what a ripoff! That would have been awesome!

Lola: Yeah!

Nico: Yep.

We got the usual battles underway.

Optimus Prime, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Hot Shot, Jetfire, Vector Prime, Landmine, Scattershot, Red Alert, Aria Blaze, and Juniper Montage VS Evil-Lyn - Bai Tza using the Rant on Evil Sasuke and a massive explosive battle taking place

---

Evil Lyn was first.

Evil Lyn: (to Optimus) It's a good change of pace with Bai Tza using the Rant on Evil Sasuke. And a massive explosive battle took place as a result.

Optimus Prime: Yes it sure is and I think it was a really awesome way to start off our big day mission today.

Twilight Sparkle: It sure was cool. And we really let Evil Sasuke have it. Not just J.D. faced himm all of us took him down.

Starshine Sparkle: That was so awesome.

Spyro: Boy it sure was cool.

Hot Shot: That was really cool and fun.

Jetfire: You got that right mates.

Vector Prime: Yeah that was really most fun.

Landmine: Boy it sure was.

Scattershot: Yeah we had fun watching that one.

Red Alert: It was really cool.

Aria Blaze: Yeah that was so much fun. (Hearts spiral around her head) Especially with J.D. kicking his butt.

Evil Lyn: It sure was cool. Let do it!

Optimus Prime activated his eyecon and ridewatch.

HENRY ORENSTEIN AND EVIl LYN!

Evil Lyn: Henry Orenstein?

Optimus Prime: He was the man that invented the Transformers toy series back in 1984. It all started with him. He was a holocaust survivor.

Evil Lyn: I didn't know it all started with him. Wow.

---

Aqueduct was next.

Aqueduct: (to Raiden) Nico, Troy, and the others did good Battling Another Frankenstrike and Another Mighty Morphin Red. And Troy used a lot of Morphs.

Raiden: He sure did and that was so cool.

Rainbow Dash: Yeah it was really awesome!

Scootaloo: We all had a fun time watching that.

Whirlwind: Yeah we were afraid Troy would use up too much energy and drain himself.

Liu Kang: After seeing that happen on TV we all thought that would happen.

Sonnya Blade: Yeah they really overexerted themselves.

Sub-Zero: That would not have been good.

Jade: It sure wouldn't.

Ty Lee: But at least that didn't happen.

Aqueduct: Thank goodness. Lets do it!

Raiden activated his eyecon and ridewatch.

Zick, Rarity, Sweetie Belle, Water Skylanders, Elena Potato, Buzzerbeak and Krankenstein VS Tri-Klops - Lincoln's Rescue

---

Tri-Klops was next.

Tri Klops: (to Zick) I heard Lincoln's rescue was in Phoenix, Arizona. How was it?

Zick: It was really awesome and we destroyed Shao Khan and gave him the Black Gates.

Rarity: Oh it was amazing darlings and it was worth it to finally rid the world of him.

Sweetie Belle: Yeah that was so awesome.

Gill Grunt: We made sure he was destroyed for good.

Elena Potato: That was so awesome.

Tri Klops: I can tell you guys liked that one. It's about time we got rid of him forever. Lets do it!

Zick activated his eyecon and ridewatch.

Tri-Klops: Very interesting! I didn't know about that.

(JILLIAN BY WITHIN TEMPTATION PLAYS)

Zick: (SINGING DIVINELY AS WATER, ENERGY AND ICE SWIRLS AROUND HIM)

I've been dreaming for so long

To find a meaning

To understand

The secret of life

Why am I here to try again?

Will I always

Will you always see the truth when it stares you in the face?

Will I ever

Will I never free myself by breaking these chains?

I'd give my heart, give my soul

I'd turn it back, it's my fault

Your destiny is forlorn

Have to live 'til it's undone

I'd give my heart, give my soul

I'd turn it back and then at last I'll be on my way

I've been living for so long

Many seasons passed me by

I've seen kingdoms through ages

Rise and fall

I've seen it all

I've seen the horror, I've seen the wonders

Happening just in front of my eyes

Will I ever

Will I never free myself by making it right?

I'd give my heart, give my soul

I'd turn it back, it's my fault

Your destiny is forlorn

Have to live 'til it's undone

I'd give my heart, give my soul

I'd turn it back and then at last I'll be on my way

Jillian, our dream ended long ago

All our stories and all our glory I held so dear

We won't be together

Forever and ever, no more tears

I'll always be here 'til the end

I'd give my heart, give my soul

I'd turn it back, it's my fault

Your destiny is forlorn

Have to live 'til it's undone

I'd give my heart, give my soul

I'd turn it back and then at last I'll be on my way

Tecna, Pinkie Pie, Featherweight, Tech Skylanders, Maggie Peyton, Bloom, Layla, Roxy, Musa, Stella, Flora, Chompy Mage and Cynder VS Riddler - Meeting a Gene-slammer for Earthbound Immortal Ccgojuru

---

Riddler was next.

Riddler: (to Tecna) I heard you guys met a Gene-slammer for Earthbound Immortal Ccgojuru. Riddle me this: What's her name?

Tecna: (British Accent) Her name is Grace Carmine and she is the gene-slammer of the Tree Earthbound Immortal.

Pinkie Pie: She has amazing plant powers and can make all kinds of trees grow with incredible speed.

Featherweight: And her story is amazing too.

---

Grace Carmine: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Grace, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Grace Carmine: That's incredible.

Nico: It sure is. So, Grace, what's the story about how you saved Lincoln from Lori, Lynn, Lola, Lisa, and Luan when they were chasing him armed with bombs?

Grace Carmine: Now, that's a story I'd never forget. One day, I was walking through Royal Woods enjoying the fresh air, but then, I heard the sound of explosions rocking the area and the sound of terrified screaming, and then, I saw who it was who made the scream, it was Lincoln, and then, I saw who it was that caused those explosions: it was Lori, Lynn, Lola, Lisa, and Luan, and they had bombs in their hands and they were trying to kill him. I followed Lincoln and he was heading for the defunct Flip's Food and Fuel, but those five monsters were right behind him, so I formed a whip with rose thorns, and I lashed at Lori, Lynn, Lola, Lisa, and Luan, and it caused them to drop the bombs, but I caught them with a vine basket I made and tied those five up in vines, and since we were right near the closed down Flip's Food and Fuel, we backed a few feet away and then, I threw the bombs and I blew up that biohazard-infested convenience store to smithereens.

We cheered wildly.

Nico: So, that explains why Flip's Food and Fuel was reduced to rubble.

Grace Carmine: Yep, and then, after that, I called Mr. and Mrs. Loud, and as soon as they and the other sisters arrived in Vanzilla, I told them everything about what those five demons were doing in chasing Lincoln with bombs, and it made them all furious. Leni was so mad at Lori, she whacked her in the head with a sandal, Luna was so mad at Luan, she smashed her cymbals in Luan's ears making her go deaf, Lucy was so mad at Lynn, she sent Fangs to shred her sports jerseys, Lana was so mad at Lola, she had Hops and her animals mess up Lola's bed, and Lily was so mad at Lisa, she fired a blast of water at Lisa and drenched her badly. Then, the parents grounded Lori, Lynn, Lola, Lisa, and Luan for six months for their actions and were put in the basement in isolation cubes. Lincoln then came up to me and hugged me tight, and when I felt tears, I hugged him tight and I rocked him back and forth to calm him down.

We were horrified at the actions of Lori, Lynn, Lola, Lisa, and Luan.

Me: I can't believe this, as if pummeling him and stabbing him in the stomach wasn't bad enough, now they resorted to using explosives, that's low.

Nico: Yeah. Wait, how did they even get the bombs in the first place?

Nicholette Torrington: That was left to us, and when Grace told all of us Guardian Angels of what Lori, Lynn, Lola, Lisa, and Luan did this time, we were furious at them. So, we did some digging around in Royal Woods, and we found out that Lori, Lynn, Lola, Lisa, and Luan got the bombs from Chandler, and when we found out about it, we wanted to wring Chandler's neck for this, along with Lori, Lynn, Lola, Lisa, and Luan for allying with that sewage bastard!

Grace Carmine: But, I struck first and attacked with a poison ivy whip that I made and it gave him a bad case of poison ivy, then I put some skunks in his lockers, and when he opened it, he was sprayed and he smelled really bad for a month, and I also told the cops, who took Chandler and put him in a tank and he was taken straight to jail for what he did.

We laughed hysterically at her pranks.

Nico: Oh man, now that was too hilarious.

Lincoln: That taught Chandler a lesson, and then, the other Guardian Angels went after Lori, Lynn, Lola, Lisa, and Luan and they told them off big time, especially with making an alliance with one of their biggest targets.

Me: Ouch, I can guess their ears were bleeding big time.

Lincoln: Yep.

FLASHBACK ENDS

Riddler: Goodness! That is terrible! Riddle me this: How in Chandler get ahold of bombs?

Sprocket: Some things are best left unsaid.

Maggie Peyton: Yeah but that was crazy.

Bloom: No kidding there. That was good they blew Flip's Food and Fuel to Smithereens.

Flora: It sure was.

Stella: That biohazardous dump had it coming.

Layla: Yeah no kidding there.

Musa: Thank goodness.

Roxy: Good riddance to bad rubbish.

Riddler: I'll say. Lets do it!

Tecna activated her eyecon and ridewatch.

BILL FINGER AND RIDDLER!

Riddler: Bill Finger?

Tecna: He made the first ever Batman comics back in the 1930s.

Riddler: Very interesting.

Magneto: Wow those dresses are just beautiful. And Nico and May look like a true king and queen in that one.

Pipsqueak: They sure do and Woz gave one of his amazing Rejoice speeches for them.

Sunburn: It was really awesome. Now Woz calls May, Lady May.

Magneto: That is really fitting since he calls Nico, Lord Nico.

John Stewart: I agree there.

You've been giving me to many things

Lately you're all I need

You smiled at me and said

Don't get me wrong I love you

But does that mean I have to meet you're father?

When we're older you'll understand

What I meant when I said, "No

I don't think life is quite simple"

When you walk away

You don't hear me say please

Oh baby, dont go

Simple and clean is the way that your making me feel tonight

It hard to let go

The daily things that keep us busy

Are confusing me

Thats when you said

I wish I could prove I love you

But does that mean I have to walk on water?

When we're older you'll understand

It's enough when I say so

And maybe some things are that simple

Hold me

Whatever lies beyond this morning

Is a little later on

Regardless of warnings, the future doesn't scare me at all

Nothings like before

---

Lady Shiva was next.

Shiva: (to Kim) The Decade team is amazing. And they have Kamen Rider powers from 2001 to 2012

Kim Possible: They sure do and it's not just from those years. They have the powers of Kamen Riders of the Heisei Era from 2000 to 2020.

Princess Luna: That is really amazing to see.

Moondust: And I have a feeling we're going to see lots of those powers coming up.

Snowdrop: It sure will be awesome to see.

Gari: Yeah no kidding. I'm really excited to see it.

Blackout: We all are excited.

Brittney: Me too. It's awesome. And after this we'll have a 5th rider team with us.

Lucy: We sure will.

Shiva: Yep. Lets do it!

Kim activated her eyecon and ridewatch.

C. C. YOUNG AND LADY SHIVA!

Lady Shiva: C. C. Young?

Kim Possible: He was the Chinese Professor that discovered the first Mamenchisaurus fossil back in 1954.

Lady Shiva: Very interesting and cool.

(SHATTERED DREAMS BY JOHNNY HATES JAZZ PLAYS)

Kim Possible: (Singing Divinely as darkness swirls around her)

So much for your promises

They died the day you let me go

Caught up in a web of lies

But it was just too late to know

I thought it was you

Who would stand by my side

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You said you'd die for me

Woke up to reality

And found the future not so bright

I dreamt the impossible

That maybe things could work out right

I thought it was you

Who would do me no wrong

But now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

From this empty heart

I thought it was you

Who said they'd die for love

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

Oh, no, no, no

You said you'd die for me

Oh, for

Die for me

So much for your promises

So much for your promises

She danced amazingly and they fired waves of darkness and smashed her down.

Magma was next.

Magma: (to Koji Tsukasa and his team are so amazing. They're like a Kamen rider version of the Megaforce Rangers.

Koji: They sure are and it's really awesome.

Daiki VS Dog Pirates of Blood Bath Bay.

---

Daiki was looking for his archenemy. And then NUMEROUS PIRATE DOGS APPEARED! It was the PIRATES OF BLOOD BATH BAY!

Daiki: The Pirates of Blood Bath Bay!? WHOA!

He went at them and punched and kicked and smashed them all over the place.

---

## Tsukasa VS Breacher

---

Tsukasa was looking for his archenemy.

Then a figure came out and it was Quell Mordeth A.K.A. BREACHER!

Tsukasa: Quell Mordeth A.K.A. Breacher!

Breacher: That's right Tsukasa. Honor to meet you.

Tsukasa: Same to you.

He fired waves of energy and smashed him down.

---

## Wild Force Rangers, Megaforce Rangers, Nico, May, Eli, Nunnally, C.C., Laney, Lola, Lana, Lisa and Lily VS Lost Highness Duke Rakushaasa

---

Lost Highness Duke Rakushaasa was next.

Nico: This will be fun.

Nico teleported and opened his safe and in it was a bunch of weapons called the Destroyers of Apollo Geist, they're a collection of broadswords with the Decade Kamen Riders symbol etched on the 7'0 massive, wide, double-edged blades, large angel wings for the crossguards, large gems embedded in the rainguards, longer black handles, and large gems surrounded by angel wings for the pommels. Once in hand, they'll get a massive power and energy increase, and there's also blasters included with the swords as well.

Nico teleported back with them.

Wild Force Rangers: WILD ACCESS!

They transformed and were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! WILD FORCE!

The Megaforce Rangers turned into The Wild Force Rangers too!

Nico: YEAH! Lets get him!

Cole: JUNGLE SWORD!

Troy: JUNGLE BLASTER!

Nico: LION BLASTER CANNON MODE!

They were ready!

Nico: FIRE!

Cole: SAVAGE SLASH!

He slashed Rakushaasa force and they fired waves of energy and elements and the blasts all hit him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

nico: YEAH! Lost Highness Duke Rakushaasa you have failed this city!

Troy Burrows: Rangers that's a Super Mega Win!

---

We regrouped and cheered wildly.

Tsukasa: That was so awesome!

Laney: Yeah it was!

RD Lucy: Now, it's time to inflict pain on Apollo Geist.

Nico: Yep and he better start making peace with his maker.

Abomination: There shouldn't be anymore cameo appearences for the rest of the big missions. Meaning there's no one stopping us from getting to Apollo Geist now.

Nico: You got that right.

Eli: He's over at that temple where he was fought the first time.

Nico: Then lets head there. Get ready Apollo Geist. (EYES GLOW RED) YOUR DAYS IN THE LIGHT ARE ABOUT TO BE COMPLETELY ECLIPSED!

We were off.

We arrived at the temple ruins and Zexion came.

Maria: Thanks for coming, Zexion.

Zexion: Anytime guys. It's gonna be awesome helping in this one.

Qin: It sure is and we're looking forward to this one.

Nico: Yep we are.

We hid and then saw APOLLO GEIST!

Zexion went up to him.

Zexion: You must be Apollo Geist. I see you've also recruited Shvarian.

Apollo Geist: That I have.

Zexion: You, Swartz, and the rest of the new Dai Shocker were an unpexted surprise. But nothing we can't workaround.

Apollo Geist: Really? Because I promise you that the new Dai Shocker will bring the Multiverse to its' knees. Even more then your former Organization XIII did.

Zexion: We'll see about that. Right guys?

Then the spirits of all the Kamen Riders from 1971 to 2022 appeared and swirled around him and converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and it formed into a sun and then planets with each of the Kamen Rider Symbols from 1971 to 2022 appeared and orbited around it and then out came us from each of the planets!

Me: Hello Apollo Geist.

Nico: Now that is how you make an entrance.

Apollo Geist: Who are you all!?

Me: We're your worst nightmare!

Tsukasa: How does it feel to be downgraded from your previous Dai Shocker leader position.

Apollo Geist: A small price to pay for us destroying you all! Before, there were only 10 years of Heisei Rider villains. Now, there are 20 of them and counting!

Me: And we're going to be ready for them. We already destroyed 4 of them so far. Now you will be number 5!

Laney: That's right! You will pay for your crimes!

Apollo Geist: Moogers! Serve your master!

An army of Moogers appeared.

Me: Moogers! So it's the Samurai Rangers turn to shine this mission.

Jayden: I like it!

I fired waves of elements and blasted the Moogers all over and destroyed them in fiery explosions.

Nico: Take that!

We punched and kicked and smashed them all over the place!

But then the Moogers jumped the Decade team.

The Decade team la defeated at the hands of the Moogers.

Apollo Geist: (laughs) Well, it looks like we don't have to spend too much trouble killing you fools after all. And after you all are dead, the rest of the Riders are next!

Me: Don't count on it you motherfucking chump!

I teleported and punched Apollo Geist in the face and kicked him down!

Rango: (shoots at a Mooger) Crap! What do we do now?!

Roxy then got an idea.

Roxy: Everyone in the audience! Lend the Decade team your strength! They get stronger with your support! When I give the signal, share your energy with the Decade Team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Decade team. And soon, Tsukasa found the strength to get up.

Tsukasa: (smirks) Sorry, Apollo Geist. But I've never given up in the past. And that won't change now!

Tsukasa then grabbed a Mooger and punched it, knocking it to the ground.

Apollo Geist: WHAT!?

Tsukasa: Thanks for the help, everyone.

Daiki: I knew there would be fans for me out there. Now if only there was free treasure…

Natsumi: I don't think this is the time, Daiki.

Roxy: Gotta admire his enthusiasm, though.

Eli: Ready to do this, bro?

Me: I'm always ready for anything.

Nico: Yeah!

Roxy: Can I transform with you guys?

Jayden: Sure thing, Roxy.

Samurai Rangers: Go go Samurai!

Antonio: Samurai Morpher! Gold Power!

Tsukasa brings out his magenta belt and slaps it on his waist.

Tsukasa: Henshin!

With that, Tsukasa inserts his card into a slot on the driver and then pushes the sides in, twisting the device 90 degrees, obscuring the card slot.

Neo Decadriver: Kamen Ride! Decade!

As the pronouncement is made, Tsukasa's familiar pink and black suit is formed by nine blurry images of it consolidating onto him before the barcode pattern forms across the helmet's green eyes, generating the magenta hue the suit is known for.

Daiki: Time to follow suit.

With that, Daiki pulls out a card bearing an image of his Rider suit's head and his gun. Daiki slides the card into a gap in the side before extending the barrel out forward, revealing the back of the card)

Neo Diendriver: Kamen Ride!

Daiki: Henshin! (Pulls the trigger)

Diendriver: Diend!

As the trigger is pulled, Daiki is surrounded by red, green, and blue copies of his armor, over which stands a blue barcode like symbol.

Eventually, the armor copies consolidate onto him, at which point the barcode applies itself to Daiki's head, giving the blue color to the rest of the armor.

Me: YEAH!

Jayden: "Red Samurai Ranger, ready!"

Lauren: "Female Red Samurai Ranger, ready!"

Kevin: "Blue Samurai Ranger, ready!"

Mia Watanabe: "Pink Samurai Ranger, ready!"

Mike: "Green Samurai Ranger, ready!"

Nico: YEAH!

Silver Samurai: Lets do it everyone!

Deker: This is gonna be good.

Roxy: That's it, I've had it up to hear with you to last an eternity.

Suddenly, Roxy's dark violet eyes turned neon dark violet, and she was surrounded by a green energy aura with plants, leaves, animals, fairies, and phoenixes, she then unholstered her massive Destroyer of The Trix sword from her back, and as she approached Apollo Geist, she left green energy, plants, leaves, animals, fairies, and phoenixes with every step.

Roxy: You really make me sick, Apollo Geist, you're nothing more than a coward who proclaims himself to be the biggest nuisance in the world, you have no sense of honor, and you'll use any underhanded means given in battle. You're nothing but a dishonorable monster, and for that, you will die here and now!

Suddenly, Roxy was surrounded by a massive vortex of green energy with plants, leaves, and animals surrounding the vortex, there's a fairy and a phoenix flying around the vortex, and in the vortex is a pinkish-purple phoenix. Then, as the vortex faded, Roxy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Roxy grew from 6'0" to 6'5" in height, she has the body of a goddess, she has purple highlights in the bangs of her long pinkish-purple hair, she has neon dark violet eyes and a green energy aura with plants, leaves, animals, fairies, and phoenixes surrounding her, she has a phoenix with the Nature Kanji in its claws emblazoned on her forehead, she has on fairy earrings with dark violet gems for eyes and the Nature Kanji in its hands and her Crystal Necklace of The Buddha with pinkish-purple gems on the gold leaf-shaped links and pinkish-purple crystal links and pinkish-purple fairy-shaped Element of Harmony and below it is a phoenix holding the Nature Kanji in its claws for the pendant, she has on a long-sleeved pinkish-purple blouse, long-sleeved pinkish-purple shirt with green phoenix on it, green skirt with sunlight on them, green pants, green high heels, and a long sleeveless pinkish-purple trenchcoat with plants, leaves, animals, fairies, and phoenixes on the coattails and on the back is a fairy with animals surrounding it. Roxy has on ink weighted bands with silver phoenixes on her biceps and thighs. Suddenly, Roxy felt a sharp pain on her back, and then, massive pinkish-purple angel wings with green tips, grew and sprouted out above her fairy wings. Roxy has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Roxy's massive Destroyer of The Trix sword began merging with all of the swords she'd gotten in the treasure battles, and they were surrounded in a kaleidoscope of green energy, magic, phoenixes, fairies, plants, and leaves, and when it emerged, it was transformed into Earth's Guardian Fairy Broadsword of Animal Kingdom Love, it's a brand-new large broadsword with the symbol of Earth and the anti-Trix symbol etched on the 7'0" massive, wide, double-edged pinkish purple blade, large green fairy wings for the crossguard, large pink gem embedded in the rainguard, longer purple handle, and large pink gem with surrounding angel wings for the pommel, she has on her new

Bracelets of the Champions of The Universe with large green gems on her wrists, Belt of Elemental Bravery with gold phoenix head with pinkish-purple gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pinkish-purple kanji below the phoenix and fairies that said, "Roxy, Guardian Fairy of Earth, Member of The Winx Club, Destroyer of The Trix and Valtor, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Alfea College and the Magix Dimension, Loving Sister of the Decade Kamen Riders, Friend to Many, and Master of Nature, Fairies, and Angels"

ロキシー、大地の守護妖精、ウィンクスクラブのメンバー、トリックスとヴァルターの破壊者、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、アルフェア大学と魔法の次元の守護者、10年の仮面ライダーの愛する姉妹、多くの友、そして自然、妖精、天使のマスター

Roxy has transformed into SUPER ANGEL INFINITY WINX FAIRY NATURE FAIRY ANGEL OF MAGICAL NATURE JUSTICE AND DIVINE WINX LOVE!

We were amazed by Roxy's Super Angel Infinity transformation, but when Apollo Geist saw it, he fired a blast of energy and it was heading for the other Winx fairies, but Roxy got in the way and blocked it with her Golden Shield of Elemental Harmony, and then, she fired a powerful green energy blast with plants, animals, fairies, and phoenixes and it hit him. Then, she made a wall of vines to prevent him from escaping.

Tsukasa: Wow, Roxy's transformed.

Lincoln: Yeah, and that's just her phase 1 transformation, Tsukasa.

Daiki: Phase 1?

Nico: Yep, you see, the Phase 1 transformations are for the main enemies we face off against in the big ambassador missions, but the

Phase 2 transformations, now those are saved to close out the ambassador missions, and that's when we have an uninvited guest coming, usually it's someone we've never faced before.

Me: Or it's someone we've faced and destroyed long ago and have come back from the dead to get revenge on us for killing them.

Lincoln: That's right.

Apollo Geist: Who do you all think you are?!

Tsukasa: We're just passing through Kamen Riders. Remember that!

Samurai Rangers: Bullzooka Blaster!

Antonio: Barracuda Blades!

Tsukasa draws a card from his card holder and places it into the former center of the Neo Decadriver, before slapping it to activate the card's effect.

Neo Decadriver: Final Attack Ride! D-D-D-Decade!

Tsukasa leaps into the air, ten energy cards forming in front of him as he ascends. Then, Tsukasa descends to deliver a powerful flying kick.

The kicks all hit first and then the blasts from the techniques, combos and final smashes and our powerful energy blasts all hit Apollo Geist and exploded with incredible and unbelievable power!

**EXTREMELY MASSIVE AND POWERFUL EXPLOSION OF UNFATHOMABLE POWER!**

The explosion shook the entire area and land! When the smoke cleared Apollo Geist was down but not out!

Just as he laid down defeated, Shadow Moon and Shvarian appeared!

Nico: Not this time! NUOVA STAR!

The 4 Star Dragonball on his bracelet lit up and he formed a ball of fire and fired it and it slammed into them both and destroyed them in a massive explosion of fire!

Me: It's over for you Apollo!

Apollo Geist: You may have destroyed Shadow Moon and Shvarian. But you won't destroy me!

Apollo Geist then grew giant.

Nico: WHOA! Time for Megazord power!

Tsukasa: Unfortunately, I don't have a Megazord like you guys.

Me: Then you will love this one!

I pulled out a new card and scanned it on his belt.

KAMEN RIDER DECADE SUPER OMEGA MECHAKING!

He flowed into the air and then in a flash of energy came his brand new SUPER OMEGA MEGAZORD! It was a mixture of all the powers and weapons and amazing abilities of all the Kamen Riders from 1971 to 2021! It was called THE DECADE LEGACY ULTRA MECHAKING!

Tsukasa: OH WOW! This is awesome!

I teleported inside.

Me: This is the Decade Legacy Ultra Mechaking. Me and Lisa made it for you.

Tsukasa: Wow this is awesome! I have have a feeling this is gonna pack some punch.

Me: Just wait till you see it in action.

Tsukasa: Yeah! Lets do it!

Jayden: Samurai Rangers, victory is ours!

Nico: Yeah!

We cheered wildly!

?: (Demonic Voice) I shall destroy every last living thing in this pathetic world!

Cassandra Alexandra: I knew there's no mistaking that demonic voice from anywhere. You can come out now, Abyss.

A skeletal figure carrying a scythe came out of the shadows, and it was none other than Abyss.

Cassandra Alexandra: Abyss, I should've known you'd show up, your desire to bring destruction to all in your path will never cease.

Abyss (Soul Calibur): You will all die!

Roxy: Sorry, you Grim Reaper knock-off, but the only one who's going to die here is you.

Suddenly, Roxy's dark violet eyes turned neon dark violet, and she was surrounded by a pinkish-purple and green energy aura with animals, plants, fairies, leaves, and phoenixes, she unholstered her massive Earth's Guardian Fairy Broadsword of Nature Love from her back, and as she approached Abyss (Soul Calibur), she left pinkish-purple and green energy, animals, plants, fairies, leaves, and phoenixes.

Roxy: Abyss, I will never forgive you for the pain and suffering that you've caused to so many innocent people and all for your desire to bring destruction to all in your path, and now, I will see to it that you pay the ultimate price for your crimes in full.

Suddenly, Roxy was surrounded by a massive vortex of pinkish-purple and green energy with plants, leaves, and animals surrounding the vortex, there's a fairy and a phoenix flying around the vortex, and in the vortex is a pinkish-purple phoenix. Then, as the vortex faded, Roxy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Roxy grew from 6'5" to 6'11" in height, she has the body of a goddess, she has purple highlights in the bangs of her long pinkish-purple hair, she has neon dark violet eyes and a pinkish-purple and green energy aura with plants, leaves, animals, fairies, and phoenixes surrounding her, she has a phoenix with the Nature Kanji in its claws emblazoned on her forehead, she has on fairy earrings with dark violet gems for eyes and the Nature and Eternity Kanjis in its hands and her Crystal Necklace of The Buddha with pinkish-purple gems on the gold leaf-shaped links and pinkish-purple crystal links and pinkish-purple fairy-shaped Element of Harmony and below it is a phoenix holding the Nature and Eternity Kanjis in its claws for the pendant, she has on a long-sleeved pinkish-purple blouse, long-sleeved pinkish-purple shirt with green phoenix on it, green skirt with sunlight on them, green pants, green high heels, and a long sleeveless pinkish-purple trenchcoat with plants, leaves, animals, fairies, and phoenixes on the coattails and on the back is a fairy with animals surrounding it. Roxy has on ink weighted bands with silver phoenixes on her biceps and thighs. Suddenly, Roxy felt a sharp pain on her back, and then, massive pinkish-purple angel wings with green tips, grew and sprouted out above her fairy wings. Roxy has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Roxy's massive Destroyer of The Trix sword began merging with all of the swords she'd gotten in the treasure battles, and they were surrounded in a kaleidoscope of green energy, magic, phoenixes, fairies, plants, and leaves, and when it emerged, it was transformed into Earth's Guardian Fairy Broadsword of Animal Kingdom Love, it's a brand-new large broadsword with the symbol of Earth and the anti-Trix symbol etched on the 7'0" massive, wide, double-edged pinkish purple blade, large green fairy wings for the crossguard, large pink gem embedded in the rainguard, longer purple handle, and large pink gem with surrounding angel wings for the pommel, she has on her new Bracelets of the Champions of The Universe with large green gems on her wrists, Belt of Elemental Bravery with gold phoenix head with pinkish-purple gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pinkish-purple kanji below the phoenix and fairies that said, "Roxy, Guardian Fairy of Earth, Member of The Winx Club, Destroyer of The Trix and Valtor, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Alfea College and the Magix Dimension, Loving Sister of the Decade Kamen Riders, Friend to Many, and Master of Nature, Fairies, and Angels"

ロキシー、大地の守護妖精、ウィンクスクラブのメンバー、トリックスとヴァルターの破壊者、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、アルフェア大学と魔法の次元の守護者、10 年の仮面ライダーの愛する姉妹、多くの友、そして自然、妖精、天使のマスター

Roxy has transformed into SUPER ANGEL ETERNITY INFINITY WINX FAIRY NATURE FAIRY ANGEL OF MAGICAL NATURE JUSTICE AND DIVINE WINX LOVE!

We were amazed by Roxy's Super Angel Infinity transformation, but when Abyss saw it, the demonic reaper fell into a rage and tried to attack her with his scythe, but Roxy dodged the scythe, and she fired a powerful pinkish-purple and green energy blast with fairies, leaves, plants, animals, and magic at Abyss, and it exploded with incredible power as it hits him.

Tsukasa: Whoa, so that's Roxy's Phase 2 transformation?!

Nico: That's right.

Lincoln: And Roxy's going to close out her special mission with you guys by destroying Abyss and sending him to The Black Gates

forever.

Roxy: (Divine Echoing Cosmic Voice of The Earth Nature Fairy and Divine Nature Love) **That's right, Lincoln. Alright, you Grim Reaper knock off, it's time for me to send your bony butt back to the darkest pits of the Underworld from whence you came!**

Roxy went after Abyss, who tried to blast her with energy orbs, but she dodged them all, and she fired powerful blasts of pinkish-purple and green energy, plants, leaves, animals, and magic at him, and they exploded with incredible power as they hit him. Then, Roxy attacked him with her massive broadsword disarming him of his scythe and leaving scars on him, and she made a binding circle below his feet and she sucked out and absorbed all of his powers and we all made them our own. Then, Roxy fired a very powerful energy beam, which hits Abyss, and it exploded with incredible power, killing him for good.

Then, as Abyss' spirit appeared, Roxy marked his cranium with a kanji, and he was confronted by The Black Gates and all of the souls he'd killed in his rampage, and they found him guilty of all his crimes against humanity, and he faded away from existence forever. We cheered wildly for what Roxy did to Abyss as she holstered her massive broadsword on her back and powered down, and Roxy's new body, clothes, weapons, jewelry, and massive pinkish-purple angel wings over her fairy wings are permanent.

Nico: Nice work, Roxy, you taught that Grim Reaper knock-off a very painful lesson.

Roxy: Thanks, Nico.

Just then, she was hugged by the Decade Kamen Riders, and she hugged them back.

Roxy: Lincoln, is this what happens when you wind up getting hugged by all of your sisters?

Lincoln: Yep, that's right, Roxy.

Luna: There's nothing quite a sibling group hug, dude, that's proof of how much your sibs love you.

Lori: That's right, Roxy.

Nico: Alright, that's day 1 down.

Me: And thirteen more to go. But, not tomorrow, tomorrow's the one-year anniversary of the Fall of Xehanort.

Tsukasa: Xehanort, isn't he that malevolent Keyblader that tried to destroy the entire universe and remake it in his image?

Nico: The very one, Tsukasa.

Lincoln: Yeah, we went into battle against him and the evil versions of Organization XIII, Ansem, The Seeker of Darkness, and Xemnas, and we brought an end to all of them in The Keyblade Graveyard.

Nico: But, when the Fairy Godmother from Shrek came back, she also brought back Xemnas, but we defeated him and I put a power-stripping curse on him and sent him to The Masters of Evil's prison.

Lincoln: We'll find him an archenemy soon, Nico. (Smirks) That's once he's cooled off and won't try to seek revenge.

Me: Yeah, but that's going to be for a long, long while, big guy.

Eli: You said it.

Lucy Xi: I'm really going to like it here with you guys.

Grace Carmine: Same here.

Lincoln: Trust me, Grace, you won't be disappointed.

Nico: Same with you, Lucy.

Lincoln: And it's really amazing that Lucy Xi's an immortal who's lived for over 5,000 years and has not only mastered the forces of light and dark chi, but also mastered the eight elemental powers of The Demon Sorcerers, Nico.

Nico: And Grace Carmine was also the one who not only took down

Lori, Lynn, Lola, Lisa, and Luan, but also blew up that biohazard, Flip's Food and Fuel. But, was this before or after you guys sent Flip to the slammer?

Lincoln: This was after, and when Flip heard the news and saw it on TV, he went crazy with rage and he hates Grace Carmine for destroying that store, but Flip had it coming, he, his cheapskate brother, Flop, and his cousin. And this one time, she covered Flip in poison ivy and he was itching like crazy for a month.

Nico: Oh, that's brutal.

Woz: Rejoice! Another Kamen Rider Villain has fallen, and Team Loud Phoenix Storm have claimed three new allies, Kamen Riders Decade and Diend and Kiva-La! May their alliance last until the dawn of the sun's last day!

Me: Amen to that!

Robo Blaze: It's gonna be awesome having you with us, Tsukasa.

See More: And we actually mean it.

Salami Swami: The Kuuga weapons Nico and the others got really came in handy.

Me: They sure did.

Tsukasa: So awesome!

Grace Carmine: I'm really going to love it here with you guys.

Lucy Xi: Same with me.

Shiva: You girls won't regret it.

Magma: (to King Solar) Your majesty, it was an honor to have you fighting with us.

King Solar: It was a great pleasure too.

Me: Yes it was.

Nico: But this was one that was awesome and unforgettable!

Eli: Awesome way to kick off the 13 Days of Kamen Riders with a bang.

Me:: Yep and we meet the W Team in 2 days. Tomorrow is the 1st Anniversary of the Fall of Xehanort.

Nico: But this was so awesome!

Tsukasa: It's gonna be awesome being with you guys.

Me: Yep you are number 5 of the Kamen Riders.

Nico: Yep.

Tsukasa: Awesome. (To the viewers) Hope you guys liked this awesome adventure. This was awesome battling with the team.

Me: It sure was. And this was an awesome way to kick off the 13 Days of Kamen Riders.

Nico: Yep. Great job today everyone. 1 down and 12 to go. Lets go home.

We went back home to the estate and we enjoyed the rest of the day and went to sleep.

# 1st Anniversary of Xehanort's Fall

Walking through the ruined world of Urth in the world of Primal Rage was Nico, The Ripping Friends, Style Queen, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Nalanie Nanthavong The Vorash Gene-Slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Kaalia of The Vast, Maria, Varie, me, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Kaina Tsutsumi, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Lincoln, Laney, Lana, Lola, Lisa and Lily and were there for another awesome and amazing rescue. We were walking along the coast and heading into the tombs.

Sunset Shimmer: Wow! So this is the world of Primal Rage. Scary and amazing.

Nico: Yeah we were here years ago. It's amazing at what happened here.

Eli: Wow. What happened?

Me: A massive meteor slammed into Earth and destroyed all of civilization and reverted humanity back to the Stone Age. Also it reshaped the continents into a Tyrannosaurus Skull breathing fire.

Qin: Yeah that was freaky.

Twilight Sparkle: This is horrible.

Fluttershy: Goodness.

Camie: I think it's awful though.

Me: Yeah it was terrible.

Style Queen: But it is crazy all that happened here though.

Nico: It was.

Camie: Can you tell us what happened?

Me: I sure can.

I went over what happened during the events of chapter 954.

---

In the kitchen we were showing Ganta Igarashi and Shiro around. It was so good for them to finally be free of Deadman Wonderland. They were so happy and now Shiro and Ganta are now boyfriend and girlfriend. We were so happy for them.

Maria: How's it feel to be a free man, Ganta?

Ganta: It feels great!

Shiro: It's much better than being trapped in a prison where they pump poison into you.

Shiro was given new clothes instead of a white and red body suit. She had a red tank top that didn't cover her navel and she had a beautiful white skirt with red flames on it and she had awesome white sandals and she had a red sleeveless trench coat with white fire on it and it had the kanji for Shiro - The Crimson Red Fire Whip of Virtue on the back. シロ-紅の紅炎美徳の鞭

Shiro: And these clothes you made are amazing!

Ganta: I agree Shiro.

Ganta had a red fire shirt on and it had orange and yellow flames and he had black pants and black combat boots and he had a black sleeveless trench coat with a red Blood Moon from Magic the

Gathering and he had the kanji for Ganta Igurashi - the Crimson Moon of Speeding Justice on the back. 五十嵐太-スピード違反の正義の深紅の月 He also had a powerful 50 caliber pistol and a ring on his right middle finger that was had a blood red ruby on it and it was surrounded by a ring of red diamonds and the kanji on the outside of the diamonds said A True Survivor of Deadman Wonderland. デッドマンワンダーランドの真の生存者

Ganta: And these rings fit the whole thing together.

Shiro: They sure do.

Ganta: But still J.D. we can't thank you all enough for everything you've done for us.

Me: It was our pleasure Ganta. What that stupid system did to you I wouldn't even wish on my worst enemies.

Nico: Me neither. It's pure evil.

Benson: Boy that prison must've been really awful for you all.

Shiro: It was Benson.

Me: But either way I'm glad we destroyed that whole prison and made all those monsters sleep with the fishes.

Nico: You got that right.

Muscle Man: Yeah. What that prison was doing is worse than anything.

Qin: It sure was. It's beyond ultimate evil. But I also heard you all have been to a place called Marzipan City.

Me: Yep. That's Chowder's world. We'll show you.

Scream: It's a really awesome place.

We grabbed the pop up book for Chowder and opened it and we went into the world of Chowder!

Scream: Welcome to Marzipan City, Qin.

Qin: Wow! It's amazing!

Me: Yep. It's one of our favorite places. We sometimes usually come here for food assignments.

Qin: Wow!

Me: Yep. You are going to love meeting Mung Daal and Chowder. They are really funny and awesome.

We arrived at Mung Daal's Catering and we went into the kitchen.

Jungle Fury R.J.: This kitchen reminds me of Jungle Karma Pizza.

Me: It sure does.

We saw Mung Daal cooking and Chowder and Panini were watching and learning.

They saw us.

Mung Daal: Ah J.D. Knudson and Team Loud Phoenix Storm. Welcome back.

Me: Good to be back Mung.

Chowder: Are you guys on another food assignment?

Octopunch: Nope! This time, we're hanging out here for fun.

Me: Yep. We're showing Nico's friend Qin here what it's like here.

Mung Daal: I see.

Chowder: It's a pleasure to meet you Qin. I'm Chowder.

Qin: Pleasure Chowder.

Me: Chowder is Mung's apprentice and he is a chef in training.

Panini: And he's the most awesome boyfriend ever. Aren't you num nums?

Chowder: I sure am. I was in denial for a long time before I realized it.

Me: Just like Lori has been in denial all her life whenever she farts.

We laughed and Lori was in denial.

Lori: I do not fart! It was my shoe!

We weren't buying it.

Shiro: Is it always like that with Lori?

Me: You have no idea.

Kairi: I don't know how to cook like you Sora. Can you show me?

Aqua: And me?

Sora: Sure. Mung Daal can show you too.

Kairi: Awesome!

Seaspray: Don't worry, Kairi. If Sora can cook, so can you and Aqua.

Kairi: Yeah!

We got to work and Lori dropped a pill container from her pocket.

Me: Huh? What's this?

I picked up the pill bottle and read it.

Me: "Fart-B-Gone anti-flatulence medication. Doesn't stop you from farting, but keeps the gas from getting out. Not recommended for people with an overwhelming case accompanied with unhealthy denial." What is this for Lori?

Lori: That's mine. I must've dropped that.

Me: Lori!? Do you have a nasty flatulence problem?

Lori: YES! YES! YES! I DO! I let loose a stink so bad, that even a skunk would avoid it!

Me: So we've noticed over the years.

We got to training Kairi and Aqua in cooking and they were learning fast and getting as good as Sora.

They got just as good as Sora in 3 hours and made all kinds of great food. Qin decided to learn too. She became just as good as well.

We later went back home.

---

Back at the estate in the living room me and Lincoln were playing one of my favorite childhood video games: Primal Rage! It was an awesome game where gods battle for supremacy on a post-apocalyptic world called New Urth and it was a strange place.

---

A massive meteor strike has devastated Earth. Human civilization comes to an end in the ensuing cataclysms and humanity regresses into tribes of Stone Age dwellers. A primordial rainforest covers the land and the continental landmass has shifted into the shape of a fire-breathing dinosaur skull. The planet is now primitively referred to as "Urth" by the survivors of the cataclysms.

Seven fearsome creatures emerge from their slumber deep within the Urth's crust, and become worshiped as gods by the humans, who form segregated clans beneath the ones they follow. The beasts themselves are divided between those who wish to keep peace on Urth, and those who attempt to plunge the world into further chaos for their own benefit. They consist of Blizzard the apelike god of good and virtue, Armadon the ceratopsian/thyreophoran-like god of life, Talon, the raptor-like god of survival, Sauron the tyrannosaur-like god of hunger, Chaos the apelike god of decay, Vertigo the cobra/prosauropod-like goddess of insanity and Diablo the tyrannosaur-like god of evil and destruction. These creatures have otherworldly or supernatural abilities. Blizzard, Armadon, Talon and Sauron represented the side of good while Chaos, Diablo and Vertigo were aligned with evil.

---

I was placing as the wise blue gorilla god Blizzard and Lincoln was playing as Sauron, the God of Hunger.

I beat Lincoln.

Me: YES!

Lincoln: Wow! You are good at this J.D.

Me: Thanks Lincoln. But this game is fun.

Lincoln: You said it. But I can't believe that all this happened to Earth in this game. It's terrible.

Me: I know.

Lincoln: But who is evil and who is not?

Me: Vertigo, Diablo and Chaos are the evil gods and the rest are good. Blizzard, Armadon, Talon and Sauron are good gods.

Lincoln: Wow.

Me: But we should see if we can destroy the evil gods and making them pay.

Nico: Good idea J.D.

Me: Lets see here.

I went to the computer and to my surprise the planet Urth was real and it showed that it was located 77,263 light-years from our planet Earth.

Me: Looks like it's real. Lisa, deploy the U.S.S. Valorous Phoenix!

Lisa: Right!

We got onto the U.S.S. Valorous Phoenix and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Me: Captain's Log, Stardate 2788.3: Team Loud Phoenix Storm is on its way to a post-apocalyptic planet Earth located 77,263 light-years from our Earth that was forever changed because of a nasty apocalyptic event that forever changed all of humanity and the world and they are being ruled by gods both good and evil. Our mission is to destroy the evil gods and help the good gods protect all of the survivors of the apocalyptic event.

Qin: So what are we gonna see when we get there?

Me: We'll find out when we get there.

Lincoln: That's right. But this is gonna be a very interesting adventure.

Nico: It sure is.

Lisa Loud: We have appeared to have arrived at our destination.

Me: On screen.

The screen turned on and we saw another planet Earth, but this version was completely different and almost completely unrecognizable. What we saw was amazing. The 7 continents were no longer there and they had been rearranged and they looked like a tyrannosaurus rex skull that was breathing fire and it was completely shocking!

Me: Whoa.

Lola: That is so shocking! I can't believe that this version of Earth is not like ours.

Laney: What happened to this version of Earth?

Me: The scans say that a huge meteor slammed into the planet and it caused a massive apocalyptic event that caused the continents to rearrange themselves and destroyed much of humanity and our modern day technology and it caused all of humanity to revert back to the stone age. But during the apocalyptic event, creatures emerged from their slumber. The planet has been renamed Urth and it was awful.

Lola: Boy no kidding.

Varie: This is awful.

Me: Lets land.

## THE COVE

We landed in the Cove and it was a strange place.

The Cove or Ormiskos (from the Greek Ορμίσκος) is the domain of Sauron, the god of Hunger. The area is a craggy, sandy beach that was once the Greek islands in the Aegean Sea. Rock formations surround the coasts. Decaying temples and other structures from ancient civilizations that once occupied the area line the surf.

We got out of the ship and we saw the place. It was a strange and terrifying place and more. We saw that a Greek Temple, the Parthenon, was intact and some of the place was amazing.

Me: Whoa. This is terrible!

Nico: My god. What the hell happened here?

Lincoln: It's terrible.

A roar was heard and we saw a Tyrannosaurus Rex coming at us and we saw that it was SAURON, THE GOD OF HUNGER!

---

For some dino-beasts, immortality comes at a price. For Sauron, the cost is nothing less than an insatiable appetite. From his first appearance on the new Urth, as one of the Virtuous Beasts, he attracted many believers. With his mighty jaw, they believed him to be the most powerful among the barbaric behemoths. All of Urth is the battlefield for Sauron, as he towers into war after war, in his quest for domination! Waging war with the primal titans is what Sauron lives for, for in their defeat is tomorrow's lunch.

Sauron is a Tyrannosaurus rex; a curious blending of an old-school, Ray Harryhausen-esque tail dragging behemoth with a Jurassic Park inspired head. His color is a deep orange-yellow with purple stripes running along his back down to his tail. He sports two claws on each of his disproportionately small arms and three-toed claws on each foot. He sports massive jaws built for inflicting a massive amount of damage. He is one of two T. rex characters in the game, the other one being Diablo; the result of palette swapping a common character sprite to inflate the roster, as is common practice in retro arcade fighting games.

Sauron is the god of Hunger. When released from his sleep of ages by the catastrophe, he soon realized that he must devour human flesh to remain immortal. The hungry hordes of humanity worshipped him, but lived in dread fear of his presence. Many humans soon sought refuge with other rulers of the planet. Sauron had no choice but to defeat the others in order to feast on their followers.

Now that he has devoured most of the land, he sets off in quest of new lands, and new meals…

---

Me: Whoa! It's Sauron!

Nico: He's a huge Tyrannosaurus!

Me: He's as big as a regular size Tyrannosaurus from 67 million years ago.

Sauron came at us and he stopped and he looked at us.

Sauron: (As Maurice Lamarche) So you all are Team Loud Phoenix Storm.

Me: That's right.

Varie: Whoa!

Sauron: I'm glad you all came. My brethren are helping the humans by destroying the evil gods.

Me: I had a feeling. We can help you and destroy the evil gods. But you have to eat a lot of meat in order to sustain your immortality.

Sauron: That's right.

Me: I can give you true immortality without having to do that.

Sauron: You would?

Me: I sure can.

I snapped my fingers and Sauron was now truly immortal and he didn't have the need to feed on Humans anymore.

Sauron: Thank you so much J.D.

Me: You're welcome. We can get the tribes of the good gods together after we destroy the evil gods and help human kind and the gods work in harmony.

Sauron: That's good thinking.

We then began our journey across Urth.

## THE TOMB

We arrived in what looked like a Stonehenge and we saw that we were in the Tomb of Urth.

---

The Tomb or Tuama is the domain of Vertigo, the goddess of Insanity. This grassy knoll was once the prehistoric monument Stonehenge, but since the meteor freed Vertigo from her stasis, the area has become a place of arcane rituals. The region is the burial ground for the petrified enemies of Vertigo, and the full moon has become permanently visible in the sky.

---

Me: Wow. Look at this. It looks a lot like Stonehenge.

Lincoln: It sure does.

Yugito Nii: This is really something. I can't believe this all happened to the world when that meteor hit.

Naruto: No kidding.

Laney: Look at that. The Full Moon is always visible in the sky.

Me: It sure is. There are no phases anymore.

Nico: Yeah.

Lincoln: It's beautiful though.

Earth: It sure is.

Lana: Look at all these statues.

We went over and saw them. They were petrified creatures.

Me: I don't think these are statues. These are all petrified creatures.

Qin: Whoa.

A hiss was heard and then out came VERTIGO, THE GODDESS OF INSANITY!

Total insanity governs Vertigo's every action. With her mesmerizing powers of mind control and mastery of the unknown, she has attained mythical proportions among her followers. Vertigo's followers are loyal and their devotion is complete, fanatical and blind. She believes the defeat of all other dino-beasts for Urth domination can only be accomplished by utilizing her sorcery and the power of her devout followers… if she doesn't destroy their minds first.

The goddess of Insanity. Vertigo is a unique beast, identified on her action figure packaging as a "Cobrasaur Etraasia", resembling a cobra with dinosaur legs and short, spindly arms. She is one of the evil Destructive Beasts and is the only female beast on the roster. She has the longest reach. The game's plot states that her imprisonment on the Moon forced the other beasts into suspended animation until the meteor impact. Vertigo plans to enslave the entire planet forever by making humans into a slave race. Her domain is the Tomb, which resembles Stonehenge, and her worshippers dress in cyan. She is the only female member of the main 7 cast.

---

Me: WHOA! Vertigo!

Nico: Goddess of Insanity!

Vertigo: (As Whoopie Goldberg) That's right fools. I am indeed Vertigo.

Lana: You are really scary!

Lola: And really frightening!

Varie: She may be frightening. But we came here to kill this monster!

Vertigo: You cannot defeat us. We are gods!

There was a brief silence. Which was then broken by our two resident powerhouses.

Edzilla and Hulk: ED AND HULK SMASH PUNY GODS! (They both punch Vertigo)

SMASH!

They knocked her down!

Sauron: STUN ROAR!

Sauron fired a powerful fireball sound blast with rings around it from his mouth and it hit Vertigo and stunned her. Then we saw her teleport and she appeared behind Sauron and I fired a powerful energy blast at her and it hit her and exploded.

KRABBBBBOOOOOOOOOOOOOOOOOOMMMMM!

Me: Lets finish her with a combo and final smash!

Ben: You got it J.D.!

Torch Man: With pleasure!

Ben then turned into N.R.G.

Ben: (Russian Accent) N.R.G.! This monster is gonna feel the burn of radiation.

N.R.G. fired a powerful blast of radiation and Torch Man fired a powerful blast of fire with his Blazing Torch.

Torch Man and NRG: SOLAR FLARE FIRESTORM BLAST!

The blasts combined and turned into a deadly fireball of incredible power and it hit Vertigo and exploded with incredible power.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Vertigo was weakened.

Sauron: Lets see how you like this you bitch! SONIC MEGA HOWL STREAM!

Sauron fired a massive blast of sonic fire and it hit Vertigo and instantly obliterated her in an instant!

Me: YEAH!

Nico: That did it!

Then I saw that Nico had Vertigo's tail.

Me: Nico you have Vertigo's Tail.

Nico saw that I was right.

Nico: Whoa! Awesome! That means I have all of her powers.

Me: Same with me. This is gonna be awesome.

Sauron: That's one of the evil gods down.

Me: And 2 to go.

We continued on our journey.

## THE RUINS

We were traveling through the ruins of a destroyed city. We saw that the city was completely destroyed.

The Ruins are the domain of Chaos, the god of Decay. This region of Urth encompasses the ruins of what was once a thriving metropolis. When the meteor came in contact with the planet, the cataclysms wiped out the modern cities and destroyed all modern technology. The derelict skyscrapers have become a place for the newly evolved lifeforms to reside in.

Me: My god. This whole city is completely gone.

Nico: But some of the buildings are still intact and were left to rot.

Lincoln: I can't believe all this happened.

Me: Me neither.

Laney: Look there! Isn't that what's left of the Empire State Building?

We saw the ruins of said building and it was awful. It was rotting all over and there was moss covering the whole building.

Me: That is definitely the Empire State Building. This once was New York City.

Sauron: Hard to believe.

We went into one of the buildings and it was totally deserted.

Me: Still intact even after what happened here.

We saw some old office papers and they were all old and aged. I picked them up and they fell apart in my hands.

Me: Wow.

Lana: Time really has flown by here.

Lola: No kidding.

We left the building and then out came CHAOS, GOD OF DECAY!

---

In his quest for control and domination over the world, Chaos has become his own worst nightmare. Right after the Cataclysms, he existed as a renegade scientist who coveted Blizzard's powers and wanted to take control of the new Urth. But his desire to dictate the process of human evolution proved to be his undoing when he conducted a genetic experiment that went horribly wrong. Instead, he was turned into a disgusting beast. Now he must do battle with and eliminate the other dino-beasts. Many of his special moves consist of bodily functions. His fatalities, most notably the Golden

Shower, drew condemnation from parents and is arguably his most revolting move.

Chaos is identified on his action figure's character profile as a "Kong", a gorilla-like creature. He has sickly pinkish to clay brown hair and grayish skin. His ape-like appearance is the horrific result of an evolution spell gone wrong.

---

Me: Chaos!

Chaos: (As Sean Connery) Yes and now I will rule this world in the name of decay!

Sauron: I don't think so you false god!

Sauron fired a powerful Sound Fireball and it hit Chaos and exploded.

Nico and me used Vertigo's Scorpion Sting attack and stung Chaos all over and Chaos used his Fart of Fury attack and Lola fired a powerful blast of fire at it and it ignited the fart and it exploded in Chao's face!

KRABBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!

Ben: Time for this monster to have his technique blown back at him!

Ben turned into Terraspin!

Ben: TERRASPIN!

Air Man: I am ready.

Chaos fired another Fart of Fury and Terraspin flew into the air and fired a massive blast of wind and Air Man fired a powerful blast of wind with his Air Shooter.

Terraspin and Air Man: HYPERCANE MEGA WIND BLAST!

The blasts of wind combined and they hit the Fart of Fury all over and sent it right back at him and Chaos was stunned by his own technique.

Me: Lets see how you like this!

I growled and I turned into J.D. THE NOCTURNAL!

Me: Feel the power of the wolf! MOON FLAME POWER FIRE!

I fired a massive blast of purple fire and it slammed into Chaos and incinerated him into nothing! He was dead in an instant.

I reverted back.

Me: That's it for him. Lets move on.

We proceeded on.

---

## THE STRIP OF MOTUROA

---

We were over in the forests of the Strip of Moturoa.

---

The Strip or Manawha is the domain of Talon, god of Survival. The area is a grassy stretch of land dotted with trees and small waterfalls. The primordial rainforest used to be Moturoa Island off the New Zealand coast but was brought in contact with the mainlands in the wake of the meteor.

---

Me: Wow! These forests are amazing.

Laney: Boy they sure are. It's so peaceful here in these forests.

Crysta: You said it Laney. I wouldn't mind living here.

Nico: It sure is beautiful here.

Earth: It's really beautiful here.

A Roar was heard and then out came TALON, GOD OF SURVIVAL!

---

Talon is in his most vicious state when it comes to the defense of his raptor clan. Before the Cataclysms, Talon's home was peaceful and harmonious, but now Talon and his followers have been thrust into an unfamiliar life of power struggles, battling between tribes and dino-beasts. On the new Urth, Talon stands ready to take on any dino-beast threatening his people.

The god of Survival. He is identified as a "Raptor" on his action figure's toy packaging, and closely resembles the Velociraptors from "Jurassic Park", which had been released just the year before. Talon is the patriarch of a huge family of raptors and is fiercely protective of it, and it is for their sake that he plunges into the war. Talon is the fastest character in the game and an excellent jumper. Talon is also the shortest character, and numerous ranged attacks by taller enemies will simply miss him. He is the only character in the game who does not have a projectile attack. His domain is the Strip, and his worshipers are dressed in grey.

---

Me: Talon, God of Survival!

Talon: (As Ian McDiarmid) Ah so the mighty Team Loud Phoenix Storm is here. It's an honor to meet the famous universal saviors.

Me: Same to you Talon. We came to kill the evil gods that threaten this planet. Including you and the virtuous ones.

Talon: I see. I'm glad you all came then.

Teresa: I actually was named Talon in my Bang Baby Days.

Talon: I heard about that. But at least you're able to fly.

Talon: That's true. I will gladly come with you all.

Sauron: Thank you Talon my friend.

We continued on.

THE CLIFFS

We were in the mountainous area of Urth called the Chattaana Xuanya or the Cliff.

The Cliff or Chattaana Xuanya is the domain of Blizzard, the god of Good and Virtue. The area is an icy and mountainous tundra. The highest mountain in the Himalayas, Mount Everest, has been relocated to this part of the rearranged world. It now has the faint pattern of an ape face.

It was really cold up there and we had to bundle up in our warmest fur coats.

Me: Man it's really cold up here. But it's really amazing.

Lana: It sure is. But look over there! Isn't that Mount Everest?

Me: It sure is. It's completely intact even after the entire planet was reshaped. Amazing!

Luan: That's amazing!

Earth: Boy it sure is.

Paige: I just can't believe it managed to stay intact like that.

Me: No kidding.

Laney: I remember seeing the Himalayas. It was breathtaking.

Sauron: I see.

Talon: It's hard to imagine that there are so many things that have happened in your world and here.

Nico: No kidding.

Then a roar was heard and out came BLIZZARD, GOD OF GOOD AND VIRTUE!

---

In order for life to continue its natural progression, a delicate balance must be struck. This is the atmosphere that Blizzard has fought for millions of years to maintain. Enraged by the massive destruction he saw when he emerged from his primal slumber, Blizzard has embarked on a relentless execution mission. As guardian of natural evolution, Blizzard is determined to return Urth to its former state. As the leader of the Virtuous Beasts, Blizzard battles to return the balance to the Urth, even if it means destroying each and every dino-beast in the process!

Blizzard is a large Yeti-like creature, referred to on his action figure's character profile as a "Kong". His skin is ice-blue in color, with silvery brown hair. He has the ability to create and control ice.

---

Me: Blizzard, god of Good and Virtue.

Blizzard: (As Brock Peters) The famous Team Loud Phoenix Storm. Welcome.

Me: Thank you Blizzard. We are here on a mission to kill all of the evil gods.

Lincoln: We already killed Vertigo and Chaos.

Blizzard: I see. I'm glad you all came and Sauron, Talon. Glad you two could come good friends.

Talon: Thanks Blizzard.

Sauron: Yeah.

Blizzard: I will gladly help you all.

Me: We are grateful Blizzard.

We left for the next part of the world.

## THE HOLLOWS

We were in the caverns of the Hollows. It was a massive and incredible cave system.

The Hollows are the domain of Armadon, god of Life. This landscape consists of underground ramiform caverns existing eons ago. The subterranean caverns have openings in the rock, wherein worshippers dwell. In the center of the caverns is a meditation shrine where Armadon practices focusing his inner thoughts.

Me: Wow! Look at these caves!

Nico: These are incredible caves.

Lynn: (Echoing) HELLO!

The echo was perfect.

Me: Wow. What an echo. These caves are perfect for it.

Lucy Loud: I got get used to caves like this.

Nico: For you Lucy, it would be perfect.

A roar was heard and then we saw ARMADON, GOD OF LIFE!

Guardian of the delicate and fragile ecological balance, Armadon was the last of the dino-beasts to emerge from his subterranean confines. Connected with Urth's life force and energy flow, Armadon ascended to save the planet from the dino-beasts who want ultimate control over it. Ironically, the battle for power raging among the beasts has caused a nearly irreversible terminal imbalance on the planet they are fighting to rule. Unable to tolerate the titans' destruction of the planet, Armadon's mission is to put an end to the battle for supremacy and the immense devastation caused by it.

The god of Life. Armadon fights to defend Urth and prevent its destruction from the hands of the Evil Gods. He's identified in his action figure's character profile as a "Tristegasauratops", a semi-bipedal dinosaur with Triceratops-like head and limbs, a series of spikes in his back, and a tail, the tip of which resembles a combination of an Ankylosaurus' tail club and a Stegosaurus' thagomizer. Armadon has the easiest combos, but has a short reach. His domain is the Hollows and his worshippers appear dressed in light green rags.

---

Me: Armadon, God of life!

Armadon: (As Alec Guinness) It's a pleasure to meet you J.D. We were told so much about you all.

Lori: How is that literally possible?

Blizzard: Word gets around quickly all over the galaxy.

Me: I see.

Armadon: I hear you have been killing the evil gods.

Me: We sure have. We killed Chaos and Vertigo.

Armadon: That's good.

?: Then you are gonna have a bigger problem!

Out came the Samurai Rangers old enemy from episode 2 of Super Samurai: ARMADEEVIL!

---

Armadeevil is a Nighlok bearing resemblance to both an armadillo and a rat, whose existence was unknown to Master Xandred before he came to the ship and offered his services. He merrily went on a rampage, and the Samurai Rangers were unable to cause him any damage due to his armor plating on his shell. They were only granted a chance to think of another strategy by his need to rehydrate. When he returned they were able to weaken his shell, first by tricking him into crashing into a rock wall, then by superheating it and quickly dousing it with cold water afterward to induce thermal shock.

Afterwards the Blue Super Samurai Ranger was able to end Armadevil's first life with a powerful slash. After Armadeevil activated his Mega Monster form, the rangers repeated their strategy against his giant size, using the Beetle Blaster, Swordfish Fencer, and Tiger Drill Megazord configurations but to no avail. Even the Claw Armor Megazord's double strike was unable to finish the fight, forcing the Rangers to resort to the Samurai Battle Cannon, which finally did the trick and destroyed him.

Powers and Abilities

Shell: Armadeevil has a shell on his back that can withstand nearly all attacks.

Ball Roll: he can make his body fit into his shell and turn into a metal ball to attack his enemies.

Jumping: He can jump at great distances and even over water.

Arsenal

Eye lasers: Armadeevil can fire red laser beams from his eyes.

---

Armadeevil: Its been a long time Samurai Rangers.

Jayden Shiba: Armadeevil! But you died!

Me: I remember this guy! He gave you all a nasty fight with that shell of his!

Armadeevil: That's right J.D. Knudson. You've sure done your homework by watching us fight on TV huh?

Me: That's right. And it was a very clever strategy the Samurai Rangers thought of when they beat you.

Armadeevil: But you can't beat me now!

Jayden Shiba: We'll see! Ready guys!?

Kevin (Samurai Power Rangers): Ready!

Samurai Power Rangers: GO GO SAMURAI!

The Samurai Rangers transformed!

They were ready!

Armadeevil: Face it, Rangers! The only way you'll ever beat me is with that strategy you did before. But I don't think you'll have the patience to pull it off this time!

Lana: We'll see about that!

Armadeevil: Don't you get it? My shell's now twice as durable.

Troy: Then we'll need twice of the same Ranger Team!

Megaforce Rangers: Legendary Ranger Mode: Samurai!

The Megaforce Rangers turned into a second Samurai Team!

Armadeevil: What?! Two teams of Samurai Rangers?!

Me: That's right! Lets get him!

We went at him and I kicked him in the face and sent him flying and he was in the air and he turned into a ball. I kicked him in the back and sent him flying faster than a bullet fired from a gun and the Megaforce and Samurai Rangers formed a powerful wall of rock and earth. It bounced off the walls with tremendous force and they fired blasts of fire and wind and heated him up to tremendous levels and Kevin and Noah cooled him down with water.

Armadeevil: Is that the best you can do?

Me: Think again.

His twice as durable shell cracked all over.

Armadeevil: No! NOT AGAIN!

Me: We're just getting started. Combo time on this freak!

Octopunch: Roger that boss! CYBER KEY POWER!

The Animatron Cyber Planet Key went into his back and enhanced his harpoon gun 100-fold.

Scream: We will make you scream! VENOM CYBER KEY POWER!

The Venom Cyber Planet Key went into Scream's right arm device and it enhanced her powers 100-fold.

Octopunch and Scream: SYMBIOTE LIGHTNING SPEAR BARRAGE!

Octopunch fired a powerful barrage of electrified harpoons and Scream had her Symbiote matter merge with them and they hit Armadeevil all over and electrocuted him.

Armadon: Lets see how he likes this shocking attack! GOD OF LIFE LIGHTNING SPIKE ELECTROCUTION!

Armadon fired a massive blast of lightning and it hit Armadeevil and electrocuted him all over and turned him into a burnt statue and he fell apart as a pile of ashes.

Me: YEAH!

Nico: Armadeevil has failed this universe.

Me: Yes he has. We're not done yet though. We have one more god to destroy.

We were off to the hottest part of the planet.

## THE INFERNO

We were in the volcanic landscape of the Inferno. It was a hellish and deadly land.

The Inferno is the domain of Diablo, the god of Evil and Destruction. It is a volcanic atoll created by a geothermic upheaval ten times as great as that which formed the Hawaiian islands. Mesoamerican pyramids and stone sculptures lie among the active volcanoes and lava. The igneous island originated within the Pacific Ring of Fire.

Me: Wow!

Lola: Man it's really hot here!

Nicole: It's a land of volcanoes. I can't believe that this whole place used to be the Hawaiian Islands.

Me: Paradise turned into Hell.

Nico: No kidding.

Laney: This place is scary.

Earth: No kidding. I would not want to have this place on our Earth.

Lincoln: Yeah.

Varie: It sure is flaming hot here. I would not want to experience what happened here when the meteor struck.

Me: No one should.

Then a roar was heard and then out came DIABLO, GOD OF EVIL AND DESTRUCTION!

---

Now that Diablo, leader of the Destructive Dinos, has been released from his fiery prison deep within the Urth, he seeks to turn the world into a raging inferno. Determined to pursue his vision for Urth as a dominion of evil, Diablo thrives on inflicting immense pain and agony on his enemies. His followers and foes alike believe that Diablo is evil incarnate. Annihilation of all other dino-beasts is essential for Diablo to continue his reign of terror and carry out his gruesome vision for Urth.

Diablo's appearance follows that of a fire-breathing Tyrannosaurus rex. He is crimson red in color, and has dark, black stripes that follow the length of his body. He has two claws on his hands and three on his feet. He is one of two T. rex characters in the game, the other one being Sauron; the result of palette swapping an existing character sprite to inflate the roster, as was common practice in retro arcade fighting games. In the original arcade version, he is slightly shorter than his counterpart, though in the SNES port they are approximately the same height.

---

Me: DIABLO, GOD OF EVIL AND DESTRUCTION!

Diablo: (As Jim Cummings) Well if it isn't the famous Team Loud Phoenix Storm and you have all the other gods with you!

Blizzard: That's right Diablo!

Nico: You will pay for all the crimes you caused!

Lincoln: Yeah! You are going to pay!

Laney: We won't let you rule this planet with evil!

Me: YEAH! Lets get him!

We went at Diablo and I punched him in the face and kicked him in the stomach and Nico fired a blast of Vertigo's Venom Spit and it hit Diablo in the face and Lana fired a blast of ice lightning and froze him and Lola fired a massive blast of fire and burned him all over and Lincoln fired a massive blast of lightning and electrocuted him and Laney fired a bunch of barbs covered in Strychnine Ω and poisoned him and Lynn and Earth fired a powerful blast of lava and burned Diablo all over. Sauron fired a massive Sound Fireball blast and it hit Diablo and exploded. Talon slashed Diablo all over and cut him up really good. Blizzard froze him in ice with a powerful pillar of ice and Nico released a powerful Fart of Fury with Chaos's powers and it stunned Diablo and Armadon fired a powerful barrage of spines and pinned him down. Vince fired a powerful blast of crystal energy and entombed Diablo's feet in crystal and Carol fired a powerful blast of atomic energy with Godzilla's Heat Ray.

Me: Lets finish this freak!

Seaspray: You got it J.D.! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his lasers 100-fold.

R.J. (Jungle Fury): Time for some wolf power! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into his Wolf Morpher and enhanced his powers 100-fold.

Seaspray and Jungle Fury R.J.: WOLF LASER FIRESTORM BLAST!

Seaspray fired a powerful blast of lasers and R.J. fired a powerful blast of purple wolf fire and the blasts hit Diablo and exploded all over.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Me: Time for some final smash power!

Talon: Right! SURVIVAL MEGASLASH SUPERSTORM!

Talon slashed Diablo many times all over and cut him up really good.

Blizzard: Time for some justice in ice! ARCTIC GOOD SUPER COLD WAVE!

Blizzard fired a powerful blast of snow and arctic cold and froze Diablo in a massive block of ice.

Nico: Diablo, you have failed this world! NUOVA MEGA FIRE SPHERE!

The 4-Star Dragonball on Nico's bracelet glowed and he formed a massive sphere of powerful fire and he threw it at Diablo and it slammed into it and exploded with incredible power!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion completely obliterated Diablo in an instant and killed him.

Me: Bingo!

May: That god is toast!

Then a familiar war that Mystery Inc. knows all too well was heard. They saw that it was the JAGUARO!

---

The Jaguaro is a half-ape/half-sabertooth tiger creature worshipped by a tribe of Amazonian natives on their sacred island. It was used as a disguise by Barney to hide his diamond mining operation in the Brazilian jungle.

Scooby-Doo and the gang were on a plane trip when a malfunction forced the pilot to make an emergency landing in the Brazilian jungle. The statue of the Jaguaro came to life and chased Shaggy

Rogers and Scooby. After a chase, the Jaguaro fell over a waterfall. His costume came off and the Jaguaro was trapped. The Jaguaro was then revealed to be Barney who was using the plane to smuggle out the diamonds.

---

Shaggy: ZOINKS! It's the Jaguaro!

Laney: Whoa! That is a strange creature.

Me: I remember him. He was a really strange case.

Qin: What is his story?

Me: He was really Barney over in Brazil. He and the copilot Luis were doing a huge diamond smuggling operation. He was using the disguise and legend of the Jaguaro to scare people off and make sure that no one knows what's going on.

Qin: That's crazy!

Me: It was. Barney and Luis got 25 to 30 years in a South American Prison. But because of the conspiracy to murder Mystery Inc., they got life in a maximum security South American Prison without parole.

Qin: Good riddance.

Me: Yep.

Laney: I got this!

Laney went at the Jaguaro and she wrestled him all over the place and then Lola fired a powerful blast of gold fire and turned the Jaguaro into gold.

Me: That takes care of him! And we saved this world from the wrath of the Evil Gods.

Talon: We sure did. Thank you all for all your help.

Blizzard: Indeed. We can't thank you all for helping us.

Me: It was our pleasure.

Talon: (To the viewers) These guys are powerful enough to destroy gods and goddesses and they can save everyone.

Me: Yep. Thanks Talon.

We moved the planet Urth to the orbit of the Realm of Departure and it was now part of the Earth System. We went back home to our Earth.

However, Vypra and Dark Spicer were recruiting another member.

Dark Spicer: Number 7 of Legion Ex Machina?

Number 7: That's me.

Dark Spicer: I'm Dark Jack Spicer. But call me Dark Spicer for short. I heard all about you. Including how you now have the abilities of all your deceased teammates.

Number 7: I also plan on avenging them. So, please, leave me be.

Dark Spicer (smirks): What if I tell you that I can help you get your revenge on our common enemy?

Number 7 (thinks for a moment): Go on.

Uh Oh!

FLASHBACK ENDS

Everyone that hadn't heard about it was shocked.

Lola: Yeah that was scary.

Qin: It was.

Tsuyu: That's incredible!

Sirius: It sure was. But that's amazing.

Nico: Thanks for coming with me, Audrey.

Style Queen: Not a problem Nico.

Chloe Bourgeois: It's awesome having you go with us mom.

Style Queen: It sure is.

Nico: Audrey. Tell me the truth. Are you happy that Zocks is Chloe's boyfriend?

Style Queen: Yes I sure am Nico. I think it's absolutely amazing that Zocks is Chloe's boyfriend.

Nico: Good I'm glad.

Qin: I think it's amazing myself.

Laney: I agree too.

Style Queen: Me too. And I'm happy that Chloe adopted Anne-Marie too as her little sister.

Lola: I do too Mrs. Bourgeois. It's awesome that she has her now.

Audrey: (to Zocks) But before I changed my ways, I wasn't the best mother to Chloe. So, if you hurt her, I will turn you into a gold statue like I nearly did to Adrien and Marinette!

Zocks: (GULPS) Yes ma'am.

Audrey: Good.

Me: I remember seeing that power when we faced her over in Paris the first time. But man Audrey I didn't know you weren't always good to her.

Audrey: After the battle with Hawk Moth and reuniting with my friend Beatriz, I had a lot of growing up to do.

Camie: Beatriz?

Me: Beatriz da Costa A.K.A. Fire. Fire is part of the Justice League.

Nico: She's the green hair hero with fire powers.

Camie: Wow!

Nico: Yesterday was Ranger and Rider morphing galore!

Me: You got that right Nico! That was so awesome!

Eli: Yeah it was! And bro got to let Tsukasa use some of our Legend Items too.

Lola: That was so cool!

Nico: Yeah it sure was! One of the best ever.

Me: Yeah.

Nico: By the way J.D. did you really mean what I said about me and May being Lord and Lady to Woz?

Me: Absolutely Nico. Woz calls you Lord Nico so I figured why not have him call May, Lady May. I think it's cool.

May: It makes me feel like I'm a princess and I like it.

Nico: That is awesome.

Me: Yep.

Nico: But yesterday's mission was awesome.

Varie: It was one of the best.

Nico: And we took down the first of the Dai Shocker members.

Me: And we have 12 more to go. Bet you Swartz is really pissed off shitless about that.

Qin: I have that same feeling too.

Bai Tza: But it will be worth it when we banish him to the Black Gates.

Me: Yeah.

Nico: The best part is that Tsukasa got a Megazord. Usually, the Riders are content with just hanging back while those are going on.

Me: That was so awesome trying that one out. It was the first time we ever used it too.

Lisa Loud: Indeed and it was also a magnificent and well designed feat of engineering for all of us.

Me: Yep.

Nico: That was so awesome. You guys did great with that one.

Me: Thanks. It was actually both mine and Lisa's idea ever since we got the Ridecards.

Laney: That was so awesome to see that in action.

Audrey: It most sure was amazing.

Chloe Bourgeois: I thought it was amazing.

Nico: What do you guys think of the place?

Camie: It's incredible.

Tsuyu: But it's really scary what happened here to this world though.

Me: It was horrible when we saw it.

Lincoln: I played Primal Rage all the time with J.D. and it was cool.

Me: But seeing what happened to this world makes me sad.

Qin: Me too. Everything we worked so hard for was completely wiped out in an instant.

Laney: Yeah no kidding.

Nico: That was terrible.

Eli: Yeah.

Me: It was awful all that happened. Next time I'll have Gantu and Shiro come with us. I have quite a story for you guys with them.

Nico: Yeah it's awesome.

Camie: Yeah.

Me: But it was really amazing too. But at the same time it also pisses me off.

Camie: How come?

Me: It's best if we have Gantu and Shiro tell you about that next time.

Nico: It's a dark story.

Me: Yeah. It's a really horrible story. But I'll tell you all about that later.

Nico: Yep.

We arrived in the Ruins.

Camie: My god. This city is gone.

Me: Yeah. We were shocked when we saw it here.

Lola: This was New York City.

Tsuyu: This is terrible.

Reggie Hjorleifsstræti: (Icelandic Accent) It sure is awful.

Eli: No kidding.

But then we heard a noise.

Me: What was that?

Eli: (Senses something) LOOK OUT!

We saw a boulder thrown at us and we got out of the way and then we saw a pitch black version of Humongousaur! It was ANOTHER HUMONGOUSAUR!

Albedo turned into Negative Humungousaur.

Negative Humungousaur: This is probably going to be one of the strongest of the Another Omnitrix Aliens.

Me: No the Strongest one of the all would be Another Way Big.

Nico: Yeah. But who are you!?

Another Humongousaur: (In a girls voice) (Speaking in Russian) Думаю, мой друг знает об этом. (I think my friend knows about that.)

Nico: It speaks Russian?

Me: Wait I know that voice. (Speaking in Russian) Наталья Верещагина, я уж точно не ожидал увидеть Вас здесь в роли Другого Чужого. (Nathalia Vereshchagin, I certainly wasn't expecting to see you here of all places as Another Alien.)

Another Humongousaur: Рад снова видеть вас, товарищ Джеймс. Как у вас дела с тех пор, как мы виделись в последний раз? (It's good to see you again Comrade James. How have things been with you since we last saw each other?)

Me: Дела были действительно заняты. Мы всей командой совершали одно удивительное приключение за другим, побывали во многих удивительных местах и помогали нуждающимся. (Things have been really busy. We've been doing one awesome adventure after the other as a team and going to so many awesome places and helping people in need.)

Magine: Oh no. Swartz took away her ability to speak English!

Me: No she doesn't speak English. She was born in Russia but wasn't taught how to speak English.

Magine: Oh.

Me: I was gonna teach her how to speak English but I never got the chance. She disappeared before I could do so.

Nico: Whoa.

Me: Наталия, мне жаль это делать, но мы должны бороться с тобой, чтобы спасти тебя от самой себя. Но что обещал тебе этот монстр Шварц? (Nathalia I'm sorry to do this but we have to fight you to save you from yourself. But what did that monster Swartz promise you?)

Another Humongousaur: Шварц пообещал мне, что я могу мгновенно выучить английский язык и любой другой язык в мире, а также освоить все видеоигры. (Swartz promised me that I can learn the english language and any other language in the world instantly and also master all the video games ever.)

Nico: Lot of good that will do.

Eli: Yeah.

Me: Но мне очень жаль, но это часть того, что мы должны сделать. (But I'm sorry but it's part of what we have to do.)

Another Humongour: Делайте то, что должны делать, товарищ Джеймс. (Do what you have to do Comrade James.)

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (gets out Bane's Ridewatch) Time for a melee brawl!

Nico activated it and grew big and muscular!

(DOWN WITH THE SICKNESS BY DISTURBED PLAYS)

Nico: (SINGING HARDCORE AND ENERGY SWIRLS AROUND HIM)

Can you feel that?

Ah, shit

Oh, ah, ah, ah, ah

Oh, ah, ah, ah, ah

oh, oh, oh, oh, oh, oh

Drowning deep in my sea of loathing

Broken your servant I kneel

It seems what's left of my human side

Is slowly changing in me

(Will you give in to me?)

Looking at my own reflection

When suddenly it changes

Violently it changes (oh no)

There is no turning back now

You've woken up the demon in me

Get up, come on get down with the sickness

(Will you give in to me?)

It seems that all that was good has died

And is decaying in me

(Will you give in to me?)

It seems you're having some trouble

In dealing with these changes

Living with these changes (oh no)

The world is a scary place

Now that you've woken up the demon in me

Get up, come on get down with the sickness

Get up, come on get down with the sickness

Get up, come on get down with the sickness

Open up your hate, and let it flow into me

Get up, come on get down with the sickness

You mother get up come on get down with the sickness

Why did you have to hit me like that, mommy?

Don't do it, you're hurting me

Why did you have to be such a bitch

Why don't you

Why don't you just fuck off and die

Why can't you just fuck off and die

Why can't you just leave here and die

Never stick your hand in my face again bitch

You fucker get up come on get down with the sickness

Madness has now come over me

He danced and punched and smashed and pulverized Another Humongousaur all over.

Another Humungousaur grabbed Nico and threw him at Negative Humungousaur.

He teleported away just as he was about to hit!

Eli: Now you've done it! Time to unleash the wolf!

Eli then made a sign and then we got the most unexpected shock! We saw a red chakra cloak form around Eli and it took the form of a wolf and we saw that it had 10 Tails! It was bubbling like boiling hot water and surging with intense energy! He was empowered with the powers of the 10 tailed beasts! Eli was now THE JINCHURIKI OF THE 10 TAILED WOLF!

We gasped in shock!

Laney: WHOA!

Me: Wow! Eli?

Eli opened his eyes and they were blue and slit and his teeth were fangs.

Eli: It's all right bro. I'm now in full control.

Fu: He's a jinchuriki!? But how can that be!?

Me: In all honesty I don't know but this is awesome!

Another Humungousaur threw a rock at us.

Eli went at it with incredible speed and then punched it with incredible force and smashed it into a million pieces!

Nico: WHOA! What power!

Eli then fired a wave of lava with Son Goku's power and it hit Another Humongousaur and smashed her down. Eli then fired blasts of lightning and electrocuted her with Gyuki's powers.

Me: Unbelievable!

Eli: Didn't expect that did you?

Another Humongousaur went at Eli and he dodged her with incredible speed and fired waves of water at her and smashed her down.

Another Humungousaur got up and roared.

Me: She sure is tough like this.

Nico: Yeah.

Another Humongoursaur went at Eli. But then he formed a huge cloud of steam with Kokuo's power as a smokescreen and then punched her all over the place. Then he fired waves of blue fire with Matatabi's powers and blasted her down.

Qin: That's incredible power!

Nico: Yeah!

May: She's tough AND strong!

Me: Nathalia is as strong as a Russian Bodybuilder and just as strong as one.

Nico: Wow!

Eli grabbed her with one of his tails and smashed her into the ground.

Eli: That oughta stop her.

Me: Not quite.

She got up.

But then a blasted of purple poison hit Another Humongousaur and knocked her down and we saw that it was VERTIGO THE GODDESS OF INSANITY!

Nico: Vertigo!

Vertigo: (In a girls Voice) (Georgian Accent) Almost Nico.

Nico: Verliya Queshington! Wow!

She reverted back and she was a teal hair girl with teal clothes.

Verliya: Awesome to see you again Nico. I got this.

She fired a blast of energy and it hit Another Humongousaur and knocked her down and I caught the ridewatch and purified it.

Nathalia was on the ground and she was a purple hair girl with a strong physique and her clothes were purple workout clothes.

I picked her up.

Me: Наталья! Ты в порядке? (Nathalia! Are you all right?)

Nathalia: (Groans) Какая головная боль. Я чувствую, что проиграл соревнование по поеданию борща. (What a headache. I feel like I lost a borscht eating contest.)

Me: Это действительно неприятная история. Но главное, что вы вернулись к нормальной жизни. (It's a really ugly story. But the important thing is that you are back to normal.)

Nathalia: Спасибо, товарищ Джеймс. Спасибо. (Thank you Comrade James. Thank you.)

Nico: But it's good to see you again Verliya.

Verliya: Same to you Nico.

Style Queen: What's your favorite memory of Nico?

Verliya: I have a lot of them but my favorite is when me and Nico were out on patrol and then we found a death row inmate that escaped from prison. I demonstrated my powers and used my glare and turned him into stone. Then I shattered him into a million pieces.

Me: Wow that is lethal and cool.

Nicole: Just like in the game.

Verliya: Yep. I am the Embodiment of Vertigo. I have all her powers and can change into her at will.

Nico: It's true.

Nico and Verliya hugged.

Nico: I've missed you.

Verliya: Me too Nico.

Maria: How about we teach you some English?

Me: Хотели бы вы, чтобы мы научили вас говорить по-английски? (Would you like it if we taught you how to speak English?)

Nathalia: Я хотел бы, чтобы товарищ Джеймс. (I would like that Comrade James.)

Me: She said she would like that.

Nico: Awesome.

Verliya: That was a great adventure though.

Nico: Yes it was.

Eli powered down. We then went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, and The L-ementals are heading to Richmond, Virginia, and not only is Lincoln going to rescue the five girls here, but we got word that Daki is back and that demon's causing havoc.

Lincoln: Wow, we're here in Richmond, Virginia, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got word that Daki is back and that demon's causing havoc.

Nico: But, how was it possible? I thought we sent Daki to the Black Gates.

Lincoln: Unfortunately, it wasn't her. She transformed one of her Flesh Obi into a clone of her, that's who she sent to cause havoc.

We gasped in shock.

Nezuko Kamade: So, that Daki we destroyed was just a Flesh Obi clone of herself. She's so dead when we catch her.

Nico: Big time.

Shinobu Kocho: She must be destroyed here and now.

Mitsuri Kanroji: That's right.

Tamayo: And she doesn't deserve not a single shred of mercy from any of us.

Lincoln: That's right, Tamayo. And thanks for joining us, Rarity.

Rarity: You're welcome, Linky. This is going to be an amazing rescue and we'll finally be rid of The Twelve Kizuki for good.

Me: And from what I heard, Vypra's recruited Muzan Kibutsuji into The Masters of Evil, and he's now the archenemy of Kendall Morgan.

Lincoln: Plesiosaurus Dino Charge Purple Ranger VS. The Progenitor and Ruler of The Demons, this should be an interesting one.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of five girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Daki, and she's going to kill them.

Lincoln: And right on time, guys, I found the five girls, but they've been cornered by Daki, and she's going to kill them.

?: Let's put an end to that miserable demon once and for all.

Suddenly, we saw the Snake Earthbound Immortal Cuahcoatl, appear before us.

Nico: Whoa, that's the Snake Earthbound Immortal Cuahcoatl, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Camille Xui, but we'll talk later, we've got the last of The Twelve Kizuki to deal with.

We rush on over and Lincoln fired powerful rainbow energy balls and elemental forces at Daki, and it allowed the five girls to get away. When Daki saw us, she was enraged.

Daki: So, the killers of the Twelve Kizuki and our lord have appeared, now I shall destroy all of you!

Nezuko Kamade: That's never going to happen!

Tamayo: That's right, and we knew about your little trick that you pulled, sending one of your Flesh Obi as a clone to cause havoc.

Shinobu Kocho: You may have duped us, but in the end you failed.

Mitsuri Kanroji: And now, you're about to pay the price.

Suddenly, the eyes of Nezuko Kamade, Tamayo, Shinobu Kocho, and Mitsuri Kanroji turned neon, and they were surrounded by colored energy auras, elemental forces, animals, and mythological animals, and as they approached Daki, they left colored energy, elemental forces, animals, and mythological animals with every step.

Nezuko Kamade: Daki, I've had it up to hear with you constantly trying to kill us and all to prove your loyalty to Muzan Kibutsuji.

Shinobu Kocho: You have caused far too much pain and suffering to so many innocent people for the last time.

Tamayo: And for trying to kill Tanjiro and Nezuko numerous times.

Mitsuri Kanroji: And now, we're putting an end to you once and for all.

Suddenly, Nezuko Kamade, Shinobu Kocho, Tamayo, and Mitsuri Kanroji were surrounded by massive vortexes of colored energy with elemental forces surrounding the vortexes, there are animals flying around the vortexes, and in the vortexes are colored phoenixes. Mitsuri Kanroji has transformed SUPER ANGEL ETERNITY INFINITY FIRESTORM LOVE PHOENIX ANGEL OF FIRESTORM PHOENIX JUSTICE AND DIVINE FIERY LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri Kanroji, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Daki saw it, the demon fell into a black rage and sent her Flesh Obi to kill them, but Nezuko, Shinobu, Tamayo, and Mitsuri fired powerful blasts of energy, which destroyed Daki's Flesh Obi for good.

Lincoln: Wow, Nezuko, Shinobu, Tamayo, Mitsuri, you girls look beautiful. How do you all feel?

Nezuko Kamado: (Divine Echoing Cosmic Voice of The Firestorm Blood Phoenix and Divine Blood Fire Love) We feel incredible, Linky.

Shinobu Kocho: (Divine Echoing Cosmic Voice of The Spiritual Poison Butterfly and Divine Spirit Love) Indeed we do.

Tamayo: (Divine Echoing Cosmic Voice of The Demon Blood Phoenix and Divine Bloody Love) Now, shall we finally put an end to Daki?

Mitsuri Kanroji: (Divine Echoing Cosmic Voice of The Firestorm Love Phoenix and Divine Fiery Love) And finally end her mayhem for good?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri Kanroji.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) That day you cheated your date with death on the day you sent a clone of yourself to attack along with the other members of The Twelve Kizuki, Daki, and now, your life's about to come to an end.

TLPS Mr. Wolf: Shouldn't we also jump in to help out?

Nico: No, this is some unfinished business they've got, and what Daki did in cheating her date with death, they're about to carry out her death sentence themselves.

Lincoln, Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri Kanroji went after Daki, who tried to attack them with another Flesh Obi, but they burned that one as well, and they fired powerful blasts of rainbow energy, colored energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, Butterflies, and Angels at Daki, and they explode with incredible power as they hit her. Then, Nezuko Kamado, Shinobu Kocho, Tamayo, Mitsuri Kanroji, and Lincoln attacked her with their massive wide and broad-bladed broadswords, and they left painful scars on her, and the blades were also laced with Wisteria poison and it was poisonous to her.

Then, Lincoln used Rui's powers and he created a rotating wheel of threads, which glowed red with blood.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Look familiar to you, Daki?

Daki: (Gasps) That's…

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) That's right, I can use the Blood Demon Arts of the Twelve Kizuki, and judging by the horrified look on your face, I knew it would get your attention.

This horrified Daki, as the rotating wheel of blood red threads was coming for her, and her life was about to come to an end.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Blood Demon Art: Cutting Thread Rotation.

The rotating wheel of blood red threads reached Daki and she was cut to shreds by the threads, and she was destroyed forever and her spirit was sent to The Black Gates for good. We cheered wildly for what Lincoln, Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri Kanroji did as they holster their massive broad-bladed swords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri Kanroji are permanent.

Just then, Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri

Kanroji glomped on Lincoln and they kissed him all over, and Lincoln had lipstick marks all over his massive muscular body and face.

Nezuko Kamado: (Giggles) That was our reward for thanking you for helping us get rid of Daki for good, Lincoln.

Shinobu Kocho: And now, The Twelve Kizuki are finally finished for good.

Nico: You said it. Still, I can't believe Daki pulled off that trick sending a clone made from her Flesh Obi.

Lincoln: Pull one on us, will she? Too bad for her, I intended to make her pay for her little trick and you saw the horrified look on her face when I used Rui's own Blood Demon Art against her.

Me: We sure did, that was really awesome!

Eli: And wait until Tanjiro and the others find out about our rescue today.

Lincoln: They sure will, Eli. And now, that's finally it for The Twelve Kizuki for good. (To Camille Xui) And it's so good to see you again, Camille Xui.

Camille Xui reverted back to normal, and she's a beautiful girl with long flowing crimson red hair, crimson red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful black angel wings with crimson red tips, and she reigned in the power of Earthbound Immortal Cuauhcoatl, and she's dressed in a crimson red sleeveless open vest, sleeveless crimson red midriff top, crimson red skirt with the Snake Nazca Line on it, crimson red pants, crimson red legwarmers, crimson red shoes, and long sleeveless black trenchcoat with crimson red flames and snakes on the coattails, and Earthbound Immortal Cuauhcoatl on the back, and holstered on her back a large Earthbound Immortal Cuauhcoatl-themed greatsword with Earthbound Immortal Cuauhcoatl etched on the 7'0" massive, wide, double-edged black blade, large black angel wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and a large crimson red gem surrounded by black angel wings for the pommel.

Camille Xui: You too, Lincoln, it's been a long time.

Lincoln went up to Camille Xui and they hugged, and Camille Xui is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Camille Xui: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Camille Xui, she's one of my Guardian Angels from Michigan, and she has a huge and awesome love for all the snakes in the world. She has Crimson Fire Powers and the ability to see everything in infrared.

Me: Whoa, Crimson Red Fire powers and the ability to see everything in infrared, that's really sweet!

Nico: Yeah, that's awesome.

Camille Xui: It sure is, and I took on the full extent of Lisa's evil fury, and one time when Lisa went invisible, I spotted her with my infrared vision and stopped her.

We gasped in shock.

Me: Whoa, now this is one story we're really going to enjoy hearing.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Camille Xui's neck with crimson red gems on the gold thunderbolt links and crimson red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Camille Xui: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Camille.

Camille Xui had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Camille Xui's waist and Camille Xui wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Camille Xui's face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Voogie, Shiori, Rebecca, Midi, and Merry Bell from VOOGIEs ANGEL.

Lincoln: Oh wow, it's Voogie, Shiori, Rebecca, Midi, and Merry Bell from VOOGIEs ANGEL.

Me: Awesome.

Lincoln: Are you girls okay?

Voogie: Yes, we're okay, thanks to you.

Then, when Voogie and the other four girls saw who it was that saved them from Daki, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the

He had his massive Hinon's Cosmic Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, eight massive and indestructible deep sapphire blue angel wings with stars and rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long glowing neon orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them and had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanji that said, "Savior of The Loud House, True Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms, and Destroyer of The House of Damaskinos" on the left leg, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird and Eternity Kanji on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Voogie: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Voogie: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Voogie, Shiori, Rebecca, Midi, and Merry Bell with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Daki of the Twelve Kizuki, and Lincoln revealed that the Daki they destroyed along with the other Twelve Kizuki members was a fake created by Daki's Flesh Obi.

But, when Lincoln showed what he, Nezuko Kamado, Shinobu Kocho, Tamayo, and Mitsuri Kanroji who transformed, did to her, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Camille Xui have a lot of catching up to do now that she's back in town, and now, we're finally rid of The Twelve Kizuki for good, and they're never ever coming back.

---

After finally getting rid of Daki and putting a permanent end to The Twelve Kizuki for good, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Camille Xui saw

Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Camille Xui: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Camille, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Camille Xui: That's incredible.

Nico: It sure is. So, Camille, what's the story on how you took on the full extent of Lisa's evil fury and how you used your infrared vision to stop her when she turned invisible?

Camille Xui: That's a story I'd never forget. One day, Lincoln and I were at the Royal Woods Zoo and we were checking out the snakes in the terrariums there, and they were amazing. But, then, Lincoln got attacked by an incoming knife which slashed his cheek and caused blood to drip out, someone did this and he tried looking for them with his vampire vision, but no one was there. So, I decided to use my infrared vision, and I soon saw who it was that did this: it was Lisa and she had on an invisibility suit and she was getting another knife out to kill Lincoln. I then fired a powerful crimson red fire blast and it hit her damaging the suit and made her visible again, and when Lincoln saw it was Lisa who did the dirty deed, his eyes turned from black to blood red with anger and he fired a dark energy blast which tied Lisa up in dark energy ropes. Then, I trapped Lisa in a ball of crimson red fire and then, we went back to The Loud House, and as soon as we told Mr. and Mrs. Loud along with the other sisters of what Lisa tried to do, they grounded her for eight months and she was thrown in her own isolation cube in the basement.

We cheered wildly for what Camille Xui did to stop Lisa.

Nico: Now, that was awesome. But, I wonder what ticked off Lisa that badly that day?

Lincoln: I can answer that one, you see, I told Lisa that I'm her older brother and not a test subject, and if she kept up this cold-blooded attitude of seeing humans as test subjects, including her own family, I would have no choice but to call the science committee and tell them of her depraved actions and not only would I get her lab and equipment taken away, but I would also press charges on her for illegal experimentation and invasion of privacy and if found guilty, she'll be sent to a nuthouse for the rest of her life and forever be dubbed an enemy of the state.

Lori: Yeah, he literally threatened to end Lisa's future and career if she kept up her attitude and her desire to use innocent people and her own family as test subjects, and he was dead serious on that one.

Nico: Whoa, that took some serious guts to say that to her.

Luna: You said it, dude, and it was the first time Lincoln stood up to Lisa, and the little monster didn't take it very well and she plotted her revenge.

Me: How many revenge plots did she plan on Lincoln when she still had her dark side in her?

Lucy Loud: One too many.

Lana: Yeah, but his Guardian Angels stopped her dead in her tracks, and she got her comeuppance too many times over.

Nico: Awesome!

We got a shower afterwards, and then, Zelos Wilder and Missy are heading on over to Emerald Cove. Missy was dressed in a pink two-piece bikini with phoenixes on them, sandals, jewelry, and her weapons are holstered in case of trouble, and Zelos Wilder was dressed in red swim shorts, sandals, jewelry, and his weapons are holstered in case of trouble.

Zelos Wilder: Alright, Missy, you ready?

Missy: Ready, Zelos.

Missy and Zelos headed out of the World Tree Estate, and they arrived at Emerald Cove.

Missy: So, this is Emerald Cove, it's really awesome.

Zelos Wilder: And it's another place Sonic and his friends have gone to many times. Shall we?

Missy and Zelos Wilder dived right into the water and they began swimming around the place and they also explored the marine life that dwell here and it's amazing. Then, they also had lunch on the beach as well, then, as the sun was about to set, Zelos Wilder went up to Missy, and he wrapped his arms around her waist and Missy wrapped her arms around his neck, and as the sun turned orange, they shared a romantic kiss as the sun was just about to set, then, they returned home to The World Tree Estate, and they were back in their original clothes.

Nico: Hey, guys, how was your date?

Zelos Wilder: Amazing, Nico, we went to Emerald Cove.

Me: Awesome.

Missy: And we had a really awesome time there.

Nico: That's awesome.

Missy: And things have been quiet here at the Estate, did Sancho and his gang try to…?

Lincoln: Those pigeons tried to, but we drove them off again by throwing cat nip at them, and that got the attention of every cat in Gotham Royal York and the alley cats in Great Lakes City, and they pounced on Sancho and his gang and they got mangled up big time.

Missy: Sheesh, that Sancho was really asking for it.

Nico: You have no idea, that pigeon keeps on coming, we'll just hit harder than ever, and if Sergio tries anything, he's looking at getting paddled.

Paige: Yeah, and if he tries to hurt Linky, we'll be the ones to paddle that big-beaked painted rat with wings.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed two dark energy signals with his eyes and the Force, and he saw who the two figures were in the vision: the two figures are none other than Susamaru and Yahaba, the servants of Muzan Kibutsuji, and they're heading here to take revenge on us for what happened to The Twelve Kizuki and Muzan Kibutsuji. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is someone else coming after us today?

Lincoln: You got that right, Nico, and Tanjiro, you and the other Demon Slayers aren't going to like these two, the two dark energy signals I sensed belong to Susamaru and Yahaba, the servants of Muzan Kibutsuji, and they're heading here to take revenge on us for what happened to The Twelve Kizuki and Muzan Kibutsuji.

The Demon Slayer Corps members gasped in shock.

Nezuko Kamado: Not those two again.

Tanjiro Kamado: Yeah, I was the one who beheaded Yahaba and Susamaru fell victim to Muzan's curse when she said his last name out loud.

Lincoln: If they think we're going to let them run free and try to hurt anyone who gets in their way, those two have another thing coming.

Sol Rodriguez: (Spanish Accent) Si, those two demonios aren't going to get away with this.

Luna Rodriguez: (Spanish Accent) We'll put a stop to those two once and for all.

Lincoln: And with me joining in, it'll be a three-against-two match, but we got to watch it, Susamaru Yahaba are a deadly duo together, especially with Yahaba using his Kosetsu Arrows and Susamaru using her temari balls.

Tamayo: Wait, don't you also have the use of those two Blood Demon Arts as well, Lincoln?

Lincoln: Let me check, Tamayo.

Lincoln formed a Kosetsu Arrow and a temari ball and he threw the temari ball and it was guided by the Kosetsu Arrow and it hit a training dummy version of Xehanort and exploded.

Me: Yep, it looks like it.

Nico: And maybe you can use those Kosetsu Arrows to deflect Susamaru's temari balls and send the temari balls right at them?

Lincoln: That's a good idea, Nico.

But before we were about to leave to confront, Susamaru and Yahaba, we suddenly felt a very dark presence in the air, and we sensed an energy signal here with us.

Lincoln: There's no mistaking that very dark presence from anywhere, you can come out now, Muzan Kibutsuji.

A figure came out, and it was none other than the progenitor of the demons and The Demon King, Muzan Kibutsuji, who's returned from the dead. The Demon Slayers got out their swords, Nezuko, Shinobu, Tamayo, Mitsuri, and Lincoln also got out their massive broad-bladed swords in case that he tried anything. Just then, Vypra appeared.

Vypra: Whoa, guys, take it easy.

Tanjiro Kamado: (Realizes something) Wait a second, Lincoln did say that you were going to recruit Muzan into The Masters of Evil, right Vypra?

Vypra: Yes, but first, he had to be defeated and destroyed.

Shinobu Kocho: And by Lincoln's Sacred Blood Demon Slayer Art technique.

Nico: And I think I know who his archenemy is during Lincoln's rescue when we had to deal with Daki.

Muzan Kibutsuji: That's right, and I've chosen Kendall Morgan, the Plesiosaurus Dino Charge Purple Ranger.

Tyler Navarro: Whoa.

Shelby: Looks like Ms. Morgan's going to have a challenge fighting against the Progenitor and Ruler of The Demons.

Kendall Morgan: That's right. Now, then, shall we get going?

Lincoln: Right, we need to stop Susamaru and Yahaba. Muzan, if I were you, I'd stay here in the World Tree Estate, we don't want those two to see you on the side of The Masters of Evil.

Muzan Kibutsuji: Thank you for the concern, Lincoln, but I think it's time they see that The Twelve Kizuki are no more when you and the Rodriguez twins put an end to them for good.

Lincoln: Okay, then. Alright, guys, let's go teach those two a lesson.

Sol and Luna Rodriguez: (Spanish Accent) Let's get them!

We left the World Tree Estate to confront Susamaru and Yahaba.

?: You filthy humans will pay for what you did to The Twelve Kizuki and to Muzan!

Nezuko Kamado: I knew there's no mistaking that pompous voice from anywhere. You and Susamaru can come out now, Yahaba.

Two demonic figures came out, and they were none other than Yahaba and Susamaru, the servants of Muzan Kibutsuji.

Tanjiro Kamado: I should've known you two would be here, you just don't know when to quit, do you?

Yahaba: Silence, you insignificant worm!

Yahaba sent a Kosetsu Arrow at Tanjiro, but Lincoln sent a Kosetsu Arrow with a temari ball heading in Yahaba's way, and it cuts down Yahaba's Kosetsu Arrow, and he was hit hard by the temari ball. This angered Yahaba, and he and Susamaru were about to attack, until they saw Muzan Kibutsuji back from the dead and on the side of The Masters of Evil.

Yahaba: My lord, what are you doing on the side of The Masters of Evil?!

Muzan Kibutsuji: Isn't it obvious, I'm now a member of The Masters of Evil.

Susamaru: No. (Suddenly enraged) What did you all do?!

Sol Rodriguez: (Spanish Accent) Don't you dare try to pin this on anyone else, six arms!

Luna Rodriguez: (Spanish Accent) That's right, Vypra persuaded him to join The Masters of Evil, and he gladly accepted the deal, and let us tell you something, we were glad that The Twelve Kizuki paid the price for their crimes, and now, you two will both suffer the same fate.

Sol Rodriguez: (Spanish Accent) Prepare to face the wrath of The Sun and The Moon!

Suddenly, the eyes of Sol and Luna Rodriguez turned neon yellow and neon blue, and they were surrounded by auras of yellow and blue energy with suns, moons, and dragons, they unholstered their Sun Dragon Inti and Moon Dragon Quilla-themed greatswords from their backs, and as they approached Susamaru and Yahaba, they left yellow and blue energy, suns, moons, and dragons with every step.

Sol Rodriguez: (Spanish Accent) I will never forgive you for the crimes that you've committed against humanity, Yahaba.

Luna Rodriguez: (Spanish Accent) Same with you, Susamaru. You both delighted in the pain and suffering you inflicted on so many innocent people.

Sol and Luna Rodriguez: (Spanish Accent) And for that, you will both be reduced to ashes for good!

Suddenly, Sol and Luna Rodriguez were surrounded by massive vortexes of sunlight yellow and blue energy with suns and moons surrounding the vortexes, there's Sun Dragon Inti flying around the yellow vortex and Moon Dragon Quilla flying around the blue vortex, and in the vortexes are a yellow and blue phoenix. Then, as the vortexes faded, Sol and Luna Rodriguez emerge, but they were both changed forever.

Luna Rodriguez has transformed into SUPER ANGEL ETERNITY INFINITY LUNAR MEXICO MOON DRAGON ANGEL OF LUNAR DRACONIC JUSTICE AND DIVINE LUNAR MEXICO LOVE!

We were amazed by the Super Angel Eternity Infinity transformations of Sol and Luna Rodriguez, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Susamaru and Yahaba saw them, they fell into a black rage and Yahaba sent two more Kosetsu Arrows pointing at them and Susamaru sent two temari balls to kill them, but Sol and Luna Rodriguez fired powerful yellow and midnight blue energy blasts which destroyed the temari balls and the Kosetsu Arrows, and the Rodriguez Twins fired two more energy blasts and hit Yahaba and Susamaru.

Nico: Whoa, the Rodriguez Twins have transformed, awesome!

Ronnie Anne: Susamaru and Yahaba are in big trouble with the Sun and Moon Twins of Mexico now.

Me: This is going to be good.

Lincoln: Wow, Sol, Luna, you both look beautiful. How do you feel?

Sol Rodriguez: (Divine Echoing Cosmic Voice of The Solar Mexican Dragon and Divine Solar Draconic Love) I feel incredible, Linky.

Luna Rodriguez: (Divine Echoing Cosmic Voice of The Lunar Mexican Dragon and Divine Lunar Draconic Love) Same with me. Now, shall we put an end to Susamaru and Yahaba once and for all?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Cosmic Storm Sword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sol and Luna Rodriguez.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Time to pay for everything you've done, Susamaru and Yahaba.

Sol Rodriguez, Luna Rodriguez, and Lincoln went after Susamaru and Yahaba, who continued firing Kosetsu Arrows and temari balls at them, but they dodged them all, and they fired powerful blasts of rainbow energy, sunlight yellow and midnight blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Fire Angels, and Angels at Susamaru and Yahaba, and they exploded with incredible power as they hit them. Then, Sol, Luna, and Lincoln attacked them with their massive wide and broad-bladed broadswords, and they left scars on Susamaru and Yahaba, and blood was drawn. Lincoln then slit the eyes on Yahaba's hands and he screamed in excruciating pain, and destroyed his ability to fire Kosetsu Arrows.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, I think it's time I showed you both a little dark secret about me before you die.

Suddenly, Lincoln's neon deep sapphire blue eyes turned neon blood red with slit pupils and his vampire fangs lengthened even more, and he started to flying in the air without the use of his eight massive deep sapphire blue angel wings, and as the skies turned dark and the moon turned blood red, a horde of creatures of the night along with a swarm of vampire bats came out into the open, and were flying in the skies. This horrified Yahaba and Susamaru and when they saw the grin on his face with his vampire fangs showing, it terrified them even more.

Nico: (Smirks) Oh man, now this is a really big surprise.

Nicholette Torrington: Never thought I'd see that again, he's got those two demons quaking with fear.

Muzan Kibutsuji: So, Lincoln's a vampire. How did this happen?

Me: It's an ugly story.

Adriana Ardelean Dracula and many of Lincoln's Guardian Angels explained that Lincoln had gotten powers thanks to some of them giving him his blood and Adriana's vampire blood not only gave him all of the strengths and powers of the vampires, but none of their weaknesses, except for the thirst for blood.

Muzan Kibutsuji: Ah, so that explains it, and he did a good job of hiding it.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, my children of the night. KILL THEM!

Then, Lincoln ordered the armies of the creatures of the night after Susamaru and Yahaba, and they attack Susamaru and Yahaba with horrifying savagery, and as the creatures of the night vanish and the skies turn back to normal and Lincoln descends back onto the ground and his eyes change from neon blood red back to neon deep sapphire blue, Susamaru and Yahaba were brutally mauled. Then, Luna and Sol then fired a sunlight yellow and midnight blue blade which decapitates Yahaba and Susamaru and left them to die in a pool of blood. We cheered wildly for what Sol, Luna, and Lincoln did as they holster their massive broad-bladed swords on their backs and power down, and the new bodies, clothes, weapons, jewelry, and massive angel wings of Sol and Luna Rodriguez are permanent.

Just then, Sol and Luna Rodriguez glomped on Lincoln and they kissed him all over, and Lincoln had lipstick marks all over his massive muscular body and face, and he returned their kisses and hugs as well.

Nico: Now, it looks like we're rid of those two for good.

Me: You said it.

Suddenly, a mari ball rolled up to Lincoln and he picked it up, and then, he heard a faint voice asking for the return of her ball. Lincoln places Susamaru's ball near her, and then, Susamaru and Yahaba disintegrated into dust.

Sol Rodriguez: (Spanish Accent) That voice, it was Susamaru.

Lincoln: Yeah, it was, Sol.

Luna Rodriguez: (Spanish Accent) And we know she wasn't one of The Twelve Kizuki, rather she was manipulated into thinking she was.

Lincoln: Yeah, and now, their souls can now rest in peace.

We were over at a new water park we built called Mermaid's Atlantis. It was an awesome water park we made where kids can not only have fun in the water but also swim with REAL Mermaids too! We were also in our swim clothes and the girls were in swimsuits and smoking hot bikinis.

Camie: Wow! Is this waterpark new?

Me: Yep. This is Mermaid's Atlantis. We built it. It's a water park that's open all year. In the winter it makes an awesome hotspring.

Nico: Cool!

Eli: This is gonna be so awesome and fun!

Nico: Cap, you and Celestia are up for bonding time.

Yost Captain America: I'm really looking forward to this.

Princess Celestia: Me too.

Nico: Lets go have some fun!

We cheered!

And the temperature was perfect for it too. It was 100˚Fahrenheit and it was perfect for cooling off and having fun.

On top of an awesome and amazing waterslide called THE SIREN SQUEALER was Yost Captain America and Princess Celestia. It was a huge 45 foot slide with all kinds of twists and turns and more.

Yost Captain America: Celestia, are you happy to have your husband back?

Princess Celestia: I sure am Steve. It's so awesome that I have a whole family with me again.

Yost Captain America: I'm really happy for you.

Then they went down and were whooping and hollering as they were going down and going through spins, twists, turns and more and then they landed in a big pool!

KRASPLASH!

They laughed!

May: You're STILL in a one piece swimsuit, Maria?

Maria: I don't like perverts, okay?!

Nicole: Welcome to the party Maria!

Me: Hey girls you up for going on the biggest waterslide we got?

Camie: You bet we are!

I pointed to it and they gasped in shock!

Me: (DEMONIC VOICE) THE MAELSTROM OF DEATH!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Nico: WHOA! That looks like it goes right through hell!

Me: Oh it does.

We went up to it was it was 500 feet tall and had water that was dyed red to make it look like blood.

Bobby Santiago: Hope you guys like this one.

Eli: Bobby? You work here too?

Me: I hired him to be one of the lifeguards for the water park. It's good pay.

Bobby Santiago: Yep.

Me: Ready guys?

Nico gulped.

I went first.

Me: GERONIMO!

(I WANNA ROCK BY TWISTED SISTER PLAYS)

I went down the slide with lightning fast speed and spun around and zig-zagged and looped and more and it was like a roller-coaster of awesome! I landed with a MASSIVE AND POWERFUL SPLASH!

KRASSSSSSPPPPPLLLLLAAAAAAAAAAAAAAAAAAAAAAAAAASSSSSS

It was a huge splash that drenched everyone!

Princess Celestia: That is an amazing water slide!

Yost Captain America: That was awesome. J.D. and the others are having a lot of fun.

Princess Celestia: They sure are.

Yost Captain America: I know exactly how you feel, Celestia. After all, before I got frozen in ice, I did lost the Bucky of my world for a time.

Princess Celestia: Really?

Yost Captain America: Yeah it was awful.

Princess Celestia: I'm sorry Steve.

Yost Wasp: But Bucky DID come back. As the Winter Soldier.

Princess Celestia: I heard about that. He was an Anti-Hero now.

Yost Wasp: That's right. I feel bad for Bucky too.

Princess Celestia: I'm sorry Janet. That is awful.

Laney and Reggie Rocket were surfing alongside mermaids in the Surfing Pool.

Laney: WOOHOO! COWABUNGA!

Reggie Rocket: You are a great surfer Laney!

Laney: I learned a lot from my brother. He is the Big Kahuna of Hawaii!

Princess Celestia: There actually IS a Winter Soldier in the Redemption Squad on this world.

Yost Captain America: I saw that. Maybe the Winter Soldier from my world would be a great addition for the Masters of Evil.

Princess Celestia: That is a good idea.

Starlight Glimmer, Fluttershy and Rarity's kids were having fun in the kid pool playground. It was called PIRATES SWASHBUCKLING LOCKER! They battled holographic pirates and were armed with foam swords and water pistols.

Lincoln: That is so fun.

Lola: Yeah it sure is bro.

They clashed with holograms of the meanest and most evil pirates ever to terrorize the world.

Starlight Glimmer: Good thing Hook isn't among these guys.

Lincoln: (Laughs) That's true.

Lana: That would be awesome though.

We all regrouped and were having lunch. We were having hot dogs, pizza, burgers and fries.

Me: Boy this was awesome.

Princess Celestia: It sure was. This water park you guys built is absolutely incredible.

Me: Thanks. It took a while. But it was worth it.

Dark Spicer: (Offscreen) Boy it sure was.

We saw Dark and the M.O.E.

Me: Hey guys. Enjoying this hot day and cooling down in our awesome new waterpark?

Vypra: You bet we are.

Misty Tredwell: This is so awesome that you guys have your own waterpark now.

Me: Yeah it's awesome.

Maria: Listen, I have a feeling that an Another Ranger is about to appear soon. I need you guys on standby when I use my cannon. Okay?

Vypra: Okay. Will do.

Lola: Besides we just want to have some fun.

Me: And I have a good feeling I know what the next Another Ranger is gonna be. Since we're at our new waterpark it's gonna be Another Aquitar Red.

Aurico: Another version of me? That I would like to see to believe.

Qin: It sure will be interesting.

The M.O.E. Went to have fun at our park.

Nico: J.D. you made a really awesome and fun waterpark.

Me: Thanks man.

Tsukasa: It's so awesome guys.

Me: How do you guys like being part of the team?

Tsukasa: It's so awesome J.D. and we can't thank you guys enough for helping us.

Me: Aw it was nothing.

Lola: Just wait till we meet Philip and Shotaro tomorrow.

Me: Yep. And they will be glad to see Reika and Maria again.

Nico: Yep.

Me: This is gonna be awesome though.

Nico: Katsumi might hatch a plan that might have good intentions but one that we still have to stop. Meanwhile, Jun Kazu and Shinkuro Isaka might be manipulating him by changing his plan to their advantage.

Me: Katsumi is going into the Masters of Evil. I can't believe I was torn like that about whether to give him the Black Gates or let him live and join our frenemies.

Nico: I know but it was a hard choice.

Me: Yeah and Maria did pull me out of a jam there. But Jun Kazu and Shinkuro Isaka are not gonna be so lucky. They will be getting the Black Gates for sure.

Qin: Yeah they are.

Tsukasa: That's good you made the right choice J.D.

Me: Well it's like what we all learned. Sometimes a hero has to make choices that they don't like to help the people they care about.

Nico: Yeah.

Aligned Arcee: I hope I get to meet Ryu Terui. We have a lot in common. We both turn into motorcycles and we've lost people close to us.

Nico: At the hands of Airachnid and Shinkuro Isaka. FYI, Isaka is the Weather Dopant and Kazu is the Utopia Dopant.

Me: That is cool and I remember that.

Qin: I think it's cool.

Me: But to be honest I feel bad for all the members of NEVER. They were all people that were killed and brought back to life.

Naruto: Yeah reminds me of the Animation Jutsu.

Me: It sure does. But yeah I still feel bad for them.

Nico: We might have to get the infirmary ready after the mission though.

Maria: Why?

Nico: Because Katsumi might literally get stabbed in the back by Kazu.

Me: If that's the case, I'll rip out Kazu's heart and then kill him personally.

Qin: Me too.

Laney: Yeah what Kazu has done and is going to do is pure evil.

Me: That MORE than makes them eligible for the Black Gates.

Nico: Oh, Kazu WILL get the Black Gates. But let's not forget that Shinkuro Isaka killed Ryu Terui's family.

Me: I remember seeing that. They will pay BIG TIME.

Nico: Absolutely. For all the trouble they caused they deserve a fate worse than Hell.

Me: Maybe we can kill Shinkuro and then Banish him to the Warp.

Lola: That works. And then we can banish him to the Black Gates at a later date.

Me: That works perfectly.

Nico: Katsumi's soon to be overthrown plan might involve a device. After Kazu and Shinkuro double cross Katsumi and the Megazord battle begins, we should find a way to shut that device off.

Me: And we will. We have done it before.

Laney: Yeah.

Qin: If that's the case then we better make sure it's all destroyed.

Lola: Yeah.

Eli then sensed something.

Eli: Uh oh. We got company.

We looked behind us and we saw a Scary version of Aquitar Red! We saw that it was ANOTHER AQUITAR RED!

Me: WHOA!

Aurico: Another version of me!

Nico: J.D. was right!

Me: Yep and in our waterpark too!

Maria: Are you fucking nuts?! There are innocent people here!

Another Aquitar Red: (In a girls voice) I'm sorry about that.

Me: (gasp) That voice!

She reverted back and she was a blue hair girl with blue eyes as blue as the ocean and she had the kanji for water emblazoned in the middle of her forehead and she had a blue bikini on and she had an ample chest.

Me: Marina Lexington!

Marina Lexington: Awesome to see you again J.D. And you are really sexy too.

Me: I get that a lot. But it's great to see you too.

Nico: You know her J.D.?

Me: I sure do. Marina has always been known as the sexiest girl in all of my school. Every boy in the school wanted to be her boyfriend. She would wear the most gorgeous dresses and clothes. And when we were at the pool she would wear the most beautiful and most gorgeous blue swimsuits and blue bikinis. She was like a true angel from heaven. And she is. Her family is very rich and wealthy. But unlike many rich families that had mean queen bees like that, she is the polar opposite of those. She is a giving angel from heaven and has a heart of gold. She and I started dating long ago. She only had eyes for me because I'm an angel like she is.

Marina Lexington: It's true. I helped J.D. in many of his classes and even helped him do so many awesome things. I have water powers and blue angel wings.

Nico: That is so awesome.

Me: Yep.

Nico: Did Swartz promise you anything?

Marina Lexington: Only to turn me into a mermaid.

Me: We could easily do that.

Varie: Yeah we sure can.

Marina Lexington: I can tell that he was lying then.

Nico: Yep.

Me: That's why we're going to destroy him on August 12th. Sorry we have to do this Marina. But it's to save you from this awful power.

Marina Lexington: I understand.

She turned back into Another Aquitar Red!

Nico: J.D. we better take this fight to another planet. We don't want anyone to get caught in the crossfire.

Me: Right. And I have just the place in mind.

Nico: It better not be the chum planet.

Me: Ew! No way! It's better.

I snapped my fingers and we were on the Twinkie Planet!

Nico: The Twinkie Planet! Even better!

Me: Yep. First lets get into uniform.

I snapped my fingers again and we were cleaned up and back in our clothes and ready.

Nico: Much better.

Maria: (gets out MOE Cannon) At least our waterpark won't be damaged. It's too innocent!

Another Aquitar Red: That's your water park!? That is awesome!

Me: It sure is. We built it.

Another Aquitar Red: That is cool!

Maria: It sure is. (Turns dial) FIRE FORCE FIRESTORM!

She summoned Firefly, Axel, Firebrand, Pyro, P'andor, Pyros, Heatstroke, Admiral Zhao, Heatwave, Witchfire, Molten Man, Evil Nuova Shenron, Daybreaker and El Diablo, Flarizamon, Fireor and Mortal Kombat Scorpion.

Nico: YEAH!

Daybreaker: This is gonna be fun.

Juniper Celestia: I take it you're an alternate version of the Daybreaker I was chosen to destroy.

Daybreaker: That's correct.

Me: She's from an alternate universe.

Juniper Celestia: Oh.

Me: And for the final touch. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Eli: OH YEAH!

Nico: (takes out Firepower's Ridewatch) Let's start things off.

Nico activated it and got Firepowers weapons.

Nico: YEAH!

(THE HOWLING BY WITHIN TEMPTATION PLAYS)

Nico: (SINGING DIVINELY AS DARKNESS AND FIRE SWIRLS AROUND HIM)

We've been seeing what you wanted, got us cornered right now

Fallen asleep from our vanity, might cost us our lives

I hear they're getting closer

Their howls are sending chills down my spine

And time is running out now

They're coming down the hills from behind

When we start killing

It's all coming down right now

From the nightmare we've created,

I want to be awakened somehow

(I want to be awakened right now!)

When we start killing it all will be falling down

From the Hell that we're in
All we are is fading away
When we start killing…
We've been searching all night long but there's no trace to be found
It's like they all have just vanished but I know they're around
I feel they're getting closer
Their howls are sending chills down my spine
And time is running out now
They're coming down the hills from behind
When we start killing
It's all coming down right now
From the nightmare we've created
I want to be awakened somehow
(I want to be awakened right now!)
When we start killing it all will be falling down
From the Hell that we're in
All we are is fading away
When we start killing…
When we start killing…
I feel they're getting closer
Their howls are sending chills down my spine
And time is running out now

They're coming down the hills from behind

The sun is rising

The screams have gone

Too many have fallen

Few still stand tall

Is this the ending of what we've begun?

Will we remember what we've done wrong?

When we start killing

It's all coming down right now

From the nightmare we've created

I want to be awakened somehow

(I want to be awakened right now!)

When we start killing it all will be falling down

From the Hell that we're in

All we are is fading away

When we start killing…

When we start killing…

When we start killing…

He was dancing and fired waves of fire and darkness and missiles and energy and smashed Another Aquitar Red all over..

Nico: YEAH!

Me: Nice one Nico! Now for me. Marina we learned a lot of new tricks over the years and we have become amazing singers too.

Another Aquitar Red: I can tell. Lets hear a song from you J.D.

Me: Okay then.

I pulled out a Wonder Ride Book. It was called RISE OF THE ICE ANGEL!

"During a Freezing Cold Day of Winter came the Angel of Ice and she will freeze all that are evil in her path on her frozen cold campaign of justice. Beware, the Ice Angel is coming for you."

(ICE QUEEN BY WITHIN TEMPTATION PLAYS)

Lightning, Ice and energy swirled around me as I grew angel wings made of ice.

Me: (SINGING DIVINELY AS ICE, LIGHTNING AND ENERGY SWIRLED AROUND ME)

When leaves have fallen and skies turned into grey

The night keeps on closing in on the day

A nightingale sings his song of farewell

You better hide for her freezing hell

On cold wings, she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

When she embraces your heart turns to stone

She comes at night when you are all alone

And when she whispers your blood shall run cold

You better hide before she finds you

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

She covers the earth with a breathtaking cloak

The sun awakes and melts it away

The world now opens its eyes and sees

The dawning of a new day

On cold wings she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

I danced and flew and fired waves of ice and lightning and blasted Another Aquitar Red all over and flew all over.

Another Aquitar Red: Oh wow! That was so awesome J.D.!

Me: Thanks.

Aurico: There's only room for one Red Alien Ranger!

Me: And that's Aurico!

Another Aquitar Red pulled out a blaster and it was imbued with the powers of Heatwave and she fired a heat laser and I deflected the blast and it hit her.

Nico: She has Aquitar Weapons imbued with the Core and Non-Core Members of the M.O.E.

Daybreaker: That is amazing!

Lola: Yeah it is!

Heatwave: Those are my powers!

Nico: Mick the Another Riders and Rangers all have weapons imbued with all your powers.

Heatwave: Oh right.

Me: But you will like this one.

(WHEN IT RAINS IN AMERICA BY SARAH BRIGHTMAN PLAYS)

Lightning, Water and Wind swirled around me.

Me: (SINGING DIVINELY AS LIGHTNING, WATER AND RAIN SWIRLED AROUND ME)

Do you want to feel freedom

Do you want to see sun and rain

Do you want to be near me

Do you want to light up the way

A strange magical feeling

That maybe baby we'll find someday

I thought I heard you laughing

I never wanted to make you cry

I only needed a reason

To see a teardrop in your eye

'Cause lovin' you keeps me from the storm

When it rains in America

There's a place we can run to

Far away from the city stare

Where's the ocean's a desert

But the wind still blows in your hair

Where we can watch the sun go down

When it rains in America

When it rains in America

When it rains in America

When it rains in America

'Cause loving you keeps me from the storm

When it rains in America

I danced and fired waves of lightning and electrocuted Another Aquitar Red and drenched her.

Another Aquitar Red: That was awesome J.D.

Me: Thanks.

Cleo Sertori: That was cool. Now for this one. I learned this one from the dark side of the legend of the mermaid.

She had darkness and wind swirl around her as she sang with the scary and haunting song of the siren.

That song sent shivers down my spine!

Nico: (GULPS)

She fired darkness blasts and smashed Another Aquitar Red all over.

Rikki: Wow! Cleo that was cool!

Me: Darkness too!? That is awesome!

Maria: Why you girls don't have archenemies yet, I'll never understand.

Nico: Maria have some patience. They'll get some.

Me: We just got to know where to look.

Nico: Yeah.

Emma Gilbert: Besides it's gonna be fun when we do get some archenemies.

Qin: It sure will be awesome.

Rikki: As long as it's not Charlotte.

Maria: Rikki, fuck Charlotte!

Rikki: I know.

Nico: Besides she is dead meat.

Qin: Good riddance.

Emma Gilbert: Yeah!

(LA MER BY SARAH BRIGHTMAN PLAYS)

Water, Fire and Ice swirled around Emma.

Emma Gilbert: (SINGING DIVINELY)

Ancient unknown animals

On a stormy sea

Like Buddha in the water

A velvet energy

As the night takes over

The spirits of the deep

Marvel at his majesty

The whale is in his sleep

Oh, la mer

You're shimmering through

Oh, la mer

Magnificent blue

Shimmering through the water

In search of sanctuary

Currents travel faster

In alien territory

Dancing in the distance

In a puff of spray

In a single moment

The dolphin glides away

Oh, la mer

You're shimmering through

Oh, la mer

Magnificent blue

Oh, la mer

She fired waves of fire, ice and water and smashed down Another Aquitar Red.

Another Aquitar Red: Maria's right. With how powerful you girls are, you're long overdue for archenemies.

Me: That I can agree on Marina.

Qin: Me too.

Pyro: Yeah it has been a while. We just got to decide on who.

Me: Plenty of fish in the sea. Metaphorically speaking.

Rikki: Yeah we can wait.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it and then went over to Marina.

Nico: Yeah!

Me: Marina?

Marina Lexington: (Groans) What a headache!

Me: But at least you're okay.

There were Aquitar Weapons all over the ground and we picked them up. I had Marina holding on to me.

Marina Lexington: I feel like I was run over by a truck.

Nico: It'll be all right Marina. But at least you're safe.

Lola: Yeah that's for sure.

Varie gave Marina some aspirin and it helped her.

Marina Lexington: Thanks Varie.

Me: But this was an awesome battle.

Nico: Yeah and we had an awesome time at the water park we built.

Eli: That was so awesome.

We later went back home.

---

Later we were heading out to a deserted island because we got word of a family that goes there on vacation.

Eddy: Who are we recruiting again?

Me: You might know them Eddy. These are characters I remember from a newspaper a long time ago. It's Calvin and Hobbes.

Nico: AWESOME! I remember them and I love those guys!

Nico told us about them.

Calvin

Calvin, named after the 16th-century theologian John Calvin, is a six-year-old boy with spiky blond hair and a distinctive red-and-black striped shirt, black pants and sneakers. Despite his poor grades in school, Calvin demonstrates his intelligence through a sophisticated vocabulary, philosophical mind and creative/artistic talent. Watterson described Calvin as having "not much of a filter between his brain and his mouth", a "little too intelligent for his age", lacking in restraint and not yet having the experience to "know the things that you shouldn't do." The comic strip largely revolves around Calvin's inner world and his largely antagonistic experiences with those outside of it (fellow students, authority figures and his parents).

Hobbes

From Calvin's point of view, Hobbes is an anthropomorphic tiger much larger than Calvin and full of independent attitudes and ideas. When the scene includes any other human, they see merely a stuffed animal, usually seated at an off-kilter angle and blankly staring into space. The true nature of the character is never resolved, instead as Watterson describes, a 'grown-up' version of reality is juxtaposed against Calvin's, with the reader left to "decide which is truer". Hobbes is based on a cat Watterson owned, a grey tabby named Sprite. Sprite inspired the length of Hobbes' body as well as his personality. Although Hobbes' humor stems from acting like a human, Watterson maintained Sprite's feline attitude. Hobbes is named after 17th-century philosopher Thomas Hobbes, who held what Watterson describes as "a dim view of human nature." He typically exhibits a greater understanding of consequences than Calvin, but rarely intervenes in Calvin's activities beyond a few oblique warnings. The friendship between the two characters provides the core dynamic of the strip.

Calvin's parents

Calvin's mother and father are typical middle-class parents who are relatively down to earth and whose sensible attitudes serve as a foil for Calvin's outlandish behavior. Calvin's father is a patent attorney (like Watterson's own father) while his mother is a stay-at-home mom. Both parents are unnamed throughout the entire strip, as Watterson insists, "As far as the strip is concerned, they are important only as Calvin's mom and dad." Watterson recounts that some fans are angered by the sometimes sardonic way that Calvin's parents respond to him. In response, Watterson defends what Calvin's parents do, remarking that in the case of parenting a kid like Calvin, "I think they do a better job than I would." Calvin's father is overly concerned with "character building" activities in a number of strips, either in the things he makes Calvin do or in the austere eccentricities of his own lifestyle.

When Nico was done we were shocked!

Eli: Calvin's dad takes him to deserted islands to "Build Character"!?

Nico: Yep.

Aylene C.: And his mom makes him eat gross food!? YUCK!

We arrived. The island was located at coordinates 6.49477° N, 87.83757° E, right at the Southern End of the Bay of Bengal.

Me: This island is a dump. And it's located at the south side of the Bay of Bengal.

We saw Calvin.

Maria: Hi! You must be Calvin!

Calvin: Wow Team Loud Phoenix Storm! What an honor to meet you.

Nico: Same to you Calvin. We love all your comics that were in newspapers.

We saw him eating inedible gruel.

Me: Ew don't eat that.

I gave him an ultimeatum burger.

Calvin: Thanks.

May: That must be Hobbes.

Calvin: Yep. It sure is.

Me: Hobbes is awesome.

Nico: He sure is.

Qin: And I love tigers. They are my favorite cats.

Laney: They are awesome.

Calvin: Wait. You guys can see him?!

Me: Yep.

Hobbes: I say it's an honor to meet you Team Loud Phoenix Storm.

Me: You too Hobbes.

Bloo: He's not the only awesome friend he has.

Calvin: Wow that is so awesome.

Me: But it's just absolutely inhumane that your mom and dad are doing this to you.

Calvin: Yeah they said it helps build character.

Hobbes: His mom doesn't like it either. But she DOES give bad food to Calvin.

Me: So we have noticed.

Wilt: I'm sorry but that is NOT good for Calvin.

Me: I agree there Wilt.

Laney: Yeah no kidding.

Me: We need to have a really stern talk with your mom and dad Calvin.

Marina Lexington: I agree there.

Daiki: And by talk, we mean this!

Kamen Ride: Evol!

Kamen Ride: Cronus!

Copies of the two Riders appeared.

Me: WHOA! Daiki I forgot you can do that! But Evol and Cronus are 2 Riders we're going to destroy later on.

Daiki: Wow.

Nico: Yep.

Lana: (Eating the gruel) You tell them guys!

Calvin: She likes Gruel?

Me: Oh that's Lana for you. I've known her for over 6 and a half years and she eats all kinds of gross stuff.

Nico: It's true.

Maria: I wouldn't want to be Calvin's parents right now.

Me: Me neither.

Laney: Yeah.

Calvin: But that is so cool!

Me: It sure is.

Hobbes: I say it sure is.

We then saw Calvin's mom and dad.

May: There they are!

Me: Oh boy.

Laney: Here we go.

We went up to them!

Me: Excuse me are you Calvin's mom and dad?

Calvin's dad: Yes. (Gasp) Team Loud Phoenix Storm!? What are you doing here?

Me: We came to meet Calvin and Hobbes. But also we need to have a little talk about this nonsense about building up Calvin's Character.

Cronus and Evol marched threateningly to them.

Me: If I were you I would start talking as to why you take Calvin to deserted islands instead of fun places like we do.

Nico: And you better do so or else these guys will floss their teeth with your spine.

Me: You got 30 seconds.

Calvin's mom: It was my husband's idea!

Calvin's dad: WHY YOU LITTLE LIAR!

Me: Thank you Calvin's mom but we got this. Now continue.

Calvin's Dad: He can't be indoors all day! This is all for him to Build character!

Me: Don't you know that too much sun is a bad thing?

Nico: Yeah!

Stewie: Look at what it did to me.

Nico: Yeah!

Calvin's mom: And I work very hard on what I give Calvin to eat!

Me: Yes but you don't give him the right foods. Feeding him gruel is not good.

Qin: Yeah it tastes like mushy sawdust.

Lola: YUCK!

Lana: I like it.

Nico: Oh Lana.

Daiki: Say the word and my clones will take them down!

Nico: One more thing. You need to see that your son is not crazy.

Me: I agree.

I snapped my fingers and Hobbes was real!

Hobbes: Ahh I'm real now!

The parents gasped.

Calvin: Now, we just need to show Susie, Moe, Rosalyn, and Ms. Wormwood.

Me: Moe is an absolute jerk and a bully.

Nico: Yeah he should be in a mental hospital.

Lola: Yep.

Me: Rosalyn is a nice girl that babysits Calvin. Ms. Wormwood is a really nice teacher and Susie is a girl that is always getting pelted by Water Balloons from Calvin.

Nico: Yep.

Calvin: Okay, so maybe, I'm still in a girl disliking stage.

Me: Perfectly normal for boys your age.

Qin: Yeah and quite common too.

Laney: That's right.

Eli: But I can't wait to smash that buttface Moe to pulp.

Moe Howard: But I can't wait to slap Moe around.

Curly Howard: Why do you want to slap yourself all over? Nyuk nyuk nyuk nyuk nyuk.

SLAP BOOF HONK TWIST!

Moe slapped his face, hit his stomach, honked his nose and twisted his ears.

Kira Howard: (LAUGHS) That was awesome!

Maria: Bottom line? Calvin should be treated better!

Nico: Yeah!

Me: I agree.

Cronus and Evolt still approached the two menacingly.

The parents were shaking in fear and they laughed nervously. Then the 2 clones mercilessly thrashed the parents.

BAM BOOF BAM CHOMP WHOMP BAM WHAM QUACK BAM BIFF WHAM CHOMP WHAM WHOMP BIFF QUACK!

Sunny Starscout: Boy those guys are getting a taste of justice.

Crag: That they are.

Hobbes: Well, Calvin, after so many years, things might not looking up in your life.

Calvin: Yep. Thanks to Team Loud Phoenix Storm.

Laney: Yep.

Qin: Indeed.

We later went home with Calvin and Hobbes.

---

Later at in the park we were having an awesome party and a barbecue.

Nico: Alright. You guys know what today is.

Me: Yep. It's the 1 year anniversary of the fall of Xehanort.

Nico: That's right. On this day on August 2nd, 2021 we took down the most evil Keyblader ever known and he was going to destroy the entire universe and remake it in his own image.

Vypra: That's right. He was going to destroy everything.

Camie: That is terrible.

Nico: And after Grandfather, there were several missions leading up to it.

Me: Yeah they were so awesome.

Eli: You got that right.

Qin: Those were really epic.

Me: First was the adventure in the world of The Hunchback of Notre Dame.

Camie: That's one of my favorites!

Eli: That was awesome.

Me: And we took down the most evil blasphemous heretic ever: Judge Claude Frollo.

Laney: Yeah and J.D. hates that guy to the Nth Degree.

Mal: Me and my friends wound up in that world after Evie screwed up a potion meant to take us to the Tourney Fiekd in seconds.

Evie: It was an accident!

Me: But that was awesome!

Camie: Wow. What can you guys tell us about Frollo?

Me: You would not like him one bit. As a devote Christian myself, I would never take God's laws into my own hands like he did.

I went over Frollo's history and it was terrible and filled with all kinds of sinful stuff.

---

Judge Claude Frollo, also simply known as Frollo, is the main antagonist of Disney's thirty-fourth full-length animated feature film The Hunchback of Notre Dame and a posthumous antagonist in its 2002 sequel The Hunchback of Notre Dame II. being based on the 1831 French novel of the same name by the late Victor Hugo.

He is a religious fanatic who uses his position as the Minister of Justice in the city of Paris to enrich himself and persecute those he considers inferior, especially the city's Romani population. He is the former master and ex-foster father of Quasimodo as well as his arch-nemesis and the murderer of his parents. This version of Frollo is noticeably more evil than his literary version.

He was voiced by the late Tony Jay, who also voiced Shere Khan in The Jungle Book 2 and TaleSpin, Monsieur D'Arque in Beauty and the Beast, Megabyte in ReBoot, Toplofty in An American Tail: The Treasure of Manhattan Island, Galactus in the 1994 Fantastic Four TV series, the Transcendent One in the videogame Planescape Torment, the Lieutenant in the videogame Fallout, Lickboot in Tom and Jerry: The Movie, and Baron Mordo in Spider-Man: The Animated Series. In Kingdom Hearts 3D: Dream Drop Distance, he was voiced by Shouzou Sasaki in the Japanese version, and by Corey Burton in the English dubbed version. In the musical, he was portrayed by Norbert Lamla. In the Korean dub, he was voiced by

Byung-Kwan Kim, and the musical part was dubbed by Sung-hoon Lee. These two Korean voice actors also got together as Scar.

Frollo's backstory regarding his early life and personal past is completely shrouded in mystery with little to nothing to even hint what his childhood was like to explain how he became the way he did, though he resides in Paris, France, where he initially serves as a court judge. Throughout his life (Very likely through his position as judge) he became a deeply religious, pious, law-abiding but xenophobic man who devoted his life to a religious and genocidal crusade against the Romani population (or gypsies as he addresses them), abusing his position to inflict great suffering upon the race and believing them to "live outside the natural order" and engage in "heathen" behavior, as well as "inflame the people's lowest instincts". For this reason, many Romani citizens (if not all of them) held a great fear of the tyrannical judge who always segregated them whenever crime took place (regardless of whether they're guilty or not).

One winter's night, a group of Romani travelers attempts to enter Paris in secret, only to be stopped by Frollo and his soldiers. When one of the travelers (a woman carrying a bundle) attempts to flee, Frollo, thinking her to be hiding stolen goods, chases her through the streets of Paris. The woman arrives at Notre Dame and tries to gain sanctuary in the church, but Frollo catches up to her. As he wrestles the bundle from her, he kicks her in the abdomen, causing her to fall head-first on the front steps of the church and die instantly.

Frollo eventually finds out the bundle actually carries the woman's hideously deformed baby son, whom he attempts to throw down a well, believing him to be an "unholy demon" due to his deformities and that doing so would "send it back to Hell where it belongs". However, he is stopped by the Archdeacon of Notre Dame, who berates him for murdering an innocent woman on consecrated ground. Though Frollo defends his actions regarding the death of the woman and his attempt to drown the child, the Archdeacon tells him that even though he could hide his crimes from the public and lie to himself about his justifications, he could never hide his crimes from the eyes of the Virgin Mary (Notre Dame being French for "Our

Lady.") As the Archdeacon goes to give the dead woman a proper burial, he tells Frollo to adopt the baby and raise him as his own son in order to atone for his actions.

Fearing damnation, Frollo begrudgingly accepts and names the baby Quasimodo ("half-formed"). He keeps him out of the people's attention in the cathedral towers, as he believes that the child may have some future use for him as he intends to make his goals a reality. As Quasimodo grows up, Frollo regularly visited him and put his corrupted beliefs in the latter's mind as well persuading him to never venture outside to avoid the hatred of the world, which he describes as cruel and unforgiving for deformed people. It is also shown that he lied to Quasimodo about the fate of his mother, telling him she never loved him and abandoned him which caused him to take him in. The abuse continued for 20 years with Frollo going out of his way to shame him for being deformed. In spite of this, Quasimodo desires to venture outside the cathedral one day, hoping that people will accept him as one of their own in spite of his deformities.

Twenty years later, Quasimodo has become the bell ringer of the cathedral, and Frollo has risen to become Minister of Justice and has almost complete control over Paris' affairs while King Louis XI is away at war. When doing his usual lesson with Quasimodo, Frollo is infuriated to learn that Quasimodo is interested in attending the annual Festival of Fools. He refuses to let Quasimodo attend, as it goes against his edict that Quasimodo never leaves the bell tower under any circumstances. He also admits that even though he is required to attend the festival due to his status as a public official, he doesn't enjoy it at all and in fact utterly loathes the concept of the Festival of Fools, describing it as "the dregs of humankind all mixed together in a shallow, drunken stupor." He convinces Quasimodo to forsake his desire to attend the festival to avoid the harrowing judgments that the rest of Paris supposedly has for people who are deformed.

At the Palace of Justice, Frollo had his previous Captain of the Guards tortured by Pierrat Torturue, believing him to be a 'disappointment'. He then recruits a renowned soldier and war hero Phoebus to serve as his new captain of the guards and join him in his campaign against the Romani populace. Frollo also stated that the Romani people have a hideout known as the Court of Miracles, which he has been searching for 20 years to no avail. Though Phoebus is skeptical about the Romani as an actual threat and appalled by the way Frollo punishes his men for failure, he agrees to help Frollo.

While attending the festival, Frollo discovers a Romani dancer named Esmeralda, who both attracts and disgusts him with her beauty. Shortly afterward, Quasimodo is revealed to have changed his mind about attending the festival and has secretly joined the festivities, but his cover is ultimately blown when he is nominated to become King of Fools (an award given to the person with the "ugliest face in Paris") and the others figure out that he is the hidden bell-ringer. Frollo is clearly infuriated that Quasimodo has disobeyed him, and is even more so when he is ultimately crowned King of Fools.

In the midst of the cheers for Quasimodo, the Oafish throws a tomato at Quasimodo, causing several more soldiers to incite the rest of the crowd to start throwing food at him as well. Several others tie him down, and the crowd continues throwing food at him, cruelly laughing at him and mocking him. Quasimodo begs Frollo for help, but a displeased Frollo allows the torment to continue to punish him for his disobedience, even refusing to allow Phoebus to put a stop to the torment.

Esmeralda then comes to Quasimodo's aid by cutting him loose, despite Frollo forbidding her. She berates the judge for tormenting the innocents he is supposed to protect. Frollo is unable to silence her and vows that she will pay for defying him. Esmeralda defies him once again when she proclaims that Frollo is the realKing of Fools and throws Quasimodo's crown at his feet.

Frollo orders Esmeralda to be arrested, but she is able to evade his guards at the Festival with magic tricks, which Frollo describes as "witchcraft". Frollo is left humiliated by his and his guards' inability to capture her. He then glares angrily at Quasimodo, who apologizes for disobeying him and vowing not to do so again, before returning to Notre Dame.

Esmeralda is only able to escape Frollo's wrath by sneaking into Notre Dame, where she is beyond Frollo's reach due to the divine right of sanctuary. However, Phoebus is able to follow her in, but she stands up to him and fights him to a draw, earning his respect. Frollo barges into the cathedral and demands that Phoebus take her into custody, but Phoebus claims sanctuary for Esmeralda on her behalf. Frollo demands that Esmeralda be "dragged outside", but the Archdeacon arrives to defend her and reminds Frollo to respect the sanctity of the church. An angered Frollo then orders his guards to leave, but he himself hides behind a pillar.

While the Archdeacon peacefully escorts Phoebus out of the cathedral, Frollo comes up behind Esmeralda and grabs her, threatening her by saying that 'gypsies' don't do well inside stone walls. He then proceeds to sniff her hair inappropriately and gropes her neck. Esmeralda is utterly disgusted and shoves Frollo away. He then accuses Esmeralda of "clouding [his] mind with unholy thoughts." As he leaves the cathedral, Frollo taunts Esmeralda that he's placing her under house arrest and he would have her arrested the second if she steps outside of the church. He then posts guards at every entrance, effectively trapping Esmeralda inside Notre Dame.

That night at the Palace of Justice, Frollo is disturbed by his attraction and lust for Esmeralda. Despite this, he is against God, shifting the blame of his crimes on others (including God and the Devil) and coming to the conclusion that Esmeralda must have put a spell on him to damn his soul, and that his desires for her were not his fault at all. He resolves to either have Esmeralda for himself or kill her if she refuses (which he expresses in the song "Hellfire"). Unbeknownst to Frollo, Quasimodo has helped Esmeralda escape the cathedral in gratitude for her rescue of him during the Festival of Fools, as well as feelings of love towards her.

Upon learning that Esmeralda has escaped, Frollo furiously declares that he will hunt her down even if he has to burn down all of Paris. The next day, he leads his men in a ruthless manhunt for Esmeralda, raiding portions of the city and capturing more Romani citizens. Frollo offers bribes of silver to the captured Romani in exchange for the location of Esmeralda, but they refuse out of complete disgust, and Frollo has them imprisoned, much to Phoebus' disgust.

Frollo later arrives at the home of a miller and his family and accuses them of harboring Romani travelers in his home when he discovers a gypsy talisman on the miller's property. The miller protests for his family's innocence in the whole affair and begs mercy from Frollo, who refuses to listen and places the miller and his family under house arrest. He then orders Phoebus to burn down the mill with the family still inside, simply to make examples of the "traitors". Appalled that Frollo wanted to murder an entire family of innocent people, Phoebus furiously defies the order, inciting an annoyed Frollo to set the mill ablaze himself. Horrified, Phoebus goes into the burning building and lets the family escape to safety, only to be knocked out by the Brutish Guard.

Frollo then orders Phoebus to be executed for his insubordination, but before Phoebus can be killed, a disguised Esmeralda (having witnessed the event) throws a rock at Frollo's horse, causing the horse to throw Frollo off. This distracts Frollo's men long enough for Phoebus to steal the horse and ride away, prompting an angry Frollo to order his guards to kill Phoebus. Eventually, one of the guards managed to pierce Phoebus in the back near his heart with an arrow, sending him to fall into a river, much to Esmeralda's shock. Leaving Phoebus for dead, Frollo appoints the Brutish Guard as his new Captain of the Guards and resumes the search for Esmeralda. Unbeknownst to Frollo and his men, Esmeralda was able to rescue Phoebus and secretly bring him back to Notre Dame where she and Quasimodo help nurse him back to health.

As night falls, Frollo's hunt has left Paris burning and in ruins, with Esmeralda still nowhere to be found and the deaths of hundreds, if not thousands of people. Frollo is at a loss to explain how Esmeralda could have possibly escaped Notre Dame when he had it completely surrounded. He then deduces to the accurate conclusion that the only way she could have escaped without alerting his guards would be if Quasimodo helped her.

With that in mind, Frollo paid an unannounced visit to Quasimodo, and though at first, Frollo appears to be visiting him as he normally does. However, he furiously reveals that he is aware that

Quasimodo helped Esmeralda escape. Though Quasimodo protests that he was only repaying the girl for her genuine kindness to him, Frollo angrily rages at him, claiming that her kindness was "cunning" and that Romani people are not capable of love. However, Frollo calms down and concedes that Quasimodo could never stand a chance against Esmeralda's "heathen treachery" and promised to free him from her "evil spell" by claiming that he had discovered the Court of Miracles, and at dawn, he will attack it with a thousand men.

Using a gypsy necklace that Esmeralda gave to him earlier that details the location of the Court, Quasimodo and a recovered Phoebus tracked down the Court in the old catacombs underneath the city's graveyard, where they warned Esmeralda and the Romani citizens of the judge's impending attack and that they need to leave the city immediately to avoid Frollo's wrath. Unfortunately, Frollo and his soldiers followed them in secret and laid siege to the Court, arresting all the Romani people (including Phoebus and Esmeralda). Frollo then admitted that he deliberately lied to Quasimodo and that the supposed attack was nothing more than a ruse to mislead Quasimodo into leading him to the Court, mocking Quasimodo of "finally being of use" to him. Having succeeded in his goals in capturing Esmeralda and tracking down the Court of Miracles, Frollo declares to the Romani people that he will personally oversee their public execution at the town square; he even plans to do the same to Phoebus in order to "remedy his revival from the dead". As the guards take the Romani people into custody, Quasimodo begs Frollo to spare them, but his pleas fall silent as Frollo has him chained up back in the bell tower to prevent him from leaving again.

Having succeeded in rounding up the entire Romani population, Frollo gets them all (including Phoebus and Esmeralda) locked up in cages as he intends to execute them all (with the help of his executioner Henriet Cousin) in the town square. Both the Archdeacon and the townspeople angrily protested at this and demanded the Romani to be released, but Frollo gets his soldiers to hold them off. As Frollo finishes his preparations in tying up Esmeralda (as his first victim) at the stake, he offers her a final ultimatum: he will pardon her and allow her to walk away alive, but only if she becomes his mistress. Esmeralda angrily refuses by defiantly spitting in the judge's face, and Frollo begins the process of condemning her and setting the stake on fire, much to the citizens' horror and outrage. Though it would've seemed that Frollo is about to get away with his actions as he smiles wickedly while watching the flames surround Esmeralda, an outraged Quasimodo frees himself from his chains and swings into the courtyard to rescue Esmeralda from the burning stake. Quasimodo then swings back to the cathedral, loudly declaring sanctuary for Esmeralda before hiding her in a chamber for safety, much to the delight of the Romani people and the citizens (including Phoebus and the Archdeacon).

Enraged that Quasimodo has interfered yet again, Frollo finally loses what remains of his sanity and orders his men to attack the cathedral by force, telling them to grab a wooden beam (which Quasimodo previously threw to crush Frollo's carriage) and use it to break down the door. In the chaos, Phoebus is able to free himself and rallies the citizens of Paris to free the Romani people and fight back against Frollo and his soldiers. As such, Phoebus, the Romani people, and the citizens engage in a fully-fledged battle against Frollo's soldiers while Quasimodo and his gargoyle friends take charge of the defense of Notre Dame itself and are able to prevent quite a few soldiers from entering the church. Eventually, Quasimodo and the gargoyles resort to pouring hot vats of molten copper down into the courtyard to stop the soldiers' advance. The molten copper completely surrounds Notre Dame and is successful in warding off Frollo's soldiers, but Frollo is able to cut a small entrance into the door with his sword, large enough for him to get in.

As Frollo heads towards the staircase to the bell tower, the arriving Archdeacon (being aware of what happened) confronts him for going insane with power and attacking the church. Declaring this to be the last straw, the Archdeacon furiously states that he won't tolerate Frollo's actions anymore, implying that he will report Frollo to King Louis XI and have him arrested and/or executed for his crimes. However, Frollo furiously shoves the Archdeacon out of the way and locks him out of the tower, telling that he himself and Quasimodo both have "unfinished business to attend to", and that the Archdeacon will not interfere this time.

Though Quasimodo is initially celebrating the victory against Frollo and his soldiers, Esmeralda has fallen unconscious because of smoke inhalation, and Quasimodo's attempts to revive her are not successful. Frollo finds Quasimodo sobbing over Esmeralda, believing her to be dead. Frollo appears to assert his guilt, vindicating his actions by stating he was simply doing his duty and says that it's time to end Quasimodo's suffering forever. However, Quasimodo notices Frollo's shadow raising a dagger, clearly intending to kill him. With that in mind, Quasimodo overpowers Frollo by pushing him to the floor and throwing the dagger away, filled with rage against Frollo for what he has done.

A shocked Frollo begs Quasimodo to listen to him, but Quasimodo has been finally fed up with Frollo's lies, going on an emotional tirade about how all his life Frollo had told him that the world was a dark, cruel place and that he now sees that the only reason why the world is like that is because of intolerant and wicked people who are just like Frollo. Following Quasimodo's tirade, Esmeralda finally recuperates, much to Quasimodo's complete relief. Enraged that Esmeralda was still alive, Frollo draws his sword, but Quasimodo picks Esmeralda up and quickly darts onto the church's balcony and out of sight.

Frollo is hunting down both Quasimodo and Esmeralda, and he finally finds them trying to climb down the wall. He tries to cut off the gargoyle structure that Quasimodo was hanging on, but Quasimodo leaps to another one out of Frollo's reach. Quasimodo keeps evading Frollo and manages to get Esmeralda to climb back onto the balcony.

Blinded by rage, Frollo finally confesses that he murdered Quasimodo's mother when she tried to protect him as a baby, which left Quasimodo and Esmeralda shocked. As such, Frollo proclaims his intention to kill Quasimodo like he should have done 20 years ago. He blinds Quasimodo with his cloak and attempts to throw him into the molten copper below, but Quasimodo manages to hold on to the balcony and pulling Frollo down along with him.

Instead of letting his foster father fall, Quasimodo holds him and the cape tightly while Frollo maintains his hold on the cape, with his own grip on the balcony weakening. As Esmeralda attempts to pull Quasimodo to safety, Frollo is able to climb onto part of the wall onto another gargoyle structure. With his eyes and mouth glowing in a more menacing tone, Frollo steadies himself and cackles evilly at their situation. With an evil grin, the demented judge raises his sword to kill them both, proclaiming that God shall smite the wicked and plunge them into the fiery pit of Hell.

Ironically, at that very moment, the gargoyle starts to crack, causing Frollo to lose his balance and hang on to the gargoyle for dear life. Much to Frollo's fearful horror, the gargoyle comes to life and furiously roars thunderously at him, serving as divination of God that finally declares Frollo as the true wicked for his heinous crimes against the population of Paris and as well finally had enough of Frollo. As such, the angry gargoyle willfully breaks away from the cathedral completely, sending itself and a screaming Frollo plunging into the molten copper a long way below, where Frollo gets incinerated to his death and receives his eternal comeuppance, thus avenging the deaths of Quasimodo's mother and all of the other Romani people who were killed by Frollo. Esmeralda loses her grip on Quasimodo, but Phoebus (who found a way to enter Notre Dame before molten copper) saves him by catching him from another floor below, much to Esmeralda's relief.

With Frollo finally dead, Quasimodo reunites with Esmeralda and Phoebus before giving his blessing to their relationship. Quasimodo then ventures outside Notre Dame, where everyone (including the Romani citizens) happily praised him as a hero for putting an end to Frollo's tyranny, fulfilling his lifelong dream of being accepted into society in spite of his deformities. Although no information is given on Frollo's cruel soul in Hell, he is probably screaming for mercy to God while demanding why he is being punished. God most likely refuses to listen to him and gives him a harsh punishment in the Lake of Fire for his crimes against Paris.

When I was done everyone was shocked!

Camie: Whoa! He was pure evil!

Me: Yeah no kidding and thank goodness we gave him the Black Gates.

Lola: Yeah.

Me: But back then we didn't give him that.

Nico: Yeah.

Camie: What happened in that adventure?

Varie: That was an epic one.

Varie told them everything that happened in chapter 1464 and it was intense!

When she was done everyone that hadn't heard about it was floored!

Camie: That is awful Frollo was that evil!

Tsuyu: He was a monster!

Marina Lexington: Yeah no kidding! Burning all of Paris to the ground just to go after Esmeralda!? He's a Satanic Monster!

Me: God would never condone what Frollo had done. He took God's laws into his own hands to find and purge all sin.

Nico: That's physically impossible.

Me: Yeah.

Nico: Next, we went to the 3 Musketeers world.

King Mickey: Now that was a cool one.

Me: It sure was. And we faced a really funny version of Pete there as well as the Beagle Boys.

Pete: That was cool though.

Laney: It sure was.

Aligned Bumblebee: Me and my team wound up in that world thanks to the Ground Bridge malfunctioning.

Me: That is awesome.

Nico: It sure was. But we owe you guys for helping us in that world though.

Aligned Bumblebee: That was cool though. Think nothing of it.

Eli: Yeah.

Nico: Next, we went into the Grid.

Me: That was cool!

Twilight Sparkle: That was really awesome meeting Sam Flynn and Quorra.

Sam Flynn: It sure was and you guys rebooted and restored Tron.

Qin: That was awesome.

Laney: And we destroyed the malevolent computer virus CLU.

Lola: Yeah we sure did.

Camie: Tron is one of my favorites.

Tsuyu: Mine too.

Me: We went to both the worlds of the 1982 and 2010 movies. 1982 during the 20 Days of Darkness and 2010 during the days leading up to the War with Xehanort.

Yamato: Me and my team wound up there while we were fighting the remnants of Ginis' forces.

Nico: That was awesome!

Me: Yeah it sure was. And we owe you guys big time for helping us in that world Yamato.

Yamato: That was cool.

Qin: It sure was.

Vypra: That was awesome though.

Xigbar: It sure was and I actually liked both movies for Tron.

Me: Yeah those were awesome.

Nico: Next, we went to Fantasia.

Me: That was my favorite because we went into worlds for all the great musicals of the great musical masters.

Laney: I loved that one too because of the themes for each world in that one. And the music is magical and beautiful.

Fluttershy: Oh I thought it was amazing.

Me: Yeah. We battled all kinds of villains in that one. Specifically Walt Disney's Version of the Devil, CHERNABOG!

Nico: Yep.

Sunset Shimmer: I liked The Firebird.

Lola: I liked Mount Olympus and the Season Fairies for The Nutcracker.

Lisa Loud: The Rite of Spring was a most entertaining one for me.

King Mickey: And you guys got to see what I was like working under Yen Sid.

Nico: We sure did. Those were all awesome.

Me: The most gut-wrenching of them was Franz Schubert's Ave Maria.

Maria: That's right.

Yang: Me and Yin got there by accident.

Yin: I was trying to cast Transfoomate.

Me: That is awesome. But you guys did help out.

Nico: Yep.

Me: Also after that we found out what Xehanort was gonna do. He called it a purge.

Camie: He was gonna destroy the entire universe and remake it in his own image.

Vypra: That's right.

Lola: The stage was set for 1 year ago today.

Qin: Yeah it sure was.

Nico: Next, we met up with Hercules again.

Me: And that was for the grand finale of the Hercules Battle Trifecta as I call it.

Nico: Yep and we faced all the Titans and Hades.

Hades: That's right and that was awesome.

Anna Knudson: It sure was.

Pyros: We'll never forget that one.

Zhuqiaomon: We sure won't.

Me: That was so awesome and epic. And it's also where Lucky and the Kyurangers helped out.

Lucky: That was awesome!

Spada: It was our first time meeting you guys.

Hammie: It sure was.

Me: And we owe you guys big time for helping us too.

Lucky: We got there after we landed in your world.

Tsurugi: We actually wanted to check up on how things were.

Me: That's okay. But we still appreciated the help.

Nico: Yeah we sure did.

Balance: Yeah that was awesome.

Champ: Yeah it sure was.

Naga: I agree there.

Nico: Next, we met up with Rapunzel.

Eli: Now that was awesome and I love Rapunzel just as big a sister as Ariel.

Me: You love all the Disney Princesses like sisters Eli.

Ariel: He sure does.

Rapunzel: But that was so much fun seeing you all again.

Rin Nohara: We all had a great time dancing in that festival too.

Me: That was so much fun.

May: I had a great time with that.

Qin: Yeah that was so awesome.

Me: And we destroyed Gothel.

Camie: I've heard about her. She was a monster.

Lola: Yeah and I hate her.

Me: I can't remember if we gave her the Black Gates or banished her to the Warp.

Tony: Me and my friends wound up in that world.

Edyn: I was actually trying to use a spell to open a portal to Earth.

Me: That's cool you guys helped out though.

Nico: Yeah that was awesome.

Edyn: It sure was.

Qin: Yeah.

Nico: Next, we reunited with Woody and the Gang.

Me: Now THAT was so awesome. And it's where we saw Sora pilot that awesome Gigas suit. Those were cool.

Nico: Those were awesome.

Me: What's ironic is we found out earlier that Andy and Hannah are boyfriend and girlfriend.

Camie: What's ironic about that?

Me: Sid Phillips, Andy's former next door neighbor and Woody's old archnemesis has a little sister named Hannah and she and Andy are now dating.

Lola: That's right.

Me: Sid would destroy and torture toys. It's why Woody and the gang were terrified of him.

Woody: It's true guys.

Buzz Lightyear: Yeah that was scary.

Me: But the world of Toy Story we went to was not like the movie. We were in an in-between sequel between Toy Story 2 & 3. We also redeemed Stinky Pete.

Lana: Thanks to me.

Stinky Pete: It's true.

Me: And we battled that giant UFO Heartless, The King of Toys.

Mysterio: That was awesome to hear about. I'll have to make giant robots for that one.

Me: That will be exciting.

Astro Boy: I accidentally wound up in that world.

Clyde: That was awesome though. But we owe you big time for helping us.

Astro Boy: That was awesome.

Clyde: And I got Young Xehanort's Keyblade too.

Me: You sure did.

Nico: We went to Monsters Inc next.

Me: Now that was cool. Nico was starting to be called Commander Nico back then.

Nico: I took on a Military theme for that one.

Me: Yep. But also we helped out Sulley, Mike and friends there except for Randall.

Nico: Yeah no kidding. And we helped solve the energy crisis.

Mike Wakowski: You sure did. The tank size was the problem.

Qin: It sure was.

Sulley: It's hard to imagine we were using tanks that were half the capacity of the ones we are using now,

Lola: Yeah and we found out that laughter is 10 times more powerful than scream.

Otto: Me and my friends wound up there after I messed with a Dark Orb.

Maria: You guys are lucky that we disarmed Evil Vanitas before that!

Me: Yeah but it was awesome you helped out though.

Stacy Bolton: And I got to see my awesome gnarly shredding friends

too.

Otto Rocket: That was awesome though.

Qin: It sure was.

Nico: We reunited with Elsa next. But Poliwag also drank Red Bull!

Poliwag: I regret nothing!

Me: That was still funny though. But yeah we sure did Reunite with Elsa and Anna.

Eli: That was awesome.

Qin: It sure was. And Nico, I heard during this one time, Elsa got sick and she blew a horn and fired a huge snowball that crashed into Hans and sent him plowing into a pile of manure.

We laughed hysterically at that one!

Vypra: I heard about that! That was so funny.

Lola: Yeah that was hilarious!

Marina Lexington: It sure was.

Elsa: That was awesome and funny.

Me: Yeah. That was so funny. But yeah and we helped Elsa get over her fear and reunite her with Anna.

Nico: Yep. And we brought Hans and that stupid Duke of Weaseltown to justice.

Me: And I used a method I learned from the 1960 movie Black Sunday.

Laney: Yeah that was freaky.

Kermit: Me and my friends got there after Fozzie touched a Dark Orb.

Fozzie: I thought it was a grape and I didn't know it was that Dark! Wokka wokka wokka!

Muppets: FOZZIE!

Nico: That's funny but we owe you guys for helping us too.

Lola: Yeah that was so awesome.

Larxene: That was great though.

Nico: We reunited with Jack Sparrow next.

Jack Sparrow: You all sure did mates.

Me: And we found out a massive and explosive revelation from Davy Jones about how he killed Athena.

Eli: Yeah and I went completely ballistic.

Lola: Yeah that was awful.

Nico: What Davy Jones did was unforgivable.

Me: Well he was given the Black Gates forever.

Lola: Yeah thank goodness.

Qin: Yeah he deserved it.

Ariel: And I'm glad he got them.

Fu: Same here.

Dr. Nick: Me and my friends wound up in that world.

Nicole: You sure did and it was awesome to see you guys there.

Lola: That was awesome.

Nico: Yeah we had no idea Dr. Nick was a colleague of yours too.

Me: That was really cool though.

Laney: It sure was.

Hiro: We went to my world next.

Nico: That was so fun.

Qin: Yeah it sure was.

Me: Yeah that was one of the cool ones.

Eli: The world of Big Hero 6 is always fun to see.

Marluxia: I thought it was fun too.

Me: Same here.

Jason Jenkins: Me and my friends wound up there.

Jared: You sure did and that was so awesome. It was great seeing you guys there.

Laney: I thought it was awesome too.

Me: We all did. That was so awesome.

Qin: Yep.

Nico: Next, we learned some new things.

Me: And we found out about them in a really mystical place called Scala Ad Caelum.

Tsuyu: What's that?

Me: It's name is Latin for Stairway to Heaven.

Nico: Yep.

We told them all about what we found out and more and how we battled Anti-Aqua again for round 2 in that one.

When it was done everyone that hadn't heard about it was shocked.

Camie: Whoa!

Carly Atlas: I was really amazed about that one though.

Misty Tredwell: Me too.

Dudley Puppy: Me and Kitty accidentally wound up there.

Kitty: Yeah we sure did.

Me: But that's cool you guys did.

Laney: And it was awesome to see you all there too.

Dudley Puppy: It sure was.

Me: Also after that battle I ended up getting the very weapon that Xehanort was trying to find: The χ-blade.

Nico: Yeah that was awesome.

Me: And then came the final battle.

Eli Shane: Me and my team helped get the Heartless off you.

Lana: You sure did.

Me: But it was so awesome that Lana knew you guys too.

Eli Shane: That's true.

Me: And we owe you guys big time. And we went to the Keyblade Graveyard for the ultimate battle.

Eli: That was awesome.

Me: And I got my 3rd most powerful transformation there too.

Qin: Yeah you sure did.

King Shark: I ate Dark Riku as dinner!

Sirius: Was he tasty?

King Shark: Yep.

Me: Awesome and amazing.

Sora: And then, we did one Hell of a final blow to Xehanort.

Me: We used one of the most powerful combo final smashes we've ever done.

Lola: We sure did.

Qin: That was so awesome.

Twilight Sparkle: It sure was.

Sunset Shimmer: Yeah.

Camie: And the universe was free from him.

Nico: But little did we know that behind the scenes, Mr. Mind had expanded his forces a bit…

Me: And the battle with Team Dark Phoenix Storm would come 2 months later.

Qin: Yep.

Nico: All in all 2021 was one of the most eventful years of all.

Laney: Yeah it sure was.

Maria: That's a story for another time.

Me: Yeah.

Nico: Yep.

Me: That was awesome.

Nico: And here are some Ridewatches. Along with Blueprints for ones not made.

Nico got out Ridewatches for Spade Ace, Battle Japan, Denzi Red, Vul Eagle, Goggle Red, and their copies.

Nico: I also have blueprints for Akaranger and the copy of it.

Me: Cool!

Leif, Lexx, Levi, Leon and Lynn Sr. Got the originals and Byleth, Marina Lexington, Cleo, Rikki and Emma got the copies.

Maria: Who gets the Ridewatch for Akaranger and its' Copy after we take out the Respective Another Ranger?

TTG Terra for the copy of Akaranger and Gwen Tennyson for the original.

Maria: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm hoping to do one for Diablo of Primal Rage next.

We gasped in shock at the sound of that one.

Qin: Whoa that one is gonna be infernal!

Laney: Yeah and Diablo is pure evil incarnate. He was when we faced him.

Nico: I know.

Laney: But that will be interesting to see.

Me: Yep.

Maria: Nico, which Gene Slammer do you think you'll meet next rescue?

Nico: I'm hoping to do one for Diablo of Primal Rage next.

We gasped in shock at the sound of that one.

Qin: Whoa that one is gonna be infernal!

Laney: Yeah and Diablo is pure evil incarnate. He was when we

faced him.

Nico: I know.

Laney: But that will be interesting to see.

Me: Yep.

We had a great barbecue and party and I showed a great statue made by Laney and Chip Cutter. It wass a statue of all of us standing over the dead bodies of all of the REAL Organization XIII with Xehanort included including the villains of Disney we all destroyed and Sora had a glowing heart in his hand with Kairi by his side. On the statue was a plaque. It said "On this day August 2nd, 2021 the War of Xehanort took place which lead to the destruction of the most evil Keyblader ever to terrorize the entire universe. With him fell the True Organization XIII as the almighty Team Loud Phoenix Storm triumphed and stopped his malevolent Purge of everything in the unvierse to remake it in his own image." It was an amazing statue.

Later we went back home and rested as we got ready for tomorrow and then went to sleep.

Meanwhile over in Japan, The W Kamen Riders were getting ready for our arrival.

Philip: It's gonna be awesome having Team Loud Phoenix Storm help us.

Shotaro: It sure will be awesome.

.Ryu: I'm really excited about this and I can't wait to destroy the enemy we're going to take down too.

Philip: Me too. We're ready for them. Lets do it!

CYCLONE! JOKER! ACCEL!

Ryu, Philip and Shotaro: HENSHIN!

They transformed and Shotaro fell to the ground as they transformed!

All: TIME TO COUNT UP YOUR SINS!

They went at the screen!

TO BE CONTINUED!

# 13 Days of Kamen Riders 02 - W

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Transylvania, Romanian. But, they were no ordinary three figures, their were Sour Punch, the daughter of Lincoln's future wife, Sour Grapes. along with a black bird and a skull-headed dog. Lincoln woke up from the dream, but he wasn't the only one, Sour Grapes, Sour Patch, Lori Loud, Nico, and I also had the same dream.

Lincoln: Sour Grapes, Sour Patch, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Sour Grapes: And it also means that we found out where our daughter, is at.

Sour Patch: Along with a black bird and a skull-headed dog.

Me: they're at Transylvania, Romanian.

Nico: Oh man, that's not good. It's the same place when we found Viola, Presta, Dotty, Cinnamon Roll, and Piper Panflute, And it is not a safe place for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Sour Grapes, Sour Patch, Me, and Nico were heading to Transylvania, Romanian. Then, Lincoln saw a 11-year-old girl who has pale skin, purple hair in a messy short bob with her bangs collected in a small ponytail just above her forehead with a grape hairclip, and purple eyes. She wears a black lace choker, a black, dark purple, and light purple patchy dress with two ribbons coming from her back, and light purple sandals. A miniature black bird with a blue head. And a dog with black skull-like helmet who has mostly dark gray fur, although his belly and the tip of his tail are covered in purplish-tan fur, and pink eyes with yellow sclera. Lincoln saw who they was, it was Sour Punch, Buzzer-Beak, and Snarl the Skull-Headed Dog.

Lincoln: Excuse me, are you Sour Punch?

Sour Punch: Yes. Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Sour Grapes came out, and when Sour Punch, Buzzer-Beak and Snarl the Skull-Headed Dog saw her, they were stunned.

Sour Punch: Mom, is that you?

Sour Grapes: Yes, little rockstar, it's me.

Sour Punch, Buzzer-Beak and Snarl the Skull-Headed Dog ran up to Sour Grapes, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, and Sour Patch.

Lincoln: And there's something you should know, Sour Grapes, your mother is one of my many future wives.

Sour Punch: Wait, Don't tell me, Let me guess, you're my father now?

Lincoln smiled, and that filled Sour Punch with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Sour Punch to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Sour Grapes with her daughter, and she now has a loving, strong, brave, and caring father in her life.

Kaoruko: It's amazing.

A Shining Friendship came up to her and she got an awesome new friend.

Me: You made a new friend with a Shining Friendship. That is a good one.

Qin: It sure is. I think it's awesome that there are so many monsters to pick from. Especially my friends.

She had Dancing Fairies with her.

Nico: (LAUGHS) So awesome.

Ebonwumon: (Irish Accent) I think it's great for you lads. It's gonna be an amazing recruitment rescue too.

Eli: It sure is.

Nico: Thanks for coming with me, Ebonwumon.

Ebonwumon: Oh it's no problem lad. It's gonna be really fun for us to go with you. (2nd Head) It sure will.

Nico: I think it's awesome that you have 2 personalities with you too.

Ebonwumon: That is true lad. (2nd Head) We both have two heads.

Me: It's true what they say. Two Heads are Better Than One.

Shiro: It sure is.

Camie: So what is the dark Story that Ganto and Shiro went through?

Me: Well it's not a very pleasant sight. Have you ever heard of a place called Deadman Wonderland?

Camie: No?

Me: Well you don't want to know about it.

Nico: It's a prison for the most dangerous criminals in the world.

Ganto: Yeah.

Nico: But it's what happened there that really pissed us off.

Nico told us everything about what happened in chapter 953

---

In the estate, Kairi was crying hard. She was really upset the way that Dark Spicer used her to try and kill Sora. We couldn't help but feel sorry for her. They were sitting on the couch watching TV as Kairi was crying her eyes out. Sora was comforting her.

Kairi: (Crying hard) Sora, I'm so sorry I tried to kill you!

Sora: Kairi it's not your fault. Dark Spicer made you try to hurt me so it's not your fault.

Me: Yeah Kairi, you aren't to blame for it.

Fu: That's right Kairi. It's not your fault that this happened to you.

Sakura Haruno: If anyone is to blame for it it's Dark Spicer. He made you do all that against your will.

Naruto: That's right. It's not your fault. Believe it.

Me: Yeah. But if we ever see Dark Spicer again, he will pay for using your body like that.

Lincoln: That's right.

Lola: I'll burn his butt for this!

Laney: Yeah!

Lincoln: We all will torch him for this. No one uses our friends like puppets and lives.

Nico: You got that right Lincoln.

Kairi: (Sniffles) Thank you guys. Thank you.

Sakura Haruno: You're welcome Kairi.

Aqua: Yeah.

Fu: Dark Spicer crossed the line big time for this.

Me: He sure as hell did.

We agreed to put Dark Jack Spicer down once and for all when we see him again. No one uses us as a puppet and lives to tell the tale.

Later we were over in Orchid Bay and it was a beautiful and bustling town.

Sandman: Here we are at Orchid Bay once again.

Me: Yep. It's the home town of Juniper Lee and her friends.

Nick Russell: I heard that a lot of magical creatures came here.

June: They sure did Nick and it's my job as the Te Xuan Ze to maintain the balance between the magical, physical and spiritual planes. It's a big responsibility and we have to do it.

Ophelia Ramirez: That's right. It's a really tough job and it's gonna be really cool working together as partners.

June: That's right Ophelia.

June's bracelet went off.

Me: Uh oh. Magical disturbance?

June: Yep.

Ophelia: Lets roll!

Ophelia spread her bat wings and then June and Ophelia were off and we followed them.

Ray Ray: You guys weren't kidding when you said Ophelia was gene-slammed!

Skullcruncher: (laughs) Are you really surprised?

Ray Ray: No way! It's awesome!

Qin: It may be a gift, but it was given to us by a mad man.

Ray Ray: WOW!

Monroe: (to Ophelia) (Scottish Accent) Lass, when I heard about you changing form, I thought it was through magic.

Warpath: Nope. It was through science all the way! And no, we're not going into another magic vs science debate.

Me: Yep. Ophelia was gene-slammed through science. One madman's goals to enslaving the world by messing around with the very laws of Mother Nature.

John Bolton: That's right.

Carolyn Hope: Yep.

We saw June and Ophelia fighting two demons that were picking on one of June's magic friends in the forest. It was a brutal fight and it was powerful.

Me: Wow! Look at that!

Varie: Whoa! That is so awesome!

Lincoln: June's job is just as amazing as ours on Team Loud Phoenix Storm.

June and Ophelia kicked the Demon's butts and sent them back to the underworld.

Me: WAY TO GO YOU TWO!

Nico: Those two demons have failed this world.

Vince: Boy you said it Nico.

Carol: Yep.

June and Ophelia came back to us.

June: That was too easy.

Me: It sure was. Awesome job you two.

Ophelia: Thanks J.D. It's really cool being June's partner.

Me: It sure is. You know June, there's no reason why you two shouldn't have to do all this alone. You can at least have some of your friends help out too.

June: I guess you're right.

Ophelia: That's true.

Me: Yeah. Jodie and Roger would make great helpers for you too.

Ophelia: I'm sure.

June: Jodie is still shaken up about what those vikings made her do.

Me: I know. From what I heard she hasn't gone to school ever since that happened. Ino has been trying to help her out.

June: How is she doing?

Me: Ino's therapy sessions are working well. But these things can't be rushed. They take a lot of time and healing.

June: That's understandable.

Ophelia: I'm glad she's getting help from Ino.

Alicia (Dead Space): She's a great psychologist. She helped me and my sister get better after our ordeal.

Suzie (Dead Space): She sure did.

June: I'm glad you two are better.

Alicia: Thanks.

Hunter: (German Accent) Ja und I'm glad two.

Me: Same here Hunter.

We continued our tour of Orchid Bay and we saw all kinds of awesome places and more.

In Japan, Yolei and Lana were doing some shopping for the store in

America. They bought all kinds of good food and more.

Yolei: Thanks for helping me with my store shopping Lana.

Lana: Any time Yolei.

Yolei: Now that we live in America with you guys we figured it would be perfect for us to have fun with Nico and everyone.

Lana: You said it Yolei. I think it's really cool that you do all kinds of great things with Digimon and all that.

Yolei: Yep.

Then they heard trashcans clattering and in came a man and he was a black hair man with a prison uniform on and he had a strange collar around his neck.

Man: (Wheezing) You got to help me! I'm dying!

Lana went over to him.

Lana: What's wrong!?

Man: I've been poisoned. I busted out of Deadman Wonderland and they are going to kill us. You have to stop them.

He took off his collar and gave it to Lana.

Man: You have to find an antidote and save the people there that are wrongfully convicted. Please… Destroy Deadman Wonderland. Save us! Please! (Dies)

Lana: He's gone.

Yolei: What happened to him?

Lana: I don't know. But this collar might have something to do with it.

Yolei: We'll take it back to the estate and run some tests.

Lana: Okay. First lets take him with us for an autopsy.

Yolei: Good idea.

They took the body with them and they went back to the estate.

* * *

At the estate we were watching TV and playing card games and Yolei and Lana came in with the body.

Lana: We got big trouble guys.

They brought in the body and it was in rough shape.

Lincoln: Geez!

Laney: What happened to him!

Me: He's dead and is in really bad shape.

Lisa: I'll take him to my lab for an autopsy.

Nico: Okay.

Lana: He said we have to destroy a place called Deadman Wonderland.

I gasped when I heard that name!

Me: Deadman Wonderland!?

Lincoln: That ruthless maximum security prison that is also an amusement park!?

Me: That's it.

Nico: Whoa! I've heard about Deadman Wonderland! It's the most ruthless prison ever and it also makes even the most ruthless concentration camps over the decades seem like a joke.

Me: That's right. They say there's no place that is worse than Hell. But Deadman Wonderland is a nightmare that is just like it. Here's what it is.

I pulled it up on the computer.

---

Deadman Wonderland was supposedly built for the revival of Tokyo, pulling a lot of tourists to the prison's special attractions. In reality, its true purpose is the containment of Deadmen, and in particular, to seal the Wretched Egg.

The prison is built on the Mother Goose System, a device created to seal the Wretched Egg's powers. It has six normal wards (labeled A-F) and one special ward (G Ward) for containing Deadmen. The prison has a special system called the "death sentence rule". That is that every prisoner on death row wears a collar that constantly injects poison into their bodies. The only way to avoid being killed by said poison is to eat Candy (an antidote) every three days. However, Candy is very expensive.

History

Deadman Wonderland was built after the Great Tokyo Earthquake with Hagire Rinichirō in control being left in control after taking over Tsunenaga's father's body. The warden was, in fact, sick, and it was the promoter who was pulling the strings. For ten years, Deadman Wonderland sought Deadmen and imprisoned them. The Carnival Corpse was also one of the first events held in the prison.

Hagire's body was defeated by the Wretched Egg which resulted in Tamaki becoming the head warden. In the year 2024, Scar Chain attempted a prison break, though it failed. They later made another successful attempt, but only Karako Koshio and a handful of others escaped. While on the outside, Karako revealed Deadman Wonderland's secrets to the media. Tamaki, needing an excuse for the truth within the prison, depicted the Deadmen as being inhuman animals. Due to this, Tamaki was able to continue his work with the Deadmen. The prison even began broadcast the Carnival Corpses.

Around this time, the Forgeries were introduced. The Chief Guard, Makina discovered Tamaki's plan and attempted a coup d'état. She succeeded with the help of Ganta Igarashi and the other Deadmen. Tamaki commits suicide and the prison was closed for good. Toto

Sakigami later surfaces and assumes complete control over Deadman Wonderland. All Deadmen were later retried and the regular prisoners were transferred to another prison. After Makina's explanation, a mission to return to infiltrate Deadman Wonderland was installed though they all perished at the hands of Hagire and the Wretched Egg.

Makina and Karako later establish a plan to return to Deadman Wonderland alongside other Deadmen with the purpose of defeating Hagire and stopping the Wretched Egg. The mission succeeds and Deadman Wonderland was destroyed in a battle between Ganta and Shiro.

Everyone gasped in sheer horror!

Lola: That place is a nightmare on Earth!

Lily Loud: I can't believe such a place like that exists! And these collars poison the inmates to death and only the candy they have can save their lives!? That is awful!

Varie: That is completely barbaric. They kill all kinds of criminals all for their everyones entertainment and that is one of the worst things that mankind can do.

Me: It is.

Lana: And these collars have poison in them that can kill prisoners? That is sick!

Me: I know.

I looked at the collar and I got the poison out and smelled it.

Me: It's a slow-acting Neurotoxin. Kills the victim in 3 days.

Lisa came down with the autopsy results.

Lisa: That is correct J.D. It appears our John Doe died as a result of a lethal dose of a slow acting neurotoxin that killed him in hours.

Me: He must've been given it all at once because of these collars from Deadman Wonderland. But also that place is a hellhole on steroids. We need to go there and shut it down!

Nico: But how? That place is locked up tighter than Fort Knox.

Me: Not just that, but there are a bunch of people there that are suffering the worst of it. Some of them are wrongfully convicted criminals.

I pulled up their information.

Ganta Igurashi.

Birth name Maruta, Ganta was originally conceived by his mother Sorae Igarashi in order for her to continue her research with human testing. Shortly after his birth, Ganta's presence awakens the maternal instincts within his mother. Hagire Rinichirō meets with Sorae in the maternity ward and rejoices at the thought of continuing his experiments and goes off to prepare. Soon afterward, Sorae had begun to regret her choice of using her son as a subject for her experiments. After a conversation with her lab assistant and presumably Ganta's father who offers to take the newborn and leave, Sorae procures a little girl to be used as a test subject in his place, Shiro.

While living at the research facility, Ganta met Shiro. He told her he liked her hair and became her friend and playmate. At that time, Ganta didn't know the cruel torture his mother and Hagire put her through so he did not understand when she would lash out at him in pain and one time broke his Aceman doll, causing him to reject her. However, she saved him from a rabid dog and their friendship became stronger. Another time, Shiro accidentally hurt him with her strength when they were playing, but he impressed her when he stood back up. Ganta would celebrate his birthday with Shiro, due to her not knowing when she was born and both would receive homemade presents from his mother.

One day, while Ganta was looking for Shiro to play, he accidentally stumbled upon a room where Shiro was subjected to experimentation. At that time, Shiro already created her second personality, the Wretched Egg. Ganta, witnessing the slaughter of other scientists, ran away shocked and scared, dropping his Aceman doll which triggered Shiro to prevent Wretched Egg from killing Ganta. While the Wretched Egg was loose, Sorae sent Ganta to his father for his own protection and begged him to forget what happened with Shiro, to which Ganta replied he doesn't know who Shiro is, due to his shock causing him to forget everything about her.

Once at his father's home, he began a new life and when he was old enough, he enrolled in Nagano Middle School. There he met a girl named Mimi and a boy named Yamakatsu and became best friends with them. In 2023, A year before the start of the series, Ganta and his classmates went to a waterpark for a school trip.

Shiro

In the past, Sorae Igarashi, not wanting to use her own son in her and Hagire Rinichirō's experiments, went on to adopt a female albino child to use as a substitute.

Before the birth of the Wretched Egg, Ganta and Shiro played quite often, sharing a common admiration of Aceman. They first met when Ganta saw her sitting by a tree and commented on her white hair. Shiro became embarrassed about her hair, but Ganta told her he liked it, making her feel better and they started playing, eventually becoming good friends.

She and Ganta normally got along quite well, but once, when Shiro was in grave pain because of the constant injections, they once bickered so violently that Shiro broke his Aceman action figure and Ganta took his toys and ran away from her in tears. Soon after, he came face-to-face with a rabid, vile dog, one of the other test subjects that escaped from the lab. Ganta dropped to his knees in fear and called for Aceman to save him. Suddenly, Shiro jumped down from a window and landed on the dog, knocking it out and saving Ganta. After this, Shiro vowed to become Ganta's "Aceman" whenever he was in trouble.

Because of Hagire and Sorae's experiments, her body would often deteriorate, and needed to be sewn back together. Her arm fell off once while she and Ganta were playing hide-and-seek. She has also been seen with her leg being sewn back on. She was used in excruciatingly painful nanomachine experiments, causing her to create a separate personality known as the Wretched Egg to cope with the pain.

The Wretched Egg was the cause of the Great Tokyo Earthquake. It was revealed in Chapter 55 that this wasn't an accident; it was actually Wretched Egg attempting to use her powers to such a degree that she could destroy her body faster than it could regenerate, as an attempt to commit suicide. Sorae created the Mother Goose System afterward to prevent her from trying it again, but gave her a small measure of hope by showing her the red crystal, and stating that she could still 'get her wish.' The moment she found out Ganta's class would be taking a field trip to Deadman Wonderland and saw his name on the list, she stole the red crystal, and broke out of the prison entirely to infect him with it.

Hagire built a room for Shiro in Deadman Wonderland, supplying her with all the candy she could ever eat.

## Senji Kiyomasa

Kiyomasa Senji (千地 清正, Senji Kiyomasa), a.k.a. Crow, is a former police officer and one of the major supporting characters in the series. He is a Deadman previously imprisoned in Deadman Wonderland. He has trained Ganta and helped him on multiple occasions.

Eight years before the start of the series, in 2016, an 18-year-old Senji worked as a police officer. After the Great Tokyo Earthquake, he and his colleagues Akira Shindō, Tōshirō Kan, Momoi, and his senpai Domon were assigned to Tokyo in order to restore the peace. At that time, Senji already had his Branch of Sin and used it to defeat thugs.

A special anime exclusive episode expands Senji's background story from his days in the police. During one of the chases, Senji corners a thug and starts assaulting him with his Crow Claw. Seeing the thug as nothing more than trash, Senji intends to kill him but is stopped by Domon. Back in the Police Station, Senji gets into an argument with his colleagues that someone told the man he was being followed by the police. The blame is pinned on Senji due to his past of working with street thugs, so he starts a brawl to protect his honor. After taking a walk through a farmers market to cool off, he spots Izuru being chased by the Goreless Peace gang members for stealing their valuables. Senji intervenes and beats up the gang members who swore revenge on him. He then takes Izuru back to Hinata in the orphanage not knowing that Goreless Peace was following him. As Senji returns home, he is intercepted by Keigo Ugachi who tries to get Senji to join his gang, but he refuses. Keigo is infuriated by this and commences an attack on the orphanage, killing Izuru and Hinata as well as the other orphans. Enraged, Senji alongside his comrades storm in Keigo's manor. Domon and his crew start gunning down gang members, while Senji chases Keigo and is eventually caught in his Branch of Sin: Wire Lyre. Senji attempted to get free, only to be caught once again. Domon then arrives to assist Senji, but Keigo traps him as well, wounding him critically in the process. Angered by this, Senji manages to extend his Crow Claw and stabs Keigo through the chest. Keigo tells Senji to finish him off, which Senji is glad to comply with, however, Domon interrupts, telling Senji that he cannot kill Keigo as then he'd be no better than him. Senji raises his Crow Claw to bring down on Keigo, but stops at the last second as he notices that Keigo fearfully flinched. Senji passes out, Keigo is arrested and placed in Deadman Wonderland.

Because of the efficiency Senji and his team operated, a lot of criminals wanted to kill them. They teamed up with Ikazuchi Akatsuki as their leader and challenged Senji. Senji's team protected him and went to the challenge alone, leaving Senji behind. When Senji finally arrived, the entire team was murdered, with the exception of Domon. He called Senji over and gave him a lecture about depending on others. "If depending on others is a specialty of kids, then acting all cool is a specialty of adults." He died soon after that.

Sometime after that, Senji was taken to Deadman Wonderland and addressed a tattooist to tattoo the first letters of his team-mates' names above his right eye (DSMK). Four years before the start of the series, the Necro Macro was used to capture a rampaging Crow within the prison. It succeeded in capturing him, but killed twenty-four other prisoners in the process. Senji became the subject of legend within the general prison population afterward.

### Takami Minatsuki

Minatsuki was previously just an ordinary girl. One day, an earthquake happened while she was in a greenhouse. Her mother came, but much to her surprise and horror, she grabbed one of the plants and ran off, leaving Minatsuki behind. The entrance collapsed on her though, killing her. This eventually caused Minatsuki to become a warped liar (and gained her Branch of Sin powers) with a sadistic personality.

She lived with her father and brother from then onwards. Because of her twisted personality, she manipulated Yō to think their father was physically abusing her, often resulting in her brother beating up his father in retaliation.

One day, she faked a sexual assault and Yō attacked his father once again. For reasons unknown, however, Minatsuki used her powers and killed her father. Not knowing of Minatsuki's abilities, Yō held himself responsible, nevertheless, she was sent to Deadman Wonderland not long afterward, and because of her powers, she was confined in G Ward.

### Kengamine Nagi

Nagi Kengamine (剣ケ峰 凪, Kengamine Nagi) a.k.a Owl was a Deadman and the leader of Deadman Wonderland's former rebel group Scar Chain.

Before he formed Scar Chain, he was in a relationship with a female Deadman while in G Ward. They were about to become parents before being put into a Carnival Corpse against each other. Nagi intentionally lost the battle, as he did not want to injure his wife, who was pregnant at the time. His defeat gave way to his punishment game, in which he lost his vocal cords. Because of Nagi's dishonesty, having lost to his wife on purpose, Tamaki performed experiments on his wife in order to punish Nagi. As a memory of his love, Nagi wears her scarf around his waist. Two years later, Nagi forms Scar Chain in order to help fulfill his dream of holding his daughter, whom he believes to be alive in the outside world. He later allows Karako Koshio to be his second-in-command.

## Koshio Karako

Karako Koshio (興緒 唐子, Koshio Karako) a.k.a Game Fowl is a Deadman and the former second-in-command leader of Scar Chain. She is in love with Nagi Kengamine and her purpose for joining Scar Chain was to fight for his sake. Together with Nagi, she set up the mass prisoner break. She and other Scar Chain members eventually got out. Karako exposed the secrets of Deadman Wonderland to the world, leading to the closure of the prison. After the release, she gathered the Deadmen for a new mission to infiltrate Deadman Wonderland.

Before her time in Deadman Wonderland, she worked as a nurse.

Once in Deadman Wonderland, she was feared as the merciless Game Fowl, who won some Carnival Corpses. It was at that time that Nagi approached her and told her that she was his friend, talking about the pretty sound of her bell. Together with Nagi, she later formed Scar Chain. In the anime, Scar Chain was already founded and Nagi appointed her as his second-in-command.

He once showed her his locket with, he says, a picture of his baby inside. However, the locket was empty, but Karako pretended she didn't see that it was empty and said to him that his daughter looks a lot like him.

At an unspecific point in time, Karako developed feelings towards Nagi.

## Miya

Miya (ミヤ, Miya) was a Deadman and a former member of Scar Chain. She died during the Deadman mass prison break.

At some point in the past, Miya was imprisoned in Deadman Wonderland. Later, she joins a resistance faction within the prison known as Scar Chain.

Makina Kiwako

Kiwako Flügel Makina (蒔名フリューゲル季和子, Makina Furyūgeru Kiwako) is the former chief guard at Deadman Wonderland. She had the entire prison under her command, with the exception of G Ward. After she discovered Tamaki's secrets about the Wretched Egg, the Deadmen and the Forgeries, she turned against him and shut the prison down. Later, she set out on a mission to defeat Hagire Rinichirō and seal the Wretched Egg.

Sometime before the storyline, Makina joined the Special Forces, where she learned her swordsmanship skills. There, she also befriended Ekō Kaidō, Kashima Toraichi and Bonbu. At some point, she became a warden at Deadman Wonderland. Four years before the start of the series, Makina ordered that the Necro Macro be used to hunt down and capture a rampaging Kiyomasa Senji within the prison.

---

Laney: Whoa!

Qin: That is so disgusting! These people were framed for crimes they didn't commit!

Me: It sure is.

Nico: We got to get them out of there and blow up that whole prison.

Me: And we will. Here are our targets.

I pulled up the information of our targets.

Rinichiro Hagire

Rinichiro Hagire (also known by his current body of Toto Sakigami) is the main antagonist of the anime and manga series Deadman Wonderland. He transfers to bodies he chose as vessels like the old man and Toto Sakigami with his albino twin bodyguards. His current body is Toto Sakigami, a young man who is considered the strongest Deadman. Hagire also gained Toto's abilities including Love Labyrith allowing him to copy other Deadman abilities by absorbing his opponent's blood.

Hagire was a scientist who worked with Sorae Igarashi. Hagire and Sorae did research on how to highten someones immune system. Hagire had Sorae choose a "Ginea Pig" for them to experiment on. Sorae ended up choosing Shiro. Hagire and Sorae did a number of inhuman and downright sadistic experiments on Shiro that could be considered torture. Shiro suffered so much that she developed an evil personality in order to cope with the pain. Shiro ghen attempted suicide by releasing a giant ball of energy which caused the Great Tokyo earthquake. Hagire and Sorae managed to survive the earthquake. Sorae then built a machine calked The Mother Goose System which kept Shiro from starting another earthquake. Hagire was angered by this and demanded that she tell him the password to shut down the mother goose system. Sorae denied Hagires request before shooting her self in the head. Hagire visited a hospital which had two people, Chan and En, in it. Chan and Ens branch of sin could transfer a body over to another. Hagire saw this as a golden opportunity and acted as if he loved them in order to get them to trust and work for him. Hagire had Chan and En use their branch of sin in order to transfer his body into the body of an old man. This turns out successful in the end. Now in the body of the old man, Hagire creates the prison Deadman Wonderland. Hagire also had the deadman fight each other in order to see who the strongest deadman is, so that he can transfer his body into theirs next. He also raises Shiro in this form.

## Deadman Arc

Hagire is seen with Tsunenaga Tamaki as they discuss the next deadman fight (Ganta vs Humming Bird). Hagire then decides that he will use Toto Sakigamis body. He once again has Chan and En preforme their branch of sin in order to transfer Hagires body into Totos. Before going into Totos body, Hagire fights with Shiro and ultimatly ends up dieing, however, his body is transfered into Totos just as he dies, bringing him back to life in the body of Toto while his old body has died.

## Scar Cain Arc

When Shiro bumps into Hagire while looking for Ganta, Hagire tells her that the data chips are explosives. Shiro saves Ganta from the chips but Ganga ends up punching her in the face. Shiro runs off and Hagire is able to find her. Hagire tries to manipulate Shiro into hating Ganta, but instead, she runs off saying that she will punch Ganta. Hagire tries looking for Shiro and bumps into Ganta and Senji. He steals Senjis ability by licking Senjis blood and tries to do the same to Ganta but is stopped by Senji. He then takes his leave. While eating deadman body parts, he is interrupted by Hibana Daida. She attacks him but is easily killed in the end. Hagire is then seen eating Deadman body parts and gainig their ability until Chan and En show him a picture of Ganta's family, which interests Hagire.

## Forgeries Arc

Hagire is seen telling Ganta that the deadman are forgeries and that they were created for "Humanitys Sake." Hes also the one that made the notes on how to create a forgery which is were Tamaki got the idea to make an army of them.

## Revolt Arc

Hagire appears outright killing Azami and telling Wretched Egg to come with him to the battlefield. They arrive their and Hagire confronts Tamaki, telling him that he was just a pawn in his game all along. Right before Hagire could kill Tamaki, he shoots himself in the head (which disappoints Hagire). After Ganta and Wretched Eggs battle, Hagire takes Wretched Egg and puts her in a bed to sleep while questioning why she didn't kill Ganta.

## Return To Deadman Wonderland Arc

When a team of police search Deadman Wonderland, Hagire jumps out and orders Wretched Egg to kill them all (which she does). Hagire then appears trying to hatch The Mother Goose Systems code. After many failed attempts, he goes insane and states that if Sorae Igarashi was still alive, he would torture her until she tells him the password. Hagire visits Wretched Egg and is enraged to find out that "Ganta Gun" and "Ganbare Gun" are different Branches Of Sin used by Ganta. Hagire then decides to take over Gantas body in order to get his powers and unlock the Mother Goose System.

Hagire then begins to search for Ganta and ends up bumping into Mitsuzaki Yosuga. Yosuga mistakes Hagire for Toto and Hagire attacks her for "getting in his way". Hagire then breaks a hole in the ground and spots Ganta and Senji. He tells Ganta to come with him but he denies. He knocks Ganta to the ground and begins fighting with Senji. He tackles Senji and before he can take Senjis other eye out, Ganta decides to give himself up and go with Hagire. Hagire sets Ganta to the machine which is used for Hagire to transfer his memories into others. When Ganta sees all the memories of what Hagire did to Shiro as a child, he begins freaking out. Before Hagire can successfully transfer his memories to Ganta, Chan and Ens branches of sin are destroyed by Senji, causing the machine to stop working. Now infuriated, Hagire attacks Senji and stars to overpower him. However, Senji comes back and nearly kills Hagire, but Chan and En took the blow themselves in order to protect Hagire. As Chan and En die, they tell Hagire that they love him, to whuch he responded saying that he never loved them. Hagire continues his fight with Senji and gets the upper hand. He then leaves Senji to die in order to go after Ganta instead. Just before he can get Ganta, Senji gets up and takes Ganta with him. Hagire chases after them and shortly confronts the duo. Senji slices a billboard and which Hagire assumed was to get him distracted. However, while thinking this, Ganta jumps out from the rubble of the billboard and shoots Hagire directly in the chest with a Ganta Gun. Yosuga then returns and saves Hagires live out of confusion that hes Toto. Once Hagire is healed, he tries to find Ganta and his friends again. When Ganta unlocks the Mother Goose System, Hagire busts in and thanks them for "helping him unlock the Mother Goose System." Hagire and the protagonists have one final show down. Hagire takes a massive beating from the heroes. Yosuga then tries to help him but he stabs her in the chest and kills her. He then goes on a rant about how everyone is getting in his way. Ganta then uses his Advanced Ganta Gun to finish Hagire off for good.

## Tamaki Tsunenaga

Tsunenaga Tamaki is a supporting antagonist in the anime and manga series, Deadman Wonderland. He acts as Deadman Wonderland's Promoter, and is essentially the de facto tyrant of Deadman Wonderland. The anime also depicts him as the son of

Deadman Wonderland's Director Rinichiro Hagire.

Before the Great Tokyo Earthquake (a massive earthquake that sunk 70% of Tokyo and killed 150,000 people resulting from the Wretched Egg awakening) ten years prior to the events of Deadman Wonderland, Tamaki was a reclusive and indifferent computer otaku who would spend hours (if not days) shut up in his room, playing video games and not caring about anything else (even his family).

When the earthquake struck, his computers and game consoles were destroyed. The power was down, so he frantically searched for a backup generator; in his path he encountered his mother, who begged him to help her. Wanting nothing else but to play his games, he completely ignored her and abandoned her to die. When the generator was up and running, Tamaki realized that his games were all destroyed. This shattered his mind, and led him to engineer Deadman Wonderland to act as a gigantic video game, so he could keep playing like he did before the earthquake.

Now promoter of Deadman Wonderland, Tamaki treats the prisoners like his own personal toys. When Nagi and his wife were forced to fight each other at a carnival corpse, Nagi lost the fight on purpose in order to protect his pregnant wife. Because he lost, Nagi was penalized and lost his vocal cords. Tamaki noticed that he lost on purpose and thought that his wife should be punished as well. Nagi and his wife tried to run away but were killed by Genkaku. Tamaki then took the fetus of Nagis pregnant wife and used it for study, while forcing Nagi to watch.

In the anime, Tamaki was also the judge that sent Minatsuki to Deadman Wonderland after she killed her father. He also enjoyed Yoh's suffering as he watched his sister being sent to Deadman Wonderland.

Genkaku Azuma

Monk) was the leader of the Undertakers (an elite anti-Deadman task force consisting of the worst prisoners Deadman Wonderland has to offer). He is a deranged Buddhist monk who believes that death is salvation from a world full of pain and darkness. He is one of the main antagonists of the anime and manga Deadman

Wonderland.

Genkaku makes his first appearance accompanying Tamaki who encounters Yoh Takami in G-Block (where Deadmen are housed). Yoh asks if Genkaku is really a monk, to which he responds that he's an "uber monk" ("uber" is the German word for "super"). Tamaki tells Yoh that he cannot buy his sister's freedom with his many Cast Points (Deadman Wonderland's currency) as Deadmen are not eligible for release under any conditions. Yoh angrily tries to attack Tamaki, realizing that all of his hard work has been for nothing since he cannot help his sister. Genkaku steps in and stops Yoh with the projectiles that launch from his guitar. As Tamaki leaves, Gengaku follows.

Genkaku next appears in Scar Chain's meeting room. Genkaku attempts to instigate a fight with Ganta, Nagi, and Karako. Ganta tries to hit Genkaku with his Branch of Sin, but he dispels it with his Worm Eater (anti-Deadman technology which negates Branch of Sin powers). Shiro then intervenes, dropping down from the ceiling and destroying Genkaku's guitar, genuinely surprising the deranged monk.

Genkaku is later seen annoying Hibana with his impersonation of an air guitar while waiting for his actual guitar to be repaired.

When Scar Chain put their escape plan into motion they arrive at the elevator. However, Genkaku and his subordinates are there to greet them when they reach the top. He quickly kills several of them before allowing his men to finish the rest off. Genkaku corners Ganta and prepares to kill him, but one of his lieutenants (Mozuri) inform him that they have to retreat. Genkaku reluctantly complies, but promises Ganta that he will soon give him a "private show".

He is next seen injecting Nagi (who was captured during the escape) with drugs to force him to remember his repressed memories of violently killing a large amount of Undertakers after his wife was killed by Genkaku. Genkaku succeeds in breaking Nagi's spirit and filling his soul with rage and a desire for retribution.

He then captures Karako and Shiro (Karako was disguised as an Undertaker in an effort to find and save Nagi and Shiro exposed them both after drunkenly crashing through a vent right next to her).

After Ganta arrives to try to save Karako and Shiro, Genkaku reveals Nagi to them. Nagi has now been driven insane and indiscriminately launches his explosive Bloodshot Eyes of the Owl Branch of Sin around the room, violently killing many Undertaker soldiers. Genkaku is pleased by this, as he sees it as Nagi fulfilling his destiny as a destroyer and bringer of "light" (even though it is his men who are being massacred).

Karako manages to break through to Nagi, reminding him of his dream to live as a free man again. Genkaku stabs Karako, hoping that this will cause Nagi to revert to the homicidal monster that he preferred. Karako survives, and Genkaku reveals that he intentionally meant to wound her as he wanted Nagi to be the one to kill her (Karako is in love with Nagi ). Nagi protects Karako and renounces Genkaku's ideology, saying that his salvation is his life with the people he loves. Genkaku, furious that his work is undone, blasts a hole through Nagi's stomach, detesting that the destroyer he desired is sane again. Genkaku goes insane, killing all of his subordinates (laughing maniacally as he does so) believing that he is saving them by delivering them from the burdens of life. He misses Hibana, though this was likely unintentional as he was too far gone to care at this point.

At this point, the only ones left alive from Genkaku's murderous rampage are Ganta, Karako, Shiro, and Ganta. Ganta tries to beg him to stop his actions. Here Genkaku reflects on his miserable life at the Buddhist temple, and how he awoke to the true nature of salvation through death. Genkaku's shrine to the Buddha is then shown, which is decorated with the heads of the Scar Chain members who were killed in the attempted escape.

Genkaku then moves in to finish off Ganta and his friends, but Ganta manages to get up and activate his advanced Branch of Sin, the Ganbare Gun, and launches it at Genkaku. Genkaku attempts to flee, but a dying Nagi grabs him, preventing him from escaping the full force of the Ganbare Gun. Before it hits the two of them, Nagi tells Genkaku that the two of them are in this together. Genkaku is happy, as he sees this as Nagi owning up to his feelings. Genkaku and Nagi are both hit. Nagi later succumbs to his injuries and dies with Karako and Ganta at his side.

It is later revealed in the manga that Genkaku did not die. Rather he is in a coma and in critical condition. It is mentioned that he will eventually die, however, as his chances of survival are slim.

Chan and En

Chan and En were born twins. With only half of their mind, they were left in a comatose state during the majority of their childhood. At some point after the Great Tokyo Earthquake, they ended up gaining a Branch of Sin and with it, they hacked into the medical monitors at their hospital and made it known that they were alive. Hagire Rinichirō soon adopted the two.

---

Lincoln: So those guys are who we have to kill.

Me: Yep. We're gonna make sure that they all go to hell. But I think Hell is too good for them.

Nicole: Same with the Book of Vile Darkness.

Me: The River of Fire is perfect for them.

Nico: Good.

Me: Yep. Lisa, you better synthesize an antidote for the prisoners once we get those collars off. We're gonna need a lot of it.

Lisa: Affirmative!

Lisa went to the lab and concocted the antidote.

She gave us all auto injectors full of the antidote.

Lisa: Here we go J.D. This should be enough for all of the prisoners we're going to rescue.

Me: Excellent. But from what I read we can't just rush into a prison like Deadman Wonderland. We need a plan.

William: And I got one.

Me: Lay it on me.

He whispered the whole plan in my ear and to the whole Redemption Squad and it was a genius plan. The Redemption Squad are going to disguise themselves as newly made convicts for Deadman Wonderland and when Stewie gives the signal we strike.

Me: That's brilliant William!

Maria: That is a good plan!

Nico: Very genius.

Venom: We agree.

Me: Perfect. Lets do it!

We were off to Japan and most of us were hiding in a cloud for cover.

Fu: Are you sure this is gonna work?

Me: It's a brilliant plan Fu.

Varie: I agree.

Sakura Haruno: It's gonna be a good strategy.

William and the Redemption Squad were heading into the prison. They had prison uniforms on and those collars were on them.

Me: They're in. Now we wait.

Nico: Okay.

Me: I also sense an evil force in there. It's laying dormant in one of the inmates. We'll have to separate it from whoever has it.

We waited.

In the Deadman Wonderland cafeteria the Redemption Squad came

in.

Ganta Igarashi was having lunch in the prison cafeteria eating tater tots.

William: Ganta Igarashi?

Ganta saw William sitting next to him.

Ganta: That's my name.

William: My name's William Dunbar, leader of the Redemption Squad. I heard that you were wrongfully locked up here.

Ganta: I was. But no matter how much I tried to prove my innocence, no one would listen.

William: What if I said that we can get you out? Me and 11 of my team are here ready to make a move.

Ganta: Good luck with that. Our collars are injecting poison into us even as we speak.

William: Here's the thing. The collars on me and my team aren't working on us.

Ganta: What?!

William: Don't worry. I'll tell you when it's time to bail.

Ganta: Okay.

They were eating and it was good food.

William: Execute the plan.

Maria: Can we have everyone's attention please?

All the prisoners looked at the Redemption Squad. And then, Stewie took out a fork and stabbed it into an inmate's brain.

Stewie: (smirks sadistically) Guess what, dookie birds? WE'RE KILLING EVERYONE!

Me: (From outside) NOW!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOMMMM! PHOENIX CRY!

A massive fiery explosion blasted a hole through the ceiling and a phoenix cry was heard and we landed.

Me: This prison is hereby shut down!

Chan: On who's authority!?

Me: Mine!

I fired an energy blast at Chan and En and killed them in an explosion of fire!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Lincoln, Fu, get those collars off of the Branch of Sin. Lisa, Laney, give them the antidote.

Lisa: Right!

Laney: We're on it!

Lincoln and Fu got the collars off of the Branch of Sin members and Makina came in and killed some of the prisoners and we killed the rest of the prisoners with powerful energy blasts and gunshots. We were spilling their blood and guts all over the place in a massive bloodbath of blood and guts.

Ganta: Ow!

Ganta was injected with the antidote and the poison was gone and destroyed.

Ganta: Thanks Lisa.

Lisa: You're welcome.

Lincoln and Fu got the collars off of them.

Fu: These collars are a menace to the world.

Lincoln: What this prison is doing is an atrocity against humanity.

Kengamine: We owe you one. Thank you J.D.

Me: Anytime Kengamine.

Senji: Thank's man. Now we can get to freedom.

Miya (Deadman Wonderland): Thank you all.

Lincoln: Anytime Miya.

Ganta: But you got to help my friend Shiro. She has an evil force inside her.

Me: I sense it too! Shiro, you have an evil force inside you. I'm gonna use my magic and get it out of you.

Shiro: Okay.

I fired a powerful magic blast and it separated a blob of dark red energy and it turned into the RED MAN!

Red Man: FREE!

Shiro: That's the Red Man!

Ganta: That's him! He's the one I told you about Makina!

Makina: You were telling the truth! I'm sorry I doubted you Ganta!

Me: So you are the monster that framed Ganta and got him sent here to die!

Red Man: That's right. I hate everything. Kill everything. Ruin everything. I inflict pain on everything.

Me: You are a fucked up motherfucking monster! I will end your fucking existence once and for all!

(GOHAN'S ANGER THEME PLAYS!)

The ground was starting to shake.

Me: HHHAAAAAAAAAAAAAAAAAAAAAAA!

I unleashed the full extent of my power and lightning crackled everywhere all over me. My energy was skyrocketing at an astronomical rate as Fire, Lightning, Water, Wind, Earth, Light, Darkness and Aura energy were swirling around me all over as my power was skyrocketing at an accelerated rate! The ground was shaking violently as the sky clouded up with powerful storm clouds and tornadoes were destroying much of the prison. My hair turned rainbow color and my eyes turned rainbow color and my sclera turned into the stars. Then I unleashed the full extent of my power!

Me: HHHHAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I flared up my rainbow aura and my power was unreal! I was in my Super Angel-Ebonwu 100,000 Elemental Phoenix form!

Everyone in the prison was amazed with awe and so was the entire Branch of Sin!

Ganta: WHOA! Look at J.D.!

Shiro: His power is incredible!

Miya: UNREAL! He transformed!

Kengamine: WOW! What power! It's unlike anything we've ever seen.

Me: (Divine voice) **That's because you are seeing the very power that I've used to kill Thanos the Mad Titan.**

Everyone in the whole prison was shocked! They couldn't believe that I was able to kill the ruthless Mad Titan himself.

Makina: Wow! I've heard about all that! I'm so sorry about the loss of Ra's Al Ghul and Bowser.

Me: **I appreciate that Makina. Everyone, continue killing all the**

**prisoners we talked about. This is gonna be really ugly.**

Nico: Right!

I went at the Red Man faster than a laser and punched him in the face with devastating force and we exploded out of the prison roof with incredible speed and power and we flew in the air.

I fired a powerful energy blast and the Red Man fired a powerful blast of energy and the blasts collided and exploded with incredible power.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it blew much of the prison rides apart and set most of it on fire!

I kicked him in the stomach and punched him in the face with devastating force.

Me: **DARK STYLE NINJA ART: SUICIDE BOMB RASENSHURIKEN!**

I formed a powerful pitch black Rasenshuriken and it had a black and red core and I threw it at the Red Man and it hit him and exploded with a massive explosion of dark energy and a terrifying bloodcurdling scream followed.

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHH

It stunned him.

Me: **SOLAR STYLE NINJA ART: SOLAR STORM RASENSHURIKEN!**

I formed a powerful glowing yellow Rasenshuriken that had a core that looked like a small sun and it had powerful solar flares around it and I threw it at the Red Man and it hit him and exploded in a massive explosion of solar fire.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Solar Fire rained down on all of the rides and the prison perimeter and ignited it all into a raging inferno and exploded everywhere.

KRABBBOOOOOMMM! KRABBOOOOOOMM! KABOOOOOMMMM! KRABBBOOOOOOOOOOOOOOOMMM! KRABBBOOOOOOOOOOOOMMMMM!

When the smoke cleared, Red Man was badly injured. But I saw that he can regenerate himself and he was back together in a short period of time.

Me: **So you can regenerate yourself. Then I'll have to use Total Obliteration.**

Red Man: Like hell you will!

I fired a powerful blast of lightning at the Red Man and electrocuted him all over and punched him in the face with incredible force and I fired a massive blast of fire at him and burned him. I backed away and charged up a powerful Kamehameha Wave and it was rainbow color.

Me: **KAAAAAAAAAA! MEEEEEEEEEEEE! HAAAAAAAAAAAAA! MEEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA**

I fired a massive blast of energy and it hit the Red Man and fully engulfed him and he screamed in pain as he was completely obliterated in an instant.

Me: **Go to hell Red Man!**

I went back to the prison.

William fired blasts of lightning from his blaster and electrocuted many inmates.

Sakura Haruno: Hey, William. You and the otehrs shouldn't hog all the fun. Save some inmates for us!

William: With pleasure Sakura.

Sakura Haruno: CHERRY BLOSSOM CLASH!

Sakura Haruno punched a bunch of Inmates with devastating strength and smashed them into pieces with incredible power.

KRABBBBBLLLLAAAAAAAAAAAAAMMMMMM!

Nico kicked a prisoner in the head and knocked his whole head off in a bloody mess and Lincoln fired a powerful blast of lightning and electrocuted a bunch of prisoners and reduced them to ash. Laney fired a bunch of poison barbs covered in Strychnine Ω and they disintegrated into nothing. Lana fired a blast of ice lightning and froze some of them solid and Lola fired a powerful blast of fire and burned them into ash. Ganta fired bullets made of blood and killed numerous inmates by blowing their heads open in bloody fashion and Shiro formed a powerful whip of blood in the shape of wired hexagons and slashed numerous inmates all over and I fired energy blasts at them and they all exploded into piles of blood and guts.

KRABBBBOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOMMM!

KRABBBOOOOOOOOOOOOOMMM!
KRABBBOOOOOOOOOOOOOMMMMM!

KRABBBOOOOOOOOOOOOOOOOMMM!
KRABBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBOOOOOOOOOOOOOOOOOOOOOMMM!

Carol fired powerful blasts of Godzilla's Atomic Ray at some inmates and they exploded into massive explosions of pure fire and burned on contact.

KRABBBBOOOOOOOOMMM! KRABBOOOOOOOOOM! KRABBOOOOOOOOOOOOOOOMMMM! KRABBBBOOOOOOOMMMM! KRABBOOOOOOOOOOOOOOOOOOOOOOOMMMM! KRABBBOOOOOOOOOOOOOOMMMMM!

Lincoln fired a massive blast of lightning at the remaining inmates and killed all of them. Senji formed blade of blood on his arms and slashed numerous inmates and guards apart.

Me: (Normal Voice) That's it for the rest. Now we have more to take care of.

?: That's right J.D. Knudson.

Out of a corner came Bombardo from episode 6 of Operation Overdrive!

---

This black arquebus/factory-theme monster was created by Kamdor from an abandoned pirate ship cannon and sent alongside Miratrix to obtain the Eye of the Sea. He was armed with a powerful cannon on his shoulder, hence his name. In the first encounter alongside Miratrix against four of the Rangers, he attacked the Rangers until Rose, who was possessed by Brownbeard the Pirate's ghost, gave him and Miratrix a beating, making the two fall back. Later, when Brownbeard unpossessed Rose, Brownbeard had the Eye of the Sea until Miratrix and Bombardo attacked and made off with the Eye of the Sea. Later Miratrix and Bombardo attacked San Angeles and wanted to use Eyes of the Sea to destroy the city. Brownbeard caught up with Miratrix and Bombardo and tried to reclaim the Eye of the Sea. They almost finished him off but Rose came just in time to save him. Bombardo used the Eye of the Sea to turn into a giant buzzsaw machine, but was taken out by the Shovel Driver, causing him to revert back. Kamdor then used a sutra to make Bombardo grow and the Drivemax Megazord combined itself with the Shovel

Driver to form the Drivemax Megazord Shovel Formation. It was this form that destroyed Bombardo.

---

Bombardo: Its been a while rangers.

Mack Hartford: Bombardo!

Me: I remember him! He was a strong one that you faced Mack.

Mack Hartford: He sure was.

Tyzonn: Vypra is bringing all of our enemies back.

Me: But it's cool facing all of your enemies.

Nico: It sure is. But lets get this clod!

Mack Hartford: Lets get him!

Bombardo (to Rose Ortiz): You know what, Pink Ranger? I liked it when you were a pirate.

Rose Ortiz: To be fair, Emma's more of a pirate in pink then I am.

Emma: That's true. But then again, we're not here to entertain you.

Megaforce Rangers: Legendary Ranger Mode: Secret 5 Force!

The Megaforce Rangers turned into the Secret Force 5 Rangers from 1975 and Orion turned into Ninjor!

Operation Overdrive Rangers: OVERDRIVE! ACCELERATE!

The Operation Overdrive Rangers transformed and they were ready!

The Operation Overdrive rangers formed their weapons and Mack Hartford slashed Bombardo with his Drive Lance, Will Aston smashed Bombardo all over with his Drive Slammer and it packed a deadly purple energy power slam! Dax Lo blew him away with his Drive Vortex and blew powerful blasts of ice at him. Ronny Robinson slashed him all over with her Drive Claws and they packed a deadly slash! Rose Ortiz blasted him all over with her Drive Geyser and it packed a massive blast of energy and it really hurt all over. Tyzonn blasted him all over with his Monster Detector and the Operation Overdrive Rangers blasted him all over with their Drive Defenders and it really hurt. They then fired the Drill Blaster and Nico fired a powerful energy blast and Typhon fired a powerful blade of energy and the Megaforce Rangers fired powerful blasts of energy and they hit Bombardo and he exploded into a massive fiery explosion.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Bombardo you have failed this world.

Mack Hartford: He sure has.

Then we heard what sounded like an alligator growling. Out came a walking alligator? It was the GHOST OF THE GATOR GHOUL!

---

The Gator Ghoul resembled a bipedal alligator with glowing yellow eyes.

---

Shaggy: ZOINKS! It's the Ghost of the Gator Ghoul!

Me: I remember this creep!

Qin: What is this one's history?

Me: The Ghost of the Gator Ghoul was really former Kookie Cola Secretary, Alice Dovely.

---

She worked as a secretary to the president of Kookie Cola until she was fired. She then got a job at the Skillett Showboat, plotting her revenge. She dressed up as the Ghost of Gator Ghoul to drive the Skillets out of business so she could get control of their product before it was bought out for a high price by Kookie Cola.

---

Qin: What's her story?

Me: She used to work as the secretary for the president of the Kookie Cola company until she got fired. She worked for the Skillett Showboat to get revenge. She dressed up as the Ghost of the Gator Ghoul to drive the Skilletts out of business and get the formula for Fenokee Fizz soda. We found a pink slip that was torn up into pieces and put them back together and it provided the answer to the mystery.

Qin: Whoa! That's nuts!

Shaggy: We were shocked ourselves.

Scooby Doo: Yeah.

Me: But we stopped her and she got 20 to 30 years in prison for it and she was ordered to pay the Skillett's $100,000,000 in restitution.

Qin: And I'll bet she got Life Without Parole for her revenge conspiracy.

Me: Bingo.

Lana: Wow! Let me face this monster! I'm an alligator wrestler.

Me: Have at him Lana.

Lana then jumped onto the Gator Ghoul and wrestled him all over the place. She was really mangling him.

Nico: WHOA! Look at Lana go!

Syd Chang: She's just as awesome as my mom!

Me: Really Syd?

Syd Chang: Sure. My mom is the world famous Gator Mom. She wrestled all sorts of Alligators. She's a legend.

Me: Wow!

Lori: That is literally amazing! Lana would love to learn some pointers from her.

Syd Chang: I'm sure she would.

Me: Wow. Becca is amazing!

Lincoln: She sure is.

?: Too bad it will be your last!

We turned and we saw the main operator of Deadman Wonderland: HAGIRE RINICHIRO!

Me: Hagire Rinichiro!

Hagire: That's right. How nice of you all to arrive Team Loud Phoenix Storm, to your demise!

Me: You're the one that's going to die Rinichiro!

Ganta: You ruined my life and you will pay!

Shiro: Yeah!

Me: Lets get him!

We went at Hagire and I punched him in the face and kicked him in the stomach and Hagire fired his blood in the form of energy blasts and lightning bolts. I fired energy blasts at his blasts and they collided and exploded with incredible power!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew the rest of the whole prison apart.

Hagire: YOU'RE ALL RUINING EVERYTHING!

Me: And I show no remorse for it!

Hagire: I will kill all you motherfuckers for this! I was doing everything I can to help Japan and the world!

Me: By mercilessly killing criminals for everyones amusement!? I fucking think not you fuckweed! You are not running a prison here! You are running a merciless concentration camp!

Lincoln: That we are shutting down forever!

Me: By killing you and everyone who run it!

I punched him in the face and kicked him in the stomach and Lincoln fired a massive blast of lightning and electrocuted him.

Ben then turned into Rath.

Ben: RATH!

Rath slashed Hagire.

Rath: LEMME TELL YOU SOMETHING HAGIRE RINICHIRO! NEVER RUN CONCENTRATION CAMPS OR WE ARE GOING TO KILL YOU!

Me: Which we already are gonna do! Time for some teamwork!

Rath then went at Hagire and Drill Man fired his Drill Bomb!

Rath and Drill Man: CLAW DRILL BOMB SLASH!

Rath slashed Hagire all over the place and the Drill Bombs exploded all over Hagire!

KRABBBBOOOOOOOMMM! KRABBBBBOOOOOOOOOMMM! KRABBBBOOOOOOOOOOOOOOOMMMMM!

Ben then turned into Water Hazard!

Water Hazard: (British Accent) WATER HAZARD!

Bai Tza and Water Hazard fired a massive blast of water.

Bai Tza and Water Hazard: SUPER MEGATSUNAMI WATER BURST!

The blasts of water hit Hagire and drenched him all over and it smashed his rib cage!

Skullcruncher: I've had it with this freak! CYBER KEY POWER!

The Animatron Cyber Planet Key went into his back and enhanced his Alligator Super Chomp Strength 100-fold.

Sandman: I would never send prisoners here! GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his right arm device and enhanced his sand powers 100-fold.

Sandman formed a powerful mace ball arm and smashed it into Hagire and then Skullcruncher chomped Hagire and bit him right in half and bisected him in half! His blood was pouring out of him and his internal organs were hanging out.

Skullcruncher tasted him and spit his legs out.

Skullcruncher: BLECH! That tastes awful!

Warpath: This guy makes me sick! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and enhanced his explosive shells and fire blasters 100-fold.

Nick Russell: This is gonna be interesting! LEGENDARY SOURCE! MYSTIC FORCE!

Nick Russell turned into the Legendary Mystic Force Red Ranger!

Nick Russell: (Echoing) ELEMENT OF FIRE! LEGENDARY MYSTIC RED WARRIOR!

Nick Russell was ready for action!

Nick Russell: MYSTIC FORCE CYBER KEY POWER!

The Red Phoenix Cyber Planet Key went into Nick Russell's Lion Staff and enhanced its fire powers 100-fold.

Warpath and Nick Russell: SUPER HYPERFIRE MEGABURN!

Warpath fired a powerful blast of fire and Nick Russell fired a powerful blast of fire from his staff and the blasts combined and they hit Hagire and exploded with incredible power!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Hagire was dead. There was nothing left of him but a pile of ashes.

Then out came the main man that got Ganto sent to prison! TAMAKI TSUNENAGA!

Me: Just the man we're looking for. It's time for you to die Tamaki!

Ganta: Yeah! You sent me to prison and nearly got me killed!

Tamaki: Because you are nothing more than a fucked up murderer!

Me: The only murderer here is you for sending innocent people here to die! Now you are going to pay for your crimes you motherfucking son of a fucking bitch!

Nico: Tamaki Tsunenaga you have failed this universe!

Me: Time for you to die once and for all! Kiba! Lets howl!

I turned into Wolf Moon!

Ganta: This is for ruining my life! BLOOD BULLET MEGABARRAGE!

Ganta fired a massive barrage of blood bullets and they hit Tamaki all over.

Shiro: This is for all the crimes you've done to everyone in Japan! BLOOD WHIP LASHSTORM!

Shiro formed a powerful blood hexagon whip and slashed him all over.

Kengamine: You are a worthless monster that cares about no one but himself!

Branch of Sin: SIN BLOOD MEGABLAST!

The entire Branch of Sin fired a powerful blast of energy and it hit Tamaki and exploded.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew a powerful hole into his chest and exposed his black heart to the open. It was a heart as black as the night and it had demon teeth in it! It was a symbol of ultimate evil!

Makina: You care about no one! Now die! ENERGY BULLET FIRESTORM!

Makina fired a powerful blast of energy from her gun and it hit Tamaki all over and exploded.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Me: Feel the fury of the Wolf! WOLF MOON FIRESTORM BLAST!

I fired a powerful blast of Wolf Moon fire and it hit Tamaki and he was on fire! He was screaming in excruciating pain as he was burning.

Naruto: This is for all the pain and suffering you caused! SAGE ART: LAVA STYLE: RASENSHURIKEN!

Naruto formed a powerful Rasenshuriken of pure lava and it hit Tamaki and bisected him in half and he fell to the ground still burning.

Minato: Not even the world itself will welcome you now! FLYING THUNDER GOD RASENGAN STRIKE!

Minato threw his kunai and he reappeared behind him and slammed a powerful Rasengan into Tamaki's back and it exploded.

Sakura Haruno: We are never gonna forgive you for your terrible crimes! EARTH STYLE: MEGA RASENGUN!

Sakura formed a powerful brown Rasengan sphere and fired it from her finger like a powerful gun blast and it hit Tamaki and exploded with incredible power!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion from the powerful blast obliterated much of the prison and sent shrapnel from the blast into the rest of the evil prison staff and killed all of them! Tamaki's head was left.

Fu: You are never gonna talk again! SEVEN TAILS NINJA ART: SPINNING SCALE EXPLOSION!

Fu unleashed a powerful dust cyclone of Chomei's scales and she spun around with incredible speed like a spinning top and she clapped her hands and ignited them and they exploded with unbelievable power.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful and so devastating that it not only killed Tamaki and completely obliterated him in an instant but it also completely destroyed what was left of the entire prison and sunk the entire island the Prison was on right into the ocean! Destroying all traces of it from existence forever and leaving the evil staff and inmates as food for the sharks and fish.

May: Well, that's one prison we're not using anytime soon.

Me: You said it May.

Nico: Never again.

Ganta: It's over. I'm finally free.

The spirits of the evil inmates and staff have all been sent into the River of Fire.

Me: Lets go to Tokyo and reveal everything that happened.

We went to Tokyo and in the city hall press conference room, I revealed everything to the entire populous of the city and they were all shocked and horrified about what was going on and they began to realize that they were wrong about Deadman Wonderland and that it was a terrible mistake that should've never been made. It was a nightmare from Hell. But everyone in Japan was glad that we destroyed it. We got Ganta, Shiro and everyone in the Branch of Sin's records expunged and they were free people.

Ganta: J.D. we can't thank you enough for freeing us.

Me: It was our pleasure Ganta. What happened to you should've never happened at all.

Shiro: But I'm just happy that we're free.

Kengamine: That's true. Now we can go back to our families and start our lives over again. We have so much to catch up on.

Me: I know. But at least now we've seen the last of Deadman Wonderland. But you all can still use your Deadman powers for good and help people in need.

Miya: That's true.

Ganta: That's a great idea though.

Me: I'm glad. You're more than welcome to join Team Loud Phoenix Storm if you like.

Ganta: We would be honored.

Shiro: Yeah! It's awesome!

Ganta: (To the viewers) Never mess with the lives of other people that have been wrongfully convicted or Team Loud Phoenix Storm is coming for you.

Me: You said it Ganta.

We went back home to Gotham Royal York and we formed a new branch of Team Loud Phoenix Storm for Ganta and his friends called the Deadman Justice Brigade. It was a team of Team Loud Phoenix Storm dedicated to freeing those that have been wrongfully convicted and sent to prison or death row. The Ghost of the Gator

Ghoul was made into a stuffed statue and Lana has it in her room.

FLASHBACK ENDS

When he was done many of us that hadn't heard about it were shocked and horrified!

Twilight Sparkle: Oh man!

Applejack: That is a nasty place!

Rainbow Dash: They kill criminals there for people's own amusement!? That is totally barbaric!

Rarity: I was just about to say the same thing darlings!

Starlight Glimmer: Thank goodness you guys destroyed that abomination.

Me: Yeah. That was awful. What happened in that prison is considered Hell on Earth.

Burstinatrix: That was a terrible place! I can't believe that those people were going to kill people for everyone's enjoyment.

Inferno Wing: Yeah it's totally inhumane.

Nico: You read my mind on that one.

May: That was totally sick.

Qin: Yeah thank goodness we destroyed that place and reduced it to nothing more than a crater.

Lola: Yeah thank goodness. And we saved all the people there from a fate that no one should ever suffer.

Eli: That's for sure.

Shiro: Yes and we are forever grateful.

Ganto: Same here.

Laney: That was still an awesome adventure though.

Me: But I'm also excited about Nuju's big mission.

Nico: Is it wrong that I'm excited about today?

Eli: Not at all Nico. We're all really excited.

Varie: Yeah I can't wait for all of us to help Philip and Shotaro and his team.

Fortune Lady Water: Me too Varie. This is gonna be so awesome.

Qin: I think it's gonna be an epic battle.

Me: Yep. And I hope some of the Elemental Girls that Lincoln knows get Archenemies too.

Lincoln: I have a feeling they will.

Maria: Similar to the Dark Signers.

Me: That's right and it's VERY Similar. Misty told me there were brought back to life by the power of the Earthbound Immortals.

Nico: Yeah that was crazy.

Brittney: It was but it's really awesome having them as some of our archenemies.

Qin: I agree there.

Me: So the NEVER group are in a sense the Kamen Rider version of The Dark Signers. Minus the Nazca Lines and the Earthbound Immortals.

Nico: Yep.

Wednesday Addams: Yeah that is amazing.

Ebonwumon: Yeah they were killed in some way but they were brought back through artificial means. (2nd Head) Yeah because of Foundation X. (1st Head) I was gonna say that Mr. Chatterbox Spoilpants!?

Nico: Geez, you never had that problem whenever it was your turn for the usual battles!

Ebonwumon: Oh sorry. We can't help it. It's part of sharing one body. (2nd Head) Yeah we're used to that but we long forgot to mention that to you.

Nico: Oh.

Me: Ryu told me about this when they met Ebonwumon at Baihumon's castle in the Digital World.

Nico: Wow. By the way J.D. what drove you to the conclusion earlier about sending Katsumi to the Black Gates before Maria stopped you?

Me: Well I watched the W movie and I saw what Katsumi was gonna do. But after seeing the flashback in the second W Movie, I was divided 50/50 on whether to kill Katsumi and give him the Black Gates or let him live and join our frenemies in the M.O.E.

Nico: That is very conflicting isn't it.

Eli: Yeah.

Dark Witch: Yeah it was.

Nico: I feel sorry for Katsumi. Isaka and Kazu? Not so much.

Ebonwumon: I agree there too lad. He did nothing to deserve this after what happened.

Me: I agree there too. What he went through is also very similar to how Madara brought back all those reanimated ninjas on the Nacho Planet.

Lola: Yeah that was crazy!

Me: Yeah it sure was.

Varie: How did Katsumi die?

Me: Lets see.

I pulled up his history and what it revealed was 10,000% SHOCKING!

---

Katsumi Daido (大道 克己, Daidō Katsumi) was a Necro-Over and a member of NEVER who became Kamen Rider Eternal (仮面ライダーエターナル, Kamen Raidā Etānaru), the main antagonist in Kamen Rider W Forever: A to Z/The Gaia Memories of Fate. He served as the viewpoint character in Kamen Rider W Returns: Eternal.

In Kamen Rider Zi-O, an alternate version of Katsumi was created by Another Decade, said copy somehow attaining the original Katsumi's memories.

As shown in The Beginning of N/Blood and Dream, Katsumi was born with a congenital heart defect. This, combined with a fatal car accident, prompted his mother, Miki Daido, to use her NECRO-OVER project research, based on Philip, to save her son's life as the first Necro-Over, giving him bio-stimulants to age properly. However, despite Katsumi's superhuman combat skills, the Necro-Over project was rejected in favor of the Gaia Memory project, forcing Katsumi and his mother to leave the Foundation. Transforming four people who recently died into Necro-Overs, they founded NEVER. Daido is more refined and enhanced than the other Necro-Overs.

Katsumi was the leader of the organization NEVER that uses the T2 Gaia Memories. He lead the NEVER Dopants created from the T2 Gaia Memories. Katsumi and the other members of NEVER were fighting a terrorist organization in South Asia, where he encountered a Quark named Mina and fell in love with her. After a brief meeting with Jun Kazu, Katsumi gained the experimental Eternal Memory to become Kamen Rider Eternal. But when Doctor Prospect as the Eyes Dopant killed all of the Quarks, supposedly even Mina, Katsumi went mad and killed Prospect with Memory's Maximum Drive. With the Eternal Memory damaged, Katsumi discarded it and decided to wipe out the Museum.

Katsumi first appeared in Futo City attacking the helicopter Tabata is riding in, taking the T2 Eternal Memory and transforming into Eternal. He takes the entire case containing the T2 Gaia Memories and goes to his accomplices. But Tabata activates a switch causing the case and helicopter to explode, scattering the Memories. However, Katsumi survives, and he and his comrades search for the remaining Memories.

Katsumi then appears at the place the Riders of Futo came to meet Maria S. Cranberry, where he fights Kamen Rider Double as both FangJoker and CycloneJokerXtreme and easily overpowers both forms. He shuts down access to the pre-T2 Gaia Memories, saying that he and Philip are a lot alike, which only makes Philip more livid. After Double is defeated, NEVER claims the 19 T2 Gaia Memories that the Riders found.

With 25 of the 26 T2 Gaia Memories recovered and Philip captured by NEVER, Katsumi reveals his plan to take over and rebuild Futo City in his image, with the people turned into Necro-Overs. Reclaiming the T2 Joker Memory from Philip's partner, Shotaro Hidari, Daido initiates the X-Bicker that will send out a wave to turn everyone into Necro-Overs, despite knowing that they will die as they are not enhanced as Katsumi is. Philip, with help from Shotaro, reactivates their Gaia Memories, and Maria injects a serum into Daido that causes him to start dissolving. In retaliation, Daido shoots Maria in the stomach and takes another serum to stabilize himself which seemed to weaken him.

They manages to catch up to Katsumi as he transforms into Eternal, but the latter escapes again. Double then catches up and fights Eternal on the Futo Tower using his Half Forms. As he is about to deliver the final blow as CycloneJokerXtreme, Eternal seemed to regain his full strength and goes into his Strengthening Armament mode, using the Zone Memory to summon the other T2 Gaia Memories. He then uses the 'Never Ending Hell Maximum Drive to send Double falling from Futo Tower to his death, but through the support of the citizens of Futo and a strong gust of wind blowing into the Xtreme Memory, Double changes from CycloneJokerXtreme to CycloneJokerGoldXtreme. Eternal then uses his energy to send one blast of energy at Double, but Double counters through the attack and hits Eternal with a kick strong enough to defeat him as well as destroy all 26 T2 Gaia Memories at once. With his very last breath, Katsumi remembers what death feels like.

When it was done we were really shocked!

Nico: WHOA!

Me: WHOA! So Eiji helped out too. That is cool! Also now I'm really glad I made the right decision with Maria's help. What he went through should never have happened. I would have gladly given him my heart to save his life.

Eli: He was born with a heart defect!? That's awful!

Red Archery Girl: It sure is.

Lola: Poor girl.

Me: Thank goodness immortality and invincibility will help me out.

Nico: Better yet, how about we give him Isaka or Kazu's heart after we kill both of them?

Me: As long as you eat the other one.

Nico: Fair enough.

Eli: Yeah.

Shiro: This is gonna be good.

Me: And we'll keep the 26 T2 Gaia Memories. We'll use them for good.

Nico: Good idea. Reika gave you the T2 Gaia Memories when we met her.

Lincoln: She sure did.

Qin: That was convenient.

Me: And then we'll banish Isaka to the Warp.

Eli: I hope we're not giving him mercy.

Nico: Oh, we're not banishing Isaka to the Warp to be merciful. It's because after what he did to Ryu's family, he deserves more pain at a later date at the hands of one of my Gene Slammer Girlfriends!

Me: I agree there Nico! I agree!

Reggie Hjorleifsstræti: (Icelandic Accent) I agree there Nico.

Me: We just got to decide on which one is the one that will do it.

Laney: Yeah.

Nico: And after that, we really will have to send Katsumi to the infirmary. You know, for his heart defect.

Me: The best doctors and us will help him.

Lisa Loud: And I will gladly be of assistance.

Nico: I had a feeling you would Lisa.

Me: Yeah.

Eli: Yep. Wait I sense something.

Shire, Lightsworn Spirit: What is it Master Eli?

Eli: It's coming from the north above us.

We saw a figure fly in and it landed and it was a black version of Jetray! It was ANOTHER JETRAY!

Me: (GASP) Another Jetray!

Qin: Whoa! A flying one this time.

Me: Yep.

Nico: Okay buddy! Who are you!?

Another Jetray: (In a girls voice) J.D. would know.

Me: (Gasp) That voice. Its been years since we saw each other. Janelle Seis its been a while.

Another Jetray: It sure has been a while J.D.

Nico: You know her J.D.?

Me: I sure do. She is the principal of my old elementary school. She moved to Colorado from Minnesota and she became the youngest ever principal in the history of the state of Colorado to get the position. She was only 13 years old when she got it.

Nico: Wow! That is really impressive.

Me: It sure is. And she has a really awesome genius level IQ. She and I got really close and developed a relationship back then.

Nico: Wow.

Another Jetray: Yes those were fun times. And you grew so much J.D.

Me: So I have been told so many times.

Albedo turned into Negative Jetray.

Negative Jetray: Aren't you a little young to be a principal?

Another Jetray: Aren't Phineas and Ferb a little young to be inventing stuff?

Negative Jetray: Touche.

Me: One is NEVER too young to invent things. Look at Lisa. She is a genius level scientist and winner of a Junior Nobel Prize. She invents all kinds of awesome stuff that benefits for humanity.

Lisa Loud: Indeed and it's really beneficial.

Another Jetray: Very impressive.

Me: I've known Lisa for over 6 and a half years. She is a really smart and awesome girl.

Lola: Yeah she sure is.

Me: Sorry we have to fight like this Janelle. But it's to save you.

Another Jetray: I know.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Another Jetray: Wow! J.D. you have changed so much.

Me: Loaded with all kinds of tricks and surprises.

Nico: What did Swartz promise you?

Maria: I have a feeling that future Another Omnitrix Aliens will easily find out that Swartz lied to them after his defeat.

Nico: Yeah I have that same feeling.

Another Jetray: He promised to give me Elemental Powers.

Dark Witch: Lot of good that did.

Dunames Dark Witch: Yeah no kidding there.

Me: But he lied to you. He is a heartless monster that will never live up to his end of the bargain.

Nico: Yep.

Another Jetray: Yes I realize that. But shall we dance?

She fired black energy lasers from her eyes and I deflected them back with my scythe.

Nico: (gets out Black Manta's Ridewatch) I can shoot lasers out of my eyes too!

He activated it and fired lasers from his eyes and she dodged them.

Nico: (SINGING DIVINELY AS WATER SWIRLS AROUND HIM)

It's been a long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I had till my feet went numb

Praying like a fool that's been on the run

Heart's still beating, but it's not working

It's like a million-dollar phone that you just can't ring

I reached out trying to love, but I feel nothing

Yeah, my heart is numb

But with you, I feel again

Yeah, with you, I can feel again (yeah)

Ooh, ooh

Ooh, ooh (feel again)

I'm feeling better ever since you know me

I was a lonely soul, but that's the old me

A long time coming since I've seen your face

I've been everywhere and back trying to replace

Everything that I broke till my feet went numb

Praying like a fool who just shot a gun

Heart still beating, but it's not working

It's like a hundred thousand voices that just can't sing

I reached out trying to love, but I feel nothing

Oh, my heart is numb

But with you, I feel again

Yeah, with you, I can feel again (yeah)

But with you (I'm feeling better ever since you know me)

I feel again (I was a lonely soul, but that's the old me)

Yeah, with you (I'm feeling better ever since you know me)

I can feel again (I was a lonely soul)

(Woo-hoo)

Ooh, ooh

Ooh, ooh

I'm feeling better ever since you know me

I was a lonely soul, but that's the old me

I'm feeling better ever since you know me

I was a lonely soul, but that's the old me

I'm feeling better ever since you know me

I was a lonely soul, but that's the old me

I'm feeling better ever since you know me

I was a lonely soul, but that's the old me

A little wiser now from what you've shown me

Yeah, I feel again, feel again (ooh)

He fired waves of water and they smashed Another Jetray all over the place.

Me: YEAH!

Another Jetray: That's one of my favorite songs.

Me: Mine too. Now watch this one.

Another Jetray flew into the air and I flew after her.

Me: Try this one. (Activate's Stratos's Ridewatch)

(THE SIGN BY ACE OF BASE PLAYS)

Me: (SINGING DIVINELY AS TORNADOES AND WIND SWIRL AROUND ME)

Shock!

I, I got a new life

You would hardly recognize me

I'm so glad

How can a person like me care for you?

(Ah) Why do I bother

When you're not the one for me

Is enough enough?

I saw the sign and it opened up my eyes

I saw the sign

Life is demanding without understanding

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong?

Under the pale moon

For so many years I've wondered who you are

How could a person like you bring me joy

Under the pale moon

Where I see a lot of stars

Is enough enough?

I saw the sign and it opened up my eyes

I saw the sign

Life is demanding without understanding

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

But where do you belong?

Oh, oh, oh, oh

I saw the sign and it opened up my mind

And I am happy now

Living without you

I've left you, oh oh oh

I saw the sign and it opened up my eyes

I saw the sign

No one's gonna drag you up

To get into the light where you belong

I saw the sign, I saw the sign

I saw the sign

I saw the sign, I saw the sign

I saw the sign, I saw the sign

I saw the sign and it opened up my eyes

I saw the sign

I fired waves of wind and smashed her all over.

Another Jetray: That was so beautiful! You sing really awesomely.

Me: We had tons of karaoke sessions during some of our adventures.

Kaito: (gets out Decade gear) Our turn now!

Zocks: (Gets W gear) This gear is fitting for today.

Kaito had the Decade Blaster and Zocks had the Prismblade.

Nico: Yeah!

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves

And summon the shadows there

And tie a ribbon on those sheltering arms

In the springtime of the year

The songs of birds seem to fill the wood
That when the fiddler plays
All their voices can be heard
Long past their woodland days
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
And so they linked their hands and danced
'Round in circles and in rows
And so the journey of the night descends
When all the shades are gone
A garland gay we bring you here
And at your door we stand
It is a sprout well budded out
The work of our Lord's hand
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
We've been rambling all the night
And some time of this day

And now returning back again

We bring a garland gay

I fired waves of fire and blasted Another Jetray all over the place.

She fired waves of energy and it hit Another Jetray and caused everything she saw to spin and she was dizzy and she fell to the ground with a huge thud.

She got up.

Another Jetray: Whoa that was intense!

Another Jetray fired black energy lasers from her eyes that zapped Gaon in the butt.

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

Gaon: YYYYYYYYYEEEEEEEEOOOOOOOOOOOOOOOOOWWWWWWWW! (HOPPING IN PAIN) OOH OW OW OW OW OW OW!

Meet a girl like you

With auburn hair and tawny eyes

The kind of eyes that hypnotize me through

Hypnotize me through

… And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

… A cloud appears above your head

A beam of light comes shining down on you

Shining down on you

The cloud is moving nearer still

Aurora borealis comes in view

Aurora comes in view

… And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

… Reached out a hand to touch your face

You're slowly disappearing from my view

'Pearing from my view

Reached out a hand to try again

I'm floating in a beam of light with you

A beam of light with you

… And I ran, I ran so far away

I just ran, I ran all night and day

And I ran, I ran so far away

I just ran, I couldn't get away

She danced and fired waves of moonlight and energy and they hit Another Jetray and smashed her down.

Me: Awesome!

Eli: Nice one Laney!

Lola: Yeah!

Gaon: That. Hurt. BAD!

His butt was glowing RED HOT! OUCH!

Nico: YICHIHUAHUAS!

Nico licked his finger with spit and touched it.

SSSIZZZZLEEE!

Nico: YIKES!

Maria: I got this.

She fired water and cooled it down.

Gaon: WOOWHOHOHOHOHOHOO! TOO COLD!

Maria: Sorry.

Me: Oh I have been wanting to test this out for Lisa. It's for today's big mission.

I pulled out my new W Gaia Memory Broadsword. It was a broadsword hilt that had 10 slots for 10 memories and the blade is formed in that element.

Me: Lets see.

I put in the Gaia Memories of Heatwave, Firefly, Pyros, Axel, P'andor, Firebrand, Scorcher, Pyro, El Diablo and Molten Man. Then the sword grew a blade made of 100% PURE FIRE!

Me: WHOA!

Nico: That is cool!

Me: The Gaia Memory Elemental Sword works!

Nico: Wow!

I fired fireballs with a powerful swipe of the sword and they hit Another Jetray and smashed her all over!

Nico: That would be a great group for the usual battles. Or a good sub team overall.

Me: The Elemental Forces of Nature for the teams of the M.O.E. That's awesome. But I was testing this out.

Nico: It sure worked well.

Me: Yep.

Another Jetray: You guys made all kinds of amazing weapons and tools.

Me: We have to have a lot of technological ingenuity to benefit for humanity and for the superhero business.

Lincoln: We sure do.

Qin: Yeah.

May: I just hope you don't give us detention for this!

Another Jetray: Don't worry. I'm retired now as principal. I set out to find J.D. so I can help him in his team.

Me: Looks like you just found us and you are more than welcome to join us.

Another Jetray: Thanks.

Me: But this should be the time where a gene-slammer appears.

Suddenly a massive wall of fire exploded out and out came a red tyrannosaurus! It was DIABLO!

Nico: Whoa!

Me: Diablo!?

Diablo: (In a Girls Voice) The Tyrannosaurus Breathed Fire that Burned His Enemies.

Nico: And the Pterodactyl escaped from his fiery fury.

Diablo: Good to see you again Agent Nico.

Nico: Agent Mata Hari Henningway. Good to see you again too.

Me: Wait a second! I've heard about you. You are the awesome Queen of Espionage and Infiltration. One of the greatest spies in all of the C.I.A. and you always got the missions done.

Diablo: That's right.

She fired a wave of fire and it hit Another Jetray and smashed her down and she reverted back and I caught the ridewatch and purified it.

I went over to Janelle and she had a huge headache. Janelle was a red hair woman with red clothes and red angel wings.

Me: Are you all right Janelle?

Janelle Seis: (GROANS) What a huge headache.

Me: You'll be all right.

I picked her up.

The Diablo reverted back and she was a girl with red hair and had a red hat, sunglasses and red clothes.

Maria: Nice sunglasses.

Mata Hari Henningway: Thank you kindly.

Laney: Mata Hari. That was also the Exotic Dancer that was convicted of espionage during World War I.

Mata Hari Henningway: That is correct. She is also my namesake. I was Nico's partner in the C.I.A. and we did all sorts of amazing missions together and brought down numerous organizations.

Me: Wow!

Ebonwumon: That is amazing lass.

Lola: Yeah.

Ebonwumon: Do you have any favorite memories with Nico?

Mata Hari Henningway: I'm afraid that's classified.

Me: The C.I.A. has always been very diligent about keeping their agents backgrounds secret as well as keeping their information very top secret.

Nico: Yeah.

Nico and Mata Hari hugged.

Nico: I've missed you Agent Mata Hari.

Mata Hari Henningway: And I as well Agent Nico.

We later went back home. We got tons of awesome new recruits for us.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, and Zhuqiaomon are heading to Budapest, Hungary, and not only is Lincoln going to rescue the four girls here, but we got word that our old enemy, Psy-Crow, has come back from the dead and he wants revenge.

Lincoln: Wow, we're here in Budapest, Hungary, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got word that our old enemy, Psy-Crow, has come back from the dead and he wants revenge.

Me: Should've known that carrion-diseased crow wouldn't stay dead for much longer, and on the day we're going to meet the W Kamen Riders too.

Nico: This is too much of a coincidence, in other words, something fishy's going on here.

Lincoln: Yeah, and we need to get some answers out of Psy-Crow before we send his tail feathers to The Black Gates for good. And I want to thank you and the Demon Slayer Corps for joining us on our rescue, Zhuqiaomon.

Zhuqiaomon: You're welcome, Lincoln.

Tanjiro Kamado: Yeah, this is going to be one awesome rescue. And you've got a plan to get the info out of Psy-Crow, Lincoln?

Lincoln: That's right.

Giyu Tomioka: This should be interesting to see.

?: HEELLLLPPPP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Psy-Crow, and he's going to kill them.

Lincoln: And right on time, guys, I found the four girls, but they've been cornered by Psy-Crow, and he's going to kill them.

?: Let's get that evil crow!

Suddenly, we saw the Earthbound Immortal Itzpzpalo, appear before us.

Nico: Wow, that's the Earthbound Immortal Itzpzpalo, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Gina Angellus, but we'll have to talk later, we've got an evil psychotic crow to deal with again.

We rush on over and Lincoln fired powerful rainbow energy balls and elemental forces at Psy-Crow, and it allowed the four girls to get to safety. When Psy-Crow saw us, he was furious.

Psy-Crow: I will make you pay for what you did in destroying me, Team Loud Phoenix Storm. If you hadn't gotten in my way, that earthworm would've been at home in my stomach!

Lincoln: Ah, shut your beak, Psy-Crow! You deserved it after what you've done, and now, we're going to make sure you never return from the dead to cause trouble again.

Lincoln unholstered his massive Hinon's Cosmic Storm Broadsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Sword of Elemental Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander

Then, Nezuko Kamado kicked off his helmet and Lincoln made his nails on his large right hand grow into claws, and he scratched his left arm and drew blood, and a visible mist started forming and it started to envelop Psy-Crow, and Tanjiro noticed it from the start.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Now, you'll tell us everything we need to know.

Tanjiro Kamado: That's Miss Tamayo's Blood Demon Art: Aroma of Magical Sunlight. Everyone, cover your mouths.

We did so, and Psy-Crow suddenly fell under the influence of the Blood Demon Art.

Lincoln: Now, tell us, who brought you back from the dead to get revenge on us for killing you long ago?

Psy-Crow: Never, I'll never tell any of you that it was Shinkuro Isaka and Kazu, they were the ones who brought me back to kill you all, so they can kill Katsumi.

Psy-Crow covered his big beak up, and Lincoln smirked, and the scratches he made healed, and the mist disappeared.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Thank you for telling us this. Now, time to say farewell.

Lincoln readied his massive broadsword and the 7'0" massive, wide, double-edged broad-bladed gold blade was covered with powerful rainbow lightning.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) Lightning Breathing - Seventh Form: Honoikazuchi no Kami

Lincoln dashes forward at blinding speeds and unleashes a singular forward slash at a low stance at Psy-Crow, and accompanied by a yellow Japanese dragon shaped like a lightning bolt, it struck down and electrocuted Psy-Crow so badly, it fried him and he was erased by The Black Gates forever. We cheered wildly as we holster our weapons and power down.

Nico: Whoa, Lincoln, that was so awesome, not only did you use Tamayo's Blood Demon Art to get Psy-Crow to confess as to who brought him back, but you also used Zenitsu Agatsuma's personal technique to end him.

Lincoln: Thanks, Nico, and I learned a lot of the Hashira's techniques.

Kyojuro Rengoku: That's right, and you've been training really hard in learning the Breathing Style techniques from us, Lincoln.

Me: And so have all of us, Master Kyojuro.

Lincoln: And now, not only are we rid of Psy-Crow for good, but now we know who it was that brought him back, which means Shinkuro Isaka and Kazu are both dead when we get them. (To Gina Angellus) And it's so good to see you again, Gina Angellus.

Gina Angellus reverted back to normal, and she's a beautiful girl with long flowing emerald green hair, emerald green eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful green angel wings, and she reigned in the power of Earthbound Immortal Itzpzpalo, and she's dressed in a green sleeveless open blouse, sleeveless green top, green skirt with the Wings Nazca Line on it, green pants, green shoes, and long sleeveless black trenchcoat with green flames and birds on the coattails, and Earthbound Immortal Itzpzpalo on the back, and holstered on her back a large Earthbound Immortal Itzpzpalo-themed greatsword with Earthbound Immortal Cuauhcoatl etched on the 7'0" massive, wide, double-edged black blade, Earthbound Immortal Itzpzpalo's wings for the crossguard, large crimson red gem embedded in the rainguard, longer black handle, and a large green gem surrounded by black angel wings for the pommel.

Gina Angellus: You too, Lincoln, it's been a long time.

Lincoln went up to Gina Angellus and they hugged, and Gina Angellus is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw his vampire fangs and his eight massive deep sapphire blue angel wings with stars in the feathers and rainbow tips on the feathers.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Gina Angellus: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you also have vampire fangs and eight massive deep sapphire blue angel wings, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Gina Angellus, she's one of my Guardian Angels from Michigan, she's a master of wind, a great flyer, and she knows so much about birds and also has the power to talk to birds.

Nico: That's really awesome.

Lincoln: But, it gets even more awesome, she also loves incredibly spicy nuclear hot food and she helped me get a massive and powerful immunity to peppers of all types.

My jaw and Nico's dropped at what Lincoln told us.

Nico: Holy crap, so not only does she love incredibly spicy nuclear hot food, but she also helped you get a massive and powerful immunity to peppers of all types?!

Me: That's really AWESOME! And something tells me we're in for an awesome story later on.

Gina Angellus: You'll love hearing about it, and on how I also took on the full extent of Lori's fury.

Tanjiro Kamado: From what we've heard, it's not good.

Suddenly, a Thunderbird Necklace of Eternal Love appeared around Gina Angellus' neck with green gems on the gold thunderbolt links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her Elemental Thunderbird Choker of Eternal Love.

Gina Angellus: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, and that means you're now part of my harem and one of my many future wives, Gina.

Gina Angellus had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Gina Angellus' waist and Gina Angellus wrapped her arms around Lincoln's thick muscular neck, and he leaned down to Gina Angellus' face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Princess Devilotte de Deathsatan IX from Cyberbots: Fullmetal Madness, Yui Takanaka, Tomomi

Murashita, and Mai Yumekanou from MegaZone 23.

Lincoln: Oh wow, it's Princess Devilotte de Deathsatan IX from Cyberbots: Fullmetal Madness, Yui Takanaka, Tomomi Murashita, and Mai Yumekanou from MegaZone 23.

Nico: Awesome.

Lincoln: Are you girls okay?

Princess Devilotte de Deathsatan IX: Yes, we're okay, thanks to you.

Then, when Princess Devilotte de Deathsatan IX and the other three girls saw who it was that saved them from Psy-Crow, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted,

Princess Devilotte de Deathsatan IX: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Princess Devilotte de Deathsatan IX: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Devilotte de Deathsatan IX, Yui Takanaka, Tomomi Murashita, and Mai Yumekanou with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too.

We returned to the World Tree Estate and we told everyone what happened, and they were shocked when they found out the villain we went after was Psy-Crow who's returned from the dead to get revenge on us for destroying him long ago, and even worse, it was at the hands of Shinkuro Isaka and Kazu.

But, when Lincoln showed what he did to that psychopath, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Gina Angellus have a lot of catching up to do now that she's back in town, and now, we're finally rid of Psy-Crow for good, and he's never coming back, and Shinkuro Isaka and Kazu were going to pay for bringing Psy-Crow back from the dead later on today on Nuju's big mission.

---

After finally putting a permanent end to Psy-Crow once and for all, we were training intensely in the gym, this time, doing 200,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Gina Angellus saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Gina Angellus: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gina, and now, I can also defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Gina Angellus: That's incredible.

Nico: It sure is. So, Gina, how did you help Lincoln get a massive and powerful immunity to peppers of all types and take on the full extent of Lori's fury?

Gina Angellus: Now, that's a story that I'd never forget. One day, when we were having lunch in the backyard at my house, I gave something to Lincoln for him to eat: it was a bright red pepper with orange flames on the tips, but this wasn't any ordinary pepper: this was the legendary El Paso Diablo Pepper of Fury, a pepper that's said to give to those who ate it a massive and powerful immunity to peppers of all types and any pepper they eat will also give them a massive and powerful boost in power and energy, and it also increases their body heat and temperature. When Lincoln ate it, he was surrounded by a glowing neon red outline which transformed into a fiery vortex, and when it faded, it left Lincoln with a massive and powerful fire aura.

We were amazed.

Me: Whoa, I never knew a pepper like that existed.

Nico: Same here, that's really awesome.

Gina Angellus: It sure is. But, our day was ruined when we heard a loud banshee screech of rage, and I knew who it was: Lori, and when she arrived, she was really really furious, her eyes were red with pure rage, and her teeth were a mouthful of sharp fangs, and in her hand was her cellphone but the screen was cracked, and she just singled out Lincoln for it, but he explained that he wasn't even in her room at the time, but she didn't care and she got out a knife to stab and kill him and then she was going to kill me and bury us in the Kalamazoo River, that got me so mad, I attacked her with a blast of wind and it knocked her into a fence, but she wasn't going to give up, and she rushed in to attack us yet again, but Lincoln formed a ball of fire and it was super-charged with the power of The El Paso Diablo Pepper of Fury, and he threw it and it hit Lori and sent her hurtling to another fence and it knocked her out. Then, we tied her up and Lincoln entombed her in a fireball prison and we dragged her butt back to The Loud House, and when we told the parents and the other sisters of what Lori tried to do to us, they were furious. We then checked the cameras in Lisa's room, and we found out that

Lola accidentally knocked over the cupboard that had Lori's phone on top, and it fell off and the screen cracked. When Lola saw it, she panicked and fled, and she knew what Lori would do if she found out, and it wasn't Lincoln since he was with me.

Nico: Now, that's serious, and Lola, why did you flee from the room instead of telling anyone about it.

Lola: No one could ever find out, because Lori will kill me if she found out. I may be violent and quick to anger, but Lori's a bloodthirsty monster who's quick to anger and she'll kill anyone who gets her mad.

Lincoln: And it allowed Dark Lori to take over.

Nico: That demonic, cold-blooded, unfeeling brute!

Me: Now, we're really glad she got The Black Gates for good.

Lori: You said it, but I wasn't safe for long, Mom and Dad grounded me for six months and Leni hit me on the head with a sandal, and Luna smashed her cymbals in my face, and Lynn threw me in the basement and into an isolation cube.

Lynn: And Lincoln didn't speak to her for that amount of time, plus, we were impressed by what Gina did to give Lincoln that immunity to peppers of all types.

Lincoln: Yeah, and now, I have a fire aura as well, and it also enhanced my fire powers infinite-fold.

Nico: Dang.

We got a shower afterwards, and then, Jim Crocodile Cook and Ellie Singh are heading out to explore Dry Lagoon, and they had their weapons holstered in case of trouble.

Jim Crocodile Cook: (Australian Accent) Ready, Ellie?

Ellie Singh: Ready, Jim.

Jim Crocodile Cook and Ellie Singh left the World Tree Estate, and they arrived at Dry Lagoon.

Ellie Singh: Wow, so this is Dry Lagoon, awesome.

Jim Crocodile Cook: (Australian Accent) And it's another place Sonic and his friends have gone to many times. Shall we?

Jim Crocodile Cook and Ellie Singh got into their swim clothes and dived right into the water and they began swimming around the place and they also explored the marine life that dwell here and it's amazing. Then, they also had lunch on the beach as well, then, as the sun was about to set, Jim Crocodile Cook went up to Ellie Singh, and he wrapped his arms around her waist and Ellie Singh wrapped her arms around his neck, and as the sun turned orange, they shared a romantic kiss as the sun was just about to set, then, they returned home to The World Tree Estate, and they were back in their original clothes.

Nico: Hey, guys, how was your date?

Ellie Singh: It was awesome, Nico, we went to Dry Lagoon.

Jim Crocodile Cook: (Australian Accent) And we had an amazing time there. And how have things been here?

Nico: We've been getting ready to meet the W Kamen Riders, and as always, keeping Sancho and his party birds out.

Lincoln: That's right, and we're all set to meet the W Kamen Riders and we're sparing Katsumi, but we're giving Shinkuro Isaka and Kazu The Black Gates for good, especially what they did in bringing back Psy-Crow from the dead to get rid of us.

Me: Those two are nothing but a bunch of lowlives who deserve to die, and we're also sticking to the plan.

Lincoln: Those two have no idea of what's coming for them, and we're ready for them.

---

Later we were over at Sky High Academy and it was gonna be the perfect place for some bonding time.

Me: I always love coming here to Sky High Academy.

Layla Williams: Me too. It's so awesome.

Joan Critias: This is always so awesome.

Hailey Timaeus: Yeah I think it's so awesome.

Nico: Yeah.

Layla Williams: It's always fun.

Nico: Pete, you and Hay Lin are up for bonding time.

Yost Spiderman: All right!

Hay Lin: This is gonna be so awesome and cool.

Me: Yeah it sure is.

Yost Spiderman: Hay Lin, I'm gonna be honest. My life sucked before I met you.

Hay Lin: It did? How come?

Yost Spiderman: Well it was not a good life.

He told her all about it and it was a terrible life.

Peter Benjamin Parker is an intelligent high school student who secretly fights crime as a costumed superhero under the name Spider-Man. Using his spider-based powers and brilliant scientific mind, he fights crime and saves lives throughout New York City. He fights to honor his deceased Uncle Ben and his words "With great power there must also come great responsibility."

The early history of Peter Parker is largely unknown.

At some point, his parents Richard and Mary Parker were killed when they died in a plane crash. Orphaned as a young boy, Peter was then brought into the household to live with Richard's older brother Ben and his wife May in Forest Hillsin Queens, New York. Peter grew close to Ben and May as they raised him and that they were the only family he had. Ben and May helped him with his studies.

He once was friends with Eugene Thompson when they were both very young. Because Eugene kept taking his clothes off, Peter nicknamed him Flash.

Peter soon grew up with a great interest in science and academics and became an extremely intelligent honors student at Midtown Manhattan Magnet High School. Although, Peter's shyness and scholastic interest, especially in science, often made him a social outcast. Peter and Flash grew apart until it got to the point where Flash became a football star and bully to Peter. Peter later befriended Harry Osborn and Gwen Stacy.

He and Gwen were friends with Eddie Brock, whose father was friends with Richard. They were childhood friends and considered each other to be brothers. However, Eddie was older and graduated before Peter.

After being bitten on the hand by a spider genetically altered by radiation during a field trip to Empire State University, Peter was endowed with super powers. While walking home from school, Peter's Spider-Sense warned him of danger. He then realized a car running right at him. He jumped out of the way and clung to a building. Peter was amazed by this and looked for other ways to test his abilities.

At some point later, Peter sewed and designed a red and blue costume to conceal his identity so he would not be recognized. He created web fluid that could be fired out of his wrist-mounted web shooters that he invented. He called himself Spider-Man.

He used his powers to get money by wrestling the fighter Crusher Hogan. After defeating the wrestler, he found out that if he wanted to obtain any cash he must first sign a contract with Sulivan Edwards, the manager. Peter refused and Sulivan didn't give him any money.

Peter complained that it was not fair. Edwards returned by saying that it was not "his problem." Just as Peter was about to leave, a burglar came out of Sulivan's office with some stolen money. As the burglar fled he ran past Peter who, did nothing, to get back at Sulivan for not giving him any money, claiming it was "not his problem."

Using his spider powers to help him get home, he then opened the door to a crying Aunt May. Peter ran over to comfort her and ask her what happened. She then tells him that Uncle Ben was murdered by a burglar. because the criminal wanted Ben's car. Enraged, Peter was furious at this and sought revenge, so he went after the criminal as Spider-Man, and confronted the burglar in an old warehouse. Spider-Man unmasked the robber, only to find it was the same man who he let escape earlier. After knocking the criminal out and lowering him to policeman via web line. Overcome with guilt, Peter vowed to use his powers for good and to never put himself before anyone else, remembering his uncle's words that, "With great power there must also come great responsibility" becoming a superhero.

## High School

The next day, Peter arrived at school and told Gwen and Harry that he was determined to get a date with cheerleader Sally Avril, though both she and Flash humiliated him in front of everyone.

After school, Peter and Gwen were offered an internship at the lab of Dr. Curt Connors, where Peter had been given his powers. Both accepted.

Peter went to Harry's home, where Harry's father Norman congratulated him on his new career.

Adrian Toomes, taking the name Vulture, broke in wearing a winged suit and kidnapped Norman. Peter slipped out to don his Spider-Man costume and pursued Vulture. He succeeded in rescuing Norman but lost sight of Vulture in the fight.

Later, Peter went to the lab where he met up with Gwen, Eddie, and Connors. When he found out he would not be paid for the internship, he decided to sell pictures of himself as Spider-Man to the New York newspaper called *The Daily Bugle* . Peter met the editor-in-chief J. Jonah Jameson, who was unimpressed by him and threw the boy out.

That night, Norman was attacked by Vulture once more. When Spider-Man tried to stop him, he was fired upon by the Enforcers, who distracted him while Vulture chased Norman's limousine. While being pursued by the Enforcers, he followed after Vulture and ended up defeating him while getting the assassins off his back.

When he returned home, Aunt May gave him a curfew to ensure he didn't come home late again. She then gave him a slice of pie.

In Dr. Connors' laboratory, Connors demonstrated to Peter, Gwen, and Eddie a new potential source of clean energy: genetically modified eels. After Gwen and Peter leave, an electrician Max Dillon, attempted to upgrade the lab's electrical filters. However, he fell into a water tank and was electrocuted. Max was then sent to the hospital.

There he was found to be emitting strong electrical fields and was placed in quarantine. Max was further angered when a doctor explained that, although he was stable, he must wear a special suit to contain this emitted bioelectricity.

Peter was assigned to tutor a popular girl named Liz Allen. He was attempting to teach her science in a cafe when an angry Max entered and accidentally short circuited the power. Max then left.

Peter, believing him to be dangerous, pursued him as Spider-Man. Peter managed to photograph Max and remove his mask. Max became enraged and attacked, but fled while Peter is distracted by a phone call from Aunt May.

The following day Peter discovered that his photographs had not developed properly. He was still able to identify the man he fought as Max. He met with Dr. Connors, Eddie, and Gwen to seek a way to contain Max, who had been attacked by the police. Meanwhile, Max decided to seek help from the lab.

Max arrived at the lab and became aggressive, threatening Connors' wife, Martha. Eddie distracted him long enough for Peter to lead the girls to safety and return as Spider-Man.

Max, calling himself "Electro," began to fight with Spider-Man. The battle led the pair out from the lab into the rain, where Spider-Man spotted a radio tower beside a pool. He knocks Electro into the water, causing him to short circuit into unconsciousness.

At school the next day, Peter talked to Liz in the hall. She was complimenting his tutoring when the popular students approached. Liz quickly changed her attitude, acting rude, and walked away to protect her reputation.

J. Jonah Jameson shot down Peter's idea to sell him pictures of Spider-Man in action immediately and kicked him out of his office. However, Jameson had actually stole Peter's ideas as his own and published a contest. Peter later managed to win the contest as a result of taking pictures of Spider-Man fighting the Lizard, whom Dr. Connors' had accidentally turned himself into as a result of experimenting with lizard DNA. Despite Peter having never shown anything that linked Connors to the Lizard, this action alienated Peter from his friends at the ESU lab particularly Eddie.

An upset Peter decided to take a vial of the same gene cleanser that cured Dr. Connors and use it to "cure" himself of his spider powers, but he decided to keep it for later, remaining Spider-Man for the time being.

Parker then noticed that his aunt was having trouble paying the bills given to her, as he looked at them, and saw that they were all past due. His aunt then told him about Mary Jane Watson, who Peter immediately did not like just from her description. Peter then swung over to Osborn's house to help Harry study, but then he received an e-mail from *The Daily Bugle* saying that they liked his photos, and wanted him to come to the *Bugle* immediately to get a pay-check for photos of Spider-Man. Peter left Harry hanging just so he could get his pay-check.

When J. Jonah Jameson, the editor-in-chief of the *Bugle* first saw Parker, he just said that he was the kid who wasted his time the other day, and threw him out. Peter almost left, but Betty Brant, a person who works at the *Bugle*, helped drag him back in to get his pay-check. Jonah then gave him his money, and asked for a new set of Spider-Man pictures by deadline, which was two hours. He later tried stopping a crime that night, which was caused by Flint Marko and Alex O'Hirn again. He trounced them as usual, but a new villain called the Shocker came in, and attack Spider-Man at a dump. It looked like Spider-Man was finally beaten when he was crushed by a garbage compacter, thanks to Shocker. However Spider-Man survived, and he lost his pay-check. He got a new one, and gave Jonah the photos. Harry complained on how Peter totally left him hanging, but he promised that he would help him out later. Spider-Man then foiled another robbery from Marko and O'Hern, and told them to tell Shocker that he wanted a rematch. However, thanks to foiling that robbery, he bailed out on Harry again who he called Peter worthless. There were then strange tremors going off in a straight line in New York, and Parker realized that it was Shocker. He then went after Shocker, and fought him again. Spider-Man won by bringing the entire house they were in down on top of Shocker. He then gave his photos to the *Bugle*, and got his money to help his aunt May with the bills.

Shortly afterwards, Peter had to contend with Flint Marko and Alex O'Hirn, two crooks that he constantly arrested over the summer except now they were the supervillains Sandman and Rhino respectively. Peter learned from the latter, who had slipped into unconsciousness from dehydration, the identity of the Big Man: Tombstone. As Spider-Man he confronted Tombstone in his office. Tombstone said that he ran all of the organized crime in Manhattan, and was fine with occasional heroes but not mass saviors like Spider-Man. He offers to pay Spider-Man if he avoids his crime and only fights low-level crime. Peter refuses and leaves.

Peter got a date with Mary Jane Watson for the Fall Formal, but got a call from Jameson saying that a new villain, the Green Goblin, was attacking a party he was throwing for his son. Peter fought off the Goblin while still being able to keep the date. After a fight with Doctor Octopus, Peter contended the Goblin again on Halloween, only to discover his identity was Harry Osborn.

When a symbiote came down onto Earth, Spider-Man immediately snuck into Dr. Connors' lab to see it, but found the Black Cat trying to steal it. As they fought, the alien bonded to Peter, enhancing his powers and abilities with which he defeated the Chameleon. Doc Ock, meanwhile, got most of Peter's villains together to kill him, forming the Sinister Six. When Spider-Man defeated him, he began to wonder if the alien life form was controlling him somehow. When the Sinister Six's attack gave Aunt May a heart attack, Peter became angry and cold to just about everyone, causing him to realize what the alien, called the symbiote, was trying to control everything he did. Peter eventually separated himself from the symbiote using the church's bell. He discovered its true nature and tried to freeze it to death, but Eddie caught him and stopped it. As Spider-Man escaped, Eddie desired to kill Peter, who he blamed for the symbiote's disappearance, as he took photos of the event, and Spider-Man, who he thought stole the symbiote. The symbiote subsequently bonded to Eddie creating Venom. Venom stuck Spider-Man to a fence and then tried to kill Aunt May and Gwen, but Peter stopped him. After Thanksgiving Day dinner, Gwen, who had been in love with Peter since they met, kissed Peter causing him to have mutual feelings.

Over time, Peter continued to learn more about the Green Goblin and other villains, who all began focusing on defeating him. He tried to get close to Gwen and to finally admit his own feelings for her, but he was unable to do so before Liz Allan began a relationship with him the very moment of the turn of the year. Later, Gwen started dating Harry. Peter continued to have various random experiences, which only got worse when Venom revealed Peter's identity to the world. He was later arrested, where he finally ran into Black Cat's father who was the man who killed Uncle Ben.

After Peter got out, he and Gwen finally admitted their feelings and decided to ditch their partners before they started dating. Peter subsequently broke up with Liz, much to her chagrin.

In the end, the Green Goblin revealed himself to actually be Norman Osborn, having framed his son for his own personal gain and hired the Chameleon to keep Spider-Man guessing to set him up for a fall. Furious, Spider-Man seemingly killed Osborn in one final fight.

Harry blamed Spider-Man for his father's death, swearing vengeance. Harry claimed that if Gwen broke up with him, he may become Green Goblin and kill. Gwen was forced to continue dating Harry, which Peter reluctantly accepted.

* * *

When he was done we were shocked.

Hay Lin: My god. I'm so sorry Peter.

Me: That last part we were told about from the Captain America from your world Pete. That was terrible.

Yost Spiderman: Yeah it sure was.

Me: But at least you don't have to worry about your worlds version of Norman anymore.

Yost Spiderman: I can't believe Stewie's gun ran out of ammo right when I was about to kill him.

Me: We fixed that problem though.

Stewie: Thank goodness.

Yost Spiderman: But Aunt May got shot too.

Me: It was nothing serious Pete. Just a grazing shot.

Varie: Yeah it just needed some stitches. Your Worlds version of Aunt May is fully healed now.

Yost Spiderman: You guys are really awesome doctors.

Varie: Well we can't argue about that. We just do what we do.

Qin: That's true.

Lola: Yeah.

Lana: Hey J.D.!

Me: What is it Lana?

Lana: Look there.

Lana pointed to a Sky Mermaid City and it was the one I saw in my dream where I banished Storious to the Warp!

Me: Well I'll be! That's the Sky Mermaid Kingdom where I battled Storious and got my Wonder Ride Book.

Nico: Wow! So that's it! That is so cool!

Brian: That moment was the most Bullshit of the Year award.

Nico: Yeah it sure was.

Eli: Yeah. Sorry about all that happening to you Pete.

Yost Spiderman: Yeah no kidding.

Me: But your worlds versions of Vulture and Sandman got to pound your former boss's face in.

Qin: They sure did.

Marina Lexington: That was so awesome to hear about. I never liked J. Jonah Jameson. He was a jerk.

Me: No one likes him.

Nico: But that version of Jameson actually realized the error of his ways and branded Norman and his goons fugitives.

Yost Peter: I actually do still work for him. But now, I give him pictures of villains being sent to the Black Gates.

Me: That's very good. It'll also keep a record of who got the Black Gates.

Nico: It sure will.

Lana: I have something to show you guys.

She pulled out a huge book! It was a black book and it had A Skull and Crossbones on it with the symbol of the Black Gates.

Me: What's that book Lana?

Lana: It's called The Book of The Black Gates. It's a log book me and Lucy put together that shows the villains we faced that got the black gates.

We looked through it and we saw everyone that we used the Black Gates on.

Me: Wow! This is very well organized Lana.

Nico: Nice job.

Yost Spiderman: Yeah and I was helping her out. She gets the copies of the photos for the book and I send them to Jameson for my stories.

Nico: That is so awesome.

Yost Spiderman: It was really weird for my other enemies to feel concern about me during that time.

Me: Well that shows that not all of your enemies have hearts that are black as night.

Sandman: That's right. Look what happened with me. J.D. saved me from myself when he saved my daughter from death.

Lola: Yeah he sure did.

Yost Spiderman: That's right did you really give your heart to Penny?

Me: I sure did. Immortality and Invincibility has its perks.

Luna: Dude, I still can't believe your version of Harry yelled at me, J.D., Eli, Luan, Vanitas, and your version of Hulk. And then, he had the nerve to bonk Eli and Lincoln's heads together! Though, I don't mind him yelling at Kenny Kong.

Lincoln: Honestly, we should've just let your version of Rhino and Sandman beat Harry up. Me and Eli would've joined in as well!

Me: Yeah and that was like how Ned Flanders yelled at everyone.

Ned Flanders: Woo. You're telling me. That was a dilly of a yell from what I heard.

Nico: It sure was Ned.

Eli: Yeah my head still hurts from that.

Lincoln: It really hurt.

Me: Guys, Harry was just going through some hard times because of his so-called father.

Luan: He said I wasn't funny!

Me: Luan he didn't mean any of that.

Megan Kiraton: Yeah I know the kind of pain he was going through.

Laney: You are really funny Luan.

Luan: I'm glad you think so.

Me: Besides he was just upset that he thought his father was dead. But I gave him a bad scolding. Remember that?

Nico: I sure do.

Me: Yeah that was amazing.

FLASHBACK CHAPTER 1714

We went to Central Park and we found Harry.

Me: There he is.

I went up to him.

Me: Harry we need to talk.

Yost Harry: Leave me alone.

I grabbed him by his shirt.

Me: Harry you listen to me! You are not the only one that is going through the pain of losing a family member. I'm sorry that this happened to you and you have my sympathies for this. But there are countless people all over the world that know the pain you are going through. And I know how you feel too.

Yost Harry: How could you know!?

Me: Because 2 and a half years ago me and my team went and killed Thanos the Mad Titan on December 26th, 2019 and we suffered 2 heavy casualties because of it and they were Ra's Al Ghul and Bowser! They were killed right in front of our very eyes and the pain was absolutely incredible when we saw them die! I blamed myself for not being fast enough to stop them from dying! That pain haunted me for over a year! But I learned that there is still a family that will always be with you here on Earth and always with you in spirit and also there are many things that can help you out too. There's also a very powerful thing that you must never throw away and that is Friendship! Friendship is eternal and so is the power of love! You have so many awesome friends at school and you loved Peter Parker here like a brother and he loved you too. But if you must know, Spiderman did not kill your father! He faked his own death and is now in hiding! Let me show you.

I used my powers and showed him that his father was truly alive and is in hiding right now even as we speak!

Yost Harry: My father is alive!? Oh dear god. What have I done!?

Then Yost Rhino and Sandman came.

Yost Rhino: (smirks) Hello, Osborn.

Yost Harry: (pales) W-What are you two doing here?

Yost Sandman: We wanted to have a talk with you. But J.D. beat us to it.

Yost Rhino: But just so we're clear, if you ever treat your friends like that again, we're gonna send you off to Hell!

Yost Harry: (gulps) Understood, sir.

FLASHBACK ENDS

Nico: That was awesome.

Me: Yeah it was.

Nico: Lincoln, Yost Shocker was right to scold you about your Southern Jokes. You know what was going to happen as a result of you telling them!

Lincoln: I know. I thought those were stupid. But at least I am never gonna say them again.

Nico: Good.

Lola: Yeah.

Nico: Yost Rhino, Yost Electro, and Yost Vulture will be a part of the Neo Core members.

Me: Awesome!

Eli: Looking forward to seeing who has those battles later on.

Qin: We all are.

Me: Hmm. We'll have to work on a new system for the Neo Core members.

Lola: Yeah.

Hay Lin: But I like it.

Nico: When we get to using Fullbottles and Medals in the battles, those will help us pick out which Neo Core members go with which Core members.

Me: Wow! So it's gonna be a 2 member team in a sense.

Nico: Yep.

Me: Wow this is gonna be interesting to see.

Lola: Yeah no kidding there.

Nico: I'll send you a list of the Neo Core members in the future.

Me: Looking forward to seeing it.

Qin: This will be awesome.

Lola: Yep.

Yost Spiderman: Yeah it will be cool.

Hay Lin: Looking forward to it.

Nico: Wait. Anyone hear footsteps?

We heard footsteps and then we looked and we saw a scary version of the American Turbo Red! It was ANOTHER TURBO RED!

Me: WHOA! Another Turbo Red!

T.J.: Another me!? Oh that tears it! I'm going to rip this one to shreds!

Nico: I feel the same way T.J.!

Me: All right buddy, who are you!?

Another Turbo Red: (In a girls voice) I'm not supposed to be this size.

Me: That voice.

It reverted back and we saw that it was a FIRE FAIRY!

Eli: A Fire Fairy!

She landed in my hands.

Me: Harenia. It's good to see you again.

Nico: A Fire Fairy as Another Ranger? Wow that is interesting.

Me: Yep.

Harenia: It's good to see you again though J.D. But I don't know how I got this power. It's not fit for me. And I now have the power to change size. I can turn into your size now.

Me: I think it's awesome that you can do that. You can be in both worlds now.

Nico: How do you know Harenia?

Me: She's one of the fairies I saved from Crockerfucker. He was trying to harness the power of Fire Fairies to destroy Fairy World.

Wanda: Well that's good you saved her J.D.

Me: It sure is.

Harenia: Yeah and I can't control this power from Swartz.

Nico: What did he promise you?

Harenia: Nothing. He just made me this against my will. It's part of a retaliation plot to destroy you for killing Apollo Geist.

Me: Looks like our message got through.

Nico: Yep.

Me: We'll be adding more fuel to the fire as time goes on.

Eli: Yep.

Harenia: (CLUTCHES HER HEAD)

Me: Fight it Harenia.

Harenia: I'm trying!

Me: You can do it.

She then flew back and suddenly was enveloped in a vortex of darkness and then she turned into ANOTHER TURBO RED!

Me: Then it's time to fight speed with fire.

I activated the Heat Gaia Memory!

HEAT!

Me: HENSHIN!

I turned into KAMEN RIDER HEAT!

Nico: AWESOME!

Bridget Branley: Awesome J.D.! Reika would love seeing this one.

Me: She sure would.

Bridget flared up her fire aura.

Nico: (takes out Key's Ridewatch) Time for some fun!

(TO THESE WORDS I BEHELD NO TONGUE BY THEATRE OF TRAGEDY PLAYS)

Nico: (SINGING DIVINELY AS DARKNESS AND KEYS SWIRL AROUND HIM)

Whether the throned monarch weareth the crown

Which I know not to his belongeth

Doth he hence the sceptre sway?

Seasoneth he justice?

Daresay I he doth not

Will he then use his sceptre as a wand?

Where doth sit my awe?

Trieth me conjure

Perchance a spell, a reptile, a sullied hound

Is the gentle rain a quality of his?

I bethink this fro my thoughts, hitherto, about this

I beheld to these words no tongue

Are the monarch's men his thralls or his servants? (Oft I waylay my tongue)

Those of which are withal by my gnarled heart not heeded

Or doth the trostle sing with more glee at daybreak than at twilight?

Brawl not my imp, nor my cherub

Reserve my judgement (crave not the sword when the bodkin fro)

Thine is that undiscovered country

Be that of calamity, be that of joy, be that of apathy

Tread not paths of new when those of old are

Far by an only single footstep

Walk, be it on the left, on the right, be it the one which

Straight forward leadeth the one of correct

I have as until now not heeded any signs of

I have as until now not heeded any signs of

He danced and fired waves of keys and darkness and smashed Another Turbo Red all over.

Nico: YEAH!

Brittney: That was awesome Nico.

Lola: Yeah!

Another Turbo Red then pulled out a Turbo Blaster imbued with Heat Dopants powers and she fired a wave of fire and we absorbed it!

Me: WHOA! She has weapons of Turbo imbued with the core and non-core members of the M.O.E.

Nico: Yeah! So awesome!

Me: Ready for a combo Bridget?

Bridget Branley: You bet I am.

Me and Bridget: HEAT ELEMENTAL INFERNO KICK!

We jumped and enveloped ourselves in fire and kicked Another Turbo Red and she exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I reverted back and I caught the Ridewatch and purified it and went over to Harenia and picked her up.

Harenia: (GROANS) What a headache.

Me: You're okay now Harenia. You're safe now.

We picked up the weapons.

Yost Spiderman: You know there's a Japanese Turboranger team, right?

Me: Yes I do. But we'll worry about the Another Carranger Red later.

Lola: Yeah.

Laney: But I think this was so awesome and fun.

Lola: It sure was.

Harenia: I have a lot to catch up on with you J.D.

Me: I know. But Swartz made the smallest Another Ranger ever.

Nico: He sure did.

---

Meanwhile at a local sandwich factory we were stopping a bunch of robbers from stealing truckloads of grilled cheese sandwiches!? What the fuck are people doing stealing food?

We were punching them all over.

Kento: Another day, another robbery.

Me: But this time they are stealing Grilled Cheese Sandwiches?

Nico: What is with criminals stealing food now?

Me: Yeah has the world gone topsy-turvy?

Lola: Weird!

I grabbed a robber.

Me: Okay bub. Why are you stealing all these Grilled Cheese Sandwiches? You guys better be hungry.

Robber 1: It's for a special bazooka we're building!

Robber 2: This!

He pulled out a GRILLED CHEESE SANDWICH POWERED MEGA CHEESE BAZOOKA!

He fired and we ducked and it splattered the entire wall with melted cheese!

Mashirao Ojiro: That's really powerful!

Nico: And really messy!

I teleported and took the bazooka!

Then Eli took the robbers and bashed their heads together and knocked them out!

Nico: Yeah!

Me: I hope they haven't made a tomato soup flamethrower.

Robber 3: Oh we did!

We saw a robber with that!

Me: Me and my big mouth!

He fired a blast of soup and we ducked and I teleported and kicked him and knocked him out too!

We took the weapon.

Sunstreaker: For Spark's Sake, is there any other food weapons you guys have?!

They were all knocked out.

Sunstreaker: Oh right.

We had them arrested and they were loaded into the van.

Nico: Man what is up with these criminals stealing food?

Sheila Loud: They are probably inventing new weapons that use food.

Eli: That could be.

Swindle: It's not all bad. I can sell these weapons!

Me: Yeah that's true.

Nico: But food is for eating. Not for weapons.

Qin: Yeah no kidding.

Laney: People are starting to be that desperate.

Nico: Yeah. Anyway lets get ready guys. It's time for our big mission.

Nuju: It's gonna be awesome to see Philip and Shotaro again.

Lola: It sure is.

---

Back at the estate we were getting ready to head out.

Rippersnapper: Do you like the team so far, Calvin?

Calvin: You bet I do! It's so awesome!

Laney: We're glad you like it.

Then Maria Cranberry and Reika Hanehara appeared.

Reika Hanehara: Hey guys. Can we go with you too?

Maria Cranberry: We have some things we need to talk about to the W Team.

Me: Sure.

Nico: We need all the help we can get for this one. Also I have a feeling that Isaka and Kazu are up to something huge.

Me: Me too.

Eli: Yeah.

Nico: One thing before we leave.

Nico pulled out the Ridewatches for DynaRed, Red1, ChangeDragon, RedFlash, Red Mask, and Red Falcon.

Hank, Eric, Sheila, Bobby, Diana and Presto got the copies and Power Pack, Ariel, Zick, Vert, Randy and Maximum Ride got the originals

Then Lady Shiva, Evil Lyn, Tri Klops, Riddler, Magneto, Aqueduct, Salami Swami, Robo-Blaze, See-More and Magma appeared.

Shiva: Can me, Evil Lyn, Tri Klops, Riddler, Magneto, Aqueduct, Salami Swami, Robo-Blaze, See-More and Magma go with you guys?

Nico: Yes you sure can and Reika and Maria here are going too since they have some things to talk about with the W team.

Shiva: Okay then.

Nuju: But this is gonna be so awesome helping out Philip and Shotaro.

Qin: I think it will be awesome too.

Lola: Yeah it will!

Sheila (D&D): It will be great!

Motormaster: Boss, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Ooh I know! Lets see if there's one for a Giant Albatross from Magic The Gathering and the Roachcutter from 100 million A.D. next.

Me: Wow! Those are gonna be interesting.

Eli: A huge bird and a small bird. Cool!

Laney: And the albatross is the ancestor of the Roachcutter. That is cool.

Nico: Lets head out everyone.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was in the vision: it was none other than Medusa, and she wants revenge on Pit for destroying her long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is

someone else coming after us today?

Lincoln: You got that right, Nico, and Pit, you and the others aren't going to like this one bit: the dark energy signal I sensed belongs to your old enemy, Medusa, and she wants revenge on you for destroying her long ago.

Pit and the others gasped in shock.

Pit: I thought I'd never have to deal with her again.

Lady Palutena: I should've known she'd show up again, but this is going to be the last time.

Me: Yeah.

Lincoln then made a spell to protect us from Medusa, if she tried to attack us.

Lincoln: And just a precaution, I made a spell to protect us from Medusa.

Nico: Way to think ahead, Lincoln. Alright, gang, let's go, it's time to meet the W Kamen Riders.

Me: And put an end to both Shinkuro Isaka and Kazu.

Lincoln: And get Katsumi into The Masters of Evil. And Medusa, consider this your last day alive, because the one thing awaiting you, Shinkuro Isaka, and Kazu is The Black Gates for your crimes.

We were off to Japan!

* * *

We arrived and we saw them fighting Keio Horinouchi The Puppeteer Dopant!

Aqueduct: There they are!

Me: And they are fighting Keio Horinouchi the Puppeteer Dopant!

Nico: Lets get him!

We went at him.

Puppeteer Dopant: Give up fools!

Philip: Never!

But then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then fireballs hit Puppeteer Dopant all over and smashed him all over the place. A Phoenix Cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Shotaro: Zocks!

We came out.

Me: Keio Horinouchi you are under arrest!

I used my new Gaia Memory Sword and slashed him with the powers of Electro, Larxene, Zzzax, Tchang Zu, Dr. Viktor, Black Adam, Electropede, Loki, Thundermon and 10,000 Volt Ghost and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I got the Puppeteer Gaia Memory and purified it and then I slapped the cuffs on Keio.

Me: You are looking at eternity in our prison system for your crimes.

Keio Horinouchi: Fuck you J.D.

Me: Fuck you too!

Razorclaw: I can understand you using your Gaia Memory to take revenge on those who said you didn't love your daughter. But you still have to pay for your crimes.

Nico: And those monster dolls you make are fucking creepy!

Me: Yeah! Scumbags like you Make Me SICK!

He spat at me and my aura protected me and then…

KRASMASH!

I punched him hard in the face and smashed his eye right out of his socket and destroyed it. He screamed in pain as his eye was smashed out.

I then beamed him to the Neptune Prison.

Philip: That showed him!

Shotaro: Nice punch!

Me: Awesome to see you guys!

Nuju: Same here.

Philip: Yeah that was awesome!

Eli: I hated that guy Keio.

Lola: Yeah what a jerk!

Qin: All for some petty vengeance.

Ryu: Yeah what a nutjob.

Riddler: Riddle me this: Can we talk at your headquarters?

Me: I was gonna say. We have so much to talk to you about.

Philip: Sure thing. But that sword was awesome!

Me: Thanks. Lisa made it. And it's also one of the things we need to talk to you about.

We went to their base.

We arrived at the base.

Philip: Here we are.

Riddler: Really awesome place.

Shotaro: Thanks.

Sinnertwin: We want to thank you guys for helping out against Jonah Mauville's goons.

Philip: Aw it was nothing. That was awesome though.

Me: It sure was. You really helped us protect Cody too.

Qin: Yeah that was awesome.

Ryu: Yeah it was.

Philip: So what do you want to tell us first?

Me: Well for starters…

I pulled out my bag and showed them all the Gaia Memories we got that were imbued with all the Core and Non-Core members of the M.O.E.

Me: These are Gaia Memories imbued with the powers of the Core and Non-Core members of the Masters of Evil.

Riddler: It's really amazing

Nico: And you wouldn't believe who it was that we defeated in order to get them.

A woman came out.

Ryu: Guys, this is my wife Akiko Narumi.

Me: Oh pleasure to meet you.

Akiko Narumi: You too J.D.

Robo Blaze: You're the girl who likes to hit with slippers, right?

BONK!

Robo-Blaze got hit in the head with a slipper from her.

Robo-Blaze: OW!

Me: That is a definite yes.

We laughed.

Poromon got 2 beer bottles.

Shotaro: Oh, don't tell me that's-

Poromon: 2 bottles of beer!

Suzumebachi: At least there's 1 for Shotaro and Philip each.

Me: I don't think they drink though.

Philip: Yeah we don't drink sorry.

Shotaro: Yeah.

Akiko Narumi: Digimon that drink?

Me: Don't ask.

Nico: We've had a lot of crazy shenanigans where the mascots and some of us got drunk.

Me: Yeah it's silly. But trust me on this, you don't want to know what happened.

Shotaro: I see.

Me: Oh right you remember these faces?

They saw Reika Hanehara and Maria Cranberry!

Philip: Reika and Maria!?

Shotaro: You're back!

Reika Hanehara: Yeah we're now in the M.O.E.

Maria Cranberry: And it's good pay.

Bridget Branley: Reika is now my archenemy. Sorry I'm Bridget Branley, I just joined the team a while back. I'm a Fire Elemental.

Ashley Aella: And I'm Ashley Aella. I'm a Wind Elemental. I'm Maria's archenemy.

Philip: Wow! So awesome to meet you.

Me: We're trying to find awesome archenemies for many of us. Also we have gotten numerous new members added to the team.

Nico: Yeah.

See More: Is CycloneJoker really the defeault form for you guys?

Shotaro: Yep. I represent Joker. Philip over here represents Cyclone.

Me: Wind and Mischief. That is cool.

Qin: Yep.

Lola: I thought so too.

Ryu: (to Aligned Arcee) You must be the Aligned version of Arcee. It's an honor to meet you.

Aligned Arcee: Oh you too Ryu.

Ryu: Motorcycles are so awesome.

Aligned Arcee: Yes they are.

Aligned Arcee: And we both know the pain of loss all too well.

Ryu: Yes we do.

Me: Yeah many of us know that feeling too.

Qin: Yeah.

Lana: It's not a good thing.

Me: Anyway we should tell you guys why we're here.

Ryu:… Isaka is one of the main targets, isn't he?

Nico: Yep. He sure is.

Me: And so is Kazu.

Nico: And our secondary target is Katsumi.

Qin: We're actually going to have him recruited into the M.O.E.

Me: I was torn between wanting to give Katsumi the Black Gates and having him join the M.O.E. But Maria told me everything that happened to Katsumi and now I made I my mind. I decided to have him put in the M.O.E.

Philip: That's good you guys want to put him with your frenemies. Who have you picked for him?

June Carrington: That would be me. My name is June Carrington. And I'm an immortal cave girl. I have lived for 200,000 years and I became Another Eternal Rider on purpose.

Philip and Shotaro: WOW!

Akiko Narumi: You'Ve lived for that long!?

June Carrington: It's crazy huh. But yes I have.

Me: That brings us to how we got these Gaia Memories. We defeated Another Riders for you and Shotaro as well as Another Accel. And you wouldn't believe who the Another W was. It was 2 of the members of the Sullen 6: Denzel Crocker and Charles Montgomery Burns.

We told them everything and it was shocking and INFURIATING!

Shotaro: SAY WHAT?!

Me: Yeah we're dead serious. It was Denzel Crocket and Burns. They were both Another W.

Nico: But you'll be happy to know that they were given the Black Gates.

Qin: They are gone for good.

Lola: Yeah.

Philip: They dare spit on the legacy we made?!

Me: Well they were just that fucked up to the brink. They were 2 of our most dangerous enemies and terrorized much of the world. Especially during the 20 Days of Darkness.

Eli: Yeah and they caused so much pain and suffering to so many people.

Varie: And they did not care one bit!

Lola: They were just heartless, remorseless, pitiless, unconscionable monsters.

Mandarin: Philip, do you know of what Katsumi's goals are this time?

Philip: Yes I do. He's going to try and finish what he started in the past. But he is also working with Kazu and Isaka.

Me: Kind of ironic that he is working with the very organization he was trying to destroy.

Qin: Yeah no kidding.

Nico: Yeah.

Philip: But this time, he merely plans to use the X Bicker to destroy all Sinners in Futo.

Magma: Okay. Compared to his previous plans in the past, that's actually not too bad. But we still have to stop him.

Me: And I completely agree there too.

Qin: We will not let their plans come into fruition.

Eli: But I sense that Kazu is going to double-cross Katsumi when we face them.

Me: I got that feeling too bro.

Arixam: I wonder why Katsumi's plans aren't that harsh this time.

Woz: Perhaps it's because of his prior encounter with my Demon King. I am of course referring to Sougo.

Me: That's right! I remember that Sougo helped beat Katsumi a while ago and so did Eiji and we meet Eiji and his team tomorrow.

Qin: We sure do!

Lola: That is gonna be so cool.

Eli: We're going to need to put the Medal Vacuum on full force.

Akiko Narumi: How exactly do you think Isaka and Kazu will betray Katsumi?

Salami Swami: They might change the settings of the X Bicker to destroy ALL people in Futo.

Me: And they might stab him in the back. Literally.

Akiko Narumi: Oh man.

Me: But we're ready for that. We have some of the best doctors ever.

Qin: Yep.

Nico: We're ready for anything.

Qin: Yeah we sure are.

Nico: Anyway it's time to demonstrate our power with the usual battles.

?: I agree.

We saw RYUBEE SONOZAKI!

Me: Ryubee Sonozaki!

Philip: (to Ryubee Sonozaki) I'm surprised you actually joined the Masters of Evil.

Ryubee Sonozaki: Don't be surprised, Philip. Even I can have a change of heart.

Ra's Al Ghul: Ryubee is in the Sinister 12 sub group of the Masters of Evil. Other members include Psyphon, Yost Electro, Yost Crimson Dynamo, Skulker, Heart, Kuroto Dan, Stacey, Dogranio Yaboon, Emperor Z, Evil Clayface, and Fracture.

Me: Wow!

Eli: That is cool.

Magneto: I remember you having a practice battle a while back.

Nico: That was so awesome.

Ryubee: It sure was awesome.

Qin: I thought it was cool.

Volcana: I thought so too.

Crash Man: We had extra battles with each of the Sinister 12 one day at a time after Jorgen showed us the first What If Universe.

Me: I remember that. That was so awesome.

Qin: It sure was.

Philip: Wow.

Lana: Yeah it was cool.

Zhuqiaomon: We all agree.

Nico: Now, before the usual battles, I'd like to give out two more Ridewatches today.

Nico showed the Ridewatch for AkaRed and its' copy.

Yamato: Wait. Marvelous told me about this one. This is AkaRed, the embodiment of all Red Sentai!

Tri Klops: Please tell me we won't have to fight Another AkaRed.

Nico: We won't. Ora and Heure said that AkaRed's power is so Legendary that Swartz couldn't make an Another Ranger of him.

Me: I remember seeing AkaRed. He has 46+ Years of Red Rangers inside him and his power is so strong that not even all the ranger teams from over that timeframe combined can match up to him.

Qin: Wow that is amazing.

Me: But if we fought Another AkaRed hypothetically speaking that would be an epic one.

Nico: It sure would be awesome.

Me: I would gladly take the AkaRed original as long as I'm willing to share.

Nico: Fair enough.

I decided to have Izuku get the copy and Jason Lee Scott get the Original. Since he is America's first Red Ranger.

We went outside and got ready and then Trickster, Box Ghost, Ssserpent, Onyx, Dr. Octopus, Count Vertigo, Sportsmaster, Pied Piper, Hank Scorpio and Cantwell appeared.

Nico: Trickster, Box Ghost, Ssserpent, Onyx, Dr. Octopus, Count

Vertigo, Sportsmaster, Pied Piper, Hank Scorpio and Cantwell.

Philip: Awesome!

Trickster: While you and Shotaro's battle are happening, should the Rabbids guard your body?

Philip: I'd like that. They did a good job before.

Box Ghost: Of course they did.

Me: And that makes them awesome.

Ssserpent: Even though they're not smart.

Me: Like I said, they aren't the brightest light bulbs in the closet but they are still awesome, helpful and funny.

Onyx: (to Nico) We heard you went to the Duel Monsters world

Nico: We sure did.

Juggernaut: Get any new cards?

Me: Better than that.

Everyone saw a massive army of DUEL MONSTERS ALL REAL!

Everyone was shocked!

Qin: Yep.

Juggernaut: We also have some new recruits.

Out came Ken Ashiwara the Trigger Dopant, Gozo Domoto the Metal Dopant and Kyosei Izumi the Luna Dopant!

Me: Whoa I remember you three too!

Kyosei Izumi: I'm ready to smash!

Gozo Domoto: Me too!

?: That is awesome excitement.

A figure came out and it was CHUBOUZU from the Ninja Storm VS Wild Force Japanese Movie!

* * *

Chubouzu arrived on Earth to avenge his brother, meeting the Duke Orgs Duke Org Yabaiba and Duchess Org Tsuetsue, who revealed to him the Gaorangers' existence, and he made a deal with them. Chubouzu managed to capture the Gaorangers and Tetomu, obtaining the G-Phones which he gave to Universal Stealth Group Jakanja on the condition that if the plan was a success he would take his brother's place in the Seven Dark Spears.

However, though the eight villains had them on the run, GaoSilver's interference gave the gang a chance to return the G-Phones to their true owners. Though he was hit by the Victory Gadget/Hyakujuken combo attack, Chubouzu used the Dark Soul Summoning Ninpou to evade death and used his Regeneration Ninpou to revive Girigirigaishi, Kangaroulette, and Jingiron to aid him. He also used his Big-Bro Spirit Summoning Ninpou to revive Chuuzubo himself.

In the end, Chubouzu was killed the Power Animal-powered Tenkuu Gourai Senpuujin and it's Wild Hurricane Thunder.

* * *

Eli: Chubouzu! I remember you! You came to Earth to avenge the death of your brother Chuuzubo.

Chubouzu: That's right Eli.

Qin: That was awesome.

Chubouzu: Too bad I wasn't adapted in America. I could've definitely been Choobo's brother!

William: I know! In fact, there was never a Wild Force and Ninja Storm team up in the past.

Me: Yeah what a ripoff! That would have been SO Awesome to see!

Nico: No kidding there!

We got the usual battles underway.

Box Ghost was next.

Box Ghost: (to Omi) Nico, Ebonwumon, and the others did good Battling Another Jetray. Too bad Gaon got his butt blasted.

Omi: (Tibetan Accent) Yes he got his butt blasted big time.

Rarity: Oh it really hurt darlings.

(HAKUNA MATATA BY TIMON AND PUMBAA PLAYS)

Omi: (SINGING DIVINELY AS WATER SWIRLS AROUND HIM)

… Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

… It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata!

… Why, when he was a young warthog

When I was a young wart-hoooog!

Very nice!

Thanks!

He found his aroma lacked a certain appeal

He could clear the Savannah after every meal

I'm a sensitive soul, though I seem thick-skinned

And it hurt that my friends never stood downwind

And oh, the shame

(He was ashamed!)

Thought of changin' my name

(Oh, what's in a name?)

And I got downhearted

(How did you feel?)

Every time that I-

Pumbaa! Not in front of the kids!

Oh… sorry

… Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

Yeah, sing it, kid!

It's our problem-free philosophy

Hakuna Matata!

… Hakuna Matata

Hakuna Matata

Hakuna Matata

Hakuna

… It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata

They danced and fired waves of water, ice and jewels and smashed him down.

And, blinking, step into the sun

There's more to see than can ever be seen

More to do than can ever be done

There's far too much to take in here

More to find than can ever be found

But the sun rolling high

Through the sapphire sky

Keeps great and small on the endless round

It's the circle of life

And it moves us all

Through despair and hope

Through faith and love

'Til we find our place

On the path unwinding
